Keywords: 4th of July Jeopardy questions, Independence Day Jeopardy, July 4th trivia, American history Jeopardy, patriotic Jeopardy questions, Jeopardy game questions, quiz questions, trivia questions, 4th of July quiz, holiday trivia.

Constructing Engaging 4th of July Jeopardy! Questions

The 4th of July, a celebration of American independence, offers a rich tapestry of historical events, iconic figures, and cultural traditions that are perfectly suited for Jeopardy!-style quizzes. Creating compelling 4th of July Jeopardy questions requires a blend of historical accuracy, engaging phrasing, and varying difficulty levels. This article delves into the methodologies and approaches necessary to craft a truly memorable 4th of July Jeopardy! experience.

I. Understanding the Jeopardy! Format

Before diving into specific questions, it's crucial to understand the Jeopardy! format itself. The core principle is to present the answer first, and the contestant must provide the corresponding question. This reversal of the typical question-and-answer dynamic necessitates a careful consideration of phrasing. The answer should be concise and unambiguous, while simultaneously hinting at the desired question without giving it away entirely.

II. Categorizing Your 4th of July Jeopardy! Questions

Categorization is key to organizing your 4th of July Jeopardy questions and ensuring a balanced game. Consider categories such as:

Founding Fathers: This category can focus on the lives, contributions, and beliefs of key figures like George Washington, Thomas Jefferson, Benjamin Franklin, and John Adams. Example: Answer: He was the principal author of the Declaration of Independence. Question: Who is Thomas Jefferson?

The Declaration of Independence: This category delves into the content, context, and impact of this pivotal document. Example: Answer: This phrase from the Declaration of Independence asserts that all men are created equal. Question: What is "all men are created equal"?

The Revolutionary War: This category explores the battles, strategies, and key figures of the American Revolutionary War. Example: Answer: This battle is considered a turning point in the Revolutionary War, boosting American morale. Question: What is the Battle of Saratoga?

American Symbols: This category focuses on the iconic symbols of American patriotism, such as the flag, the bald eagle, and the Liberty Bell. Example: Answer: This bird is a national symbol of the United States. Question: What is the bald eagle?

Post-Revolution America: This category can explore the challenges and triumphs of the newly formed

nation in the years following the war. Example: Answer: The first ten amendments to the Constitution.
Question: What is the Bill of Rights?

4th of July Traditions: This category delves into the various customs and celebrations associated with the holiday, from fireworks displays to barbecues. Example: Answer: This common 4th of July activity involves setting off explosive devices in the night sky. Question: What are fireworks?

III. Varying Difficulty Levels in your 4th of July Jeopardy Questions

Creating a balanced game requires questions of varying difficulty levels. For easier questions, consider straightforward facts or widely known information. For harder questions, incorporate nuanced details, require deeper historical understanding, or demand inferences. For example:

Easy: What is the date of American Independence Day? (Answer: July 4th, 1776)

Medium: Who was the commander of the Continental Army during the Revolutionary War? (Answer: George Washington)

Hard: What specific grievance in the Declaration of Independence refers to the quartering of British troops in colonial homes? (Answer: The Quartering Act)

IV. Crafting Engaging Wording for your 4th of July Jeopardy Questions

The wording of your 4th of July Jeopardy questions is crucial to their effectiveness. Avoid overly simplistic or overly complex phrasing. Aim for clarity and precision, while still maintaining an element of challenge. Use vivid language and evocative descriptions whenever possible. Consider using clues that require visual imagery or knowledge of specific events.

V. Testing and Refining Your 4th of July Jeopardy Questions

Before presenting your 4th of July Jeopardy questions to a wider audience, test them out on a smaller group. This allows you to identify any ambiguities, adjust difficulty levels, and ensure that the questions

are both challenging and engaging. Gather feedback on clarity, wording, and overall enjoyment.

VI. Utilizing Various Question Types for 4th of July Jeopardy Questions

Beyond the standard format, you can incorporate different question types to keep the game engaging:

Picture Clues: Show an image related to the 4th of July and ask for identification.

Audio Clues: Play a patriotic song or speech excerpt and ask for the title or speaker.

Multiple Choice: Offer a choice of answers for more challenging questions.

Conclusion

Creating compelling 4th of July Jeopardy! questions requires a meticulous approach that balances historical accuracy, engaging phrasing, and varied difficulty levels. By following the methodologies outlined above, you can craft a quiz that's both educational and entertaining, perfect for celebrating American independence. Remember, the key to a successful game is to challenge players while simultaneously fostering a fun and enriching experience.

FAQs

1. How many questions should I include in my 4th of July Jeopardy game? A typical Jeopardy game uses around 60 questions, divided into 6 categories with 5 questions each across three rounds. Adjust based on your time constraints.

1. Where can I find reliable sources for information on creating accurate 4th of July Jeopardy

questions? Reputable historical sources like the Library of Congress, the National Archives, and academic journals are excellent resources.

1. How can I make my 4th of July Jeopardy questions more engaging for children? Use simpler language, focus on visual clues, and incorporate fun facts related to popular culture and traditions.
1. Can I use copyrighted material in my 4th of July Jeopardy questions? Avoid using copyrighted material without permission. Stick to facts and publicly available information.
1. What are some tips for ensuring fair play in a 4th of July Jeopardy game? Clearly define rules beforehand, ensure questions are unambiguous, and maintain a fair scoring system.
1. How can I adapt my 4th of July Jeopardy questions for different age groups? Tailor the complexity and subject matter to the audience's knowledge level.
1. How can I create visually appealing slides or presentation for my 4th of July Jeopardy questions? Use attractive templates, clear fonts, and relevant images. PowerPoint or Google Slides are excellent tools.

1. What are some ways to make my 4th of July Jeopardy game more interactive? Incorporate audience participation, team challenges, or bonus rounds.
1. Are there any online resources available for generating or finding 4th of July Jeopardy questions? Several websites offer pre-made trivia questions or tools for creating custom quizzes.

Includes approximately 30 categories and 150 Q&As.

4th of july jeopardy questions: Creative Forecasting , 2005

4th of july jeopardy questions: Draft of the Declaration of Independence John Adams,

Thomas Jefferson, 2014-10-29 John Adams (October 30 1735 - July 4, 1826) was the second president of the United States (1797-1801), having earlier served as the first vice president of the United States (1789-1797). An American Founding Father, Adams was a statesman, diplomat, and a leading advocate of American independence from Great Britain. Well educated, he was an Enlightenment political theorist who promoted republicanism, as well as a strong central government, and wrote prolifically about his often seminal ideas-both in published works and in letters to his wife and key adviser Abigail Adams. Adams was a lifelong opponent of slavery, having never bought a slave. In 1770 he provided a principled, controversial, and successful legal defense to the British soldiers accused in the Boston Massacre, because he believed in the right to counsel and the protect[ion] of innocence. Adams came to prominence in the early stages of the American Revolution. A lawyer and public figure in Boston, as a delegate from Massachusetts to the Continental Congress, he played a leading role in persuading Congress to declare independence. He assisted Thomas Jefferson in drafting the Declaration of Independence in 1776, and was its primary advocate in the Congress. Later, as a diplomat in Europe, he helped negotiate the eventual peace treaty with Great Britain, and was responsible for obtaining vital governmental loans from Amsterdam bankers. A political theorist and historian, Adams largely wrote the Massachusetts Constitution in 1780, which together with his earlier Thoughts on Government, influenced American political thought. One of his greatest roles was as a judge of character: in 1775, he nominated George Washington to be commander-in-chief, and 25 years later nominated John Marshall to be Chief Justice of the United States. Adams' revolutionary credentials secured him two terms as George Washington's vice president and his own election in 1796 as the second president. During his one term as president, he encountered ferocious attacks by the Jeffersonian Republicans, as well as the dominant faction in his own Federalist Party led by his bitter enemy Alexander Hamilton. Adams signed the controversial Alien and Sedition Acts, and built up the army and navy especially in the face of an undeclared naval war (called the Quasi-War) with France, 1798-1800. The major accomplishment of his presidency was his peaceful resolution of the conflict in the face of Hamilton's opposition. In 1800, Adams was defeated for re-election by Thomas Jefferson and retired to Massachusetts. He later resumed his friendship with Jefferson. He and his wife founded an accomplished family line of politicians, diplomats, and historians now referred to as the Adams political family. Adams was the father of John Quincy Adams, the sixth President of the United States. His achievements have received greater recognition in modern times, though his contributions were not initially as celebrated as those of other Founders. Adams was the first U.S. president to reside in the executive mansion that eventually became known as the White House.

4th of july jeopardy questions: *The Year We Disappeared* Cylin Busby, John Busby, 2011-04-10 When Cylin Busby was nine years old, she was obsessed with Izod clothing, the Muppets, and a box turtle she kept in a shoebox. Then everything changed overnight. Her police officer father, John, was driving to his shift when someone leveled a shotgun at his window. The blasts that followed left John's jaw on the passenger seat of his car-literally. While clinging to life, he managed to write down the name of the only person he thought could have pulled the trigger. The suspect? A local ex-con with rumored mob connections. The motive? Officer Busby was scheduled to testify against the suspect's family in an upcoming trial. Overnight, the Busbys went from being the family next door to one under 24-hour armed guard, with police escorts to school, and no contact with friends. Worse, the shooter was still on the loose, and it seemed only a matter of time before he'd come after John-or someone else in the family-again. With few choices left to them, the Busby family went into hiding, severing all ties to the only life they had known.

4th of july jeopardy questions: Alcoholics Anonymous Bill W., 2014-09-04 A 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA's program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact.

4th of july jeopardy questions: **Southern Reporter** , 1906 Includes the decisions of the Supreme Courts of Alabama, Florida, Louisiana, and Mississippi, the Appellate Courts of Alabama and, Sept. 1928/Jan. 1929-Jan./Mar. 1941, the Courts of Appeal of Louisiana.

4th of july jeopardy questions: *Into the Wild* Jon Krakauer, 2009-09-22 NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. It may be nonfiction, but *Into the Wild* is a mystery of the highest order. —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very

different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

4th of july jeopardy questions: Mr. Shmooze Richard Abraham, 2010-10-05 Reorient your selling approach Mr. Shmooze is the parable of a man who reveals the secret shared by all superstar salespeople. Selling, in its most exquisite form, is not about “taking,” nor is it about “persuading.” Selling, believe it or not, is about “giving.” Mr. Shmooze gives for a living. He starts by listening and he quickly comes to understand what people really need. His customers love him because he gives more than he takes. They trust him because he is passionate about their interests. And, at the end of the day, they reward him handsomely for bringing joy, humor and wisdom into their lives. Woven into the story are several powerful lessons for salespeople in all industries who attempt to build relationships as the emotional bridge to their clients. • Bring extraordinary passion and energy to personal communications • Generate contagious, positive feelings, lifting spirits because people buy with their emotions • Make the small, positive gestures that can lead to huge, long-term results • Abraham has had a diverse business career that has established him as a well-known expert on what makes high-performing salespeople Mr. Shmooze gives you the new approach you need to sell like you’ve never sold before!

4th of july jeopardy questions: Funny in Farsi Firoozeh Dumas, 2007-12-18 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader’s Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of The Kite Runner! “Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America.”—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. Funny in Farsi chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh’s parents laugh uproariously at Bob Hope on television, although they don’t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for Funny in Farsi “Heartfelt and hilarious—in any language.”—Glamour “A joyful success.”—Newsday “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—Los Angeles Times Book Review “Often hilarious, always interesting . . . Like the movie My Big Fat Greek Wedding, this book describes with humor the intersection and overlapping of two cultures.”—The Providence Journal “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—Milwaukee Journal Sentinel “[Funny in Farsi] brings us closer to discovering what it means to be an American.”—San Jose Mercury News

4th of july jeopardy questions: Afterward Jennifer Mathieu, 2016-09-20 A tragic kidnapping leads to an unlikely friendship in this novel about finding light in the midst of darkness from the

author of *The Truth About Alice*. When Caroline's little brother is kidnapped, his subsequent rescue leads to the discovery of Ethan, a teenager who has been living with the kidnapper since he was a young child himself. In the aftermath, Caroline can't help but wonder what Ethan knows about everything that happened to her brother, who is not readjusting well to life at home. And although Ethan is desperate for a friend, he can't see Caroline without experiencing a resurgence of traumatic memories. But after the media circus surrounding the kidnappings departs from their small Texas town, both Caroline and Ethan find that they need a friend--and their best option just might be each other.

4th of july jeopardy questions: When You Reach Me Rebecca Stead, 2011-09-01 Miranda's life is starting to unravel. Her best friend, Sal, gets punched by a kid on the street for what seems like no reason, and he shuts Miranda out of his life. The key that Miranda's mum keeps hidden for emergencies is stolen. And then a mysterious note arrives: 'I am coming to save your friend's life, and my own. I ask two favours. First, you must write me a letter.' The notes keep coming, and Miranda slowly realises that whoever is leaving them knows things no one should know. Each message brings her closer to believing that only she can prevent a tragic death. Until the final note makes her think she's too late.

4th of july jeopardy questions: Taking America Back for God Andrew L. Whitehead, Samuel L. Perry, 2020 Why do white Protestants in America embrace a president who seems to violate their basic standards of morality? The answer, Andrew Whitehead and Samuel Perry argue, is Christian nationalism, the belief that the United States is -- and should be -- a Christian nation. Knowing someone's stance on Christian nationalism, this book shows, tells us more about his or her political beliefs than race, religion, or political party. Drawing on national survey data and interviews with Americans across the political spectrum, *Taking America Back for God* illustrates the tremendous influence of Christian nationalism on debates about the most contentious issues dominating American public life.

4th of july jeopardy questions: Records and Briefs of the United States Supreme Court , 1832

4th of july jeopardy questions: Teaching at Its Best Linda B. Nilson, 2010-04-20 Teaching at Its Best This third edition of the best-selling handbook offers faculty at all levels an essential toolbox of hundreds of practical teaching techniques, formats, classroom activities, and exercises, all of which can be implemented immediately. This thoroughly revised edition includes the newest portrait of the Millennial student; current research from cognitive psychology; a focus on outcomes maps; the latest legal options on copyright issues; and how to best use new technology including wikis, blogs, podcasts, vodcasts, and clickers. Entirely new chapters include subjects such as matching teaching methods with learning outcomes, inquiry-guided learning, and using visuals to teach, and new sections address Felder and Silverman's Index of Learning Styles, SCALE-UP classrooms, multiple true-false test items, and much more. Praise for the Third Edition of Teaching at Its Best Everyone veterans as well as novices will profit from reading Teaching at Its Best, for it provides both theory and practical suggestions for handling all of the problems one encounters in teaching classes varying in size, ability, and motivation. Wilbert McKeachie, Department of Psychology, University of Michigan, and coauthor, McKeachie's Teaching Tips This new edition of Dr. Nilson's book, with its completely updated material and several new topics, is an even more powerful collection of ideas and tools than the last. What a great resource, especially for beginning teachers

but also for us veterans! L. Dee Fink, author, *Creating Significant Learning Experiences* This third edition of *Teaching at Its Best* is successful at weaving the latest research on teaching and learning into what was already a thorough exploration of each topic. New information on how we learn, how students develop, and innovations in instructional strategies complement the solid foundation established in the first two editions. Marilla D. Svinicki, Department of Psychology, The University of Texas, Austin, and coauthor, *McKeachie's Teaching Tips*

4th of july jeopardy questions: Pavi Sharma's Guide to Going Home Bridget Farr, 2019-09-17 *The Fosters* meets *The Great Gilly Hopkins* in this moving novel of a young girl who as sets off on an important mission to save a fellow foster kid from the home that still haunts her nightmares. Twelve-year-old Pavi Sharma is an expert at the Front Door Face: the perfect mix of puppy dog eyes and a lemonade smile, the exact combination to put foster parents at ease as they open their front door to welcome you in. After being bounced around between foster families and shelter stays, Pavi is a foster care expert, and she runs a business teaching other foster kids all she has learned. With a wonderful foster family in mom Marjorie and brother Hamilton, things are looking up for Pavi. Then Pavi meets Meridee: a new five-year-old foster kid, who is getting placed at Pavi's first horrendous foster home. Pavi knows no one will trust a kid about what happened on Lovely Lane, even one as mature as she is, so it's up to her to save Meridee. With help from Hamilton, brooding eighth grader Santos, and Hamilton's somewhat obnoxious BFF Piper, they set off on an important mission with life-changing stakes. Pavi will stop at nothing to keep Meridee safe.

4th of july jeopardy questions: Recent Legal Issues for American Indians, 1968 to the Present John R. Wunder, 1996 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

4th of july jeopardy questions: The Living Age , 1916

4th of july jeopardy questions: Hell's Angels Hunter S. Thompson, 2012-08-01 Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

4th of july jeopardy questions: The Invention of Hugo Cabret Brian Selznick, 2015-09-03 An

4th of july jeopardy questions: *King's Shield* Sherwood Smith, 2009-07-07 Acclaimed Inda series within Sherwood Smith's epic fantasy Sartorias-deles universe • Military fantasy woven with courtly politics, vast worldbuilding, and diverse characters Inda was the second son of the prince and princess of Choraed Elgaer. It had been Inda's fate, as second son, to be his family's Shield Arm and spend his adult life protecting the lands his brother would one day inherit. But powerful factions in the royal court were committed to seeing Inda fail. For eight difficult years, Inda had been at sea, using an assumed name and forcing himself to never think of all he had lost. And he had created a new life, for the military skills that had been trained into him and his own inborn leadership ability could not be erased. After founding a mercenary marine company, he had earned a reputation for defeating dangerous pirate fleets. When Inda discovers that his home country is about to be attacked from the sea by an ancient enemy, he throws his carefully guarded anonymity to the winds and returns home. After nearly a decade at sea, Inda finds his home utterly changed. His good friend Evred, the formerly powerless and harassed younger prince, is now king. Evred has heard of Inda's martial accomplishments at sea, and is determined to make Inda his Royal Shield Arm—the person in charge of defending the entire kingdom. Though Inda is skilled, his experience is entirely naval. Can a former pirate captain alter his tactics to become a successful ground commander in time to save his endangered homeland?

4th of july jeopardy questions: *A Patriot's History of the United States* Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.
