90 day fiance episode guide: Serwa Boateng's Guide to Vampire Hunting (Volume 1) Roseanne A. Brown, 2022-09-06 Best-selling author Rick Riordan presents best-selling YA author Roseanne A. Brown's middle grade debut about a pre-teen vampire slayer with a strong helping of Ghanaian folklore. For most kids, catching fireflies is a fun summer activity. For twelve-year-old Serwa Boateng, it's a matter of life and death. That's because Serwa knows that some fireflies are really adze, shapeshifting vampires from the forests of Southeastern Ghana. Adze prey on the blood of innocents, possessing their minds and turning them into hulking monsters, and for generations, slayers like Serwa and her parents have protected an unknowing public from their threats. Serwa is the best adze slayer her age, and she knew how to use a crossbow before she could even ride a bike. But when an obayifo (witch) destroys her childhood home while searching for a drum, do Serwa's parents take her with them on their quest to defeat her? No. Instead, they dump Serwa with her hippie aunt and cryptic-obsessed cousin in the middle of Nowheresville, Maryland for her own safety. Now, instead of crossbows and battle armor, she's dealing with mean girls and algebra, and for the first time in her life she doesn't have to carry a staff everywhere she goes, which is . . . kind of nice, actually. Just as Serwa starts to get the hang of this whole normal girl who doesn't punch vampires every day thing, an adze infiltrates her school. It's up to her to whip some of her classmates into monster-fighting shape before all of them become firefly food. And when she uncovers a secret that upends everything she thought she knew about her family's role in the slayer vs. adze war, Serwa will have to decide which side of herself--normal girl or slayer--is the right one. After all, seventh grade is hard enough without adding vampires to the mix. Complete your middle grade action-adventure collection with these titles: Rick Riordan Presents: *Tristan Strong Punches a Hole in the Sky* by Kwame Mbalia Rick Riordan Presents: *The Storm Run*

90 day fiancé episode guide: Roomies Christina Lauren, 2017-12-05 From subway to Broadway to happily ever after. Modern love in all its thrill, hilarity, and uncertainty has never been so compulsively readable as in New York Times bestselling author Christina Lauren's *Roomies*. Marriages of convenience are so...inconvenient. For months Holland Bakker has invented excuses to descend into the subway station near her apartment, drawn to the captivating music performed by her street musician crush. Lacking the nerve to actually talk to the gorgeous stranger, fate steps in one night in the form of a drunken attacker. Calvin McLoughlin rescues her, but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an audition with her uncle, Broadway's hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he's in the country illegally, his student visa having expired years ago. Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. As their relationship evolves and Calvin becomes the darling of Broadway—in the middle of the theatrics and the acting-not-acting—will Holland and Calvin realize that they both stopped pretending a long time ago?

90 day fiancé episode guide: The Joy Luck Club Amy Tan, 2006-09-21 "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's saying the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. To despair was to wish back for something already lost. Or to prolong what was already unbearable.

Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

Blending biology, chemistry, and physics basics with accessible—and witty—prose, The Science of Rick and Morty equips you with the scientific foundation to thoroughly understand Rick's experiments from the show, such as how we can use dark matter and energy, just what is intelligence hacking, and whether or not you can really control a cockroach's nervous system with your tongue. Perfect for longtime and new fans of the show, this is the ultimate segue into discovering more about our complicated and fascinating universe.
