90s movie trivia questions and answers: I Know This Much Is True Wally Lamb, 1998-06-03

With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly

used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

90s movie trivia questions and answers: *A More Beautiful Question* Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an

inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

90s movie trivia questions and answers: *My Life with Cleopatra* Walter Wanger, Joe Hyams, 2013-06-04 *Cleopatra* faced countless problems during its filming and production: passionate casting disputes, broken contracts, a costly re-location from London to Rome, an emergency tracheotomy for its star, Elizabeth Taylor, scandal-ridden gossip surrounding relationships on set, and a budget of \$2 million that ballooned to final costs of \$44 million. Legendary producer Walter Wanger recalls the drama that occurred both on and off the set, including the incredible obstacles he had to overcome and the exhilaration of producing a cinematic triumph. A revealing story about Elizabeth Taylor and Richard Burton's tempestuous romance and an insightful filmmaker's journal, now back in print for the 50th anniversary of *Cleopatra's* release, *My Life with Cleopatra* shares the true story of the relationship and film that enthralled the world. "I have been told by responsible journalists that there was more world interest in *Cleopatra*, which I produced, and in its stars—Elizabeth Taylor, Richard Burton, and Rex Harrison—than in any event of 1962." —Walter Wanger

90s movie trivia questions and answers: Best. Movie. Year. Ever. Brian Raftery, 2020-03-31

From a veteran culture writer and modern movie expert, a celebration and analysis of the movies of 1999—"a terrifically fun snapshot of American film culture on the brink of the Millennium....An absolute must for any movie-lover or pop-culture nut" (Gillian Flynn). In 1999, Hollywood as we know it exploded: *Fight Club*. *The Matrix*. *Office Space*. *Election*. *The Blair Witch Project*. *The Sixth Sense*. *Being John Malkovich*. *Star Wars: The Phantom Menace*. *American Beauty*. *The Virgin Suicides*. *Boys Don't Cry*. *The Best Man*. *Three Kings*. *Magnolia*. Those are just some of the landmark titles released in a dizzying movie year, one in which a group of daring filmmakers and performers pushed cinema to new limits—and took audiences along for the ride. Freed from the restraints of budget, technology, or even taste, they produced a slew of classics that took on every topic imaginable, from sex to violence to the end of the world. The result was a highly unruly, deeply influential set of films that would not only change filmmaking, but also give us our first glimpse of the coming twenty-first century. It was a watershed moment that also produced *The Sopranos*; Apple's *AirPort*; *Wi-Fi*; and Netflix's unlimited DVD rentals. "A spirited celebration of the year's movies" (Kirkus Reviews), *Best. Movie. Year. Ever.* is the story of not just how these movies were made, but how they re-made our own vision of the world. It features more than 130 new and exclusive interviews with such directors and actors as Reese Witherspoon, Edward Norton, Steven Soderbergh, Sofia Coppola, David Fincher, Nia Long, Matthew Broderick, Taye Diggs, M. Night Shyamalan, David O. Russell, James Van Der Beek, Kirsten Dunst, the *Blair Witch* kids, the *Office Space* dudes, the guy who played Jar-Jar Binks, and dozens more. It's "the complete portrait of what it was like to spend a year inside a movie theater at the best possible moment in time" (Chuck Klosterman).

90s movie trivia questions and answers: True Love Jennifer Lopez, 2014-11-04 In Jennifer Lopez's first ever book, *True Love*, she explores one of her life's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she's ever been. Guided by both intimate and electrifying photographs, *True Love* an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos throughout and lavishly designed, *True Love* is a stunning and timeless book that features more than 200 never-before-seen images from Lopez's personal archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.

90s movie trivia questions and answers: Good Will Hunting Ben Affleck, Matt Damon, 1997-12-25 As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay *Good Will Hunting*, the two young actors somewhat resemble the characters they play in the film: they're best friends, and Affleck (who plays Chuckie) habitually chauffeurs Damon (Will), who doesn't drive. Van Sant says we can see how badly Damon drives by watching the film's last scene, in which he is actually driving the car with the camera mounted on it. But Damon and company write better than he drives; this script contains some of the boldest, best monologues since *Pulp Fiction*. Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks, trimming the script into a precision instrument. Though the stills from the film

are not perfectly matched to their places in the script, this story remains as much a joy to read as it is to watch on the big screen.

90s movie trivia questions and answers: *Stop the Insanity* Susan Powter, 2010-06-01 You've seen Susan Powter on her phenomenally successful "Stop the Insanity" infomercial, on the Home show, and on The Susan Powter Show, bringing her message of health, hope and wellness to millions. Now in this runaway bestseller she gives women everywhere the step-by-step motivation to take control of their lives. What is insanity? · A multimillion-dollar diet industry that fails to help women lose weight permanently · A fitness industry that excludes the unfit · Women hating the way they look and feel After her divorce, Susan Powter fell into a "fat come" that left her fat, unfit, and depressed. At more than 240 pounds, she courageously turned to the "experts"—the diet and fitness industries—for help. But she found, as millions of others have, that starvation and deprivation don't work, and that the diet and fitness industries work against women, setting them up for failure, ruining their health, taking their money, and giving them temporary, short-term answers. Then on her own Susan Powter discovered how to eat, breath, and move, to lose weight permanently and regain her health, strength, and sanity.
