

60 day nclex study plan

60-Day NCLEX Study Plan: A Comprehensive Analysis

Author: Dr. Emily Carter, RN, PhD. Dr. Carter is a registered nurse with a PhD in Nursing Education and over 15 years of experience teaching nursing students and preparing them for the NCLEX-RN exam. She has a proven track record of success, with her students consistently achieving high pass rates. Her expertise lies in developing efficient and effective study strategies, particularly condensed study plans like the 60-day NCLEX study plan.

Publisher: Nurse Education Press (NEP). NEP is a leading publisher of nursing textbooks, study guides, and other educational resources for nursing students and professionals. Their reputation for accuracy and quality content makes them a trusted source for information related to the NCLEX-RN exam and effective 60-day NCLEX study plan strategies.

Editor: Dr. Sarah Chen, RN, MSN, CNE. Dr. Chen is a certified nurse educator with extensive experience in curriculum development and assessment. Her editorial oversight ensures the accuracy and pedagogical soundness of the information presented in this analysis of the 60-day NCLEX study plan.

Keywords: 60-day NCLEX study plan, NCLEX-RN, nursing exam, study plan, exam preparation, nursing school, successful NCLEX, accelerated study plan, efficient study habits, NCLEX success.

1. Historical Context of Accelerated NCLEX Study Plans

The NCLEX-RN exam has evolved significantly since its inception. Initially, preparation strategies often involved lengthy, less targeted study periods. However, the increasing demands of nursing education and the competitive job market have led to a rise in popularity of accelerated study plans, including the 60-day NCLEX study plan. This shift reflects a need for efficient and effective study strategies that allow students to balance the demands of their personal lives with the rigorous demands of exam preparation. The 60-day NCLEX study plan emerged as a response to this need, offering a structured and intensive approach to NCLEX preparation within a compressed timeframe.

2. The Relevance of a 60-Day NCLEX Study Plan in the

Current Landscape

A 60-day NCLEX study plan remains highly relevant for several reasons. Firstly, it caters to students who may have completed their nursing program and need to take the exam quickly to begin their careers. Secondly, it provides a structured framework for focused study, preventing procrastination and ensuring consistent progress. Thirdly, many students find a compressed timeframe motivating, fostering a sense of urgency that aids in efficient study habits. However, it's crucial to understand that a 60-day NCLEX study plan is only suitable for students who have a solid foundation in nursing knowledge. It's not a substitute for thorough learning throughout the nursing program. It's a tool for focused review and strategic test-taking preparation.

3. Components of an Effective 60-Day NCLEX Study Plan

A successful 60-day NCLEX study plan requires careful planning and execution. Key components include:

Realistic Assessment: Begin by honestly assessing your current knowledge base. Identify your strengths and weaknesses to prioritize study areas.

Structured Schedule: Create a daily or weekly schedule that allocates sufficient time for each subject area. Include breaks and time for self-care to avoid burnout.

Targeted Review: Utilize high-yield resources, such as NCLEX-focused review books and practice questions. Prioritize content based on your assessment and NCLEX test plan weighting.

Practice Questions: Regularly practice with NCLEX-style questions to familiarize yourself with the format and improve your test-taking skills. Analyze incorrect answers to understand your knowledge gaps.

Regular Self-Testing: Conduct regular self-assessments to track your progress and identify areas requiring further attention. This helps refine your 60-day NCLEX study plan as needed.

Simulations: Consider using NCLEX simulation software to mimic the actual exam environment.

Adequate Rest and Self-Care: Prioritize sleep, nutrition, and stress management to maintain mental and physical well-being throughout the 60-day NCLEX study plan.

4. Challenges and Considerations of a 60-Day NCLEX Study Plan

A 60-day NCLEX study plan is intensive and presents unique challenges. Students need to be highly disciplined and self-motivated. Time management is crucial, and maintaining a healthy work-life balance is essential to avoid burnout. Furthermore, a pre-existing strong foundation in nursing concepts is vital for success. Without this foundation, a 60-day NCLEX study plan may not

be sufficient. Students should also consider their learning style and adapt the plan accordingly.

5. Maximizing the Effectiveness of a 60-Day NCLEX Study Plan

To maximize the effectiveness of a 60-day NCLEX study plan, students should:

Seek support: Utilize study groups or tutoring if needed.

Utilize various learning methods: Combine reading, practice questions, and active recall techniques.

Stay organized: Maintain a well-organized study space and materials.

Regularly review and adjust: Continuously evaluate the effectiveness of the plan and make adjustments as needed.

Remain positive and confident: Maintain a positive attitude and believe in your ability to succeed.

Summary

This analysis reveals that a 60-day NCLEX study plan, while demanding, can be a highly effective approach for well-prepared nursing graduates. Its success hinges on a pre-existing strong grasp of nursing concepts, meticulous planning, disciplined execution, and a focus on high-yield resources and practice questions. While challenging, this accelerated approach provides a structured path to NCLEX success for those who can commit to its rigor and adapt it to their individual learning styles and needs. It's not a shortcut, but a concentrated strategy for focused review and efficient exam preparation.

Conclusion

The 60-day NCLEX study plan offers a viable option for nursing graduates seeking a structured and focused approach to exam preparation. However, its effectiveness relies heavily on prior academic performance, diligent study habits, and a personalized approach that caters to individual learning styles and needs. Students should carefully assess their strengths and weaknesses before embarking on this intensive study plan. With proper planning, consistent effort, and self-care, a 60-day NCLEX study plan can significantly increase the chances of success on the NCLEX-RN exam.

FAQs

1. Is a 60-day NCLEX study plan enough time for everyone? No, a 60-day plan is only suitable for students with a strong foundation in nursing knowledge. It's an accelerated plan, not a substitute for thorough learning.

1. What resources are best for a 60-day NCLEX study plan? High-yield review books, NCLEX-style practice questions, and question banks are crucial. Consider using reputable online resources and practice tests.
1. How can I stay motivated during a 60-day NCLEX study plan? Set realistic goals, break down the study plan into smaller, manageable tasks, and reward yourself for progress. Seek support from friends, family, or study groups.
1. What if I fall behind on my 60-day NCLEX study plan? Don't panic! Re-evaluate your schedule, identify areas where you can adjust, and prioritize the most important content.
1. How many practice questions should I do daily in a 60-day NCLEX study plan? Aim for a consistent number each day, tailoring it to your learning pace. Focus on quality over quantity; analyze your mistakes thoroughly.
1. Should I focus on content review or practice questions more? Balance both. Content review builds your knowledge base, while practice questions assess your understanding and test-taking skills.
1. How important is sleep during a 60-day NCLEX study plan? Prioritize sleep! Adequate rest is crucial for memory consolidation and preventing burnout.
1. What is the best way to manage stress during a 60-day NCLEX study plan? Practice relaxation techniques, exercise regularly, and maintain a healthy diet. Seek support from friends, family, or a therapist if needed.

1. What should I do the day before the NCLEX exam? Rest, review key concepts briefly, and practice relaxation techniques. Avoid cramming.

60 day nclex study plan: NCLEX-RN Questions & Answers Made Incredibly Easy! Susan A. Lisko, 2016-07-25 NCLEX-RN QUESTIONS & ANSWERS MADE INCREDIBLY EASY!, 7E is designed to help pre-licensure nursing students prepare for the licensing examination. This book and its accompanying electronic resources feature thousands of questions at the application level or above to prompt active learning and higher-order thinking. The book's seven parts cover the basics of NCLEX test construction and how students should prepare, the four major content areas of pre-licensure programs (medical-surgical, psychiatric/mental health, maternity, and pediatrics), a section on issues in nursing, and three comprehensive tests of varying lengths that help simulate the actual NCLEX experience. The questions align with the National Council of State Boards of Nursing (NCSBN) 2016 RN test plan. Throughout the book, the Made Incredibly Easy design, art, and captions help to engage students and present a fun, relaxed, encouraging, and supportive learning experience. Other features include the use of all the types of alternate-format questions and detailed rationale for both correct and incorrect answers.

60 day nclex study plan: *Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination* Patricia M. Nugent, Judith S. Green, Mary Ann Hellmer Saul, Phyllis K. Pelikan, 2011-11-08 A classic resource that has helped nurses pass the NCLEX exam for over 60 years, Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination, 20th Edition is fully updated to reflect the newest NCLEX-RN test plan. Content review is presented in a concise and full-color outline format organized by the core areas of medical-surgical, pediatric, maternity/women's health, and mental health nursing, with a practice test following each unit. More than 4,200 practice questions and rationales -- including more than 600 questions in the newest alternate item formats -- are written by a team of trusted NCLEX experts led by author Patricia M. Nugent. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included.

60 day nclex study plan: NCLEX-RN Exam Cram Wilda Rinehart, Diann Sloan, Clara Hurd, 2007-11 Providing precise coverage of all the topics a candidate needs to study for the registered nurse licensing exam, this updated edition blends the ideal level of discussion, drawings, tables, and case studies into an easily digestible format for study. Includes five practice exams and two complete mock NCLEX exams, along with hundreds of additional questions on the accompanying

CD.

60 day nclex study plan: *CompTIA Security+ Get Certified Get Ahead* Darril Gibson, 2017-10-12 Pass the First Time. The CompTIA Security+ Get Certified Get Ahead SY0-501 Study Guide is an update to the top-selling SY0-201, SY0-301, and SY0-401 study guides, which have helped thousands of readers pass the exam the first time they took it. It covers all of the SY0-501 objectives and includes the same elements readers raved about in the previous two versions. Each of the eleven chapters presents topics in an easy to understand manner and includes real-world examples of security principles in action. The author uses many of the same analogies and explanations he's honed in the classroom that have helped hundreds of students master the Security+ content. You'll understand the important and relevant security topics for the Security+ exam, without being overloaded with unnecessary details. Additionally, each chapter includes a comprehensive review section to help you focus on what's important. Over 300 realistic practice test questions with in-depth explanations will help you test your comprehension and readiness for the exam. The book includes a 75 question pre-test, a 75 question post-test, and practice test questions at the end of every chapter. Each practice test question includes a detailed explanation to help you understand the content and the reasoning behind the question. You'll also have access to free online resources including labs and additional practice test questions. Using all of these resources, you'll be ready to take and pass the exam the first time you take it. If you plan to pursue any of the advanced security certifications, this guide will also help you lay a solid foundation of security knowledge. Learn this material, and you'll be a step ahead for other exams. This SY0-501 study guide is for any IT or security professional interested in advancing in their field, and a must read for anyone striving to master the basics of IT systems security. The author supplements the book with blog posts here: <http://blogs.getcertifiedgetahead.com/>. This page provides a full listing of mobile device apps from the author: <http://learnzapp.com/partners/darrilgibson/>.

Every Ascencia book includes a comprehensive overview of the content knowledge that will be tested, along with practice questions for each section to enhance understanding. Full practice tests at the end of every book accurately reflect the exam, helping test takers determine if they are thoroughly prepared. Additionally, all Ascencia study materials offer exclusive tips from healthcare professionals to help readers thrive in their field beyond test day. Ascencia recognizes that healthcare professionals nurture bodies and spirits, and save lives. Ascencia Test Prep's mission is to help healthcare workers grow.

60 day nclex study plan: Medical-Surgical Nursing - Single-Volume Text and Elsevier Adaptive Learning Package Sharon L. Lewis, Shannon Ruff Dirksen, Margaret M. Heitkemper, Linda Bucher, 2014-06-17 Corresponding chapter-by-chapter to Medical-Surgical Nursing, 9e, Elsevier Adaptive Learning combines the power of brain science with sophisticated, patented Cerego algorithms to help you learn faster and remember longer. It's fun; it's engaging; and it's constantly tracking your performance and adapting to deliver content precisely when it's needed to ensure core information is transformed into lasting knowledge. Please refer to the individual product pages for the duration of access to these products. An individual study schedule reduces cognitive workload and helps you become a more effective learner by automatically guiding the learning and review process. The mobile app offers a seamless learning experience between your smartphone and the web with your memory profile maintained and managed in the cloud. UNIQUE! Your memory strength is profiled at the course, chapter, and item level to identify personal learning and forgetting patterns. UNIQUE! Material is re-presented just before you would naturally forget it to counteract memory decay. A personalized learning pathway is established based on your learning profile, memory map, and time required to demonstrate information mastery. The comprehensive student dashboard allows you to view your personal learning progress.

60 day nclex study plan: NCLEX-RN Excel Ruth A. Wittmann-Price, Frances H. Cornelius, Brenda Reap Thompson, 2016-11-21 Preceded by NCLEX-RN excel / Ruth A. Wittmann-Price, Brenda Reap Thompson. 2010.

60 day nclex study plan: Illustrated Study Guide for the NCLEX-PN® Exam - E-Book JoAnn Zerwekh, 2020-12-24 - Testing Strategies for the NCLEX-PN Examination chapter addresses the challenges of the Next Generation NCLEX® and provides targeted strategies for success. - UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. - More than 2,000 review questions on the companion Evolve website are

available in both study and quiz modes and separated by content area, allowing customized review based on personal study needs. - Examples of Next Generation NCLEX-style questions on the companion Evolve website familiarize you with these new types of questions. - Answers and rationales are provided for all review questions. - Test Alert! boxes highlight key concepts frequently found on the NCLEX examination. - Alternate item format questions on the companion Evolve website prepare you for these question types on the NCLEX examination. - UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. - Nursing Priority boxes make it easier to distinguish priorities of nursing care. - Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. - Special icons distinguish pediatric and adult disorders and identify content on self-care and home care. - A separate chapter on pharmacology and medication administration helps you focus on this area of emphasis on the NCLEX examination.

60 day nclex study plan: Illustrated Study Guide for the NCLEX-RN® Exam JoAnn Zerwekh, 2012-11-13 It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

60 day nclex study plan: Illustrated Study Guide for the NCLEX-RN® Exam JoAnn Zerwekh, MSN, EdD, RN, 2015-11-20 Prepare for the NCLEX with this fun, full-color review! Illustrated Study Guide for the NCLEX-RN® Exam, 9th Edition uses colorful drawings and mnemonic cartoons to cover the nursing concepts and content found on the NCLEX-RN examination. A concise outline format makes studying easier, and the Evolve companion website includes 2,500 NCLEX exam-style review questions (including alternate item formats) - allowing you to create practice exams, identify your strengths and weaknesses, and review answers and rationales. Written by NCLEX expert JoAnn Zerwekh, this study guide offers a clear, visual way to remember key facts for the NCLEX exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, maternity, and older adult lifespan considerations in each body system chapter. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to customize your review based on your personal study needs. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive

question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help you to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. UPDATED content reflects the most recent NCLEX-RN test plan and incorporates important clinical updates. NEW! 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. NEW! Addition of SI Units and removal of trade-name drugs reflects changes in the NCLEX-RN test plan. NEW! Additional alternate item questions are included on Evolve, and new questions incorporating video are also added. NEW! Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. NEW! Additional memory notecard-type illustrations are included in the book to accommodate visual learners.

60 day nclex study plan: Illustrated Study Guide for the NCLEX-RN® Exam E-Book

JoAnn Zerwekh, 2018-10-25 Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. - 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. - UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. - UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. - UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. - Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. - Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. - Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. - Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. - Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. - Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. - Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. - NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. - NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. - NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. - NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. - NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each chapter.
