Editor: Mr. Robert Chen, Senior Editor at Automotive Insights Magazine, with over 20 years of experience in automotive journalism and a strong background in vehicle technology.

Keywords: 2009 Acura TSX Technology Package, Acura TSX, 2009 Acura TSX Review, Acura TSX Technology, Luxury Sedan, Used Car Review, 2009 Acura TSX Specs, Technology Features, Acura TSX Technology Package Review

Abstract: This article provides a comprehensive review of the 2009 Acura TSX Technology Package, examining its features, performance, reliability, and overall significance in the automotive market. We delve into the technological advancements offered, comparing them to competitors, and analyzing the package's value proposition for both contemporary and prospective buyers. The article also addresses common concerns and provides insightful information to guide potential purchasers of a used 2009 Acura TSX Technology Package.

1. Introduction: The 2009 Acura TSX Technology Package - A Blend of Luxury and Innovation

The 2009 Acura TSX, particularly the model equipped with the Technology Package, represented a compelling offering in the luxury sport sedan segment. This package elevated the already impressive base model with a suite of advanced features that significantly enhanced the driving experience and overall functionality. This article will explore the key elements of the 2009 Acura TSX Technology Package, examining its features, their impact, and its lasting relevance in today's used car market.

2. Key Features of the 2009 Acura TSX Technology

Package

The 2009 Acura TSX Technology Package bundled several significant upgrades:

Navigation System: A sophisticated GPS navigation system with real-time traffic updates (depending on subscription status) was a core component, providing efficient route planning and minimizing travel time. This was a significant advancement for in-car navigation at the time.

Premium Sound System: The Technology Package usually included a premium sound system, often featuring a higher number of speakers and improved audio processing for a superior listening experience. This enhanced the overall in-cabin ambiance.

XM Satellite Radio: The inclusion of XM Satellite Radio (now SiriusXM) provided access to a vast array of music, talk, and news channels, expanding entertainment options beyond traditional radio broadcasts.

Rearview Camera: A rearview camera with display on the navigation screen significantly improved safety and convenience, especially during parking maneuvers. This was a relatively new feature in 2009, making the TSX a forerunner in its class.

Bluetooth Connectivity: Bluetooth connectivity allowed hands-free calling and audio streaming, enhancing both safety and convenience while driving.

Heated Front Seats: The added comfort of heated front seats elevated the driving experience, particularly during colder weather conditions.

3. Performance and Handling of the 2009 Acura TSX

Beyond the Technology Package features, the 2009 Acura TSX itself was lauded for its responsive handling and spirited performance. Its 2.4L inline-4 engine, while not overwhelmingly powerful, provided adequate acceleration and efficient fuel economy. The precise steering and well-balanced chassis made it a pleasure to drive, both on winding roads and in city traffic. The 2009 Acura TSX Technology Package didn't alter the underlying mechanical performance but enhanced the overall driving experience through its technological additions.

4. Reliability and Maintenance of the 2009 Acura TSX Technology Package

The 2009 Acura TSX is generally considered a reliable vehicle. However, like any car, regular maintenance is crucial. Potential issues to be aware of when considering a used 2009 Acura TSX Technology Package include:

Transmission Problems: While not exceedingly common, some owners have reported transmission issues. Thorough inspection before purchase is recommended.

Electrical Glitches: Given the sophisticated technology package, occasional electrical glitches are possible. A pre-purchase inspection by a qualified mechanic can help identify

any pre-existing issues.

Suspension Components: Over time, suspension components may wear out, requiring replacement. Check for signs of wear and tear during an inspection.

5. Comparing the 2009 Acura TSX Technology Package to Competitors

In 2009, the 2009 Acura TSX Technology Package competed against other luxury sport sedans like the BMW 3 Series, Audi A4, and Mercedes-Benz C-Class. While these competitors often boasted more powerful engines and sportier handling, the Acura TSX offered a compelling value proposition, providing a well-rounded package of luxury, technology, and fuel efficiency. The Technology Package further enhanced its competitiveness by offering advanced features comparable to, or exceeding, those available in some competitors at a potentially lower price point.

6. Value and Resale of the 2009 Acura TSX Technology Package

The 2009 Acura TSX, especially with the Technology Package, has held its value relatively well compared to some competitors. Its reliability and the appeal of its technology features contribute to its sustained value in the used car market. However, the price will vary depending on the vehicle's condition, mileage, and maintenance history.

7. Conclusion: The Enduring Appeal of the 2009 Acura TSX Technology Package

The 2009 Acura TSX Technology Package represented a well-executed blend of luxury, technology, and practicality. While newer models offer more advanced features and greater power, the 2009 TSX with the Technology Package still provides a compelling driving experience and a solid value proposition in the used car market. Its sophisticated technology was ahead of its curve in 2009, and continues to provide many desirable features for drivers today. Potential buyers should thoroughly inspect any used vehicle before purchasing and consider its maintenance history and overall condition.

FAQs

1. What is the fuel economy of the 2009 Acura TSX? The fuel economy varies depending on driving conditions, but generally, the 2009 Acura TSX offers good fuel efficiency for its class.
1. What are the common problems with the 2009 Acura TSX? Potential issues include transmission problems, minor electrical glitches, and wear and tear on suspension

components.

1. Is the navigation system in the 2009 Acura TSX Technology Package still functional? The navigation system's functionality may depend on the condition of the maps and any necessary software updates.
1. How does the sound system in the Technology Package compare to modern systems? While not as advanced as the latest systems, the premium sound system in the 2009 TSX Technology Package provided good audio quality for its time.
1. What is the resale value of a 2009 Acura TSX Technology Package? The resale value varies depending on condition, mileage, and overall market conditions.
1. Are parts for the 2009 Acura TSX readily available? Parts for the 2009 Acura TSX are generally readily available through Acura dealerships and online parts retailers.
1. Is the 2009 Acura TSX a good first car? It can be, but the cost of maintenance and potential repair bills should be considered.
1. How does the 2009 Acura TSX compare to its competitors in terms of safety features? The 2009 Acura TSX had standard safety features comparable to competitors, but modern cars have significantly advanced safety technology.
1. What is the best way to find a reliable used 2009 Acura TSX Technology Package? Thoroughly research the car's history, have a qualified mechanic inspect it before buying, and consider purchasing from a reputable dealer.

2009 acura tsx technology package: The Gay Uncle's Guide to Parenting Brett Berk, 2010-06-23 When your toddler's bowel movements seem more important than world peace, mealtimes require strategic negotiations, and you haven't had a night out in eight months, it's time to admit something needs to change. Let Gay Uncle Brett Berk take you by the hand and walk you down the path to parental enlightenment. With over twenty years of experience working with young children, but no kids of his own, Brett uses his expert outsider's perspective to break moms and dads out of the Parenting Bubble, an alternate universe where under-table dining, Everest-like toy piles, and hourly tantrums somehow seem normal. Packed full of candid advice, handy checklists, and hilarious stories of parents even crazier than you, The Gay Uncle's Guide to Parenting reveals how consistency, patience, and keeping your emotions in check are key to overcoming almost any parenting struggle, and will help your kids gain the structure they need to develop and learn new skills, and allow you to be a person as well as a parent. - Learn how to form a Sitter Stable, and get out of the house on a regular basis - Read about how Lifeboating--carting around too much stuff--limits your child's development, and how you can avoid it - Discover the magic of the EAR Method for talking to kids: Explain, Adjust, Redirect. (It really works!) - Uncover the truth behind tantrumming, and find out how you can put out the fire instead of fanning the flames

2009 acura tsx technology package: Bush on the Home Front John D. Graham, 2010-03-30 Military operations in Afghanistan and Iraq consumed so much attention during his presidency that few people appreciated that George W. Bush was also an activist on the home front. Despite limited public support, and while confronting a deeply divided Congress, Bush engineered and implemented reforms of public policy on a wide range of issues: taxes, education, health care, energy, environment, and regulatory reform. In *Bush on the Home Front*, former Bush White House official and academic John D. Graham analyzes Bush's successes in these areas and setbacks in other areas such as Social Security and immigration reform. Graham provides valuable insights into how future presidents can shape U.S. domestic policy while facing continuing partisan polarization.

2009 acura tsx technology package: Motor Vehicle Supply Chain Bill Canis, 2011-08 The March 2011 Great Tohoku Earthquake and Tsunami devastated the northeast coast of Japan. The resulting destruction of several nuclear reactors in the region cut off electricity for homes and

industry. Manufacturing facilities which are integral to the global motor vehicle supply chain were also affected. Some of these factories that were forced to close provided parts and chemicals not easily available elsewhere. Contents of this report: Intro.; Overview of the Motor Vehicle Industry; The U.S. Motor Vehicle Supply Chain; High Tech. Components Change Manufacturing Dynamics; Events in Japan Affect U.S. Motor Vehicle Manufacturing and Retailing; What is the Near-Term Impact in the U.S.? Ill. A print on demand report.

2009 acura tsx technology package: Lemon-Aid Used Cars and Trucks 2011-2012 Phil Edmonston, 2011-04-25 As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers cant beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

2009 acura tsx technology package: **Good Products, Bad Products: Essential Elements to Achieving Superior Quality** James Adams, 2012-01-06 What is the secret behind every successful product? Why are people willing to pay more for a BMW than a Chevrolet? How could Apple iPhones represent only 4% of the world's cell phone market in 2011 but take in 50% of the profits? The answer is quality. In this provocative new book, bestselling author James L. Adams provides a brilliant, in-depth look at the powerful but elusive qualities that can make or break a product's success. A must-read for managers, designers, manufacturers, and marketers, this groundbreaking approach will change the way you think about your product—and show you why it's more important than ever to deliver the highest quality possible. In *Good Products, Bad Products*, you'll learn how to: : Maximize your product's performance—and minimize the cost Appeal to your customer's emotions—with elegance and sophistication Make sure your product is a perfect fit—that's human, cultural, and global With competition growing stronger and fiercer every year, product quality has become the number-one factor in a company's success. Adams points out that there will always be a stable demand for a high-quality product. By addressing every aspect of product quality—from the technical to the practical to the aesthetic—you can develop a product that your company will be proud of and your customers will love. Along the way, you'll hear fascinating case studies of famous brands that became victims of their own success—like Kodak, IBM, Zenith, and GM—and struggled to recover lost ground. You'll see how some countries like Japan surged ahead by offering better products than anyone on the globe. You'll learn how some U.S. manufacturers remained successful in spite of the foreign market's lower wages. And you'll discover the top industry secrets for prioritizing quality throughout the company, delivering products that are the best in their class. Now more than ever, quality matters. *Good Products, Bad Products* gives you the edge—so you can give your customers the best product possible. James L. Adams is professor emeritus at Stanford University, where he chaired several programs, taught courses on design and creativity, and participated in many executive programs. Trained as an engineer and artist, he has conducted corporate workshops around the world and has written the bestselling guide to creativity and innovation, *Conceptual Blockbusting*.

2009 acura tsx technology package: [How to Build a High-Performance Mazda Miata MX-5](#)
Keith Tanner, 2010-12-02 The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata's popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!

2009 acura tsx technology package: *High-Performance Brake Systems* James Walker, 2006-12 The photos in this edition are black and white. Brake systems are one of the most important yet least understood vehicle systems. Brake systems can be intimidating, and they aren't the first thing the average horsepower junkie chooses to upgrade. But there's no reason to wait until you have a problem to learn how your brakes work. *High-Performance Brake Systems: Design, Selection, and Installation* gives you the knowledge to upgrade your brakes the right way the first time. Author James Walker, Jr. doesn't just tell you what to do--he uses over 315 photos and plain English to help you understand how and why your brake system works, what each of the components does, and how to intelligently upgrade your brakes for better performance. There are chapters showing you how to

choose and install the most effective rotors, calipers, pads, and tires for your sports car, muscle car, race car, and street rod. You'll even find special sidebars detailing how each upgrade will affect your ABS system. Whether you are a commuter, a casual enthusiast, a weekend warrior, or a professional racer, this book is perfect for you.

2009 acura tsx technology package: Transportation Energy Data Book , 2005

2009 acura tsx technology package: **Boringville** Robert Clark, 2009-09 Boringville is a quiet, peaceful town in the woods of central Pennsylvania. It has a small but thriving artistic community scattered in small shops around the town. It is interesting to look at the quaint architecture and the partly rebuilt fort from the French and Indian War. Despite the rumors, the fort probably isn't haunted. There is a large, courteous police force to make sure everyone is safe. The hospital, while small, is state-of-the-art. There are nice places to eat. The hunting and fishing near the town are excellent. The cemetery, while small for a place the size of Boringville, is a bit unusual and picturesque. A bright, cheery town inhabited by friendly people, Boringville is a relaxing place to spend the day. You might not want to spend the night.

2009 acura tsx technology package: Cars 3: Taken By Storm Disney Books, 2017-05-02 Read along with Disney! Lightning McQueen is suddenly pushed out of racing by a mysterious rookie who's part of a new generation of high-tech racers. Read along with word-for-word narration as he seeks help from a trainer to get back in the game.

2009 acura tsx technology package: **National Automotive Sampling System, Crashworthiness Data System** , 1995

2009 acura tsx technology package: *The Road to Winter* Mark Smith, 2016-06-27 Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn's isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her and her younger sister, Kas. Rose is desperate, sick, and needs Finn's help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost. 'Tense and atmospheric...Mark Smith's debut is assured, gripping and leaves you wanting more.' Best Books for Younger Readers 2016, Sydney Morning Herald 'It's easy to see why Mark Smith's dystopian thriller has been compared with John Marsden's *Tomorrow When the War Began*. I barely came up for breath as the pages flew. So strap yourself in for a high action ride.' Kids Book Review 'A riveting story of survival that questions the prices of freedom and safety as well as the value of an individual life...A breakout new series full of romance, danger, and a surprisingly engaging world.' STARRED Review, Kirkus Reviews 'A solid debut.' Publishers Weekly 'It's been suggested more than once that dystopian fiction has had its day...but *The Road to Winter* is a welcome sign that there's still life in the genre.' Armadillo

2009 acura tsx technology package: **Shop Class as Soulcraft** Matthew B. Crawford, 2009-05-28 A philosopher/mechanic's wise (and sometimes funny) look at the challenges and pleasures of working with one's hands "This is a deep exploration of craftsmanship by someone with real, hands-on knowledge. The book is also quirky, surprising, and sometimes quite moving." —Richard Sennett, author of *The Craftsman* Called "the sleeper hit of the publishing season" by The Boston Globe, *Shop Class as Soulcraft* became an instant bestseller, attracting readers with its radical (and timely) reappraisal of the merits of skilled manual labor. On both economic and psychological grounds, author Matthew B. Crawford questions the educational imperative of turning everyone into a "knowledge worker," based on a misguided separation of thinking from doing. Using his own experience as an electrician and mechanic, Crawford presents a wonderfully articulated call for self-reliance and a moving reflection on how we can live concretely in an ever more abstract world.

2009 acura tsx technology package: Auto Repair For Dummies Deanna Sclar, 2019-01-07 *Auto Repair For Dummies*, 2nd Edition (9781119543619) was previously published as *Auto Repair*

For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

2009 acura tsx technology package: Annual Editions: Mass Media 09/10 Joan Gorham, 2009-02-09 Annual Editions is a series of over 65 volumes, each designed to provide convenient, inexpensive access to a wide range of current articles from some of the most respected magazines, newspapers, and journals published today. Annual Editions are updated on a regular basis through a continuous monitoring of over 300 periodical sources. The articles selected are authored by prominent scholars, researchers, and commentators writing for a general audience. The Annual Editions volumes have a number of common organizational features designed to make them particularly useful in the classroom: a general introduction; an annotated table of contents; a topic guide; an annotated listing of selected World Wide Web sites; and a brief overview for each section. Each volume also offers an online Instructor's Resource Guide with testing materials. Using Annual Editions in the Classroom is the general instructor's guide for our popular Annual Editions series and is available in print (0073301906) or online. Visit www.mhcls.com for more details.

2009 acura tsx technology package: Earth Day Melissa Ferguson, 2021-10-28 Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

2009 acura tsx technology package: Heaven's Devil Storm Song, 2021-01-26 Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as black and white as they're trying to make them out to be?

Most are fictional, but the collection also includes several tales concerning historical figures and one autobiographical story (Polonaise) which concludes the book.

2009 acura tsx technology package: The K-Pro M Pepper Langlinais, 2020-06-22 What can a fairy godmother do for a man who already seems to have everything? Andra Martineau is a K-Pro-a living good-luck charm with the ability to make people's dreams come true. But when led to help up-and-coming actor David Styles, Andra's presence seems to be more curse than blessing. With the help of David's incorrigible co-star, Andra begins to realize the true nature of her power... and David's hidden identity as well. Will she be able to save David from himself?

2009 acura tsx technology package: Mini Down Under Donn Anderson, 2009-03-02 Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.
