28 Days: Moments in Black History That Changed the World

Author: Dr. Evelyn Reed, PhD. Professor of African American History, Howard University. Dr. Reed is a renowned scholar with over 20 years of experience researching and teaching Black history. She is the author of three acclaimed books on the subject and has received numerous awards for her contributions to the field.

Keywords: 28 days moments in black history that changed the world, Black history, African American history, Civil Rights Movement, Black achievement, Social justice, historical milestones.

Introduction:

February is Black History Month, a time for reflection and celebration of the countless contributions Black individuals have made to society. This article delves into the concept of "28 Days: Moments in Black History That Changed the World," recognizing that a single month can only scratch the surface of a rich and complex narrative. We will examine pivotal moments throughout history, acknowledging both the immense challenges faced by Black communities and the remarkable opportunities that arose from struggle and resilience. While focusing on key events, we also highlight the ongoing fight for equality and justice. The aim is not to condense history into 28 isolated events, but rather to use this framework to explore the interconnectedness of pivotal moments and their lasting impact.

H1: The Power of Collective Action: Examining Key Moments in the "28 Days" Framework

This section will examine significant events, grouped thematically, to illustrate the impact of collective action within the "28 Days: Moments in Black History That Changed the World" concept. We won't assign specific days but rather use the 28-day timeframe to structure a broader chronological and thematic examination.

H2: Early Struggles and the Fight for Freedom (Days 1-7):

This period covers the transatlantic slave trade, the rise of abolitionism, and early struggles for freedom. We'll discuss significant figures like Harriet Tubman and Frederick Douglass and examine the establishment of underground railroads, showcasing the courage and determination required for even the smallest acts of resistance. We'll analyze the inherent interconnectedness of these early struggles and their foundational role in the later Civil Rights Movement.

H2: The Civil Rights Movement and Beyond (Days 8-14):

This period focuses on the pivotal events of the Civil Rights Movement, from the Montgomery Bus Boycott to the March on Washington. We'll explore the leadership of Martin Luther King Jr., Malcolm X, and other influential figures, emphasizing the diversity of strategies and philosophies within the movement. The impact of these struggles on legal advancements, like the Civil Rights Act of 1964 and the Voting Rights Act of 1965, will be analyzed as transformative "moments" in the "28 Days" context.

H2: The Ongoing Fight for Equality (Days 15-21):

This section moves beyond the traditional timeframe of the Civil Rights Movement, exploring continued struggles for racial equality in areas like education, housing, employment, and the criminal justice system. We'll examine the Black Power movement, the rise of Black consciousness, and the ongoing fight against systemic racism. This period underscores the fact that "28 Days: Moments in Black History That Changed the World" continues to unfold.

H2: Celebrating Black Excellence and Achievement (Days 22-28):

Finally, we celebrate the remarkable contributions of Black individuals across diverse fields—arts, science, literature, sports, and politics—demonstrating the enduring legacy and impact of Black excellence. This section highlights that despite facing systematic barriers, Black people have consistently achieved greatness, enriching society in countless ways. This celebration reinforces the profound meaning behind the concept, "28 Days: Moments in Black History That Changed the World."

Conclusion:

"28 Days: Moments in Black History That Changed the World" is not merely a chronological listing; it's a narrative of resilience, resistance, and remarkable achievement. It is a testament to the enduring spirit of a people who have consistently fought for their rights and dignity in the face of adversity. This exploration showcases the interconnectedness of historical events, highlighting how seemingly isolated moments built upon each other to create lasting change. The legacy of this struggle demands continued vigilance and action to ensure that true equality and justice become a reality for all.

FAQs:

1. Why focus on 28 days? The timeframe is symbolic, representing Black History Month and emphasizing that even a short period can highlight monumental achievements.

1. How can I learn more about these moments? Numerous books, documentaries, and online resources provide detailed information.

1. What is the significance of collective action? Collective action was, and continues to be, crucial for achieving meaningful change in the struggle for racial equality.

1. How do these historical moments relate to contemporary issues? Many present-day issues are rooted in past injustices, highlighting the ongoing need for social justice reform.
1. What role did women play in these moments? Women were crucial players in all these movements, often leading and organizing from the forefront.
1. How can I get involved in promoting Black history? Support Black-owned businesses, attend cultural events, and advocate for social justice initiatives.
1. Are there any overlooked moments deserving of recognition? Absolutely! History is always being re-evaluated, and new perspectives are constantly emerging.
1. How can we ensure these stories are accurately and fully represented? By engaging with diverse voices, perspectives, and narratives in our study of Black history.
1. What is the ultimate message of "28 Days: Moments in Black History That Changed the World"? The message is one of hope, resilience, and the continuous struggle for equality and justice.

Du Bois, Fannie Lou Hamer to Sam Cooke, and the Little Rock Nine to DJ Kool Herc.

28 days moments in black history that changed the world: *Your Legacy* Schele Williams, 2021-09-28 A proud, empowering introduction to African American history that celebrates and honors enslaved ancestors Your story begins in Africa. Your African ancestors defied the odds and survived 400 years of slavery in America and passed down an extraordinary legacy to you. Beginning in Africa before 1619, *Your Legacy* presents an unprecedentedly accessible, empowering, and proud introduction to African American history for children. While your ancestors' freedom was taken from them, their spirit was not; this book celebrates their accomplishments, acknowledges their sacrifices, and defines how they are remembered—and how their stories should be taught.

28 days moments in black history that changed the world: *I Am the World* Charles R. Smith Jr., 2013-07-09 Photographs and rhyming text celebrate the diversity of cultures, languages, countries, and people of the world.

28 days moments in black history that changed the world: *What Color Is My World?* Kareem Abdul Jabbar, 2012-03-13 Kareem Abdul-Jabbar, basketball legend and the NBA's alltime leading scorer, champions a lineup of little-known African-American inventors in this lively, kid-friendly book. Did you know that James West invented the microphone in your cell phone? That Fred Jones invented the refrigerated truck that makes supermarkets possible? Or that Dr. Percy Julian synthesized cortisone from soy, easing untold people's pain? These are just some of the black inventors and innovators scoring big points in this dynamic look at several unsung heroes who shared a desire to improve people's lives. Offering profiles with fast facts on flaps and framed by a funny contemporary story featuring two feisty twins, here is a nod to the minds behind the gamma electric cell and the ice-cream scoop, improvements to traffic lights, open-heart surgery, and more — inventors whose ingenuity and perseverance against great odds made our world safer, better, and brighter. Back matter includes an authors' note and sources.

28 days moments in black history that changed the world: *1919, The Year of Racial Violence* David F. Krugler, 2014-12-08 1919, *The Year of Racial Violence* recounts African Americans' brave stand against a cascade of mob attacks in the United States after World War I. The emerging New Negro identity, which prized unflinching resistance to second-class citizenship, further inspired veterans and their fellow black citizens. In city after city - Washington, DC; Chicago; Charleston; and elsewhere - black men and women took up arms to repel mobs that used lynching, assaults, and other forms of violence to protect white supremacy; yet, authorities blamed blacks for the violence, leading to mass arrests and misleading news coverage. Refusing to yield, African Americans sought accuracy and fairness in the courts of public opinion and the law. This is the first account of this three-front fight - in the streets, in the press, and in the courts - against mob violence during one of the worst years of racial conflict in US history.

28 days moments in black history that changed the world: *When Harriet Met Sojourner* Catherine Clinton, 2007-10-16 Two women with similar backgrounds. Both slaves; both fiercely independent. Both great, in different ways. Harriet Tubman: brave pioneer who led her fellow slaves to freedom, larger than life . . . yearning to be free. Sojourner Truth: strong woman who spoke up for African American rights, tall as a tree . . . yearning to be free. One day in 1864, the lives of these two women came together. *When Harriet Met Sojourner* is a portrait of these two remarkable women, from their inauspicious beginnings to their pivotal roles in the battle for America's future.

28 days moments in black history that changed the world: *Between the World and Me*

Ta-Nehisi Coates, 2015-07-14 #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

28 days moments in black history that changed the world: *Glory Be* Augusta Scattergood, 2012-08-01 A Mississippi town in 1964 gets riled when tempers flare at the segregated public pool. As much as Gloriana June Hemphill, or Glory as everyone knows her, wants to turn twelve, there are times when Glory wishes she could turn back the clock a year. Jesslyn, her sister and former confidante, no longer has the time of day for her now that she'll be entering high school. Then there's her best friend, Frankie. Things have always been so easy with Frankie, and now suddenly they aren't. Maybe it's the new girl from the North that's got everyone out of sorts. Or maybe it's the debate about whether or not the town should keep the segregated public pool open. Augusta Scattergood has drawn on real-life events to create a memorable novel about family, friendship, and choices that aren't always easy.

28 days moments in black history that changed the world: *All Shook Up* Glenn C. Altschuler, 2003-08-07 The birth of rock 'n roll ignited a firestorm of controversy--one critic called it musical riots put to a switchblade beat--but if it generated much sound and fury, what, if anything, did it signify? As Glenn Altschuler reveals in *All Shook Up*, the rise of rock 'n roll--and the outraged reception to it--in fact can tell us a lot about the values of the United States in the 1950s, a decade that saw a great struggle for the control of popular culture. Altschuler shows, in particular, how rock's switchblade beat opened up wide fissures in American society along the fault-lines of family, sexuality, and race. For instance, the birth of rock coincided with the Civil Rights movement and brought race music into many white homes for the first time. Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American, most notably, Little Richard and Chuck Berry. In addition, rock celebrated romance and sex, rattled the reticent by pushing sexuality into the public arena, and mocked deferred gratification and the obsession with work of men in gray flannel suits. And it delighted in the separate world of the teenager and deepened the divide between the generations, helping teenagers differentiate

themselves from others. Altschuler includes vivid biographical sketches of the great rock 'n' rollers, including Elvis Presley, Fats Domino, Chuck Berry, Little Richard, Jerry Lee Lewis, and Buddy Holly--plus their white-bread doppelgangers such as Pat Boone. Rock 'n' roll seemed to be everywhere during the decade, exhilarating, influential, and an outrage to those Americans intent on wishing away all forms of dissent and conflict. As vibrant as the music itself, *All Shook Up* reveals how rock 'n' roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties.

28 days moments in black history that changed the world: Rooted in the Earth Dianne D. Glave, 2010-08 With a basis in environmental history, this groundbreaking study challenges the idea that a meaningful attachment to nature and the outdoors is contrary to the black experience. The discussion shows that contemporary African American culture is usually seen as an urban culture, one that arose out of the Great Migration and has contributed to international trends in fashion, music, and the arts ever since. However, because of this urban focus, many African Americans are not at peace with their rich but tangled agrarian legacy. On one hand, the book shows, nature and violence are connected in black memory, especially in disturbing images such as slave ships on the ocean, exhaustion in the fields, dogs in the woods, and dead bodies hanging from trees. In contrast, though, there is also a competing tradition of African American stewardship of the land that should be better known. Emphasizing the tradition of black environmentalism and using storytelling techniques to dramatize the work of black naturalists, this account corrects the record and urges interested urban dwellers to get back to the land.

28 days moments in black history that changed the world: Timelines from Black History DK, 2021-01-19 Erased. Ignored. Hidden. Lost. Underappreciated. No longer. Delve into the unique, inspiring, and world-changing history of Black people. Black leaders, writers, civil rights activists, scientists, and more have influenced, inspired, and changed the societies we live in. This history book's pages are filled with the stories of these historical giants and their contributions to the world. Grow Your Understanding of Black History This children's book, prefaced by Mireille Harper, introduces children to prominent Black people in history such as Frederick Douglass, Harriet Tubman, Nelson Mandela, Rosa Parks, and Dr. Martin Luther King. This visual reflection from DK Books will compel children to investigate further and understand world history and the important roles Black people played in shaping it: • Features an equal number of timelines about women and men • Explores the amazing stories of incredible figures often ignored by European-focused history • Covers key moments in European, Caribbean, North American and African history, taking readers from pre-colonial Africa through the Jim Crow Era and the Civil Rights Movement to today's Black Lives Matter movement • Created, designed, written, and edited by a multicultural team from many different nations, heritages, communities, faiths, and no faiths From Mansa Musa to Barack Obama; learn about more than 100 Black leaders and historical individuals, and discover the 30 timelines from throughout world history in this compelling children's Black history book. Learn about Lewis Latimer and his integral contributions to the lightbulb, of how Ethiopia avoided colonisation thanks to its brave queen, and many more important moments in world and Black history. Pages of visual representations take children, adolescents, and adults on a trip through history. Stacked with facts and visually vibrant, *Timelines From Black History: Leaders, Legacies, Legends* is an unforgettable and accessible hive of information on the people and the issues that have shaped Black history.

28 days moments in black history that changed the world: Slavery by Another Name Douglas A. Blackmon, 2012-10-04 A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and

then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

28 days moments in black history that changed the world: The Escape of Robert Smalls Jehan Jones-Radgowski, 2019-09 The mist in Charleston Inner Harbor was heavy, but not heavy enough to disguise the stolen Confederate steamship, the Planter, from Confederate soldiers. In the early hours of May 13, 1862, in the midst of the deadly U.S. Civil War, an enslaved man named Robert Smalls was about to carry out a perilous plan of escape. Standing at the helm of the ship, Smalls impersonated the captain as he and his crew passed heavily armed Confederate forts to enter Union territory, where escaped slaves were given shelter. The suspenseful escape of the determined crew is celebrated with beautiful artwork and insightful prose, detailing the true account of an unsung American hero.

28 days moments in black history that changed the world: Preaching to the Chickens Jabari Asim, 2016-10-11 A New York Times Best Illustrated Book Critically acclaimed author Jabari Asim and Caldecott Honor-winning illustrator E. B. Lewis give readers a fascinating glimpse into the boyhood of Civil Rights leader John Lewis. John wants to be a preacher when he grows up—a leader whose words stir hearts to change, minds to think, and bodies to take action. But why wait? When John is put in charge of the family farm's flock of chickens, he discovers that they make a wonderful congregation! So he preaches to his flock, and they listen, content under his watchful care, riveted by the rhythm of his voice. Celebrating ingenuity and dreaming big, this inspirational story, featuring Jabari Asim's stirring prose and E. B. Lewis's stunning, light-filled impressionistic watercolor paintings, includes an author's note about John Lewis, who grew up to be a member of the Freedom Riders, chairman of the Student Nonviolent Coordinating Committee, and demonstrator on the Edmund Pettus Bridge in Selma, Alabama. John Lewis is now a Georgia congressman, who is still an activist today, recently holding a sit-in on the House floor of the U.S. Capitol to try to force a vote on gun violence. His March: Book Three recently won the National Book Award, as well as the American Library Association's Coretta Scott King Author Award, Printz Award, and Sibert Award.

28 days moments in black history that changed the world: A Black Women's History of the United States Daina Ramey Berry, Kali Nicole Gross, 2020-02-04 The award-winning Revisioning American History series continues with this “groundbreaking new history of Black women in the United States” (Ibram X. Kendi)—the perfect companion to An Indigenous People's History of the United States and An African American and Latinx History of the United States. An empowering and intersectional history that centers the stories of African American women across 400+ years, showing how they are—and have always been—instrumental in shaping our country. In centering Black women's stories, two award-winning historians seek both to empower African American women and to show their allies that Black women's unique ability to make their own communities while combatting centuries of oppression is an essential component in our continued resistance to systemic racism and sexism. Daina Ramey Berry and Kali Nicole Gross offer an examination and celebration of Black womanhood, beginning with the first African women who arrived in what became the United States to African American women of today. A Black Women's History of the United States reaches far beyond a single narrative to showcase Black women's lives in all their fraught complexities. Berry and Gross prioritize many voices: enslaved women, freedwomen, religious leaders, artists, queer women, activists, and women who lived outside the law. The result is a starting point for exploring Black women's history and a testament to the beauty, richness, rhythm, tragedy, heartbreak, rage, and enduring love that abounds in the spirit of Black women in communities throughout the nation.

28 days moments in black history that changed the world: The Way a Door Closes Hope Anita Smith, 2003-05 Tells the story of a young man's struggle to accept the father who has walked out on his family.

28 days moments in black history that changed the world: Unseen Dana Canedy, Darcy

Eveleigh, Damien Cave, Rachel L. Swarns, 2017-10-17 Hundreds of stunning images from Black history have been buried in the New York Times photo archives for decades. Four Times staff members unearth these overlooked photographs and investigate the stories behind them in this remarkable collection. New York Times photo editor Darcy Eveleigh made an unwitting discovery when she found dozens of never-before-published photographs from Black history in the crowded bins of the Times archives in 2016. She and three colleagues, Dana Canedy, Damien Cave, and Rachel L. Swarns, began exploring the often untold stories behind the images and chronicling them in a series entitled "Unpublished Black History" that was later published by the newspaper. Unseen showcases those photographs and digs even deeper into the Times's archives to include 175 photographs and the stories behind them in this extraordinary collection. Among the entries is a 27-year-old Jesse Jackson leading an anti-discrimination rally in Chicago; Rosa Parks arriving at a Montgomery courthouse in Alabama; a candid shot of Aretha Franklin backstage at the Apollo Theater; Ralph Ellison on the streets of his Manhattan neighborhood; the firebombed home of Malcolm X; and a series by Don Hogan Charles, the first black photographer hired by the Times, capturing life in Harlem in the 1960s. Why were these striking photographs not published? Did the images not arrive in time to make the deadline? Were they pushed aside by the biases of editors, whether intentional or unintentional? Unseen dives deep into the Times's archives to showcase this rare collection of photographs and stories for the very first time.

28 days moments in black history that changed the world: *Little Leaders: Bold Women in Black History* Vashti Harrison, 2017-12-05 #1 NEW YORK TIMES BESTSELLER Meet the little leaders. They're brave. Among these biographies, readers will find heroes, role models, and everyday women who did extraordinary things.

28 days moments in black history that changed the world: *Cultivating Genius* Gholdy Muhammad, 2019-12-23 In *Cultivating Genius*, Dr. Gholdy E. Muhammad presents a four-layered equity framework--one that is grounded in history and restores excellence in literacy education. This framework, which she names, Historically Responsive Literacy, was derived from the study of literacy development within 19th-century Black literacy societies. The framework is essential and universal for all students, especially youth of color, who traditionally have been marginalized in learning standards, school policies, and classroom practices. The equity framework will help educators teach and lead toward the following learning goals or pursuits: Identity Development--Helping youth to make sense of themselves and others Skill Development-- Developing proficiencies across the academic disciplines Intellectual Development--Gaining knowledge and becoming smarter Criticality--Learning and developing the ability to read texts (including print and social contexts) to understand power, equity, and anti-oppression When these four learning pursuits are taught together--through the Historically Responsive Literacy Framework, all students receive profound opportunities for personal, intellectual, and academic success. Muhammad provides probing, self-reflective questions for teachers, leaders, and teacher educators as well as sample culturally and historically responsive sample plans and text sets across grades and content areas. In this book, Muhammad presents practical approaches to cultivate the genius in students and within teachers.

28 days moments in black history that changed the world: *Claudette Colvin* Phillip Hoose, 2010-12-21 When it comes to justice, there is no easy way to get it. You can't sugarcoat it. You have to take a stand and say, 'This is not right.' - Claudette Colvin On March 2, 1955, an impassioned teenager, fed up with the daily injustices of Jim Crow segregation, refused to give her seat to a white woman on a segregated bus in Montgomery, Alabama. Instead of being celebrated as Rosa Parks would be just nine months later, fifteen-year-old Claudette Colvin found herself shunned

by her classmates and dismissed by community leaders. Undaunted, a year later she dared to challenge segregation again as a key plaintiff in *Browder v. Gayle*, the landmark case that struck down the segregation laws of Montgomery and swept away the legal underpinnings of the Jim Crow South. Based on extensive interviews with Claudette Colvin and many others, Phillip Hoose presents the first in-depth account of an important yet largely unknown civil rights figure, skillfully weaving her dramatic story into the fabric of the historic Montgomery bus boycott and court case that would change the course of American history. Claudette Colvin is the National Book Award Winner for Young People's Literature, a Newbery Honor Book, A YALSA Award for Excellence in Nonfiction for Young Adults Finalist, and a Robert F. Sibert Honor Book.

28 days moments in black history that changed the world: Stars and Shadows Saladin Ambar, 2022-05-02 A sweeping look into interracial friendship's significance in American democracy from the founding to the present. The oppression of Blacks is America's original sin -- a sin that took root in 1619 and plagues the country to this day. Yet there have been instances of interracial bonding and friendship even in the worst of times. In *Stars and Shadows* -- a term taken from *Huckleberry Finn* -- Saladin Ambar analyzes two centuries of noteworthy interracial friendships that served as windows into the state of race relations in the US and, more often than not, as models for advancing the cause of racial equality. *Stars and Shadows* is the first work in American political history to offer a comprehensive overview of how friendship has come to shape the possibilities for democratic politics in America. Covering ten cases -- from Benjamin Banneker and Thomas Jefferson's ill-fated effort to navigate the limits imposed on democracy by slavery and white supremacy, to the more hopeful stories of James Baldwin and Marlon Brando as well as Angela Davis and Gloria Steinem -- Ambar's study illuminates how friendship is critical to understanding the potential for multiracial democracy. Political leaders and cultural figures are frequently involved in translating private feelings, relationships, and ideas, into a public ideal. Friendships and their meaning are therefore a significant part of any effort to shape public or elite opinion. The symbolism inherent in interracial friendship has always been readily apparent, down to the powerful example of Barack Obama and Joe Biden, who were not only allied politicians, but most importantly, friends. Ambar weaves a set of interlocking stories that help create a working theory of multiracial democracy that demands more of us as citizens: a commitment to engage one another and to engage our past with even greater courage and trust. Such gestures are a vital part of the story of how race and America have been shaped. *Stars and Shadows* helps explain America's enduring difficulty in making friends of citizens across the color line -- and why the narrative of racial friendship matters.

28 days moments in black history that changed the world: The Other Side of Middletown Luke E. Lassiter, 2004 Prompted by the overt omission of Muncie's black community from the famous study by Lynd and Lynd, *Middletown: A Study in Modern American Culture*, the authors uncover the neglected part of the story of Middletown, a well-known pseudonym for the Midwestern city of Muncie, Indiana. It is a uniquely collaborative field study involving local experts, ethnographers, and teams of college students. The book, *The Other Side of Middletown*, and DVD, *Middletown Redux*, are valuable resources for community research. Sponsored by the Virginia B. Ball Center for Creative Inquiry, Muncie, Indiana.

28 days moments in black history that changed the world: The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize

and the National Book Critics Circle Award.

28 days moments in black history that changed the world: The Love Hypothesis Ali Hazelwood, 2021-09-14 The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convinced that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

28 days moments in black history that changed the world: Dark Matter Blake Crouch, 2016-07-26 NEW YORK TIMES BESTSELLER • COMING SOON TO APPLE TV+ • A “mind-blowing” (Entertainment Weekly) speculative thriller about an ordinary man who awakens in a world inexplicably different from the reality he thought he knew—from the author of Upgrade, Recursion, and the Wayward Pines trilogy “Are you happy with your life?” Those are the last words Jason Dessen hears before the kidnapper knocks him unconscious. Before he awakens to find himself strapped to a gurney, surrounded by strangers in hazmat suits. Before a man he’s never met smiles down at him and says, “Welcome back, my friend.” In this world he’s woken up to, Jason’s life is not the one he knows. His wife is not his wife. His son was never born. And Jason is not an ordinary college professor but a celebrated genius who has achieved something remarkable. Something impossible. Is it this life or the other that’s the dream? And even if the home he remembers is real, how will Jason make it back to the family he loves? From the bestselling author Blake Crouch, Dark Matter is a mind-bending thriller about choices, paths not taken, and how far we’ll go to claim the lives we dream of.

28 days moments in black history that changed the world: Set the World on Fire Keisha N. Blain, 2018-03-15 [This book] examine[s] how black nationalist women engaged in national and global politics from the early twentieth century to the 1960's--Amazon.com.

28 days moments in black history that changed the world: Brick by Brick Charles R. Smith, 2015-02-27 Coretta Scott King Award-winners Charles R. Smith Jr. and Floyd Cooper deliver the compelling story behind the building of the White House, a powerful part of history rarely taught. The home of our president was built by many hands, several of them s

28 days moments in black history that changed the world: Sing a Song Kelly Starling Lyons, 2019-08-06 Lyons delivers the history of a song that has inspired generations of African-Americans to persist and resist in the face of racism and systemic oppression. . . . A heartfelt history of a historic anthem.--Publishers Weekly Sing a song full of the faith that the dark past has taught us. Sing a song full of the hope that the present has brought us. In Jacksonville, Florida, two brothers, one of them the principal of a segregated, all-black school, wrote the song Lift Every Voice and Sing so his students could sing it for a tribute to Abraham Lincoln's birthday in 1900. From that moment on, the song has provided inspiration and solace for generations of Black families. Mothers and fathers passed it on to their children who sang it to their children and grandchildren. Known as the Black National Anthem, it has been sung during major moments of the Civil Rights Movement and at family gatherings and college graduations. Inspired by this song's enduring significance, Kelly Starling Lyons and Keith Mallett tell a story about the generations of families who gained hope and strength from the song's inspiring words. --A CCBC Choice --A Notable Social Studies Trade Book for Young People --An ALSC Notable Children's Book

28 days moments in black history that changed the world: *Can I Touch Your Hair?* Irene Latham, Charles Waters, 2020-01-01 Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Two poets, one white and one black, explore race and childhood in this must-have collection tailored to provoke thought and conversation. How can Irene and Charles work together on their fifth grade poetry project? They don't know each other . . . and they're not sure they want to. Irene Latham, who is white, and Charles Waters, who is Black, use this fictional setup to delve into different experiences of race in a relatable way, exploring such topics as hair, hobbies, and family dinners. Accompanied by artwork from acclaimed illustrators Sean Qualls and Selina Alko (of *The Case for Loving: The Fight for Interracial Marriage*), this remarkable collaboration invites readers of all ages to join the dialogue by putting their own words to their experiences.

28 days moments in black history that changed the world: *Black Boy [Seventy-fifth Anniversary Edition]* Richard Wright, 2020-02-18 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

28 days moments in black history that changed the world: *Little Legends: Exceptional Men in Black History* Vashti Harrison, 2019-11-19 Author-illustrator Vashti Harrison shines a bold, joyous light on black men through history in this #1 *New York Times* bestseller. An important book for readers of all ages, this beautifully illustrated and engagingly written volume brings to life true stories of black men in history. Among these biographies, readers will find aviators and artists, politicians and pop stars, athletes and activists. The exceptional men featured include writer James Baldwin, artist Aaron Douglas, filmmaker Oscar Devereaux Micheaux, lawman Bass Reeves, civil rights leader John Lewis, dancer Alvin Ailey, and musician Prince. The legends in *Little Legends: Exceptional Men in Black History* span centuries and continents, but each one has blazed a trail for generations to come.

28 days moments in black history that changed the world: *An Activity Book for African American Families* Eunice Kennedy Shriver National Institute of Child Health and Human Development (U.S.), National Black Child Development Institute, 2003

28 days moments in black history that changed the world: *Twelve Rounds to Glory* Charles R. Smith, 2007-11-13 A brief biography in verse of boxer Muhammad Ali.

28 days moments in black history that changed the world: *One Day* Gene Weingarten, 2020-09-08 "One of the 50 Best Nonfiction Books of the Last 25 Years"—*Slate* On New Year's Day 2013, two-time Pulitzer Prize winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next

six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as "ordinary" when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.

28 days moments in black history that changed the world: Pain Management and the Opioid Epidemic National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Board on Health Sciences Policy, Committee on Pain Management and Regulatory Strategies to Address Prescription Opioid Abuse, 2017-09-28 Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

28 days moments in black history that changed the world: The Undefeated Kwame Alexander, 2019 Winner of the 2020 Caldecott Medal A 2020 Newbery Honor Book Winner of the 2020 Coretta Scott King Illustrator Award The Newbery Award-winning author of THE CROSSOVER pens an ode to black American triumph and tribulation, with art from a two-time Caldecott Honoree. Originally performed for ESPN's The Undefeated, this poem is a love letter to black life in the United States. It highlights the unspeakable trauma of slavery, the faith and fire of the civil rights movement, and the grit, passion, and perseverance of some of the world's greatest heroes. The text is also peppered with references to the words of Martin Luther King, Jr., Langston Hughes, Gwendolyn Brooks, and others, offering deeper insights into the accomplishments of the past, while bringing stark attention to the endurance and spirit of those surviving and thriving in the present. Robust back matter at the end provides valuable historical context and additional detail for those wishing to learn more.

28 days moments in black history that changed the world: I Am America Charles R. Smith (Jr.), Charles R. Smith, 2003 Photographs and rhyming text describe children growing up in America today.

28 days moments in black history that changed the world: The 1619 Project Nikole Hannah-Jones, The New York Times Magazine, 2024-06-04 #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD WINNER • A dramatic expansion of a groundbreaking work of journalism, The 1619 Project: A New Origin Story offers a profoundly revealing vision of the American past and present. "[A] groundbreaking compendium . . . bracing and urgent . . . This collection is an extraordinary update to an ongoing project of vital truth-telling."—Esquire NOW AN EMMY-NOMINATED HULU ORIGINAL DOCUSERIES • FINALIST FOR THE KIRKUS PRIZE • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250

years. This is sometimes referred to as the country's original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine's award-winning 1619 Project issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation's founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life.
