24/7 Championship History: A Wild Ride Through WWE's Most Chaotic Title

Author: Dr. Kevin Stone, PhD in Sports Entertainment Studies, former WWE script consultant

Publisher: Pro Wrestling Insider, a leading publication on professional wrestling news and analysis.

Editor: Sarah Miller, experienced editor specializing in sports and entertainment journalism, with 15 years of experience.

Introduction: A Look Back at the 24/7 Championship History

The 24/7 Championship. The mere mention of the name conjures images of chaotic brawls, unexpected title changes, and a constant whirlwind of unpredictable action. This isn't your grandfather's WWE title; it's a testament to the company's ability to inject pure, unadulterated fun into its programming. This exploration of the 24/7 championship history will delve into its inception, its most memorable moments, and its lasting impact on WWE's landscape. We'll uncover the unique storylines, the personalities who defined it, and the sheer absurdity that made it a fan favorite. Understanding the 24/7 championship history is understanding a significant chapter in modern WWE history.

H1: The Genesis of Mayhem: The Birth of the 24/7 Championship History

Introduced on June 17, 2019, the 24/7 Championship was a breath of fresh air – a stark contrast to the often-serious, high-stakes world of the WWE heavyweight titles. The concept was simple yet brilliant: the title could be defended at any time, anywhere, by anyone. This rule unleashed a torrent of creativity, turning mundane backstage segments and even grocery store aisles into impromptu wrestling arenas. This unique aspect has become a cornerstone of the 24/7 championship history.

H2: The Early Days and Defining Personalities of the 24/7 Championship History

The early days were marked by a cast of characters perfectly suited to the chaotic nature of the title. R-Truth, with his perpetually surprised expression and improbable escapes, quickly became the face of the championship, showcasing its potential for comedic gold. His many title reigns became legendary in the 24/7 championship history. Other wrestlers, like Drake Maverick, added their unique flair, creating memorable moments. The early reigns highlighted the unpredictable nature of the title, setting the stage for future chaos.

H3: Case Study: The Drake Maverick Saga – A Microcosm of 24/7 Championship History

Drake Maverick's involvement exemplifies the spirit of the 24/7 Championship. His repeated attempts

to retain the title, often failing in hilariously unexpected ways, became a running gag. His wedding day title defense, interrupted by a flurry of wrestlers vying for the belt, stands as a perfect example of the absurd humor central to the 24/7 championship history. It was a masterclass in comedic timing and physical comedy, pushing the boundaries of what was expected within a professional wrestling environment.

H4: Beyond the Gags: The Unexpected Storylines of 24/7 Championship History

While often viewed as purely comedic, the 24/7 Championship has also woven itself into larger storylines. Feuds have erupted, alliances have formed, and surprisingly meaningful narratives have emerged from the chaotic title picture. This unexpected depth added a layer of complexity to the 24/7 championship history, demonstrating its versatility as more than just a gag.

H5: Personal Anecdote: Witnessing the Chaos First-Hand

(This section would include a personal anecdote from the author about witnessing a live 24/7 Championship match, perhaps detailing the atmosphere, the crowd's reaction, and the unexpected events that unfolded. This adds a layer of authenticity and personal connection to the narrative.)

H6: The Evolution of the 24/7 Championship History

Over time, the 24/7 Championship has evolved. New wrestlers have claimed the title, bringing their own personalities and styles to the mix. The rules have been tweaked, albeit subtly, maintaining the core chaotic energy while allowing for occasional narrative developments. The constant evolution has been key to its continued relevance within the 24/7 championship history.

H7: The Impact and Legacy of the 24/7 Championship History

The 24/7 Championship has undeniably left its mark on WWE. It's a testament to the power of creative risk-taking, demonstrating that even seemingly silly concepts can resonate deeply with audiences. It provided opportunities for wrestlers to showcase their comedic timing and physical skills, creating memorable moments that fans continue to cherish. Analyzing the 24/7 championship history reveals its contribution to WWE's ongoing legacy.

Conclusion:

The 24/7 Championship represents a unique and enduring aspect of WWE's programming. Its history is a chaotic tapestry woven from unexpected moments, hilarious situations, and surprisingly meaningful storylines. From R-Truth's legendary reigns to the unforgettable wedding day defense of Drake Maverick, the 24/7 Championship has cemented its place in wrestling history, proving that sometimes, the most memorable moments are the ones that defy expectation. The 24/7 championship history reminds us that even within the structured world of professional wrestling, room exists for genuine spontaneity and unadulterated fun.

FAQs:

1. How long can someone hold the 24/7 Championship? Theoretically, indefinitely, until pinned or submitted.
2. Where can the 24/7 Championship be defended? Anywhere, at any time.
3. Who has held the 24/7 Championship the most times? R-Truth holds the record for most reigns.
4. Is the 24/7 Championship a prestigious title? While not as prestigious as the main world titles, it holds a unique place in WWE history.
5. What is the most memorable moment in 24/7 Championship history? This is subjective, but many point to Drake Maverick's wedding day defense.
6. How did the 24/7 Championship affect the careers of the wrestlers involved? It provided opportunities for comedic exposure and increased fan interaction.
7. Is the 24/7 Championship still active in WWE? The status can vary; check current WWE programming.
8. What makes the 24/7 Championship unique compared to other WWE titles? Its anytime, anywhere defense rule and emphasis on comedy.
9. Has the 24/7 Championship ever been defended internationally? Yes, the title has been defended in various locations.

24 7 championship history: Mayor Kane Glenn Jacobs, 2019-11-26 The surprising story of how wrestling superstar Glenn Kane Jacobs beat all the odds to become the mayor of Knox County, Tennessee. Even in his heyday in wrestling, Jacobs was inspired to pursue politics by popular libertarian figures such as former Republican presidential candidate Ron Paul, Republican Senator Rand Paul, Fox News' Judge Andrew Napolitano and others, and that led him to fulfill his own political ambitions. Before becoming Mayor Kane, Glenn Kane Jacobs was one of WWE's top Superstars for over two decades and traveled the globe with the likes of Stone Cold Steve Austin, Dwayne The Rock Johnson, John Cena, Ric Flair, and many others. He dominated the WWE with The Undertaker as the Brothers of Destruction. Kane reinvented himself with the help of Daniel Bryan forming Team Hell No. He set Good ol' JR, Jim Ross on fire. The wrestler-turned-politician hasn't hung up his wrestling boots yet. Politics is a contact sport and Jacobs is using his wrestling skills in that arena. Jacobs supports President Trump and his agenda, and is implementing conservative policies in Tennessee.

24 7 championship history: Freedom to Win Ethan Scheiner, 2023-07-04 A classic David & Goliath tale, complete with colorful heroes, cold-hearted villains, and nail-biting games—with the hockey rink serving as an arena for a nation's resistance. During the height of the Cold War, a group of small-town young men would lead their underdog hockey team from the little country of Czechoslovakia against the Soviet Union, the juggernaut in their sport. As they battled on the ice, the young players would keep their people's quest for freedom alive, and forge a way to fight back against the authoritarian forces that sought to crush them. From the sudden invasion of Czechoslovakia by an armada of tanks and 500,000 Warsaw Pact soldiers, to a hockey victory over the Soviets that inspired half a million furious citizens to take to the streets in an attempt to destroy all representations that they could find of their occupiers, *Freedom to Win* tells a story that ranges from iconic moments in history to courageous individual stories. We will witness the fearless escape by three brothers who make up the core of the national team. We will experience thrilling world championship games. We will watch as one brave player takes a stand and leads ten thousand people in a tear-filled rendition of the Czechoslovak national anthem amid chants of "freedom!" while a revolution rages in the streets of Prague. And we will cheer as the team takes on its nemesis one last time with the Olympic gold medal at stake. At the heart of *Freedom to Win* is the story of the Holíks, a Czechoslovak family whose resistance to the Communists embodied the deepest desires of the people of their country. Faced with life under the cruel and arbitrary regime that had stolen their family butcher shop, the Holík boys became national hockey icons and inspirations to their people. Filled with heart-pounding moments on the ice and unforgettable slices of history, *Freedom to Win* is the ultimate tale of why sports truly matter.

24 7 championship history: Title Quests: A Complete History of the National Football League's Championship Series Kelly Bell, 2024-05-24 *Title Quests: A Complete History of the National Football League's Championship Series* is a retelling of a fascinating series of championship NFL Football contests that have seen scores ranging from 7-0 to 73-0, dark suspicions of underworld interference, a game played just inshore from a roiling Gulf of Mexico hurricane, featuring teams with names such as the Boston Redskins, Chicago Cardinals, and Cleveland Rams. These games have been played in blizzards, downpours, and deserts, interrupted by power failures, featuring brothers versus brothers, witnessing wild comebacks and collapses, with a team winning the title in its very first year in the league, and marking the birth and death of dynasties. Expect the unexpected.

24 7 championship history: Hardcore History Scott E. Williams, 2016-03-08 Extreme Championship Wrestling (ECW) was one extreme contradiction on top of another. An incredibly influential—but never profitable—company in the world of professional wrestling in the 1990s, it

portrayed itself as the ultimate in anti-authority rebellion, but its leadership was working covertly with the World Wrestling Federation and the World Championship Wrestling. Most of all, it blurred the line between reality and the fantasy world of professional wrestling. *Hardcore History: The Extremely Unauthorized Story of ECW* offers a frank, balanced look at the evolution of ECW starting before its early days as a Philadelphia-area independent group and extending past its death in 2001. Featuring dozens of interviews with fans, officials, business partners, and the wrestlers themselves, this is a very balanced account of this bizarre company—and it's sure to be extremely controversial for fans and critics of ECW, and wrestling, alike. Skyhorse Publishing, as well as our Sports Publishing imprint, is proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. In addition to books on popular team sports, we also publish books for a wide variety of athletes and sports enthusiasts, including books on running, cycling, horseback riding, swimming, tennis, martial arts, golf, camping, hiking, aviation, boating, and so much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

24 7 championship history: *Heartbreak & Triumph* Shawn Michaels, 2010-05-11 WWE Super Star Shawn Heartbreak Kid Michaels shares the stories of his decades-long wrestling career, his life, and his faith in this WWE Super Star biography. *Heartbreak & Triumph* introduces Michael Shawn Hickenbottom, the youngest of four children whose conservative upbringing made him quiet and reserved. But upon discovering Southwest Championship Wrestling one night, Hickenbottom realized instantly what he wanted to become. From there, Hickenbottom fully recounts his exciting and vast career history, and how he transformed into The Heartbreak Kid. Shawn shares firsthand details of the allegation that brought about HBK's classic Ladder match with Razor Ramon at WrestleMania X; the incident in Syracuse that set the stage for Shawn's unbelievable comeback victories at Royal Rumble 1996, and in the Iron Man WWE Championship match with Bret Hart at WrestleMania XII; and how his escalating backstage feud with Hart inadvertently built toward the formation of D-Generation X, as well as the first-ever Hell in a Cell contest against Undertaker. Beyond the squared circle, Michaels clears the air about his days running with The Kliq, their contributions to WWE's wildly successful Attitude era, and the consequences of their uncharacteristic Madison Square Garden Curtain Call in May 1996. And for the first time anywhere, Michaels shoots completely straight about his role in one of the biggest scandal in wrestling history, the infamous Montreal screwjob at Survivor Series 1997. While reliving the crippling back injury that forced him to retire in his prime following his WWE Championship loss at WrestleMania XIV, Michaels credits the new loves in his life—his second wife Rebecca, his children, and his newfound faith—with giving him the strength to kick his habit, recover physically, and make a jubilant return to the ring at SummerSlam 2002. Now back on top and doing what he enjoys most, the WWE Superstar regards *Heartbreak & Triumph* as the perfect means to review my life, and attempt to figure out how I became the person I am.

24 7 championship history: Made in America Matt Hughes, 2012-12-25 Ultimate fighting -- mixed martial arts competition between professional fighters which includes ju-jitsu, judo, boxing, kick0boxing and wrestling techniques -- is among the fastest-growing sports in the world today, outselling and outperforming boxing and indeed any other ring or combat sport. Coming live to the UK in April 2007 UFC sold out the Manchester MEN Arena, followed by further sell-out performances

in Belfast in June and London in September at the 20,000-plus capacity O2. Matt Hughes, nine times UFC World Welterweight Champion, with a record of 42 wins from 48 fights to date, is the most dynamic figure in this hottest and most happening of sports. Here he recounts his sensational rise to stardom, from growing up on the family farm in Illinois to breaking records in the octagon in front of 20,000 live fans and 4 million television viewers.

24 7 championship history: *Historical Dictionary of Tennis* John Grasso, 2011-09-16 The sport of tennis has been played in one form or another for more than 800 years. It can trace its roots to games played by monks in the 12th century. Through the years the game has evolved from one in which the ball was struck with the hands to the modern game in which rackets are used to propel the ball in excess of 150 miles per hour. From the sport of the elite to the sport played by elite athletes, tennis has grown immensely in the past 135 years and it remains one of the few sporting pastimes that is played extensively by people of all ages and all nationalities. The Historical Dictionary of Tennis presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, photos, and over 500 cross-referenced dictionary entries on places, teams, terminology, and people, including Arthur Ashe, Björn Borg, Don Budge, Chris Evert, Roger Federer, Billie Jean King, Rod Laver, Suzanne Lenglen, John McEnroe, Rafael Nadal, Martina Navratilova, and Bill Tilden. Appendixes of the members of the International Tennis Hall of Fame, the Major Championships of Tennis, and the Olympic games are included. This book is an excellent access point for students, researchers, and anyone wanting to know more about tennis.

24 7 championship history: A History of the Year 1894 , 1894

24 7 championship history: The Mid-Atlantic Championship Dick Bourne, 2019-07-06 In 1970, Jim Crockett Promotions introduced the Eastern Heavyweight title to their fans. Four years later they changed the name of the title to the Mid-Atlantic Heavyweight Championship. Within these pages you will find a complete history of that title, including a detailed account of every title change from the establishment of the title until it was retired at the end of 1986. Plus great photos of the legendary champions. Featured also is a breakdown of all four championship belts that represented the title, broken down into the five distinct periods the belts were worn. Featuring Danny Miller, Jerry Brisco, Rip Hawk, Ole Anderson, Johnny Valentine, Wahoo McDaniel, Ric Flair, Greg Valentine, Ken Patera, Tony Atlas, Jim Brunzell, Ray Stevens, Ricky Steamboat, Ivan Koloff, The Iron Sheik, Roddy Piper, Jack Brisco, Paul Jones, Dory Funk, Jr., Dick Slater, Ron Bass, Sam Houston, Ronnie Garvin, and many others!

24 7 championship history: Ric Flair: To Be the Man Ric Flair, 2010-05-11 Throughout the years, there may have been equally charismatic performers, comparable athletes, and even better interviews, but none were blessed with the same combination of talents to manage to stay on top for over three decades. To wrestling fans, the Nature Boy is a platinum-blond deity, a sixteen-time world champion who accurately boasted that he could have a five-star match with a broom. No matter how limited the opponent, Flair had the skill and determination to bounce all over the mat, transforming his rival into a star. When the camera light went on, Slick Ric could convince viewers that, if they missed an upcoming match, a momentous life experience would pass them by. Flair's opponents were challenged with this simple taunt: To be the man, you have to beat the man. Away from the arena, Richard Morgan Fliehr spent years struggling with his own concept of what it meant to be a

man. He suffered periods of crushing self-doubt, marital strife and—in a profession where there was room for only one Ric Flair—broken friendships. *Ric Flair: To Be the Man*, cowritten with Keith Elliot Greenberg, chronicles the anguish and exhilaration of Flair's life and career—in painfully honest detail. In addition to his own words, Flair's story is enriched by anecdotes from ring greats like Superstar Billy Graham, Ricky The Dragon Steamboat, Harley Race, Sgt. Slaughter, David Crockett, Arn Anderson, Bobby The Brain Heenan, Mean Gene Okerlund, Shawn Michaels, Triple H, Undertaker and Brock Lesnar. *To Be the Man* traces the rise of one of wrestling's most enduring superstars to the pinnacle of the sports entertainment universe, and is a must-read for every wrestling fan.

24 7 championship history: *NCAA Championships* , 1998 Official ... National Collegiate Championships records book.

24 7 championship history: *The History of the Gaelic Athletic Association in Canada* Ainsley Baldwin, John O'Flynn, 2008-07-04 The history of Gaelic games in Canada, before the founding of the Gaelic Athletic Association in Ireland in 1884 and in the years since, proves a determination by Irish immigrants who have arrived in numerous provinces of Canada. Through their dedication the flag of Irish sports has flown strong, and will continue to fly in the years to come. The sporting traditions include the oldest European field game of hurling—a masterful art and the fastest game in the world—in which players use an ash wood stick and a hard ball. Many argue with some conviction, and no small amount of fact to support their case, that Canada's national sport, ice hockey, has its origins in hurling. The word puck is derived from the Irish word poc, which is the action of striking the ball with a hurley. In 1845, the civic fathers of Quebec City banned the playing of hurling in their narrow streets, while in St. John's, Newfoundland, hurling was being played as early as 1788 at the Barrens of the city. The ladies' version of hurling, Camogie, has had its presence on occasion in some Canadian communities. The skilful play of Gaelic Football, which has dominated the sporting scene across the country in many Canadian cities, continues to be the greatest strength in modern times. Along with two other Irish sports of handball and rounders, many wonderful memories for the Canadian-Irish community are celebrated in this book that captures an exciting facet of Irish culture.

24 7 championship history: *Congressional Record* United States. Congress, 1966 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* (1789-1824), the *Register of Debates in Congress* (1824-1837), and the *Congressional Globe* (1833-1873)

24 7 championship history: *Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia* Steven A. Riess, 2015-03-26 A unique new reference work, this encyclopedia presents a social, cultural, and economic history of American sports from hunting, bowling, and skating in the sixteenth century to televised professional sports and the X Games today. Nearly 400 articles examine historical and cultural aspects of leagues, teams, institutions, major competitions, the media and other related industries, as well as legal and social issues, economic factors, ethnic and racial participation, and the growth of institutions and venues. Also included are biographical entries on notable individuals—not just outstanding athletes, but owners and promoters, journalists and broadcasters, and innovators of other kinds—along with in-depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting. A detailed chronology, master bibliography, and directory of institutions, organizations, and governing bodies—plus more than 100 vintage and contemporary photographs—round out the coverage.

24 7 championship history: *Slam! Wrestling* Greg Oliver, 2012-11 Founded by Greg Oliver and John Powell, SLAM! Wrestling (<http://slam.canoe.ca/Slam/Wrestling/home.html>) changed the way North America's true favorite pastime was presented on the web. With the backing of Sun Media and Canoe, SLAM! Wrestling brought pure journalism to the muddy waters of the pro wrestling media coverage. Never in the Internet Age had the squared circle been viewed with a keen eye by reporters and analysts who broke down the philosophy of wrestling and feted its legends,

while also not being afraid to show the very human side of the locker rooms that are hidden from the plain eye inside the world's biggest arenas. SLAM! Wrestling takes readers on a journey through SLAM! Wrestling's first dozen years and the often all - too real world of professional wrestling. From WWE to the independent leagues that dot North America's landscape, SLAM! Wrestling gives the unique view of the reporter's eye as history unfolds, including interviews with "Stone Cold" Steve Austin, John Cena, "The Rock" Dwayne Johnson, Trish Stratus and many others. Plus, for the first time ever, SLAM! Wrestling's writers take you behind the scenes and share their insights into what made the site stand out as one of the most respected sources for information in all of the Internet wrestling community. From the celebration of WrestleMania XVIII in Toronto, to the tragic death of Owen Hart and many others, SLAM! Wrestling has covered it all and now brings the history of the mat wars straight to your bookshelf.

24 7 championship history: The Unanimous Champions of College Football, 1869-2019

Robert J. Reid, 2022-05-16 In the 150 years of college football history, the national championship has been decided by unanimous vote only 33 times. This book analyzes the various methods of selecting these champions and what made the teams special. Drawing on archives and early published works, a firsthand description of the 1869 inaugural game between Princeton and Rutgers is provided, along with details of how these earliest teams were managed. The contributions and innovations of Walter Camp, the Father of Football, are explored, as is the evolution of the game itself. Each unanimous season since the turn of the 20th century--from Yale in 1900 to LSU in 2019--is covered in detail, with a brief history of each school's football program. The question is there a best ever team is explored.

24 7 championship history: The iPINIONS Journal Anthony Livingston Hall, 2017-04-04

ANTHONY L. HALL takes aim at the global events of 2016 with a unique and refreshing perspective. Here are some topics in this twelfth volume of his writings: Hillary Calling Half of Trump's Supporters a "Basket of Deplorables" "Hillary was only half right ... But the most troubling thing is not how deplorable they are; it's how willing they are to elect an even more deplorable man as president of the United States. The latter is what I find incomprehensible ... unforgivable." Brexit "The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains. After all, Britain planted the seeds of disintegration years ago, when it began negotiating all kinds of 'opt-outs' from EU legislation and treaties." Brazilians Protesting Cost of Rio Olympics "Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks. After all, the debt hangover from those Games not only triggered the EU financial crisis of 2010, but austerity measures to service that debt have many once-proud, middle-class Greeks now living like favela-dwelling Brazilians." Report on College Coaches Raking in Millions "These salaries only validate my longstanding contention that college coaches are using the free labor of student-athletes to live like plantation owners. The only precedent for this is the Founding Fathers, many of whom were in fact plantation owners, preaching about all men being created equal while owning slaves." VP-Elect Pence Hailing Trump for Accusing the FBI of Corruption "Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump's ego, affecting that constipated countenance of sincerity as he does so." J.K. Rowling merchandising Harry Potter like Mickey Mouse "I admired her because she helped millions of kids discover the love of reading. But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie's addiction."

24 7 championship history: The Stoke City Miscellany David Clayton, 2012-09-01

Did you know? Former City stalwart Denis Smith had the misfortune of having five broken legs, four broken noses, a cracked ankle, broken collar bone, chipped spine, most of his fingers and toes broken as well as having over 100 stitches at various times in Stoke colours - that's got to be a record! On 3 February 1945 Stoke City's Frank Wong Soo was the first player of Chinese extraction to play for England. Stoke have 2 club mascots called Pottermus and Pottermis. The Stoke City Miscellany - a

book on the club like no other, packed with facts, stats, trivia, stories and legend. Now, with the club tasting previously uncharted highs, look back at what has made this club what it is today – the players and characters that have represented City over the years and the events that have shaped the club. If you want to know the record crowd for a home game, the record appearance holder or longest-serving manager, look no further – this is the book you’ve been waiting for. From record goal scorers, to record defeats; from The Victoria Ground to Alan Ball, from Mark Chamberlain to Gordon Banks – it’s all in *The Stoke City Miscellany* – can you afford not to own a copy?

24 7 championship history: *Day by Day in Jewish Sports History* Bob Wechsler, 2008 The Ultimate Jewish Sports History and Trivia Book.

24 7 championship history: *Routledge Handbook of Football Studies* John Hughson, Kevin Moore, Ramón Spaaij, Joseph Maguire, 2016-10-04 Football is unquestionably the world’s most popular and influential sport. There is no corner of the globe in which the game is not played or followed. More countries are affiliated to FIFA, football’s governing body, than to the United Nations. The sport has therefore become an important component of our social, cultural, political and economic life. The Routledge Handbook of Football Studies is a landmark work of reference, going further than any other book in considering the historical and contemporary significance of football around the world. Written by a team of leading sport scholars, the book covers a broad range of disciplines from history, sociology, politics and business, to philosophy, law and media studies. The central section of the book examines key themes and issues in football studies, such as the World Cup and international competition, governance and ownership, fandom and celebrity. The concluding section offers in-depth surveys of the culture and organisation of football in each of the regional confederations, from UEFA to CONCACAF. This book will be fascinating reading for any serious football fan and an essential resource for advanced students or scholars undertaking research in football or sport studies, and any practitioner or policy-maker working in football.

24 7 championship history: *Word Freak* Stefan Fatsis, 2001-07-07 This “marvelously absorbing” book is “a walk on the wild side of words and ventures into the zone where language and mathematics intersect” (San Jose Mercury News). A former Wall Street Journal reporter and NPR regular, Stefan Fatsis recounts his remarkable rise through the ranks of elite Scrabble players while exploring the game’s strange, potent hold over them—and him. At least thirty million American homes have a Scrabble set—but the game’s most talented competitors inhabit a sphere far removed from the masses of “living room players.” Theirs is a surprisingly diverse subculture whose stars include a vitamin-popping standup comic; a former bank teller whose intestinal troubles earned him the nickname “G.I. Joel”; a burly, unemployed African American from Baltimore’s inner city; the three-time national champion who plays according to Zen principles; and the author himself, who over the course of the book is transformed from a curious reporter to a confirmed Scrabble nut. Fatsis begins by haunting the gritty corner of a Greenwich Village park where pickup Scrabble games can be found whenever weather permits. His curiosity soon morphs into compulsion, as he sets about memorizing thousands of obscure words and fills his evenings with solo Scrabble played on his living room floor. Before long he finds himself at tournaments, socializing—and competing—with Scrabble’s elite. But this book is about more than hardcore Scrabblers, for the game yields insights into realms as disparate as linguistics, psychology, and mathematics. *Word Freak* extends its reach even farther, pondering the light Scrabble throws on such notions as brilliance, memory, competition, failure, and hope. It is a geography of obsession that celebrates the uncanny powers locked in all of us, “a can’t-put-it-down narrative that dances between memoir and reportage” (Los Angeles Times). “Funny, thoughtful, character-rich, unchallengeably winning writing.” —The Atlantic Monthly This edition includes a new afterword by the author.

24 7 championship history: *American Motorist*, 1912

24 7 championship history: *Where Football Is King* Christopher J. Walsh, 2006-07-18 Arguably the best football conference in America, the Southeastern Conference (SEC) contains some of the most storied programs in the history of college football. In *Where Football is King*, Christopher Walsh provides a team-by-team history of the SEC and describes the classic games, players and

coaches in the conference's seventy-three-year history. The genesis of the SEC really begins with the introduction of football to the University of Georgia in 1891 by a chemistry professor, Charles Herty. While Georgia's first game was against Mercer University that Fall, the South's oldest rivalry was born when Georgia took on Auburn on February 20, 1892 at Atlanta's Piedmont Park. From there, Walsh recounts, the sport took off like wildfire, and the SEC was able to formally organize some four decades later. Originally a thirteen-team conference, through attrition and addition the SEC eventually became comprised of Georgia, Auburn, Vanderbilt, Florida, Alabama, Mississippi, LSU, Kentucky Tennessee, Mississippi State, South Carolina, and Auburn. From his unique vantage point as beat writer for Alabama football for the Tuscaloosa News, Walsh also gives insight into the culture and traditions of football in the South, where, it is said (and probably widely believed), the game is greater than religion. Legendary figures and legendary games pass through the pages Where Football is King: players such as Joe Namath, Ken Stabler, Herschel Walker, Terrell Davis, and Payton Manning, and games such as the Iron Bowl, the intense annual rivalry between Auburn and Alabama. As colorful as the SEC is competitive, this history will be essential reading for any fan of the game of football.
