30 Rock Business Drunk: Navigating the Minefield of Professional Intoxication

Author: Dr. Evelyn Reed, PhD, Organizational Psychologist specializing in workplace behavior and the impact of substance use on professional performance. Dr. Reed has over 15 years of experience conducting research and consulting on workplace dynamics, including studies on the nuanced impact of alcohol consumption on professional environments.

Publisher: Workplace Dynamics Press, a leading publisher of research and practical guides for organizational development, human resources, and leadership training. They are known for their rigorous fact-checking and commitment to evidence-based practices.

Editor: Marcus Bell, MA, Certified Executive Coach with extensive experience in conflict resolution and leadership development. Marcus has a background in journalism and brings a keen eye for clarity and readability to the editorial process.

Keywords: 30 Rock Business Drunk, workplace alcohol consumption, professional intoxication, managing impaired employees, alcohol policy, organizational culture, performance impact, subtle intoxication, hidden drinking, intervention strategies.

Understanding the "30 Rock Business Drunk" Phenomenon

The term "30 Rock business drunk" – a reference to the comedic television show 30 Rock and its often-blurred lines between professional and personal life, particularly concerning alcohol consumption – encapsulates a prevalent, yet often unspoken, reality in many workplaces. It describes individuals who maintain a professional façade while subtly, or sometimes overtly, consuming alcohol during work hours. This isn't necessarily about outright drunkenness leading to visible impairment; rather, it's about a range of behaviors fueled by alcohol consumption that negatively impacts work performance, team dynamics, and overall organizational effectiveness. The "30 Rock Business Drunk" is adept at masking their drinking, making detection and intervention challenging.

Methodologies and Approaches to Addressing 30 Rock Business Drunk Behaviors

Identifying and addressing "30 Rock Business Drunk" behaviors require a multi-faceted approach, combining careful observation, clear policies, and compassionate intervention strategies.

1. Recognizing the Signs: The key to effectively addressing this issue lies in recognizing the signs.

These aren't always dramatic. Subtle cues can include:

Changes in behavior: Increased irritability, erratic decision-making, unusual forgetfulness, missed deadlines, or decreased productivity.

Physical signs: Bloodshot eyes, slurred speech (although often subtle), frequent trips to the restroom, or noticeable changes in smell.

Behavioral changes: Increased risk-taking, inappropriate comments or behavior, difficulty concentrating, and changes in social interactions.

1. **Establishing Clear Alcohol Policies:** A robust alcohol policy is crucial. This policy should clearly define acceptable and unacceptable alcohol consumption during work hours, including on company property and at company events. It should also outline consequences for violations, ranging from verbal warnings to termination. The policy should be easily accessible to all employees and regularly reviewed.
1. **Fostering a Culture of Open Communication:** Creating a supportive and open environment where employees feel comfortable reporting concerns about colleagues' behavior is vital. This requires leadership buy-in and a commitment to addressing such issues with sensitivity and fairness. Anonymous reporting systems can also be beneficial.
1. **Implementing Regular Performance Reviews:** Performance reviews should not solely focus on quantitative metrics. They should also include qualitative assessments of behavior, attitude, and teamwork. This allows for early identification of potential issues related to alcohol consumption.
1. **Utilizing Employee Assistance Programs (EAPs):** EAPs offer confidential counseling and support services to employees struggling with personal issues, including alcohol abuse. Promoting the availability and benefits of EAPs can encourage employees to seek help proactively.
1. **Addressing the Root Causes:** While addressing immediate behaviors is crucial, understanding the underlying reasons for alcohol consumption is essential for long-term success. Stress, burnout, and other mental health issues can contribute to alcohol abuse. Addressing these root causes through supportive measures can prevent relapse and promote sustained positive change.

1. **Intervention Strategies:** When faced with suspected "30 Rock Business Drunk" behaviors, a carefully planned intervention is crucial. This often involves a team approach, including HR representatives, supervisors, and potentially EAP counselors. The focus should be on expressing concern, outlining observed behaviors, and offering support and resources, rather than immediate disciplinary action.

The Importance of a Proactive Approach

A proactive approach is far more effective than a reactive one. Regularly reinforcing the company's alcohol policy, providing training on recognizing signs of alcohol abuse, and fostering a culture of well-being can prevent issues from escalating. Investing in employee wellness programs can significantly reduce the likelihood of alcohol-related problems in the workplace.

Conclusion

Addressing the "30 Rock Business Drunk" phenomenon requires a nuanced understanding of workplace dynamics, coupled with a compassionate yet firm approach. By implementing clear policies, fostering open communication, and utilizing available resources, organizations can create a healthier and more productive work environment for all employees. Ignoring the issue only exacerbates potential problems, leading to decreased productivity, damaged morale, and potential legal liabilities. A proactive and comprehensive strategy is the key to navigating this complex challenge successfully.

FAQs

1. What if an employee refuses help for suspected alcohol abuse? The company's alcohol policy should outline the consequences of refusing help or continued problematic behavior. Legal counsel should be consulted to ensure compliance with all relevant laws.
1. Can I legally fire an employee for suspected alcohol abuse? Legal ramifications depend on various factors, including local laws, the severity of the behavior, and whether the employee is protected under disability laws. Consult legal counsel to determine appropriate action.
1. How can I address concerns about an employee's alcohol consumption without violating their privacy? Focus on observable behaviors and their impact on work performance, rather than making assumptions about personal habits. Consult HR and legal counsel for guidance.
1. What constitutes "reasonable suspicion" of alcohol abuse in the workplace? This typically

involves observable behaviors impacting performance, safety, or workplace relations. Documented evidence is crucial.

1. What is the role of management in addressing "30 Rock Business Drunk" behaviors? Managers play a critical role in early identification and intervention. They should be trained to recognize subtle signs and report concerns appropriately.
1. How can I create a more supportive workplace culture regarding mental health and substance abuse? Promote open communication, provide resources like EAPs, and offer training on mental health awareness and substance abuse prevention.
1. Are there specific legal obligations for employers regarding employee alcohol consumption? Employers have a duty of care to ensure a safe work environment. This includes addressing potential hazards posed by alcohol abuse.
1. What are the potential legal risks associated with ignoring suspected alcohol abuse in the workplace? Ignoring the issue can lead to liability for accidents, injuries, or discrimination claims.
1. How can I measure the effectiveness of my company's alcohol policy and related initiatives? Track incidents, employee feedback, and improvements in productivity and overall morale. Regular review and adjustment of the policy are crucial.

Nonfiction Books of 2013 A vivid, funny, and poignant memoir that celebrates the distinct lure of the camaraderie and community one finds drinking in bars. Rosie Schaap has always loved bars: the wood and brass and jukeboxes, the knowing bartenders, and especially the sometimes surprising but always comforting company of regulars. Starting with her misspent youth in the bar car of a regional railroad, where at fifteen she told commuters' fortunes in exchange for beer, and continuing today as she slings cocktails at a neighborhood joint in Brooklyn, Schaap has learned her way around both sides of a bar and come to realize how powerful the fellowship among regular patrons can be. In *Drinking with Men*, Schaap shares her unending quest for the perfect local haunt, which takes her from a dive outside Los Angeles to a Dublin pub full of poets, and from small-town New England taverns to a character-filled bar in Manhattan's TriBeCa. Drinking alongside artists and expats, ironworkers and soccer fanatics, she finds these places offer a safe haven, a respite, and a place to feel most like herself. In rich, colorful prose, Schaap brings to life these seedy, warm, and wonderful rooms. *Drinking with Men* is a love letter to the bars, pubs, and taverns that have been Schaap's refuge, and a celebration of the uniquely civilizing source of community that is bar culture at its best.

30 rock business drunk: *Brand Like A Rock Star* Steve Jones, 2011 Reveals the core marketing and branding strategies behind the success of the world's greatest bands. This book helps readers learn inside information about the world's most popular bands that translates directly and memorably into actionable business practices.

30 rock business drunk: *Poking a Dead Frog* Mike Sacks, 2014-06-24 A NEW YORK TIMES BESTSELLER NAMED A BEST BOOK OF THE YEAR BY NPR Amy Poehler, Mel Brooks, Adam McKay, George Saunders, Bill Hader, Patton Oswalt, and many more take us deep inside the mysterious world of comedy in this fascinating, laugh-out-loud-funny book. Packed with behind-the-scenes stories—from a day in the writers' room at The Onion to why a sketch does or doesn't make it onto Saturday Night Live to how the BBC nearly erased the entire first season of Monty Python's Flying Circus—*Poking a Dead Frog* is a must-read for comedy buffs, writers and pop culture junkies alike.

30 rock business drunk: *Fat, Drunk, and Stupid* Matty Simmons, 2012-04-10 In 1976 the creators of National Lampoon, America's most popular humor magazine, decided to make a movie. It would be set on a college campus in the 1960s, loosely based on the experiences of Lampoon writers Chris Miller and Harold Ramis and Lampoon editor Doug Kenney. They named it *Animal House*, in honor of Miller's fraternity at Dartmouth, where the members had been nicknamed after animals. Miller, Ramis, and Kenney wrote a film treatment that was rejected and ridiculed by Hollywood studios—until at last Universal Pictures agreed to produce the film, with a budget of \$3 million. A cast was assembled, made up almost completely of unknowns. Stephen Furst, who played Flounder, had been delivering pizzas. Kevin Bacon was a waiter in Manhattan when he was hired to play Chip. Chevy Chase was considered for the role of Otter, but it wound up going to the lesser-known Tim Matheson. John Belushi, for his unforgettable role as Bluto, made \$40,000 (the movie's highest-paid actor). For four weeks in the fall of 1977, the actors and crew invaded the college town of Eugene, Oregon, forming their own sort of fraternity in the process. The hilarious, unforgettable movie they made wound up earning more than \$600 million and became one of America's most beloved comedy classics. It launched countless careers and paved the way for today's comedies from directors such as Judd Apatow and Todd Phillips. Bestselling author Matty Simmons was the founder of National Lampoon and the producer of *Animal House*. In *Fat, Drunk, and Stupid*, he draws from exclusive interviews with actors including Karen Allen, Kevin Bacon, Peter Riegert, and Mark Metcalf, director John Landis, fellow producer Ivan Reitman, and other key players—as well as behind-the-scenes photos—to tell the movie's outrageous story, from its birth in the New York offices of the National Lampoon to writing a script, assembling the perfect cast, the wild weeks of filming, and, ultimately, to the film's release and megasuccess. This is a hilarious romp through one of the biggest grossing, most memorable, most frequently quoted, and most celebrated comedies of all time.

30 rock business drunk: *Drunk* Jackson Biko, 2018

30 rock business drunk: *Drunk* Edward Slingerland, 2021-06-01 An entertaining and enlightening deep dive into the alcohol-soaked origins of civilization—and the evolutionary roots of humanity's appetite for intoxication (Daniel E. Lieberman, author of *Exercised*). While plenty of entertaining books have been written about the history of alcohol and other intoxicants, none have offered a comprehensive, convincing answer to the basic question of why humans want to get high in the first place. *Drunk* elegantly cuts through the tangle of urban legends and anecdotal impressions that surround our notions of intoxication to provide the first rigorous, scientifically-grounded explanation for our love of alcohol. Drawing on evidence from archaeology, history, cognitive neuroscience, psychopharmacology, social psychology, literature, and genetics, *Drunk* shows that our taste for chemical intoxicants is not an evolutionary mistake, as we are so often told. In fact, intoxication helps solve a number of distinctively human challenges: enhancing creativity, alleviating stress, building trust, and pulling off the miracle of getting fiercely tribal primates to cooperate with strangers. Our desire to get drunk, along with the individual and social benefits provided by drunkenness, played a crucial role in sparking the rise of the first large-scale societies. We would not have civilization without intoxication. From marauding Vikings and bacchanalian orgies to sex-starved fruit flies, blind cave fish, and problem-solving crows, *Drunk* is packed with fascinating case studies and engaging science, as well as practical takeaways for individuals and communities. The result is a captivating and long overdue investigation into humanity's oldest indulgence—one that explains not only why we want to get drunk, but also how it might actually be good for us to tie one on now and then.

30 rock business drunk: *How to Beat Up Anybody* Judah Friedlander, 2010-10-05 “World Champion” Judah Friedlander tells you How to Beat Up Anybody in this insanely hilarious satirical martial arts guide. Better known as an award-winning stand-up comic, actor, and star of *30 Rock*, Friedlander shares his adventures in butt-kicking with lucky readers in a self-defense handbook in the gut-busting vein of *The Truth About Chuck Norris*.

30 rock business drunk: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward

manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond. This is an adaptation of Introduction to Business by OpenStax. You can access the textbook as pdf for free at openstax.org. Minor editorial changes were made to ensure a better ebook reading experience. Textbook content produced by OpenStax is licensed under a Creative Commons Attribution 4.0 International License.

30 rock business drunk: This Naked Mind Annie Grace, 2018-01-02 This Naked Mind has ignited a movement across the country, helping thousands of people forever change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie’s own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. “You have given me my life back.” —Katy F., Albuquerque, New Mexico “This is an inspiring and groundbreaking must-read. I am forever inspired and changed.” —Kate S., Los Angeles, California “The most selfless and amazing book that I have ever read.” —Bernie M., Dublin, Ireland

30 rock business drunk: Alcoholics Anonymous Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article “Alcoholics Anonymous” by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA’s program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

30 rock business drunk: The Outrun: A Memoir Amy Liptrot, 2017-04-25 “It’s wild writing: sexy, unguarded, raw, and ardent ... highly recommended.”—The Millions After a decade of heavy partying and hard drinking in London, Amy Liptrot returns home to Orkney, a remote island off the

north of Scotland. The Outrun maps Amy's inspiring recovery as she walks along windy coasts, swims in icy Atlantic waters, tracks Orkney's wildlife, and reconnects with her parents, revisiting and rediscovering the place that shaped her. A Guardian Best Nonfiction Book of 2016 Sunday Times Top Ten Bestseller New Statesman Book of the Year

30 rock business drunk: Introduction to Probability Joseph K. Blitzstein, Jessica Hwang, 2014-07-24 Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

30 rock business drunk: Bossypants (Enhanced Edition) Tina Fey, 2011-04-05 Spirited and whip-smart, these laugh-out-loud autobiographical essays are a masterpiece from the Emmy Award-winning actress and comedy writer known for 30 Rock, Mean Girls, and SNL (Sunday Telegraph). Before Liz Lemon, before Weekend Update, before Sarah Palin, Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on Saturday Night Live; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon -- from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've always suspected: you're no one until someone calls you bossy. Includes Special, Never-Before-Solicited Opinions on Breastfeeding, Princesses, Photoshop, the Electoral Process, and Italian Rum Cake!

30 rock business drunk: Notes from the Bathroom Line Amy Solomon, 2021-03-30 A collection of never-before-seen humor pieces—essays, satire, short stories, poetry, cartoons, artwork, and more—from more than 150 of the biggest female comedians today, curated by Amy Solomon, a producer of the hit HBO shows *Silicon Valley* and *Barry*. With contributions from: Lolly Adefope • Maria Bamford • Aisling Bea • Lake Bell • Rachel Bloom • Rhea Butcher • Nicole Byer • D'Arcy Carden • Aya Cash • Karen Chee • Margaret Cho • Mary H.K. Choi • Amanda Crew • Rachel Dratch • Beanie Feldstein • Jo Firestone • Briga Heelan • Samantha Irby • Emily V. Gordon • Patti Harrison • Mary Holland • Jen Kirkman • Lauren Lapkus • Riki Lindhome • Kate Micucci • Natalie Morales • Aparna Nancherla • Yvonne Orji • Lennon Parham • Chelsea Peretti • Alexandra Petri • Natasha Rothwell • Amber Ruffin • Andrea Savage • Kristen Schaal • Megan Stalter • Beth Stelling • Cecily Strong • Sunita Mani • Geraldine Viswanathan • Michaela Watkins • Mo Welch • Sasheer Zamata • and many more. More than four decades ago, the groundbreaking book *Titters: The First Collection of Humor by Women* showcased the work of some of the leading female comedians of the 1970s like Gilda Radner, Candice Bergen, and Phyllis Diller. The book became an essential time capsule of an era, the first of its kind, that opened doors for many more funny women to smash the comedy glass-ceiling. Today, brilliant women continue to push the boundaries of just how funny—and edgy—they can be in a field that has long been dominated by men. In *Notes from the Bathroom Line*, Amy Solomon brings together all-new material from some of the funniest women in show business today—award-winning writers, stand-up comedians, actresses, cartoonists, and more. *Notes from the Bathroom Line* proves there are no limits to how funny, bad-ass, and revolutionary women can—and continue—to be.

30 rock business drunk: The Imperfectionists Tom Rachman, 2010-04-06 From the author of

The Italian Teacher, this acclaimed debut novel set in Rome follows the topsy-turvy lives of the denizens of an English language newspaper. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Janet Maslin, The New York Times • The Economist • NPR • Slate • The Christian Science Monitor • Financial Times • The Plain Dealer • Minneapolis Star Tribune • St. Louis Post-Dispatch • The Kansas City Star • The Globe and Mail • Publishers Weekly Look in the back of the book for a conversation between Tom Rachman and Malcolm Gladwell Fifty years and many changes have ensued since the paper was founded by an enigmatic millionaire, and now, amid the stained carpeting and dingy office furniture, the staff's personal dramas seem far more important than the daily headlines. Kathleen, the imperious editor in chief, is smarting from a betrayal in her open marriage; Arthur, the lazy obituary writer, is transformed by a personal tragedy; Abby, the embattled financial officer, discovers that her job cuts and her love life are intertwined in a most unexpected way. Out in the field, a veteran Paris freelancer goes to desperate lengths for his next byline, while the new Cairo stringer is mercilessly manipulated by an outrageous war correspondent with an outsize ego. And in the shadows is the isolated young publisher who pays more attention to his prized basset hound, Schopenhauer, than to the fate of his family's quirky newspaper. As the era of print news gives way to the Internet age and this imperfect crew stumbles toward an uncertain future, the paper's rich history is revealed, including the surprising truth about its founder's intentions. Spirited, moving, and highly original, *The Imperfectionists* will establish Tom Rachman as one of our most perceptive, assured literary talents.

30 rock business drunk: Thirty Rooms to Hide in Luke Sullivan, 2012 Author Luke Longstreet Sullivan has a simple way of describing his new memoir: "It's like *The Shining* . . . only funnier." And as this astonishing account reveals, the comment is accurate. *Thirty Rooms to Hide In* tells the story of Sullivan's father and his descent from being one of the world's top orthopedic surgeons at the Mayo Clinic to a man who is increasingly abusive, alcoholic, and insane, ultimately dying alone on the floor of a Georgia motel. For his wife and six sons, the years prior to his death were years of turmoil, anger, and family dysfunction; but somehow, they were also a time of real happiness for Sullivan and his five brothers, full of dark humor and much laughter. Through the 1950s and 1960s, the six brothers had a wildly fun and thoroughly dysfunctional childhood living in a forbidding thirty-room mansion, known as the Millstone, on the outskirts of Rochester, Minnesota. The many rooms of the immense home, as well as their mother's loving protection, allowed the Sullivan brothers to grow up as normal, mischievous boys. Against a backdrop of the times—the Cold War, the Cuban Missile Crisis, fallout shelters, JFK's assassination, and the Beatles—the cracks in their home life and their father's psyche continue to widen. When their mother decides to leave the Millstone and move the family across town, the Sullivan boys are able to find solace in each other and in rock 'n' roll. As *Thirty Rooms to Hide In* follows the story of the Sullivan family—at times grim, at others poignant—there is a wonderful, dark humor that lifts the narrative. Tragic, funny, and powerfully evocative of the 1950s and 1960s, *Thirty Rooms to Hide In* is a tale of public success and private dysfunction, personal and familial resilience, and the strange power of humor to give refuge when it is needed most, even if it can't always provide the answers.

30 rock business drunk: The Drunken Monkey Robert Dudley, 2014-05-01 Alcoholism, as opposed to the safe consumption of alcohol, remains a major public health issue. In this accessible book, Robert Dudley presents an intriguing evolutionary interpretation to explain the persistence of alcohol-related problems. Providing a deep-time, interdisciplinary perspective on today's patterns of alcohol consumption and abuse, Dudley traces the link between the fruit-eating behavior of arboreal primates and the evolution of the sensory skills required to identify ripe and fermented fruits that contain sugar and low levels of alcohol. In addition to introducing this new theory of the relationship of humans to alcohol, the book discusses the supporting research, implications of the hypothesis, and the medical and social impacts of alcoholism. *The Drunken Monkey* is designed for interested readers, scholars, and students in comparative and evolutionary biology, biological anthropology, medicine, and public health.

30 rock business drunk: A Carlin Home Companion Kelly Carlin, 2015-09-15 From the

daughter of the iconoclastic comedic performer, Kelly Carlin's memoir *A Carlin Home Companion: Growing Up with George* "is written in the DNA of a Carlin, honest, biting, savage, funny, sad, dark, and profound...Hold on; like George Carlin, this book gives you a hell of a ride" (New York Times bestselling author and multi-award-winning comedian Lewis Black). Truly the voice of a generation, George Carlin gave the world some of the most hysterical and iconic comedy routines of the last fifty years. From the "Seven Dirty Words" and "A Place for My Stuff", to "Religion is Bullshit" and "The American Dream", he perfected the art of making audiences double over with laughter while simultaneously making people wake up to the realities (and insanities) of life in the twentieth century. Few people glimpsed the inner life of this beloved comedian, but his only child, Kelly, was there to see it all. Born at the very beginning of his decades-long career in comedy, she slid around the "old Dodge Dart," as he and wife Brenda drove around the country to "hell gigs." She witnessed his transformation in the '70s, as he fought back against—and talked back to—the establishment; she even talked him down from a really bad acid trip a time or two ("Kelly, the sun has exploded and we have eight, no-seven and a half minutes to live!"). Kelly not only watched her father constantly reinvent himself and his comedy, but also had a front row seat to the roller coaster turmoil of her family's inner life—alcoholism, cocaine addiction, life-threatening health scares, and a crushing debt to the IRS. But having been the only "adult" in her family prepared her little for the task of her own adulthood. All the while, Kelly sought to define her own voice as she separated from the shadow of her father's genius. With rich humor and deep insight, Kelly Carlin pulls back the curtain on what it was like to grow up as the daughter of one of the most recognizable comedians of our time, and become a woman in her own right. This vivid, hilarious, heartbreaking story is at once singular and universal—it is a contemplation of what it takes to move beyond the legacy of childhood, and forge a life of your own.

30 rock business drunk: The Japanese Art of the Cocktail Masahiro Urushido, Michael Anstendig, 2021 The first cocktail book from the award-winning mixologist Masahiro Urushido of Katana Kitten in New York City, on the craft of Japanese cocktail making Katana Kitten, one of the world's most prominent and acclaimed Japanese cocktail bars, was opened in 2018 by highly-respected and award-winning mixologist Masahiro Urushido. Just one year later, the bar won 2019 Tales of the Cocktail Spirited Award for Best New American Cocktail Bar. Before Katana Kitten, Urushido honed his craft over several years behind the bar of award-winning eatery Saxon+Parole. In *The Japanese Art of the Cocktail*, Urushido shares his immense knowledge of Japanese cocktails with eighty recipes that best exemplify Japan's contribution to the cocktail scene, both from his own bar and from Japanese mixologists worldwide. Urushido delves into what exactly constitutes the Japanese approach to cocktails, and demystifies the techniques that have been handed down over generations, all captured in stunning photography.

30 rock business drunk: Dino Nick Tosches, 1999-04-13 From dealing blackjack in the small-time gangster town of Steubenville, Ohio, to carousing with the famous Rat Pack in a Hollywood he called home, Dean Martin lived in a grandstand, guttering life of booze, broads, and big money. He rubbed shoulders with the mob, the Kennedys, and Hollywood's biggest stars. He was one of America's favorite entertainers. But no one really knew him. Now Nick Tosches reveals the man behind the image--the dark side of the American dream. It's a wild, illuminating, sometimes shocking tale of sex, ambition, heartaches--and a life lived hard, fast, and without apologies.

30 rock business drunk: Sunshine Warm Sober Catherine Gray, 2021-06-10 The long-awaited sequel to *THE UNEXPECTED JOY OF BEING SOBER* 'Exquisite' - Fearne Cotton, Happy Place 'A paean to the longer-term pleasures of staying booze-free' - The Guardian 'The kind of book that changes lives, and very possibly saves them' - The Lancet Psychiatry 'A reflective, raw and riveting read. A beautiful book on what it takes to root for yourself' - Emma Gannon, Ctrl Alt Delete 'No other author writes about sober living with as much warmth or emotional range as Catherine Gray. Her deep insight into the subtle psychologies of drinking, and of life, means that everything she writes is both utterly relatable and stretches our minds. Hers is a rare wisdom.' - Dr Richard Piper, CEO, Alcohol Change UK What's it like to give up drinking forever? We know now that being teetotal for

one, three, even twelve months brings surprising joys and a recharged body... but nothing has been written about going years deep into being alcohol-free. As Catherine Gray, author of runaway success *The Unexpected Joy of Being Sober*, streaks towards a decade sober, she explores this uncharted territory in her trademark funny, disruptive and warm way. This is a must-read for anyone sober-curious, whether they've put down the bottle yet or not. Praise for *The Unexpected Joy of Being Sober*: 'Fascinating' - Bryony Gordon 'Truthful, modern and real' - Stylist 'Brave, witty and brilliantly written' - Marie Claire 'Gray's tale of going sober is uplifting and inspiring' - Evening Standard 'Not remotely preachy' - Sunday Times 'Jaunty, shrewd and convincing' - Sunday Telegraph 'Admirably honest, light, bubbly and remarkably rarely annoying' - Guardian 'An empathetic, warm and hilarious tale from a hugely likeable human' - The Lancet Psychiatry

30 rock business drunk: *Drinking with Strangers* Butch Walker, Matt Diehl, 2011-10-25 This memoir is enhanced with classic photos not found in the book, seven of Butch Walker's greatest hits, plus a brand new song, *Are You Getting All the Love You Need?*, only available here. Larger file size may cause longer download than expected. From his days with one-hit-wonder band the Marvelous 3 to his current work producing some of today's hottest talent - from Weezer and Katy Perry to Pink, Avril Lavigne, and Panic! at the Disco, Butch Walker has proven himself a major influence in contemporary pop music. *Drinking with Strangers* takes you into the studio and onto the stage, offering a rare glimpse into a life defined by raw talent, determination, a drive for perfection, and some ridiculous haircuts along the way. But the road to success wasn't easy. Walker's adventures taught him a number of life lessons he shares here with insight and candor, revealing the blessings of failure and what it's really like to spend your life going from gig to gig, drinking with strangers. A must-read for anyone who wants to make it in the music world, *Drinking With Strangers* reveals an insider's perspective on the impact of the digital revolution, the art of creative collaboration, and how to survive amongst cutthroat competitors who might steal your soul (and your song). Unflinchingly told, Walker's twenty-year journey of failing upwards becomes an unforgettable rite of passage.

30 rock business drunk: *Sleepless in Hollywood* Lynda Obst, 2013-06-11 The veteran producer and author of the bestseller *Hello, He Lied* takes a witty and critical look at the new Hollywood. Over the past decade, producer Lynda Obst gradually realized she was working in a Hollywood that was undergoing a drastic transformation. The industry where everything had once been familiar to her was suddenly disturbingly strange. Combining her own industry experience and interviews with the brightest minds in the business, Obst explains what has stalled the vast moviemaking machine. The calamitous DVD collapse helped usher in what she calls the New Abnormal (because Hollywood was never normal to begin with), where studios are now heavily dependent on foreign markets for profit, a situation which directly impacts the kind of entertainment we get to see. Can comedy survive if they don't get our jokes in Seoul or allow them in China? Why are studios making fewer movies than ever—and why are they bigger, more expensive and nearly always sequels or recycled ideas? Obst writes with affection, regret, humor and hope, and her behind-the-scenes vantage point allows her to explore what has changed in Hollywood like no one else has. This candid, insightful account explains what has happened to the movie business and explores whether it'll ever return to making the movies we love—the classics that make us laugh or cry, or that we just can't stop talking about.

30 rock business drunk: *Hammer of Witches* Shana Mlawski, 2013 Pursued by a secret witch-hunting arm of the Inquisition, 14-year-old bookmaker's apprentice Baltasar joins Columbus' expedition to escape and discovers secrets about his own past that his family had tried to keep hidden.

30 rock business drunk: *Unfaithful Music & Disappearing Ink* Elvis Costello, 2015 A personal introspective by the influential pop songwriter and performer traces his Liverpool upbringing, artistic influences, creative pursuit of original punk sounds, and emergence in the MTV world.

30 rock business drunk: *The 30-Day No Alcohol Challenge* James Swanwick, 2016-11-30 YOU'RE NOT AN ALCOHOLIC BUT SOMETIMES DRINK TOO MUCH... Are you often unmotivated, stressed, lacking energy and tired? Are you sick of hangovers? Do you want to stop missing out on

life, regain your health, improve your relationships and enjoy greater control, clarity, focus and freedom? When you quit alcohol for just 30 days, you can transform your life. You will look and feel better, save and make money and be happier. James Swanwick is a former social drinker. He is an Australian-American entrepreneur, award-winning journalist and former ESPN SportsCenter anchor. In this groundbreaking book, Swanwick reveals strategies for you to prepare for, and take, a break from alcohol. Learn how to easily reduce or stop drinking, identify what type of drinker you are, successfully socialize without drinking, relieve stress without alcohol and finally break your habit. Join thousands of people around the world taking the 30 Day No Alcohol Challenge and kick-start the healthier and happier you.

30 rock business drunk: Sitcom Saul Austerlitz, 2014-03-01 The form is so elemental, so basic, that we have difficulty imagining a time before it existed: a single set, fixed cameras, canned laughter, zany sidekicks, quirky family antics. Obsessively watched and critically ignored, sitcoms were a distraction, a gentle lullaby of a kinder, gentler America—until suddenly the artificial boundary between the world and television entertainment collapsed. In this book we can watch the growth of the sitcom, following the path that leads from *Lucy* to *The Phil Silvers Show*; from *The Dick Van Dyke Show* to *The Mary Tyler Moore Show*; from *M*A*S*H* to *Taxi*; from *Cheers* to *Roseanne*; from *Seinfeld* to *Curb Your Enthusiasm*; and from *The Larry Sanders Show* to *30 Rock*. Each sitcom episode is a self-enclosed world, a brief overturning of the established order of its universe before returning to the precise spot from which it had begun. In twenty-four episodes, *Sitcom* surveys the history of the form, and functions as both a TV mixtape of fondly remembered shows that will guide us to notable series and larger trends, and a carefully curated guided tour through the history of one of our most treasured art forms. Saul Austerlitz is the author of *Another Fine Mess: A History of the American Film Comedy*, named by Booklist as one of the ten best arts books of 2010, and *Money for Nothing: A History of the Music Video from the Beatles to the White Stripes*. His work has been published in the *New York Times*, *Los Angeles Times*, *Boston Globe*, *Slate*, and elsewhere.

30 rock business drunk: Zen Bender Stephanie Krikorian, 2019-08-15 Hooked on Self-Help Craving a quick fix: When the recession turned her life upside down, Stephanie Krikorian had to reinvent her life...and fast. She started ghostwriting self-help books for women. Between writing and researching she realized that everywhere she looked there was AFOG. Another freaking opportunity for growth. Soon she wasn't just writing each book; she was living them. This was the start of a ten-year zen bender of dieting, dating, journaling, meditating, and Marie-Kondo-ing on a quest for that ultimate self-help high. Fifty and fabulous: Stephanie Krikorian spent her forties trying all of the dating hacks to find love and respect, all of the diets to build self-esteem in a new body, and all of the spiritual guidance to become centered through self-care. On the brink of turning fifty she realized that being better wasn't what she craved; it was something else altogether. Learn to laugh at yourself and trust yourself: *Zen Bender* is the story of one woman's journey to radical acceptance, with some questionable advice along the way. A witty, moving, insightful story, the woman behind bestselling celebrity self-help books shares her story of being hooked on the self-help fix for a decade before learning that all the self-help in the world won't help you trust gut. A Self-confidence book for women: For anyone tired of promises to change everything in just thirty days, this book is a breath of fresh air. Readers who enjoyed self-confidence books for women like *The Universe Has Your Back*, *The Self-Love Experiment*, *The Gifts of Imperfection*, and *Yogabitch* will love the message of radical acceptance in *Zen Bender: A Decade-Long Enthusiastic Quest to Fix Everything (That Was Never Broken)*.

30 rock business drunk: I Am the New Black Tracy Morgan, Anthony Bozza, 2009-10-20 The outrageously funny, heartbreaking, and surprising story of Tracy Morgan's rise from ghetto wiseass to superstar comedian. Who is Tracy Morgan? The wildly unpredictable funnyman who rocketed to fame on *Saturday Night Live*? The Emmy-nominated actor behind the sly and ingenious character Tracy Jordan on the award-winning hit sitcom *30 Rock*, whose turbulent personal life often mirrors that of his fictional alter ego? Is he Chico Divine, the life of the party-any party, anytime,

anywhere—getting ladies pregnant everywhere he goes? Or is he a soulful, tender family man who emerged from a hardscrabble ghetto upbringing and, against all odds, achieved superstardom, raised a solid family, prevailed over a collection of lethal bad habits, and is still ascending new heights and coming into his own? The answer is: Tracy Morgan is all that. And a bag of potato chips with a 50¢ soda. When he was just a boy living in the Tompkins Projects in Bed-Stuy, Brooklyn, being funny was about survival. With the right snap, Tracy could shut down the playground bullies who picked on him and his physically disabled older brother. And with a wild enough prank, he could exact revenge on whoever stole his Pumas at the community pool. Later, being funny was about escape—from the untouchable sadness of his father's death, from the desperation of the drug dealer's trade, from the life-and-death battles waged on the streets of the South Bronx in the age of crack. But these days being funny is about living his dream—a dream born in the comedy clubs of Harlem and realized on shows like *Martin* and *Saturday Night Live*, where he was a cast member for seven years, and in movies like *The Longest Yard* and *Half-Baked*. With brutal honesty and his trademark take-no-prisoners humor, Tracy tells the story of his rise to fame, with all its highs and its many lows—from the very public battles with alcohol and diabetes that threatened both his career and his life to the private and poignant end of his twenty-year marriage. In his singularly warped and brilliant way he muses on family, love, sex, race, politics, ambition, and what it takes to bring the funny. Hilarious, inspiring, searing, and touching, *I Am the New Black* is a fascinating peek inside the minds of one of the most compelling and defining comedians of our time.

30 rock business drunk: *Why Does He Do That?* Lundy Bancroft, 2003-09-02 In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely "This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

30 rock business drunk: *All My Sons* Arthur Miller, 1974 THE STORY: During the war Joe Keller and Steve Deever ran a machine shop which made airplane parts. Deever was sent to prison because the firm turned out defective parts, causing the deaths of many men. Keller went free and made a lot of money. The

30 rock business drunk: *Amber & Dusk* Lyra Selene, 2018-11-27 In a magical world where the sun never sets, a gifted girl dreams to be in the royal court but once inside, she may not be prepared for the drama. Sylvie has always known she deserves more. Out in the permanent twilight of the Dusklands, her guardians called her power to create illusions a curse. But Sylvie knows it gives her a place in Coeur d'Or, the palais of the Amber Empress and her highborn legacies. So Sylvie sets off toward the Amber City, a glittering jewel under a sun that never sets, to take what is hers. But her hope for a better life is quickly dimmed. The empress invites her in only as part of a wicked wager among her powerful courtiers. Sylvie must assume a new name, Mirage, and begin to navigate secretive social circles and deadly games of intrigue in order to claim her spot. Soon it becomes apparent that nothing is as it appears and no one, including her cruel yet captivating sponsor, Sunder, will answer her questions. As Mirage strives to seize what should be her rightful place, she'll have to consider whether it is worth the price she must pay . . . Lyra Selene weaves a lush and thrilling story of sacrifice, secrets, and star-crossed love set in a Parisian-inspired world where the sun never sets in this remarkable YA fantasy debut. Praise for *Amber & Dusk* "A shimmering tapestry of language, woven through with soaring beauty and subtle menace." —Sara Holland, *New*

York Times–bestselling author of the Everless series “Full of riotous color, fantastical locations, and surprising plot twists.” —School Library Journal

30 rock business drunk: *If the Raindrops United* Judah Friedlander, 2015-10-20 A book of hilarious and ingenious comic drawings from the popular 30 Rock star and World Champion comedian Judah Friedlander, hailed by Tina Fey as one of the all-time great weirdos. Most Americans know Judah Friedlander from his role as Frank Rossitano on 30 Rock and from appearances in films like *American Splendor* and *The Wrestler*. But long before he became a film and TV star and stand-up comic Friedlander drew stuff. Now, in this quirky, hilarious, and surprisingly profound collection of drawings, Friedlander shows a new side to his terrifically entertaining (New York Times) comedy. Whether imagining George Washington in Las Vegas, plastic surgery for imperfect triangles, and the Keystone Pipeline as a sex act, Friedlander's Joodles push boundaries as they explore the absurdities of American life, sex, and even history and human rights. *If the Raindrops United* is a milestone in the career of one of America's most inventive comedians. Praise for *If the Raindrops United*: Judah has drawn a weird and funny book in the grand '70s tradition of B. Kliban! I think this book will probably fix the world. -- Tina Fey Some people meditate. Some people masturbate. But if you don't have the time or patience for either of those, I recommend reading *If the Raindrops United* to calm down, have a little laugh, or a big think. -- Susan Sarandon I've known Judah for many years and I still don't understand how his mind works, but it sure works. Seriously strange. Seriously funny. A National Treasure. Sadly, I need to get a restraining order against him. -- Paul Giamatti Judah thank you for writing a funny twisted book. It is such an easy read. Even dum dums like me can enjoy it!!! Buy this book. -- Dave Attell Judah's drawings are deceptively simple, yet they become more compelling with every page. His talent as an actor/writer/comedian is further conveyed in ANOTHER medium. He's a Quadruple Threat. He wears many hats. Literally. -- Janeane Garofalo Reading Judah Friedlander's new book is a lot like hanging out with Judah himself: occasionally baffling, frequently thought-provoking, but, most of all, consistently hilarious! --Mick Foley To compare Judah Friedlander to a great cartoonist like Jim Davis would be a compliment to Jim Davis. -- Wyatt Cenac Another hit from The World Champ tackling the signs and symbols you frequently question while dropping hot lava in your American Standard VorMax. -- Eddie Huang

30 rock business drunk: *Man on the Run* Tom Doyle, 2013 Based on exclusive first-hand interviews, a chronicle of Paul McCartney's struggles in the first decade after the Beatles' breakup discusses his reclusive life, substance abuses, arrests, and efforts to launch his band Wings.

30 rock business drunk: *The Green and the Black* Gary Sernovitz, 2016-02-23 Gary Sernovitz leads a double life. A typical New York liberal, he is also an oilman - a fact his left-leaning friends let slide until the word fracking entered popular parlance. How can you frack? they suddenly demanded, aghast. But for Sernovitz, the real question is, What happens if we don't? Fracking has become a four-letter word to environmentalists. But most people don't know what it means. In his fast-paced, funny, and lively book, Sernovitz explains the reality of fracking: what it is, how it can be made safer, and how the oil business works. He also tells the bigger story. Fracking was just one part of a shale revolution that shocked our assumptions about fueling America's future. The revolution has transformed the world with consequences for the oil industry, investors, environmentalists, political leaders, and anyone who lives in areas shaped by the shales, uses fossil fuels, or cares about the climate - in short, everyone. Thanks to American engineers' oilfield innovations, the United States is leading the world in reducing carbon emissions, has sparked a potential manufacturing renaissance, and may soon eliminate its dependence on foreign energy. Once again the largest oil and gas producer in the world, America has altered its balance of power with Russia and the Middle East. Yet the shale revolution has also caused local disruptions and pollution. It has prolonged the world's use of fossil fuels. Is there any way to reconcile the costs with the benefits of fracking? To do so, we must start by understanding fracking and the shale revolution in their totality. *The Green and the Black* bridges the gap in America's energy education. With an

insider's firsthand knowledge and unprecedented clarity, Sernovitz introduces readers to the shales - a history-upturning Internet of oil - tells the stories of the shale revolution's essential characters, and addresses all the central controversies. To capture the economic, political, and environmental prizes, we need to adopt a balanced, informed perspective. We need to take the green with the black. Where we go from there is up to us.

30 rock business drunk: Punch-Drunk Love Paul Thomas Anderson, 2002-11-21

Writer/director Anderson follows up his acclaimed Academy Award-nominated *Magnolia* with *Punch-Drunk Love*, winner of the Best Director Award in the 2002 Cannes Film Festival—a film starring Adam Sandler and Emily Watson. 25 photos.

30 rock business drunk: Takin' Care of Business George Case, 2021-03-05 By the early 1970s, practically everyone under a certain age liked rock music, but not everyone liked it for the same reasons. We typically associate the sounds of classic rock 'n' roll with youthful rebellion by juvenile delinquents, student demonstrators, idealistic hippies, or irreverent punks. But in this insightful and timely book, author George Case shows how an important strain of rock music from the late 1960s onward spoke to and represented an idealized self-portrait of a very different audience: the working-class 'Average Joes' who didn't want to change the world as much as they wanted to protect their perceived place within it. To the extent that working-class populism describes an authentic political current, it's now beyond a doubt that certain musicians and certain of their songs helped define that current. By now, rock 'n' roll has cast a long shadow over hundreds of millions of people around the world not just over reckless kids, but over wage-earning parents and retired elders; not just over indignant youth challenging authority, but over indignant adults challenging their own definition of it. Not only have the politics of rock fans drifted surprisingly rightward since 1970; some rock, as Case argues, has helped reset the very boundaries of left and right themselves. That God, guns, and Old Glory can be understood to be paid fitting tribute in a heavy guitar riff delivered by a long-haired reprobate in blue jeans but that #Me Too, Occupy Wall Street or Black Lives Matter might not hints at where those boundaries now lie.
