365 daily writing prompts: *365 Journal Writing Ideas* Rossi Fox, 2013

365 daily writing prompts: **365 Creative Writing Prompts** T. M. Crane, 2017-06-20 This book has been written with the fiction writer in mind. It teaches writers, through writing each day of the year on a subject of their choice, how to use description, narrative and character development. Each of the exercises is simple to follow and gives scope to the writer to follow their own style. Writers are encouraged to use their imagination to enjoy the challenge of writing stories on given topics. There is a good variety of subjects and much is speculative, thus leaving the writer free to tackle the story in the manner he/she wants, although one section does encourage the use of first person narrative. Through the different subjects, writers are encouraged to use adjectives and to close their eyes and imagine the characters of their stories, so that they can present them in full color and with atmosphere to readers. Throughout the book, different interests are covered and writers don't have to take the obvious route. We encourage writers to take it a step further and conjure up their own ideas and make these come to life on the page. As they progress, they will learn about how to incorporate: -Descriptions -Colors -Words that sound alike -Narrative -Atmospheres Since each page allows writers the space to write out their story in journal format, we would suggest that writers use a notebook to gather together ideas before writing, thus having a direction for the story. This is particularly relevant in Twist in the Tail stories which lead to a surprising conclusion. Fiction strategy includes the following elements: -Character development using familiar people as models for their characters -Twists and turns to surprise readers -Excitement and tense drama The writing prompts give writers sufficient information to be able to come up with stories and the angle that they approach their story writing from should always be left to the writer as an individual choice. The writing prompts help the writer to create atmosphere, tension and twists and turns in their plot construction, all of which are important to writers in the fiction area. The book also contains popular genres such as erotica, mystery and suspense, murder, romance and love and all of the styles that are currently being sought by publishing companies. It's a good idea to practice because this highlights a writer's strengths and weaknesses and will usually dictate the kind of genre that a writer will choose as his trademark to success.

365 daily writing prompts: Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

365 daily writing prompts: The Daily Stoic Ryan Holiday, Stephen Hanselman, 2016-10-18

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.
