Summary: This article delves into five crucial facts about Women's History Month, providing context, historical background, and exploring the ongoing significance of this annual observance. It addresses common misconceptions and highlights the importance of understanding the complexities of women's contributions throughout history. The article aims to enrich the reader's knowledge of Women's History Month and inspire further exploration of the subject.

Keywords: 5 facts about women's history month, Women's History Month, Women's History, women's rights, women's suffrage, feminist history, March history, celebrating women, women's achievements.

H1: 5 Facts About Women's History Month That Will Surprise You

This article focuses on five key facts about Women's History Month, offering a deeper understanding than simple celebratory pronouncements. It's crucial to move beyond superficial understandings and grapple with the complexities and nuances inherent in this significant period. Understanding these "5 facts about women's history month" provides a stronger foundation for appreciating the ongoing struggle for gender equality.

H2: Fact 1: It Wasn't Always a Month-Long Celebration

Many believe Women's History Month has always been a month-long national celebration. However, the reality is far more nuanced. The origins lie in the grassroots activism of the 1970s. In 1978, the Sonoma County Commission on the Status of Women in California organized the first "Women's History Week." This localized initiative eventually gained national traction, leading to a significant expansion. The "5 facts about women's history month" clearly demonstrates the evolutionary nature

of this important commemoration. President Jimmy Carter officially proclaimed the first national Women's History Week in 1980, recognizing the contributions of women throughout American history. It wasn't until 1987, under the leadership of Congresswoman Barbara Mikulski, that Women's History Week evolved into the month-long celebration we know today.

H2: Fact 2: It's About More Than Just Famous Names

While acknowledging iconic figures like Susan B. Anthony and Rosa Parks is vital, a true understanding of the "5 facts about women's history month" requires recognizing the collective contributions of countless unnamed women. Women's History Month should serve as a reminder of the ordinary women who, through tireless labor, community activism, and family support, shaped societies across generations. Focusing solely on famous names risks overlooking the broader tapestry of women's experiences and impact. This inclusive perspective is crucial for a complete understanding of the historical narrative.

H2: Fact 3: The Fight for Equality Continues

Understanding the "5 facts about women's history month" necessitates acknowledging that the fight for gender equality is far from over. Despite significant progress, women continue to face systemic challenges in areas such as equal pay, reproductive rights, and representation in leadership positions. Women's History Month serves as a powerful reminder of the ongoing need for advocacy and social change. It's a call to action, urging continued engagement and commitment to achieving full gender equality.

H2: Fact 4: Global Perspectives are Essential

While the US celebrates Women's History Month in March, other countries mark similar observances at various times throughout the year. Exploring the diverse histories and experiences of women across different cultures and regions broadens the scope of "5 facts about women's history month." Recognizing these global perspectives enriches our understanding of the universality of women's struggles and achievements, demonstrating the interconnectedness of feminist movements worldwide. It pushes us to consider the unique challenges and triumphs of women across different socio-political contexts.

H2: Fact 5: It's a Time for Education and Action

Women's History Month should not be confined to a single month's worth of celebrations. It should serve as a catalyst for year-round learning and activism. The "5 facts about women's history month" underscore its purpose as a springboard to further research, community involvement, and critical engagement with gender inequality. It's a time for reflection, learning, and formulating strategies for creating a more equitable and just future for all.

Conclusion:

The true meaning of "5 facts about women's history month" lies not just in remembering past achievements but in using this time to inspire future action. By acknowledging the complexities of women's history, engaging with diverse perspectives, and continuing the fight for equality, we can

honor the legacy of past generations and build a more just future for all.

FAQs

1. Why is Women's History Month celebrated in March? The month of March was chosen due to the significant role women played in social and political movements throughout history, and it has become a time to honor their contributions.
1. What are some common misconceptions about Women's History Month? One common misconception is that it celebrates only a select few famous women, ignoring the broader contributions of countless others. Another is that the fight for gender equality is over.
1. How can I get involved in celebrating Women's History Month? Participate in local events, support women-owned businesses, read books and watch documentaries about women's history, and advocate for policies that promote gender equality.
1. What are some key themes to explore during Women's History Month? Consider themes such as women's suffrage, the labor movement, the fight for reproductive rights, and women's contributions to the arts and sciences.
1. How is Women's History Month celebrated internationally? Many countries celebrate similar observances throughout the year, often focusing on their nation's unique historical context and struggles for gender equality.
1. How can I teach children about Women's History Month? Use age-appropriate books, documentaries, and activities to introduce them to inspiring women from history and current times.
1. What are some resources for learning more about women's history? Explore online resources, libraries, museums, and academic journals dedicated to women's history research and scholarship.

1. How can I support women-owned businesses during Women's History Month and beyond? Seek out and actively patronize businesses run by women in your community and beyond.
1. Why is it important to celebrate Women's History Month every year? It's a crucial reminder of the ongoing need for gender equality, a celebration of women's achievements, and an opportunity to promote learning and advocacy throughout the year.

5 facts about womens history month: *Female Genius* Mary Sarah Bilder, 2022 A biography of Eliza Harriot Barons O'Connor, an educator whose 1787 Philadelphia public lecture attended by George Washington might have inspired the gender-neutral language of the Constitution. Explores women's public roles and political power following the American Revolution through the early nineteenth century, tracing the story of white and Black women's struggles for education and suffrage at a transformative moment--

5 facts about womens history month: *A Is for Awesome!* Eva Chen, 2019-02-05 Why stick with plain old A, B, C when you can have Amelia (Earhart), Malala, Tina (Turner), Ruth (Bader Ginsburg), all the way to eXtraordinary You—and the Zillion of adventures you will go on? Instagram superstar Eva Chen, author of *Juno Valentine* and *the Magical Shoes*, is back with an alphabet board book depicting feminist icons in *A Is for Awesome: 23 Iconic Women Who Changed the World*, featuring spirited illustrations by Derek Desierto.

5 facts about womens history month: *The Breakthrough* Gwen Ifill, 2009-10-27 In *The Breakthrough*, veteran journalist Gwen Ifill surveys the American political landscape, shedding new light on the impact of Barack Obama's stunning presidential victory and introducing the emerging young African American politicians forging a bold new path to political power. Ifill argues that the Black political structure formed during the Civil Rights movement is giving way to a generation of men and women who are the direct beneficiaries of the struggles of the 1960s. She offers incisive, detailed profiles of such prominent leaders as Newark Mayor Cory Booker, Massachusetts Governor Deval Patrick, and U.S. Congressman Artur Davis of Alabama (all interviewed for this book), and also covers numerous up-and-coming figures from across the nation. Drawing on exclusive interviews with power brokers such as President Obama, former Secretary of State Colin Powell, Vernon Jordan, the Reverend Jesse Jackson, his son Congressman Jesse Jackson Jr., and many others, as well as her own razor-sharp observations and analysis of such issues as generational conflict, the race/gender clash, and the black enough conundrum, Ifill shows why this is a pivotal moment in American history. *The Breakthrough* is a remarkable look at contemporary politics and an essential foundation for understanding the future of American democracy in the age of Obama.

5 facts about womens history month: *American Women's History* Susan Ware, 2015 What does American history look like with women at the center of the story? From Pocahontas to military

women serving in the Iraqi war, this Very Short Introduction chronicles the contributions that women have made to the American experience from a multicultural perspective that emphasizes how gender shapes women's--and men's--lives.

5 facts about womens history month: Woman in the Nineteenth Century Margaret Fuller, 1845

5 facts about womens history month: Ain't I A Woman? Sojourner Truth, 2020-09-24 'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of Black women throughout her life. This selection of her impassioned speeches is accompanied by the words of other inspiring African-American female campaigners from the nineteenth century. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

5 facts about womens history month: Empress of the East Leslie Peirce, 2017-09-19 The fascinating . . . lively story of the Russian slave girl Roxelana, who rose from concubine to become the only queen of the Ottoman empire (New York Times). In *Empress of the East*, historian Leslie Peirce tells the remarkable story of a Christian slave girl, Roxelana, who was abducted by slave traders from her Ruthenian homeland and brought to the harem of Sultan Suleyman the Magnificent in Istanbul. Suleyman became besotted with her and foreswore all other concubines. Then, in an unprecedented step, he freed her and married her. The bold and canny Roxelana soon became a shrewd diplomat and philanthropist, who helped Suleyman keep pace with a changing world in which women, from Isabella of Hungary to Catherine de Medici, increasingly held the reins of power. Until now Roxelana has been seen as a seductress who brought ruin to the empire, but in *Empress of the East*, Peirce reveals the true history of an elusive figure who transformed the Ottoman harem into an institution of imperial rule.

5 facts about womens history month: Daughters of the Winter Queen Nancy Goldstone, 2018-04-05 'What a compelling read! Nancy Goldstone has brought to life the four female Stuarts in all their tragic glory' Amanda Foreman Valentine's Day, 1613. Elizabeth Stuart, the sixteen-year-old granddaughter of Mary, Queen of Scots, marries Frederick V, a German count and ally of her father, James I of England. In just five years a terrible betrayal will ruin 'the Winter Queen', as Elizabeth will forever be known, imperil the lives of those she loves and launch a war that lasts thirty years. In a sweeping narrative encompassing political intrigue, illicit love affairs and even a murder mystery, Nancy Goldstone tells the riveting story of a queen in exile, and of her four defiant daughters.

5 facts about womens history month: History of Woman Suffrage: 1883-1900 Elizabeth Cady Stanton, Susan Brownell Anthony, Matilda Joslyn Gage, Ida Husted Harper, 1902

5 facts about womens history month: All That She Carried Tiya Miles, 2021-06-08 NATIONAL BOOK AWARD WINNER • NEW YORK TIMES BESTSELLER • A renowned historian traces the life of a single object handed down through three generations of Black women to craft a "deeply layered and insightful" (The Washington Post) testament to people who are left out of the archives. WINNER: Frederick Douglass Book Prize, Harriet Tubman Prize, PEN/John Kenneth Galbraith Award, Anisfield-Wolf Book Award, Ralph Waldo Emerson Prize, Lawrence W. Levine Award, Darlene Clark Hine Award, Cundill History Prize, Joan Kelly Memorial Prize, Massachusetts Book Award ONE OF THE TEN BEST BOOKS OF THE YEAR: The Washington Post, Slate, Vulture, Publishers Weekly "A history told with brilliance and tenderness and fearlessness."—Jill Lepore, author of *These Truths: A History of the United States* In 1850s South Carolina, an enslaved woman named Rose faced a crisis: the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag for her with a few items, and, soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley's granddaughter Ruth embroidered this family history on the sack in spare, haunting language. Historian Tiya Miles carefully traces these women's faint presence in archival records, and, where archives fall short, she turns to objects, art, and the environment to

write a singular history of the experience of slavery, and the uncertain freedom afterward, in the United States. *All That She Carried* is a poignant story of resilience and love passed down against steep odds. It honors the creativity and resourcefulness of people who preserved family ties when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today **FINALIST: MAAH Stone Book Award, Kirkus Prize, Mark Lynton History Prize, Chataqua Prize ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, Time, The Boston Globe, The Atlantic, The Atlanta Journal-Constitution, Smithsonian Magazine, St. Louis Post-Dispatch, Ms. magazine, Book Riot, Library Journal, Kirkus Reviews, Booklist**

5 facts about womens history month: *It's Up to the Women* Eleanor Roosevelt, 2017-04-11 Eleanor Roosevelt never wanted her husband to run for president. When he won, she . . . went on a national tour to crusade on behalf of women. She wrote a regular newspaper column. She became a champion of women's rights and of civil rights. And she decided to write a book. -- Jill Lepore, from the Introduction *Women*, whether subtly or vociferously, have always been a tremendous power in the destiny of the world, Eleanor Roosevelt wrote in *It's Up to the Women*, her book of advice to women of all ages on every aspect of life. Written at the height of the Great Depression, she called on women particularly to do their part -- cutting costs where needed, spending reasonably, and taking personal responsibility for keeping the economy going. Whether it's the recommendation that working women take time for themselves in order to fully enjoy time spent with their families, recipes for cheap but wholesome home-cooked meals, or America's obligation to women as they take a leading role in the new social order, many of the opinions expressed here are as fresh as if they were written today.

5 facts about womens history month: *Archives of Dispossession* Karen R. Roybal, 2017-08-08 One method of American territory expansion in the U.S.-Mexico borderlands was the denial of property rights to Mexican landowners, which led to dispossession. Many historical accounts overlook this colonial impact on Indigenous and Mexican peoples, and existing studies that do tackle this subject tend to privilege the male experience. Here, Karen R. Roybal recenters the focus of dispossession on women, arguing that gender, sometimes more than race, dictated legal concepts of property ownership and individual autonomy. Drawing on a diverse source base—legal land records, personal letters, and literature—Roybal locates voices of Mexican American women in the Southwest to show how they fought against the erasure of their rights, both as women and as landowners. Woven throughout Roybal's analysis are these women's testimonios—their stories focusing on inheritance, property rights, and shifts in power. Roybal positions these testimonios as an alternate archive that illustrates the myriad ways in which multiple layers of dispossession—and the changes of property ownership in Mexican law—affected the formation of Mexican identity.

5 facts about womens history month: *The Suffragents* Brooke Kroeger, 2017-05-11 Gold Medalist, 2018 Independent Publisher Book Awards in the U.S. History Category Finalist for the 2018 Sally and Morris Lasky Prize presented by the Center for Political History at Lebanon Valley College *The Suffragents* is the untold story of how some of New York's most powerful men formed the Men's League for Woman Suffrage, which grew between 1909 and 1917 from 150 founding members into a force of thousands across thirty-five states. Brooke Kroeger explores the formation of the League and the men who instigated it to involve themselves with the suffrage campaign, what they did at the behest of the movement's female leadership, and why. She details the National American Woman Suffrage Association's strategic decision to accept their organized help and then to deploy these influential new allies as suffrage foot soldiers, a role they accepted with uncommon grace. Led by such luminaries as Oswald Garrison Villard, John Dewey, Max Eastman, Rabbi Stephen S. Wise, and George Foster Peabody, members of the League worked the streets, the stage, the press, and the legislative and executive branches of government. In the process, they helped convince waffling politicians, a dismissive public, and a largely hostile press to support the women's demand. Together, they swayed the course of history.

5 facts about womens history month: *Congressional Record* United States. Congress, 1968

5 facts about womens history month: *The Virginia Indian Heritage Trail* Karenne Wood,

2007-01-01 A short guide to Virginia Indian tribes, archeology, museums, reservations, events, and historical figures. Includes maps.

5 facts about womens history month: *Reaching for the Moon* Katherine Johnson, 2020-05-05 “This rich volume is a national treasure.” —Kirkus Reviews (starred review) “Captivating, informative, and inspiring...Easy to follow and hard to put down.” —School Library Journal (starred review) The inspiring autobiography of NASA mathematician Katherine Johnson, who helped launch Apollo 11. As a young girl, Katherine Johnson showed an exceptional aptitude for math. In school she quickly skipped ahead several grades and was soon studying complex equations with the support of a professor who saw great promise in her. But ability and opportunity did not always go hand in hand. As an African American and a girl growing up in an era of brutal racism and sexism, Katherine faced daily challenges. Still, she lived her life with her father’s words in mind: “You are no better than anyone else, and nobody else is better than you.” In the early 1950s, Katherine was thrilled to join the organization that would become NASA. She worked on many of NASA’s biggest projects including the Apollo 11 mission that landed the first men on the moon. Katherine Johnson’s story was made famous in the bestselling book and Oscar-nominated film *Hidden Figures*. Now in *Reaching for the Moon* she tells her own story for the first time, in a lively autobiography that will inspire young readers everywhere.

5 facts about womens history month: The Mis-education of the Negro Carter Godwin Woodson, 1969

5 facts about womens history month: *The Suffragette Movement* E. Sylvia Pankhurst, 2013-04-18 “The Suffragette Movement - An Intimate Account Of Persons And Ideals” is a 1931 work by E. Sylvia Pankhurst. In this volume, Pankhurst aims to describe the events and experiences of the movement, as well as the characters and intentions of those involved. In this fascinating volume, Pankhurst shows the strife, suffering, a hope behind the pageantry, the rhetoric, and the turbulence of the time. Highly recommended for those with an interest in the British suffragette movement and worthy of a place on any every bookshelf. Contents include: “Richard Marsden Pankhurst”, “The Rise of the Women's Suffrage Movement”, “Emmeline Goulden”, “The Manchester by-election of 1883”, “Green Hayes”, “Third Reform Act. Pankhurst V. Hamilton”, etc. Emmeline Pankhurst (1858-1928) was a British political activist who organised the British suffragette movement and helped women attain voting rights. “Time” magazine named Pankhurst one of the 100 most important people of the 20th century in 1999.

5 facts about womens history month: *The Women's History of the Modern World* Rosalind Miles, 2021-02-02 The internationally bestselling author of *Who Cooked the Last Supper?* presents a wickedly witty and very current history of the extraordinary female rebels, reactionaries, and trailblazers who left their mark on history from the French Revolution up to the present day. Now is the time for a new women’s history—for the famous, infamous, and unsung women to get their due—from the Enlightenment to the #MeToo movement. Recording the important milestones in the birth of the modern feminist movement and the rise of women into greater social, economic, and political power, Miles takes us through through a colorful pageant of astonishing women, from heads of state like Empress Cixi, Eugenia Charles, Indira Gandhi, Jacinda Ardern, and Ellen Johnson Sirleaf to political rainmakers Kate Sheppard, Carrie Chapman Catt, Anna Stout, Dorothy Height, Shirley Chisholm, Winnie Mandela, STEM powerhouses Jocelyn Bell Burnell, Rosalind Franklin, Sophia Kovalevskaya, Marie Curie, and Ada Lovelace, revolutionaries Olympe de Gouges, Harriet Tubman, Sojourner Truth, Patyegarang, and writer/intellectuals Mary Wollstonecraft, Simon de Beauvoir, Elaine Morgan, and Germaine Greer. Women in the arts, women in sports, women in business, women in religion, women in politics—this is a one-stop roundup of the tremendous progress women have made in the modern era. A testimony to how women have persisted—and excelled—this is a smart and stylish popular history for all readers.

5 facts about womens history month: The Feminine Touch Thomas A. Quinn, 2011 In 1892, Andrew Taylor Still did the unimaginable when he accepted women and men equally in his newly opened American School of Osteopathy. Thomas Quinn, DO, showcases some of the valiant women

who rose above adversity to become osteopathic doctors in those early years, and includes prominent women osteopathic physicians up to the present time. The stories of their fight against the inequality of the sexes in medicine are intertwined with the struggles of osteopathy to be accepted as a valid scientific practice, illuminating the innovative and determined individuals who helped osteopathic medicine develop into the flourishing profession it is today.

5 facts about womens history month: *Fly Girls* Keith O'Brien, 2019 From NPR correspondent O' Brien comes this thrilling Young Readers' edition that celebrates a little-known slice of history wherein tenacious, trailblazing women braved all obstacles to achieve greatness in the skies. Photos.

5 facts about womens history month: *Brave, Not Perfect* Reshma Saujani, 2019-02-05 INTERNATIONAL BESTSELLER • Inspired by her popular TED Talk, the founder and CEO of Girls Who Code urges women to embrace imperfection and live a bolder, more authentic life. "A timely message for women of all ages: Perfection isn't just impossible but, worse, insidious."—Angela Duckworth, bestselling author of *Grit* Imagine if you lived without the fear of not being good enough. If you didn't care how your life looked on Instagram. If you could let go of the guilt and stop beating yourself up for making human mistakes. Imagine if, in every decision you faced, you took the bolder path? As women, too many of us feel crushed under the weight of our own expectations. We run ourselves ragged trying to please everyone, pass up opportunities that scare us, and avoid rejection at all costs. There's a reason we act this way, Saujani says. As girls, we were taught to play it safe. Well-meaning parents and teachers praised us for being quiet and polite, urged us to be careful so we didn't get hurt, and steered us to activities at which we could shine. As a result, we grew up to be women who are afraid to fail. It's time to stop letting our fears drown out our dreams and narrow our world, along with our chance at happiness. By choosing bravery over perfection, we can find the power to claim our voice, to leave behind what makes us unhappy, and to go for the things we genuinely, passionately want. Perfection may set us on a path that feels safe, but bravery leads us to the one we're authentically meant to follow. In *Brave, Not Perfect*, Saujani shares powerful insights and practices to help us let go of our need for perfection and make bravery a lifelong habit. By being brave, not perfect, we can all become the authors of our best and most joyful life.

5 facts about womens history month: *Florence Nightingale: The Crimean War* Lynn McDonald, 2011-02-01 Florence Nightingale is famous as the "lady with the lamp" in the Crimean War, 1854–56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The Crimean War reports on Nightingale's correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale's efforts to achieve real reforms. Her well-known, and relatively "sanitized", evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

5 facts about womens history month: *History at NASA* , 1986

5 facts about womens history month: *Bad Girls Throughout History* Ann Shen, 2016-09-06 *Bad Girls Throughout History: 100 Remarkable Women Who Changed the World* delivers a empowering book for women and girls of all ages, featuring 100 women who made history and made their mark on the world, it's a best-selling book you can be proud to display in your home. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. Explored in this history book, include: • Aphra Behn, first female professional writer. • Sojourner Truth, women's rights activist and abolitionist. • Ada Lovelace, first computer programmer. • Marie Curie, first woman to win the Nobel Prize. • Joan Jett, godmother of punk. From pirates to artists, warriors, daredevils, women in science, activists, and spies, the accomplishments of these incredible women who dared to push boundaries vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout*

History is a distinctive, gift-worthy tribute to rebel girls everywhere. A lovely gift for teen girls, stories to share with a young girl at bedtime, or a book to display on a coffee table, everyone will enjoy learning about and celebrating the accomplishments of these phenomenal women.

5 facts about womens history month: *Fahrenheit 451* Ray Bradbury, 1968 A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

5 facts about womens history month: Gender and Elections Susan J. Carroll, Richard L. Fox, 2013-12-23 The third edition of *Gender and Elections* offers a systematic, lively, and multifaceted account of the role of gender in the electoral process through the 2012 elections. This timely yet enduring volume strikes a balance between highlighting the most important developments for women as voters and candidates in the 2012 elections and providing a more long-term, in-depth analysis of the ways that gender has helped shape the contours and outcomes of electoral politics in the United States. Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections, presidential and vice-presidential candidacies, voter participation and turnout, voting choices, congressional elections, the political involvement of Latinas, the participation of African American women, the support of political parties and women's organizations, candidate communications with voters, and state elections. Without question, *Gender and Elections* is the most comprehensive, reliable, and trustworthy resource on the role of gender in US electoral politics.

5 facts about womens history month: *Feminist Chronicles, 1953-1993* Toni Carabillo, Judith Meuli, June Bundy Csida, 1993 Published by Women's Graphics, 1126 Hi Point Street, Los Angeles, CA 90035. A chronology of the feminist movement over 40 years. Annotation copyright by Book News, Inc., Portland, OR

5 facts about womens history month: *Julia Ward Howe, 1819-1910* Laura Elizabeth Richards, 2009-12 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

5 facts about womens history month: Eloquent Rage Brittney Cooper, 2018-02-20 An Emma Watson Our Shared Shelf Selection for November/December 2018 • NAMED A BEST BOOK OF 2018/ MENTIONED BY: The New York Public Library • Mashable • The Atlantic • Bustle • The Root • Politico Magazine (What the 2020 Candidates Are Reading This Summer) • NPR • Fast Company (10 Best Books for Battling Your Sexist Workplace) • The Guardian (Top 10 Books About Angry Women) Rebecca Solnit, *The New Republic*: Funny, wrenching, pithy, and pointed. Roxane Gay: I encourage you to check out *Eloquent Rage* out now. Joy Reid, *Cosmopolitan*: A dissertation on black women's pain and possibility. America Ferrera: Razor sharp and hilarious. There is so much about her analysis that I relate to and grapple with on a daily basis as a Latina feminist. Damon Young: Like watching the world's best Baptist preacher but with sermons about intersectionality and Beyoncé instead of Ecclesiastes. Melissa Harris Perry: "I was waiting for an author who wouldn't forget, ignore, or erase us black girls...I was waiting and she has come in Brittney Cooper." Michael Eric Dyson: "Cooper may be the boldest young feminist writing today...and she will make you laugh out loud." So what if it's true that Black women are mad as hell? They have the right to be. In the Black feminist tradition of Audre Lorde, Brittney Cooper reminds us that anger is a powerful source of energy that can give us the strength to keep on fighting. Far too often, Black women's anger has been caricatured into an ugly and destructive force that threatens the civility and social fabric of American democracy. But Cooper shows us that there is more to the story than that. Black women's eloquent rage is what makes Serena Williams such a powerful tennis player. It's what makes Beyoncé's girl power anthems resonate so hard. It's what makes Michelle Obama an icon. Eloquent rage keeps us all honest and accountable. It reminds women that they don't have to settle for less. When Cooper learned of her grandmother's eloquent rage about love, sex, and marriage in an epic and hilarious front-porch confrontation, her life was changed. And it took another intervention, this time staged by one of her homegirls, to turn Brittney into the fierce feminist she is today. In Brittney

Cooper's world, neither mean girls nor fuckboys ever win. But homegirls emerge as heroes. This book argues that ultimately feminism, friendship, and faith in one's own superpowers are all we really need to turn things right side up again. A BEST/MOST ANTICIPATED BOOK OF 2018 BY: Glamour • Chicago Reader • Bustle • Autostraddle

5 facts about womens history month: 100 Women Who Made History DK, 2017-02-07 If you thought that it was a man's world, think again! 100 Women Who Made History is the exciting story of the women who changed the world. Explore the most important people in history and how they contributed to significant attributes of the past that have helped to shape the past into our present.

5 facts about womens history month: Love and Resistance Jason Baumann, 2019-03-05 More than one hundred vivid photographs of the LGBTQ revolution—and its public and intimate moments in the 1960s and 70s—that lit a fire still burning today. A ragtag group of women protesting behind a police line in the rain. A face in a crowd holding a sign that says, “Hi Mom, Guess What!” at a gay rights rally. Two lovers kissing under a tree. These indelible images are among the thousands housed in the New York Public Library’s archive of photographs of 1960s and ’70s LGBTQ history from photojournalists Kay Tobin Lahusen and Diana Davies. Lahusen is a pioneering photojournalist who captured pivotal moments in the LGBTQ civil rights movement. Davies, in turn, is one of the most important photojournalists who documented gay, lesbian, and trans liberation, as well as civil rights, feminist, and antiwar movements. This powerful collection—which captures the energy, humor, and humanity of the groundbreaking protests that surrounded the Stonewall Riots—celebrates the diversity of this rights movement, both in the subjects of the photos and by presenting Lahusen and Davies’ distinctive work and perspectives in conversation with each other. A preface, captions, and part introductions from curator Jason Baumann provide illuminating historical context. And an introduction from Roxane Gay, best-selling author of *Hunger*, speaks to the continued importance of these iconic photos of resistance.

5 facts about womens history month: This Is Your Time Ruby Bridges, 2020-11-10 NEW YORK TIMES BESTSELLER • CBC KIDS’ BOOK CHOICE AWARD WINNER Civil rights icon Ruby Bridges—who, at the age of six, was the first black child to integrate into an all-white elementary school in New Orleans—inspires readers and calls for action in this moving letter. Her elegant, memorable gift book is especially uplifting in the wake of Kamala Harris making US history as the first female, first Black, and first South Asian vice president-elect. Written as a letter from civil

rights activist and icon Ruby Bridges to the reader, *This Is Your Time* is both a recounting of Ruby's experience as a child who had to be escorted to class by federal marshals when she was chosen to be one of the first black students to integrate into New Orleans' all-white public school system and an appeal to generations to come to effect change. This beautifully designed volume features photographs from the 1960s and from today, as well as stunning jacket art from *The Problem We All Live With*, the 1964 painting by Norman Rockwell depicting Ruby's walk to school. Ruby's honest and impassioned words, imbued with love and grace, serve as a moving reminder that "what can inspire tomorrow often lies in our past." *This Is Your Time* will electrify people of all ages as the struggle for liberty and justice for all continues and the powerful legacy of Ruby Bridges endures.

5 facts about womens history month: *The Desegregated Heart* Sarah Patton Boyle, 2016-10-27 Sarah Patton Boyle's personal crusade for civil rights began in the fall of 1950, when the University of Virginia refused to admit Gregory Swanson, the Negro student who challenged its policy of segregation. Confident that this wrong could be righted quickly, Mrs. Boyle, the wife of a professor at the University, went forth to do her share—to meet not only with the burning crosses of white hatred but with decided wariness on the part of Negroes. Here is the story of Mrs. Boyle's lonely struggle—the more courageous for her aristocratic Virginia background and traditional Southern upbringing. It is also the story of her painful re-education—of a Southerner's discovery of "the real Negro, the real white man, and herself." A fascinating, reaffirming read. "It should be read by everyone with the brotherhood of man."—Dr. Martin Luther King, Jr. "A most interesting and revealing book, honest, compassionate. The South needs it; Negroes need it; northerners need it. It is beautiful in its candor and deeply moving...."—Lillian Smith

5 facts about womens history month: *I Am Malala* Malala Yousafzai, 2013-10-08 A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman I come from a country that was created at midnight. When I almost died it was just after midday. When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. *I AM MALALA* is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. *I AM MALALA* will make you believe in the power of one person's voice to inspire change in the world.

5 facts about womens history month: *Bad Hair Does Not Exist!* Sulma Arzu-Brown, 2014-08-23 *Bad Hair Does Not Exist!* is a tool of empowerment for all little girls who are black, afro-descendent, afro-Latinas, and Garifuna. It's to enhance the confidence of girls who are beautiful, intelligent, savvy, witty, and have extraordinary hair. The book is intended to teach little girls how to define and describe their hair so that they don't identify with the term bad hair. It gives you cool illustrations of gorgeous girls with examples of each type of hair. The book serves to educate and calls for all of us to work as equal partners to build our girls up by using proper terminology to describe their hair because it is directly linked to their essence.

5 facts about womens history month: *Elizabeth Blackwell, M.D. (1821-1910)* Nancy Ann Sahli, 1974

5 facts about womens history month: *Beyond Schoolmarms and Madams* Martha Kohl, 2016 Sheriff Garfield had just been elected to a second term in 1920 when he was fatally shot. His wife Ruth, a ranching woman with a young son, set aside her grief to serve out her husband's term. She was Montana's first female sheriff and served two years. Stories like Ruth Garfield's fill the pages of *Beyond Schoolmarms and Madams: Montana Women's Stories*. The women featured in this book range from late eighteenth-century Indian women warriors to twenty-first century Blackfeet

banker Elouise Cobell. They span geography--from the western Montana women who worked for the Forest Service, to Miles City doctor Sadie Lindeberg. And they span ideology--from the members of the Montana Federation of Colored Women's Clubs, who led the fight for laws banning segregation in public accommodations, to the Women of the Ku Klux Klan. With grit and foresight, these women shaped Montana.

5 facts about womens history month: **Bowe V. Colgate-Palmolive Company** , 1968
