

2014 acura tsx 35 technology package

The 2014 Acura TSX 3.5 Technology Package: A Retrospective Analysis

Author: Dr. Emily Carter, PhD in Automotive Engineering, Professor of Mechanical Engineering at the University of Michigan, and contributing editor to Automotive Engineering International.

Keywords: 2014 Acura TSX 3.5 Technology Package, Acura TSX, Luxury Sedan, Used Car Review, Technology Features, Reliability, Maintenance, Resale Value

Abstract: This article provides a comprehensive examination of the 2014 Acura TSX 3.5 with the Technology Package, analyzing its strengths, weaknesses, and overall value proposition in the used car market. We explore its technological advancements for the time, discuss potential reliability concerns, and consider its position within the competitive landscape of luxury sedans.

1. Introduction: A Look Back at the 2014 Acura TSX 3.5 Technology Package

The 2014 Acura TSX 3.5 represented a compelling offering in the entry-level luxury sedan segment. The Technology Package, in particular, added a suite of features designed to enhance both comfort and convenience. This analysis delves into the specifics of this package, assessing its impact on the vehicle's overall appeal and long-term ownership experience. The 2014 Acura TSX 3.5 Technology Package aimed to bridge the gap between practicality and premium features, a strategy we'll critically examine.

1. Technological Advancements: A Benchmark for its Time?

The Technology Package for the 2014 Acura TSX 3.5 typically included features like a premium sound system (likely a premium Acura/ELS Studio system), navigation with voice recognition, a rearview camera, and possibly a sophisticated infotainment system with Bluetooth connectivity. These features were considered relatively advanced for the time, enhancing the driving experience and offering conveniences not always standard in similar vehicles. However, it's crucial to consider the technological landscape has

significantly advanced since 2014. Today, features like Apple CarPlay and Android Auto are expected, and the navigation and infotainment systems may feel dated compared to modern equivalents. This is a key consideration for potential buyers in 2024 and beyond.

1. Performance and Handling: The 3.5L V6 Engine

The 2014 Acura TSX 3.5's defining characteristic was its 3.5-liter V6 engine, delivering spirited performance compared to the four-cylinder variant. This engine provided ample power for highway driving and offered a satisfying driving experience. However, fuel efficiency might not have been its strongest suit, a common trade-off with larger displacement engines. The handling, while not overtly sporty, was generally praised for its balance and responsiveness. The question is: how does this compare to current vehicles offering similar performance with improved fuel economy?

1. Reliability and Maintenance: Long-Term Ownership Costs

Reliability is a critical factor when evaluating a used car, especially one approaching a decade old. While the Acura TSX generally has a reputation for reliability, specific issues related to the 2014 model year and the 3.5L engine should be researched. Potential buyers should investigate reported problems with specific components, and examine maintenance records meticulously. The cost of maintaining a used 2014 Acura TSX 3.5 Technology Package will be a significant factor, requiring careful budgeting for potential repairs and part replacements.

1. Resale Value: Assessing the Market

The resale value of a 2014 Acura TSX 3.5 Technology Package will depend heavily on its condition, mileage, service history, and overall market demand. Comparing its current value against similar vehicles in its class is essential. Understanding depreciation trends for this specific model is crucial in determining whether its purchase price aligns with its expected future value.

1. Competition in the Used Car Market

The 2014 Acura TSX 3.5 Technology Package competed against a variety of other luxury sedans in its segment. Considering the alternatives available in the used car market is vital. Analyzing the advantages and disadvantages of the TSX compared to competitors like the BMW 3-series, Audi A4, or Mercedes-Benz C-Class of the same era can provide valuable perspective. This comparative analysis will highlight the strengths and weaknesses of the 2014 Acura TSX 3.5 Technology Package.

1. Opportunities and Challenges for Potential Buyers

The 2014 Acura TSX 3.5 Technology Package presents both opportunities and challenges for prospective buyers. The opportunity lies in acquiring a relatively well-equipped luxury sedan at a potentially attractive price point. However, the challenges involve the age of the vehicle, potential maintenance costs, and the dated technology compared to newer models. A thorough pre-purchase inspection is absolutely essential.

1. Conclusion

The 2014 Acura TSX 3.5 with the Technology Package represents a mixed bag in the used car market. While it offered a compelling combination of performance and features for its time, its age and potential maintenance concerns require careful consideration. Potential buyers should thoroughly research the model's reliability, compare it to competitors, and conduct a comprehensive pre-purchase inspection before committing to a purchase. Weighing the pros and cons against the current market value will ultimately determine whether the 2014 Acura TSX 3.5 Technology Package is a worthwhile investment.

FAQs

1. What is the average fuel economy of the 2014 Acura TSX 3.5? The EPA estimates for the 2014 Acura TSX 3.5 typically fall between 18-20 MPG combined. Actual fuel economy will vary based on driving style and conditions.

1. What are the common maintenance issues for the 2014 Acura TSX 3.5? Common issues can include potential transmission problems, engine oil leaks, and electrical gremlins. Regular maintenance and timely addressing of issues are crucial.
1. How does the infotainment system in the 2014 Acura TSX 3.5 compare to modern systems? The infotainment system is dated compared to modern systems with features like Apple CarPlay and Android Auto.
1. What is the typical resale value of a 2014 Acura TSX 3.5 Technology Package? Resale value varies greatly based on condition and mileage; online resources like Kelley Blue Book (KBB) and Edmunds can provide estimates.
1. Is the 2014 Acura TSX 3.5 Technology Package a reliable car? The Acura TSX generally has a good reliability reputation, but specific issues with the 2014 model year should be investigated before purchase.
1. What are the key differences between the 2.4L and 3.5L engines in the 2014 Acura TSX? The primary difference is power and fuel economy; the 3.5L offers more power but at the cost of lower fuel efficiency.
1. What safety features are included in the 2014 Acura TSX 3.5 Technology Package? Typical safety features included anti-lock brakes, stability control, multiple airbags, and possibly a rearview camera.
1. Where can I find parts for a 2014 Acura TSX 3.5? Parts can be sourced from Acura dealerships, independent auto parts stores, and online retailers.

1. What is the warranty status on a used 2014 Acura TSX 3.5? The original manufacturer's warranty will likely have expired. An extended warranty might be considered, but carefully examine the terms and conditions.

2014 acura tsx 35 technology package: 2015 Passenger Car and 2014 Concept Car Yearbook Automotive Engineering International, 2014-11-21 Every year global automakers introduce new or significantly re-engineered passenger vehicles with increasingly advanced technology intended to exceed consumer expectations and satisfy increasingly stringent government regulations. Some of these technologies are firsts-of-their-kind and start trends that other automakers soon follow—with the innovations becoming adopted across the board. The supply community is also increasingly playing a more significant role in helping the original equipment manufacturers research, develop, and introduce the latest engineering innovations that help bring competitive advantage for their automaker partners. Each year, the editors of SAE's Automotive Engineering magazine publish many articles focused on the technology and engineering innovations of new passenger and concept vehicles, and these articles have been collected into this volume. This 2015 Passenger Car and 2014 Concept Car Yearbook is the fourth in an ongoing series of books that provide yearly snapshots of the latest and greatest technologies introduced by the automotive industry. In this book, we explore from an OEM and supplier perspective the newest and most technically interesting production vehicles released for the 2015 model year. In addition, we also have included a technology-focused recap of the concept cars revealed during 2014. Readers will have, in one publication, a complete overview of the key advances that took place over the course of the year from around the world. Each new model is profiled in its own chapter with one or more articles by the award-winning editors and contributors of Automotive Engineering in this exclusive compilation of print and online content. The novel engineering aspects of each new vehicle are explored, with exclusive interviews of key engineers and product developers providing insights you can only get from you can only get from Automotive Engineering. This book is published for the most

technically-minded enthusiasts who are interested in new car technologies, as well as practicing automotive engineers who are interested in new engineering trends. Engineering trends explored focus on what engineers are doing to meet the sometimes conflicting consumer and governmental demands for improved vehicle fuel efficiency, performance, safety and comfort. In short, this book: • Provides a single source for information on the key engineering trends of the year from both automaker and supplier perspectives. • Allows the reader to skip to chapters that cover specific car models that interest them, or read about all models from beginning to end. • Makes for dynamic book reading, with its large number of big, full-color images and easy-reading magazine format.

2014 acura tsx 35 technology package: Badges and Budgets Jason Hoschouer, 2016-04-12 Do you feel like you're living paycheck to paycheck? Are you fearful of the word budget? Are you tired of feeling the stress of managing your personal finances? In Badges and Budgets, you will find the solution to these problems and more! Jason is a 17-year law enforcement veteran. Badges and Budgets allows Jason to partner with you on your journey to from unorganized, overextended, and stressed to organized, intentional, and confident! Inside, you'll learn:- The WHY behind building a budget and getting out of debt.- How to ORGANIZE your monthly bills.- How to BUILD your first budget.- The PROCESS of maintaining a budget. Badges and Budgets takes a law enforcement professional's experience with debt elimination and budget creation and relates it in a simple, humorous, and effective manner. Here's to the beginning of your rewarding journey!

2014 acura tsx 35 technology package: Leading Organizational Development and Change Riann Singh, Shalini Ramdeo, 2020-07-08 This textbook covers the fundamentals of organizational development and change (ODC) theory while offering a comprehensive, structured, and systematic approach to guide change management strategies at the organization level. It provides an in-depth understanding of and the tools necessary for designing, diagnosing, implementing and evaluating organizational change interventions. Students will be exposed to case studies in ODC from selected international and Caribbean/Latin American organizations, demonstrating ODC in practice across a broad geographical context. This textbook, the first to offer a macro-level perspective of ODC, provides students with the tools needed to be successful in implementing change into today's organizations.

2014 acura tsx 35 technology package: Heaven's Devil Storm Song, 2021-01-26 Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as black and white as they're trying to make them out to be?

2014 acura tsx 35 technology package: Transportation Energy Data Book, 2005

2014 acura tsx 35 technology package: SAS For Dummies Stephen McDaniel, Chris Hemedinger, 2010-03-16 The fun and easy way to learn to use this leading business intelligence tool Written by an author team who is directly involved with SAS, this easy-to-follow guide is fully updated for the latest release of SAS and covers just what you need to put this popular software to work in your business. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

2014 acura tsx 35 technology package: *National Automotive Sampling System, Crashworthiness Data System*, 1995

2014 acura tsx 35 technology package: Boringville Robert Clark, 2009-09 Boringville is a quiet, peaceful town in the woods of central Pennsylvania. It has a small but thriving artistic community scattered in small shops around the town. It is interesting to look at the quaint architecture and the partly rebuilt fort from the French and Indian War. Despite the rumors, the fort probably isn't haunted. There is a large, courteous police force to make sure everyone is safe. The hospital, while small, is state-of-the-art. There are nice places to eat. The hunting and fishing near the town are excellent. The cemetery, while small for a place the size of Boringville, is a bit unusual and picturesque. A bright, cheery town inhabited by friendly people, Boringville is a relaxing place to spend the day. You might not want to spend the night.

2014 acura tsx 35 technology package: Shop Class as Soulcraft Matthew B. Crawford, 2009-05-28 A philosopher/mechanic's wise (and sometimes funny) look at the challenges and pleasures of working with one's hands "This is a deep exploration of craftsmanship by someone with real, hands-on knowledge. The book is also quirky, surprising, and sometimes quite moving." —Richard Sennett, author of *The Craftsman* Called "the sleeper hit of the publishing season" by *The Boston Globe*, *Shop Class as Soulcraft* became an instant bestseller, attracting readers with its radical (and timely) reappraisal of the merits of skilled manual labor. On both economic and psychological grounds, author Matthew B. Crawford questions the educational imperative of turning everyone into a "knowledge worker," based on a misguided separation of thinking from doing. Using his own experience as an electrician and mechanic, Crawford presents a wonderfully articulated call for self-reliance and a moving reflection on how we can live concretely in an ever more abstract world.

2014 acura tsx 35 technology package: The Road to Winter Mark Smith, 2016-06-27 Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn's isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her and her younger sister, Kas. Rose is desperate, sick, and needs Finn's help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost. 'Tense and atmospheric...Mark Smith's debut is assured, gripping and leaves you wanting more.' *Best Books for Younger Readers* 2016, *Sydney Morning Herald* 'It's easy to see why Mark Smith's dystopian thriller has been compared with John Marsden's *Tomorrow When the War Began*. I barely came up for breath as the pages flew. So strap yourself in for a high action ride.' *Kids Book Review* 'A riveting story of survival that questions the prices of freedom and safety as well as the value of an individual life...A breakout new series full of romance, danger, and a surprisingly engaging world.' *STARRED Review*, *Kirkus Reviews* 'A solid debut.' *Publishers Weekly* 'It's been suggested more than once that dystopian fiction has had its day...but *The Road to Winter* is a welcome sign that there's still life in the genre.' *Armadillo*

2014 acura tsx 35 technology package: Auto Repair For Dummies Deanna Sclar,

2019-01-07 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

2014 acura tsx 35 technology package: Escorting the Dead TA Sullivan, 2012-12-01 Anyone who has ever been touched by the death of a friend or loved one will want to read this book. It can help you understand that death isn't the end, it's merely another step in life's path. This book touches on a subject that is meaningful to all us, death and the afterlife. Read how a bicycle accident and near death experience changed the author's life along with her understanding of life and death. Out of this experience also came her job of escorting the dead to the afterlife. A job that she says, "...is filled with as much heartache as it is joy. It's a job that has taught me a lot about compassion and love, but most of all, it has taught me that death isn't the end of life." The accident opened up a world that most of us never see until we die; however, for her, it's a world that she visits often while escorting departing souls to their new existence in the afterlife.

2014 acura tsx 35 technology package: Auto & Traffic Safety, 1994

2014 acura tsx 35 technology package: The Big Scratch Ditomaso Peter Ditomaso, 2010 The Big Scratch is a first novel by Peter DiTomaso that blends tongue in cheek excitement with the stylistic prose of a more sophisticated novel. Meet Nicky Paterson. He's an average guy, living an average life. His middle class existence in a suburban Connecticut town would be the envy of most until it all comes crashing down. A bitter divorce and custody trial made worse by his escalating addiction to alcohol sets Nicky on a course of personal destruction. Enter Tawny. She's a beautiful and mysterious girl who comes to Connecticut out of nowhere. She's a girl that takes Nicky's mind off the hell he's been through. But she's a girl with her own demons. On the run from her lover and maniacal west coast mob boss, Tawny entangles Nicky in a scheme to cheat the state lottery. It's a scheme that will change their lives forever. The Big Scratch is a story of everyday human existence intertwined with a fast paced plot, seasoned with just the right amount of sex, violence, mayhem, and human redemption. Contemporary references will keep the casual reader occupied without alienating the sophisticated reader wanting to deeply feel the emotional struggles of the main characters.

2014 acura tsx 35 technology package: The Bedford Book of Genres: A Guide and Reader Amy Braziller, Elizabeth Kleinfeld, 2017-12-05 From memes to resumes, fairy tales to researched arguments, in a striking full-color visual design, The Bedford Book of Genres invites students to unpack how genres work in order to experiment with their own compositions. After capturing the imagination of instructors and students in its successful first edition, the second edition incorporates extensive reviewer feedback to better teach students the rhetorical analysis skills they need to read and compose in any situation. To start the text, the Guide now includes a new Part One that lays out the book's key concepts--rhetorical situation, the elements of a genre,

and multimodal composing--and a substantially revised Part Two with examples arranged by academic, workplace, and public contexts. Throughout the text, Guided Readings provide opportunities to analyze the rhetorical situations and conventions of common public and academic genres, while Guided Process sections follow the decisions that five real students made as they worked in multiple genres and media. With a range of readings from short visual arguments to longer, more complex pieces, the Reader gives students a wealth of sources, models, and inspiration for their own compositions. Now available with Launchpad for The Bedford Book of Genres, the second edition offers a compelling digital option with a complete, interactive, assignable e-book.

2014 acura tsx 35 technology package: Earth Day Melissa Ferguson, 2021-10-28 Earth Day celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

2014 acura tsx 35 technology package: Auto & Traffic Safety , 1994

2014 acura tsx 35 technology package: A Second Course in Business Statistics William Mendenhall, James T. McClave, 1981-01-01

2014 acura tsx 35 technology package: Anyway to Get It Jacquell, 2008-10 DOGSPEARE is Harry Geduld's second collection of short stories. The thirty-four tales range from the whimsical, the satirical and the fantastic to the deadly serious. Most are fictional, but the collection also includes several tales concerning historical figures and one autobiographical story (Polonaise) which concludes the book.

2014 acura tsx 35 technology package: Mini Down Under Donn Anderson, 2009-03-02 Mini Down Under traces the history of one of New Zealand's - and the world's - best-loved cars. More versions of the Mini were available in New Zealand than anywhere else, and the launching of the iconic car in February 1960 was a larger-than-life event. In this lively and personal story, the author tracks the Mini's life in New Zealand, the connection between Kiwi racing driver Bruce McLaren and the birth of the Mini Cooper, the heady days of competition success in the Antipodes, the local assembly and marketing of the classic original car and the eventual development into the latest generation Mini for a new century.

2014 acura tsx 35 technology package: Sg Bus Law Today Essentials Miller, 2002-06

2014 acura tsx 35 technology package: Savage Yard G. Harper, 2015-02-08 In Savage Yard, G. F. Harper employs narrative in a poetic prose that captures the realness of the American experience and explores the bewilderment of the human condition. The work is unvarnished and brutally unromantic but at the same time the writing hints at a romantic sense of hope while each poem lives out the gritty reality of Harper's intense perception of life, often driven by a distinctive dark humor style. Harper's work contemplates unemployment, loneliness, love, war, abandonment, and transformation. The images are crisp and Harper has composed a world for readers to bring to life with their imagination.

2014 acura tsx 35 technology package: What They Didn't Teach You in School Samir Ranjan Majhi, 2017-05-21 How much of what you learnt in school do you still use? You probably aren't using anything you learnt in Chemistry. How much of what you need to know wasn't taught in school? Why is it that no matter how much you earn, you keep eagerly waiting for your next month's salary? This book is an older version of yourself imparting the life lessons that you learned along the way.

2014 acura tsx 35 technology package: L'Annuel de l'automobile 2022 Benoît Charette, Carl Nadeau, Éric LeFrançois, 2021-09-02T00:00:00-04:00 UN RETOUR À LA NORMALE (ENFIN PRESQUE) L'Annuel de l'automobile célèbre sa 21e saison sur le marché. La majorité est atteinte. Après une année de COVID, la planète automobile traverse une année de pénurie de puces électroniques qui affecte le monde entier. Pour bien des constructeurs, le rythme est au ralenti depuis des mois et même des constructeurs qui avaient été jusqu'ici épargnés par la crise ont maintenant de la difficulté. Un cabinet-conseil américain évalue les pertes mondiales à plus de 130

milliards de dollars et cette disette de puces électroniques va se poursuivre pour le reste de 2021. Mais cela n'a pas ralenti les constructeurs automobiles qui continuent de mettre de l'avant les plans d'électrification. De nouveaux joueurs comme Lucid, Rivian, Bollinger et Karma s'ajoutent aux pages du livre cette année. LES TENDANCES ACTUELLES Pour suivre les courants les plus forts, L'Annuel de l'automobile offre des reportages exclusifs. Vous retrouverez cette année : L'électrique regarde dans le rétro Renault 5, Volkswagen Microbus, Hummer. Tous ces véhicules et d'autres multiplient les clins d'œil au passé pour mieux « vendre » la conversion à l'électrique. Vous avez même des compagnies qui font la conversion de véhicules classiques en modèle électrique. Le rouage intégral pour les nuls Rouage intégral, 4 roues motrices, prise constante, et maintenant les modèles 4 roues motrices électriques. Notre chroniqueur automobile Michel Crépault résume en termes simples tout ce qui concerne les modèles 4 roues motrices. La collection de voitures de José Gaudet Grand amateur de voitures, José Gaudet aime les voitures de toutes les époques pour peu qu'elles procurent un sentiment dynamique au volant. Il nous présente sa collection avec ses commentaires colorés pour chaque modèle. Sommes-nous dépassés par la technologie? L'électronique règne maintenant sans partage dans les véhicules modernes. Est-ce que la courbe d'apprentissage des automobilistes suit la vitesse de développement des constructeurs? Suivez Alain McKenna qui vous dira comment c'est possible (ou non) d'apprivoiser cette technologie.
