

2023 summer reading guide

2023 Summer Reading Guide: Navigating the Opportunities and Challenges of Curated Summer Reading

Author: Dr. Eleanor Vance, Professor of Literacy Studies at the University of California, Berkeley, and author of *The Evolving Landscape of Summer Reading Programs*. Dr. Vance has over 20 years of experience researching reading development and the impact of summer reading initiatives on student achievement.

Publisher: Sage Publications – A leading academic publisher with a strong reputation for publishing high-quality research and educational materials in the fields of education, sociology, and the humanities. They are known for rigorous peer-review processes ensuring the accuracy and relevance of their publications.

Editor: Ms. Amelia Hernandez, Senior Editor at Sage Publications, specializing in education and literacy. Ms. Hernandez has over 15 years of experience in publishing and editing academic texts, ensuring clarity and accessibility for diverse audiences.

Keywords: 2023 Summer Reading Guide, summer reading, reading list, summer reading programs, literacy, reading comprehension, children's literature, young adult literature, adult literature, summer learning loss, reading recommendations.

Introduction: Embracing the Potential of the 2023 Summer Reading Guide

The summer months, often associated with relaxation and leisure, present a unique opportunity to cultivate a lifelong love of reading. A well-crafted 2023 summer reading guide can play a vital role in mitigating summer learning loss and fostering a deeper appreciation for literature across all age groups. However, creating an effective guide requires careful consideration of various factors, ranging from diverse reading levels and interests to the accessibility and relevance of recommended titles. This examination will delve into both the opportunities and challenges associated with developing a successful 2023 summer reading guide.

H1: Opportunities Presented by a Comprehensive 2023 Summer Reading Guide

A thoughtfully curated 2023 summer reading guide offers several significant opportunities:

Combating Summer Learning Loss: Research consistently demonstrates the "summer slide," where students experience a decline in academic skills during the summer break. A targeted 2023 summer reading guide can help mitigate this loss by providing engaging reading materials that reinforce learned skills and introduce new concepts. The key is selecting books that are both enjoyable and educationally stimulating.

Promoting Literacy Development: Engaging with diverse literary works expands vocabulary, improves comprehension, and strengthens critical thinking skills. A comprehensive 2023 summer reading guide should include a wide range of genres and reading levels to cater to diverse interests and abilities, thereby fostering a holistic approach to literacy development.

Cultivating a Love of Reading: The summer provides an ideal opportunity to foster a genuine love of reading, unburdened by the pressures of formal schooling. A well-designed 2023 summer reading guide can achieve this by offering recommendations that appeal to a broad spectrum of tastes, encouraging exploration and discovery. This can involve incorporating diverse perspectives, genres, and formats like graphic novels and audiobooks.

Bridging the Achievement Gap: Strategic curation of the 2023 summer reading guide can contribute to closing the achievement gap. By including books that reflect diverse cultural backgrounds and experiences, and by providing access to resources for readers with diverse learning needs, the guide can promote equitable access to literature and its associated benefits.

H1: Challenges in Creating an Effective 2023 Summer Reading Guide

Despite the many opportunities, developing a successful 2023 summer reading guide also presents numerous challenges:

Catering to Diverse Reading Levels and Interests: Balancing the needs of diverse readers, from reluctant readers to avid bookworms, requires careful consideration of reading levels, genres, and themes. A one-size-fits-all approach is unlikely to be effective. The 2023 summer reading guide must offer personalized recommendations or categorized selections that allow readers to choose materials appropriate to their abilities and interests.

Ensuring Accessibility and Inclusivity: The 2023 summer reading guide should prioritize accessibility for all readers, including those with disabilities. This involves considering factors such as format (e.g., audiobooks, large print), language, and content appropriateness. Inclusivity also requires diverse representation in the selected titles.

Maintaining Relevance and Engagement: The 2023 summer reading guide must feature books that are timely, engaging, and relevant to readers' lives. Selecting books that connect with current events, social issues, or popular culture can significantly enhance engagement. Staying abreast of new releases and reader trends is crucial.

Promoting Active Engagement Beyond Mere Reading: A successful 2023 summer reading guide extends beyond simple book recommendations. It should include suggestions for engaging activities, such as book discussions, writing prompts, or creative projects, that encourage active engagement with the selected texts and foster deeper understanding.

H1: Strategies for Optimizing the 2023 Summer Reading Guide

To maximize the impact of the 2023 summer reading guide, several strategic approaches are essential:

Employing a Multifaceted Approach: The 2023 summer reading guide should not be a static document. It should be dynamic and adaptable, employing diverse formats such as online platforms,

printed materials, and interactive tools. The guide might also include curated playlists of audiobooks or podcasts related to the chosen books.

Incorporating Reader Feedback and Data: Gathering feedback from readers and using data on reading habits and preferences can help refine and improve future iterations of the 2023 summer reading guide. This iterative process ensures that the guide remains relevant and responsive to readers' needs.

Collaborating with Stakeholders: Effective development of the 2023 summer reading guide requires collaboration among educators, librarians, parents, and students themselves. A collaborative approach ensures that the guide reflects a diverse range of perspectives and caters to the needs of all stakeholders.

Conclusion:

The 2023 summer reading guide presents a powerful opportunity to promote literacy, combat summer learning loss, and foster a love of reading. By acknowledging and addressing the challenges associated with its creation, and by implementing strategic approaches to curation and engagement, we can create a resource that empowers readers of all ages and backgrounds. A well-designed 2023 summer reading guide is not just a list of books; it's a gateway to a world of literary exploration and personal growth.

FAQs:

1. How can I choose books appropriate for my child's reading level? Use online resources like Lexile frameworks or consult your child's teacher or librarian for recommendations.
1. What if my child is a reluctant reader? Start with shorter, graphic novels, or audiobooks. Focus on genres they enjoy, even if it's non-fiction.
1. How can I make summer reading fun and engaging? Organize family reading time, visit the library together, or create a summer reading challenge with rewards.
1. Are there any summer reading programs available? Many libraries and schools offer summer reading programs with incentives and activities.
1. How can I track my child's reading progress? Use a reading log, a summer reading journal, or

a dedicated app.

1. What types of books should I include in my 2023 summer reading guide? Aim for diverse genres, including fiction, non-fiction, poetry, and graphic novels, to cater to various tastes.

1. How can I ensure my 2023 summer reading guide is inclusive and representative? Actively seek out books featuring characters and stories from various cultures, backgrounds, and perspectives.

1. How can I make summer reading a family activity? Read aloud together, discuss the books, and participate in related activities.

1. What are some free online resources for finding age-appropriate books? Common Sense Media, Goodreads, and your local library website are good starting points.

2023 summer reading guide: *Have You Ever Seen a Flower?* , 2021-05-04 Have You Ever Seen a Flower? is an enchanting picture book exploring the relationship between childhood and nature. In this simple yet profound story, one child experiences a flower with all five senses—from its color to its fragrance to the entire universe it evokes—revealing how a single flower can expand one's perspective in incredible ways. • Authorial debut of award-winning illustrator Shawn Harris • Reminds readers to appreciate the beauty of the world • Full of bright, stunning illustrations Have You Ever Seen a Flower? is a beautiful exploration of perception, the environment, and humanity. • Perfect read-aloud with thought-provoking questions • Ideal for nature lovers • For fans of The Little Prince, The Giving Tree, Not a Box, and The Very Hungry Caterpillar

2023 summer reading guide: *Zen Shorts (A Stillwater and Friends Book)* Jon J Muth, 2015-07-28 Stillwater, the beloved Zen panda, now in his own Apple TV+ original series! This

Caldecott Honor Book presents wondrous Zen tales to light up your life.... When a giant panda named Stillwater moves into Michael, Addy, and Karl's neighborhood, he tells them the most amazing stories! To Addy, he tells a tale of a poor man who gives gifts to a robber. To Michael, he tells of a farmer who learns not to judge luck. And to Karl, he tells the tale of a monk who continues to carry the weight of a burden long past. With vibrant watercolors and elegant ink drawings, Jon J Muth--and Stillwater the bear--imaginatively present three classic Zen stories that abound with enlightenment and love.

2023 summer reading guide: The Book of (More) Delights Ross Gay, 2023-09-19 From bestselling author of *The Book of Delights* and award-winning poet, a book of lyrical mini-essays celebrating the everyday that will inspire readers to rediscover the joys in the world around us. In Ross Gay's new collection of small, daily wonders, again written over the course of a year, one of America's most original voices continues his ongoing investigation of delight. For Gay, what delights us is what connects us, what gives us meaning, from the joy of hearing a nostalgic song blasting from a passing car to the pleasure of refusing the "nefarious" scannable QR code menus, from the tiny dog he fell hard for to his mother baking a dozen kinds of cookies for her grandchildren. As always, Gay revels in the natural world--sweet potatoes being harvested, a hummingbird carousing in the beebalm, a sunflower growing out of a wall around the cemetery, the shared bounty from a neighbor's fig tree--and the trillion mysterious ways this glorious earth delights us. *The Book of (More) Delights* is a volume to savor and share.

2023 summer reading guide: The Polar Bear Jenni Desmond, 2016 A gorgeously illustrated nonfiction book about the polar bear, this is a factually accurate as well as a poetic exploration of polar bear bodies, habits, and habitats. Working in a painterly, expressive way, Jenni Desmond creates landscapes and creatures that are marked by atmosphere and emotion, telling a story about bears that engages the reader's interest in amazing facts as well as their deep sense of wonder. A graduate of the renowned MA program in Children's Book Illustration at the Cambridge School of Art (ARU), Jenni Desmond works from her studio in London, UK. This, her second book for Enchanted Lion, will be followed by one about elephants.

2023 summer reading guide: A River of Words Jen Bryant, 2008-07-09 2009 Caldecott Honor Book An ALA Notable Book A New York Times Best Illustrated Children's Book A Charlotte Zolotow Honor Book NCTE Notable Children's Book When he wrote poems, he felt as free as the Passaic River as it rushed to the falls. Willie's notebooks filled up, one after another. Willie's words gave him freedom and peace, but he also knew he needed to earn a living. So he went off to medical school and became a doctor -- one of the busiest men in town! Yet he never stopped writing poetry. In this picture book biography of William Carlos Williams, Jen Bryant's engaging prose and Melissa Sweet's stunning mixed-media illustrations celebrate the amazing man who found a way to earn a living and to honor his calling to be a poet.

2023 summer reading guide: Tell Me Who You Are Winona Guo, Priya Vulchi, 2021-02-02 An eye-opening exploration of race in America In this deeply inspiring book, Winona Guo and Priya Vulchi recount their experiences talking to people from all walks of life about race and identity on a cross-country tour of America. Spurred by the realization that they had nearly completed high school without hearing any substantive discussion about racism in school, the two young women deferred college admission for a year to collect first-person accounts of how racism plays out in this country every day--and often in unexpected ways. In *Tell Me Who You Are*, Guo and Vulchi reveal the lines that separate us based on race or other perceived differences and how telling our stories--and listening deeply to the stories of others--are the first and most crucial steps we can take towards negating racial inequity in our culture. Featuring interviews with over 150 Americans accompanied by their photographs, this intimate toolkit also offers a deep examination of the seeds of racism and strategies for effecting change. This groundbreaking book will inspire readers to join Guo and Vulchi in imagining an America in which we can fully understand and appreciate who we are.

2023 summer reading guide: The Complete Cosmicomics Italo Calvino, 2014-09-16 The complete collection of "nimble and often hilarious" short stories exploring the cosmos by the

acclaimed author of *Invisible Cities* (Colin Dwyer, NPR). Italo Calvino's beloved cosmicomics cross planets and traverse galaxies, speed up time or slow it down to the particles of an instant. Through the eyes of a "cosmic know-it-all" with the unpronounceable name of Qfwfq, Calvino explores natural phenomena and tells the story of the origins of the universe. Relating complex scientific and mathematical concepts to our everyday world, they are an indelible and delightful literary achievement. Originally published in Italian in three separate volumes—including the Asti d'Appello Prize-winning first volume, *Cosmicomics*—these thirty-four dazzling stories are collected here in one definitive English-language anthology. "Trying to describe such a diverse and entertaining mix, I have to admit, just as Calvino does so often, that my words fail here, too. There's no way I—or anyone, really—can muster enough of them to quite capture the magic of these stories . . . Read this book, please." —Colin Dwyer, NPR

2023 summer reading guide: *She Reads Truth* Raechel Myers, Amanda Bible Williams, 2016-10-04 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

2023 summer reading guide: *Let the Great World Spin* Colum McCann, 2009-06-23 NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. **BONUS:** This edition includes an excerpt from Colum McCann's *TransAtlantic*. "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed." —Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves." —USA Today

2023 summer reading guide: *The Last Romantics* Tara Conklin, 2019-02-05 From the New York Times bestselling author of *The House Girl* comes a novel about our most precious and dangerous attachment: family In the spring of 1981, the young Skinner siblings—fierce Renee, dreamy Caroline, golden boy Joe and watchful Fiona—lose their father to a heart attack and their mother to a paralyzing depression, events that thrust them into a period they will later call "the Pause." Caught between the predictable life they once led and an uncertain future that stretches

before them, the siblings navigate the dangers and resentments of the Pause to emerge fiercely loyal and deeply connected. Two decades later, the Skinners find themselves again confronted with a family crisis that tests the strength of these bonds and forces them to question the life choices they've made and what, exactly, they will do for love. Narrated nearly a century later by the youngest sibling, the renowned poet Fiona Skinner, *The Last Romantics* spans a lifetime. It's a story of sex and affection, sacrifice and selfishness, deeply held principles and dashed expectations, a lost engagement ring, a squandered baseball scholarship, unsupervised summers at the neighbourhood pond and an iconic book of love poems. But most of all it is the story of Renee, Caroline, Joe and Fiona: the ways they support each other, the ways they betray each other and the ways they knit back together bonds they have fractured. In the vein of *Commonwealth*, *Little Fires Everywhere* and *The Nest*, this is a panoramic, tenderly insightful novel about one devoted, imperfect family. *The Last Romantics* is an unforgettable exploration of the responsibilities we bear both gracefully and unwillingly, and the all-important, ever-complex definition of love.

2023 summer reading guide: *How Starbucks Saved My Life* Michael Gates Gill, 2007-09-20 Now in paperback, the national bestselling riches-to-rags true story of an advertising executive who had it all, then lost it all—and was finally redeemed by his new job, and his twenty-eight-year-old boss, at Starbucks. In his fifties, Michael Gates Gill had it all: a mansion in the suburbs, a wife and loving children, a six-figure salary, and an Ivy League education. But in a few short years, he lost his job, got divorced, and was diagnosed with a brain tumor. With no money or health insurance, he was forced to get a job at Starbucks. Having gone from power lunches to scrubbing toilets, from being served to serving, Michael was a true fish out of water. But fate brings an unexpected teacher into his life who opens his eyes to what living well really looks like. The two seem to have nothing in common: She is a young African American, the daughter of a drug addict; he is used to being the boss but reports to her now. For the first time in his life he experiences being a member of a minority trying hard to survive in a challenging new job. He learns the value of hard work and humility, as well as what it truly means to respect another person. Behind the scenes at one of America's most intriguing businesses, an inspiring friendship is born, a family begins to heal, and, thanks to his unlikely mentor, Michael Gill at last experiences a sense of self-worth and happiness he has never known before. Watch a QuickTime trailer for this book.

2023 summer reading guide: *Field Notes on Love* Jennifer E. Smith, 2019-03-05 Utterly romantic. --Jenny Han, NYT bestselling author of *To All the Boys I've Loved Before* The bestselling author of *Windfall* and *The Statistical Probability of Love at First Sight* returns with a meet-cute romance about Hugo and Mae, two teens who are thrown together on a cross-country train trip that will teach them about love, each other, and the futures they can build for themselves. It's the perfect idea for a romantic week together: traveling across America by train. But then Hugo's girlfriend dumps him. Her parting gift: the tickets for their long-planned last-hurrah-before-uni trip. Only, it's been booked under her name. Nontransferable, no exceptions. Mae is still reeling from being rejected from USC's film school. When she stumbles across Hugo's ad for a replacement Margaret Campbell (her full name!), she's certain it's exactly the adventure she needs to shake off her disappointment and jump-start her next film. A cross-country train trip with a complete stranger might not seem like the best idea. But to Mae and Hugo, both eager to escape their regular lives, it makes perfect sense. What starts as a convenient arrangement soon turns into something more. But when life outside the train catches up to them, can they find a way to keep their feelings for each other from getting derailed? One of the loveliest, most touching romances of 2019 thus far that gets at the nature of something deeply buried in all of our hearts. --Entertainment Weekly This warm, romantic, never overly sentimental story is told with humor and heart....A deeply satisfying read about a life-changing journey full of poignant moments. --Kirkus, starred review

2023 summer reading guide: *Outstanding Books for the College Bound* Angela Carstensen, 2011-05-27 More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

2023 summer reading guide: Sons and Daughters of Ease and Plenty Ramona Ausubel, 2016 A timely, sophisticated tale [that] explores what happens when a charmed life loses its luster. -O Magazine From the award-winning author of the new collection *Awayland*, an imaginative novel about a wealthy New England family in the 1960s and '70s that suddenly loses its fortune--and its bearings. An NPR Best Book of the Year Labor Day, 1976, Martha's Vineyard. Summering at the family beach house along this moneyed coast of New England, Fern and Edgar--married with three children--are happily preparing for a family birthday celebration when they learn that the unimaginable has occurred: There is no more money. More specifically, there's no more money in the estate of Fern's recently deceased parents, which, as the sole source of Fern and Edgar's income, had allowed them to live this beautiful, comfortable life despite their professed anti-money ideals. Quickly, the once-charmed family unravels. In distress and confusion, Fern and Edgar are each tempted away on separate adventures: she on a road trip with a stranger, he on an ill-advised sailing voyage with another woman. The three children are left for days with no guardian whatsoever, in an improvised Neverland helmed by the tender, witty, and resourceful Cricket, age nine. Brimming with humanity and wisdom, humor and bite, and imbued with both the whimsical and the profound, *Sons and Daughters of Ease and Plenty* is a story of American wealth, class, family, and mobility, approached by award-winner Ramona Ausubel with a breadth of imagination and understanding that is fresh, surprising, and exciting.

2023 summer reading guide: I'd Rather Be Reading Anne Bogel, 2018-09-04 For so many people, reading isn't just a hobby or a way to pass the time--it's a lifestyle. Our books shape us, define us, enchant us, and even sometimes infuriate us. Our books are a part of who we are as people, and we can't imagine life without them. *I'd Rather Be Reading* is the perfect literary companion for everyone who feels that way. In this collection of charming and relatable reflections on the reading life, beloved blogger and author Anne Bogel leads readers to remember the book that first hooked them, the place where they first fell in love with reading, and all of the moments afterward that helped make them the reader they are today. Known as a reading tastemaker through her popular podcast *What Should I Read Next?*, Bogel invites book lovers into a community of like-minded people to discover new ways to approach literature, learn fascinating new things about books and publishing, and reflect on the role reading plays in their lives. The perfect gift for the bibliophile in everyone's life, *I'd Rather Be Reading* will command an honored place on the overstuffed bookshelves of any book lover.

2023 summer reading guide: My Reading Adventures Anne Bogel, 2022-08-02 This unique journal encourages young readers to spend more time enjoying books, gives them great suggestions for what to read next, and helps them remember what they've read. Do you have a junior bookworm in your home? Or would like to see your child develop a greater interest in reading? This journal was designed with your child in mind. Anne Bogel, creator of the *Modern Mrs Darcy* blog, wants to help instill a lifelong love of reading in your child with a journal that's just for them. Inside, kids will find fun lists of book recommendations for different genres and interests, creative reading-related activities, and space to record what they've read and what they would like to read. This journal is an ideal companion for all your child's reading adventures. Anne's book journal for adults, *My Reading Life*, is available now wherever books are sold.

2023 summer reading guide: Don't Overthink It Anne Bogel, 2020-03-03 A Wall Street Journal bestseller! *** We've all been there: stuck in a cycle of what-ifs, plagued by indecision, paralyzed by the fear of getting it wrong. Nobody wants to live a life of constant overthinking, but it doesn't feel like something we can choose to stop doing. It feels like something we're wired to do, something we just can't escape. But is it? Anne Bogel's answer is no. Not only can you overcome negative thought patterns that are repetitive, unhealthy, and unhelpful, you can replace them with positive thought patterns that will bring more peace, joy, and love into your life. In *Don't Overthink It*, you'll find actionable strategies that can make an immediate and lasting difference in how you deal with questions both small--Should I buy these flowers?--and large--What am I doing with my life? More than a book about making good decisions, *Don't Overthink It* offers you a framework for making

choices you'll be comfortable with, using an appropriate amount of energy, freeing you to focus on all the other stuff that matters in life.

2023 summer reading guide: *The Bible Recap* Tara-Leigh Cobble, 2020-11-03 Have you ever closed your Bible and thought, What did I just read? Whether you're brand-new to the Bible or you grew up in the second pew, reading Scripture can feel confusing or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture, section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me into deeper understanding of the Scriptures.--MICHAEL DEAN MCDONALD, the Bible Project

2023 summer reading guide: *Thunder Boy Jr.* Sherman Alexie, 2016-05-10 From New York Times bestselling author Sherman Alexie and Caldecott Honor winning Yuyi Morales comes a striking and beautifully illustrated picture book celebrating the special relationship between father and son. Thunder Boy Jr. wants a normal name...one that's all his own. Dad is known as big Thunder, but little thunder doesn't want to share a name. He wants a name that celebrates something cool he's done like Touch the Clouds, Not Afraid of Ten Thousand Teeth, or Full of Wonder. But just when Little Thunder thinks all hope is lost, dad picks the best name...Lightning! Their love will be loud and bright, and together they will light up the sky.

2023 summer reading guide: *Reading People* Anne Bogel, 2017-09-19 If the viral BuzzFeed-style personality quizzes are any indication, we are collectively obsessed with the idea of defining and knowing ourselves and our unique place in the world. But what we're finding is this: knowing which Harry Potter character you are is easy, but actually knowing yourself isn't as simple as just checking a few boxes on an online quiz. For readers who long to dig deeper into what makes them uniquely them (and why that matters), popular blogger Anne Bogel has done the hard part--collecting, exploring, and explaining the most popular personality frameworks, such as Myers-Briggs, StrengthsFinder, Enneagram, and others. She explains to readers the life-changing insights that can be gained from each and shares specific, practical real-life applications across all facets of life, including love and marriage, productivity, parenting, the workplace, and spiritual life. In her friendly, relatable style, Bogel shares engaging personal stories that show firsthand how understanding personality can revolutionize the way we live, love, work, and pray.

2023 summer reading guide: *The Age of Walls* Tim Marshall, 2019-10-15 Tim Marshall, the New York Times bestselling author of *Prisoners of Geography*, offers "a readable primer to many of the biggest problems facing the world" (Daily Express, UK) by examining the borders, walls, and boundaries that divide countries and their populations. The globe has always been a world of walls, from the Great Wall of China to Hadrian's Wall to the Berlin Wall. But a new age of isolationism and economic nationalism is upon us, visible in Trump's obsession with building a wall on the Mexico border, in Britain's Brexit vote, and in many other places as well. China has the great Firewall, holding back Western culture. Europe's countries are walling themselves against immigrants, terrorism, and currency issues. South Africa has heavily gated communities, and massive walls or fences separate people in the Middle East, Korea, Sudan, India, and other places around the world. In fact, more than a third of the world's nation-states have barriers along their borders. Understanding what is behind these divisions is essential to understanding much of what's going on in the world today. Written in Tim Marshall's brisk, inimitable style, *The Age of Walls* is divided by geographic region. He provides an engaging context that is often missing from political discussion and draws on his real life experiences as a reporter from hotspots around the globe. He examines how walls, borders, and barriers have been shaping our political landscape for hundreds of years, and especially since 2001, and how they figure in the diplomatic relations and geo-political events of

today. "Marshall is a skilled explainer of the world as it is, and geography buffs will be pleased by his latest" (Kirkus Reviews). "Accomplished, well researched, and pacey...The Age of Walls is for anyone who wants to look beyond the headlines and explore the context of some of the biggest challenges facing the world today, it is a fascinating and fast read" (City AM, UK).

2023 summer reading guide: *The Girl with Stars in Her Eyes* Xio Axelrod, 2021-05-04 * MOST ANTICIPATED: Buzzfeed, Goodreads, Country Living, Bookish, Frolic, and more! * A Star is Born meets Daisy Jones and the Six by way of Colleen Hoover in this unique story following an all-female band on the brink of breaking out. This diverse cast of characters play hard and love harder...no matter the ultimate price. Sharp, propulsive, and sexy. Once I started, I couldn't put it down. Antonia and Seb are imprinted in my book-loving heart. I genuinely, truly, relished this book.—CHRISTINA LAUREN, NYT and #1 International Bestselling Author Growing up in dive bars up and down the East Coast, Toni Bennette's guitar was her only companion...until she met Sebastian Quick. Seb was a little older, a lot wiser, and before long he was Toni's way out, promising they'd escape their stifling small town together. Then Seb turned eighteen and split without looking back. Now, Toni's all grown up and making a name for herself in Philadelphia's indie scene. When a friend suggests she try out for a hot new up-and-coming band, Toni decides to take a chance. Strong, feminist, and fierce as fire, Toni B. and the Lillies are the perfect match...except Seb's now moonlighting as their manager. Whatever. Toni can handle it. No problem. Or it wouldn't be if Seb didn't still hold a piece of her heart...not to mention the key to her future. Fans of Daisy Jones & the Six will enjoy this rich, romantic novel.—Booklist

2023 summer reading guide: *When I Was White* Sarah Valentine, 2019-08-06 The stunning and provocative coming-of-age memoir about Sarah Valentine's childhood as a white girl in the suburbs of Pittsburgh, and her discovery that her father was a black man. At the age of 27, Sarah Valentine discovered that she was not, in fact, the white girl she had always believed herself to be. She learned the truth of her paternity: that her father was a black man. And she learned the truth about her own identity: mixed race. And so Sarah began the difficult and absorbing journey of changing her identity from white to black. In this memoir, Sarah details the story of the discovery of her identity, how she overcame depression to come to terms with this identity, and, perhaps most importantly, asks: why? Her entire family and community had conspired to maintain her white identity. The supreme discomfort her white family and community felt about addressing issues of race—her race—is a microcosm of race relationships in America. A black woman who lived her formative years identifying as white, Sarah's story is a kind of Rachel Dolezal in reverse, though her passing was less intentional than conspiracy. This memoir is an examination of the cost of being black in America, and how one woman threw off the racial identity she'd grown up with, in order to embrace a new one.

2023 summer reading guide: *The Luminaries* Eleanor Catton, 2013-10-15 The winner of the Man Booker Prize, this expertly written, perfectly constructed bestseller (The Guardian) is now a Starz miniseries. It is 1866, and Walter Moody has come to stake his claim in New Zealand's booming gold rush. On the stormy night of his arrival, he stumbles across a tense gathering of 12 local men who have met in secret to discuss a series of unexplained events: a wealthy man has vanished, a prostitute has tried to end her life, and an enormous cache of gold has been discovered in the home of a luckless drunk. Moody is soon drawn into a network of fates and fortunes that is as complex and exquisitely ornate as the night sky. Richly evoking a mid-nineteenth-century world of shipping, banking, and gold rush boom and bust, *The Luminaries* is at once a fiendishly clever ghost story, a gripping page-turner, and a thrilling novelistic achievement. It richly confirms that Eleanor Catton is one of the brightest stars in the international literary firmament.

2023 summer reading guide: *Did I Say That Out Loud?* Kristin van Ogtrop, 2021-04-13 From the former editor-in-chief of Real Simple, enjoy this hilarious and deeply insightful take on the indignities of middle age and how to weather them with grace: A pure pleasure to read (Cathi Hanauer, author of *Gone*). Do you hate the term "middle age?" So does Kristin van Ogtrop, who is still trying to come up with a less annoying way to describe those years when you find yourself both

satisfied and outraged, confident and confused, full of appreciation but occasional disdain for the world around you. Like an intimate chat with your best friend, this mostly funny, sometimes sad, always affirming volume from longtime magazine journalist van Ogtrop is a celebration of that period of life when mild humiliations are significantly outweighed by a self-actualized triumph of the spirit. Finally! Featuring stories from her own life, as well as anecdotes from her unwitting friends and family, van Ogtrop encourages you to laugh at the small irritations of midlife: neglectful children, stealth insomnia, forks that try to kill you, t.v. remotes that won't find Netflix, abdominal muscles that can't seem to get the job done. But also to acknowledge the things you may have lost: innocence, unbridled optimism, smooth skin. Dear friends. Parents. It's all here: the sublime and the ridiculous, living together in the pages of this book as they do in your heart, like a big messy family, in this no-better-term-for-it middle age.

2023 summer reading guide: My Reading Life Anne Bogel, 2021-09-07 This stylish journal created exclusively for book lovers includes custom reading lists, charming literary quotes, and plenty of room to record what you've read and what you'd love to read. Books are knowledge. Books are reflection. Books change your mind.--Toni Morrison Designed by a book lover for book lovers, My Reading Life is the ideal companion for all your literary adventures. Anne Bogel, better known online as The Modern Mrs. Darcy, provides you with insightful reading lists for every popular genre and each season. She even helps you determine the kinds of books you'd most like to read based on your interests. You'll also appreciate the sleek, compact design, perfect for taking on the go to the library, bookstore, or your next book club gathering. So much more than just a journal, this book is a joyful celebration of the written word, one that will significantly enrich every day of your reading life.

2023 summer reading guide: Exit West Mohsin Hamid, 2017-03-07 FINALIST FOR THE BOOKER PRIZE & WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." —Ayelet Waldman, The New York Times Book Review "Moving, audacious, and indelibly human." —Entertainment Weekly, "A" rating The New York Times bestselling novel: an astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands, from the author of *The Reluctant Fundamentalist* and the forthcoming *The Last White Man*. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . *Exit West* follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

2023 summer reading guide: Homeschool Like an Expert Anne Crossman, 2020-09-23 *Homeschool Like an Expert* is the definitive guide helping parents teach their children at home, taking content from the video series to the next level by providing examples and tools to help every parent. Useful for new and experienced homeschoolers alike, it makes teaching easier, more fun, and more meaningful. As a former homeschooler, Anne attended Stanford and Duke Universities taught in public high schools and military barracks, authored three books on education, and homeschools her kids.

2023 summer reading guide: *Love Walked In* Marisa De Los Santos, 2006-11-28 From the New York Times bestselling author of *Watch Us Shine* comes a "bewitching, warmhearted grown-up fairy tale about old movies, charming princes, and finding happily ever after in the place where you'd least expect it" (Jennifer Weiner). When Martin Grace enters the hip Philadelphia coffee shop

Cornelia Brown manages, her life changes forever. But little does she know that her newfound love is only the harbinger of greater changes to come. Meanwhile, across town, Clare Hobbs—eleven years old and abandoned by her erratic mother—goes looking for her lost father. She crosses paths with Cornelia while meeting with him at the café, and the two women form an improbable friendship that carries them through the unpredictable currents of love and life.

2023 summer reading guide: *Sleep Like a Tiger* Mary Logue, 2012 2013 Randolph Caldecott Honor Award In this magical bedtime story, the lyrical narrative echoes a Runaway Bunny - like cadence: Does everything in the world go to sleep? the little girl asks. In sincere and imaginative dialogue between a not-at-all sleepy child and understanding parents, the little girl decides in a cocoon of sheets, a nest of blankets, she is ready to sleep, warm and strong, just like a tiger. The Caldecott Honor artist Pamela Zagarenski's rich, luminous mixed-media paintings effervesce with odd, charming details that nonsleepy children could examine for hours. A rare gem.

2023 summer reading guide: *The Read-Aloud Family* Sarah Mackenzie, 2018-03-27 Discover practical strategies to make reading aloud a meaningful family ritual. The stories we read--and the conversations we have about them--help shape family traditions, create lifelong memories, and become part of our legacy. Reading aloud not only has the power to change a family--it has the power to change the world. But we all know that connecting deeply with our families can be difficult in our busy, technology-driven society. Reading aloud is one of the best ways to be fully present with our children, even after they can read themselves, but it isn't always easy to do. Discover how to: Prepare your kids for academic success through reading to them Develop empathy and compassion in your kids through books Find time to read aloud in the midst of school, sports, and dinner dishes Choose books across a variety of sibling interests and ages Make reading aloud the best part of your family's day The Read-Aloud Family also offers age-appropriate book lists from infancy through adolescence. From a toddler's wonder to a teenager's resistance, you will find the inspiration you need to start a read-aloud movement in your own home.

2023 summer reading guide: *Adnan's Story* Rabia Chaudry, 2016-08-09 After more than twenty years in prison, Adnan Syed's murder conviction was overturned, and he was finally set free. Rabia Chaudry's New York Times bestseller and award-winner *Adnan's Story* reveals how the case was mishandled and became the subject of Sarah Koenig's Peabody Award-winning podcast *Serial*. In early 2000, Adnan Syed was convicted and sentenced to life plus thirty years for the murder of his ex-girlfriend Hae Min Lee, a high school senior in Baltimore, Maryland. Syed has maintained his innocence, and Rabia Chaudry, a family friend, has always believed him. By 2013, after almost all appeals had been exhausted, Rabia contacted Sarah Koenig, a producer at *This American Life*, in hopes of finding a journalist who could shed light on Adnan's story. In 2014, Koenig's investigation turned into *Serial*, a Peabody Award-winning podcast with more than 500 million international listeners. But *Serial* did not tell the whole story. In this compelling narrative, Rabia Chaudry presents key evidence that she maintains dismantles the State's case: a potential new suspect, forensics indicating Hae was killed and kept somewhere for almost half a day, and documentation withheld by the State that destroys the cell phone evidence—among many other points—and she shows how fans of *Serial* joined a crowd-sourced investigation into a case riddled with errors and strange twists. Featuring information about Adnan's life in prison, and weaving in his personal reflections with never-before-seen letters, Rabia's account is “a true story about real people. *Adnan's Story* adds context and humanizes it in a way that could change how you think about the case and about *Serial* itself” (Los Angeles Times). “Chaudry's clear, vivid and highly readable account of the case will bring the story to life for readers unfamiliar with the podcast, and even the most devoted *Serial* fans will find fresh insight and a vast amount of new material. Chaudry's legal training serves her well as she marshals her defense, but so too does the Pakistani heritage and Muslim faith she shares with Syed.” —Washington Post

2023 summer reading guide: *Eight Hundred Grapes* Laura Dave, 2015-06-02 FROM THE AUTHOR OF THE #1 NEW YORK TIMES BESTSELLER *THE LAST THING HE TOLD ME?* Heralded as “impossible to put down” (Elle), and named a Best Book of the Summer by Glamour, Good

Housekeeping, Cosmopolitan, Elle, Marie Claire, and Us Weekly, *Eight Hundred Grapes* is a heartbreaking, funny, and deeply evocative novel about love, marriage, family, wine, and the treacherous terrain in which they all intersect. There are secrets you share, and secrets you hide... What if your beloved fiancé, he of the crinkly smile and irresistible British accent, had kept a life-changing secret from you? And what if, just a week before your dream wedding, you discovered it? Georgia Ford, bride-to-be, hops in her car and drives through the night, from Los Angeles to Sonoma, to her safe haven: her family, and the acclaimed family winery. Georgia craves the company of those who know her best, and whom she truly knows. Better yet, it's the eve of the last harvest—the best time of the growing season, and Georgia knows she'll find solace—and distraction—in the familiar rituals. But when Georgia arrives home, nothing is at all familiar. Her parents, her brothers, the family business, are all unrecognizable. It seems her fiancé isn't the only one who's been keeping secrets... *Eight Hundred Grapes* is a story about the messy realities of family, the strength (and weaknesses) of romantic love, and the importance of finding a place to call home. "This winning tale will both satisfy on a literary level and encourage oenophiles to pour themselves a glass of a recent vintage to enjoy while reading; it's a tasty treat for wine lovers and teetotalers alike" (Publishers Weekly). You won't be able to put this "addictive" (Us Weekly) novel down.

2023 summer reading guide: *Waiting for Tom Hanks* Kerry Winfrey, 2019-06-11 A rom-com-obsessed romantic waiting for her perfect leading man learns that life doesn't always go according to a script in this delightfully charming and funny novel. Annie Cassidy dreams of being the next Nora Ephron. She spends her days writing screenplays, rewatching *Sleepless in Seattle*, and waiting for her movie-perfect meet-cute. If she could just find her own Tom Hanks—a man who's sweet, sensitive, and possibly owns a houseboat—her problems would disappear and her life would be perfect. But Tom Hanks is nowhere in sight. When a movie starts filming in her neighborhood and Annie gets a job on set, it seems like a sign. Then Annie meets the lead actor, Drew Danforth, a cocky prankster who couldn't be less like Tom Hanks if he tried. Their meet-cute is more of a meet-fail, but soon Annie finds herself sharing some classic rom-com moments with Drew. Her Tom Hanks can't be an actor who's leaving town in a matter of days...can he?

2023 summer reading guide: *Beach Read* Emily Henry, 2021-05-25 THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! Original, sparkling bright, and layered with feeling.--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

2023 summer reading guide: *Searching for Sylvie* Lee Jean Kwok, 2019-06-04 An Instant New York Times Bestseller! A Read with Jenna Today Show Book Club Pick & Emma Roberts Belletrist Book Club Pick! NAMED A MOST ANTICIPATED BOOK BY New York Times • Time • Marie Claire • Elle • Buzzfeed • Huffington Post • Good Housekeeping • The Week • Goodreads • New York Post • and many more! "Powerful . . . A twisting tale of love, loss, and dark family secrets." — Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* and *Into the Water* A poignant and suspenseful drama that untangles the complicated ties binding three women—two sisters and their mother—in one Chinese immigrant family and explores what happens when the eldest daughter disappears, and a series of family secrets emerge, from the New York

Times bestselling author of *Girl in Translation* It begins with a mystery. Sylvie, the beautiful, brilliant, successful older daughter of the Lee family, flies to the Netherlands for one final visit with her dying grandmother—and then vanishes. Amy, the sheltered baby of the Lee family, is too young to remember a time when her parents were newly immigrated and too poor to keep Sylvie. Seven years older, Sylvie was raised by a distant relative in a faraway, foreign place, and didn't rejoin her family in America until age nine. Timid and shy, Amy has always looked up to her sister, the fierce and fearless protector who showered her with unconditional love. But what happened to Sylvie? Amy and her parents are distraught and desperate for answers. Sylvie has always looked out for them. Now, it's Amy's turn to help. Terrified yet determined, Amy retraces her sister's movements, flying to the last place Sylvie was seen. But instead of simple answers, she discovers something much more valuable: the truth. Sylvie, the golden girl, kept painful secrets . . . secrets that will reveal more about Amy's complicated family—and herself—than she ever could have imagined. A deeply moving story of family, secrets, identity, and longing, *Searching for Sylvie Lee* is both a gripping page-turner and a sensitive portrait of an immigrant family. It is a profound exploration of the many ways culture and language can divide us and the impossibility of ever truly knowing someone—especially those we love. "This is a true beach read! You can't put it down!" - Jenna Bush Hager, Today Show Book Club Pick

2023 summer reading guide: [The Real Thing](#) Ellen McCarthy, 2015-04-21 From a Washington Post weddings reporter who's covered more than two hundred walks down the aisle comes a warm, witty, and wise book about relationships—the mystery, the science, and the secrets of how we find love and make it last. Ellen McCarthy has explored the complete journey of our timeless quest for "The One," the Soul Mate, the Real Thing. This indispensable collection of insights—on dating, commitment, breakups, weddings, and marriage—gives us a window into enduring romance: • Go Online Already—"It's a major time suck and a black hole of rejection and ambiguity and lies. But you know what? It also works." • Keep It Confidential—"If you have to get something off your chest, pick someone whose wisdom you really trust, and who isn't likely to spread the gossip to all your mutual acquaintances." • Be Nice—"Brewing the morning coffee, touching the small of your partner's back, filling their car with gas. These things add up to more relationship satisfaction than a fancy dinner on Valentine's Day ever could." The Real Thing features many more nuggets of wisdom, valuable information from the latest studies on commitment, candid testimonials from a variety of couples, and the personal story of McCarthy's own search for "the keeper"—which begins, ironically, with a breakup the very same day she started as the Post's full-time weddings reporter. Whether you're looking for love or looking to strengthen your relationship, this book is a wonderful and clear-eyed map to the human heart. Praise for *The Real Thing* "A wise and compassionate look at how we love, along with some gentle suggestions for how we could get a little better at it . . . McCarthy has done something rare: She has written an optimistic book about love that is clear-eyed and unsentimental."—The Washington Post "What a charming and captivating book this is! We never stop learning about love, and so many great lessons are within these pages."—Elizabeth Gilbert, author of *Eat, Pray, Love* "My readers often say to me, 'If we lived next door to each other, we'd be best friends.' That is precisely what I wanted to say to smart, funny, self-effacing Ellen McCarthy after I finished reading *The Real Thing*. I loved every lesson laid out in a book that wouldn't dare to call itself a field guide to marriage but amounts to as much on every page. This is a deeply useful little book."—Kelly Corrigan, author of *Glitter and Glue* "Upbeat and sweet . . . This rich collection of stories charms and edifies, is filled with quotes from couples as well as experts in the field, and serves as not just stories to sigh over but lessons to apply."—Booklist (starred review) "A fun read full of wonderful stories . . . McCarthy delivers a welcome combination of cynicism and poignancy in this account, which reads with the ease and accessibility of a self-help book."—Library Journal "A comforting, realistic, and endearing portrait of modern relationships . . . This book will not only charm those in decades-old marriages, but also inspire those afraid love will never arrive for them."—Publishers Weekly "Straight-talking . . . dating advice for adults of all ages."—Kirkus Reviews

2023 summer reading guide: A Country Too Far Rosie Scott, Tom Keneally, 2013-10-23 'I don't think I've seen a more impressive collection of Australian writers in a single book.' Stephen Romei, *The Australian* One of the central moral issues of our time is the question of asylum seekers, arguably the most controversial subject in Australia today. In this landmark anthology, twenty-seven of Australia's finest writers have focused their intelligence and creativity on the theme of the dispossessed, bringing a whole new perspective of depth and truthfulness to what has become a fraught, distorted war of words. This anthology confirms that the experience of seeking asylum – the journeys of escape from death, starvation, poverty or terror to an imagined paradise – is part of the Australian mindset and deeply embedded in our culture and personal histories. *A Country Too Far* is a tour de force of stunning fiction, memoir, poetry and essays. Edited by award-winning writers Rosie Scott and Tom Keneally, and featuring contributors including Anna Funder, Christos Tsiolkas, Elliot Perlman, Gail Jones, Raimond Gaita, Les Murray, Rodney Hall and Geraldine Brooks, this rich anthology is by turns thoughtful, fierce, evocative, lyrical and moving, and always extraordinarily powerful. *A Country Too Far* makes an indispensable contribution to the national debate. 'There is a passion about the book, and a moral, emotional and artistic synergy that makes for deeply satisfying reading. It is as if the contributors have themselves felt dispossessed, not of their land, but of the idea of their own country, and have seized the opportunity to reclaim it . . . A fine book like *A Country Too Far*, one that inspires both compassion and anger, can change the way people think and act, and encourage them to expect more from themselves and their nation.' *Sydney Morning Herald* 'A Country Too Far represents the varied and vibrant voice of writers speaking out as Australia contravenes its obligations to refugees. Its stories, poems, memoirs and essays collect their work into an eloquent refusal of silence in the face of, as John Tranter writes: 'this/ fetch of disparate peoples/ assigned to come possessionless into massive/ light '.' *Weekend Australian* 'Brilliant testimony from some of our finest writers.' Anne Deveson 'The strength of the book is its range of genres and depth of perspective . . . a book to pass on to others who don't necessarily share its perspective or those who do but need sustenance. But it's also a book for holding onto and dipping into again . . . A Country Too Far is part of a literary tradition in which authors attempt to face the social context in which they live . . . to resist political word games with other words.' *The Guardian* 'With asylum seekers high on Australia's moral, social and political agenda, you'll want to make room on your reading list for *A Country Too Far* . . . [these] 27 Australian poets, authors and journalists . . . have thoughtfully and beautifully expressed their ideas and views on the complexities of the refugee issue.' *InStyle* 'A stunning anthology and searing moral work that beautifully gives voice to the voiceless without preaching at any point . . . In a political era where there appears to be no bottom to the barrel of immigration policy, *A Country Too Far* is timely, important and wise.' *readings.com.au* 'Don't buy a copy of this book. Buy two. Send one to a federal politician.' *Newcastle Herald* 'A Country Too Far, co-edited by Rosie Scott and Tom Keneally, is a timely attempt to set the record straight about asylum seekers in Australia, to counter the negative media propaganda and to protest at the government's treatment of them. Featuring some of Australia's finest writers, it is an immensely readable, humane collection of fiction, memoir, poetry and essays.' Lucy Popescu, *huffingtonpost.co.uk* 'Profoundly important. It deftly and eloquently touches on so many of the key tensions and issues in this debate . . . We can only hope that this collection is widely read and that it stirs within us a desire to reclaim the compassion that we once had and demand from our leaders a more humane policy.' *Sydney Review of Books* 'So disturbing and awakening, it is capable of changing even the most firmly cemented opinions.' *New Standpoints*

2023 summer reading guide: *The Winged Watchman*, 1962 Two Dutch boys find a way to help in the underground activities during the German occupation of Holland in World War II.

2023 summer reading guide: *Time to Pee!* Mo Willems, 2004 Sign-carrying mice give encouraging instructions for using the toilet.
