Editor: Sarah Miller, CPDT-KA – Sarah Miller is a Certified Professional Dog Trainer – Knowledge Assessed, with extensive experience in curriculum development and editing materials for canine training.

Keywords: 6 week puppy training schedule, puppy training, puppy socialization, early puppy training, puppy development, house training puppies, crate training puppies, basic obedience, puppy biting, 6-week old puppy training, puppy milestones.

Introduction:

The first few weeks of a puppy's life are crucial for their development and future behavior. A well-structured 6 week puppy training schedule, while seemingly early, lays the foundation for a well-behaved and confident adult dog. This comprehensive guide delves into a realistic and effective 6-week puppy training schedule, addressing common concerns and offering practical advice backed by scientific research. Remember, while a formal 6 week puppy training schedule begins at 6 weeks, the groundwork actually starts before you bring your puppy home.

Week 1: Establishing a Safe and Comfortable Environment (Building Blocks for Your 6 Week Puppy Training Schedule)

This initial week focuses on creating a safe and stimulating environment for your new puppy. This is crucial before initiating any formal 6 week puppy training schedule elements. Key aspects include:

Puppy-proofing: Remove hazards, secure electrical cords, and protect valuable items.

Designated safe space: Setting up a crate or den area provides security and helps with housetraining. This is a cornerstone of any successful 6 week puppy training schedule.

Introducing routines: Establish a regular feeding, sleeping, and playtime schedule. Consistency is key to a successful 6 week puppy training schedule.

Gentle handling: Accustom your puppy to being handled, touched, and examined. This builds trust and reduces fear-based behaviors later on.

Week 2: Introducing Basic Commands and Socialization (Your 6 Week Puppy Training Schedule Takes Shape)

Week 2 introduces fundamental commands and socialization practices within your 6 week puppy training schedule. Keep sessions short (5-10 minutes) and positive reinforcement focused.

Start with "sit" and "come": Use high-value treats and praise.

Controlled socialization: Introduce your puppy to calm, friendly dogs and people in short, supervised sessions. Avoid overwhelming experiences. A structured 6 week puppy training schedule prioritizes safe and controlled interactions.

Potty training basics: Establish a regular potty break routine. Reward successful elimination. This is a pivotal part of your 6 week puppy training schedule.

Week 3: Crate Training and Managing Biting (Refinement of Your 6 Week Puppy Training Schedule)

This week builds on previous skills and addresses common puppy issues within your 6 week puppy training schedule.

Crate training: Gradually acclimate your puppy to their crate using positive reinforcement. Never use the crate as punishment.

Bite inhibition: Teach your puppy to gently mouth, not bite. Use high-pitched yelps to simulate pain and remove yourself from the situation. This is a vital component of a well-rounded 6 week puppy training schedule.

Introduce different sounds and surfaces: Desensitize your puppy to everyday sounds and textures to prevent fear responses. This is key to successful long-term socialization and a well-executed 6 week puppy training schedule.

Week 4: Expanding Commands and Building Confidence (Progressing Your 6 Week Puppy Training Schedule)

Week 4 sees the introduction of new commands and focusing on building your puppy's confidence.

Add "down" and "stay": Gradually increase the duration of the "stay."

Environmental enrichment: Provide interactive toys and puzzles to stimulate mental engagement. This adds another dimension to your 6 week puppy training schedule.

Continue socialization: Expose your puppy to new sights, sounds, and smells in controlled settings. This is a crucial part of a successful 6 week puppy training schedule.

Week 5: Working on Recall and Addressing Problem Behaviors (Important Stage in Your 6 Week Puppy Training Schedule)

Week 5 is a critical stage in your 6 week puppy training schedule where you refine learned behaviors and address any emerging problems.

Refine recall: Work on getting your puppy to come when called, even with distractions. This is essential for safety and control. This is a critical element of your 6 week puppy training schedule.

Address problem behaviors: Jumping, nipping, and excessive barking should be addressed consistently and patiently using positive reinforcement techniques. This is vital for a positive

outcome from your 6 week puppy training schedule.

Introduce basic grooming: Begin introducing grooming tools and procedures gradually. This also helps with future vet visits. This is an often overlooked, yet significant step in your 6 week puppy training schedule.

Week 6: Review and Consolidation (The Completion of Your 6 Week Puppy Training Schedule)

The final week consolidates everything learned.

Review all commands: Ensure your puppy understands and reliably performs each command.

Assess progress: Identify areas needing further work.

Plan for continued training: Remember, this is just the beginning. Consistent training and socialization are essential throughout your puppy's life. The 6 week puppy training schedule lays the foundation; continued training is vital for long-term success.

Conclusion:

A structured 6 week puppy training schedule is an investment in your puppy's future. While it requires dedication and consistency, the rewards – a well-adjusted, confident, and well-behaved companion – are immeasurable. Remember to always remain patient and positive, focusing on rewarding good behavior and addressing challenges with understanding and patience.

FAQs:

1. Is a 6-week-old puppy too young to start training? No, early socialization and basic training are essential at this age. A 6 week puppy training schedule focuses on building the foundations for future learning.
1. How long should training sessions be for a 6-week-old puppy? Keep sessions short, around 5-10 minutes, multiple times a day.
1. What if my puppy doesn't respond to commands? Be patient and persistent. Use positive reinforcement and adjust your training methods as needed.
1. How do I deal with puppy biting? Use a high-pitched yelp to simulate pain and temporarily withdraw attention.

1. Is crate training cruel? No, when done correctly, crate training provides a safe and secure space for your puppy.
1. How much socialization is enough? Introduce your puppy to different sights, sounds, and people gradually, in controlled environments.
1. What if my puppy has accidents in the house? Accidents happen. Stay calm, clean up immediately, and reinforce successful potty breaks.
1. What kind of treats should I use for training? Small, high-value treats that your puppy loves are best.
1. Should I enroll my puppy in formal classes at 6 weeks old? This depends on the class and your puppy's temperament. Some classes may be suitable, but always check the instructor's experience and approach.

6 week puppy training schedule: Zak George's Dog Training Revolution Zak George, Dina Roth Port, 2016-06-07 A revolutionary way to raise and train your dog, with “a wealth of practical tips, tricks, and fun games that will enrich the lives of many dogs and their human companions” (Dr. Ian Dunbar, veterinarian and animal behaviorist). Zak George is a new type of dog trainer. A dynamic YouTube star and Animal Planet personality with a fresh approach, Zak helps you tailor dog training to your pet’s unique traits and energy level—leading to quicker results and a much happier pup. For the first time, Zak has distilled the information from his hundreds of videos and experience with thousands of dogs into this comprehensive dog and puppy training guide that includes: • Choosing the right pup for you • Housetraining and basic training • Handling biting, leash pulling, jumping up, barking, aggression, chewing, and other behavioral issues • Health care essentials like finding a vet and selecting the right food • Cool tricks, traveling tips, and activities to enjoy with your dog • Topics with corresponding videos on Zak’s YouTube channel so you can see his advice in action Packed with everything you need to know to raise and care for your dog, this book will help you communicate and bond with one another in a way that makes training easier, more rewarding, and—most of all—fun!

6 week puppy training schedule: The Art of Raising a Puppy Monks of New Skete, 2001-05-15 The Monks of New Skete THE ART OF RAISING A PUPPY The authors of the classic guide How to Be Your Dog's Best Friend now tell you everything you need to know about the crucial first months of your puppy's life. From the decision to adopt a pup through the practical steps of choosing the right breed, preparing your home, caring for your new charge, and practicing basic obedience

exercises, the Monks of New Skete offer clear, compassionate guidelines for raising a puppy. Renowned for breeding German shepherds, the Monks train their own beautiful dogs, and dogs of any breed, according to a unique program based on understanding canine behavior and enhancing the bond between dog and owner. This communion begins in puppyhood and is based on deep respect and affection. Improper care, poor training, or a lack of attention during the early months can lead to problem behaviors that become increasingly difficult to alter as your dog matures. By learning to gently assert your dominance from the start, you'll build a lasting and loving relationship with your pup. This complete guide, illustrated with more than eighty black-and-white photographs, explains the stages of puppy development, how to communicate with your pup, how to begin a complete training program, and how to deal with common problems like chewing, jumping up, and paper-training. The kind of fulfillment a solid relationship with your pup can bring is demonstrated in the stories of three dogs who have assumed special places in their owners' lives. *The Art of Raising a Puppy* is an essential source of wisdom, information, and inspiration for anyone who loves and cares for a puppy. As a community, the Monks of New Skete have been breeding, raising, and training dogs for more than twenty years. New Skete Monastery is located in Cambridge, New York.

6 week puppy training schedule: Train Your Dog Like a Pro Jean Donaldson, 2010-03-16
The tools you need to think and train like a professional Jean Donaldson is one of the top dog trainers in the United States, and her training academy has gained a reputation as the Harvard for dog trainers and behavioral counselors. Now, you can harness her highly effective dog-training techniques and benefit from her expert guidance without leaving your home. If you're like most dog owners, you treat your four-legged friend as a valued member of the family who enjoys the full run of the house—which is why good behavior is so important. *Train Your Dog Like a Pro* offers a trusted, systematic approach to positive dog training that anyone can follow. You'll get clear, detailed instructions for teaching essential behaviors, more advanced skills, and even some fun tricks. Training is based only on positive reinforcement, patience, and persistence. Donaldson is the best-selling author of *The Culture Clash: The Revolutionary New Way to Understanding the Relationship Between Humans and Domestic Dogs*. Whether you're the proud parent of a puppy, an adolescent, or an adult dog, this book truly gives you everything you need to train your dog like a pro.

6 week puppy training schedule: Your Purebred Puppy Michele Lowell, 1991 Donated by Bickerton Brokers.

6 week puppy training schedule: Training the Best Dog Ever Larry Kay, Dawn Sylvia-Stasiewicz, 2012-09-25 *Training the Best Dog Ever*, originally published in hardcover as *The Love That Dog Training Program*, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. *Training the Best Dog Ever* relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

6 week puppy training schedule: Puppy Start Right Kenneth M. Martin, Debbie Martin, 2011
With almost 200 pages, corresponding photos, and step-by-step instructions, *Puppy Start Right* is the ideal book for fostering and enhancing a "parenting relationship" among people and their dogs! This book is a great resource for all dog parents, dog trainers, puppy socialization class instructors, shelters, and adoption agencies. Whether you are raising a new puppy, have recently adopted an adolescent dog, or are living with an adult dog, *Puppy Start Right* is the book for you. This book sets the foundation for a lifelong partnership between you and your dog based on a mutual

understanding and trust. Puppy Start Right is more than a puppy book about socialization; it's a positive approach to problem solving, prevention, and training, all without the use of force. Problem-solving topics address common behaviors of adolescent dogs, including mouthing/biting, jumping, chewing, digging, counter surfing, and stealing objects. Prevention topics include confinement/independence training, food bowl exercises, handling and restraint, and more. The book also includes: • The Developmental Life Stages of Dogs • Domestication, Social Behavior, How Dogs Perceive the World, and Canine Communication • How Dogs Learn • Positive Socialization and What to do if Your Dog is Frightened? • Applying the Problem-Solving Model to Prevent Common Behavior Problems • House Training in 5 Easy Steps • Foundation Training Exercises

6 week puppy training schedule: *Before and After Getting Your Puppy* Ian Dunbar, 2010-09-24 How to raise the perfect puppy A revolution for dogs: Very few dog trainers have not been influenced by Dr. Ian Dunbar's dog-friendly philosophy. In the 1970s, Dr. Ian Dunbar sparked a dramatic shift in puppy training — away from leash corrections and drill-sergeant adult dog training classes based on competitive obedience and toward a positive approach using toys, treats, and games as rewards for teaching basic manners, preventing behavior problems, and modifying temperament. Before Dr. Dunbar there were no classes for puppy training, very few family dog classes, and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog: Now, in *Before and After Getting Your Puppy*, Dr. Ian Dunbar combines his two popular puppy training manuals into one indexed, value-priced hardcover dog training book. In clear steps, with helpful photos and easy-to-follow puppy training milestones, he presents a structured yet playful and humorous plan for raising a wonderful dog. Dr. Dunbar's guide is based around six developmental milestones: Your doggy education Evaluating puppy's progress Errorless housetraining and chewtoy-training Socialization with People Learning bite inhibition The world at large Fans of *The Art of Raising a Puppy*, *Training the Best Dog Ever*, or Zak George's *Dog Training Revolution*, will love Ian Dunbar's *Before and After Getting Your Puppy*.

6 week puppy training schedule: *Tom Dokken's Retriever Training* Tom Dokken, 2009-06-16 Hunting Success Begins Here! In *Tom Dokken's Retriever Training*, America's leading trainer helps you channel your hunting dog's huge ambition so he works for you, the way you want, and does so happily. After using the time-tested methods in *Tom Dokken's Retriever Training*, you'll have a reliable retriever that: • Obeys commands on- and off-leash • Retrieves birds to hand • Remains steady to shot • Quarters and flushes upland game • Finds downed birds • Takes hand signals

6 week puppy training schedule: *Be the Pack Leader* Cesar Millan, Melissa Jo Peltier, 2007-10-02 The bestselling author and star of National Geographic Channel's *Dog Whisperer* shows you how to develop the calm-assertive energy of a successful pack leader and use it to improve your dog's life—and your own *Be the Pack Leader* is Cesar Millan's guide for taking your relationship with your dog to a higher level. By developing the skills necessary to become the calm-assertive owner your dog needs in order for him to live a balanced, fulfilled life, you'll improve your dog's behavior and your own life as well. *Be the Pack Leader* is filled with practical tips and techniques, including: • How to use calm-assertive energy in relating to your dog—and to others around you • The truth about behavioral tools, from leashes and harnesses to clickers and e-collars • How to satisfy the needs of your dog's breed • Success stories from Cesar's clients, viewers, and fans—including the Grogan family of *Marley & Me* fame • A quick reference guide of specific, step-by-step procedures to tackling some of the most common dog behavior problems "[Cesar] arrives amid chaos and leaves behind peace." —Malcolm Gladwell, *The New Yorker* "[Millan is] serene and mesmerizing. . . . He deserves a cape and a mask." —*New York Times*

6 week puppy training schedule: *The Power of Positive Dog Training* Pat Miller, 2010-05-25 A renowned dog trainer gives you the positive training tools you need to share a lifetime of fun, companionship, and respect with your dog. Plus, you'll get: information on the importance of observing, understanding, and reacting appropriately to your dog's body language; instructions on how to phase out the use of a clicker and treats to introduce more advanced training concepts; a diary to track progress; suggestions for treats your dog will respond to; and a glossary of training

terms.

6 week puppy training schedule: After You Get Your Puppy Ian Dunbar, 2001 Now you have your puppy, the clock is ticking and you need to meet three more Developmental Deadlines before your puppy is five months old. 4th Developmental Deadline - Socializing Your Puppy to People Your Most Urgent Priority is to socialize your puppy to a wide variety of people, especially children, men, and strangers, before he is twelve weeks old. Well-socialized puppies grow up to be wonderful companions, whereas antisocial dogs are difficult, time-consuming, and potentially dangerous. As a rule of thumb, your puppy needs to meet at least one hundred people before he is three months old. Since your puppy is still too young to venture out to dog parks and sidewalks, you'll need to start inviting people to your home right away. 5th Developmental Deadline - Teaching Bite Inhibition Your Most Important Priority is that your puppy learns to inhibit the force of his bites and develop a soft mouth; before he is eighteen weeks old. Whenever a dog bites a person, or fights with another dog, the single most important prognostic factor is the degree of bite inhibition and hence, the likelihood and seriousness of injury. Accidents happen. Someone may tread on the dog's paw, or a child may trip over the dog while he's gnawing a bone. A dog may snap and lunge at a person when hurt or frightened, but if the dog has well-established bite inhibition, it is unlikely the dog's teeth will puncture, or even touch the skin. 6th Developmental Deadline - Continuing Socialization in The World at Large The Most Enjoyable Priority of dog ownership is to introduce your well-socialized puppy to the world at large. Your dog will only remain sociable and confident if he continues to meet and greet at least three unfamiliar people and three unfamiliar dogs every day. Meeting the same people and dogs over and over is not sufficient. Your dog needs to practice meeting, greeting, and getting along with strangers, not simply getting along with old friends. Regular walks with your dog are as essential as they are enjoyable.

6 week puppy training schedule: Dogs of Dreamtime Karen Shanley, 2007-04-01 When does a dog's behavior become too dangerous for even the most loving person to accept? Karen Shanley tackles this question in lyrical prose and brings to life her relationships with three very different dogs: Kiera, Molly, and Magic, who all manage to capture Shanley's heart. *Dogs of Dreamtime* makes readers take a long, hard look at what matters most in life, and what does not—what can and cannot be controlled. This is a touching story that will stay with readers forever.

6 week puppy training schedule: Puppy Primer Brenda K. Scidmore, Patricia B. McConnell, 1996 Raise that new puppy successfully with this understandable and user-friendly primer! Includes socialization, how to raise a confident puppy, children and puppies, basic obedience/manners, how to praise or correct, crate training, play biting, housetraining, through adolescence and problem-solving (submissive urination, home alone, barking, car sickness, more)

6 week puppy training schedule: Wag Zazie Todd, 2020-03-10 As seen in The New York Times, People, SLATE, Psychology Today [A] must-have guide to improving your dog's life.—Modern Dog Magazine Whether you are training a new puppy, considering adopting a dog, researching dog breeds, or simply curious about your own dog's happiness and behavior, Wag has all the answers—and then some. Respected dog trainer and social psychologist, Zazie Todd, demystifies the inner life of canines and shares recommendations from leading veterinarians, researchers, and trainers to help you cultivate a rewarding and respectful relationship with your dog—which offers many benefits for you, your family, and your four-legged friend. Inside this engaging, practical book, readers will find: A Check List for a Happy Dog Enrichment exercises How to socialize and train a new puppy How to reduce fear and anxiety in dogs Tips for visiting the vet Information on aging dogs Expert interviews with vets and psychologists And so much more! Dog owners and those considering becoming one should appreciate Todd's substantial insight into how dogs and humans relate to one another.—Publishers Weekly

6 week puppy training schedule: The Other End of the Leash Patricia McConnell, Ph.D., 2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals

a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

6 week puppy training schedule: Retriever Puppy Training Clarice Rutherford, Cherylon Loveland, 2019-02-08 Retriever Puppy Training presents a program of basic training that will turn young retrievers into efficient and enthusiastic hunting companions. A step-by-step teaching schedule provides the continuity so important to fostering a puppy’s confidence. A favorite with people starting out with their first retriever or those who want to raise a hunting companion from puppyhood, the program is equally effective with young dogs starting beyond that age. Experienced handlers and those planning to trial or hunt test their dogs will also find it helpful. This dog training book covers puppy selection, puppy personality types, basic housedog manners, and a progressive retriever training program that includes water retrieves, blinds, and marks. When your pup has completed this program, he will be ready to hunt. You will have worked out of all the excuses that retrievers try to use, and you will have a well-mannered companion. Completely revised in 2010. **TRAIN YOUR YOUNG RETRIEVER TO BE AN ENTHUSIASTIC HUNTER!**

- How to work with your retriever puppy’s unique personality
- Correlate dog training to your pup’s mental and physical development
- Train your dog with lessons that are thorough and effective
- Teach obedience and house manners simultaneously with fieldwork

Cherylon Loveland trains both hunting and field trial dogs at her Colorado training kennel, Hunt-Field, including dogs that were finalists at National Championship stakes, Derby dogs, dogs that have earned FC/AFC titles, Hunt Test qualifiers, and Master Hunters. Clarice Rutherford was a Labrador Retriever breeder and trainer for sixteen years. She is the author/coauthor of four books, including the popular best seller, *How to Raise a Puppy You Can Live With*. Note from Dogwise Publishing: Please be aware that this older title may recommend some training techniques that are now considered outdated. At the time of publication the use of negative reinforcement and positive punishment were more widely used to teach certain types of behaviors, especially with dogs who display a high degree of resilience. We encourage owners to always use the least intrusive, minimally aversive methods possible.

6 week puppy training schedule: *How to Housebreak Your Dog in 7 Days (Revised)* Shirlee Kalstone, 2009-11-04 For almost twenty years, dog owners have turned to this compact guide for sensible, step-by-step advice how to housebreak their beloved pets—in just one week! Now revised and updated, pet expert Shirlee Kalstone’s foolproof method for housebreaking your dog is available with a fresh new look and up-to-date information. Whether your dog is a puppy or getting on in years, whether your goal is to housebreak, paper train, or litter train, this practical, easy-to-follow plan will help you transform your pet into a dependable member of the household—in a way that works with both his innate behavioral instincts and your individual lifestyle. You’ll never again have to worry about your dog acting out, feeling anxious or depressed—or ruining your brand-new rug—as you discover:

- The simple secret of successful housebreaking—understanding your dog as a den dweller
- Step-by-step programs tailored to both apartment dwellers and home owners, as well as to people who go to work, versus those who are home all day
- Schedules for training puppies and

(re)training adult dogs • How to identify your dog's natural behavioral rhythms—and use them to your advantage • How to cope with housebreaking lapses, marking territory, separation anxiety, and health problems • The power of praise and positive reinforcement, not punishment Including sample schedules and timetables, and a list of related resources and websites, here is the essential, proven advice that will make training a pleasure, for both you and your dog.

6 week puppy training schedule: *Akc Star Puppy* Mary Burch, Ph D Mary Burch, 2012-08 Give your new puppy a great start in life by following the easy-to-apply information in this book from the moment you bring her home. And, while you're at it, get an AKC title for your pup whether mixed breed or purebred.

6 week puppy training schedule: *Ruff Love* Susan Garrett, 2002 A handbook for the Ruff Love dog training program developed by pre-eminent canine sports instructor and competitor, Susan Garrett. Includes quick reference charts.

6 week puppy training schedule: *Plenty in Life Is Free* Kathy Sdao, 2012 In this new book, renowned dog trainer Kathy Sdao reveals how her journey through life and her decades of experience training marine mammals and dogs led her to reject a number of sacred cows including the leadership model of dog training.

6 week puppy training schedule: *101 Rescue Puppies* Kathy Callahan, 2020-09-29 Over the past decade, Kathy Callahan's family has taken in more than a hundred rescue puppies. This delightful photo-filled book features the wonderful stories that emerged as these foster pups were suddenly surrounded by a nurturing family complete with patient adult dogs and curious cats. With a gift for capturing the moment in both words and images, Callahan brings readers inside the poignant and ultimately uplifting work of fostering. This inspiring read is indeed about puppies, but it's also about family and human connection. It's about finding your own way — through that one special thing you can do to light a candle, instead of cursing the darkness.

6 week puppy training schedule: *The Things They Carried* Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

6 week puppy training schedule: *How to Behave So Your Dog Behaves* Sophia A. Yin, 2010 *How to Behave So Your Dog Behaves* takes a scientifically sound yet practical approach to explaining dog behavior and training theory, and then shows you how to apply these concepts so you can train your dog to be well behaved. Written by one of the leading veterinary behaviorists in the country, this revised and expanded edition of the original bestseller features brand new chapters that provide the most up-to-date science of dog behavior and explains key concepts in clear, straightforward language. The user-friendly, full-color instructional drawings enhance the informative text, while the all-positive training advice helps you change undesirable behaviors without resorting to aversive corrections such as yelling, hitting, pushing, or other outdated forms of punishment. Good behavior and problem solving exercises are broken down into easy-to-read 5 Minute sections, while Spot quizzes throughout the text help reinforce your grasp of the material. Science-based methods for observing, understanding, and modifying behavior are applied to everyday situations, offering numerous examples of how training exercises can be turned into fun games for both dogs and owners.

6 week puppy training schedule: *YOU CAN TRAIN YOUR DOG! MASTERING THE ART &*

SCIENCE OF MODERN DOG TRAINING Pamela Dennison, What do science and art have to do with dog training? The science teaches you the nuances of how dogs learn. The art helps you to be more clear and inventive if your dog doesn't quite understand what you want. You will learn about breaking down behaviors using a positive, proactive approach which is a big part of the modern process of dog training.

 Step by step instructions will help make what may seem insurmountable into something much simpler. This book will take you through it all:

 • A look at the science behind modern training techniques and why they really work.
 • Expert advice on basic training - sit, down, stay, come, door etiquette and loose leash walking.
 • Addressing jumping, biting, stealing and other misbehaviors.
 • Helping your dog become a Canine Good Citizen.

 Life mirrors dog training. The effort you put in now will yield you many rewards, both immediately and for years to come.

 What experts are saying about You Can Train Your Dog!:
 Pam Dennison has done it again! She has written a fabulous book about training dogs that will benefit both the pet owner and novice or professional instructor. This in-depth volume bears Pam's signature stamp of breaking tasks into small steps that make learning effective and fun for dog and human alike. When I think of Pam, I think of someone who really "gets" dogs and who stands out in her ability to teach using practical, simple, realistic, and effective dog-friendly methods. This wonderful book is chock full of easy to follow approaches that work with family dogs, working dogs, high-performance dogs, and dogs with problems. It is precisely because of its practicality and comprehensiveness that I plan to use this book in my Animal-Assisted Play Therapy training program. This is an absolute must-read for everyone who trains their own or others' dogs!
 Risë VanFleet, PhD, RPT-S, CDBC Founder, The Playful Pooch Program, Author of the award-winning Play Therapy with Kids & Dogs and The Human Half of Dog Training: Collaborating with Clients to Get Results

 Wow! This book has it all. From basics and animal husbandry through to Premack and control games. If we had more well planned books like this in our stores there would be less problem dogs on our streets! Pamela does a great job of deciphering the science behind dog training in this user friendly guide to having a great dog!
 Nando Brown, IMDT, CAP2, FSG1, FFITT

 I love how Pam makes the science and art of training a dog understandable for all caregivers. By using this book you will not only understand how your dog learns, but teach him step by step many important behaviours; from preparing him for vet visits to teaching him to walking on a loose lead. You can enhance the relationship you have with your dog and the relationship he has with you by reading this excellent book.
 Chirag Patel, PG Cert (CAB), BSc(Hons), CPBC, DipCABT Animal Behaviour & Training Consultant

6 week puppy training schedule: *Inside of a Dog* Alexandra Horowitz, 2010-02-18 As an unabashed dog lover, Alexandra Horowitz is naturally curious about what her dog thinks and what she knows. As a cognitive scientist she is intent on understanding the minds of animals who cannot say what they know or feel. This is a fresh look at the world of dogs -- from the dog's point of view. The book introduces the reader to the science of the dog -- their perceptual and cognitive Abilities -- and uses that introduction to draw a picture of what it might be like to be a dog. It answers questions no other dog book can -- such as: What is a dog's sense of time? Does she miss me? Want friends? Know when she's been bad? Horowitz's journey, and the insights she uncovered from studying her own dog, Pumpernickel, allowed her to understand her dog better, and appreciate her more through that understanding. The reader will be able to do the same with their own dog. This is not another dog training book. Instead, *Inside of a Dog* will allow dog owners to look at their pets' behaviour in a different, and revealing light, enabling them to understand their dogs and enjoy their relationship even more.

6 week puppy training schedule: *The Puppy Bible* Alison Smith, Claire Arrowsmith, 2017-05-25 Comprehensive and simple to use, *The Puppy Bible* is uniquely structured to provide the best guidance for raising a happy, healthy pet. The week-by-week planner takes you from before your puppy arrives to beyond six months, shows how he is developing, and tells you exactly what to do and when to do it. The front section is cross-referenced with expert advice in the second half of

the book that encompasses every area of care, including training, health, diet, socialization and first aid, as well as troubleshooting for any concerns over your dog's welfare. Clearly illustrated throughout, this is an indispensable guide to your puppy's first six months.

6 week puppy training schedule: Genetics and the Social Behavior of the Dog John Paul Scott, John L. Fuller, 2012-07-10 The classic study of canine behavior: "A major authoritative work...Immensely rewarding reading for anyone concerned with dog-breeding."—Times Literary Supplement Based on twenty years of research at the Jackson Laboratory, this is the single most important and comprehensive reference work on the behavior of dogs ever compiled, written by geneticist and comparative psychologist John Paul Scott, known for his research into social behavior and aggression. "One of the most important texts on canine behavior published to date. Anyone interested in breeding, training, or canine behavior must own this book."—Wayne Hunthausen, D.V.M., Director of Animal Behavior Consultations "This pioneering research on dog behavioral genetics is a timeless classic for all serious students of ethology and canine behavior."—Dr. Michael Fox, Senior Advisor to the President, The Humane Society of the United States "Comprehensive...[a] seminal work."—Mark Derr, The Atlantic Monthly "Essential reading for anyone involved in the breeding of dogs. No breeder can afford to ignore the principles of proper socialization first discovered and articulated in this landmark study."—The Monks of New Skete, authors of *How to Be Your Dog's Best Friend* and the video series *Raising Your Dog with the Monks of New Skete*

6 week puppy training schedule: Teach Your Dog 100 English Words Michele Welton, Petbridge, LLC, 2010 Make your dog the smart, attentive, well-behaved companion you've always wanted. Follow the Vocabulary and Respect Training Program in *Teach Your Dog 100 English Words* and your dog will look right at you, listen to your words, and do what you say!

6 week puppy training schedule: Treating Separation Anxiety In Dogs Malena DeMartini-Price, CTC, 2014-04-21 **Committed trainers and owners can solve this problem!**
Treating separation anxiety in dogs is not quick or easy—but it can be done. The successful ingredients are cooperation, commitment and time on the part of the dog trainer and the owners. In this important new book, author Malena DeMartini-Price shares her 5 Phase Treatment Protocol and related strategies to help dogs overcome the fear of being left alone and addresses the trauma it can inflict on both the dog and their owners. Trainer handouts, detailed step-by-step training tips and a sample initial interview questionnaire are included.
Learn about:
• The critical role that "suspending absences" plays in the early part of the treatment plan and how owners and trainers can make this more manageable.
• How dog trainers can make the treatment of separation anxiety in dogs a specialized business.
• The role that management techniques and medications can play to help support the recommended behavior modification strategies.
• How technology, including remote feeding devices and web cams, can be used to monitor a dog's progress in overcoming his fear of being left alone.

6 week puppy training schedule: Purely Positive Training Sheila Booth, 1998 Train your dog the positive way. Includes how to raise a puppy positively, how to build a strong relationship, manners training, teaching a really reliable recall, and how to train effectively without force. Special instructions in each section for companion dogs, competition obedience, agility and Schutzhund. Clearly explains both theory and technique, including The Golden Rule and The Ten Commandments of positive training. Easy-to-follow directions to teach sit, down, stand, heel, recall, finish, retrieving, jumping and send away. Special chapter on preparing for successful competition. Written with love of dogs and an understanding of training.

6 week puppy training schedule: When Pigs Fly! Jane Killion, 2007 Do you have an impossible dog? ... You may not know it but there are certain breeds that were developed to work independently. Those breeds, and mixes, include Hounds, Terriers, Northern Breeds, and Livestock Guardian dogs. If you have a Pigs Fly kind of dog you need to work with her independent nature not against it to get good manners and even high level performance. --Amazon.com.

6 week puppy training schedule: Positive Puppy Training Works Joel Walton, 2002 How to

manage, relate to, and educate your puppy. Emphasizes puppy needs and feelings, and how to show and teach them to be good companions, using gentle, puppy-friendly methods. Includes Joel's management, relationship and education system (MRE); his Simply Observe and Reward (SOAR); Simply Teach and Reward (STAR), which teaches basic commands; crate training; housetraining; dealing with play biting; teaching what to chew; solving normal puppy problems; socializing/greeting people and other dogs, more. VERY gentle, positive training methods.

6 week puppy training schedule: Puppy Steps Libby Rockaway, With over 400 color illustrations and step-by-step training photos, *Puppy Steps: Practical Training for Your New Friend* explains fun and fast ways to train a new puppy and make dog ownership a positive and rewarding experience.

6 week puppy training schedule: **The Complete Idiot's Guide to Positive Dog Training** Pamela Dennison, 2003 Looks at positive training methods, including basic commands, puppy socialization, dealing with aggression, correcting bad behaviors, and crate training.

6 week puppy training schedule: **I'll be Home Soon!** Patricia B. McConnell, 2000 If you worry about leaving your dog home alone, both because you love your dog and your house, this book is for you. Most dogs can be left home alone during the day and lead happy, fulfilled doggy lives without destroying your house. Of course, some of them get into trouble at home when you're gone because there's so much fun stuff to do without you to stop them. But a small number of dogs suffer from a serious problem called Separation Anxiety, in which they panic at your departure and stay panicked until you return. This book is designed to help those whose dog really suffers from Separation Anxiety, to help you prevent it from developing, and to help you raise a dog with good house manners.

6 week puppy training schedule: **Nate Schoemer's Dog Training Manual** Nate Schoemer, 2019-09-10 In this manual, you will learn the step by step process to teach your dog any command! Would you be surprised if I told you that there are no secrets to dog training? The reality is that it comes down to understanding the science behind the methods and each dog's individual needs, desires, and perseverance levels. After spending years in the industry-traveling and working with dog trainers throughout the country, training new dog trainers, and even having my own show on Animal Planet (Rescue Dog to Super Dog), I have developed a system that is easy to understand and most importantly-easy to implement. These are techniques that I have evolved over the years by working with some of the best trainers in the industry-and now they are available to you for less than the cost of a cup of coffee!

6 week puppy training schedule: How to Train Your Dog Jennifer Tate, Ryan Tate, 2021-03-16 Whether you're looking to train a new puppy or to teach an older dog some new tricks, this easy-to-follow guide is for you. Jen and Ryan Tate are expert animal trainers with years of experience helping dog owners to develop happy and confident pets. In this informative book they distil all their advice so you can feel prepared, stay in control and enjoy a great relationship with your new dog, including: - Choosing the right breed for you and your lifestyle - Preparing your home and the first 48 hours with your pup - House training and basic training - Socialisation and confidence-building - Play, exercise, tricks and rewards - Resolving common behavioural issues such as barking, digging and chewing - Ongoing learning and fun for teenage and adult dogs Clearly written and well organised, and with evidence-based training techniques, this is the perfect handbook for creating a stress-free and enjoyable bond with your puppy or dog.

6 week puppy training schedule: *How to Help Gun Dogs Train Themselves* Joan Bailey, 2008

6 week puppy training schedule: *Who's the Boss?* Ron Pace, Vana Ingram, 2010-05-01 Who's the Boss is an easily followed course-in-a-book that makes Ron Pace's proven method of dog training accessible to all. Establish a valuable lifetime connection with your dog and feel confident that you can communicate with him in all situations.

6 week puppy training schedule: **Dogs Bite** Janis Bradley, 2005 Dogs are dangerous. And they are more dangerous to children than to adults. Not as dangerous of course, as kitchen utensils, drapery cords, five-gallon water buckets, horses, or cows. Not nearly as dangerous as playground

equipment, swimming pools, skateboards, or bikes. And not remotely as dangerous as family, friends, guns, or cars.
