

50 hour yoga teacher training

50 Hour Yoga Teacher Training: A Comprehensive Examination

Author: Dr. Anya Sharma, PhD (Yoga Philosophy & Education), E-RYT 500, YACEP

Publisher: Yoga International, a leading online resource for yoga teachers and practitioners known for its high-quality educational content and commitment to evidence-based practices. They have a strong reputation for providing insightful and well-researched articles on yoga teacher training and related topics.

Editor: Sarah Jones, Experienced Yoga Journalist and Editor with 15 years of experience in the wellness industry.

Introduction:

The popularity of yoga continues to surge globally, driving a parallel increase in demand for qualified yoga instructors. Among the various yoga teacher training (YTT) programs available, the 50-hour yoga teacher training has emerged as a popular choice for aspiring teachers and those seeking to deepen their personal practice. This article provides a thoughtful exploration of the 50-hour yoga teacher training, examining its advantages, limitations, and suitability for different individuals. We will delve into the challenges and opportunities presented by this shorter format program compared to more extensive 200-hour and 300-hour programs.

H1: Understanding the 50 Hour Yoga Teacher Training Landscape

A 50-hour yoga teacher training isn't a standalone certification in the same way a 200-hour program is recognized by Yoga Alliance. Instead, it frequently acts as a specialized training, building upon a pre-existing foundation of yoga knowledge and experience. It often focuses on a specific style (like Yin yoga, Restorative yoga, or Prenatal yoga), a niche population (children, seniors), or a particular teaching methodology. This targeted approach can be highly beneficial for experienced yogis seeking to enhance their expertise in a specific area. It's crucial to understand that a 50-hour yoga teacher training alone usually does not qualify someone to register with Yoga Alliance as a Registered Yoga Teacher (RYT).

H2: Opportunities Presented by 50 Hour Yoga Teacher Training

Niche Specialization: The concentrated nature of a 50-hour program allows for in-depth study of a specific yoga style or population. This focused learning can lead to expertise and competitive advantage in a saturated market.

Affordability and Time Efficiency: 50-hour trainings are significantly shorter and less expensive than longer programs, making them accessible to individuals with time constraints or limited budgets.

Building Upon Existing Knowledge: For experienced yogis with a solid foundation in asana,

anatomy, and philosophy, a 50-hour program can be an efficient way to refine their teaching skills and explore new specialties.

Accessibility to Specific Styles: Many unique styles, like aerial yoga or chair yoga, might only be offered in shorter intensive formats. This provides access to training in these niche areas.

Continuing Education: Experienced RYT's can use 50-hour programs as valuable continuing education credits to maintain their Yoga Alliance registration and expand their skillset.

H2: Challenges of 50 Hour Yoga Teacher Training

Limited Scope: The compressed timeframe inherently limits the depth of coverage compared to longer programs. This can mean less time for detailed anatomy study, philosophy exploration, and practical teaching experience.

Insufficient Foundational Knowledge: Individuals with limited prior yoga experience may find the intensive nature of a 50-hour program overwhelming and insufficient to provide a strong foundation.

Less Practical Teaching Experience: The reduced duration typically translates to less time devoted to practical teaching, potentially leaving graduates less prepared for the realities of independent teaching.

Accreditation and Recognition: As mentioned, a 50-hour training alone usually doesn't qualify one for RYT registration with Yoga Alliance, which can impact professional credibility and marketability.

Potential for Superficial Learning: The intensity can lead to superficial learning if the curriculum isn't meticulously structured and the instructor isn't highly experienced and skilled in delivering the content effectively.

H2: Choosing the Right 50 Hour Yoga Teacher Training

Careful consideration is vital when selecting a 50-hour yoga teacher training. Thoroughly research the school's reputation, instructor qualifications, curriculum depth, and student reviews. Look for programs that prioritize hands-on experience, offer detailed curriculum outlines, and provide ongoing support after graduation. Consider whether the program's focus aligns with your personal goals and existing knowledge.

H2: 50 Hour Yoga Teacher Training: Who is it For?

A 50-hour yoga teacher training is best suited for experienced yogis who:

Have a solid foundation in asana, anatomy, and yoga philosophy (ideally from a 200-hour program or extensive personal practice).

Seek to specialize in a specific area or style of yoga.

Desire advanced training in a particular teaching methodology or population.

Want to add to their existing RYT certification with continuing education credits.

It is not recommended for individuals with little to no prior yoga experience who are aiming to become fully qualified yoga instructors.

H2: The Future of 50 Hour Yoga Teacher Training

As the yoga industry continues to evolve, the role of the 50-hour training is likely to remain important, particularly for specialized training and continuing education. However, transparency and clarity regarding the limitations of this program format are crucial to ensure aspiring teachers make informed decisions about their professional development.

Conclusion:

The 50-hour yoga teacher training offers a valuable opportunity for experienced yogis to deepen their expertise and expand their teaching skills within a specific niche. However, it's essential to understand its limitations and choose a program that aligns with your prior experience and professional goals. A careful assessment of individual needs, combined with diligent research of training programs, is key to maximizing the benefits of this shorter format training. Always prioritize quality over quantity, focusing on comprehensive instruction and practical application.

FAQs:

1. Is a 50-hour yoga teacher training enough to become a yoga instructor? Generally no, it's usually a specialized training building upon existing knowledge; a 200-hour program is typically required for independent instruction.

1. Can I use a 50-hour training for Yoga Alliance registration? Not as a standalone program; it may qualify as continuing education credits for existing RYT's.

1. What is the difference between a 50-hour and a 200-hour yoga teacher training? A 200-hour program provides a comprehensive foundation in yoga, while a 50-hour program focuses on a specific area of expertise.

1. How much does a 50-hour yoga teacher training cost? Costs vary widely depending on location, school, and instructor.

1. How long does a 50-hour yoga teacher training take? The duration can range from a few days to a few weeks, depending on the program's structure.

1. What type of yoga styles are commonly offered in 50-hour trainings? Yin, Restorative, Prenatal, Kids, Chair, and Aerial Yoga are some examples.
1. What should I look for in a reputable 50-hour program? Experienced instructors, a detailed curriculum, positive student reviews, and hands-on teaching experience.
1. Are there online 50-hour yoga teacher trainings? Yes, many schools offer online or hybrid programs.
1. Can I teach yoga after completing a 50-hour training? Depending on your pre-existing experience and the program's focus, you might be able to teach in certain limited capacities, but a 200-hour is generally recommended for broader independent instruction.

50 hour yoga teacher training: Teaching Yoga Mark Stephens, 2011-09-06 THE FUNDAMENTALS OF YOGA: Discover the history and philosophy of yoga—plus tools for teaching 108 yoga poses, planning and sequencing your yoga classes, and much more. “Will help [yoga] instructors fine-tune their classroom skills and empower their personal practice.” —Yoga + Joyful Living Drawing on a wide spectrum of perspectives and featuring more than 150 photographs and illustrations, *Teaching Yoga* covers the fundamental topics of yoga for new and experienced yoga teachers. Inside, you’ll find: • A foundational overview of yoga philosophy and history • Presentations of yoga classics like Vedas; Upanishads; Bhagavad Gita; Yoga Sutras of Patanjali • Profiles of the 11 styles of contemporary yoga, including their history and distinguishing elements • Support and tools for teaching 108 yoga poses, breathing techniques, and meditations • Practical advice for classroom setup, and planning and sequencing yoga classes • Guidance through the process of starting and sustaining a career as a yoga teacher • Over 200 bibliographic sources and a comprehensive index • A useful appendix listing associations, institutes, organizations, and professional resources Addressing 100% of the teacher training curriculum standards set by Yoga Alliance—the world’s leading registry and accreditation source for yoga teachers and schools—*Teaching Yoga* is the perfect resource for experienced yoga teachers, teachers in training, and anyone interested in deepening their understanding of their yoga practice.

50 hour yoga teacher training: Sampoorna Yoga Yogi Hari, 2004-06-01 Yogi Hari is a Master of Hatha, Raja and Nada Yoga. He is well-known and respected around the world as a competent and inspiring teacher. Yogi Hari comes from the Sivananda lineage. When he met his gurus, Swami Vishnu-Devananda and music master Swami Nads-Brahmananda in 1975, he retired from worldly life

and spent seven years in the Sivananda Ashram where he immersed himself fully in Yoga Sadhana.

50 hour yoga teacher training: Yin Yoga (Large Print 16pt) Paul Grilley, 2010-07 How to balance Yoga practice. As Yoga matures in the U.S., this is a new approach to balance physical and mental health, for serious students and beginners. All yoga forms emphasizing either muscle (Yang) or connective (Yin) tissue. Today, all popular Yoga forms are Yang--muscular. Yin Yoga is unknown, but vital, as a balanced Yoga practice has many benefits, including better preparation for meditation. Yin Yoga focuses upon connective tissue, which does not stretch or respond to brief stresses as muscle will, so Yin postures are held a long time, with the muscles relaxed. Acupuncture meridians are also in connective tissues and Yin Yoga is specifically designed to stimulate them. Divided into two sections, the second part of the book deals with chakras, breathing exercises and meditation, and is fully illustrated with clear, concise descriptions of Yoga postures .

50 hour yoga teacher training: Accessible Yoga Jivana Heyman, 2019-11-05 "A treasure trove . . . what Yoga, capital Y, is all about." —Donna Farhi "Nothing less than a gem." —Judith Lasater "A vital tool." —Book Riot This daring, visionary book revolutionizes yoga practice, making it truly accessible to everyone—in every body, at any age, and in any state of health Yoga practice has so much to offer us physically, emotionally, mentally, and spiritually. But many of us feel discouraged to practice because we see young, slim, flexible, well, and able-bodied people dominating yoga spaces. Yet, yoga is truly a practice for all—conferring enormous benefits to our overall well-being as our bodies change, age, and navigate various health challenges. Jivana Heyman, founder of Accessible Yoga, views yoga as a basic human right—saying we all deserve to practice it in whatever state we find our body or mind. Accessible Yoga offers a simple, clear, and wonderfully adaptable practice for all people regardless of ability, health, and body type. Heyman has spent over twenty years sharing yoga with people of all abilities and backgrounds, and in this book, he shares his knowledge by breaking down complex yoga poses, breathing practices, meditation techniques, and yoga teachings into clearly understandable and practical tools we can use every day, regardless of our limitations or challenges.

50 hour yoga teacher training: Womb Wisdom Padma Aon Prakasha, Anaiya Aon Prakasha, 2011-01-21 Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

50 hour yoga teacher training: Kundalini Tantra Swami Satyananda Saraswati, 1996 In the last few decades, yoga has helped millions of people to improve their concepts of themselves. Yoga realises that man is not only the mind, he is body as well. Yoga has been designed in a such a way that it can complete the process of evolution of the personality in every possible direction. Kundalini yoga is a part of the tantric tradition. Even though you may have already been introduced to yoga, it

is necessary to know something about tantra also. Since the dawn of creation, the tantrics and yogis have realised that in this physical body there is a potential force. It is not psychological or transcendental; it is a dynamic potential force in the material body, and it is called Kundalini. This Kundalini is the greatest discovery of tantra and yoga. Scientists have begun to look into this, and a summary of the latest scientific experiments is included in this book.

50 hour yoga teacher training: The Art and Business of Teaching Yoga (revised) Amy Ippoliti, Taro Smith, 2023-12-05 Originally published in 2016, *The Art and Business of Teaching Yoga* immediately became the essential resource for those looking to start or maintain a successful career in yoga. Since then, the landscape has changed. Online yoga and social media are now a crucial part of most teachers' repertoires. Yoga teachers also face broad cultural shifts, an evolving environmental crisis, and resulting anxiety among students, all of which bring fresh challenges to their leadership and teaching abilities. This expanded edition will help you: • plan dynamic classes, including engaging digital content • build a loyal student base and become more financially stable • optimize your own practice • maintain a marketing plan and develop a unique brand • teach yoga to facilitate ease and inspire creative action in a troubled world

50 hour yoga teacher training: Jivamukti Yoga Sharon Gannon, David Life, 2011-04-06 The long-awaited, complete guide to the popular, vigorous American method of yoga that is deeply rooted in ancient wisdom and scriptures "In this day and age of health and fitness trends, it is assuring to know that Sharon and David encourage their students to draw inspiration from the classical texts of Yoga and timeless scriptural sources. "—Sri Swami Satchidananda Creators of the extremely popular Jivamukti Yoga method and cofounders of the New York City studios where it is taught, Sharon Gannon and David Life present their unique style of yoga for the first time in book form. As they explain their intensely physical and spiritual system of flowing postures, they provide inspiring expert instruction to guide you in your practice. Unlike many books about yoga, Jivamukti Yoga focuses not only on the physical postures but also on how they evolved—the origins of the practices in yoga's ancient sacred texts and five-thousand-year-old traditions—the psychotherapeutic benefits that accrue with a steady practice, and the spiritual power that is set free when energy flows throughout the mind and body. Jivamukti Yoga, which means "soul liberation," guides your body and soul into spiritual freedom, physical strength, peace of mind, better health, and Self-realization—the ultimate goal of any practice. Gannon and Life help you understand each of the practices that comprise the yoga path to enlightenment: AHIMSA—The Way of Compassion: choosing nonviolence, respecting all life, practicing vegetarianism, living free of prejudice ASANA—The Way of Connection to the Earth: postures and sequences, breathing, transforming energy, understanding the bandhas KARMA—The Way of Action: creating good karma, giving thanks NADAM—The Way of Sacred Music: appreciating the sacred sounds of yoga MEDITATION—The Way of the Witness: how to sit still and move inward BHAKTI—The Way of Devotion to God: living with love, grace, and peace Whatever yoga you practice, Jivamukti Yoga will help you to strengthen and deepen that practice and lead you onto a path of spiritual clarity and self-discovery. "If there is only one book you read about the practice of Yoga, this should be the one. . . . This book is for anyone who wishes to find transformation through Yoga. I'm grateful for their work and teaching."—Stephan Rechtschaffen, MD, Co-founder & CEO, Omega Institute

50 hour yoga teacher training: Instructing Hatha Yoga Diane M. Ambrosini, 2015-12-18 The world of yoga has exploded since the first edition of *Instructing Hatha Yoga* was published in 2006. Millions more enthusiasts worldwide are experiencing the physical benefits and mindful awareness of yoga in gyms and spas, the training rooms of professional sport teams, prisons and hospitals, and even classrooms. With the increasing demand for qualified yoga teachers who can meet the needs of a diverse group of students, this updated edition of *Instructing Hatha Yoga* could not have come at a better time. Featuring detailed instructions on teaching 68 yoga poses and more than 200 photos showing the postures, the text covers all aspects of safe and confident hatha yoga instruction. The second edition is enhanced with the following features: • Updated verbal and visual cues to use in teaching each posture • Sample children's and prenatal classes • 75 new video clips

that demonstrate yoga poses and modifications and instruct on physically assisting and adjusting students • New online teacher resource with self-inquiry questionnaire, class evaluation, chapter review questions, and other printable instructional resources Master teacher and author Diane Ambrosini retains her original emphasis on simple cues for bringing students into proper alignment and deeper mental focus and detailed instructions for making safe and effective hands-on modifications and adjustments of yoga poses. The book highlights issues of importance to even the most experienced instructors, including creating a safe and comfortable learning environment, structuring a class, teaching pranayama (breath work), and handling personal integrity and ethics. Developed in line with the New Yoga Alliance Standards and the Yoga Teachers' Registry requirements, *Instructing Hatha Yoga* is a comprehensive and user-friendly guide to becoming a confident and qualified yoga instructor. Students and teachers not only will learn how to teach yoga poses, but they will also know how to direct students toward deeper self-awareness to positively affect their lives for years to come.

50 hour yoga teacher training: *Holistic Yoga Flow* , 2015-09-15 *Holistic Yoga Flow: The Path of Practice* is a yoga book packed with knowledge and stunning photography. The book will take you on an in-depth journey through yoga postures, philosophy, meditation, ayurveda, subtle anatomy, kirtan, yoga practice sequencing, the business of yoga and much more. This book is for both aspiring yoga teachers and yoga students who are passionate about deepening their path. Yoga instructors Travis Eliot and Lauren Eckstrom guide you through the ancient teachings of yoga in an exciting and stylistic way. The book is broken down into three distinct sections: History and Philosophy of Yoga, The Physical Practice and Teaching *Holistic Yoga Flow*. Highlights include: -100+ poses broken down into concise categories with detailed alignment cues -The Eight Limbs of Yoga with practice tips -Meditation, Pranayama and Mantras with exercises to apply each practice to your daily life -A full class for an inspiring home practice Emphasizing the importance of practice, *Holistic Yoga Flow: The Path of Practice* will inspire you physically, mentally, emotionally and spiritually.

50 hour yoga teacher training: *Your Spine, Your Yoga* Bernie Clark, 2018-11 *Your Spine, Your Yoga* is the long-awaited second book of the *Your Body, Your Yoga* series. Focusing on the axial body, from the tip of the tailbone to the top of the skull, *Your Spine, Your Yoga* will explain how your body is unique and how this uniqueness affects your yoga practice. The latest anatomical understanding of the spine and its biomechanical abilities is described in varying levels of detail, for the novice to the experienced reader. Applying these principles to a safe and effective yoga practice holds a few surprises: you may discover that not every pose in yoga is a good idea for you, given the nature of your spine and the way we have previously been taught to stress it. Stability is more important than mobility for the vast majority of people, although many yoga classes promote the opposite view. *Your Spine, Your Yoga* offers alternative perspectives and prescriptions for a yoga practice that is spine sparing and strength building, based upon your unique biology and biography and your unique intentions

50 hour yoga teacher training: *Your Body, Your Yoga* Bernie Clark, 2016-04 Learn alignment cues that are skillful, safe, and best suited to you.

50 hour yoga teacher training: *Journey Into Power* Baron Baptiste, 2022-06-14 A guide to physical, mental, and spiritual transformation explains how to rewire thinking, cleanse diet habits, meditate for truthful living, and do ten-minute tune-ups that boost energy and alleviate stress.

50 hour yoga teacher training: *Waking Up* Sam Harris, 2015-06-16 Spirituality. The search for happiness --Religion, East and West --Mindfulness --The truth of suffering --Enlightenment --The mystery of consciousness. The mind divided --Structure and function --Are our minds already split? --Conscious and unconscious processing in the brain --Consciousness is what matters --The riddle of the self. What are we calling I? --Consciousness without self --Lost in thought --The challenge of studying the self --Penetrating the illusion --Meditation. Gradual versus sudden realization --Dzogchen: taking the goal as the path --Having no head --The paradox of acceptance --Gurus, death, drugs, and other puzzles. Mind on the brink of death --The spiritual uses of pharmacology.

50 hour yoga teacher training: *The First 20 Hours* Josh Kaufman, 2013-06-13 Forget the

10,000 hour rule— what if it's possible to learn the basics of any new skill in 20 hours or less? Take a moment to consider how many things you want to learn to do. What's on your list? What's holding you back from getting started? Are you worried about the time and effort it takes to acquire new skills—time you don't have and effort you can't spare? Research suggests it takes 10,000 hours to develop a new skill. In this nonstop world when will you ever find that much time and energy? To make matters worse, the early hours of practicing something new are always the most frustrating. That's why it's difficult to learn how to speak a new language, play an instrument, hit a golf ball, or shoot great photos. It's so much easier to watch TV or surf the web . . . In *The First 20 Hours*, Josh Kaufman offers a systematic approach to rapid skill acquisition— how to learn any new skill as quickly as possible. His method shows you how to deconstruct complex skills, maximize productive practice, and remove common learning barriers. By completing just 20 hours of focused, deliberate practice you'll go from knowing absolutely nothing to performing noticeably well. Kaufman personally field-tested the methods in this book. You'll have a front row seat as he develops a personal yoga practice, writes his own web-based computer programs, teaches himself to touch type on a nonstandard keyboard, explores the oldest and most complex board game in history, picks up the ukulele, and learns how to windsurf. Here are a few of the simple techniques he teaches: Define your target performance level: Figure out what your desired level of skill looks like, what you're trying to achieve, and what you'll be able to do when you're done. The more specific, the better. Deconstruct the skill: Most of the things we think of as skills are actually bundles of smaller subskills. If you break down the subcomponents, it's easier to figure out which ones are most important and practice those first. Eliminate barriers to practice: Removing common distractions and unnecessary effort makes it much easier to sit down and focus on deliberate practice. Create fast feedback loops: Getting accurate, real-time information about how well you're performing during practice makes it much easier to improve. Whether you want to paint a portrait, launch a start-up, fly an airplane, or juggle flaming chainsaws, *The First 20 Hours* will help you pick up the basics of any skill in record time . . . and have more fun along the way.

50 hour yoga teacher training: *Yoga Therapy for Digestive Health* Charlotte Watts, 2018-08-21 Digestive issues are widespread and prove difficult to address through mainstream medicine. Senior yoga teacher Charlotte Watts sheds light on the connection between the gut and the brain, explains the links between stress, trauma and digestive issues and demonstrates how yoga with its focus on stilling the mind can have profound effects on conditions such as IBS, IBD, acid reflux, colitis, diverticulitis and more. Breath awareness allows the breath to drop into the belly and diaphragm, essential for good digestive function and understanding the fascial connections within the viscera help shape movement that enables optimal function. Fully illustrated with clear diagrams and instructions, this volume provides yoga, movement and medical professionals with a solid understanding of the digestive system in relation to breath, mindfulness, posture, anatomy, movement, stress and trauma. It helps them to apply this knowledge to their practice and teaching approach. I'm finding this book and Charlotte's knowledge is supporting my personal practice and informing my teaching more and more - it's knowledge base, communicated so clearly and simply throughout means I can come back to it time and time again... -5 Star Reader Review

50 hour yoga teacher training: *Strala Yoga* Tara Stiles, 2021-11-09 In *Strala Yoga*, Tara Stiles explains the origin and philosophy of this feelings-based style of yoga, which is spreading like wildfire around the world—from New York City to Barcelona to Singapore. Focusing on the power of combining movement with intuition, Tara walks readers through the importance of moving with ease and creating space in their lives. *Strala* isn't about strict poses; it's about your body and your abilities. By moving how it feels good to move, readers will not only get a great workout but also release stress, free up space in their minds, and open themselves up to creativity. Tara lays out simple, step-by-step information on everything from how to use the breath in movement, to how to create ease, to how to set up a home practice. More than ten routines—each illustrated with clear, instructional photos—offer both easy and more difficult tracks, appealing to beginners and seasoned yogis alike, and aim to help readers dissolve stress, get better sleep, gain energy, or even wind down

after a tough day. Tara also offers up both a 7-day jumpstart and a 30-day program to help readers bring yoga—and its varied benefits—easily into their lives. My goal is to help you feel connected and gain strength, calm, clarity, and ease from the inside out. Get ready to feel amazing, and enjoy the ride! —Tara

50 hour yoga teacher training: Roll Model Jill Miller, 2014-11-04 Pain is an epidemic. It prevents you from performing at your best because it robs you of concentration, power, and peace of mind. But most pain is preventable and treatable, and healing is within your grasp. Hundreds of thousands of people around the globe have taken life “by the balls” and circumvented a dismal future of painkillers, surgeries, and hopelessness by using Jill Miller’s groundbreaking Roll Model Method. The Roll Model gives you the tools to change the course of your life in less than 5 minutes a day. You are a fully equipped self-healing organism, and this book will guide you through easy-to-perform self-massage techniques that will erase pain and improve your performance in whatever activities you pursue. The Roll Model teaches you how to improve the quality of your life no matter your size, shape, or condition. Within these pages you will find: • Inspiring stories of people just like you who have altered the course of their lives by using the Roll Model Method • Accessible explanations of how and why this system works based on the science of your body and the physiological effects of rolling • Step-by-step rolling techniques to help awaken your body’s resilience from head to toe so that you have more energy, less stress, and greater performance Whether you’re living with constant discomfort, seeking to improve your mobility, or trying to avoid medication and surgery, this book provides empowering and effective solutions for becoming your own best Roll Model.

50 hour yoga teacher training: The Things They Carried Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

50 hour yoga teacher training: Yoga Anatomy Leslie Kaminoff, Amy Matthews, 2011-10-28 The best-selling anatomy guide for yoga is now updated, expanded, and better than ever! With more asanas, vinyasas, full-color anatomical illustrations, and in-depth information, the second edition of *Yoga Anatomy* provides you with a deeper understanding of the structures and principles underlying each movement and of yoga itself. From breathing to inversions to standing poses, see how specific muscles respond to the movements of the joints; how alterations of a pose can enhance or reduce effectiveness; and how the spine, breathing, and body position are all fundamentally linked. Whether you are just beginning your journey or have been practicing yoga for years, *Yoga Anatomy* will be an invaluable resource—one that allows you to see each movement in an entirely new light. With *Yoga Anatomy, Second Edition*, authors Leslie Kaminoff and Amy Matthews, both internationally recognized experts and teachers in anatomy, breathing, and bodywork, have created the ultimate reference for yoga practitioners, instructors, and enthusiasts alike.

50 hour yoga teacher training: Living Yoga Patricia Divya Jyoti Difazio, 2012-05-01 *Living Yoga* is a book based on yoga philosophy as handed down by the great sages and yogis of India. Divya Jyoti shares with us how to apply these principles in daily life through stories and personal experiences. A great next step for the serious yoga student.

50 hour yoga teacher training: Dare to Lead Brené Brown, 2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and

brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.

50 hour yoga teacher training: *Embrace Yoga's Roots* Susanna Barkataki, 2020-11-02

Embrace Yoga's Roots: Courageous Ways to Deepen Your Yoga Practice explores the yogic traditions of the past, bringing them alive today, and preserving them for the future by examining what separates us, reflecting on our part, taking action for equity, and moving toward liberation together. The teaching format of this book offers tools, resources, and a framework for deep personal inquiry as readers explore: Separation: How colonization, cultural appropriation, and oppression results in trauma for yogis and separation from yoga traditions. Reflection: Understanding the causes of separation and our individual roles either supporting separation (knowingly or not) versus creating unity and equity in yoga. Reconnection: Exploring specific and concrete skills and solutions for living and practicing yoga as unity. Liberation: Integrate a more honorable and ethical practice in your life supporting personal growth by following the ancient teachings.

50 hour yoga teacher training: *Yoga Sequencing* Mark Stephens, 2012-09-18 The yoga teacher's guide to planning and sequencing yoga classes—with over 2,000 instructional photos and 67 yoga pose sequences for students of all skill levels. Also features additional resources, including yoga class planning worksheets, comprehensive glossaries, and much more! Addressing one of the most popular topics in the yoga profession, this book offers 67 model sequences of yoga poses (asanas) that cover the broad range of yoga student experience. Inside, established and aspiring yoga teachers will find:

- Over 2,000 instructional photos and guide to over 150 yoga asanas
- Multiple sequences for beginning, intermediate, and advanced students
- Yoga sequences for kids, teens, seniors, and women across their life cycle
- Yoga classes designed for relieving depression and anxiety
- Sequences for each of the major chakras and ayurvedic constitutions
- Guidance for teaching breathing (pranayama) and meditation techniques
- Glossary of terms and alphabetical asana index with thumbnail photographs
- Yoga class planning worksheets
- Representative

sequences from several popular styles of hatha yoga • And many more resources for further reading! Drawing on ancient yoga philosophy and contemporary insights into functional anatomy, biomechanics, and kinesiology, Yoga Sequencing is the ultimate guide teachers looking to bring the transformative power of yoga into their practice and classes.

50 hour yoga teacher training: Restore and Rebalance Judith Hanson Lasater, 2017-12-26 Restorative yoga teacher Judith Hanson Lasater offers a program of yoga poses to help rebalance your mind and body and counteract the effects of chronic stress. Restorative yoga offers the body a chance to rest deeply and revitalize. Whether you are feeling weak, fatigued, stressed from daily activities, or simply need to slow down and tune into your body, this wonderfully adaptive practice is essential for well being. Many of the practices are simple and accessible for people of all ages and in all states of health, using props that are readily available—like pillows and chairs. These deeply relaxing poses help you • rebalance your mind and body • create feelings of wellbeing, and counteract the effects of chronic stress • recover from injury or illness • lower blood pressure, and elevate and stabilize your mood Discover how just a few minutes a day of active, supported rest can improve your mood, your energy, and your sense of physical comfort and ease.

50 hour yoga teacher training: The Complete Book of Vinyasa Yoga Srivatsa Ramaswami, 2005-07-07 Sri T. Krishnamacharya (1888-1989) was the most influential figure in the last 100 years in the field of yoga. Many of today's best-known yoga teachers—including his brother-in-law B. K. S. Iyengar, his son T. K. V. Desikachar, and Pattabhi Jois, founder of Ashtanga yoga—studied with him and modeled their own yoga styles after his practice and teaching. Yet, despite his renowned status, Krishnamacharya's wisdom has never before been made completely available, just as he taught it. Now, in *The Complete Book of Vinyasa Yoga*, Srivatsa Ramaswami—Krishnamacharya's longest-standing student outside his own family—presents his master's teachings of yogasanas in unprecedented detail. Drawing upon his 33 years of direct study, beginning in 1955 and continuing nearly until his teacher's death, Ramaswami presents more than nine hundred poses and variations in logically structured sequences, precisely describing Krishnamacharya's complete Vinyasakrama system. Along with every movement of each yoga posture, he covers the proper breathing techniques for each pose—something no other book also derived from Krishnamacharya's teaching does. Nearly 1,000 full-color photographs are featured in this authoritative landmark presentation of the study practiced by the grandfather of modern yoga.

50 hour yoga teacher training: Structural Yoga Therapy Mukunda Stiles, 2001-01-01 Once you have learned the basics of yoga, where do you go? This book has been written for teachers and serious practitioners who want to use yoga to bring complete balance to the body. Stiles provides a comprehensive overview of the spiritual philosophy of yoga and its many branches, and discusses everything that a beginning student needs to consider when choosing a practice, including how to find a yoga teacher. Then he shares his solid understanding of anatomy and kinesiology (how specific muscles and bones react during movement) so that you can understand how each asana affects your body.

50 hour yoga teacher training: Inner Engineering Sadhguru, 2016-09-20 NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. “A loving invitation to live our best lives and a profound reassurance of why and how we can.”—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his

motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means “dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life.” The wisdom distilled in this accessible, profound, and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

50 hour yoga teacher training: Cool Yoga Tricks Miriam Austin, 2003-12-30 Craving yoga’s benefits but unable to perform even the simplest postures? Think yoga is only for rubber-limbed supermodels? If your yoga practice is giving you more stress than stress relief, Cool Yoga Tricks is the answer to your prayers. Although it seems like everyone from Madonna to your eighty-three-year-old Uncle Teddy is practicing yoga, most of us are unable to do even the simplest classic yoga poses without undue stress and strain. Now in this clear, understandable, easy-to-follow book, Miriam Austin offers alternative yoga routines that help you reap the greatest rewards from your yoga practice, and she reveals shortcuts to help you perform yoga like a pro. Using everyday items, such as chairs, walls, and blankets, Miriam Austin shows how those of us with normal flexibility limitations can experience the very real benefits of yoga—without dislocating our joints, overstretching our muscles, or giving up in frustration. She makes the basics simple, doable, and down-to-earth. Dog Tricks—lengthen your spine more fully with these Downward Facing Dog tricks, designed to relax your neck, shoulders, and back—and make your Dog Pose much more lovable. Befriending Backbends—increase your pretzability with a little help from your friends—and from some garden-variety folding chairs. Tweaking Your Twists—learn the techniques that will stretch your spine and give you more life energy. Super Stretches—feel as limber as your average bowling ball? Gently coax your muscles to new lengths by practicing the routines in this chapter.

50 hour yoga teacher training: The Wim Hof Method Wim Hof, 2022-04-14 THE SUNDAY TIMES BESTSELLING PHENOMENON 'I've never felt so alive' JOE WICKS 'The book will change your life' BEN FOGLE My hope is to inspire you to retake control of your body and life by unleashing the immense power of the mind. 'The Iceman' Wim Hof shares his remarkable life story and powerful method for supercharging your strength, health and happiness. Refined over forty years and championed by scientists across the globe, you'll learn how to harness three key elements of Cold, Breathing and Mindset to master mind over matter and achieve the impossible. 'Wim is a legend of the power ice has to heal and empower' BEAR GRYLLS 'Thor-like and potent...Wim has radioactive charisma' RUSSELL BRAND

50 hour yoga teacher training: Integral Yoga Hatha Swami Satchidananda, 1995 This clear and comprehensive yoga manual, prepared by the world-renowned yoga master Swami Satchidananda, is the only one you will ever need! Clear, concise and accurate information and illustrations make yoga practice easy for everyone, even through to the most advanced level.

50 hour yoga teacher training: Wallet Activism Tanja Hester, 2021-11-16 2022 NATIONAL INDIE EXCELLENCE AWARDS FINALIST — SOCIAL/POLITICAL CHANGE • 2022 ASJA ANNUAL WRITING AWARD WINNER — SERVICE • 2022 NAUTILUS BOOK AWARDS GOLD MEDALIST — SOCIAL CHANGE & SOCIAL JUSTICE • 2022 AXIOM BUSINESS BOOK AWARD GOLD MEDALIST — PHILANTHROPY/NONPROFIT/SUSTAINABILITY How do we vote with our dollars, not just to make ourselves feel good, but to make a real difference? Wallet Activism challenges you to rethink your financial power so can feel confident spending, earning, and saving money in ways that align with your values. While we call the American system a democracy, capitalism is the far more powerful force in our lives. The greatest power we have—especially when political leaders won’t move quickly enough—is how we use our money: where we shop, what we buy, where we live, what institutions we entrust with our money, who we work for, and where we donate determines the

trajectory of our society and our planet. While our votes and voices are essential, too, **Wallet Activism** helps you use your money for real impact. It can feel overwhelming to determine “the right way” to spend: a choice that might seem beneficial to the environment may have unintended consequences that hurt people. And marketers are constantly lying to you, making it hard to know what choice is best. **Wallet Activism** empowers us to vote with our wallets by making sense of all the information coming at us, and teaching us to cultivate a more holistic mindset that considers the complex, interrelated ecosystems of people and the planet together, not as opposing forces. From Tanja Hester, *Our Next Life* blogger and author of *Work Optional*, comes the mindset-shifting guide to help you put your money where your values are. **Wallet Activism** is not a list of dos and don’ts that will soon become outdated, nor does it call for anti-consumerist perfection. Instead, it goes beyond simple purchasing decisions to explore: The impacts a financial decision can have across society and the environment How to create a personal spending philosophy based on your values Practical questions to quickly assess the “goodness” of a product or an entity you may buy from The ethics of earning money, choosing what foods to eat, employing others, investing responsibly, choosing where to live, and giving money away For anyone interested in leaving the world better than you found it, **Wallet Activism** helps you build habits that will make your money matter.

50 hour yoga teacher training: The Durable Runner Alison Heilig, 2019-11-01 Part sport and part exercise, running boosts health, longevity, and mental well-being. However, running is a demanding activity that can potentially tax the runner's body and mind. Therefore, possessing durability for running--a fusion of toughness and flexibility--is desirable to enhance a runner's physical and mental experience. This book--the first of its kind to combine corrective exercise, self-myofascial release, and yoga--empowers runners with measures to avoid unnecessary pain, injury, and burnout. It is a comprehensive guide to creating a simple and efficient system of personalized supplemental training in which runners learn to identify and address areas of imbalance and overuse. These training methods increase strength, stability, mobility, and resiliency, and require as little as 15 minutes per day to implement. (For each technique, the author has produced a video, and live links are included in the enhanced ebook edition.) Runners can decrease the risk of injury, improve running performance, and maintain joint health. The result: a more durable body and mind that will support your running--and your life--for years to come.

50 hour yoga teacher training: Yoga for Osteoporosis: The Complete Guide Loren Fishman, Ellen Saltonstall, 2010-03-29 A comprehensive, user-friendly medical yoga program designed for the management and prevention of osteoporosis, with more than four hundred illustrations. Osteoporosis leads to painful fractures due to loss of bone mass; yoga strengthens bones without endangering joints: it stands to reason that yoga is the perfect therapy for osteoporosis. Forty-four million Americans suffer from low bone mass, and osteoporosis is responsible for more than 1.5 million fractures annually. Drugs and surgeries can alleviate pain, but study after study has shown that exercise is the best treatment, specifically low-impact, bone-strengthening exercises—hence, yoga. In this comprehensive and thoroughly illustrated guide, Loren Fishman and Ellen Saltonstall, who between them have seven decades of clinical experience, help readers understand osteoporosis and give a spectrum of exercises for beginners and experts. Classical yoga poses, as well as physiologically sound adapted poses, are presented with easy-to-follow instructions and photographs. The authors welcome readers of all ages and levels of experience into the healing and strengthening practice of yoga.

50 hour yoga teacher training: Hatha Yoga Illustrated Martin Kirk, Brooke Boon, Daniel DiTuro, 2005-10-20 Experience the physical benefits and body awareness from hatha yoga—the most popular form of yoga today. *Hatha Yoga Illustrated* presents nearly 650 full-color photos to visually demonstrate 77 standard poses from hatha yoga that apply to all major hatha styles including Iyengar, Astanga, Anusara, and Bikram. Individual poses are presented from start to finish, showing you how to achieve proper alignment and breathing to ensure challenging yet safe execution. The result is an increase in the effectiveness, both physically and mentally, you'll experience with each pose. Several pose variations based on your personal preference, ability, and fitness level are also

included. Eleven sample yoga routines show how to assemble the poses into workouts that meet your specific time, difficulty, and intensity parameters. Colorful and comprehensive, Hatha Yoga Illustrated is organized for your ultimate convenience and use. Use it to guide your muscles, as well as your mind, and increase strength and stamina, reduce stress and anxiety, reduce blood pressure, and increase flexibility.

50 hour yoga teacher training: The Four Desires Rod Stryker, 2011-07-26 “Desire is here to stay. The challenge we all face, and which I intend to guide you through, is to learn how to take into account the full measure of who you are and use the positive force of all four of your soul’s desires to lead you to your best life.” —Rod Stryker According to ancient Yogic tradition, your soul has four distinct desires: • The desire for purpose, the drive to become who you are meant to be • The desire for the means (money, security, health) to prosper in this world • The desire for pleasures like intimacy, beauty, and love • The desire for spiritual fulfillment and lasting freedom Learning to honor these four desires is the key to happiness, and to a complete and balanced life. But how can you discern what will truly satisfy your desires? How can you increase your capacity to achieve them? What if your desires seem to conflict with one another? Is it really possible to live a spiritual life while also wanting material pleasures and success? For more than three decades, master teacher Rod Stryker has taught yoga in the context of its deepest philosophy. His course, called The Yoga of Fulfillment™, has helped thousands recognize their soul’s call to greatness and to achieve their dreams. Now, in this wise and richly practical book, he has distilled those broad teachings into a roadmap for becoming the person you were meant to be. It is filled with revealing true stories, provocative exercises, and practices for unlocking your inner guidance. And even if you’ve never done a yoga pose, you can follow this step-by-step process to: • discover your soul’s unique purpose—the one you came into this world to fulfill. • recognize the goal(s) you need to focus on at any given time and enliven your capacity to reach them. • overcome self-defeating ideas and behavior. • recruit your deepest energies and strengthen your resolve to meet any challenge. • learn to live with joy at every stage of your growth. The Four Desires is nothing less than a complete path toward living your best life possible—a life that is rich in meaning and in means, a life that attracts and emanates happiness, a life that is your unique gift to yourself and the world.

50 hour yoga teacher training: Yin Yoga Kassandra Reinhardt, 2018-01-04 Stretch the mindful way with this all-encompassing guide to Yin Yoga. In today's fast-paced world it's easy to lose the balance in our lives and the connection with our bodies. DK believes it's time to change that! Yin Yoga offers a remedy to the stress and hustle of everyday life. Heard of the term but don't know where to begin? No worries, we've got you covered! The same way that Yin balances Yang in ancient philosophies, the slower yin-style yoga featured in this yoga book offers an alternative to the faster more active forms of yoga. Instead, Yin yoga concentrates on holding and breathing through floor-based poses, awarding you with the time and space to clear both your mind and body. Dive straight in to discover: -Over 50 poses focusing on specific areas of the body -Each yoga pose is demonstrated with photographic step-by-step detail -20 sequences linking the poses, tailored to your physical and emotional targets -Introductory spreads covering the basic techniques behind Yin Yoga The first full-coloured step-by-step Yin yoga book on the market, this all-encompassing yoga guide is a must-have volume for individuals seeking a mindful and meditative approach to their yoga practice, as well as beginners and older yoga practitioners who are looking to adopt a slower-paced approach to yoga. You can explore gentle variations to much-loved yoga poses, from the comfort of your own home. Every exercise utilises the essential elements of Yin yoga to ensure you can gain all the physical and mental benefits, and will also allow you to perform all 20 sequences, which combine over 50 different poses into one singular experience and focus on specific health benefits each pose has on your body. For years, books on yoga have asked readers to bend over backwards (literally!) to conform to their physical demands. At DK, we believe it's time to change that! Why not allow for readers to demand that yoga conform to their individual needs instead? This is gentle yoga for the mind, body and soul. A must-have volume for those who want to take up Yoga but don't know where to begin, or simply those seeking to start a gentle low-impact exercise whilst encouraging

mindfulness, Yin Yoga can be tailored to your individual fitness needs, so you make the most out of your poses! Why not stretch yourself, literally, this New Year and try something new? Perhaps your mind, body and soul will thank you!

50 hour yoga teacher training: The Complete Guide to Yin Yoga Bernie Clark, 2019-09

This second edition of this bestseller provides an in-depth look at the philosophy and practice of Yin Yoga with illustrated how-to sections, including detailed descriptions and photographs of more than 30 asanas.

50 hour yoga teacher training: Prana and Pranayama Swami Niranjanananda Saraswati, 2009-12 Prana and Pranayama, by Swami Niranjanananda Saraswati, is a comprehensive book on the philosophy of prana the life force, and pranayama the expansion and control of the life force. This book offers a complete explanation of the science of pranayama as presented in the classical texts and as taught in the Satyananda Yoga Tradition by Bihar School of Yoga. The book explores the theory of prana and its related yogic concepts such as koshas, chakras, nadis and mantras. It also discusses respiratory physiology and current research undertaken on pranayama. The book also has a practical section, which contains particular guidelines for practicing pranayama, explained through instructions and illustrations. Throughout the book, biblical sources enhance the reader's understanding, bringing to light the unique spirit and intent of these classical teachings.

50 hour yoga teacher training: The Inspired Yoga Teacher Gabrielle Harris, 2021-05-09 If you are a new or experienced yoga teacher of any discipline and find yourself asking what to teach today, The Inspired Yoga Teacher will answer that question. Brimming with ideas, scripts, sequences, philosophy, poetry and quotes, The Inspired Yoga Teacher is a toolbox that will uplift your teaching and breathe new life into your classes. On days when you are busy, the book serves as a shot of inspiration and, during times of exploration, it can be used as a basis for deeper inquiry and planning. Using the most well-loved themes, the book guides you on how to plan a class that comes directly from your heart. □ Start your class with opening themes and words, set foundations, and explore starting postures. □ Flesh out your class with themed salutations, flows, focussed poses, and different styles of yoga. □ Finish your classes with heartfelt endings, Savasana, and final words. Themes Include: □ The Elements-Earth, Water, Fire, Space and Ether □ The Chakras-From Earth to Heaven explore practical and heartfelt yoga philosophy and practices. □ The Vayus-Delve deeper into your subtle body with an examination of the winds or little pranas that reside within. □ Inspiring Deities-Fall in love with cheeky monkeys, heartfelt warriors and compassionate caretakers □ The Yamas and Niyamas-Examine and teach the moral and ethical guidelines that makeup part of the code laid down by ancient sages. This practical and accessible treasure chest is for the professional teacher who wants to explore sharing what it means to love yoga beyond asana and, in doing so, move students to a place where they are inspired to learn more both on and off the mat. Front cover mala supplied by The Genuine Bead Shop on Ets
