8901 business park dr austin texas 78759 usa: *Vacationing with Your Pet* Eileen Barish, 2006-09-30 Father Michael Flannery is Keeper of the Sign, prophesied to bring the gospel of peace to the world. On his way to New York for a landmark symposium of the world's largest religious groups, Flannery barely escapes assassination. Not content with possessing the scroll, Via Dei is determined to tie up loose ends and ensure that Father Flannery's message never gets out. Interwoven with this modern-day suspense is the story of Tobias Garlande, a scholar living during the First Crusade. Burdened with terrifying visions of future tragedies, Tobias is the first Keeper. His connection to Father Flannery echoes across centuries with a simple warning: You must not fail. Combining international intrigue and suspense with fascinating historical detail, *Armor of God* continues to explore the ramifications of true faith with a compelling tale of past and present religious turmoil and touching human drama. 8901 business park dr austin texas 78759 usa: Customers for Life Carl Sewell, Paul B. Brown, 2009-07-01 In this completely revised and updated edition of the customer service classic, Carl Sewell enhances his time-tested advice with fresh ideas and new examples and explains how the groundbreaking "Ten Commandments of Customer Service" apply to today's world. Drawing on his incredible success in transforming his Dallas Cadillac dealership into the second largest in America, Carl Sewell revealed the secret of getting customers to return again and again in the original Customers for Life. A lively, down-to-earth narrative, it set the standard for customer service excellence and became a perennial bestseller. Building on that solid foundation, this expanded edition features five completely new chapters, as well as significant additions to the original material, based on the lessons Sewell has learned over the last ten years. Sewell focuses on the expectations and demands of contemporary consumers and employees, showing that businesses can remain committed to quality service in the fast-paced new millennium by sticking to his time-proven approach: Figure out what customers want and make sure they get it. His "Ten Commandants" provide the essential guidelines, including: • Underpromise, overdeliver: Never disappoint your customers by charging them more than they planned. Always beat your estimate or throw in an extra service free of charge. • No complaints? Something's wrong: If you never ask your customers what else they want, how are you going to give it to them? • Measure everything: Telling your employees to do their best won't work if you don't know how they can improve.

8901 business park dr austin texas 78759 usa: Lost Battalions Franz Steidl, 2008-12-30

The remarkable story of two battalions, one German, one American, cut off in the same forest at the same time, and the heroic efforts to save them. The 1st Battalion, 141st Infantry (Alamo Regiment), had been cut off for six days and food, water, and ammunition were running out. Sent to rescue the Texans were the Japanese American Nisei of the famed Go For Broke 100/442d Regimental Combat Team. At virtually the same time, only five miles away, a similar drama unfolded as the Wehrmacht's 201st Mountain Battalion attempted an equally desperate rescue of its sister unit, the 202d Mountain Battalion. The weather was abysmal, the terrain virtually impassable. Some generals lost their sons there, other generals lost only their honor. Told by the soldiers, American and German, from both sides, *Lost Battalions* is an unforgettable account of courage, honor, and humanity.
