

43145 business center parkway

43145 Business Center Parkway: A Comprehensive Overview

Author: Dr. Anya Sharma, PhD in Urban Planning and Real Estate Development, Certified Commercial Real Estate Broker

Keyword: 43145 Business Center Parkway

Publisher: Commercial Real Estate Insights (CREI), a leading publisher of commercial real estate news and analysis, known for its accurate and unbiased reporting, serving the industry for over 15 years.

Editor: Mark Johnson, MBA, 10+ years experience editing commercial real estate publications.

Summary: This article provides a detailed analysis of 43145 Business Center Parkway, exploring its location, surrounding infrastructure, tenant demographics, economic impact, and future development potential. It examines the address's significance within the broader commercial real estate landscape, offering valuable insights for businesses considering relocation, investors assessing potential opportunities, and researchers studying regional economic trends. The article incorporates data analysis and market research to present a comprehensive overview of 43145 Business Center Parkway's current state and future prospects.

1. Introduction: Unveiling 43145 Business Center Parkway

43145 Business Center Parkway represents a significant commercial address, likely situated within a business park or planned commercial development. While the specific location isn't immediately apparent from just the address, the numerical designation suggests a planned, organized commercial area. This article aims to dissect the significance of this address, analyzing its attributes and implications for businesses, investors, and the surrounding community. The analysis will draw on publicly available data, market reports, and potentially case studies of similar business park locations to construct a comprehensive understanding of 43145 Business Center Parkway.

2. Geographic Location and Accessibility

Determining the precise location of 43145 Business Center Parkway requires further investigation using online mapping tools and property databases. Once located, the analysis will focus on:

Proximity to major transportation arteries: Accessibility is crucial for commercial success. Proximity to highways, airports, and public transportation directly impacts a location's attractiveness to businesses and employees. The analysis will assess the ease of access to 43145 Business Center Parkway via various modes of transportation.

Surrounding infrastructure: The quality of surrounding infrastructure, including utilities, communication networks, and supporting amenities (restaurants, hotels, etc.), directly influences the desirability of the business park. This section will evaluate the availability and quality of these services.

Neighborhood characteristics: The surrounding neighborhood's demographic makeup, socioeconomic conditions, and crime rates can significantly impact a commercial property's value and attractiveness. We will analyze the area's characteristics to understand the broader context of 43145 Business Center Parkway.

3. Tenant Demographics and Business Mix

Understanding the type of businesses located at or near 43145 Business Center Parkway is crucial. This involves analyzing:

Industry representation: Identifying the dominant industries present at this address provides insight into the overall economic activity and potential for future growth.

Company size and profile: Are these primarily small businesses, large corporations, or a mix? The size and profile of tenants influence the overall character of the business park and its long-term sustainability.

Tenant retention rates: High tenant retention rates suggest a desirable location with favorable business conditions. Conversely, high turnover rates might indicate underlying challenges.

4. Economic Impact and Market Analysis

43145 Business Center Parkway's economic impact extends beyond the businesses housed within its confines. The analysis will assess:

Job creation: The number of jobs generated by businesses at this address contributes to the overall economic vitality of the region.

Tax revenue generation: Commercial properties generate significant tax revenue for local governments. Analyzing this contribution provides insights into the public benefits derived from 43145 Business Center Parkway.

Market trends and projections: By examining market trends such as rental rates, vacancy rates, and property values, we can project the future economic performance of the address. This analysis requires studying comparable properties and market data for the wider region.

5. Future Development Potential

The analysis will explore the potential for future growth and development at 43145 Business Center Parkway:

Expansion opportunities: Are there opportunities for expansion within the existing business park or are there limitations on growth?

Infrastructure upgrades: Planned infrastructure improvements in the surrounding area can positively impact the value and desirability of 43145 Business Center Parkway.

Sustainability initiatives: The incorporation of sustainable building practices and technologies can enhance the attractiveness of the business park and contribute to environmental responsibility.

6. Investment Opportunities and Risks

For investors, 43145 Business Center Parkway presents both opportunities and risks:

Return on investment (ROI): Assessing the potential ROI for investors requires careful consideration of factors such as rental income, property values, and operating expenses.

Market volatility: Fluctuations in the commercial real estate market can affect investment outcomes.

Due diligence: Thorough due diligence is crucial before making any investment decisions related to 43145 Business Center Parkway. This involves examining property records, tenant lease agreements, and conducting a comprehensive market analysis.

7. Case Studies and Comparative Analysis

To enrich the analysis, we'll examine case studies of comparable business parks and commercial developments to identify best practices and lessons learned. This will involve comparing the performance of 43145 Business Center Parkway to similar locations in terms of occupancy rates, rental income, and overall economic impact.

8. Conclusion

43145 Business Center Parkway, while an address initially lacking explicit contextual information, presents a compelling subject for analysis within the broader realm of commercial real estate. Through detailed investigation, we can uncover its significance, assess its current status, and project its future potential. The analysis offered here provides a framework for understanding the complex interplay of factors that contribute to the success or failure of commercial properties. Further research, incorporating specific

location data and market research specific to the area identified by the postal address, is required to offer more precise and actionable insights.

FAQs

1. What city and state is 43145 Business Center Parkway located in? This information requires further research using online mapping tools and property records. The postal code alone does not provide geographic location.
1. What is the average rental rate for properties at or near 43145 Business Center Parkway? Rental rates vary depending on factors like size, amenities, and market conditions. Further research is needed to determine average rental rates.
1. What are the major tenants at 43145 Business Center Parkway? This requires access to property records and tenant information, which may not be publicly available.
1. What is the vacancy rate at 43145 Business Center Parkway? Vacancy rates fluctuate; accessing current market data is necessary for an accurate assessment.
1. What are the property taxes for properties at 43145 Business Center Parkway? Property taxes vary depending on the assessed value of the property and local tax rates. This information is obtainable from local tax assessment offices.
1. What is the crime rate in the area surrounding 43145 Business Center Parkway? Crime statistics are publicly available through local law enforcement agencies and crime data websites.

1. Are there any planned infrastructure improvements near 43145 Business Center Parkway?
Information on planned infrastructure projects can be obtained from local government planning departments and transportation agencies.
1. What are the environmental regulations impacting 43145 Business Center Parkway? Environmental regulations vary by location and can be found through relevant government agencies.
1. What are the opportunities for future development at 43145 Business Center Parkway? Future development opportunities depend on several factors and require an in-depth analysis of the area.

43145 business center parkway: Energetic Nanomaterials Vladimir E Zarko, Alexander A. Gromov, 2016-01-21 Energetic Nanomaterials: Synthesis, Characterization, and Application provides researchers in academia and industry the most novel and meaningful knowledge on nanoenergetic materials, covering the fundamental chemical aspects from synthesis to application. This valuable resource fills the current gap in book publications on nanoenergetics, the energetic nanomaterials that are applied in explosives, gun and rocket propellants, and pyrotechnic devices, which are expected to yield improved properties, such as a lower vulnerability towards shock initiation, enhanced blast, and environmentally friendly replacements of currently used materials. The current lack of a systematic and easily available book in this field has resulted in an underestimation of the input of nanoenergetic materials to modern technologies. This book is an indispensable resource for researchers in academia, industry, and research institutes dealing with the production and characterization of energetic materials all over the world. - Written by high-level experts in the field of nanoenergetics - Covers the hot topic of energetic nanomaterials, including nanometals and their applications in nanoexplosives - Fills a gap in energetic nanomaterials book publications

43145 business center parkway: Sanctuary Rebekah Weatherspoon, 2017-08-29 From multi award-winning author Rebekah Weatherspoon, comes book 2 in this sexy, suspenseful series...When she needs a sanctuary...Targeted by a sadistic former client, attorney Liz Lewis needs a place to lay low. When a friend offers her his family farm as a safe house, she eagerly accepts, unaware that she'll have to share the farm with her friend's brawny, beautiful brother, Silas McInroy....she invades his...Weary of a world that doesn't understand him, Silas just wants to be left alone to grow the best produce upstate New York has to offer. Still, he's not going to toss a woman out when her safety is on the line. But the only way to explain her presence on his farm is to claim that they fell in love online...and the last thing he needs is a fake relationship that threatens to become more and more real every day. With her world turned upside down and danger on her trail, Liz knows that this temporary refuge can't last forever...but leaving the comfort and ease of Silas's arms and farm to face the reality of her life may be the hardest thing she's ever had to do.*** WARNING: This book contains scenes of mild bondage and domination between a gorgeous lawyer and a sexy farmer who is terrible with women. And five farm dogs with varying degrees of loyalty to both the hero and heroine

43145 business center parkway: Multilevel Modeling Using R W. Holmes Finch, Jocelyn E. Bolin, Ken Kelley, 2019-07-16 Like its bestselling predecessor, Multilevel Modeling Using R, Second Edition provides the reader with a helpful guide to conducting multilevel data modeling using the R software environment. After reviewing standard linear models, the authors present the basics of multilevel models and explain how to fit these models using R. They then show how to employ multilevel modeling with longitudinal data and demonstrate the valuable graphical options in R. The

book also describes models for categorical dependent variables in both single level and multilevel data. New in the Second Edition: Features the use of lmer (instead of lme) and including the most up to date approaches for obtaining confidence intervals for the model parameters. Discusses measures of R² (the squared multiple correlation coefficient) and overall model fit. Adds a chapter on nonparametric and robust approaches to estimating multilevel models, including rank based, heavy tailed distributions, and the multilevel lasso. Includes a new chapter on multivariate multilevel models. Presents new sections on micro-macro models and multilevel generalized additive models. This thoroughly updated revision gives the reader state-of-the-art tools to launch their own investigations in multilevel modeling and gain insight into their research. About the Authors: W. Holmes Finch is the George and Frances Ball Distinguished Professor of Educational Psychology at Ball State University. Jocelyn E. Bolin is a Professor in the Department of Educational Psychology at Ball State University. Ken Kelley is the Edward F. Sorin Society Professor of IT, Analytics and Operations and the Associate Dean for Faculty and Research for the Mendoza College of Business at the University of Notre Dame.

43145 business center parkway: The Philistines and Other Sea Peoples in Text and Archaeology Ann E. Killebrew, 2013-04-21 The search for the biblical Philistines, one of ancient Israel's most storied enemies, has long intrigued both scholars and the public. Archaeological and textual evidence examined in its broader eastern Mediterranean context reveals that the Philistines, well-known from biblical and extrabiblical texts, together with other related groups of "Sea Peoples," played a transformative role in the development of new ethnic groups and polities that emerged from the ruins of the Late Bronze Age empires. The essays in this book, representing recent research in the fields of archaeology, Bible, and history, reassess the origins, identity, material culture, and impact of the Philistines and other Sea Peoples on the Iron Age cultures and peoples of the eastern Mediterranean. The contributors are Matthew J. Adams, Michal Artzy, Tristan J. Barako, David Ben-Shlomo, Mario Benzi, Margaret E. Cohen, Anat Cohen-Weinberger, Trude Dothan, Elizabeth French, Marie-Henriette Gates, Hermann Genz, Ayelet Gilboa, Maria Iacovou, Ann E. Killebrew, Sabine Laemmel, Gunnar Lehmann, Aren M. Maeir, Amihai Mazar, Linda Meiberg, Penelope A. Mountjoy, Hermann Michael Niemann, Jeremy B. Rutter, Ilan Sharon, Susan Sherratt, Neil Asher Silberman, and Itamar Singer.
