7 of wands tarot guide: *Osho Zen Tarot* Osho, 1995-04-15 Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

7 of wands tarot guide: *Tarot - Your Everyday Guide* Janina Renee, 2000 Every day you make choices. Some are big, some are small-but all will affect the course of your future. The good

news is that you don't have to do it alone-the tarot can give you advice when you need it most! Reading the tarot for advice requires a different approach than reading for prediction. Tarot: Your Everyday Guide presents a new method of tarot interpretation. You'll learn how to use the tarot to help you make an informed decision and determine a course of action for just about any life situation. For example, in an advice reading the Two of Wands could mean you should set up your own challenges to work out goals, define issues, and work out compromises. If the King of Cups comes up in an advice reading, it means you must give encouragement, acknowledge the accomplishments of others, give rewards, and let others enjoy the limelight. Alternatively, it could mean you need to seek a mentor who has these qualities. The position of a given card within a spread, and the cards before and after it, will clarify the cards' advice for you. You can even use advice readings to augment traditional divination. If a divinatory spread shows trouble ahead, consult the cards for advice on how to avoid the situation or lessen its impact. Whether you're an experienced tarot reader or have never even shuffled the cards before, this unique and practical book will open new doors of understanding and help you integrate the rich symbolism of the tarot into your daily life. 7 of wands tarot guide: The Way of Tarot Alejandro Jodorowsky, Marianne Costa, 2009-11-17 Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

7 of wands tarot guide: *Tarot Made Easy* Nancy Garen, 2001-07-18 If you've ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books—here is a simple and accurate guide to interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card—including Romance, Travel, Career, Finances, Friends, and Special Guidance—to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the

standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

7 of wands tarot guide: A Guide to Tarot Card Meanings Mark McElroy, 2014-07-24 If you're looking for a simple guide to Tarot card meanings in plain English, this book is for you. Inside, you'll find keywords; a range of traditional meanings; correspondences to numerology, astrology, and storytelling; symbols and insights for Rider-Waite and Marseilles decks; and exploration questions for each card. In addition, you'll also find text that will help you apply the card to matters of romance, relationships, work, spirituality, and personal growth. If you're interested in using the cards to tell fortunes or forecast the timing of events, you'll find this information, too! Many readers prefer for their intuition to guide them to the meaning of a card. But Tarot cards do have traditional meanings -- meanings other people have assigned to the cards over time. Some of these meanings are rooted in astrology or numerology. Some are based on obscure texts. Others are based on insights from experienced readers, who have learned to associate certain cards with certain situations. Rather than memorize the meanings in this book, use them to amplify your intuition! Becoming familiar with the information in this guide can help beginners approach the cards with confidence, suggest new associations for each card, and introduce experienced readers to new ways of thinking about specific cards. The information inside can serve as jumping-off points for brainstorming sessions, lend weight to an intuitive reader's first impressions, and suggest insights a purely intuitive reader might overlook. To get the most out of this guide, skim the entire entry for a card, allowing intuition to be your guide. Take your time; look around. While your question may be about a relationship, a turn of phrase in other passages about your card might prompt exactly the insight you need. This book includes detailed entries for all seventy-eight Tarot cards (Major and Minor Arcana). As you know, some guides skimp on the Minors -- but not this one! You'll find detailed information for each and every card. In addition, the book is beautifully illustrated with full-color, high-resolution scans of a first-edition Tarot published in 1909.
