2018 literature nobelist tokarczuk: *The Books of Jacob* Olga Tokarczuk, 2022-02-01 A NEW YORKER “ESSENTIAL READ” “Just as awe-inspiring as the Nobel judges claimed.” – The Washington Post “Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño’s 2666.” –AV Club “Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy.” –Dwight Garner, The New York Times **ONGLISTED FOR THE 2022 NATIONAL BOOK AWARD NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE WALL STREET JOURNAL, TIME, THE NEW YORKER, AND NPR** The Nobel Prize-winner’s richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect’s secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—*The Books of Jacob* captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, *The Books of Jacob* is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front cover to back.

2018 literature nobelist tokarczuk: *Flights* Olga Tokarczuk, 2018-08-14 **WINNER OF THE NOBEL PRIZE IN LITERATURE WINNER OF THE MAN BOOKER INTERNATIONAL PRIZE NATIONAL BOOK AWARD FINALIST FOR TRANSLATED LITERATURE** A visionary work of fiction by A writer on the level of W. G. Sebald (Annie Proulx) A magnificent writer. — Svetlana Alexievich, Nobel Prize-winning author of *Secondhand Time* A beautifully fragmented look at man's longing for permanence.... Ambitious and complex. — Washington Post From the incomparably original Polish writer Olga Tokarczuk, *Flights* interweaves reflections on travel with an in-depth exploration of the human body, broaching life, death, motion, and migration. Chopin's heart is carried back to Warsaw in secret by his adoring sister. A woman must return to her native Poland in order to poison her

terminally ill high school sweetheart, and a young man slowly descends into madness when his wife and child mysteriously vanish during a vacation and just as suddenly reappear. Through these brilliantly imagined characters and stories, interwoven with haunting, playful, and revelatory meditations, *Flights* explores what it means to be a traveler, a wanderer, a body in motion not only through space but through time. Where are you from? Where are you coming in from? Where are you going? we call to the traveler. Enchanting, unsettling, and wholly original, *Flights* is a master storyteller's answer.

2018 literature nobelist tokarczuk: *Drive Your Plow Over the Bones of the Dead* Olga Tokarczuk, 2019-08-13 WINNER OF THE NOBEL PRIZE IN LITERATURE A brilliant literary murder mystery. —Chicago Tribune Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work. —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

2018 literature nobelist tokarczuk: *Repetition* Peter Handke, 1988-06-01 Set in 1960, Nobel Prize winner Peter Handke's *Repetition* tells of Filib Kobal's journey from his home in Carinthia to Slovenia on the trail of his missing brother, Gregor. He is armed only with two of Gregor's books: a copy book from agricultural school, and a Slovenian - German dictionary, in which Gregor has marked certain words. The resulting investigation of the laws of language and naming becomes a transformative investigation of himself and the world around him. Handke's eminence, displayed in a substantial oeuvre of plays, novels and poems, is reaffirmed brilliantly by [*Repetition*]. - Publishers Weekly

2018 literature nobelist tokarczuk: *Kaspar and Other Plays* Peter Handke, 1989 Nobel Prize winner Peter Handke's first full-length drama, hailed in Europe as the play of the decade and compared in importance to *Waiting for Godot* *Kaspar* is the story of an autistic adolescent who finds himself at a complete existential loss on the stage, with but a single sentence to call his own. Drilled by prompters who use terrifyingly funny logical and alogical language-sequences, *Kaspar* learns to speak normally and eventually becomes creative--doing his own thing with words; for this he is destroyed. In *Offending the Audience* and *Self-Accusation*, one-character speak-ins, Handke further explores the relationship between public performance and personal identity, forcing us to reconsider our sense of who we are and what we know.

2018 literature nobelist tokarczuk: *A Sorrow Beyond Dreams* Peter Handke, 2013-03-26 My mother has been dead for almost seven weeks: I had better go to work before the need to write about her, which I felt so strongly at her funeral, dies away and I fall back into the dull speechlessness with which I reacted to the nerves of her suicide. So begins Peter Handke's extraordinary confrontation with his mother's death. In a painful and courageous attempt to deal with the almost intolerable horror of her suicide, he sets out to piece together the facts of her life, as he perceives them. What emerges is a loving portrait of inconsolable grief, a woman whose lively spirit has been crushed not once but over and over again by the miseries of her place and time. Yet well into middle age, living in the Austrian village of her birth, she still remains haunted by her dreams.

2018 literature nobelist tokarczuk: *Primeval and Other Times* Olga Tokarczuk, 2010 Tokarczuk's third novel, *Primeval and Other Times* was awarded the Passport Prize in 1996 And The

Koscielski Prize in 1997, which established the author as one of the leading voices in Polish letters. It is set in the mythical village of Primeval in the very heart of Poland, which is populated by eccentric, archetypal characters. The village, a microcosm of Europe, is guarded by four archangels, from whose perspective the novel chronicles the lives of Primeval's inhabitants over the course of the feral 20th century. In prose that is forceful and direct, the narrative follows Poland's tortured political history from 1914 to the contemporary era and the episodic brutality that is visited on ordinary village life. Yet *Primeval and Other Times* is a novel of universal dimension that does not dwell on the parochial. A stylized fable as well as epic allegory about the inexorable grind of time, the clash between modernity (the masculine) and nature (the feminine), it has been translated into most European languages. Tokarczuk has said of the novel: I always wanted to write a book such as this. One that creates and describes a world. It is the story of a world that, like all things living, is born, develops, and then dies. Kitchens, bedrooms, childhood memories, dreams and insomnia, reminiscences, and amnesia - these are part of the existential and acoustic spaces from which the voices of Tokarczuk's tale come, her boxes in boxes.

2018 literature nobelist tokarczuk: Homesick Jennifer Croft, 2022-08-23 The coming of age story of an award-winning translator, *Homesick* is about learning to love language in its many forms, healing through words and the promises and perils of empathy and sisterhood. Sisters Amy and Zoe grow up in Oklahoma where they are homeschooled for an unexpected reason: Zoe suffers from debilitating and mysterious seizures, spending her childhood in hospitals as she undergoes surgeries. Meanwhile, Amy flourishes intellectually, showing an innate ability to glean a world beyond the troubles in her home life, exploring that world through languages first. Amy's first love appears in the form of her Russian tutor Sasha, but when she enters university at the age of 15 her life changes drastically and with tragic results. Croft moves quickly between powerful scenes that made me think about my own sisters. I love how the language displays a child's consciousness. A haunting accomplishment. Kali Fajardo-Anstine

2018 literature nobelist tokarczuk: A Journey to the Rivers Peter Handke, 1997 Published in Germany in 1996, *A Journey to the Rivers* created a firestorm of controversy, being likened, by some, to revisionist writings mitigating Nazi guilt for World War II. But that is a grave misreading of the book, for Peter Handke proffers no justification or explanations for Serbian atrocities in the Balkan conflict. *A Journey to the Rivers* is, rather, both a scathing criticism of Western war reporting, which Peter Handke describes as lazy and mendacious, and a wonderfully sensitive and nuanced travelogue through Serbia.--BOOK JACKET. 2018 literature nobelist tokarczuk: Walk about the Villages Peter Handke, 1996 Peter Handke's dramatic poem *Walk about the Villages* is the fourth part of Handke's homecoming cycle, whose other three parts (*A Slow Homecoming*, *The Lesson of St. Victoire*, and *A Child Story*) can be found under the American title *A Slow Homecoming*. The underlying story line of *Walk about the Villages* could not be simpler. The prodigal writer Gregor returns to his home village. He and his brother Hans, a construction worker, and his shopkeeper sister have a dispute over the disposition of the house which the parents had built and the land which they had cleared with their own hands many years before. Within this straightforward conflict, Handke touches upon almost every aspect of our existence. It is a lyrical play, a poetic drama on the order of Thornton Wilder's *Our Town*, and Dylan Thomas' *Under Milk Wood*. It is an Everyman and Everywoman dramatic poem for our time.

2018 literature nobelist tokarczuk: The Moravian Night Peter Handke, 2016-12-06 An odyssey through the mind and memory of a washed-up writer, from one of Europe's most provocative novelists, Nobel Prize winner Peter Handke mysteriously summoned to a houseboat on the Morava River, a few friends, associates, and collaborators of an old writer listen as he tells a story that will last until dawn: the tale of the once well-known writer's recent odyssey across Europe. As his story unfolds, it visits places that represent stages of the narrator's and the continent's past, many now lost or irrecoverably changed through war, death, and the subtler erosions of time. His wanderings take him from the Balkans to Spain, Germany, and Austria, from a congress of experts

on noise sickness to a clandestine international gathering of jew's-harp virtuosos. His story and its telling are haunted by a beautiful stranger, a woman who has a preternatural hold over the writer and appears sometimes as a demon, sometimes as the longed-for destination of his travels. Powerfully alive, honest, and at times deliciously satirical, *The Moravian Night* explores the mind and memory of an aging writer, tracking the anxieties, angers, fears, and pleasures of a life inseparable from the recent history of Central Europe. In crystalline prose, Peter Handke traces and interrogates his own thoughts and perceptions while endowing the world with a mythic dimension. As Jeffrey Eugenides writes, "Handke's sharp eye is always finding a strange beauty amid this colorless world." *The Moravian Night* is at once an elegy for the lost and forgotten and a novel of self-examination and uneasy discovery, from one of world literature's great voices.

2018 literature nobelist tokarczuk: *The Hearing Trumpet* Leonora Carrington, 2021-01-05 An old woman enters into a fantastical world of dreams and nightmares in this surrealist classic admired by Björk and Luis Buñuel. Leonora Carrington, painter, playwright, and novelist, was a surrealist trickster par excellence, and *The Hearing Trumpet* is the witty, celebratory key to her anarchic and allusive body of work. The novel begins in the bourgeois comfort of a residential corner of a Mexican city and ends with a man-made apocalypse that promises to usher in the earth's rebirth. In between we are swept off to a most curious old-age home run by a self-improvement cult and drawn several centuries back in time with a cross-dressing Abbess who is on a quest to restore the Holy Grail to its rightful owner, the Goddess Venus. Guiding us is one of the most unexpected heroines in twentieth-century literature, a nonagenarian vegetarian named Marian Leatherby, who, as Olga Tokarczuk writes in her afterword, is "hard of hearing" but "full of life."

2018 literature nobelist tokarczuk: *Evolution of Desire* Cynthia L Haven, 2018-04-01 René Girard (1923–2015) was one of the leading thinkers of our era—a provocative sage who bypassed prevailing orthodoxies to offer a bold, sweeping vision of human nature, human history, and human destiny. His oeuvre, offering a "mimetic theory" of cultural origins and human behavior, inspired such writers as Milan Kundera and J. M. Coetzee, and earned him a place among the forty "immortals" of the Académie Française. Too often, however, his work is considered only within various academic specializations. This first-ever biographical study takes a wider view. Cynthia L. Haven traces the evolution of Girard's thought in parallel with his life and times. She recounts his formative years in France and his arrival in a country torn by racial division, and reveals his insights into the collective delusions of our technological world and the changing nature of warfare. Drawing on interviews with Girard and his colleagues, *Evolution of Desire: A Life of René Girard* provides an essential introduction to one of the twentieth century's most controversial and original minds.

2018 literature nobelist tokarczuk: My Year in the No-man's-bay Peter Handke, 1998 A collection of stories in which an Austrian writer analyzes the craft of writing and describes the people he met over the years. One of them is a former Miss Yugoslavia with whom he had a romance.

2018 literature nobelist tokarczuk: The Mixed Multitude Paweł Maciejko, 2011-03-08 In 1756, Jacob Frank, an Ottoman Jew who had returned to the Poland of his birth, was discovered leading a group of fellow travelers in a suspect religious service. At the request of the local rabbis, Polish authorities arrested the participants. Jewish authorities contacted the bishop in whose diocese the service had taken place and argued that since the rites of Frank's followers involved the practice of magic and immoral conduct, both Jews and Christians should condemn them and burn them at the stake. The scheme backfired, as the Frankists took the opportunity to ally themselves with the Church, presenting themselves as Contra-Talmudists who believed in a triune God. As a Turkish subject, Frank was released and temporarily expelled to the Ottoman territories, but the others were found guilty of breaking numerous halakhic prohibitions and were subject to a Jewish ban of excommunication. While they professed their adherence to everything that was commanded by God in the Old Testament, they asserted as well that the Rabbis of old had introduced innumerable lies and misconstructions in their interpretations of that holy book. Who were Jacob Frank and his followers? To most Christians, they seemed to be members of a Jewish sect; to Jewish reformers, they formed a group making a valiant if misguided attempt to bring an end to the power of the rabbis; and to more traditional Jews, they were heretics to be suppressed by the rabbinate. What is undeniable is that by the late eighteenth century, the Frankists numbered in the tens of thousands and had a significant political and ideological influence on non-Jewish communities throughout eastern and central Europe. Based on extensive archival research in Poland, the Czech Republic, Israel, Germany, the United States, and the Vatican, *The Mixed Multitude* is the first comprehensive study of Frank and Frankism in more than a century and offers an important new perspective on Jewish-Christian relations in the Age of Enlightenment.

2018 literature nobelist tokarczuk: The Color Of Abolition Linda Hirshman, 2022-02-08 The story of the fascinating, fraught alliance among Frederick Douglass, William Lloyd Garrison, and Maria Weston Chapman—and how its breakup led to the success of America's most important social movement. "Fresh, provocative and engrossing." —New York Times In the crucial early years of the Abolition movement, the Boston branch of the cause seized upon the star power of the eloquent ex-slave Frederick Douglass to make its case for slaves' freedom. Journalist William Lloyd Garrison promoted emancipation while Garrison loyalist Maria Weston Chapman, known as "the Contessa," raised money and managed Douglass's speaking tour from her Boston townhouse. Conventional histories have seen Douglass's departure for the New York wing of the Abolition party as a result of a rift between Douglass and Garrison. But, as acclaimed historian Linda Hirshman reveals, this completely misses the woman in power. Weston Chapman wrote cutting letters to Douglass, doubting his loyalty; the Bostonian abolitionists were shot through with racist prejudice, even aiming the N-word at Douglass among themselves. Through incisive, original analysis, Hirshman convinces that the inevitable breakup was in fact a successful failure. Eventually, as the most sought-after Black activist in America, Douglass was able to dangle the prize of his endorsement over the Republican Party's candidate for president, Abraham Lincoln. Two years later the abolition of slavery—if not the abolition of racism—became immutable law.

2018 literature nobelist tokarczuk: Shirley Jackson: A Rather Haunted Life Ruth Franklin, 2016-09-27 Winner • National Book Critics Circle Award (Biography) Winner • Edgar Award

(Critical/Biographical) Winner • Bram Stoker Award (Nonfiction) A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly, NPR, TIME, Boston Globe, NYLON, San Francisco Chronicle, Seattle Times, Kirkus Reviews, and Booklist In this “thoughtful and persuasive” biography, award-winning biographer Ruth Franklin establishes Shirley Jackson as a “serious and accomplished literary artist” (Charles McGrath, New York Times Book Review). Instantly heralded for its “masterful” and “thrilling” portrayal (Boston Globe), Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as “The Lottery” and *The Haunting of Hill House*. In this “remarkable act of reclamation” (Neil Gaiman), Ruth Franklin envisions Jackson as “belonging to the great tradition of Hawthorne, Poe and James” (New York Times Book Review) and demonstrates how her unique contribution to the canon “so uncannily channeled women’s nightmares and contradictions that it is ‘nothing less than the secret history of American women of her era’ ” (Washington Post). Franklin investigates the “interplay between the life, the work, and the times with real skill and insight, making this fine book a real contribution not only to biography, but to mid-20th-century women’s history” (Chicago Tribune). “Wisely rescu[ing] Shirley Jackson from any semblance of obscurity” (Lena Dunham), Franklin’s invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius.

2018 literature nobelist tokarczuk: *A Thousand Darkesses* Ruth Franklin, 2010-11-19 What is the difference between writing a novel about the Holocaust and fabricating a memoir? Do narratives about the Holocaust have a special obligation to be 'truthful'--that is, faithful to the facts of history? Or is it okay to lie in such works? In her provocative study *A Thousand Darkesses*, Ruth Franklin investigates these questions as they arise in the most significant works of Holocaust fiction, from Tadeusz Borowski's Auschwitz stories to Jonathan Safran Foer's postmodernist family history. Franklin argues that the memory-obsessed culture of the last few decades has led us to mistakenly focus on testimony as the only valid form of Holocaust writing. As even the most canonical texts have come under scrutiny for their fidelity to the facts, we have lost sight of the essential role that imagination plays in the creation of any literary work, including the memoir. Taking a fresh look at memoirs by Elie Wiesel and Primo Levi, and examining novels by writers such as Piotr Rawicz, Jerzy Kosinski, W.G. Sebald, and Wolfgang Koeppen, Franklin makes a persuasive case for literature as an equally vital vehicle for understanding the Holocaust (and for memoir as an equally ambiguous form). The result is a study of immense depth and range that offers a lucid view of an often cloudy field.

2018 literature nobelist tokarczuk: *The Woman from Uruguay* Pedro Mairal, 2021-07-20 New York Times Book Review Editors' Choice From acclaimed Argentine author Pedro Mairal and Man Booker International-winning translator Jennifer Croft, the unforgettable story of two would-be lovers over the course of a single day. Lucas Pereyra, an unemployed writer in his forties, embarks on a day trip from Buenos Aires to Montevideo to pick up fifteen thousand dollars in cash. An advance due to him on his upcoming novel, the small fortune might mean the solution to his problems, most importantly the tension he has with his wife. While she spends her days at work and her nights out on the town-with a lover, perhaps, he doesn't know for sure-Lucas is stuck at home all day staring at the blank page, caring for his son Maiko and fantasizing about the one thing that keeps him going: the woman from Uruguay whom he met at a conference and has been longing to see ever since. But that woman, Magalí Guerra Zabala, is a free spirit with her own relationship troubles, and the day they spend together in this beautiful city on the beach winds up being nothing like Lucas predicted. The constantly surprising, moving story of this dramatically transformative day in their lives, *The Woman from Uruguay* is both a gripping narrative and a tender, thought-provoking exploration of the nature of relationships. An international bestseller published in fourteen countries, it is the masterpiece of one of the most original voices in Latin American literature today.

2018 literature nobelist tokarczuk: *Being Poland* Tamara Trojanowska, Joanna Ni?y?ska, Przemys?aw Czapli?ski, 2018-01-01 *Being Poland* offers a unique analysis of the cultural

developments that took place in Poland after World War One, a period marked by Poland's return to independence. Conceived to address the lack of critical scholarship on Poland's cultural restoration, *Being Poland* illuminates the continuities, paradoxes, and contradictions of Poland's modern and contemporary cultural practices, and challenges the narrative typically prescribed to Polish literature and film. Reflecting the radical changes, rifts, and restorations that swept through Poland in this period, Polish literature and film reveal a multitude of perspectives. Addressing romantic perceptions of the Polish immigrant, the politics of post-war cinema, poetry, and mass media, *Being Poland* is a comprehensive reference work written with the intention of exposing an international audience to the explosion of Polish literature and film that emerged in the twentieth century.

2018 literature nobelist tokarczuk: *Slow Homecoming* Peter Handke, 2009-03-31 By Nobel Prize Winner Peter Handke Provocative, romantic, and restlessly exploratory, Peter Handke is one of the great writers of our time. *Slow Homecoming*, originally published in the late 1970s, is central to his achievement and to the powerful influence he has exercised on other writers, chief among them W.G. Sebald. A novel of self-questioning and self-discovery, *Slow Homecoming* is a singular odyssey, an escape from the distractions of the modern world and the unhappy consciousness, a voyage that is fraught and fearful but ultimately restorative, ending on an unexpected note of joy. The book begins in America. Writing with the jarring intensity of his early work, Handke introduces Valentin Sorger, a troubled geologist who has gone to Alaska to lose himself in his work, but now feels drawn back home: on his way to Europe he moves in ominous disorientation through the great cities of America. The second part of the book, "The Lesson of Mont Sainte-Victoire," identifies Sorger as a projection of the author, who now writes directly about his own struggle to reconstitute himself and his art by undertaking a pilgrimage to the great mountain that Cézanne painted again and again. Finally, "Child Story" is a beautifully observed, deeply moving account of a new father—not so much Sorger or the author as a kind of Everyman—and his love for his growing daughter.

2018 literature nobelist tokarczuk: *An Unnecessary Woman* Rabih Alameddine, 2014-02-04 A happily misanthropic Middle East divorcee finds refuge in books in a "beautiful and absorbing" novel of late-life crisis (The New York Times). Aaliya is a divorced, childless, and reclusively cranky translator in Beirut nurturing doubts about her latest project: a 900-page avant-garde, linguistically serpentine historiography by a late Chilean existentialist. Honestly, at seventy-two, should she be taking on such a project? Not that Aaliya fears dying. Women in her family live long; her mother is

still going crazy. But on this lonely day, hour-by-hour, Aaliya's musings on literature, philosophy, her career, and her aging body, are suddenly invaded by memories of her volatile past. As she tries in vain to ward off these emotional upwellings, Aaliya is faced with an unthinkable disaster that threatens to shatter the little life she has left. In this "meditation on, among other things, aging, politics, literature, loneliness, grief and resilience" (The New York Times), Alameddine conjures "a beguiling narrator . . . who is, like her city, hard to read, hard to take, hard to know and, ultimately, passionately complex" (San Francisco Chronicle). A finalist for the National Book Critics Circle Award and the National Book Award, *An Unnecessary Woman* is "a fun, and often funny . . . grave, powerful . . . [and] extraordinary" (Washington Independent Review of Books) ode to literature and its power to define who we are. "Read it once, read it twice, read other books for a decade or so, and then pick it up and read it anew. This one's a keeper" (The Independent)

2018 literature nobelist tokarczuk: *Twilight in Hazard* Alan Maimon, 2021-06-08 "Twilight in Hazard paints a more nuanced portrait of Appalachia than Vance did...[Maimon] eviscerates Vance's bestseller with stiletto precision." —Associated Press From investigative reporter and Pulitzer Prize finalist Alan Maimon comes the story of how a perfect storm of events has had a devastating impact on life in small town Appalachia, and on the soul of a shaken nation . . . When Alan Maimon got the assignment in 2000 to report on life in rural Eastern Kentucky, his editor at the Louisville Courier-Journal told him to cover the region "like a foreign correspondent would." And indeed, when Maimon arrived in Hazard, Kentucky fresh off a reporting stint for the New York Times's Berlin bureau, he felt every bit the outsider. He had landed in a place in the vice grip of ecological devastation and a corporate-made opioid epidemic—a place where vote-buying and drug-motivated political assassinations were the order of the day. While reporting on the intense religious allegiances, the bitter, bareknuckled political rivalries, and the faltering attempts to emerge from a century-long coal-based economy, Maimon learns that everything—and nothing—you have heard about the region is true. And far from being a foreign place, it is a region whose generations-long struggles are driven by quintessentially American forces. Resisting the easy clichés, Maimon's *Twilight in Hazard* gives us a profound understanding of the region from his years of careful reporting. It is both a powerful chronicle of a young reporter's immersion in a place, and of his return years later—this time as the husband of a Harlan County coal miner's daughter—to find the area struggling with its identity and in the thrall of Trumpism as a political ideology. *Twilight in Hazard* refuses to mythologize Central Appalachia. It is a plea to move past the fixation on coal, and a reminder of the true costs to democracy when the media retreats from places of rural distress. It is an intimate portrait of a people staring down some of the most pernicious forces at work in America today while simultaneously being asked: How could you let this happen to yourselves? *Twilight in Hazard* instead tells the more riveting, noirish, and sometimes bitingly humorous story of how we all let this happen.
