Such was the idyllic realm of the Maas children, Ed, Tim, and Jenny— the fourth generation to grow up on one special Iowa farm. As the children grow older, their lives are filled with romance—and disappointments—but the sand dune that had played such an important role in their parents' lives is always there, patiently waiting to offer solace or romantic adventure. These are the continuing stories of the Maas family—rural Iowans with a fierce determination to carry on their farm's legacy.

He has also competed as a world-class level fencer.
