52 Questions to Ask Your Grandparents: Uncovering a Legacy of Stories

Author: Dr. Evelyn Reed, PhD in Family History and Genealogy, Certified Family Historian

Publisher: Legacy Press, a leading publisher of books and resources focused on family history and preserving family memories.

Editor: Sarah Miller, MA in History, experienced editor specializing in biographical and historical works.

Keyword: 52 Questions to Ask Your Grandparents

Introduction: Preserving family history is a precious gift, and one of the richest sources of information is often right in front of us: our grandparents. Their life experiences offer a unique window into the past, providing invaluable context and understanding for our own lives. This article presents '52 questions to ask your grandparents', carefully categorized to encourage rich and meaningful conversations. These '52 questions to ask your grandparents' aren't just about dates and facts; they're designed to uncover the stories, emotions, and perspectives that shape a life. Using these '52 questions to ask your grandparents', you'll be able to build a treasured archive of family memories.

Section 1: Childhood and Early Life (Questions 1-13)

This section focuses on your grandparents' formative years. These '52 questions to ask your grandparents' explore their childhood environment, relationships, and early experiences that shaped their character.

1. What were your childhood toys like?
2. Describe your favorite childhood memory.
3. What were your schools like? What was your favorite subject?
4. Who were your best friends growing up?

5. What were your family traditions?
6. What was your family's financial situation like?
7. What were your biggest challenges growing up?
8. What did you dream of becoming when you were young?
9. What was your first job? What did you learn from it?
10. What were some of the significant events happening in the world during your childhood? How did they affect you?
11. Describe your neighborhood. What was it like to live there?
12. What was your favorite family meal? Can you share the recipe?
13. What was your favorite form of entertainment as a child?

Section 2: Adulthood and Relationships (Questions 14-26)

This section delves into your grandparents' adult lives, focusing on their careers, relationships, and significant life events. This set of '52 questions to ask your grandparents' will illuminate their choices, challenges, and triumphs.

1. Tell me about your education. How did it shape your career path?
2. Describe your first job after school/college.
3. What was your career like? What were your biggest accomplishments?
4. What were some of the biggest challenges you faced in your career?
5. What was your dating life like? How did you meet your spouse?
6. What's your favorite memory with your spouse/partner?
7. What is the secret to a long and happy marriage/relationship?
8. What are some of the most important life lessons you've learned?

9. What were some of the biggest decisions you made in your life?
10. What are you most proud of accomplishing in your life?
11. Describe a time you overcame a significant obstacle.
12. What advice would you give your younger self?

Section 3: World Events and Personal Beliefs (Questions 27-39)

This section uses '52 questions to ask your grandparents' to explore how significant historical events impacted their lives and shaped their beliefs.

1. What major historical events did you experience? How did they affect you?
2. What are your political beliefs? How did they develop?
3. What are your thoughts on social change throughout your lifetime?
4. What significant technological advancements did you witness? How did they change your life?
5. What are your religious or spiritual beliefs?
6. What is your philosophy on life?
7. What does happiness mean to you?
8. What are your thoughts on family and community?
9. What does success mean to you?
10. What role did music play in your life? What were some of your favorite artists or bands?
11. What were some of the popular fashion trends during your younger years?
12. What are your thoughts on current events? How do they compare to events in your past?
13. What is one thing you wish you had done differently in your life?

Section 4: Family and Legacy (Questions 40-52)

This final section utilizes '52 questions to ask your grandparents' to focus on family relationships and the legacy they're leaving behind.

1. What are your favorite memories with your children?
2. What advice do you have for your grandchildren?
3. What are your hopes and dreams for your grandchildren's future?
4. What are some of your favorite family traditions?
5. What is the most important thing you've learned from your family?
6. How has your family evolved over the years?
7. What stories do you remember from your family history?
8. What are some of your favorite family photos and what memories do they evoke?
9. What are your family's strengths?
10. What is your definition of family?
11. What are your thoughts on aging and mortality?
12. What legacy do you hope to leave behind?
13. What is the most important lesson you want to share with future generations?

Conclusion: These '52 questions to ask your grandparents' are a starting point for a deeper connection and a rich exploration of their lives. Remember to listen actively, be patient, and cherish these moments. The stories you gather will be invaluable treasures, providing a deeper understanding of your family history and enriching your own life. The collection of these '52 questions to ask your grandparents' will help you create a lasting legacy for your family.

FAQs

1. How often should I ask these questions? Spread the questions out over several conversations. Don't try to cover everything in one sitting.
2. What if my grandparents are reluctant to talk? Be patient and understanding. Start with easier questions and build trust.
3. How can I record the answers? Take notes, record the conversations (with permission), or use a voice recorder.
4. What if my grandparents have memory issues? Focus on positive memories and experiences. Photos can be helpful prompts.
5. How can I make these conversations meaningful? Listen attentively, show genuine interest, and share your own memories and reflections.
6. Should I ask all 52 questions? No, choose the questions most relevant to your interests and your grandparents' capabilities.
7. What should I do with the information I gather? Write a family history, create a scrapbook, or share the stories with other family members.
8. What if I don't have a close relationship with my grandparents? This is an opportunity to build a stronger connection.
9. Is it ever too late to ask these questions? While it's best to ask sooner rather than later, it's never too late to learn about your family history.

52 questions to ask your grandparents: Immigrant Secrets John F. Mancini, 2021-10-06 My father never mentioned his Italian immigrant family. Never. We only knew - or thought we knew - that his parents died in the 1930s. Except they didn't. I spent decades working with records managers, archivists, and genealogists on the technologies used to preserve information. Despite this, I never spent any time looking at my own family history. The only thing my father ever said about his family was that his parents died in the 1930s. Once I began the search for my grandparents, I mostly ran into frustrating dead-ends - until the release of the 1940 Census. My grandparents magically appeared in the Census - but as inmates at the Rockland Insane Asylum - along with an extended family of aunts and uncles and cousins, all living within driving distance, but never mentioned. What happened? Who were these people? And why all the secrecy? The book is part mystery, part family history, part historical reconstruction. The story in the book of the search itself is a rather typical family history journey, albeit one that revealed things I never could have imagined about our family. The story in the book of my Italian grandparents is in fact a story. But it is, as they say in the movie industry, based on a true story. As Christian columnist and New York Times bestselling author Rachel Held Evans said in her 2018 book *Inspired: Slaying Giants, Walking on Water, and Loving the Bible Again*, Origin stories are rarely straightforward history. Over the years, they morph into a colorful amalgam of truth and myth, nostalgia and cautionary tale.

52 questions to ask your grandparents: *52 Uncommon Ways to Unwind Together* Randy Southern, 2020-01-07 Fun Dates that Help You Reinvigorate Your Relationship Whether you're going through a difficult season, your relationship has shifted into autopilot, or the everyday stresses of life are wearing you out, it's time to de-stress together. Connect on a deeper level and rekindle intimacy in your relationship Whether it's creating a throwback party or offering your spouse a chauffeured commute, you'll find clever and enjoyable ways to have fun and relax together.

52 questions to ask your grandparents: Grandma, Tell Me Your Memories Kathy Lashier, 1992-06 Grandma, Tell Me Your Memories poses one question a day to spark lifetime memories, with space on the page to fill in a short story or memory of the subject. The book can be filled out and given as a gift or can be given to your Grandma to fill out and return full of her recollections - a gift that will be treasured for years to come. There are six books in the Memory-A-Day series (Grandma, Grandpa, Mom, Dad, To the Best of My Recollection, To My Dear Friend).

52 questions to ask your grandparents: 52 Things Kids Need from a Mom Angela Thomas, 2011-09-01 Bestselling author and mother of four children Angela Thomas brings her trademark storytelling and biblical teaching to this book of encouragement for moms who, in the daily whirl of busyness, long to connect with their kids in new ways. With compassion and creativity, Angela presents 52 inspirations to help moms experience intentional mothering, intentional living, and intentional joy as they: talk to their child as though he is fascinating learn to play one video game plan activities that set a child up for success be the groovy mom once in a while make memories and savor them Moms at all phases of parenting can adopt one idea a week or try several at once. This is a fun, guilt-free resource to help every mom lead with God's love and delight in the small moments that make up an abundant life.

52 questions to ask your grandparents: 52 Things Kids Need from a Dad Jay Payleitner, 2020-01-01 "God, please help me...another game of Candy Land..." Quite a few dads spend time with their kids. However, many have no clue what their kids really need. Enter author Jay Payleitner, veteran dad of five, who's also struggled with how to build up his children's lives. His 52 Things Kids Need from a Dad combines straightforward features with step-up-to-the-mark challenges men will appreciate: a full year's worth of focused, doable ideas—one per week, if desired uncomplicated ways to be an example, like "kiss your wife in the kitchen" tough, frank advice, like "throw away your porn" And, refreshingly... NO exhaustive (and exhausting) lists of "things you should do" NO criticism of dads for being men and acting like men Dads will feel respected and empowered, and gain confidence to initiate activities that build lifelong positives into their kids. Great gift or men's group resource!

52 questions to ask your grandparents: The Madoffs Among Us William M. Francavilla, 2018-03-19 Each year Americans lose billions of dollars to fraudulent activity. The Madoffs Among Us shows you in graphic detail why and how people fall prey. Most important, it shows you how to easily identify the people who perpetrate these crimes and avoid their deceitful practices. Why do smart people fall for these cons? What are today's most common scams? And how can you avoid becoming a victim? Many people abdicate their responsibility to participate in the investment process because they just don't know much about financial planning, and they rely upon an advisor. The Madoffs Among Us arms you with tangible and simple actions to protect your wealth, no matter its size. From the very first chapter, you will appreciate why good advisors are worth their weight in gold and bad advisors could cost you a fortune. With uncertainty surrounding the potential repeal of some of the most important protections of the Dodd-Frank Act this book will become even more important. The real-life examples of fraud are numerous and alarming, but The Madoffs Among Us gives you the concrete measures you can take to minimize the possibility of being ripped off.

52 questions to ask your grandparents: Praying the Scriptures for Your Adult Children Jodie Berndt, 2017-12-05 OVER 500,000 SOLD IN THE PRAYING THE SCRIPTURES SERIES As parents of adult children, we often worry about whether our children will make good choices when they're on their own. Praying the Scriptures for Your Adult Children provides you with biblically based prayers and encouraging stories to guide you as you pray for your adult children through anything they face. Parent and author Jodie Berndt understands what it's like to release children into the world and still care deeply about them and everything they're up against in life. In Praying the Scriptures for Your Adult Children, Jodie shares prayers designed with your adult children in mind, whether they're just

leaving the nest, flying well on their own, or struggling to take off at all. Jodie shares advice on navigating all aspects of adulthood with encouraging stories from experienced parents who are praying their children through real-life issues like leaving the church, struggling with health concerns, navigating broken marriages, fighting addiction, dealing with financial problems, and more. In *Praying the Scriptures for Your Adult Children*, Jodie addresses some of the most difficult questions that confront parents: How can I support my children when they make decisions I disagree with? Is it too late to start praying for my children? What does the Bible teach us about praying for our children? With the grace and wisdom of someone who's been there, Jodie shares the tools and encouragement you need to find the strength to keep praying, even as you doubt yourself and grieve over your children's choices. Whatever you're praying for, *Praying the Scriptures for Your Adult Children* will help you find confidence and peace taken straight from Scripture, guiding you to the bedrock of God's promises as you release your children to God's shepherding care.

52 questions to ask your grandparents: 101 Ways You Can Help Save the Planet Before You're 12! Joanne O'Sullivan, 2009 Presents ideas to protect the planet by doing simple things such as cutting down on water use, starting a compost bin, and creating litter-free lunches.

52 questions to ask your grandparents: Legacy Questions Everyone Should Ask Their Parents! Meaningful Moments, 2018-11-05 Passing down your spiritual legacy may likely be the most important thing you do in your lifetime! Don't procrastinate, Take the time now to establish, reaffirm or preserve your Christian legacy for time and eternity! Few would deny the importance of leaving a legacy. Our spiritual heritage far outweighs our natural heritage. Nearly, all of us know this truth, but in the hubbub of our busy days we often neglect intentionally passing down our faith, convictions and values to our children. This journal will help you make a fixed record of your spiritual journey Those who will read your words will rest in the knowledge that their lives have meaning far beyond any circumstance they may face. Your words will provide inspiration and encouragement to future generations.

52 questions to ask your grandparents: A Grandparent's Legacy Thomas Nelson, 2007-04-15 This grandparent's memory journal takes you on a journey that will become a cherished family memoir. Designed in a 12-month format, each month features 12 intriguing questions with space to write a personal answer. Questions explore family history, childhood memories, lighthearted incidents, cherished traditions, and the dreams and spiritual adventures encountered in a lifetime of living. The written words become windows to a grandparent's heart.

52 questions to ask your grandparents: Sometimes I Lie Alice Feeney, 2018-03-13 ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER “Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale. Marvelous.” —AJ Finn, author of *The Woman in the Window* My name is Amber Reynolds. There are three things you should know about me: 1. I’m in a coma. 2. My husband doesn’t love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can’t move. She can’t speak. She can’t open her eyes. She can hear everyone around her, but they have no idea. Amber doesn’t remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

52 questions to ask your grandparents: 52 Things Wives Need from Their Husbands Jay Payleitner, 2012-02-01 Many wives long to have their husbands choose them all over again. To be their knight in shining armor. Their leader. Their listener. Their lover. In *52 Things Wives Need from Their Husbands*, Jay Payleitner, veteran radio producer and author of *52 Things Kids Need from a Dad*, offers a bounty of welcome advice, such as Stir her pots Buy sparkly gifts Be the handyman Stay married Kiss her in the kitchen Leave your mommy Put her second A great gift or men's group resource, *52 Things Wives Need from Their Husbands* provides a full year's worth of advice. And no chapter will make husbands feel guilty or criticize them for acting like men! For the husband who wants to live God's plan for his marriage, this book will put him on the right track.

52 questions to ask your grandparents: Teaching Your Children Values Richard Eyre, Linda

Eyre, 2010-05-11 One of the greatest gifts you can give your children is a strong sense of personal values. Helping your children develop values such as honesty, self-reliance, and dependability is as important a part of their education as teaching them to read or how to cross the street safely. The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture. With their own values clearly defined, your children can make their own decisions -- rather than imitate their friends or the latest fashions. In *Teaching Your Children Values* Linda and Richard Eyre present a practical, proven, month-by-month program of games, family activities, and value-building exercises for kids of all ages.

52 questions to ask your grandparents: 101 Conversation Starters for Couples Gary Chapman, Ramon Presson, 2012-03-21 Your spouse is a unique person, filled with amazing insights, thoughts, feelings, and experiences. Communication is key to really knowing and fully loving that person. Bestselling author and marriage counselor Gary Chapman has developed this handy tabletop resource to get you and your spouse talking. With 101 probing questions, couples will find their relationship enhanced, their intimacy deepened, and their romance ignited. *101 Conversation Starters for Couples* is the perfect companion to the bestselling book, *The 5 Love Languages®*. It also makes an excellent Valentine's Day, wedding, and anniversary gift. It helps you and your spouse get the conversation flowing.

52 questions to ask your grandparents: Where To Start and What To Ask Susan Lukas, 1993-01-05 This popular guidebook offers all the necessary tools for formulating a thorough client assessment. Packaged together with a companion CD filled with lessons and exercises on the clinical interview, it will expand your clinical skills and increase your confidence as a practitioner.

52 questions to ask your grandparents: Grandma, It's Me! Y. Y. Chan, 2022-01-28 Riley loves spending time with her grandparents, but after visiting them one day, she notices Grandma doesn't recognize her. Mommy explains that Grandma may have dementia, so her memory isn't as good as it used to be. Riley tries her best to help Grandma remember and writes about their time together in her diary. This uplifting and touching story encourages young readers to support and care for the elderly with love, patience and understanding. Written as a series of diary entries, *Grandma, It's Me!* also encourages journaling as a way to process emotions and feelings in order to become resilient to face life's many challenges. An Activity Pack (including reading comprehension questions, project ideas, templates, coloring pages and more) is also available for download at https://bit.ly/yychan_grandma

Foreword by Teresa B.K.Tsien (Gerontologist Hong Kong Alzheimer's Disease Association Board Member) ...The story was written with a dash of humor and lots of love from a child's perspective. It helps to take away some of the mystery, and reminds us that even though the disease has changed the mind and body, the person with dementia is still there, and still loves us. She has illustrated an important message that people with dementia might not remember the events, but they will always remember the feelings that they experienced... I highly recommend this book to families and schools. Recommended and Endorsed by Dementia and Alzheimer's Professionals and Families on the Dementia Journey A very sweet way to present the challenges a loved one faces when someone dear to them is going through this disease. I found that many aspects of dementia / Alzheimer's were touched upon. I see this process every day in my profession. One of my very favorite sayings is to love them through it. This is a shining example of doing just that-loving someone through it. - Cindy Swanda LPN Memory Support Director, Fremont, Nebraska, USA ... The book has been a blessing for me-I think for the past two years taking care of my mom, I sometimes have a picture in my mind that is full of grey-and oh so dreary! This has lifted my spirit up and I find that nowadays, even when I think of my mom, the picture has become more colorful. - Serene Low, Singapore Five Star Reviews from Readers' Favorite ... *Grandma, It's Me! A Children's Book about Dementia*, is a caring, compassionate way to teach young readers about memory loss and how they can help... Young readers will certainly connect with Riley's feelings as she deals with a difficult and confusing situation affecting someone she loves. The power of love shines through this touching story. Beautifully told. - Emily-Jane Hills Orford for Readers' Favorite ... This book offers so many wonders in learning about the journey of loved ones living with dementia or Alzheimer's and those

who care for them... I loved this book and highly recommend it for young and old alike. - Vernita Naylor for Readers' Favorite

52 questions to ask your grandparents: Grown and Flown Lisa Heffernan, Mary Dell Harrington, 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

52 questions to ask your grandparents: Far-Out Grandparents Carolyn Brooks, 2003-03

52 questions to ask your grandparents: Reach Out and Teach Kay Alicyn Ferrell, 2011 Packed with important information for today's parents and professionals, this new edition of a groundbreaking work presents the latest research on how visually impaired children learn and develop at different ages and in the various developmental domains: sensory development, communication, movement, manipulation, and comprehension. Clear, practical, and reassuring, and full of suggested activities, this book provides a guide to teaching young visually impaired children the important life skills they need to know--skills that other children may learn simply by observation and imitation--and preparing them to enter school ready to learn with their peers. From early intervention services to the full range of educational placements, Reach Out and Teach is the ultimate guide to helping a visually impaired child learn and grow.

52 questions to ask your grandparents: Nobody's Baby Now Susan Newman, 2003-04-01 Offers strategies and techniques for improving the relationship between adult children and their parents, discussing familiar challenges such as holiday conflicts, money issues, children, and guilt trips.

52 questions to ask your grandparents: Exploring America in the 1980s Molly Sandling, Kimberley Chandler, 2021-09-03 Exploring America in the 1980s: Living in the Material World is an interdisciplinary humanities unit that looks at literature, art, and music of the 1980s to provide an understanding of how those living through the decade experienced and felt about the many social changes taking place around them. Through the lens of identity, it explores why these changes occurred and lends an ear to the voices of the groups that clamored for them. Cultural icons like Madonna and Bill Cosby are examined alongside larger issues such as the end of the Cold War and a changing economic and political identity. The unit uses field-tested instructional strategies for language arts and social studies from The College of William and Mary, as well as new strategies, and it includes graphic organizers and other learning tools. It can be used to complement a social studies or language arts curriculum or as standalone material in a gifted program. Grades 6-8

52 questions to ask your grandparents: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office

because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

52 questions to ask your grandparents: *Unconditional Love* Jane Isay, 2018-03-06 A beautiful meditation on the joys of being a grandparent and a practical guide to help you and your adult children make the most of your relationship with a grandchild. For many grandparents, a grandchild offers a second chance to become the parent they didn't have the time or the energy to be when raising their own children. Being a grandparent, family relationships expert Jane Isay argues, is the opportunity to turn missed opportunities into delight. Drawing on her personal experience, dozens of interviews, and the latest findings in psychology, Isay shows how a grandparent can use his or her unique perspective and experience to create a deep and lasting bond that will echo throughout a grandchild's life. She explores the realities of today's multigenerational families, identifying problems and offering solutions to enhance love, trust, and understanding between grandparents, parents, and grandchildren. She also offers a wealth of practical advice, from when to get involved, when to stay away, and how to foster a strong relationship when you're separated by long distance. *Unconditional Love* advocates for honest conversation, thinking in the long run and healing breaches in order to be together, understanding that most of us try to do our best and need to be forgiven if we fail. Isay argues that secrets and surprises may tilt the boat but won't necessarily sink it and that grandparents and their grown children are happier when they give each other the benefit of the doubt. Most importantly, she writes, the advent of grandchildren offers families the opportunity for healing and redemption—if we seize the moment. In lovely prose and through delightful stories, Isay shows us how we can. A great gift for grandparents-to-be and a wonderful resource for all, *Unconditional Love* is a beautiful and psychologically astute look at what it means to be an engaged grandparent.

52 questions to ask your grandparents: *Tell Me Your Life Story, Grandma* Questions About Me, 2021-04-18

52 questions to ask your grandparents: *The Best We Could Do* Thi Bui, 2017-03-07 National bestseller 2017 National Book Critics Circle (NBCC) Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a

parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls “a book to break your heart and heal it,” *The Best We Could Do* brings to life Thi Bui’s journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

52 questions to ask your grandparents: *School, Family, and Community Partnerships* Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students’ education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

52 questions to ask your grandparents: *Take Back Your Family* Jefferson Bethke, 2021-09-07 New York Times bestselling author Jefferson Bethke delivers a powerful critique of the Western notion of the nuclear family and calls us to a sweeping new paradigm that brings not only longed-for stability but also radical blessings to the world. The West's multi-century experiment with the nuclear family has failed. Its toxic hyper-individualism has left us with an unprecedented number of broken homes and rampant confusion over what a family is supposed to be. Jefferson Bethke delivers the solution we've been seeking: a plan for taking back our families from the modern myth that has derailed us and a vision for returning to the life-giving, biblical model of multi-generational teams. In *Take Back Your Family*, Bethke uncovers the historic events that led to our obsession with the nuclear family, then exposes the devastating effects of our current me culture. Now, writing from the visceral perspective of a father with three young children, he shares the values and strategies he and his family lean on in their quest to live as a community bonded by a shared mission, committed to mutually growing and thriving together. By returning to God's original design for families on earth, he says, we can participate in the kingdom work that restores and fulfills our innermost desires for connection, contentment, and meaning.

52 questions to ask your grandparents: *Life Is in the Transitions* Bruce Feiler, 2020-07-14 A New York Times bestseller! A pioneering and timely study of how to navigate life's biggest transitions with meaning, purpose, and skill Bruce Feiler, author of the New York Times bestsellers *The Secrets of Happy Families* and *Council of Dads*, has long explored the stories that give our lives meaning. Galvanized by a personal crisis, he spent the last few years crisscrossing the country, collecting hundreds of life stories in all fifty states from Americans who'd been through major life changes—from losing jobs to losing loved ones; from changing careers to changing relationships;

from getting sober to getting healthy to simply looking for a fresh start. He then spent a year coding these stories, identifying patterns and takeaways that can help all of us survive and thrive in times of change. What Feiler discovered was a world in which transitions are becoming more plentiful and mastering the skills to manage them is more urgent for all of us. The idea that we'll have one job, one relationship, one source of happiness is hopelessly outdated. We all feel unnerved by this upheaval. We're concerned that our lives are not what we expected, that we've veered off course, living life out of order. But we're not alone. *Life Is in the Transitions* introduces the fresh, illuminating vision of the nonlinear life, in which each of us faces dozens of disruptors. One in ten of those becomes what Feiler calls a lifequake, a massive change that leads to a life transition. The average length of these transitions is five years. The upshot: We all spend half our lives in this unsettled state. You or someone you know is going through one now. The most exciting thing Feiler identified is a powerful new tool kit for navigating these pivotal times. Drawing on his extraordinary trove of insights, he lays out specific strategies each of us can use to reimagine and rebuild our lives, often stronger than before. From a master storyteller with an essential message, *Life Is in the Transitions* can move readers of any age to think deeply about times of change and how to transform them into periods of creativity and growth.

52 questions to ask your grandparents: What the Moon Saw Laura Resau, 2008-04-08 An intimate, award winning story of immigrants and their families, the borders they cross, and the ties that bind us all together. Fourteen-year-old Clara Luna's name means clear moon in Spanish. But lately, her life has felt anything but clear. A letter has arrived from her grandparents in Mexico inviting her to stay with them for the summer. But Clara has never met her father's parents. All she knows is that he snuck over the border from Mexico as a teenager. When she arrives, she's stunned by how different her grandparents' life is from her own in the United States. They live in simple shacks in the mountains of southern Mexico, where most people speak not only Spanish, but an indigenous language, Mixteco. Their village of Yucuyoo holds other surprises, too—like the spirit waterfall, which is heard but never seen. And Pedro, a young goatherder who wants to help Clara find the waterfall. But as Clara discovers more about where she comes from, what will it mean for who she is now? *What The Moon Saw* is an enchanting story of family, home, and discovering your true self in the most unexpected place. Filled with evocative language that is rich in imagery and nuance and speaks to the connections that bind us all. . . . a thrilling adventure . . .—Kirkus Reviews, Starred Readers . . . will find themselves swept up in this powerful, magical story, and they'll feel, along with Clara, 'the spiderweb's threads, connecting me to people miles and years away'.—Booklist, Starred

52 questions to ask your grandparents: The Childcare Bible Lucy Martin, 2010-07-06 For single parent families as well as those with two working parents, organising formal childcare can seem complicated and daunting. How are you to navigate your way through all the options available, work out what you can afford and plan all this around you or your partner returning to work? In *The Childcare Bible* Lucy Martin offers clear, comprehensive guidance on the world of nannies, nurseries, childminders, and much more. As an ex-solicitor, working mother of three children and owner of a successful nanny-finding business Lucy is excellently placed to give you the best advice on how to negotiate the childcare minefield. Having interviewed parents across the country to ensure the widest range of concerns and issues are covered, *The Childcare Bible* tells you everything you need to know, including: - What types of childcare are available and what they each offer - How to evaluate a childcare provider or childcare setting - What financial support you can get and how it works - How to interview nannies and the relevant employment law issues - How to decide whether returning to work is right for you - What your rights are on returning to work With checklists and case studies, this essential guide sets out the pros and cons, costs and implications of all available options. Accompanied by a regularly updated website containing the latest legal changes affecting childcare, *The Childcare Bible* makes organising the right childcare for your family a painless task.

52 questions to ask your grandparents: Passion and Poison Royanne Boyer, 2018-04-28 In every age of mankind, females have been recognized and categorized as inferior to men. A highly

intelligent woman such as Cree Dunford, a passionately sexual woman possessing an enviable intellect, is thwarted at every turn. Born just a generation too early to achieve her own ambitions, she longs for what every man believes to be his God-given right. Her story examines the frustration and fury of living a glamorous life she detests, knowing all the while she has the capability to achieve even more than her successful husband. What drives Cree, and how does her life end?

52 questions to ask your grandparents: Grandmother and Me Diane Barbara, Dominique Beccaria, 2004-09-01 This beautifully illustrated, child-friendly keepsake will be cherished by both generations for years to come. Most memory books are for moms exclusively and cover only a child's first year, but Grandmother and Me is a unique combination of baby book, scrapbook, and family record in which grandmothers and their grandchildren can record their memories and feelings about each other, and collect mementos over the course of many years. What did you look like as a baby? What did your grandmother look like? What was your grandmother like as a little girl? How did she meet your grandfather? These and other fun and fascinating questions for grandmother and grandchild are gathered here with creative activities to do together.

52 questions to ask your grandparents: Caring for Your Baby and Young Child American Academy of Pediatrics, 2014 Covers infant care, provides medical information, guidelines on growth, safety rules, and a discussion of family issues such as adoption, twins, etc.

52 questions to ask your grandparents: The Me I Want to Be John Ortberg, 2010 In this five-session DVD curriculum, youth leaders will lead their Sunday school class or small group through lessons that help teens learn to be thriving and flourishing Christ-followers. (Youth Issues)

52 questions to ask your grandparents: Toxic Mom Toolkit Rayne Wolfe, 2013-12-10 Toxic Mom Toolkit by Rayne Wolfe takes on super toxic mothers with humor, kindness and practical tools to help readers build a peaceful and happy life. The book includes Wolfe's memoir of growing up brave and scrappy in 1950's San Francisco, the daughter of three mothers: an absent birth mother, an abusive adopted mother and a wonderful step-mother. Coupled with her honest memoir, are mini-memoirs of women from all over the world, whose stories of growing up with toxic mothers shine light on the varied ways in which toxic parents can hurt, damage and undermine their children even into adulthood. There are helpful self-tests; positive affirmations and prompts; tools for contact and boundary setting; and lots and lots of wisdom wrapped in laughter. Toxic Mom Toolkit offers readers a starting point for the messy work of gaining perspective, setting boundaries, and breaking the cycle of toxic parenting. Join the Toxic Mom Toolkit community on Facebook.

52 questions to ask your grandparents: A Ray of Hope Ebony Aiken, 2015-01-15 Fifteen-year-old Essence Imani Harris can't believe it. Her parents have both been called to a fifteen-month military deployment to fight the war in Afghanistan. She, her older brother, and younger sister must leave their home and friends in San Antonio, Texas to live with their aunt and uncle in Mississippi. Essence, nicknamed CeCe, wrestles with this change and the physical separation from both parents. After moving in with their aunt and uncle, the siblings begin to build lives for themselves in Mississippi. CeCe learns her aunt may be infertile, and the couple desperately want children of their own. This situation creates stress for all in household. CeCe holds things together, overcoming the stress and tension through her faith and examples from her mother and her aunt. Recognizing where she is, and not knowing what lies ahead CeCe re-commits her life to Christ, and she is tested by life's trials. Seemingly, the gates of hell open and CeCe deals with death, loss, and some of her deepest fears. During this trying period, she bonds with her aunts parents who become surrogate grandparents to CeCe and her siblings. An answer to prayer, CeCe's new grandparents help keep the family rooted in Christ and give them needed reality checks. With all that life throws at CeCe, will she find a ray of hope?

52 questions to ask your grandparents: The Secrets of Happy Families Bruce Feiler, 2013-02-19 In The Secrets of Happy Families, New York Times bestselling author Bruce Feiler has drawn up a blueprint for modern families — a new approach to family dynamics, inspired by cutting-edge techniques gathered from experts in the disciplines of science, business, sports, and the military. Don't worry about family dinner. Let your kids pick their punishments. Ditch the sex

talk. Cancel date night. These are just a few of the surprising innovations in this bold first-of-its-kind playbook for today's families. Bestselling author and New York Times family columnist Bruce Feiler found himself squeezed between caring for aging parents and raising his children. So he set out on a three-year journey to find the smartest solutions and the most cutting-edge research about families. Instead of the usual family experts, he sought out the most creative minds—from Silicon Valley to the set of *Modern Family*, from the country's top negotiators to the Green Berets—and asked them what team-building exercises and problem-solving techniques they use with their families. Feiler then tested these ideas with his wife and kids. The result is a fun, original look at how families can draw closer together, complete with 200 never-before-seen best practices. Feiler's life-changing discoveries include a radical plan to reshape your family in twenty minutes a week, Warren Buffett's guide for setting an allowance, and the Harvard handbook for resolving conflict. *The Secrets of Happy Families* is a timely, counterintuitive book that answers the questions countless parents are asking: How do we manage the chaos of our lives? How do we teach our kids values? How do we make our family happier? Written in a charming, accessible style, *The Secrets of Happy Families* is smart, funny, and fresh, and will forever change how your family lives every day.

52 questions to ask your grandparents: Let's Talk Michelle PhD Watson Canfield, 2020-08-04 Many great father-daughter books highlight the benefits of being an engaged father, cite statistics about the impact fathers have on a daughter's life, and give practical advice about how to foster such relationships. But once the stage has been set, many dads don't know what to say or how to approach conversations with their daughters. Using her decades of experience in counseling young women and coaching fathers, Michelle Watson has created a step-by-step template for having conversations that build a stronger bond through laughter, vulnerability, honesty, and self-disclosure. *Let's Talk* is filled with dozens of scripted questions that walk fathers through the levels of creating a heart-to-heart connection with their daughters by communicating the right way. Through this easy-to-read guide, dads will learn how to listen and build trust as they move from get-to-know-you chats to deep discussions that dive into their daughters' struggles, hurts, and hopes.

52 questions to ask your grandparents: Resource Manual , 1993

52 questions to ask your grandparents: Don't Let Them Disappear Chelsea Clinton, 2024-03-05 From the author of the #1 New York Times bestseller *She Persisted* comes a beautiful book about the animals who share our planet--and what we can do to help them survive. Now abridged for tiny animal activists! Did you know that blue whales are the largest animals in the world? Or that sea otters wash their paws after every meal? The world is filled with millions of animal species, and all of them are unique and special. Many are on the path to extinction. In this book, Chelsea Clinton introduces young readers to a selection of endangered animals, sharing what makes them special, and also what threatens them. Taking readers through the course of a day, *Don't Let Them Disappear* talks about rhinos, tigers, whales, pandas and more, and provides helpful tips on what we all can do to help prevent these animals from disappearing from our world entirely. With warm and engaging art by Gianna Marino, this book is the perfect read for animal-lovers and anyone who cares about our planet. Praise for *Don't Let Them Disappear*: A winning heads up for younger readers just becoming aware of the wider natural world. --Kirkus Reviews An inviting . . . appeal to care for the planet and its most vulnerable creatures. --Publishers Weekly
