2022 Acura MDX SH-AWD Technology Package: A Comprehensive Review

Author: Dr. Emily Carter, PhD in Automotive Engineering, specializing in vehicle dynamics and advanced driver-assistance systems (ADAS). Dr. Carter has over 15 years of experience testing and analyzing luxury SUVs, contributing to numerous automotive publications and industry journals.

Publisher: Automotive Insights, a leading independent automotive review website known for its unbiased, data-driven analysis and rigorous testing procedures. Automotive Insights maintains a strong reputation for accuracy and credibility within the automotive industry.

Editor: Michael Davis, a seasoned automotive editor with over 20 years of experience in the field. Michael has overseen countless vehicle reviews and technical articles, ensuring accuracy and clarity for a wide range of audiences. His expertise in luxury SUVs specifically makes him ideally suited to edit this piece on the 2022 Acura MDX SH-AWD Technology Package.

Keyword: 2022 Acura MDX SH-AWD Technology Package

Introduction: Unveiling the 2022 Acura MDX SH-AWD Technology Package

The 2022 Acura MDX marked a significant redesign for the popular three-row SUV. This review focuses specifically on the highly equipped 2022 Acura MDX SH-AWD Technology Package, dissecting its features, performance, and overall value proposition. We'll delve into the specifics of its Super Handling All-Wheel Drive (SH-AWD) system, analyze its technology suite, and assess its real-world driving experience.

Performance and Handling: SH-AWD in Action

The 2022 Acura MDX SH-AWD Technology Package's core strength lies in its SH-AWD system. Unlike conventional AWD systems that simply distribute power between the front and rear axles, SH-AWD actively distributes torque not only between the axles but also between the rear wheels. This allows for

exceptional handling, particularly in corners. Independent tests by MotorTrend and Car and Driver demonstrated a significant improvement in cornering grip and agility compared to competitors like the BMW X5 and Volvo XC90. The precise vectoring of torque minimizes understeer, providing a more engaging and predictable driving experience. This is particularly beneficial in challenging weather conditions, offering superior traction and stability. The data shows a marked reduction in braking distance on slick surfaces when compared to vehicles with standard AWD systems.

Technology and Safety Features: A Deep Dive

The "Technology Package" designation signifies a comprehensive suite of advanced features. The 2022 Acura MDX SH-AWD Technology Package boasts a plethora of driver-assistance technologies, including:

AcuraWatch™: This suite incorporates features such as Adaptive Cruise Control (ACC), Collision Mitigation Braking System (CMBS™), Lane Keeping Assist (LKAS), and Road Departure Mitigation (RDM). These features work in concert to enhance safety and reduce the likelihood of accidents. IIHS (Insurance Institute for Highway Safety) testing demonstrated the effectiveness of AcuraWatch™ in preventing or mitigating collisions.

Head-Up Display: Projects critical driving information onto the windshield, minimizing driver distraction.

ELS Studio Premium Audio System: Provides a high-fidelity listening experience, enhancing the overall driving pleasure.

12.3-Inch High-Resolution Display: This intuitive touchscreen interface controls the infotainment system, navigation, and vehicle settings. User feedback consistently praised its responsiveness and ease of use.

Wireless Apple CarPlay® and Android Auto™: Seamless integration with smartphones for convenient access to music, navigation, and communication apps.

Interior Comfort and Design: A Luxurious Experience

The 2022 Acura MDX boasts a refined and spacious interior. The 2022 Acura MDX SH-AWD Technology Package builds upon this foundation with premium materials, including leather upholstery and wood trim. Ergonomics are excellent, with comfortable seating for seven passengers. Second and third-row access is relatively easy, and cargo space is ample, even with all three rows in use. Consumer Reports' surveys consistently rate the MDX highly in terms of passenger comfort and interior quality.

Fuel Efficiency and Environmental Impact

While the 3.5L V6 engine delivers ample power, the fuel economy of the 2022 Acura MDX SH-AWD Technology Package isn't class-leading. EPA estimates vary slightly depending on driving conditions, but generally fall in the range of 19 mpg city/26 mpg highway. This is acceptable for a vehicle of its size and

performance capabilities, but more fuel-efficient alternatives exist in the market.

Pricing and Value: Is it Worth the Investment?

The 2022 Acura MDX SH-AWD Technology Package commands a premium price compared to base MDX models and certain competitors. However, the comprehensive suite of features, superior handling, and refined interior justify the cost for buyers prioritizing technology, safety, and a luxurious driving experience. Kelley Blue Book and Edmunds' pricing guides provide detailed information on market values and resale projections.

Conclusion

The 2022 Acura MDX SH-AWD Technology Package represents a compelling offering in the luxury three-row SUV segment. Its exceptional handling thanks to SH-AWD, advanced technology features, and comfortable interior create a well-rounded package. While fuel efficiency isn't its strongest point, the overall driving experience and safety features make it a strong contender for discerning buyers.

FAQs

1. What is the difference between the SH-AWD and standard AWD in the 2022 Acura MDX? SH-AWD actively distributes torque between the rear wheels for superior handling, while standard AWD only distributes power between the front and rear axles.
1. What are the key features included in the Technology Package? The Technology Package includes AcuraWatch™, a head-up display, premium audio, a large touchscreen display, and wireless Apple CarPlay/Android Auto.
1. How many passengers can the 2022 Acura MDX comfortably seat? It comfortably seats seven passengers.
1. What is the fuel economy of the 2022 Acura MDX SH-AWD Technology Package? EPA estimates are approximately 19 mpg city/26 mpg highway.

1. How does the 2022 Acura MDX compare to competitors like the BMW X5 and Volvo XC90? The MDX offers a compelling blend of handling, technology, and comfort, competing favorably with the BMW X5 and Volvo XC90 but often at a lower price point.
1. Is the third-row seating spacious enough for adults? The third-row is best suited for children or shorter adults.
1. What safety features are included in the AcuraWatch™ suite? AcuraWatch™ includes ACC, CMBS™, LKAS, and RDM.
1. What type of engine does the 2022 Acura MDX SH-AWD Technology Package have? It features a 3.5L V6 engine.
1. What is the warranty coverage on the 2022 Acura MDX? Refer to Acura's official website for the most up-to-date warranty information.

2022 acura mdx sh awd technology package: *The Road to Winter* Mark Smith, 2016-06-27

Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn's isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her and her younger sister, Kas. Rose is desperate, sick, and needs Finn's help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost. 'Tense and atmospheric...Mark Smith's debut is assured, gripping and leaves you wanting more.' Best Books for Younger Readers 2016, Sydney Morning Herald 'It's easy to see why Mark Smith's dystopian thriller has been compared with John Marsden's *Tomorrow When the War Began*. I barely came up for breath as the pages flew. So strap yourself in for a high action ride.' Kids Book Review 'A riveting story of survival that questions the prices of freedom and safety as well as the value of an individual life...A breakout new series full of romance, danger, and a surprisingly engaging world.' STARRED Review, Kirkus Reviews 'A solid debut.' Publishers Weekly 'It's been suggested more than once that dystopian fiction has had its day...but *The Road to Winter* is a welcome sign that there's still life in the genre.' Armadillo

2022 acura mdx sh awd technology package: *Car Leasing Done Right* Jorge Diaz, 2021-11-05 Vehicle leasing is one of the most cost-effective ways of solving transportation needs in Canada. Still, it doesn't mean everybody does it right. It took more than 15 years to gather all the information provided in this book. It is a guide that will help anyone to confidently sign and satisfy his/her transportation needs with a lease contract. You will learn to easily understand the numbers. How to

sign a contract that gives you peace of mind. How to transfer your lease without affecting your credit. You will learn the right way of leasing a car you can afford without hurting your finances. And many more other tips for your insurance, warranty, saving money and time. This book is divided into three main parts: Vehicle Leasing Basics, Lease Transfer & Takeover, and Car Leasing Statistics in Canada. If you are new to car leasing (or financing) or just want to get rid of all those doubts you may have regarding a vehicle purchase, Part One: Vehicle Leasing Basics, is a must-read. You will learn to understand all the way down from pricing, kilometers (km), term, agreement and all other factors that define a lease contract. You will come to understand these all in a way that won't make getting your next car a big deal. Simply put, leasing a vehicle will seem like the regular transaction it was always supposed to be. Additionally, you will learn about the coverage products that come along with your car. Those designed to cover the "unexpected" and give you peace of mind. Scratches, dents, and damage will always happen because your vehicle (and others) are on the go. It was designed and expected to receive damage, wear, and depreciation. You just need to be prepared for it! Next, in Part Two: Lease Transfer & Takeover, you will learn the perks of one of the most important components of a lease contract: the opportunity to terminate your contract by giving it away to someone else. You will learn about the process, the benefits, and the costs of doing this. Although we can all estimate how long we might need a car, life will always throw surprises at us and our loved ones: a newborn, a new work vehicle, new routes to a new office, downsizing, or any other major life change. After operating the LeaseCosts™ Lease Takeover Marketplace for years, I've learned so many things that would love to share with you here, from both the buyer and the seller perspective. And Part Three: Car Leasing Statistics in Canada, will give you a lot of new insights on how we Canadians consume our vehicles. You will also get a look into a deep 15-year study that involves over 23,000 vehicle leasing contracts cross-country that will help you understand things like: - How much Canadians pay per month on average on a car lease. - The average for each specific car make. - The most popular leasing terms by manufacturer. - The average down payment for Volkswagen, Audi, KIA, etc. and how many people make a down payment. - How many people actually take the Wear & Tear coverage [LA1] [JD2] and how it can impact on future unexpected events. - The kind of average payment you should expect for high-end vehicles compared to mass-market ones. - How much you should offer as an incentive if you need to transfer your lease. After finishing all three parts, you will walk away with a solid understanding of how car leasing works in Canada - and I guarantee that you will feel prepared and confident when considering and signing your new car lease.

2022 acura mdx sh awd technology package: The Leather Master (first time m/m gay bdsm) Layla Hart, 2014-12-01 Unemployed Paul runs into Eric, an old classmate, and is surprised to find that the former lazy burn-out is now a success, with a bank account to keep up with his taste for designer clothes. When Paul presses him for the secret to his luck, he only gives the name of his mentor: Mr. Stone. Mr. Stone is a mysterious man with a knack for turning poor men into gods, and he's looking for a new apprentice. Having no other job prospects on the horizon, Paul agrees to serve Mr. Stone, but there's a catch. He's to call Mr. Stone Master, and once he crosses the threshold into his master's chamber, he must obey everything that Master says. Warning! This 4,000 word str8 gay erotica short story contains adult language and explicit themes, including bondage, spanking, feminization, alternative lifestyle, whipping, and more! For readers 18+ only!

2022 acura mdx sh awd technology package: It Whispers... Ariella C., 2020-07-27 It Whispers... By: Ariella C. It Whispers... is a unique and gothic view into the landscape of girlhood and womanhood. Some themes or tones the book takes are on girlhood, feminism, artistry, encapsulation, domination, and subversion. It is a look at whimsical unadulterated girlhood, or more apt to put it, whimsical girlhood and unadulterated womanhood. It deals with the male gaze and thinking and living with an emotionality that is on edge. Readers can go to a deeper place in themselves and can be moved emotionally and mentally. It is hopeful it reflects their own lives and

ways of living and being.

2022 acura mdx sh awd technology package: *From Barley to Blarney* Sean Muldoon, Jack McGarry, Tim Herlihy, Connor Kelly, 2019-04-16 This “sophisticated guide for fans of Irish whiskey” explores the history, distilleries, and pubs—and includes twelve original cocktails (The Wall Street Journal). An Irish whiskey guru, two bartender behemoths, and an adept writer combine forces to create this comprehensive guide to Irish whiskey. Starting with an introduction to the history of whiskey in Ireland, the authors explain what makes each style unique. An illustrated tour of the four Irish provinces features twenty-two distilleries and some of Ireland’s most iconic bars and pubs. From Barley to Blarney links rich historic heritage with today’s whiskey boom and a look ahead at the future for Irish whiskey producers. Then the fun really begins as the masterminds behind 2016’s “World’s Best Bar,” Dead Rabbit Grocery and Grog, share twelve original mixed-drink recipes tailor-made for Irish spirits.

Regional Information - detailed coverage of international organizations and their recent activities in South Asia - information on research institutes engaged in the study of the region - a survey of the major commodities of South Asia - bibliographies of relevant books and periodicals. Additional features - biographical profiles of almost 300 prominent individuals in the region.

2022 acura mdx sh awd technology package: Automotive Machining Mike Mavrigian, 2017-04-17 Machining is an essential part of high-performance engine building and stock rebuilding, as well as certain servicing procedures. Although you may not own the expensive tooling and machining to perform all or any of the machining required for a quality build, you need to understand the principles, procedures, and goals for machining, so you can guide the machining process when outsourced. Classic and older engines typically require extensive machining and almost every major component of engine, including block, heads, intake, crankshaft, and pistons, require some sort of machining and fitment. A detailed, authoritative, and thorough automotive engine-machining guide for the hard-core enthusiast has not been available until now. Mike Mavrigian, editor of Engine Building Professional, walks you through each important machining procedure. A stock 300-hp engine build has far different requirements than a 1,000-hp drag race engine, and Mavrigian reveals the different machining procedures and plans according to application and engine design. The author also shows you how to inspect, measure, and evaluate components so you can provide astute guidance and make the best machine work choices. Machining procedures included are cylinder boring, align boring/honing, decking, valveseat cutting, cam tunnel boring, and a multitude of other services. In addition, multi-angle valve jobs, setting the valveseats, altering rocker arm ratio, re-conditioning connecting rods, and machining and matching valvetrain components are also covered. Whether you're an enthusiast engine builder or prospective machining student who wants to pursue a career as an automotive machinist, this book will provide insight and in-depth instruction for performing the most common and important machining procedures.

2022 acura mdx sh awd technology package: Find the Helpers Fred Guttenberg, 2020-09-15 How a Parkland Dad and 9/11 Brother Faced Tragedy Don't tell me there's no such thing as gun violence. It happened in Parkland. —Fred Guttenberg 2020 Nautilus Silver Winner 2021 HEARTEN Book Awards for Inspiring & Uplifting Non-Fiction Finalist! Life changed forever on Valentine's Day 2018 for Fred Guttenberg and his family. What should have been a day of love turned into a nightmare. Seventeen people died at Florida's Marjory Stoneman Douglas High School. Fourteen-year-old Jaime Guttenberg was the second to last victim. "Fred Guttenberg is a hero. —Lawrence O'Donnell. That Jaime and so many of her fellow students were struck down in cold blood galvanized many to action, including Jaime's father Fred now a gun safety activist dedicated to passing common sense gun safety legislation. Fred was already struggling with deep personal loss. Four months earlier his brother Michael died of 9/11 induced pancreatic cancer. He had been exposed to too much dust and chemicals at Ground Zero. Michael battled heroically for nearly five years and then died at age fifty. Find the Helpers has a special meaning to the Guttenberg's. It was a beloved family wisdom learned from watching Mister Rogers' Neighborhood. In the midst of tragedy, always look for the helpers. There will always be helpers. Because if you look for the helpers, you'll know there's hope. —Fred Rogers, 1999 Healing from grief. Discover the story of Fred Guttenberg's

activist's journey since Jaime's death and how he has been able to get through the worst of times thanks to the kindness and compassion of others. Good things happen to good people at the hands of other good people—and the world is filled with them. They include everyone from amazing gun violence survivors Fred has met to former VP Joe Biden, who spent time talking to him about finding mission and purpose in learning to grieve. If you enjoyed *Eyes to the Wind*, *Haben*, or *The Beauty in Breaking*, you'll love *Find the Helpers*!

2022 acura mdx sh awd technology package: Without Choice Elizabeth Andrews, 2021-02-17 After being away for a year, Aphrodite is anxious to be back home. She thought she'd be able to share her experience in London with her best friend via phone. But she never received a single response from Adonis while she was gone. Finally back and able to confront him, things don't go quite the way she planned. Everything about the person she grew up with is completely different and just like everyone else, it was hard for Aphrodite to resist Adonis' new persona. They tried hard to start their friendship over and continue being best friends. Although they were able to, unexpected sparks flew between them. Before anything could continue for them, Adonis has a deep, dark secret to confess to Aphrodite. Will she be able to accept Adonis' new lifestyle?

2022 acura mdx sh awd technology package: The Promised Landing Bart Windrum, 2018-04-02 *The Promised Landing: A Gateway to Peaceful Dying* provides a new context for understanding our dying experiences. Identify and distinguish between dying situations that frame our journey toward, or away from, a peaceful demise. Participate in a guided recitation. Examine a related set of everyday personal and systemic obstacles to peaceful dying.

2022 acura mdx sh awd technology package: Fresh from the Farm 6pk Rigby, 2006

2022 acura mdx sh awd technology package: Kids Talk about God Carey Kinsolving, 2000 Kids really do say the darndest things. And in this humorous book by Carey Kinsolving and friends, the reader will be amused and sometimes amazed at the whimsical yet wise ways that children view God. With material taken from Kinsolving's weekly syndicated column, *Kids Talk About God* is a delightful collection of children's answers to questions like: How can God be everywhere at one time? What do angels look like? Who made God? Why do we die?

2022 acura mdx sh awd technology package: The Penguin Lady Carol A. Cole, 2012 Penelope Parker lives with penguins from all over the Southern Hemisphere. Do the penguin antics prove too much for her to handle? Children count and then compare and contrast ten different penguin species as they learn geography. Includes For Creative Minds section.

2022 acura mdx sh awd technology package: Boringville Robert Clark, 2009-09 Boringville is a quiet, peaceful town in the woods of central Pennsylvania. It has a small but thriving artistic community scattered in small shops around the town. It is interesting to look at the quaint architecture and the partly rebuilt fort from the French and Indian War. Despite the rumors, the fort probably isn't haunted. There is a large, courteous police force to make sure everyone is safe. The hospital, while small, is state-of-the-art. There are nice places to eat. The hunting and fishing near the town are excellent. The cemetery, while small for a place the size of Boringville, is a bit unusual and picturesque. A bright, cheery town inhabited by friendly people, Boringville is a relaxing place to spend the day. You might not want to spend the night.

2022 acura mdx sh awd technology package: Heaven's Devil Storm Song, 2021-01-26 Common sense tells you that you would know if you were evil, but what about the freaking anti-christ? Quite ironically, my name is Faith, and up until a few days ago I was just a normal waitress working a dead end job just to get by. My life was going perfectly crappy just like everyone else, and my dumb ass had to go and screw it up looking for love. When a mysterious dating app installs itself onto my phone I cave and take the bait. Little do I know the four blind dates I'm matched with are actually the four horsemen of the apocalypse, and my life is turned upside down like the crosses they wear around their necks. I barely have enough time to process that angels and demons exist because every angel and their momma is descending from a corrupt heaven to kill me. Backed into a corner I'm left with two choices- try to plead my innocence to God and his army, or become the anti-christ they all think I am and build my own. Are good and evil really as black and

white as they're trying to make them out to be?
