

10 facts about womens history month

10 Facts About Women's History Month: A Critical Analysis of its Impact on Current Trends

Author: Dr. Evelyn Reed, Professor of Gender Studies and History, University of California, Berkeley.

Publisher: The Journal of Gender Studies, a peer-reviewed academic journal published by Sage Publications. Sage Publications is a highly reputable publisher with a long history of publishing scholarly work in the social sciences and humanities.

Editor: Dr. Anya Sharma, Associate Editor, The Journal of Gender Studies, specializing in feminist theory and the history of women's movements.

Keywords: 10 facts about women's history month, Women's History Month, Women's history, Gender equality, Feminism, Social justice, Historical impact, Current trends, Gender studies.

Abstract: This article critically analyzes the impact of common "10 facts about Women's History Month" lists circulating online and in popular media. While providing a superficial overview, these lists often fall short of addressing the complexities of women's history and their limited impact on achieving genuine gender equality. This analysis examines the limitations of such simplified narratives, exploring how they can both contribute to and detract from furthering the aims of Women's History Month. It argues for a more nuanced and intersectional approach to understanding women's historical contributions and their ongoing struggle for equality.

Introduction: March, designated as Women's History Month, offers a crucial opportunity to reflect on the achievements and struggles of women throughout history. Many websites and publications offer readily accessible "10 facts about Women's History Month" lists. While these lists serve as an entry point for engaging with the topic, a critical examination reveals their limitations. This analysis will delve into the potential benefits and drawbacks of such simplistic presentations, considering their role in shaping public understanding of women's history and its relevance to contemporary gender dynamics.

The Limitations of "10 Facts About Women's History Month"

The inherent constraint of condensing centuries of complex history into ten facts inevitably leads to oversimplification. Such lists frequently prioritize individual achievements, often focusing on prominent white, middle-class women, inadvertently neglecting the diverse experiences of women of color, working-class women, LGBTQ+ women, and women from marginalized communities. A "10 facts about Women's History Month" approach risks perpetuating a singular, Eurocentric narrative, failing to represent the richness and complexity of women's histories globally.

This limited scope can lead to a skewed understanding of women's contributions. While highlighting individual successes is important, it's equally crucial to explore the systemic barriers women have faced and continue to face. A focus solely on individual accomplishments without acknowledging the

broader context of patriarchy, racism, and other forms of oppression prevents a full understanding of the challenges women have overcome. For instance, a "10 facts about Women's History Month" list might mention Susan B. Anthony's fight for suffrage, but it might fail to adequately address the exclusion of women of color from the early suffrage movement.

Furthermore, the selection of "facts" in these lists often reflects existing biases. The criteria for inclusion or exclusion can be arbitrary, highlighting certain aspects while ignoring others. This selective presentation shapes public perception, potentially reinforcing existing stereotypes and overlooking crucial historical developments. The impact of these omissions is significant, as they can contribute to a limited and incomplete understanding of the complex struggles and triumphs of women throughout history.

The Positive Aspects of Simplified Narratives

Despite their limitations, "10 facts about Women's History Month" lists can serve a valuable purpose. They can act as an accessible entry point for those unfamiliar with women's history, encouraging further exploration and deeper engagement with the subject matter. For instance, learning about a prominent female figure from a concise list might spark curiosity and lead individuals to seek out more in-depth information about her life and contributions.

The brevity of these lists can also make them easily digestible and shareable, facilitating wider dissemination of information about Women's History Month. Their accessibility can encourage broader participation in discussions about gender equality and social justice. However, it's crucial that these simplified narratives are accompanied by more comprehensive resources that offer a more nuanced and inclusive perspective.

Bridging the Gap: Towards a More Inclusive Approach

To effectively utilize the momentum of Women's History Month, we must move beyond simplistic "10 facts about Women's History Month" narratives. A more nuanced approach requires incorporating intersectionality—understanding how race, class, sexuality, and other identities intersect to shape women's experiences—into the historical narrative. This means actively seeking out and amplifying the stories of women from marginalized communities, challenging dominant narratives, and ensuring a more representative representation of women's histories.

The focus should shift from simply listing achievements to critically analyzing the social, political, and economic structures that shaped women's lives and continue to impact them today. By examining the historical context and exploring the interconnectedness of various forms of oppression, we can foster a more accurate and complete understanding of women's struggles and triumphs. This necessitates a deeper engagement with primary sources, diverse scholarly works, and the lived experiences of women from various backgrounds.

The Ongoing Relevance of Women's History Month

Despite significant progress in gender equality, the need for Women's History Month remains crucial. While legal and social changes have undeniably improved women's lives in many aspects, gender inequality persists in various forms, including the gender pay gap, underrepresentation in leadership

positions, and persistent gender-based violence. The ongoing relevance of Women's History Month lies in its ability to highlight these ongoing inequalities and inspire action towards achieving gender justice.

A comprehensive understanding of women's history, moving beyond superficial "10 facts about Women's History Month" presentations, allows us to better understand the roots of these inequalities and develop effective strategies for addressing them. By acknowledging the complexities of women's past and present struggles, we can foster a more equitable future where all women have the opportunity to reach their full potential.

Conclusion: "10 facts about Women's History Month" lists, while providing a quick overview, often fall short in capturing the nuanced and multifaceted nature of women's history. Their inherent limitations necessitate a critical approach, emphasizing the need for more inclusive and intersectional narratives. Moving forward, we must actively seek diverse perspectives and challenge simplistic representations, fostering a deeper understanding of the ongoing struggle for gender equality. Only then can Women's History Month truly fulfill its potential in promoting social justice and empowering future generations.

FAQs:

1. Why is Women's History Month important? Women's History Month is crucial for recognizing the often-overlooked contributions of women throughout history and for raising awareness about ongoing gender inequality.
1. Are "10 facts about Women's History Month" lists helpful? They can be a starting point, but they often lack depth and fail to represent the diversity of women's experiences.
1. How can I learn more about women's history? Explore diverse historical resources, including books, documentaries, museums, and academic articles. Seek out perspectives beyond dominant narratives.
1. What is intersectionality in the context of women's history? Intersectionality acknowledges that gender intersects with other identities (race, class, sexuality, etc.) to shape individual experiences.
1. Why is it important to include diverse voices in women's history? To create a more accurate and complete picture of women's experiences, avoiding the erasure of marginalized communities.

1. How does Women's History Month relate to current events? It provides context for understanding current gender inequalities and informs strategies for achieving social justice.
1. What are some examples of ongoing gender inequality? The gender pay gap, underrepresentation in leadership, gender-based violence, and limited access to education and healthcare.
1. How can I participate in Women's History Month? Attend events, read books and articles, support women-owned businesses, and advocate for gender equality.
1. What are some resources for learning more about Women's History Month? The National Women's History Museum website, academic journals, and local historical societies are excellent resources.

10 facts about womens history month: Teaching Women's History Kelsie Brook Eckert, 2024-07-04 Teaching Women's History: Breaking Barriers and Undoing Male Centrism in K-12 Social Studies challenges and guides K-12 history teachers to incorporate comprehensive and diverse women's history into every region and era of their history curriculum. Providing a wealth of practical examples, ideas, and lesson plans – all backed by scholarly research – for secondary and middle school classes, this book demonstrates how teachers can weave women's history into their curriculum today. It breaks down how history is taught currently, how teachers are prepared, and what expectations are set in state standards and textbooks and then shows how teachers can use pedagogical approaches to better incorporate women's voices into each of these realms. Each

chapter explores a major barrier to teaching an inclusive history and how to overcome it, and every chapter ends with an inquiry-based lesson plan on women or using women's sources which stands counter to the way curriculum is traditionally taught, a case in point that tasks readers to realize how women have been integral to every period of history. With expert guidance from an award-winning social studies teacher, this guidebook will be important reading for middle and high school history educators. It will also be beneficial to preservice teachers, particularly within Social Studies Education and Gender Studies. Additional resources for educators are available to view at www.remedialherstory.com.

Use it as a reference that you can return to again and again as you build your knowledge, confidence, and values-aligned portfolio.

10 facts about womens history month: Woman in the Nineteenth Century Margaret Fuller, 2012-03-01 This 1845 classic by prototypical feminist discusses the Woman Question, prostitution and slavery, marriage, employment, reform, many other topics. Enormously influential work is today a classic of feminist literature.

10 facts about womens history month: Women's Equality in America Nancy Hendricks, 2024-01-25 Written in vivid prose and with a keen eye for detail, Women's Equality in America is a valuable resource for understanding the issues and trends that dominate public discourse in discussions of women's rights and gender equality in America. Since its inception, the women's equality movement in America has been criticized for moving too slowly, moving too quickly, being too demanding, or not being demanding enough. Some of its goals have aroused passionate

opposition in those who believed women's equality contradicted not only basic human biology, but also the word of God. Meanwhile, Americans voice starkly different opinions about where women stand in their quest for equality in American workplaces, classrooms, boardrooms, and homes. *Women's Equality in America: Examining the Facts* presents sensibly organized and accurate summaries of the relevant facts concerning all of these claims and counterclaims. But while the volume is primarily concerned with providing an accurate picture of the state of women's equality in the 21st century, it also provides vital contextual coverage of major historical turning points and important historical figures, from leaders of the Seneca Falls women's rights convention in 1848 to the organizers of the #MeToo movement.

10 facts about womens history month: *Baby Feminists* Libby Babbott-Klein, Jessica Walker, 2018-10-02 An irresistible timely lift-the-flap board book featuring lush illustrations of your favorite feminist icons as adorable babies! Before Ruth Bader Ginsburg, Mae Jemison, Frida Kahlo, and others were change-making feminists, they were . . . babies! In this board book that's perfect for budding feminists, discover what these iconic figures might have looked like as adorable babies and toddlers. With its inspiring message that any baby can grow up to make the world a better place for all genders, this board book makes the perfect baby gift for any family that wants to raise children who can recognize Gloria Steinem on sight.

10 facts about womens history month: *Women Lead the Way* Linda Tarr-Whelan, 2009-10-12 Offers practical steps for women to bring their passion, brains, and background to the power tables and make life better for themselves, their company or organization and global society. • Combines compelling research, international experience, and fascinating personal stories with solid advice • Tarr-Whelan has extensive background as a business woman, a government official, a non-profit leader, and a nurse A few “first women” are making key decisions in high places but a few is not enough to have a significant impact. Changing what gets decided takes changing who makes the decisions. But with just 17% of Congressional seats and 14% of Fortune 500 board seats held by women, the leaders defining priorities and solutions continue to look and act much the same as generations ago. Linda Tarr-Whelan marshals eye-opening facts and figures to decisively dispel the myths that still hold women back and shows women how to build their confidence and skills to pioneer a distinctive approach to leadership, one that emphasizes collaboration, communication and consensus. The proven tipping point, surprisingly, is just 30%—when women’s representation at the top reaches 30%, real change starts to happen. Drawing on her extraordinarily diverse background as a consultant, organizer, and diplomat, Tarr-Whelan offers a women-led strategy for change and a complete set of practical road-tested tools readers can use to become powerful partners in creating a better future in a rapidly changing world. Closing the leadership gap is a win for everyone—it brings in new ideas, creates a more balanced and productive work environment, a revitalized social compact and demonstrable positive effects on the bottom line in business and government. *Women Lead the Way* artfully combines advocacy, research, and tactical guidance to help readers wedge the door open and bring more women through and up.

These data provide context to give readers a fresh perspective on important issues. • Other New Highlights: Newly available statistics on sexuality, student loans, overdose deaths, state minimum wages, and much more.

10 facts about womens history month: The Suffragette Movement E. Sylvia Pankhurst, 2013-04-18 "The Suffragette Movement - An Intimate Account Of Persons And Ideals" is a 1931 work by E. Sylvia Pankhurst. In this volume, Pankhurst aims to describe the events and experiences of the movement, as well as the characters and intentions of those involved. In this fascinating volume, Pankhurst shows the strife, suffering, a hope behind the pageantry, the rhetoric, and the turbulence of the time. Highly recommended for those with an interest in the British suffragette movement and worthy of a place on any every bookshelf. Contents include: "Richard Marsden Pankhurst", "The Rise of the Women's Suffrage Movement", "Emmeline Goulden", "The Manchester by-election of 1883", "Green Hayes", "Third Reform Act. Pankhurst V. Hamilton", etc. Emmeline Pankhurst (1858-1928) was a British political activist who organised the British suffragette movement and helped women attain voting rights. "Time" magazine named Pankhurst one of the 100 most important people of the 20th century in 1999.

10 facts about womens history month: A Vindication of the Rights of Woman Barnes & Noble, Mary Wollstonecraft, 2004 Writing in an age when the call for the rights of man had brought revolution to America and France, Mary Wollstonecraft produced her own declaration of female independence in 1792. Passionate and forthright, A Vindication of the Rights of Woman attacked the prevailing view of docile, decorative femininity and instead laid out the principles of emancipation: an equal education for girls and boys, an end to prejudice, and the call for women to become defined by their profession, not their partner. Mary Wollstonecraft's work was received with a mixture of admiration and outrage Walpole called her a hyena in petticoats yet it established her as the mother of modern feminism.

10 facts about womens history month: Roses and Radicals Susan Zimet, Todd Hasak-Lowy, 2018-01-16 The United States of America is almost 250 years old, but American women won the right to vote less than a hundred years ago. And when the controversial nineteenth amendment to the U.S. Constitution-the one granting suffrage to women-was finally ratified in 1920, it passed by a mere one-vote margin. The amendment only succeeded because a courageous group of women had been relentlessly demanding the right to vote for more than seventy years. The leaders of the suffrage movement are heroes who were fearless in the face of ridicule, arrest, imprisonment, and even torture. Many of them devoted themselves to the cause knowing they wouldn't live to cast a ballot. The story of women's suffrage is epic, frustrating, and as complex as the women who fought for it. Illustrated with portraits, period cartoons, and other images, *Roses and Radicals* celebrates this captivating yet overlooked piece of American history and the women who made it happen.

10 facts about womens history month: Ain't I A Woman? Sojourner Truth, 2020-09-24 'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of Black women throughout

her life. This selection of her impassioned speeches is accompanied by the words of other inspiring African-American female campaigners from the nineteenth century. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

10 facts about womens history month: Super Woman Rx Tasneem Bhatia, MD, 2017-09-12 Find your Power Type to discover your personalized plan for weight loss, energy, and lasting health. No more one-size-fits-all diets! Modern womanhood often means juggling multiple roles—businesswoman, mother, spouse, homemaker, and more—all while being expected to look perfectly composed. In other words, it means being superhuman. The truth is, it can seem impossible to maintain physical health while navigating our busy lives. We're overwhelmed and exhausted, which can often translate into unhealthy eating habits, lack of exercise, and no time for self-care. But diet and fitness plans are usually one-size-fits-all, and those universal programs just don't work for every body and every personality. Integrative health and wellness expert Tasneem Bhatia, MD, known to her patients as Dr. Taz, has a plan that is anything but cookie-cutter. Her mission is to help women achieve optimum health, and now she can help you with her personalized plans in Super Woman Rx. In Super Woman Rx, Dr. Taz sets out to treat "super woman syndrome" by offering five prescriptive plans based on a woman's unique blueprint, or Power Type, whether you're a Boss Lady, a Savvy Chick, an Earth Mama, a Gypsy Girl, or a Nightingale. A fun quiz will help you narrow down your type and figure out which strategies will work best for you. Drawing inspiration from Ayurvedic, Chinese, and Western systems of medicine, each nutrition and exercise plan helps you shed pounds, decrease anxiety and depression, rejuvenate skin, reduce PMS symptoms, and much more in just 3 weeks. Then, long-term strategies with specialized plans follow those 3 weeks. With Dr. Taz's comprehensive, personalized guidance, you'll radiate from the inside out.

10 facts about womens history month: Ten Years in Washington Mary Clemmer, 1873

10 facts about womens history month: The Suffragents Brooke Kroeger, 2017-05-11 Gold Medalist, 2018 Independent Publisher Book Awards in the U.S. History Category Finalist for the 2018 Sally and Morris Lasky Prize presented by the Center for Political History at Lebanon Valley College The Suffragents is the untold story of how some of New York's most powerful men formed the Men's League for Woman Suffrage, which grew between 1909 and 1917 from 150 founding members into a force of thousands across thirty-five states. Brooke Kroeger explores the formation of the League and the men who instigated it to involve themselves with the suffrage campaign, what they did at the behest of the movement's female leadership, and why. She details the National American Woman Suffrage Association's strategic decision to accept their organized help and then to deploy these influential new allies as suffrage foot soldiers, a role they accepted with uncommon grace. Led by such luminaries as Oswald Garrison Villard, John Dewey, Max Eastman, Rabbi Stephen S. Wise, and George Foster Peabody, members of the League worked the streets, the stage, the press, and the legislative and executive branches of government. In the process, they helped convince waffling politicians, a dismissive public, and a largely hostile press to support the women's demand. Together, they swayed the course of history.

10 facts about womens history month: Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20 Women in American Politics is a new reference detailing the milestones and trends in women's political participation in the United States. This two-volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities. It offers insightful analysis on women's political achievements in the United States, including such topics as the campaign to secure nation-wide suffrage; pioneer women state officeholders; women first elected to U.S. Congress, governorships, mayoralities, and other offices; and women first appointed as Cabinet officials, judges, and ambassadors. It also includes profiles of the women who have run for vice president and president. Women in American Politics is organized in a framework both logical and useful to readers and

researchers. Original material offers students, scholars, teachers, and other professionals a guide to understanding the complex struggle in women's progress toward achieving political parity with men in the United States. Each chapter is structured in three parts: - part one features graphic information-tables, lists, charts, or maps-detailing the historical record with data not compiled anywhere else, on women officeholders. - part two offers insightful narrative analysis describing how women achieved what they did, examines the complex and sometimes contradictory trends behind the facts of women's political milestones, and explores how social and economic contexts affected the progress of their accomplishments. - part three presents biographical entries describing in more personal terms women's struggle for political equality. Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate, exploring how women voters have impacted particular issues, specific elections, or other key turning points, and the tradition of appointing widows to open seats. The final chapter uniquely looks at women's political history and differences in achievement from a state and regional perspective. Entries on each state (as well as on District of Columbia and Puerto Rico) highlight milestones and provide insight into the unique aspects of each state.

10 facts about womens history month: *The World Almanac and Book of Facts 2024* Sarah Janssen, 2023-12-05 #1 New York Times Bestseller! Other Highlights: Stats and graphics across dozens of chapters show how the pandemic continues to affect the economy, work, family life, education, and culture. Plus more new data to help understand the world, including housing costs, public schools and test scores, streaming TV and movie ratings, and much more.

10 facts about womens history month: Marathon Woman Kathrine Switzer, 2017-04-04 A new edition of a sports icon's memoir, coinciding with the 50th anniversary of Kathrine Switzer's historic running of the Boston Marathon as the first woman to run. In 1967, Kathrine Switzer was the first woman to officially run what was then the all-male Boston Marathon, infuriating one of the event's directors who attempted to violently eject her. In one of the most iconic sports moments, Switzer escaped and finished the race. She made history-and is poised to do it again on the fiftieth anniversary of that initial race, when she will run the 2017 Boston Marathon at age 70. Now a spokesperson for Reebok, Switzer is also the founder of 261 Fearless, a foundation dedicated to creating opportunities for women on all fronts, as this groundbreaking sports hero has done throughout her life. Kathrine Switzer is the Susan B. Anthony of women's marathoning.-Joan Benoit

Samuelson, first Olympic gold medalist in the women's marathon

10 facts about womens history month: Feminist Chronicles, 1953-1993 Toni Carabillo, Judith Meuli, June Bundy Csida, 1993 Published by Women's Graphics, 1126 Hi Point Street, Los Angeles, CA 90035. A chronology of the feminist movement over 40 years. Annotation copyright by Book News, Inc., Portland, OR

10 facts about womens history month: How Women Are Transforming Leadership Mary Lou Décosterd, 2013-05-09 This thought-provoking work examines the traits and stories of influential women throughout history to the present day in order to make the case that women continue to evolve leadership practices for the better. *How Women Are Transforming Leadership: Four Key Traits Powering Success* delves into the precise skills, characteristics, social programming, and biological designs that make women leadership naturals. Distinguished leadership author Mary Lou Décosterd identifies four key traits that enable women to excel in even the most challenging of leadership roles, and offers detailed tools and techniques for all leaders—men and women alike—to hone these same traits in themselves. This book explores the idea that a specific set of feminine engendered skills—intuitive orientation, directive force, empowering intent, and assimilative nature—creates leaders with the greater breadth and depth of skills needed for our complex, global, and virtual times. With more than 100 of the world's most powerful women cited, readers will learn precisely what enabled these women to become major players on the world's stage. Interviews with four leadership development experts add power to the book's voice and message.

10 facts about womens history month: Marriage and the Family Julie Xuemei Hu, Shondrah Tarrezz Nash, 2019-04-23 *Marriage and the Family: Mirror of a Diverse Global Society* is a comprehensive text about marriage and the family in sociology, family science, and diversity studies. The book is divided into four parts: studying marriage patterns and understanding family diversity; developing and maintaining intimate relationships; tackling family issues and managing household crises; and appreciating contemporary living arrangements in a diverse American society and across the global community. *Marriage and the Family* is unique in its focus on diversity as well as its global perspective. Diversity Overview boxes feature vignettes of family diversity in America. Global Overview boxes invite students to experience family life in different areas of the world. Indeed, families become a mirror that helps students see a diversifying American society and a globalizing world.

10 facts about womens history month: The Behavioral Science of Firearms Gianni Pirelli, Hayley Wechsler, Robert J. Cramer, 2019 This book focuses on how the principles and empirical knowledge within behavioral science can inform and improve firearm-related policy, practice, and research. It features a formal framework for the assessment of civilians seeking firearms permits, reinstatement of their firearms subsequent to revocation, and considerations for relevant others--

10 facts about womens history month: The Only Woman in the Photo Kathleen Krull, 2020-02-04 Discover the incredible life of Frances Perkins, the first woman to serve in a presidential cabinet and the mastermind behind Franklin D. Roosevelt's New Deal, in this fascinating picture book biography that's perfect for fans of *I Dissent*. Most people know about President FDR, but do you know the woman who created his groundbreaking New Deal? As a young girl, Frances Perkins was very shy and quiet. But her grandmother encouraged Frances to always challenge herself. When

somebody opens a door to you, go forward. And so she did. Frances realized she had to make her voice heard, even when speaking made her uncomfortable, and use it to fight injustice and build programs to protect people across the nation. So when newly-elected President Franklin Delano Roosevelt finally asked Frances to be the first female Secretary of Labor and help pull the nation out of the Great Depression, she knew she had to walk through that open door and forward into history. In this empowering, inspirational biography, discover how the first woman to serve in a presidential cabinet led the charge to create the safety net that protects American workers and their families to this day.

10 facts about womens history month: Women at Indiana University Andrea Walton, 2022-07-05 The first in-depth look at how women have shaped the history and legacy of Indiana University. Women first enrolled at Indiana University in 1867. In the following years they would leave an indelible mark on this Hoosier institution. However, until now their stories have been underappreciated, both on the IU campus and by historians, who have paid them little attention. Women at Indiana University draws together 15 snapshots of IU women's experiences and contributions to explore essential questions about their lives and impact. What did it mean to write the petition for women's admission or to become the first woman student at an all-male university? To be a woman of color on a predominantly white campus? To balance work, studies, and commuting, entering college as a non-traditional student? How did women contribute to their academic fields and departments? How did they tap opportunities, confront barriers, and forge networks of support to achieve their goals? Women at Indiana University not only opens the door to a more inclusive and accurate understanding of IU's past and future, but also offers greater visibility for Hoosier women in our larger understanding of women in American higher education.

10 facts about womens history month: All That She Carried Tiya Miles, 2023-04-06 SHORTLISTED FOR THE WOMEN'S PRIZE FOR NON-FICTION LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION NATIONAL BOOK AWARD WINNER NEW YORK TIMES BESTSELLER WINNER OF THE CUNDILL HISTORY PRIZE 'An astonishing account of love, resilience and survival' Sunday Times 'A remarkable book' New York Times 'An extraordinary tale through the generations' Guardian In 1850s South Carolina, Rose, an enslaved woman, faced a crisis: the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag with a few items. Soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley's granddaughter Ruth embroidered this family history on the sack in spare, haunting language. That, in itself, is a story. But it's not the whole story. How does one uncover the lives of people who, in their day, were considered property? Harvard historian Tiya Miles carefully traces these women's faint presence in archival records, and, where archives fall short, she turns to objects, art, and the environment to write a singular history of the experience of slavery, and the uncertain freedom afterward. All That She Carried gives us history as it was lived, a poignant story of resilience and love passed down against steep odds.

10 facts about womens history month: It's Up to the Women Eleanor Roosevelt, 2017-04-11 Eleanor Roosevelt never wanted her husband to run for president. When he won, she . . . went on a national tour to crusade on behalf of women. She wrote a regular newspaper column. She became a champion of women's rights and of civil rights. And she decided to write a book. -- Jill Lepore, from the Introduction Women, whether subtly or vociferously, have always been a tremendous power in the destiny of the world, Eleanor Roosevelt wrote in *It's Up to the Women*, her book of advice to women of all ages on every aspect of life. Written at the height of the Great Depression, she called on women particularly to do their part -- cutting costs where needed, spending reasonably, and taking personal responsibility for keeping the economy going. Whether it's the recommendation that working women take time for themselves in order to fully enjoy time spent with their families, recipes for cheap but wholesome home-cooked meals, or America's obligation to women as they take a leading role in the new social order, many of the opinions expressed here are as fresh as if they were written today.

10 facts about womens history month: The Feminine Touch Thomas A. Quinn, 2011 In 1892,

Andrew Taylor Still did the unimaginable when he accepted women and men equally in his newly opened American School of Osteopathy. Thomas Quinn, DO, showcases some of the valiant women who rose above adversity to become osteopathic doctors in those early years, and includes prominent women osteopathic physicians up to the present time. The stories of their fight against the inequality of the sexes in medicine are intertwined with the struggles of osteopathy to be accepted as a valid scientific practice, illuminating the innovative and determined individuals who helped osteopathic medicine develop into the flourishing profession it is today.

10 facts about womens history month: Introduction to Feminist Therapy Kathy M. Evans, Elizabeth Ann Kinkade, Susan Rachael Seem, 2010-09-21 An Introduction to Feminist Therapy, by Evans, Kinkade and Seem, focuses on the practical application of feminist theory to clinical experience. Whereas other books in the area tend to focus on specific clinical issues encountered by women (such as sexual abuse or rape), this book addresses a broad range of clinical situations. It offers strategies to be used by male or female therapists working with men, women, families, or groups. The primary goal of the book is to help instructors, students and professionals to learn 'how to' implement feminist therapy.

10 facts about womens history month: A Global Perspective on Women in Leadership and Work-Family Integration Kerri Cissna-Heath, Margaret J. Weber, 2020-01-17 There are countless books on the market that address the personal challenges and institutional barriers that ambitious female leaders face in the United States. This volume furthers the conversation by comparing the experiences of women in leadership with regards to work-life balance from eight different countries around the globe. Collecting stories from women in the United States, Costa Rica, India, Iran, Nigeria, Norway, Sri Lanka, and Uganda, this volume provides insights into the issues women face globally regarding leadership and work-family integration. It offers a variety of perspectives from around the world, and highlights a variety of cultural norms regarding work and family integration.

10 facts about womens history month: Social Problems Anna Leon-Guerrero, 2013-04-03

Empower your students to become part of the solution. With a clear and upbeat voice, this thought-provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution. The Fourth Edition of this popular book goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope.

10 facts about womens history month: *The 80/80 Marriage* Nate Klemp PhD, Kaley Klemp, 2021-02-09 NAMED ONE OF COSMOPOLITAN'S 15 BEST MARRIAGE BOOKS ALL COUPLES SHOULD READ. An accessible, transformative guide for couples seeking greater love, connection, and intimacy in our modern world Nate and Kaley Klemp were both successful in their careers, consulting for high-powered companies around the world. Their work as mindfulness and leadership experts, however, often fell to the wayside when they came home in the evening, only to end up fighting about fairness in their marriage. They believed in a model where each partner contributed equally and fairness ruled, but, in reality, they were finding that balance near impossible to achieve. From this frustration, they developed the idea of the 80/80 marriage, a new model for balancing career, family, and love. The 80/80 Marriage pushes couples beyond the limited idea of fairness toward a new model grounded on radical generosity and shared success, one that calls for each partner to contribute 80 percent to build the strongest possible relationship. Drawing from more than one hundred interviews with couples from all walks of life, stories from business and pop culture, scientific studies, and ancient philosophical insights, husband-and-wife team Nate and Kaley Klemp pinpoint exactly what's not working in modern marriage. Their 80/80 model of marriage provides practical, powerful solutions to transform your relationship and open up space for greater love and connection.

10 facts about womens history month: Brave, Not Perfect Reshma Saujani, 2019-02-21 The new Lean In, from the multi-award-winning Founder and CEO of national non-profit Girls Who Code and New York Times bestselling author Reshma Saujani.

10 facts about womens history month: The Women's History of the Modern World Rosalind Miles, 2021-02-02 The internationally bestselling author of *Who Cooked the Last Supper?* presents a wickedly witty and very current history of the extraordinary female rebels, reactionaries, and trailblazers who left their mark on history from the French Revolution up to the present day. Now is the time for a new women's history—for the famous, infamous, and unsung women to get their due—from the Enlightenment to the #MeToo movement. Recording the important milestones in the birth of the modern feminist movement and the rise of women into greater social, economic, and political power, Miles takes us through through a colorful pageant of astonishing women, from heads of state like Empress Cixi, Eugenia Charles, Indira Gandhi, Jacinda Ardern, and Ellen Johnson Sirleaf to political rainmakers Kate Sheppard, Carrie Chapman Catt, Anna Stout, Dorothy Height, Shirley Chisholm, Winnie Mandela, STEM powerhouses Jocelyn Bell Burnell, Rosalind Franklin, Sophia Kovalevskaya, Marie Curie, and Ada Lovelace, revolutionaries Olympe de Gouges, Harriet Tubman, Sojourner Truth, Patyegarang, and writer/intellectuals Mary Wollstonecraft, Simon de Beauvoir, Elaine Morgan, and Germaine Greer. Women in the arts, women in sports, women in business, women in religion, women in politics—this is a one-stop roundup of the tremendous progress women have made in the modern era. A testimony to how women have persisted—and excelled—this is a smart and stylish popular history for all readers.
