

2nd person writing example

The Art and Peril of the Second Person: A Deep Dive into 2nd Person Writing Example

Author: Dr. Eleanor Vance, Professor of Creative Writing and Literary Theory, University of California, Berkeley. Dr. Vance has published extensively on narrative voice and point of view, with a particular focus on experimental narrative techniques.

Keywords: 2nd person writing example, second person narrative, narrative voice, point of view, literary techniques, creative writing, fiction writing, storytelling, reader engagement, challenges of second person.

Abstract: This article provides a comprehensive examination of the second person narrative voice, using specific 2nd person writing examples to illustrate its unique challenges and opportunities. We will explore how this unconventional approach can foster powerful reader engagement while simultaneously posing significant narrative obstacles. Through analysis of successful and unsuccessful examples, we aim to equip writers with a deeper understanding of when and how to effectively utilize the second person perspective.

Introduction: Navigating the "You" in Narrative

The second person ("you") is a surprisingly tricky narrative voice. Unlike the familiar first ("I") and third ("he/she/it") person perspectives, the second person directly addresses the reader, blurring the lines between participant and observer. This inherent ambiguity makes it a powerful, albeit risky, choice for writers. A successful 2nd person writing example can create an immersive, deeply personal experience for the reader; a poorly executed one can feel jarring, disorienting, and ultimately ineffective. This article aims to unpack the complexities of the second person, using 2nd person writing examples to illustrate its strengths and weaknesses.

The Allure of the Second Person: Immersion and Engagement

The primary appeal of the second person lies in its potential for immediacy and reader engagement. By directly addressing the reader as "you," the writer creates a sense of intimacy and involvement. The reader is no longer a passive observer; they are actively participating in the unfolding narrative. This can be incredibly effective in creating suspense, building empathy, and exploring psychological states. Consider the impact of a 2nd person writing example like this: "You wake to the sound of rain, the rhythmic drumming against the windowpane a relentless counterpoint to the pounding in your chest." This instantly pulls the reader into the scene, making them experience the anxiety and uncertainty alongside the protagonist.

Challenges Posed by a 2nd Person Writing Example

Despite its potential, the second person presents significant challenges. Perhaps the most common is the issue of reader identification. While the intended effect is often to create a strong sense of identification, this can backfire. If the "you" in the narrative embodies characteristics or experiences that the reader doesn't share, it can create a sense of distance rather than intimacy. The reader might resist being placed into a situation they find alien or unappealing.

Another significant challenge lies in maintaining narrative consistency. The "you" in a 2nd person narrative must remain consistent throughout the story. Any shift in personality, background, or knowledge can disrupt the reader's immersion. This requires a degree of meticulous planning and control that isn't always necessary with other narrative perspectives.

Furthermore, the second person can easily lead to overly prescriptive or manipulative writing. If not carefully handled, the constant instruction of "you should," "you must," or "you feel" can feel heavy-handed and even insulting to the reader. The line between guiding the reader's experience and dictating it is a fine one that requires sensitivity and nuance.

Successful Examples of 2nd Person Writing

Analyzing successful 2nd person writing examples can illuminate effective techniques. Jay McInerney's *Bright Lights, Big City* is often cited as a prime example. The novel's relentless, drug-fueled pace and internal monologue are effectively conveyed through the second person. The reader experiences the protagonist's chaotic life through his eyes (or rather, "your" eyes), leading to a visceral and unforgettable reading experience. However, even McInerney's masterful execution highlights the potential pitfalls. The constant "you" could feel intrusive to some, limiting the reader's agency.

Another striking example can be found in certain sections of *If on a winter's night a traveler* by Italo Calvino. Calvino uses the second person to break the fourth wall, directly engaging with the reader about the act of reading itself, creating a metafictional layer that adds to the book's intellectual depth. This is a far cry from the more conventional uses of the second person and shows how creative writers can use this voice in experimental ways.

Analyzing these 2nd person writing examples reveals a crucial element: the carefully constructed backstory and implied context. While the reader is never explicitly told who "you" is, the actions, thoughts, and surroundings create a clear picture, allowing the reader to naturally fill in the blanks and accept the imposed identity.

Unsuccessful 2nd Person Writing Examples and Their Lessons

Conversely, examining unsuccessful attempts at 2nd person narratives can highlight common mistakes. Often, poorly executed 2nd person writing examples suffer from a lack of coherent character development, leading to a sense of detachment and confusion. The "you" remains an undefined entity, making it difficult for the reader to connect with the story.

Another frequent issue is an inconsistent application of the second person. A narrative that starts in the second person but then shifts to the first or third person can be profoundly jarring and disrupt

the reader's immersion.

Finally, overuse of instructional or judgmental language ("you should have known better," "you're a fool") can create a negative reading experience, making the reader feel lectured rather than engaged.

Conclusion: The Strategic Use of the "You"

The second person remains a powerful yet precarious tool in the writer's arsenal. A successful 2nd person writing example demands meticulous planning, careful characterization, and a deep understanding of narrative voice. While the challenges are undeniable, the rewards – the potential for heightened reader engagement and immersive storytelling – are equally compelling. By studying both successful and unsuccessful examples, writers can learn to harness the unique potential of the second person and create truly unforgettable narratives.

FAQs

1. Is 2nd person always suitable for every story? No, the second person is best suited for specific genres and stories where intimacy and reader immersion are paramount. It might not be suitable for all types of narratives.
1. How do I avoid making the reader feel lectured in a 2nd person narrative? Focus on showing rather than telling. Use descriptive language and avoid overly prescriptive phrases.
1. Can I use 2nd person and other perspectives in the same story? While possible, it's generally advised against. Shifting perspectives can be jarring and disruptive to the reader's experience.
1. What are the common mistakes to avoid when using a 2nd person writing example?
Inconsistent application of the perspective, poor characterization, and overuse of instructional language.
1. How can I create a strong sense of reader identification in a 2nd person narrative? By carefully constructing a relatable "you," even if the reader doesn't identify completely.
1. Is there a specific genre that benefits the most from using a 2nd person writing example?

Psychological thrillers and literary fiction frequently utilize second-person narratives to great effect.

1. How does the use of "you" affect pacing and structure? It can create a sense of immediacy and urgency, but it requires careful pacing to avoid overwhelming the reader.
1. What is the role of foreshadowing in a 2nd person narrative? Foreshadowing becomes even more critical to build tension and maintain reader engagement.
1. How does the use of 2nd person affect the ending of a story? A powerful and satisfying conclusion is critical to avoid leaving the reader feeling unfulfilled or manipulated.

2nd person writing example: The Deathday Letter Shaun David Hutchinson, 2010-06-15
 Oliver lives in a world where at some point in their lives, everyone receives a Deathday Letter, a letter that kindly lets you know you have twenty-four hours left to live. Abraham Lincoln received one, Heath Ledger received one, and on an otherwise typical Thursday morning, fifteen-year-old Oliver Travers receives one. Bummer. With his best friend by his side, Ollie has one day left to live life to the fullest, go on every adventure possible...and set things right with the girl of his dreams.

2nd person writing example: Complicity Iain Banks, 2002-11-12 In Scotland, a self-appointed executioner dispenses justice to fit the crime. Thus the lenient judge who let a rapist go is punished by being raped, while a man who killed is killed in turn. By the author of *The Wasp Factory*.

2nd person writing example: How to Read Like a Writer Mike Bunn, When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

2nd person writing example: Bright Lights, Big City Jay McInerney, 2014-02-13 You are at a nightclub talking to a girl with a shaved head. The club is either Heartbreak or the Lizard Lounge. All might become clear if you could just slip into the bathroom and do a little more Bolivian Marching Powder. Then again, it might not... So begins our nameless hero's trawl through the brightly lit streets of Manhattan, sampling all this wonderland has to offer yet suspecting that

tomorrow's hangover may be caused by more than simple excess. *Bright Lights, Big City* is an acclaimed classic which marked Jay McInerney as one of the major writers of our time.

2nd person writing example: How to Become a Writer Lorrie Moore, 2015-04-02 Taken from award-winning writer Lorrie Moore's debut short story collection *Self-Help* (1985), *How To Become a Writer* is a wryly witty deconstruction of tips for aspiring writers, told in vignettes by a self-absorbed narrator who fails to observe the world around her. A modern classic, this story has been pulled out to accompany the launch of the Faber Modern Classics list.

2nd person writing example: Story of My Life Jay McInerney, 2014-02-13 _____ 'Line for line, it's one of the funniest novels I have ever read' - John Sutherland, *London Review of Books* 'Story of My Life is quite as brilliant as *Bright Lights, Big City*' - *Sunday Times* 'McInerney has proven himself not only a brilliant stylist but a master of characterisation, with a keen eye for the incongruities of urban life' - *New York Times Book Review* _____ It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life, right? But in a world of no consequences, Alison is heading for a meltdown. _____ 'McInerney's novels, filled with the depiction of glamorous imbecilities and hilarious excesses, are acute about a certain kind of Manhattan amorality. They offer a swift, intelligent guide to the latest racket' - *Observer*

2nd person writing example: The Sound of My Voice Ron Butlin, 2018-04-05 Morris Magellan wakes one morning to find himself stuck in a corporate job and living the suburban dream with a wife and two children, except this dream feels like a nightmare. Out of his depth and starting to drift from reality, we meet Morris at the precipice. Bit by bit he is losing his struggle with addiction – he just doesn't know it yet. His only solace and escape from suburban family life and corporate duties is music and alcohol. His life is soundtracked with symphonies and concertos, every note, and every drink, carries him from moment to moment hoping to salvage something of himself before that too slips from his grasp. Harrowing but compellingly written, with humour and compassion, *The Sound of My Voice* is a stylistic masterpiece that presents conflict between a man's cowardice and cruelty, and a desperate attempt to recover his humanity.

2nd person writing example: Inventing the Future Albert Cory, 2021-06 Imagine a time before everyone stared at a screen, before fonts, icons, mice, and laser printers, before Apple and Microsoft? But in *El Segundo* and *Palo Alto*, Xerox engineers were dreaming and secretly building the modern personal computer. Who were they? Why did corporate management just want to sell copiers and printers? The author, Albert Cory,* was one. *Inventing the Future* is based on the true story of the Xerox Star, the computer that changed everything

2nd person writing example: Netherspace Andrew Lane, Nigel Foster, 2017-05-23 Fans of Elizabeth Moon and Anne Leckie will love this first thrilling adventure in an epic space opera trilogy—set in a future where alien technology comes at a steep price: human life. Aliens came to Earth 40 years ago. Their anatomy proved unfathomable and all attempts at communication failed. But through trade, humanity gained technology that allowed them to colonize the stars. The price: live humans for every alien faster-than-light drive. Kara's sister was one of hundreds exchanged for this technology, and Kara has little love for aliens. So when she is drafted by GalDiv—the organization that oversees alien trades—it is under duress. A group of colonists have been kidnapped by aliens and taken to an uncharted planet, and an unusual team is to be sent to negotiate. As an ex-army sniper, Kara's role is clear. But artist Marc has no combat experience, although the team's pre-cog Tse is adamant that he has a part to play. All three know that success is unlikely. For how will they negotiate with aliens when communication between the species is impossible?

2nd person writing example: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

2nd person writing example: *The Story Grid* Shawn Coyne, 2015-05-02 WHAT IS THE STORY GRID? The Story Grid is a tool developed by editor Shawn Coyne to analyze stories and provide helpful editorial comments. It's like a CT Scan that takes a photo of the global story and tells the editor or writer what is working, what is not, and what must be done to make what works better and fix what's not. The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult). The Story Grid is a tool with many applications: 1. It will tell a writer if a Story ?works? or ?doesn't work. 2. It pinpoints story problems but does not emotionally abuse the writer, revealing exactly where a Story (not the person creating the Story'the Story) has failed. 3. It will tell the writer the specific work necessary to fix that Story's problems. 4. It is a tool to re-envision and resuscitate a seemingly irredeemable pile of paper stuck in an attic drawer. 5. It is a tool that can inspire an original creation.

2nd person writing example: *After the Plague* T.C. Boyle, 2002-12-31 Few authors in America write with such sheer love of story, language, and imagination as T.C. Boyle, and nowhere is that passion more evident than in his inventive, wickedly funny, and widely praised short stories. In *After the Plague*, Boyle speaks of contemporary social issues in a range of emotional keys. The sixteen stories gathered here address everything from air rage to abortion doctors to first love and its consequences. The collection ends with the brilliant title story, a whimsical and imaginative vision of a disease-ravaged Earth. Presented with characteristic wit and intelligence, these stories will delight readers in search of the latest news of the chaotic, disturbing, and aching beautiful world in which we live. Boyle's imagination and zeal for storytelling are in top form here.—Publishers Weekly

2nd person writing example: *House of Leaves* Mark Z. Danielewski, 2000-03-07 "A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book

eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

2nd person writing example: Writing in the Dark Tim Waggoner, 2020-09-16 In this comprehensive textbook devoted to the craft of writing horror fiction, award-winning author Tim Waggoner draws on thirty years' experience as a writer and teacher. *Writing in the Dark* offers advice, guidance, and insights on how to compose horror stories and novels that are original, frightening, entertaining, and well-written. Waggoner covers a wide range of topics, among them why horror matters, building viable monsters, generating ideas and plotlines, how to stylize narratives in compelling ways, the physiology of fear, the art of suspense, avoiding clichés, marketing your horror writing, and much more. Each chapter includes tips from some of the best horror professionals working today, such as Joe Hill, Ellen Datlow, Joe R. Lansdale, Maurice Broaddus, Yvette Tan, Thomas Ligotti, Jonathan Maberry, Edward Lee, and John Shirley. There are also appendices with critical reflections, pointers on the writing process, ideas for characters and story arcs, and material for further research. *Writing in the Dark* derives from Waggoner's longtime blog of the same name. Suitable for classroom use, intensive study, and bedside reading, this essential manual will appeal to new authors at the beginning of their career as well as veterans of the horror genre who want to brush up on their technique.

2nd person writing example: *Self-Help* Lorrie Moore, 2012-02-22 From the national bestselling author of *A Gate at the Stairs*—and a master of contemporary American fiction—comes “a funny, cohesive, and moving collection of stories (The New York Times Book Review). In these tales of loss and pleasure, lovers and family, a woman learns to conduct an affair, a child of divorce dances with her mother, and a woman with a terminal illness contemplates her exit. Filled with the sharp humor, emotional acuity, and joyful language Moore has become famous for, these nine glittering tales marked the introduction of an extravagantly gifted writer.

2nd person writing example: *The Savior's Sister* Jenna Moreci, 2020-09-29 The Savior's Sister is utterly unputdownable. It's compulsive, addictive, and mesmerizing. If you love romance, fantasy, and bloodshed, ignore your TBR pile, this is the only dark fantasy novel you need. - Sacha Black, BESTSELLING fantasy and nonfiction writing craft author In the thrilling companion to one of Book Depository's Best Books of All Time, experience the peril and heart-stopping romance through Leila's fresh perspective. Leila Tūs Salvatíraas, Savior of Thessen and magical Queen of Her realm, is worshiped by all. Except Her father. He wants Her dead. The Sovereign's Tournament—a centuries-long tradition designed to select The Savior's husband—is days away, but Brontes's plan to overthrow his daughter ignites, shifting the objective of the competition from marriage to murder. With the help of Her sisters and some unexpected allies, Leila must unravel Brontes's network and prevent Her own assassination. But as the body count rises, She learns the deception runs far deeper than She imagined. When She finds Herself falling for one of the tournament competitors, Her father finds himself another target for murder. Can Leila save Herself and Her beloved, or is their untimely end—and the corruption of Her realm—inevitable? TRIGGER WARNINGS: This book contains graphic violence, sexual situations, physical abuse, adult language, and references to suicide. The Savior's Sister is one of those gritty, sexy (and occasionally violent) books you can't put down. I can't wait to see what's next for Leila and Tobias. - Meg LaTorre, FOUNDER of iWriterly and science fiction and fantasy author

2nd person writing example: Half Asleep in Frog Pajamas Tom Robbins, 1995-11-01 When the stock market crashes on the Thursday before Easter, you—an ambitious, although ineffectual and not entirely ethical young broker—are convinced that you’re facing the Weekend from Hell. Before the market reopens on Monday, you’re going to have to scramble and scheme to cover your butt, but there’s no way you can anticipate the baffling disappearance of a 300-pound psychic, the fall from grace of a born-again monkey, or the intrusion in your life of a tattooed stranger intent on blowing your mind and most of your fuses. Over these fateful three days, you will be forced to confront everything from mysterious African rituals to legendary amphibians, from tarot-card bombshells to street violence, from your own sexuality to outer space. This is, after all, a Tom Robbins novel—and the author has never been in finer form.

2nd person writing example: Because of You: Understanding Second-Person Storytelling Evgenia Iliopoulou, 2019-03-31 Second-person storytelling is a continually present and diverse technique in the history of literature that appears only once in the oeuvre of an author. Based on key narratives of the post-war period, Evgenia Iliopoulou approaches the phenomenon in an inductive way, starting out from the essentials of grammar and rhetoric, and aims to improve the general understanding of second-person narrative within literature. In its various forms and typologies, the second person amplifies and expands the limits of representation, thus remaining a narrative enigma: a small narrative gesture - with major narrative impact.

2nd person writing example: The Reluctant Fundamentalist Mohsin Hamid, 2009-06-05 From the author of the award-winning *Moth Smoke* comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature. At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . Changez is living an immigrant’s dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the “valuation” of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrée into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez’s meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez’s own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid’s second novel is a devastating exploration of our divided and yet ultimately indivisible world. “Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge.” —from *The Reluctant Fundamentalist*

2nd person writing example: Hills Like White Elephants Ernest Hemingway, 2023-01-01 A couple’s future hangs in the balance as they wait for a train in a Spanish café in this short story by a Nobel and Pulitzer Prize-winning author. At a small café in rural Spain, a man and woman have a conversation while they wait for their train to Madrid. The subtle, casual nature of their talk masks a more complicated situation that could endanger the future of their relationship. First published in the 1927 collection *Men Without Women*, “Hills Like White Elephants” exemplifies Ernest Hemingway’s style of spare, tight prose that continues to win readers over to this day.

2nd person writing example: Life's Lottery Kim Newman, 2014-04-25 As rich and as revealing as you care to make it. Time Out At six years old you're asked to make a choice, the first of many in a multitude of possible lives. If you make the right decision, you may live a long happy life, or be immensely powerful, or win the lottery. If you take the wrong path, you may become a murderer, die young, make every mistake possible, or make no impression on life at all. The choice is yours. And by making the choices you do, you will change forever the lives of your family, your

friends, your enemies, and your lovers. You can even change the fate of the world; all you have to do is choose... An adult role-playing novel where small decisions have monumental consequences.

2nd person writing example: *Halting State* Charles Stross, 2007-10-02 "Halting State [is] a near-future story that is at once over-the-top and compellingly believable." – Vernor Vinge, author of *Rainbows End* In the year 2018, Sergeant Sue Smith of the Edinburgh constabulary is called in on a special case. A daring bank robbery has taken place at Hayek Associates—a dot-com start-up company that's just floated onto the London stock exchange. But this crime may be a bit beyond Smith's expertise. The prime suspects are a band of marauding orcs with a dragon in tow for fire support. The bank is located within the virtual reality land of Avalon Four, and the robbery was supposed to be impossible. When word gets out, Hayek Associates and all its virtual "economies" are going to crash hard. For Smith, the investigation seems pointless. But the deeper she digs, the bigger the case gets. There are powerful players—both real and pixelated—who are watching her every move. Because there is far more at stake than just some game-head's fantasy financial security...

2nd person writing example: *Small Moments* Lucy Calkins, Abby Oxenhorn Smith, Rachel Rothman, 2013

2nd person writing example: Occupational Therapy Practice Framework: Domain and Process Aota, 2014 As occupational therapy celebrates its centennial in 2017, attention returns to the profession's founding belief in the value of therapeutic occupations as a way to remediate illness and maintain health. The founders emphasized the importance of establishing a therapeutic relationship with each client and designing an intervention plan based on the knowledge about a client's context and environment, values, goals, and needs. Using today's lexicon, the profession's founders proposed a vision for the profession that was occupation based, client centered, and evidence based--the vision articulated in the third edition of the Occupational Therapy Practice Framework: Domain and Process. The Framework is a must-have official document from the American Occupational Therapy Association. Intended for occupational therapy practitioners and students, other health care professionals, educators, researchers, payers, and consumers, the Framework summarizes the interrelated constructs that describe occupational therapy practice. In addition to the creation of a new preface to set the tone for the work, this new edition includes the following highlights: a redefinition of the overarching statement describing occupational therapy's domain; a new definition of clients that includes persons, groups, and populations; further delineation of the profession's relationship to organizations; inclusion of activity demands as part of the process; and even more up-to-date analysis and guidance for today's occupational therapy practitioners. Achieving health, well-being, and participation in life through engagement in occupation is the overarching statement that describes the domain and process of occupational therapy in the fullest sense. The Framework can provide the structure and guidance that practitioners can use to meet this important goal.

2nd person writing example: *The Seven Habits of Highly Effective People* Stephen R. Covey, 1997 A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

2nd person writing example: Finding the Heart of Nonfiction Georgia Heard, 2013 Humanity and warmth. They are the cornerstones of quality nonfiction writing - even in genres more informational than intimate. With *Finding the Heart of Nonfiction*, Georgia Heard demonstrates how with mentor texts you can help students create inviting nonfiction.

2nd person writing example: *Ghost Light* Joseph O'Connor, 2011 Dublin 1907, a city of whispered rumours. A young actress begins an affair with a damaged older man. Rebellious and flirtatious, Molly Allgood is a girl of the inner city tenements, dreaming of stardom in America. She has dozens of admirers but in the backstage of her life there is a secret.
