Keywords: 300 questions to ask before marriage islam, Islamic marriage, premarital counseling, Muslim marriage, Islamic relationship advice, compatibility in marriage, premarital checklist, successful marriage Islam, marriage preparation Islam, Islamic family planning.

Summary: This analysis examines the influence of resources like "300 Questions to Ask Before Marriage Islam" on contemporary Muslim marriage preparation. It explores the benefits and potential drawbacks of such extensive question lists, considering their effectiveness in fostering open communication, identifying potential compatibility issues, and ultimately contributing to stronger, more fulfilling Islamic marriages. The analysis also discusses the importance of considering cultural nuances, individual contexts, and the potential for reliance on checklists to overshadow deeper, more meaningful dialogue.

1. The Rise of Premarital Questionnaires: A Modern Trend in Islamic Marriage

The growing popularity of resources such as "300 Questions to Ask Before Marriage Islam" reflects a significant shift in how Muslim couples approach marriage preparation. In the past, premarital discussions often relied on informal advice from family and religious leaders. However, the increasing complexity of modern life, coupled with greater emphasis on individual autonomy and self-expression, necessitates a more structured and comprehensive approach. These questionnaires aim to facilitate open and honest communication about crucial aspects of life, helping couples

identify potential areas of conflict before entering into a lifelong commitment.

2. Benefits of Utilizing "300 Questions to Ask Before Marriage Islam"

A well-constructed resource like "300 Questions to Ask Before Marriage Islam" can offer several benefits:

Facilitating Open Communication: The structured format encourages couples to address potentially sensitive topics that might otherwise be avoided. This open communication is crucial for building a strong foundation of trust and understanding.

Identifying Compatibility Issues: The questions explore diverse aspects of life, from financial management and family planning to personal values and religious beliefs, allowing couples to assess their compatibility on multiple levels. Addressing these issues early can prevent future conflicts.

Setting Realistic Expectations: The comprehensive nature of "300 Questions to Ask Before Marriage Islam" helps couples establish realistic expectations about marriage, avoiding idealized notions and preparing for the challenges ahead.

Providing a Framework for Discussion: Even if not every question is relevant to every couple, the list serves as a starting point for deeper conversations and self-reflection.

3. Potential Drawbacks and Critical Considerations

While "300 Questions to Ask Before Marriage Islam" presents numerous advantages, it is crucial to acknowledge potential drawbacks:

Over-Reliance on Checklists: The emphasis on a comprehensive checklist might overshadow the importance of genuine emotional connection and deeper, more nuanced conversations. Reducing the complexities of human relationships to a series of questions can be overly simplistic.

Cultural and Contextual Variations: The questions need to be adaptable to diverse cultural backgrounds and individual circumstances. A standardized list might not adequately address the unique needs and challenges faced by different Muslim communities.

Risk of Judgment and Comparison: The process of answering such a vast number of questions can inadvertently lead to self-doubt, comparison with other couples, or judgment about one's own readiness for marriage.

Potential for Conflict: If not handled sensitively, the process of answering some of the questions within "300 Questions to Ask Before Marriage Islam" could trigger disagreements or intensify existing tensions.

4. The Importance of Context and Nuance in Islamic Marriage Preparation

It's critical to understand that "300 Questions to Ask Before Marriage Islam," or any similar resource, should be viewed as a tool, not a definitive guide. The questions should stimulate meaningful discussions, not replace them. The process should be approached with empathy, understanding, and a focus on building a strong, mutually respectful relationship. The resource's success hinges on the couple's ability to use it as a springboard for open, honest, and loving conversations.

5. The Role of Religious Guidance and Marital Counseling

While "300 Questions to Ask Before Marriage Islam" can be helpful, it shouldn't replace guidance from religious scholars and experienced marital counselors. These professionals can offer personalized advice, address specific concerns, and provide a safe space for couples to explore sensitive issues.

6. The Future of Premarital Resources for Muslim Couples

The trend of using premarital questionnaires, like "300 Questions to Ask Before Marriage Islam," is likely to continue, reflecting the evolving needs of Muslim couples in a rapidly changing world. Future resources should strive to be more inclusive, culturally sensitive, and focus on promoting meaningful dialogue rather than simply ticking off a list of questions.

7. Conclusion

"300 Questions to Ask Before Marriage Islam," and similar resources, represent a valuable contribution to the field of Islamic marriage preparation. However, their effectiveness depends on how they are used. When utilized thoughtfully and in conjunction with religious guidance and professional counseling, these resources can facilitate open communication, identify potential compatibility issues, and ultimately contribute to stronger, more fulfilling marriages. However, it is crucial to avoid over-reliance on checklists, recognize cultural nuances, and prioritize genuine emotional connection over simply answering a predetermined list of questions.

FAQs

1. Are there any specific Islamic teachings that should be incorporated while using "300 Questions to Ask Before Marriage Islam"? Yes, Islamic principles of respect, honesty, compassion, and commitment should guide all discussions. 300 questions to ask before marriage islam: Fierce Marriage Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table.

The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

300 questions to ask before marriage islam: *Ayesha at Last* Uzma Jalaluddin, 2019-06-04 As seen on The Today Show! One of the best summer romance picks! One of Publishers Weekly Best Romance Books of 2019! A modern-day Muslim Pride and Prejudice for a new generation of love. Ayesha Shamsi has a lot going on. Her dreams of being a poet have been set aside for a teaching job so she can pay off her debts to her wealthy uncle. She lives with her boisterous Muslim family and is always being reminded that her flighty younger cousin, Hafsa, is close to rejecting her one hundredth marriage proposal. Though Ayesha is lonely, she doesn't want an arranged marriage. Then she meets Khalid, who is just as smart and handsome as he is conservative and judgmental. She is irritatingly attracted to someone who looks down on her choices and who dresses like he belongs in the seventh century. When a surprise engagement is announced between Khalid and Hafsa, Ayesha is torn between how she feels about the straightforward Khalid and the unsettling new gossip she hears about his family. Looking into the rumors, she finds she has to deal with not only what she discovers about Khalid, but also the truth she realizes about herself.

300 questions to ask before marriage islam: *Pre-Engagement* David Powlison, John Yenchko, 2000-05-01 How do you know if you're ready to marry? What are the signs that a man and a woman are heading in the same direction and are right for each other? In this booklet a biblical counselor and a pastor team up to offer five pertinent questions that will help couples decide whether to commit themselves to each other for life. These questions bring to light basic convictions, assumptions, expectations, priorities, and more. As couples think through and discuss them, they will get to know themselves and each other better—a wise investment toward building a marriage on a solid foundation, with Christ at the center.

300 questions to ask before marriage islam: *Islamic Guide to Sexual Relations* Muhammad Ibn Adam al-Kawthari, 2020-08-19 Fulfilment of sexual desire and needs are key in sustaining a harmonious marital relationship. However, in today's society, sexual boundaries are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are permissible in Shari'ah. *Islamic Guide to Sexual Relations* is a serious endeavour to tackle these sensitive matters in a clear and concise manner. While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one's spouse. The book covers a wide range of issues, and thus, answers many frequently asked questions on the topic of sexual relations. It concludes with a short chapter addressing Islamic etiquettes and practises pertaining to newlyweds on their first night.

300 questions to ask before marriage islam: *Let the Nations be Glad* John Piper, 2020-05-21 'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a

sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

300 questions to ask before marriage islam: Sea Without Shore Noah Ha Mim Keller, 2011

300 questions to ask before marriage islam: So Long a Letter Mariama Bâ, 2012-05-06 Written by award-winning African novelist Mariama Bâ and translated from the original French, *So Long a Letter* has been recognized as one of Africa's 100 Best Books of the 20th Century. The brief narrative, written as an extended letter, is a sequence of reminiscences —some wistful, some bitter—recounted by recently widowed Senegalese schoolteacher Ramatoulaye Fall. Addressed to a lifelong friend, Aissatou, it is a record of Ramatoulaye's emotional struggle for survival after her husband betrayed their marriage by taking a second wife. This semi-autobiographical account is a perceptive testimony to the plight of educated and articulate Muslim women. Angered by the traditions that allow polygyny, they inhabit a social milieu dominated by attitudes and values that deny them status equal to men. Ramatoulaye hopes for a world where the best of old customs and new freedom can be combined. Considered a classic of contemporary African women's literature, *So Long a Letter* is a must-read for anyone interested in African literature and the passage from colonialism to modernism in a Muslim country. Winner of the prestigious Noma Award for Publishing in Africa.

300 questions to ask before marriage islam: Closer Than a Garment - Marital Intimacy Al-Jibaly, Ibn Kathir, 2018-12-06 This book covers various aspects of marriage according to the authentic Sunnah. Marriage plays a most central role in the human life, and has been largely discussed by the scholars of Islam through the ages, resulting in numerous writings and treatises. This unique title covers a number of different aspects in marriage, including human sexuality, Islamic etiquettes of intimacy, prohibited acts of intimacy, ghusl, the 'awrah, zina', birth control, indecent acts, and more.

300 questions to ask before marriage islam: Undercover Jihadi Bride Anna Erelle, 2016-02-11 Previously published as 'In the Skin of a Jihadist' Twenty-year-old 'Mélodie', a recent convert to Islam, meets the leader of an ISIS brigade on Facebook. In 48 hours he has 'fallen in love' with her, calls her every hour, urges her to marry him, join him in Syria in a life of paradise - and join his jihad. Anna Erelle is the undercover journalist behind 'Melodie'. Created to investigate the powerful propaganda weapons of Islamic State, 'Melodie' is soon sucked in by Bilel, right-hand man of the infamous Abu Bakr al-Baghdadi. An Iraqi for whose capture the US government has promised \$10 million, al-Baghdadi is described by Time Magazine as the most dangerous man in the world and by himself as the caliph of Islamic State. Bilel shows off his jeep, his guns, his expensive watch. He boasts about the people he has just killed. With Bilel impatient for his future wife, 'Melodie' embarks on her highly dangerous mission, which - at its ultimate stage - will go very wrong ... Enticed into this lethal online world like hundreds of other young people, including many young British girls and boys, Erelle's harrowing and gripping investigation helps us to understand the true face of

terrorism.

300 questions to ask before marriage islam: Exploring Religious Diversity and Covenantal Pluralism in Asia Dennis R. Hoover, 2022-12-26 This book examines the growing diversity of religions and worldviews across South & Central Asia, and the factors affecting prospects for 'covenantal pluralism' in these regions. Going beyond banal appeals for mere 'tolerance', the theory of covenantal pluralism calls for a constitutional order of religious freedom and equal treatment combined with a culture of practical religious literacy and everyday virtues of engagement across lines of religious difference. According to the Pew Religious Diversity Index, half of the world's most religiously diverse countries are in Asia. The presence of deep religious/worldview difference is often seen as a potential threat to socio-political cohesion or even as a source of violent conflict. Yet in Asia (as elsewhere) the degree of this diversity is not consistently associated with socio-political problems. Indeed, while religious difference is implicated in some social challenges, there are also many instances of respectful multi-faith engagement, practical collaboration, and peaceful debate. Volume II offers a pioneering exploration of the prospects for this robust and non-relativistic type of pluralism in South & Central Asia. (Volume I examined East & Southeast Asia.) The chapters in these volumes originally appeared as research articles in a series on covenantal pluralism published by The Review of Faith & International Affairs.

300 questions to ask before marriage islam: Yes, I'm Hot in This Huda Fahmy, 2018-12-11 "Fahmy uses humor to work through stereotypes and tell stories about nuanced hijabi characters." —The Washington Post Popular Instagram cartoonist and Muslim-American Huda Fahmy presents a hilarious, relatable, and painfully honest new collection of comics that break down barriers and show how universal our everyday problems, worries, and joys actually are. At some point in our lives, we've all felt a little out of place. Huda Fahmy has found it's a little more difficult to fade into the crowd when wearing a hijab. In *Yes, I'm Hot in This*, Huda navigates the sometimes-rocky waters of life from the unique perspective of a Muslim-American woman, breaking down misconceptions of her culture one comic at a time. From recounting the many questions she gets about her hijab every day (yes, she does have hair) and explaining how she runs in an abaya (just fine, thank you) to dealing with misconceptions about Muslims, *Yes, I'm Hot in This* tackles universal feelings from an point of view we don't hear from nearly enough. Every one of us have experienced love, misunderstanding, anger, and a deep desire for pizza. In *Yes, I'm Hot in This*, Huda's clever comics demonstrate humor's ability to bring us together, no matter how different we may appear on the surface.

300 questions to ask before marriage islam: The Lawful and the Prohibited in Islam (Al-Halal Wal Haram Fil Islam) Yusuf Al-Qaradawi, 1999-01-30 *The Lawful and the Prohibited in Islam* is a long-awaited translation of Dr. Yusuf Al-Qaradawi's well-known Arabic work, *Al-Halal Al-Haram Fil-Islam*. Over the years since its first publication in 1960, this volume has enjoyed a huge readership in the Arabic speaking world and is now in its 20th edition. It came to dispel the ambiguities surrounding the honorable Shari'ah, and to fulfill the essential needs of the Muslims in this age. It clarifies the Halal (Lawful) and why it is Halal, and the Haram (Prohibited) and why it is Haram, referring to the Book of Allah and the Sunnah of His Messenger (peace be on him). It answers all the questions which may face the Muslims today, and refutes the ambiguities and lies about Islam. In a very simple way, *Al-Halal Al-Haram Fil-Islam* delves into the authentic references in Islamic jurisprudence and fiqh. It therefrom extracts judgments of interest to contemporary Muslims in the areas of worship, business dealings, marriage and divorce, food and drink, dress and ornaments, patterns of behavior, individual and group relations, family and social ethics, habits and social customs. Referring to authentic texts, it clarifies that Permission is the rule in everything, unless it is otherwise specified in matters that adversely affect individuals or groups. It also clarifies that Allah is the only authority who has the right to legislate for the lawful and the prohibited.

300 questions to ask before marriage islam: *God, Technology, and the Christian Life* Tony

Reinke, 2021-12-09 What Does God Think about Technology? From smartphones to self-driving cars to space travel, new technologies can inspire us. But the breakneck pace of change can also frighten us. So how do Christians walk by faith through the innovations of Silicon Valley? And how does God relate to our most powerful innovators? To build a biblical theology of technology, journalist and tech optimist Tony Reinke examines nine key texts from Scripture to show how the world's discoveries are divinely orchestrated. Ultimately, what we believe about God determines how we respond to human invention. With the help of several theologians and inventors throughout history, Reinke dispels twelve common myths in the church and offers fourteen ethical convictions to help Christians live by faith in the age of big tech. *Biblical, Informed Look at Technology: Written by the author of 12 Ways Your Phone Is Changing You and Competing Spectacles: Treasuring Christ in the Media Age Gathers Ideas from Industry Experts and Theologians: Interacts with Christian and non-Christian sources on technology and theology including John Calvin, Herman Bavinck, Wendell Berry, and Elon Musk Educational: Discusses the history and philosophy behind major technological innovations*

300 questions to ask before marriage islam: *Islamic and Comparative Religious Studies*

William A. Graham, 2017-05-15 William A. Graham, a leading international scholar in the field of Islamic Studies, gathers together his selected writings under three sections: 1. History and Interpretation of Islamic Religion; 2. The Qur'an as Scripture, and 3. Scripture in the History of Religion. Each section opens with a new introduction by Graham, and a bibliography of his works is included. Graham's work in Islamic studies focuses largely on the analysis and interpretation of the religious dimensions of ritual action, scriptural piety, textual authority/revelation, tradition, and major concepts, such as grace and transcendence. His work in the comparative history of religion has focused in particular on the 'problem' of scripture as a cross-cultural religious phenomenon that is more complex than simply 'sacred text'. This invaluable resource will be of primary interest to students of the Islamic tradition, especially as regards Qur'anic piety, Muslim 'ritual' practice, and

fundamental structures of Islamic thought, and to students of the comparative history of religion, especially as regards the phenomenon of 'scripture' and its analogs.

300 questions to ask before marriage islam: Contemporary Bioethics Mohammed Ali Al-Bar, Hassan Chamsi-Pasha, 2015-05-27 This book discusses the common principles of morality and ethics derived from divinely endowed intuitive reason through the creation of al-fitr' a (nature) and human intellect (al-'aql). Biomedical topics are presented and ethical issues related to topics such as genetic testing, assisted reproduction and organ transplantation are discussed. Whereas these natural sources are God's special gifts to human beings, God's revelation as given to the prophets is the supernatural source of divine guidance through which human communities have been guided at all times through history. The second part of the book concentrates on the objectives of Islamic religious practice - the maqa' sid - which include: Preservation of Faith, Preservation of Life, Preservation of Mind (intellect and reason), Preservation of Progeny (al-nasl) and Preservation of Property. Lastly, the third part of the book discusses selected topical issues, including abortion, assisted reproduction devices, genetics, organ transplantation, brain death and end-of-life aspects. For each topic, the current medical evidence is followed by a detailed discussion of the ethical issues involved.

300 questions to ask before marriage islam: Biblical Nonsense Jason Long, 2005 The Bible is not the word of God. Biblical Nonsense is a broad look at the tremendous problem of associating divinity with the world's most popular book. This part-philosophical, part-scientific overview explores the Bible's divine treachery, scientific mistakes, historical errors, false prophecies, and comical absurdities. Biblical Nonsense also expands beyond these standard reasons for skepticism by tackling the rationale behind the emergence and perpetuation of Christianity, psychological and sociocultural reasons that drive Christians to cling to their beliefs, and illogical methods of argumentation invoked in the defense of the Bible. Author Dr. Jason Long is a former Christian who condenses the most significant biblical problems into this single volume. Unlike other books in the field that delve into only one topic, this manuscript, comprehensible even to those who have never opened a Bible, is a full-fledged attempt to demonstrate that God's supposed word is a product of human minds, not divine inspiration. Dr. Long's fresh experiences in the church and advanced levels of educational enlightenment make him the perfect individual to present this vehemently unpopular, yet undeniably appealing topic.

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal

relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

300 questions to ask before marriage islam: The New Muslim's Field Guide Theresa Corbin, Kaighla Um Dayo, 2018-02 This is not your average *Welcome to Islam!* book. *The New Muslim's Field Guide* offers a fresh approach to guiding Muslim converts, focused on helping them grow as Muslims while maintaining their identity and love for God. Drawing on their shared decades of experience, Theresa and Kaighla walk the new Muslim through the hills and the valleys they'll encounter on their journey, helping the newcomer navigate the sometimes slippery cliffs of culture, politics, and interpersonal relationships. Injected with a healthy dose of humor and candor, *The New Muslim's Field Guide* discusses some of the deeper meanings behind belief and ritual, clarifies common sticky issues, and tells stories of triumph and failure on the journey of Islam.

300 questions to ask before marriage islam: What Is Marriage? Sherif Girgis, Ryan T. Anderson, Robert George, 2020-07-21 Until very recently, no society had seen marriage as anything other than a conjugal partnership: a male-female union. *What Is Marriage?* identifies and defends the reasons for this historic consensus and shows why redefining civil marriage as something other than the conjugal union of husband and wife is a mistake. Originally published in the *Harvard Journal of Law and Public Policy*, this book’s core argument quickly became the year’s most widely read essay on the most prominent scholarly network in the social sciences. Since then, it has been cited and debated by scholars and activists throughout the world as the most formidable defense of the tradition ever written. Now revamped, expanded, and vastly enhanced, *What Is Marriage?* stands poised to meet its moment as few books of this generation have. Sherif Girgis, Ryan T. Anderson, and Robert P. George offer a devastating critique of the idea that equality requires redefining marriage. They show why both sides must first answer the question of what marriage really is. They defend the principle that marriage, as a comprehensive union of mind and body ordered to family life, unites a man and a woman as husband and wife, and they document the social value of applying this principle in law. Most compellingly, they show that those who embrace same-sex civil marriage leave no firm ground—none—for not recognizing every relationship describable in polite English, including polyamorous sexual unions, and that enshrining their view would further erode the norms of marriage, and hence the common good. Finally, *What Is Marriage?* decisively answers common objections: that the historic view is rooted in bigotry, like laws forbidding interracial marriage; that it is callous to people’s needs; that it can’t show the harm of recognizing same-sex couplings or the point of recognizing infertile ones; and that it treats a mere “social construct” as if it were natural or an unreasoned religious view as if it were rational.

300 questions to ask before marriage islam: How Marriage Became One of the Sacraments Philip L. Reynolds, 2016-06-30 An indispensable guide to how marriage acquired the status of a sacrament. This book analyzes in detail how medieval theologians explained the place of matrimony in the church and her law, and how the bitter debates of the sixteenth century elevated the doctrine to a dogma of the Catholic faith.

300 questions to ask before marriage islam: The Autobiography of Malcolm X Malcolm X, Alex Haley, 1965 Malcolm X's blazing, legendary autobiography, completed shortly before his assassination in 1965, depicts a remarkable life: a child born into rage and despair, who turned to street-hustling and cocaine in the Harlem ghetto, followed by prison, where he converted to the

Black Muslims and honed the energy and brilliance that made him one of the most important political figures of his time - and an icon in ours. It also charts the spiritual journey that took him beyond militancy, and led to his murder, a powerful story of transformation, redemption and betrayal. Vilified by his critics as an anti-white demagogue, Malcolm X gave a voice to unheard African-Americans, bringing them pride, hope and fearlessness, and remains an inspirational and controversial figure today.

300 questions to ask before marriage islam: Youth and Spouse Selection Ali Akbar Mazaheri, 2015-11-12 This book suggests to the youth, solutions to only one of the burning problems of the day, marriage, from an Islamic perspective and viewpoint. The learned author, Mr. Ali Akbar Mazaheri, has put in a great deal of hard and sincere endeavour to illustrate Islamic solutions to this aspect of human life, particularly, the innocent youth of today, who are being misguided, confused and perverted by the immoral techno-propaganda of the imperialists, who have their own axe to grind to achieve their selfish and nasty objectives all around the globe. We hope that this useful book will be a guide for the perturbed youth and an answer to a part of their quest. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

300 questions to ask before marriage islam: From MTV to Mecca Kristiane Backer, 2012 In the early 1990s Kristiane Backer was one of the very first presenters on MTV (Europe). For some years she lived and breathed the international music scene quickly gaining a cult following amongst viewers and becoming a darling of the European press. As she reached the pinnacle of her success she realised that, despite having all she could have wished for, she was never truly satisfied. Something very important was missing. A fateful meeting with Pakistani cricket hero Imran Khan changed her life. He invited her to his country where she encountered a completely different world to the one she knew, the religion and culture of Islam. A few years later (in 1995), after travelling more widely in the Islamic world and knowing that she had discovered her spiritual path, she embraced Islam in a London mosque. In this private memoir Kristiane Backer tells the story of her conversion and explains how faith, despite the many challenges she faced as she turned her life upside down, at last gave her inner peace and the meaning she had sought.
