2008 Subaru Impreza WRX Manual Sedan: A Comprehensive Overview

Author: Mark Johnson, Certified Automotive Technician with 15 years of experience specializing in Subaru performance and repair. Former Subaru dealership master technician.

Publisher: Torque Magazine, a leading automotive publication known for its in-depth reviews and technical analyses of performance vehicles, including extensive coverage of Subaru models.

Editor: Sarah Chen, Automotive Journalism veteran with over 20 years of experience, specializing in consumer car reviews and technical specifications.

Keywords: 2008 Subaru Impreza WRX manual sedan, Subaru WRX, Impreza WRX, 2008 WRX, manual transmission, Subaru performance, used car review, sports sedan, all-wheel drive, turbocharged engine, reliability, maintenance.

Introduction: Unleashing the 2008 Subaru Impreza WRX Manual Sedan

The 2008 Subaru Impreza WRX manual sedan represents a compelling blend of performance, all-wheel drive capability, and classic rally-bred heritage. This article provides a comprehensive overview of this iconic model, examining its strengths and weaknesses, performance characteristics, maintenance considerations, and overall value proposition for prospective buyers in the used car market. We will delve deep into what makes the 2008 Subaru Impreza WRX manual sedan a unique and desirable vehicle.

Performance and Handling: The Heart of the WRX

At the core of the 2008 Subaru Impreza WRX manual sedan lies its turbocharged 2.5-liter four-cylinder boxer engine. This engine delivers a spirited driving experience, generating ample power for enthusiastic driving. The manual transmission, a key feature of the 2008 Subaru Impreza WRX manual sedan, provides direct driver engagement and enhances the feeling of control. Coupled with Subaru's legendary Symmetrical All-Wheel Drive (AWD) system, the 2008 WRX offers impressive traction and handling, making it capable in various driving conditions. The responsive steering and relatively stiff suspension contribute to its agile handling characteristics, particularly enjoyable on winding roads. However, the firm ride can be less comfortable on rougher surfaces. The 2008 Subaru Impreza WRX manual

sedan's performance is a significant factor in its enduring appeal.

Design and Aesthetics: A Blend of Sportiness and Practicality

The 2008 Subaru Impreza WRX manual sedan boasts a design that successfully balances sportiness and practicality. Its aggressive front fascia, signature hood scoop, and sporty alloy wheels communicate its performance intentions. While not as dramatically styled as some of its later iterations, the 2008 model retains a timeless aesthetic that hasn't aged poorly. Inside, the cabin offers a reasonably spacious interior for its class, though the materials used might feel less luxurious compared to some competitors. The practicality of a sedan body style, however, is a key advantage, offering more passenger and cargo space than the WRX hatchback variant. The functionality of the 2008 Subaru Impreza WRX manual sedan complements its sporty design.

Reliability and Maintenance: A Look Under the Hood

The long-term reliability of the 2008 Subaru Impreza WRX manual sedan is a topic of frequent discussion among enthusiasts. While generally robust, potential issues can arise. Regular maintenance, including timely oil changes (using the correct Subaru-specified oil) and careful monitoring of the turbocharger system, is crucial for maximizing the lifespan of this vehicle. The head gasket, a known weakness in some Subaru engines, is something potential buyers of the 2008 Subaru Impreza WRX manual sedan should carefully investigate. Pre-purchase inspections by a qualified mechanic specializing in Subarus are highly recommended. Paying attention to the maintenance history of a specific 2008 Subaru Impreza WRX manual sedan is critical in assessing its overall condition and future reliability.

Fuel Economy and Running Costs: Balancing Performance and Efficiency

The 2008 Subaru Impreza WRX manual sedan, with its turbocharged engine and performance-oriented nature, doesn't deliver exceptional fuel economy. Expect relatively lower MPG figures compared to similarly sized sedans with naturally aspirated engines. However, the relatively affordable price point of used 2008 Subaru Impreza WRX manual sedans, coupled with the availability of aftermarket parts, can partially offset the higher fuel consumption costs. Understanding the fuel economy limitations is crucial when considering the overall running costs of owning a 2008 Subaru Impreza WRX manual sedan.

Safety Features: Protecting the Driver and Passengers

The 2008 Subaru Impreza WRX manual sedan came equipped with standard safety features for its time, including anti-lock brakes (ABS), electronic brakeforce distribution (EBD), and multiple airbags. While it might lack some of the advanced driver-assistance systems found in modern vehicles, its robust construction and all-wheel-drive system contribute to its overall safety performance. It is crucial to remember that safety technology has evolved significantly since 2008, so prospective buyers should consider this when evaluating the

safety features of a used 2008 Subaru Impreza WRX manual sedan.

Resale Value and Market Position: Investing in a Classic WRX

The 2008 Subaru Impreza WRX manual sedan holds a strong position in the used car market, particularly among enthusiasts seeking a reliable and affordable performance car. While its resale value might not be as high as some newer models, it often offers exceptional value for its performance capabilities. The enduring popularity of the WRX nameplate contributes to a relatively stable resale value, making it a potentially sound investment for those who understand and appreciate its characteristics. The 2008 Subaru Impreza WRX manual sedan continues to attract buyers looking for a balance of performance and affordability.

Conclusion: The Enduring Allure of the 2008 Subaru Impreza WRX Manual Sedan

The 2008 Subaru Impreza WRX manual sedan offers a compelling combination of performance, all-wheel-drive capability, and relative affordability in the used car market. While it has its limitations, particularly regarding fuel economy and some potential maintenance concerns, its engaging driving experience and strong enthusiast following solidify its place as a desirable vehicle. Potential buyers should thoroughly research and inspect any used 2008 Subaru Impreza WRX manual sedan before purchasing, but for the right buyer, this car delivers an exceptional driving experience at a competitive price.

FAQs:

1. What are the common problems with a 2008 Subaru Impreza WRX manual sedan? Common issues include head gasket problems, turbocharger issues, and potential clutch problems due to high-performance driving.
1. What is the average MPG of a 2008 Subaru Impreza WRX manual sedan? Expect around 18-22 MPG combined, depending on driving style and conditions.
1. How much does a used 2008 Subaru Impreza WRX manual sedan cost? Prices vary greatly depending on condition and mileage, but expect to find them in the \$5,000-\$12,000 range.
1. Is the 2008 Subaru Impreza WRX manual sedan reliable? Reliability depends heavily

on maintenance. With proper care, it can be a reliable vehicle, but potential problems exist.

1. What type of oil should I use in a 2008 Subaru Impreza WRX manual sedan? Always consult your owner's manual for the correct oil specifications. Using the incorrect oil can damage the engine.
1. What are the key differences between the 2008 WRX sedan and the hatchback? The sedan offers more passenger and cargo space, while the hatchback provides more versatile cargo capacity.
1. Is the 2008 WRX sedan a good first car? For experienced drivers comfortable with high-performance cars and manual transmissions, it can be a good choice, but not recommended for inexperienced drivers.
1. What is the best way to find a well-maintained 2008 Subaru Impreza WRX manual sedan? Thoroughly inspect the vehicle, check its maintenance records, and consider a pre-purchase inspection by a trusted mechanic.
1. What modifications are common for the 2008 Subaru Impreza WRX manual sedan? Common modifications include performance exhausts, upgraded turbos, suspension upgrades, and engine tuning.

2008 subaru impreza wrx manual sedan: Subaru Impreza WRX and WRX STI James Taylor, 2013-02-01 Few cars in modern times have caused as much of a stir as the turbocharged Subaru Impreza. It came from nowhere at the start of the 1990s to claim three successive World Rally Championships for its makers in the middle of that decade, and went on to become an enthusiasts' car thanks to its affordability, high performance - and, of course, the glorious exhaust note of its unusual flat-four 'boxer' engine. This book examines the three generations of Subaru Impreza WRX and WRX STI from 1992 - 2012, including how the roadgoing cars were developed from the successful rally models, production history and specification details. Topics covered include: History of the Impreza, and early days in competition with the Leone and the Legacy models. Construction and derivatives of the distinctive flat-four engine. Innovations in the Impreza's four-wheel-drive system. Design and specifications for special editions. Includes material from Prodrive on their limited edition models. Examines both rally and roadgoing cars.

2008 subaru impreza wrx manual sedan: Subaru Impreza Brian Long, 2006 Perceived as a replacement for the long running Leone, the Impreza quickly gained a great reputation through Subaru's successful WRC program. This book covers the full story of the Impreza, from concept through to the current production car, looking at the rally machines along the way, and illustrated throughout with contemporary material. Now with over 400 mainly color pictures and significant additional text, this is a fantasticwarts and all account of an amazing car.

2008 subaru impreza wrx manual sedan: *Decompression* Juli Zeh, 2014-05-20 A psychological thriller in the tradition of Patricia Highsmith about two couples caught in a web of conflicting passions while deep-sea diving off the beautiful Canary Islands In the late 1990s, Sven Fiedler and his girlfriend, Antje, left Germany for the island of Lanzarote, rejecting what Sven considered a vulgar culture of materialism and judgment. The young couple set up a diving service catering to tourists eager to bask in the warm sunshine and explore the silent, gleaming marine paradise that makes this otherwise barren volcanic island such a remarkable retreat. Sven's approach was simple: take the mechanics of diving seriously, instruct his clients clearly, and stay out of their personal business as best he can. And life on the island goes smoothly until two German tourists--Jola von der Pahlen, a daytime soap star on the verge of cinematic success, and Theo Hast, a stalled novelist--engage Sven for a high-priced, intensive two-week diving experience. Staying in a guest house on Sven and Antje's property, the two visitors and their hosts quickly become embroiled in a tangle of jealousy and suspicion. Sven is struck by Jola's beauty, her evident wealth, and her apparently volatile relationship with the much older Theo. Theo quickly leaps to the conclusion that Sven and Jola are having an affair, but, oddly, he seems to facilitate it rather than trying to intervene. Antje, looking on, grows increasingly wary of these particular clients. As the point of view shifts from one character to the next, the reader is constantly kept guessing about who knows what, and, more important, who is telling the truth. A brutal game of delusion, temptation, and manipulation plays out, pointing toward a violent end. But a quiet one, down in the underwater world beneath the waves.

2008 subaru impreza wrx manual sedan: Audi Quattro Rally Car Enthusiasts' Manual Nick Garton, 2019-08-27 The original rally Quattro debuted in 1980, and was based on the road car, but with a highly tuned 300bhp engine. In 1981, Audi Quattro works driver Michele Mouton became the first woman to win a World Championship rally. The Quattro took the Manufacturers' Championship in 1982 and 1984, and the Drivers' Championship in 1983 and 1984 with Hannu Mikkola and Stig Blomqvist respectively. Audi implemented a continuous development programme for the Quattro, and the A1 and A2 were produced to meet the Group B regulations introduced in 1983, while the fearsome Sport Quattro S1 was introduced in 1984. The ultimate development - the S1 E2 - was introduced at the end of 1985, producing over 500bhp, and winning the 1985 San Remo rally in the hands of Walter Röhrl and the famous Pikes Peak hillclimb with Michele Mouton. The Audi Quattro Rally Car Manual looks at the design, evolution, anatomy and operation of the Quattro.

2008 subaru impreza wrx manual sedan: Kelley Blue Book April - June 2009 Used Car Guide Kelley Blue Book, 2009-03 Includes retail data on domestic and imported cars, trucks, and vans; acceptable mileage ranges; and costs of specific optional factory features.

2008 subaru impreza wrx manual sedan: Hot Stamping of Ultra High-Strength Steels Eren Billur, 2018-10-05 Providing a comprehensive overview of hot stamping (also known as 'press hardening'), this book examines all essential aspects of this innovative metal forming method, and explores its various uses. It investigates hot stamping from both technological and business perspectives, and outlines potential future developments. Individual chapters explore topics such as the history of hot stamping, the state of the art, materials and processes employed, and how hot stamping is currently being used in the automotive industry to create ultra-high-strength steel components. Drawing on experience and expertise gathered from academia and industry worldwide, the book offers an accessible resource for a broad readership including students, researchers, vehicle manufacturers and metal forming companies.

2008 subaru impreza wrx manual sedan: Tall Life Dr Sam Lochner Phd, 2016-05-24 This is a book for tall people, those who relate to them, and anyone interested in height in general. Being tall coincides with considerable professional, athletic, and social benefits. Yet there are also some problems, and these raise some questions. For instance, if longer levers and more cells really are behind increased risk of injuries and cancer, then how is it that giraffes get by? And why is it that society reveres tall stature but then compromises our safety with cramped cars and other things? And, as tall women might be pondering, where have all the tall, dark, and handsome men gone? Lastly, what can be done about all this? These questions and more will all be answered by a tall protagonist over eight chapters: Evolution, Scaling, Spine, Manufactured, Ergonomics, Growth, Longevity, and Society.

2008 subaru impreza wrx manual sedan: *The Rainbow* Carly Schabowski, 2021-07-28
There, on the dusty floorboards, was a piece of paper, folded neatly. A newspaper article, written in German, alongside a faded picture of two men in Nazi uniforms staring at the camera. I was about to place it back in the box of forgotten things when something in the text jumped out at me. My breath caught in my chest. I know that name. London, present day. Isla has grown up hearing her beloved grandad's stories about his life as a child in pre-war Poland and as a young soldier bravely fighting the Germans to protect his people. So she is shocked and heartbroken to find, while collecting photos for his 95th birthday celebration, a picture of her dear grandfather wearing a Nazi uniform. Is everything she thought she knew about him a lie? Unable to question him due to his advanced dementia, Isla wraps herself in her rainbow-coloured scarf, a memento of his from the war, and begins to hunt for the truth behind the photograph. What she uncovers is more shocking than she could have ever anticipated - a tale of childhood sweethearts torn apart by family duty, and how one young man risked his life, his love and the respect of his own people, to secretly fight for justice from inside the heart of the enemy itself... An heartbreaking novel of love, betrayal and a secret passed down through a family. Inspired by an incredible true story. Perfect for fans of The Tattooist of Auschwitz, We Were the Lucky Ones and The Alice Network. Readers absolutely love The Rainbow: 'Oh my gosh... this book broke me... it will stay with me for a very long time...
