Baglione, 2018-12-31 Even students capable of writing excellent essays still find their first major political science research paper an intimidating experience. Crafting the right research question, finding good sources, properly summarizing them, operationalizing concepts and designing good tests for their hypotheses, presenting and analyzing quantitative as well as qualitative data are all tough-going without a great deal of guidance and encouragement. Writing a Research Paper in Political Science breaks down the research paper into its constituent parts and shows students what they need to do at each stage to successfully complete each component until the paper is finished. Practical summaries, recipes for success, worksheets, exercises, and a series of handy checklists make this a must-have supplement for any writing-intensive political science course.

The mother, Amaranth, is desperate to get away from someone she's convinced will follow them wherever they go: her husband. The girls, Amity and Sorrow, can't imagine what the world holds outside their father's polygamous compound. Rescue comes in the unlikely form of Bradley, a farmer grieving the loss of his wife. At first unwelcoming to these strange, prayerful women, Bradley's abiding tolerance gets the best of him, and they become a new kind of family. An unforgettable story of belief and redemption, *Amity & Sorrow* is about the influence of community and learning to stand on your own.
