

80s questions to ask your kid

80s Questions to Ask Your Kid: Bridging the Generational Gap Through Nostalgic Conversation

Author: Dr. Eleanor Vance, PhD in Developmental Psychology, specializing in intergenerational communication and nostalgia's impact on family dynamics.

Publisher: Family Circle Magazine, a leading publication in family-oriented content and parenting advice.

Editor: Amelia Hernandez, MA in Journalism, with 15 years of experience editing family-focused articles and publications.

Keywords: 80s questions to ask your kid, 1980s trivia for kids, generational conversations, family bonding, nostalgia, parenting tips, 80s pop culture, 80s music, 80s movies, 80s fashion, 80s toys, intergenerational understanding.

Introduction:

For parents who grew up in the vibrant decade of the 1980s, sharing that era's unique culture with your children can be a rewarding experience. It's a chance to bridge the generational gap, fostering connection and understanding. But how do you spark engaging conversations about a time your kids only know through fragmented glimpses? The answer lies in thoughtful, targeted "80s questions to ask your kid." This article provides a comprehensive guide, exploring diverse aspects of 1980s culture to help you initiate meaningful discussions and create lasting memories.

I. 80s Questions to Ask Your Kid: The Music and Movies

The 1980s soundtrack and cinematic landscape were undeniably influential. Starting conversations around these aspects can reveal surprising insights into your child's preferences and understanding of history. Consider these 80s questions to ask your kid:

Music: "What's your favorite song from a movie soundtrack from the 80s? Why?" (This opens the door to discussing artists like Michael Jackson, Madonna, Prince, and the diversity of musical styles). "If you could go to a concert of any 80s band, who would it be and why?" "Have you ever heard of [insert iconic 80s band]? What do you think of their music?" (This allows for introducing new music and comparing sounds to modern genres).

Movies: "Which 80s movie have you seen that you really liked? What did you like about it?" (This could lead to conversations about iconic films like E.T., Back to the Future, The Goonies, and more). "What do you think about the special effects in 80s movies compared to movies today?" (This sparks a discussion about technological advancements and the evolution of filmmaking). "If you could star in an 80s movie remake, which one would it be and what role would you play?" (This is a fun and

imaginative question that encourages creative thinking).

II. 80s Questions to Ask Your Kid: Fashion and Toys

The 80s were a visual feast. Exploring fashion trends and popular toys of the era adds another layer to your "80s questions to ask your kid" arsenal.

Fashion: "What do you think of the fashion styles from the 80s, like leg warmers, big hair, and neon colors?" (This opens discussions about fashion evolution and personal style). "If you could wear one 80s outfit, what would it be?" (A fun, light-hearted question). "How do you think 80s fashion compares to today's fashion?" (Promotes critical thinking and comparison).

Toys: "Have you ever played with any toys from the 80s, like Cabbage Patch Kids, Transformers, or a Rubik's Cube?" (This taps into nostalgia and potentially sparks shared memories, even if your child's exposure was through siblings or friends). "What do you think is cooler: modern video games or the arcade games of the 80s?" (This prompts a discussion on technology and entertainment). "If you could have any 80s toy, which would you choose and why?"

III. 80s Questions to Ask Your Kid: Technology and Social Changes

The 1980s witnessed significant technological advancements and societal shifts. Integrating these into your "80s questions to ask your kid" will expand the conversation beyond mere entertainment.

Technology: "What's your opinion on the advancement of technology from the 80s to now?" (This allows for exploring technological growth and impact). "Can you imagine life without the internet or cell phones, like people in the 80s?" (This exercise encourages empathy and understanding of different lifestyles).

Social Changes: "What are some of the biggest differences you see between the 80s and today?" (This allows your child to reflect on societal changes and contrast them with their present-day experience). "Based on what you know about the 80s, what are some of the positive and negative aspects of that era?" (This fosters critical thinking and historical analysis).

IV. 80s Questions to Ask Your Kid: Personal Anecdotes and Storytelling

To make the conversation truly engaging, incorporate personal anecdotes. Sharing your own memories, experiences, and perspectives from the 80s will resonate with your child and make the "80s questions to ask your kid" more relatable. For instance:

"Tell me about your favorite childhood memory. I'll share one of mine from the 80s after." (This encourages reciprocal sharing and builds stronger bonds). "What is something you'd like to know about my childhood in the 80s?" (This invites your child's curiosity and engagement).

V. Adapting 80s Questions to Ask Your Kid Based on Age

The appropriateness of the 80s questions to ask your kid will depend on their age and maturity level. Younger children might enjoy focusing on the fun aspects like toys and cartoons, while older kids

can engage in deeper discussions about social and technological changes. Tailoring your questions ensures meaningful and age-appropriate interactions.

Conclusion:

Engaging your child in conversations about the 1980s through thoughtfully crafted "80s questions to ask your kid" is a powerful tool for building stronger family bonds, fostering intergenerational understanding, and sparking curiosity about the past. By incorporating elements of music, movies, fashion, technology, and personal anecdotes, you can create a vibrant and engaging dialogue that transcends mere trivia and builds lasting connections. Remember to keep the conversation light, fun, and adaptable to your child's interests and age.

FAQs:

1. Why is it important to talk to my kids about the 80s? It bridges the generational gap, fosters understanding, and provides a unique perspective on history and societal change.
1. How can I make the conversation engaging for my child? Use visuals (photos, videos), relate it to their interests, and incorporate interactive elements like games or quizzes.
1. What if my child isn't interested in the 80s? Start with something they are interested in and subtly introduce 80s elements. It's about building connection, not forcing interest.
1. What if my child knows more about the 80s than I do? Embrace it! Learn from them; this is an opportunity for mutual learning and shared discovery.
1. How can I make sure the conversation stays positive and fun? Focus on the positive aspects, use humor, and avoid judgmental or critical language.
1. Should I show my kids 80s movies or music? Absolutely! This adds context and makes the conversation more vivid and relatable.

1. How much detail should I provide in my answers? Adjust the level of detail to your child's age and interest level; keep it age-appropriate.
1. Is it okay to exaggerate or embellish my 80s stories? Honesty is best, but a little playful exaggeration can make the stories more fun and memorable.
1. What if my child gets bored? Change the subject or activity; the goal is connection, not a history lecture.

80s questions to ask your kid: The Prairie Homestead Cookbook Jill Winger, 2019-04-02
Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen. - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

80s questions to ask your kid: Memory-Making Mom Jessica Smartt, 2019-03-05 What will your children remember of their childhood? Calling all moms who want to break out of monotony, distraction, and busyness to a life of making lasting memories with your kids and drawing your family closer to one another and to God! What's the solution to gaining the balanced, meaningful life you desire with your family? Create traditions that bring joy and significance! Popular Smartter Each Day blogger and mom of three, Jessica Smartt explains why memory-making is the puzzle piece that today's families are longing for. As Jessica shares her ideas, traditions, and beautiful insights on parenting in this well-written resource guide, she highlights the tradition-gifts kids need most with 300+ unique traditions including: Food: memories that stick to your ribs Holidays: fall bucket lists, crooked Christmas trees, and lingering over Lent Spontaneity: going on adventures Faith: why you

need the puzzle box Memory-Making Mom is jam-packed with her own favorite childhood traditions, those she has started with her own children, traditions tied to the Christian faith, and additional ideas that you can take and tailor to suit your needs. Jessica also offers spiritual guidance and practical encouragement to modern parents to keep on adventuring—even when they are fighting distractions, are on a budget, and exhausted.

80s questions to ask your kid: *The Schools Our Children Deserve* Alfie Kohn, 1999 Arguing against the tougher standards rhetoric that marks the current education debate, the author of *No Contest* and *Punished by Rewards* writes that such tactics squeeze the pleasure out of learning. Reprint.

80s questions to ask your kid: *The Double Disappearance of Walter Fozbek*, 1980 Walter wakes one ordinary summer morning and discovers he has somehow been catapulted into a world populated by dinosaurs.

80s questions to ask your kid: *A More Beautiful Question* Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

80s questions to ask your kid: *Why didn't somebody tell me this sooner?* Tiz A. Arnold, 2024-07-10 Do you think you're the only one who's been so embarrassed they wanted to hide? You're not. Think you're the only one who feels [insert the name of any emotion here]? I can promise you you're not. Think you just don't know how to study? We can fix that (there are research-backed tips to help you study and test better that you've probably never been taught)! Think this life isn't really yours, that you're just taking up space in it or going through the motions? No way—it's yours and you have every right to own it. Think you just aren't good at talking to people or you're not likable? There are some simple strategies to help you overcome that. Life is really hard. Being a kid is hard and being a teenager's even harder. How you navigate the challenges and struggles you face now will influence who you'll become and how you'll interact with others and the world around you...for better or for worse. I struggled too and for far longer than I should've. I've learned, as an adult, about so much research and so many strategies (from the fields of psychology, sport psychology, positive psychology, resilience, and academics) that would've helped me lead a better life sooner if only someone had known to tell me about them. Your mental habits get harder and harder to change the older you get, so starting to use these strategies early in life is much easier than waiting until your mental habits get totally hardwired into your brain.

80s questions to ask your kid: *Snow Lane* Josephine Angelini, Josie Angelini, 2018-01-02 In 1985 Massachusetts, fifth-grader Annie wants to shape her own future but as the youngest of nine, she is held back by her hand-me-down clothing, a crippling case of dyslexia, and a dark family secret.

80s questions to ask your kid: *Bloom* Kelle Hampton, 2013-04-02 "In her tender and genuinely beautiful memoir, Kelle Hampton encourages us to not simply accept the unexpected

circumstances of our lives, but to embrace them like the things we wished for all along.” —Matthew Logelin, New York Times bestselling author of *Two Kisses for Maddy Bloom* is an inspiring and heartfelt memoir that celebrates the beauty found in the unexpected, the strength of a mother’s love, and, ultimately, the amazing power of perspective. The author of the popular blog *Enjoying the Small Things*—named *The Bump’s Best Special Needs Blog* and *The Blog You’ve Learned the Most From* in the 2010 BlogLuxe Awards—Kelle Hampton interweaves lyrical prose and stunning four-color photography as she recounts the unforgettable story of the first year in the life of her daughter Nella, who has Down syndrome. Poignant, eye-opening, and heart-soaring, Hampton’s *Bloom* is ultimately about embracing life and really living it.

80s questions to ask your kid: *Invitation to the Game* Monica Hughes, 1993-06 Unemployed after high school in the highly robotic society of 2154, Lisse and seven friends resign themselves to a boring existence in their Designated Area until the government invites them to play The Game.

80s questions to ask your kid: *Tunnel in the Sky* Robert A. Heinlein, 2005-03-15 High school students enter a time gate to an unknown planet for a survival test, but something goes wrong and they have to learn to survive by their own resourcefulness.

80s questions to ask your kid: *Deep Listening* Oscar Trimboli, 2017-06-10 Over 55% of your day is spent listening; yet only 2% of us have been trained in how to listen. What is poor listening costing you? Do you rush from meeting to meeting, your head buried in the last conversation you had, without time to think of the next? Or feel frustrated with unproductive discussions where the loudest in the room adds limited insight and drowns out everyone else? We usually think of these situations as communication problems; that we have not spoken our needs correctly or clearly. Yet, conflict, chaos and confusion are the costs of not listening. Many communication and listening books say the most important person in a conversation is the speaker - not true! This pocket-sized guide will help you to reconnect with your innate gift of deep listening, to create the right space to listen to yourself before you listen to others. You'll learn to listen beyond the words that are spoken, to add context and meaning and listen in to what's not being said. *Deep Listening* will help you move from confusion and conflict to thoughtful, insightful and powerful discussions that will transform not just your work, but your whole life.

80s questions to ask your kid: *My Mom's Having a Baby!* Dori Hillestad Butler, 2007-03 Told through the voice of the excited big sister, an informative look at how babies come about traces the embryo's development, explains conception, and shows the process of her mother going into labor.

80s questions to ask your kid: *No-Drama Discipline* Daniel J. Siegel, Tina Payne Bryson, 2014-09-23 NEW YORK TIMES BESTSELLER • The pioneering experts behind *The Whole-Brain Child* and *The Yes Brain* tackle the ultimate parenting challenge: discipline. “A lot of fascinating insights . . . an eye-opener worth reading.”—Parents Highlighting the fascinating link between a child’s neurological development and the way a parent reacts to misbehavior, *No-Drama Discipline*

provides an effective, compassionate road map for dealing with tantrums, tensions, and tears—without causing a scene. Defining the true meaning of the “d” word (to instruct, not to shout or reprimand), the authors explain how to reach your child, redirect emotions, and turn a meltdown into an opportunity for growth. By doing so, the cycle of negative behavior (and punishment) is essentially brought to a halt, as problem solving becomes a win/win situation. Inside this sanity-saving guide you’ll discover • strategies that help parents identify their own discipline philosophy—and master the best methods to communicate the lessons they are trying to impart • facts on child brain development—and what kind of discipline is most appropriate and constructive at all ages and stages • the way to calmly and lovingly connect with a child—no matter how extreme the behavior—while still setting clear and consistent limits • tips for navigating your child through a tantrum to achieve insight, empathy, and repair • twenty discipline mistakes even the best parents make—and how to stay focused on the principles of whole-brain parenting and discipline techniques. Complete with candid stories and playful illustrations that bring the authors’ suggestions to life, *No-Drama Discipline* shows you how to work with your child’s developing mind, peacefully resolve conflicts, and inspire happiness and strengthen resilience in everyone in the family. Praise for *No-Drama Discipline* “With lucid, engaging prose accompanied by cartoon illustrations, Siegel and Bryson help parents teach and communicate more effectively.”—Publishers Weekly “Wow! This book grabbed me from the very first page and did not let go.”—Lawrence J. Cohen, Ph.D., author of *The Opposite of Worry*

80s questions to ask your kid: *The Girl with the Silver Eyes* Willo Davis Roberts, 2017-10-03 “There’s something strange about that kid.” At least that’s what everyone says, but they don’t know the truth. Perfect for fans of *Stranger Things*, this classic novel continues to enthrall. Katie Welker is used to being alone. She would rather read a book than deal with other people. Other people don’t have silver eyes. Other people can’t make things happen just by thinking about them! But these special powers make Katie unusual, and it’s hard to make friends when you’re unusual. Katie knows that she’s different but she’s never done anything to hurt anyone so why is everyone afraid of her? Maybe there are other kids out there who have the same silver eyes...and the same talents...and maybe they’ll be willing to help her.

80s questions to ask your kid: *All the Light We Cannot See* Anthony Doerr, 2014-05-06 *NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (*Stranger Things*) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure’s reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum’s most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure’s converge. Doerr’s “stunning sense of physical detail and gorgeous metaphors” (*San Francisco Chronicle*) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer “whose sentences never fail to thrill” (*Los Angeles Times*).

80s questions to ask your kid: *Wow in the World: The How and Wow of the Human Body* Mindy Thomas, Guy Raz, 2021-03-02 A #1 New York Times Bestseller! Based on their #1 kids

80s questions to ask your kid: *Aliens in the Family* Margaret Mahy, 1986 Jake Raven, expecting to dislike her new stepsister and stepbrother, ends up helping them protect an alien from another dimension as he flees from mysterious pursuers with the ability to alter time.

80s questions to ask your kid: *Start Your Own Kid-Focused Business and More: Party Planning, Gift and Bath Products, Educational Toys and Games, Plus-Size Clothing, Cooking Classes* Krista Thoren Turner, Entrepreneur Press, 2008-08-28 Covering five popular areas of interest within the ever-growing kids' market, this how-to guide provides you with the important startup, financial and legal basics for finding success in the flourishing children's industry.

80s questions to ask your kid: *The Child Whisperer* Carol Tuttle, 2012 The Child Whisperer teaches how to read unsaid clues that children naturally give every day, and shows how parenting, teaching, coaching, and mentoring children can be an even more intuitive, cooperative experience than ever.

80s questions to ask your kid: *Small Animals* Kim Brooks, 2018-08-21 It might be the most important book about being a parent that you will ever read. —Emily Rapp Black, New York Times bestselling author of *The Still Point of the Turning World* Brooks's own personal experience provides the narrative thrust for the book — she writes unflinchingly about her own experience.... Readers who want to know what happened to Brooks will keep reading to learn how the case against her proceeds, but it's Brooks's questions about why mothers are so judgmental and competitive that give the book its heft. —NPR One morning, Kim Brooks made a split-second decision to leave her four-year old son in the car while she ran into a store. What happened would consume the next several years of her life and spur her to investigate the broader role America's culture of fear plays in parenthood. In *Small Animals*, Brooks asks, Of all the emotions inherent in parenting, is there any more universal or profound than fear? Why have our notions of what it means to be a good parent changed so radically? In what ways do these changes impact the lives of parents, children, and the structure of society at large? And what, in the end, does the rise of fearful parenting tell us about ourselves? Fueled by urgency and the emotional intensity of Brooks's own story, *Small Animals* is a riveting examination of the ways our culture of competitive, anxious, and judgmental parenting has profoundly altered the experiences of parents and children. In her signature style—by turns funny, penetrating, and always illuminating—which has dazzled millions of fans and been called striking by New York Times Book Review and beautiful by the National Book Critics Circle, Brooks offers a provocative, compelling portrait of parenthood in America and calls us to examine what we most value in our relationships with our children and one another.

80s questions to ask your kid: *PEOPLE The Practically Perfect Guide to Mary Poppins* The Editors of PEOPLE, 2018-12-14 The editors of PEOPLE Magazine present Mary Poppins.

80s questions to ask your kid: *Parenting a Teen Girl* Lucie Hemmen, 2012-08-01 It's not easy to be a teen girl, and it's definitely not easy parenting one. Parents everywhere struggle to respond appropriately to challenging behavior, hit-or-miss communication, and fluctuating moods commonly exhibited by teenage girls. More than previous generations, today's teen girls face a daunting range of stressors that put them at risk for a range of serious issues, including self-harming behaviors, substance abuse, eating disorders, anxiety, and depression. Is it any wonder that parents are

overwhelmed? Parenting a Teen Girl is a guide for busy parents who want bottom-line information and tips that make sense—and work. It also offers scripts to improve communication, and exercises to navigate stressful interactions with skill and compassion. Whether your teen girl is struggling with academic pressure, social difficulties, physical self-care, or technology overload, this book offers practical advice to help you connect with your teen girl. Parents and teens alike can enjoy a positive connection once common parent-teen pitfalls are replaced with solid understanding and strategies that work. In this book, you will learn how to: Maximize your teen's healthy development Understand what underlies her moods and behavior Implement strategies for positive results Communicate effectively about difficult issues Enjoy and appreciate time with your teen daughter

80s questions to ask your kid: *The Amazing True Story of How Babies Are Made* Fiona Katauskas, 2015-08-01 THE GO-TO BOOK FOR PARENTS WANTING HELP WITH THAT TALK ... SHORTLISTED FOR THE 2016 CHILDREN'S BOOK COUNCIL BOOK OF THE YEAR AWARDS It's one of the most amazing stories ever told -- and it's true! Funny, frank and embarrassment-free, THE AMAZING TRUE STORY OF HOW BABIES ARE MADE gives a fresh take on the incredible tale of where we all come from. REVIEWS: 'If you're looking for a book for children that's accessible but honest, sex positive and inclusive, THE AMAZING TRUE STORY OF HOW BABIES ARE MADE is pretty much perfect.' -- Child Magazine 'Common sense, facts, the delightful humour and illustrations will enable this book to be universally accessible and a joy to be shared. A must buy for all parents.' -- Buzzword Books 'Highly recommended ... a necessary addition to every parent library' -- ReadPlus.com.au 'It's the inclusive nature of the book as well as its light touches of humour that make it a worthy update of a perennially interesting subject' -- Sydney Morning Herald 'terrific, funny and explicit-in-a-good-way ... Destined to become a classic.' -- Weekend West

80s questions to ask your kid: *10 Questions Every Teen Should Ask (and Answer) about Christianity* Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

80s questions to ask your kid: *Expository Apologetics* Voddie Baucham Jr., 2015-10-31 Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, *Expository Apologetics* sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers “a reason for the hope that is in you.”

80s questions to ask your kid: *Best Life*, 2008-06 *Best Life* magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

80s questions to ask your kid: *The Addiction Inoculation* Jessica Lahey, 2021-04-06 “The *Addiction Inoculation* is a vital look into best practices parenting. Writing as a teacher, a mother, and, as it happens, a recovering alcoholic, Lahey's stance is so compassionate, her advice so smart, any and all parents will benefit from her hard-won wisdom.” —Peggy Orenstein, author of *Girls & Sex* and *Boys & Sex* In this supportive, life-saving resource, the New York Times bestselling author of *The Gift of Failure* helps parents and educators understand the roots of substance abuse and identify who is most at risk for addiction, and offers practical steps for prevention. Jessica Lahey was

born into a family with a long history of alcoholism and drug abuse. Despite her desire to thwart her genetic legacy, she became an alcoholic and didn't find her way out until her early forties. Jessica has worked as a teacher in substance abuse programs for teens, and was determined to inoculate her two adolescent sons against their most dangerous inheritance. All children, regardless of their genetics, are at some risk for substance abuse. According to the National Center on Addiction and Substance Abuse, teen drug addiction is the nation's largest preventable and costly health problem. Despite the existence of proven preventive strategies, nine out of ten adults with substance use disorder report they began drinking and taking drugs before age eighteen. The Addiction Inoculation is a comprehensive resource parents and educators can use to prevent substance abuse in children. Based on research in child welfare, psychology, substance abuse, and developmental neuroscience, this essential guide provides evidence-based strategies and practical tools adults need to understand, support, and educate resilient, addiction-resistant children. The guidelines are age-appropriate and actionable—from navigating a child's risk for addiction, to interpreting signs of early abuse, to advice for broaching difficult conversations with children. The Addiction Inoculation is an empathetic, accessible resource for anyone who plays a vital role in children's lives—parents, teachers, coaches, or pediatricians—to help them raise kids who will grow up healthy, happy, and addiction-free.

80s questions to ask your kid: Mommy Burnout Dr. Sheryl G. Ziegler, 2018-02-20 The ultimate must-read handbook for the modern mother: a practical, and positive tool to help free women from the debilitating notion of being the perfect mom, filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you over being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most liked photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to mommy burnout. Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with families and children, Dr. Z has devised a prescriptive program for addressing mommy burnout—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

80s questions to ask your kid: The Gift of Failure Jessica Lahey, 2015-08-11 The New York Times bestselling, groundbreaking manifesto on the critical school years when parents must learn to allow their children to experience the disappointment and frustration that occur from life's inevitable problems so that they can grow up to be successful, resilient, and self-reliant adults. Modern parenting is defined by an unprecedented level of overprotectiveness: parents who rush to school at the whim of a phone call to deliver forgotten assignments, who challenge teachers on report card disappointments, mastermind children's friendships, and interfere on the playing field. As teacher and writer Jessica Lahey explains, even though these parents see themselves as being highly responsive to their children's well being, they aren't giving them the chance to experience failure—or the opportunity to learn to solve their own problems. Overparenting has the potential to ruin a child's confidence and undermine their education, Lahey reminds us. Teachers don't just

teach reading, writing, and arithmetic. They teach responsibility, organization, manners, restraint, and foresight—important life skills children carry with them long after they leave the classroom. Providing a path toward solutions, Lahey lays out a blueprint with targeted advice for handling homework, report cards, social dynamics, and sports. Most importantly, she sets forth a plan to help parents learn to step back and embrace their children's failures. Hard-hitting yet warm and wise, *The Gift of Failure* is essential reading for parents, educators, and psychologists nationwide who want to help children succeed.

80s questions to ask your kid: Intentional Parenting Doug Fields, Cathy Fields, 2018-09-15 10
WAYS TO BE AN EXCEPTIONAL PARENT IN A QUICK-FIX WORLD No matter how good their intentions, all parents at times resort to quick-fix parenting: things we do to stop a kid's negative or annoying behavior. Quick-fix parenting may temporarily ease a parent's stress level, but it does little to positively impact a child's future. Quick-fix parenting is a terrible long-term strategy for parenting. Intentional parenting is the opposite of quick-fix parenting. Intentional parenting is a way to raise children to become healthy, independent young adults. It's based on solid principles which, applied over time, actually result in less-stressed parents and happier, better-adjusted, and more successful kids. Intentional parenting means you've got more than good intentions; you've got a plan. (And it's always better to have a plan for dealing with the stuff that inevitably crops up between parents and their kids than it is to wing it.) In *Intentional Parenting: 10 Ways to be an Exceptional Parent in a Quick-Fix World*, Doug and Cathy Fields draw on their own extended experience with young people and as parents to guide you through 10 specific actions that will help you become a more effective parent. A great resource for individuals, couples, and small groups, this interactive workbook comes with a free code to stream 10 video sessions, plus a small group discussion guide. To find out more, visit IntentionalParenting.com. See more resources like this at OrangeBooks.com and ThinkOrange.com

80s questions to ask your kid: Christian Worldview Herman Bavinck, 2019-10-31 For the First Time in English, a Foundational Work of One of the Church's Most Important Theologians As some point in life, we all wonder: Who am I? What is the world, and what is my place within it? Only Christianity offers answers to these questions in a way that meets our truest needs and satisfies our deepest longings. In this important book, translated into English for the first time, Herman Bavinck provides a framework for understanding why the Christian worldview is the only solution to the discord we feel between ourselves, the world, and God.

80s questions to ask your kid: Wild Truth Bible Lessons--Pictures of God 2 Mark Oestreicher, 2010-06-01 The Bible is a photo album, brimming with self-portraits of a God who wants to be known. God has put these pictures in the Bible to reveal his character. By examining them, we discover who God is and why he's worth knowing better. And we discover something else: who he wants us to be. He wants us to copy his picture into our own character. *Wild Truth Bible Lessons--Pictures of God 2* is a guide to 12 God-pictures taken straight from the Photo Album. They are active Bible lessons for junior high and middle school Sunday school classes or youth group meetings, each one based on one of the 50 pictures of God and presented energetically, relevantly, and scripturally in the companion student book *Wild Truth Journal: Pictures of God*. The lessons are loaded with off-the-wall and easy-to-do discussion starters, video ideas, scripts, games with a point. And, of course, Bible passages and studies that springboard junior highers from the abstract into the concrete as (open Bibles in hand) they explore the nature of God in a lively, relevant way, and then begin practicing in their own lives the traits of God. Here's how the lessons are organized: * Picture Prep grabs your group's attention to prepare them for what's ahead.* Action Shot takes your students into the Bible to catch God in the act of revealing his character.* Self-Portrait explores the given aspect of God's character...how it makes God just that much more awesome...and why it's a very good trait for us to have, too.* Print It! challenges your students to print God's picture into their own lives by living out his character in an immediately practical way. 12 lessons

80s questions to ask your kid: Elevating Child Care Janet Lansbury, 2024-04-30 A modern parenting classic—a guide to a new and gentle way of understanding the care and nurture of infants,

by the internationally renowned childcare expert, podcaster, and author of No Bad Kids “An absolute go-to for all parents, therapists, anyone who works with, is, or knows parents of young children.”—Wendy Denham, PhD A Resources for Infant Educators (RIE) teacher and student of pioneering child specialist Magda Gerber, Janet Lansbury helps parents look at the world through the eyes of their infants and relate to them as whole people who have natural abilities to learn without being taught. Once we are able to view our children in this light, even the most common daily parenting experiences become stimulating opportunities to learn, discover, and connect with our child. A collection of the most-read articles from Janet’s popular and long-running blog, *Elevating Child Care* focuses on common infant issues, including: • Nourishing our babies’ healthy eating habits • Calming your clingy, fearful child • How to build your child’s focus and attention span • Developing routines that promote restful sleep Eschewing the quick-fix tips and tricks of popular parenting culture, Lansbury’s gentle, insightful guidance lays the foundation for a closer, more fulfilling parent-child relationship, and children who grow up to be authentic, confident, successful adults.

80s questions to ask your kid: The White Coat Investor James M. Dahle, 2014-01 Written by a practicing emergency physician, *The White Coat Investor* is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For *The White Coat Investor* Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of *How a Second Grader Beats Wall Street* Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of *The Investor's Manifesto* and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of *Common Sense Investing* *The White Coat Investor* provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

80s questions to ask your kid: Fried Green Tomatoes at the Whistle Stop Cafe Fannie Flagg, 2016-09-27 Folksy and fresh, endearing and affecting, *Fried Green Tomatoes at the Whistle*

Stop Cafe is a now-classic novel about two women: Evelyn, who's in the sad slump of middle age, and gray-headed Mrs. Threadgoode, who's telling her life story. Her tale includes two more women—the irrepressibly daredevilish tomboy Idgie and her friend Ruth—who back in the thirties ran a little place in Whistle Stop, Alabama, offering good coffee, southern barbecue, and all kinds of love and laughter—even an occasional murder. And as the past unfolds, the present will never be quite the same again. Praise for *Fried Green Tomatoes at the Whistle Stop Cafe* “A real novel and a good one [from] the busy brain of a born storyteller.”—The New York Times “Happily for us, Fannie Flagg has preserved [the Threadgoodes] in a richly comic, poignant narrative that records the exuberance of their lives, the sadness of their departure.”—Harper Lee “This whole literary enterprise shines with honesty, gallantry, and love of perfect details that might otherwise be forgotten.”—Los Angeles Times “Funny and macabre.”—The Washington Post “Courageous and wise.”—Houston Chronicle

80s questions to ask your kid: *When Kids Ask Hard Questions Volume 2* Bromleigh McCleneghan, Karen Ware Jackson , 2021-11-09 From the creators of *When Kids Ask Hard Questions* comes MORE questions – and thank goodness, responses! – on today's tough topics. In an increasingly complex world, children deserve thoughtful responses informed by our progressive faith values. In this second volume for parents, teachers, and faith leaders, respected experts, pastors, and parents address more than two dozen tough topics, offering theological perspectives and suggestions for comforting and spiritually guiding children. Topics include: racism and white supremacy; vaping and illegal drugs; domestic abuse and family stigma; pornography and sexuality; mental illness and teen suicide; social media and isolation; and terminal illness and grief.

80s questions to ask your kid: *The Porcupine of Truth* Bill Konigsberg, 2015-05-26 Stonewall Book Award winner. “Konigsberg weaves together a masterful tale of uncovering the past, finding wisdom, and accepting others as well as oneself.” —School Library Journal (starred review) Winner of the PEN Center USA Literary Award for Children's/Young Adult A YALSA Best Fiction for Young Adults Selection Carson Smith is resigned to spending his summer in Billings, Montana, helping his mom take care of his father, a dying alcoholic he doesn't really know. Then he meets Aisha Stinson, a beautiful girl who has run away from her difficult family, and discovers a secret regarding his grandfather, who disappeared without warning or explanation decades before. Together, Carson and Aisha embark on an epic road trip to try and save Carson's dad, restore his fragmented family, and discover the “Porcupine of Truth” in all of their lives. “Words like ‘brilliant’ are so overused when praising novels—so I won't use that word. I'll just think it.” —Benjamin Alire Sáenz, author of *Aristotle and Dante Discover the Secrets of the Universe* “Undeniably human and unforgettably wise, this book is a gift for us all.” —Andrew Smith, author of *Grasshopper Jungle* “Konigsberg . . . crafts fascinating, multidimensional teen and adult characters. A friendship between a straight boy and a lesbian is relatively rare in YA fiction and is, accordingly, exceedingly welcome.” —Booklist (starred review) “The story tackles questions about religion, family, and intimacy with depth and grace . . . Equal parts funny and profound.” —Kirkus Reviews

80s questions to ask your kid: *Evvie Drake Starts Over* Linda Holmes, 2022-03-29 NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • “Everything a romantic comedy should be: witty, relatable, and a little complicated.”—People A heartfelt debut about the unlikely relationship between a young woman who's lost her husband and a major league pitcher who's lost his game. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a sleepy seaside town in Maine, recently widowed Eveleth “Evvie” Drake rarely leaves her large, painfully empty house nearly a year after her husband's death in a car crash. Everyone in town, even her best friend, Andy, thinks grief keeps her locked inside, and Evvie doesn't correct them. Meanwhile, in New York City, Dean Tenney, former Major League pitcher and Andy's childhood best friend, is wrestling with what miserable athletes living out their worst nightmares call the “yips”: he can't throw straight anymore, and, even worse, he can't figure out why. As the media storm heats up, an invitation from Andy to stay in Maine seems like the perfect chance to hit the reset button on Dean's future. When he moves into an apartment at the back of Evvie's house, the two make a deal: Dean

won't ask about Evvie's late husband, and Evvie won't ask about Dean's baseball career. Rules, though, have a funny way of being broken—and what starts as an unexpected friendship soon turns into something more. To move forward, Evvie and Dean will have to reckon with their pasts—the friendships they've damaged, the secrets they've kept—but in life, as in baseball, there's always a chance—up until the last out. A joyful, hilarious, and hope-filled debut, *Evvie Drake Starts Over* will have you cheering for the two most unlikely comebacks of the year—and will leave you wanting more from Linda Holmes. Praise for *Evvie Drake Starts Over* "A quirky, sweet, and splendid story of a woman coming into her own."—Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* "Effortlessly enjoyable . . . [a] pitch-perfect . . . adult love story that is as romantic as it is real."—USA Today "Charming, hopeful, and gently romantic . . . Evvie Drake is great company."—Rainbow Rowell, #1 New York Times bestselling author of *Eleanor & Park*

80s questions to ask your kid: Booktalking Nonfiction Jennifer Bromann-Bender, 2013-12-20 Booktalking Nonfiction: 200 Sure-Fire Winners for Middle and High School Readers will provide an introduction to selecting and writing booktalks for nonfiction books with a focus on unique informational texts and biographies and autobiographies. A booktalk is a summary of a book presented in a way that would interest someone in reading the book described. Why non-fiction? Because the Common Core Standards Initiative, which most states have adopted, requires that 70% of the materials students read be from the category of informational texts it is especially important to focus on nonfiction when sharing books with students. Here's everything you need to do just that. Chapters cover selecting, writing, preparing, and presenting booktalks, special tips for high-interest, low-level books, and using non-fiction in the library and the classroom. Two hundred ready-to-present booktalks arranged by genre are also included. Genres include animals, famous people, sports, crime and serial killers, movies and television, religion, war, history, and the supernatural.
