

90s questions to ask your kid

'90s Questions to Ask Your Kid: Bridging the Generational Gap Through Nostalgic Conversation

Author: Dr. Evelyn Reed, PhD in Child Psychology and Family Dynamics, specializing in intergenerational communication. Dr. Reed has over 20 years of experience working with families and has published numerous articles on effective parenting techniques and fostering strong family bonds.

Keyword: '90s questions to ask your kid

Description: This article explores the fascinating concept of using '90s questions to ask your kid as a tool for strengthening parent-child relationships and fostering intergenerational understanding. We delve into the significance of engaging children in conversations about a bygone era, highlighting the benefits of shared experiences and bridging the generational gap through nostalgia. We'll provide a comprehensive list of insightful and fun '90s questions to ask your kid, categorized for different age groups, and discuss effective communication strategies to make the experience enjoyable and enriching for both parent and child. This exploration will uncover how these conversations can spark valuable learning opportunities, enhance communication skills, and create lasting memories.

Summary: This article advocates for using '90s trivia and related questions as a springboard for meaningful conversations with children. It argues that exploring shared cultural experiences, even those from a different era, fosters deeper connections, improves communication, and enriches the parent-child relationship. The article offers numerous examples of '90s questions to ask your kid, tailored to different age groups and interests, focusing on music, movies, television shows, fashion, and technology. It emphasizes the importance of creating a safe and engaging environment for these conversations, encouraging active listening and genuine curiosity from parents. Ultimately, the article champions the power of nostalgia as a catalyst for stronger family bonds and intergenerational understanding.

Publisher: Family Life Publications, a reputable publisher specializing in parenting guides, family relationship resources, and child development literature. Family Life Publications is known for its commitment to providing evidence-based information and fostering positive family dynamics.

Editor: Sarah Miller, MA in Journalism and experienced editor with over 15 years of experience in family-focused publications. Ms. Miller has a particular focus on clear, engaging writing that resonates with a wide audience.

Unlocking Connection: Engaging Your Child with '90s Questions to Ask Your Kid

The 1990s – a decade of vibrant fashion, iconic music, and groundbreaking technology. For many parents, it represents a cherished period of their own lives. But for their children, it's just history, a fascinating, sometimes bewildering, glimpse into the past. Using '90s questions to ask your kid offers a unique opportunity to bridge the generational gap, fostering connection and sparking intriguing conversations.

The Power of Shared Experiences

Nostalgia is a powerful emotion, and tapping into it can create a profound sense of connection. Asking your child about the '90s – even if they weren't alive then – allows you to share your own memories and experiences, fostering a sense of shared history, even if it's secondhand. This shared experience can build empathy and understanding between generations. It's a way to connect on a personal level beyond the usual everyday routines.

'90s Questions to Ask Your Kid: A Categorized Approach

To make the most of this intergenerational dialogue, it's helpful to categorize your questions. Here are some ideas, tailored to different aspects of 90s culture:

I. Music:

"If you could have seen one '90s concert, who would it be and why?"

"What do you think about the music videos from the '90s compared to today's?"

"Listen to this song [play a popular 90s song]. What do you think of it? How does it compare to the music you listen to now?"

"Which '90s boy band or girl group would you have been a fan of?"

"Imagine you're creating a '90s-themed playlist. What songs would you include?"

II. Movies & Television:

"Have you ever seen [popular '90s movie]? What did you think?"

"What '90s cartoon or TV show would you have enjoyed as a kid?"

"If you could live in a '90s sitcom, which one would it be and why?"

"Which '90s movie character do you relate to the most?"

"How do you think the special effects in '90s movies compare to those of today?"

III. Fashion & Pop Culture:

"What do you think of '90s fashion trends like grunge or oversized clothing?"

"If you could wear one '90s outfit, what would it be?"

"What do you think of the slang and catchphrases from the '90s?" (e.g., "radical," "groovy," "awesome")

"Who was your favorite '90s celebrity?"

"What '90s toy or game would you have loved to have?"

IV. Technology:

"Imagine you only had a dial-up internet connection. How would that change your life?"

"What do you think of the clunky cell phones from the '90s compared to smartphones?"

"How do you think the lack of readily available information online in the '90s would have affected you?"

"What do you think of the early video game consoles from the '90s?"

Adapting Questions to Age:

These questions can be adapted to suit your child's age and understanding. Younger children might appreciate simpler questions focusing on visual aspects, like fashion or cartoons. Older children can engage in more in-depth discussions about social trends, technology, and the cultural impact of the era.

The Importance of Active Listening:

Remember, the goal isn't just to quiz your child; it's to have a genuine conversation. Listen actively to their responses, ask follow-up questions, and share your own experiences. This creates a safe space for open communication and mutual understanding. Your child's perspectives and opinions are valuable, regardless of their age or familiarity with the '90s.

More Than Just Trivia:

Asking '90s questions to ask your kid isn't just about revisiting the past; it's about fostering connection, building bridges across generations, and improving communication skills. It's a chance to learn from each other, appreciate different perspectives, and create lasting memories. It's a reminder that even though times change, the core of human connection remains the same. Through these conversations, you can help your child develop critical thinking skills by comparing and contrasting past and present cultures and technologies.

Conclusion:

Using '90s questions to ask your kid is a fun and effective way to build stronger family bonds and promote intergenerational understanding. By engaging in these nostalgic conversations, parents can create lasting memories, foster empathy, and enhance their communication skills with their children. Remember to adapt the questions to your child's age and interests and always prioritize active listening and creating a safe space for open dialogue. The shared experience of exploring the '90s, even from different perspectives, can strengthen your relationship and leave you both with a deeper appreciation for each other and for the rich tapestry of history.

FAQs

1. Why is it important to talk to my kids about the '90s? It fosters intergenerational connection, improves communication, and offers a unique learning experience about cultural shifts.

1. How can I make these conversations engaging for my child? Use visuals (pictures, videos), relate the '90s to their interests, and make it interactive.
1. What if my child isn't interested in the '90s? Try different approaches, start with their interests and gradually introduce '90s elements.
1. Are there any risks to discussing the past with children? Yes, be mindful of potentially sensitive topics and adapt your approach accordingly.
1. How can I adapt these questions for different age groups? Simplify language for younger children, and delve deeper into social and cultural analysis for older ones.
1. What if my child knows more about the '90s than I do? Embrace it! It's a learning opportunity for you too.
1. How can I make these conversations a regular part of our routine? Incorporate them during car rides, mealtimes, or other shared activities.
1. What if my child is dismissive of the '90s? Respect their opinion, but gently guide them to see the value of exploring different eras.
1. Are there any resources to help me learn more about the '90s? Yes, documentaries, books, and online archives offer rich information about the era.

90s questions to ask your kid: *The Prairie Homestead Cookbook* Jill Winger, 2019-04-02 Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen. - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

90s questions to ask your kid: *The Nickelodeon '90s* Chris Morgan, 2021-06-21 There is an

entire generation that grew up on Nickelodeon. The network started to get its footing in the '80s and in the '90s became the defining voice in entertainment for kids. For the first time ever, in this book, the entire expanse of '90s Nickelodeon has been collected in one place. A mix of personal reflection and media criticism, it delves into the history of each show with humor and insight. It revisits shows such as Rugrats, Clarissa Explains It All, and Legends of the Hidden Temple, one by one. More than an act of nostalgia, this book looks critically at the '90s Nick catalog, covering the good, the bad, and the weird.

90s questions to ask your kid: Design Mom Gabrielle Stanley Blair, 2015-04-07 New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

90s questions to ask your kid: Collecting Gadgets and Games from the 1950s-90s Daniel Blythe, 2011-12-13 Daniel Blythe takes a trip down memory lane with his first book for Remember When, focusing on toys, games and gadgets from our youth; from Simon to the ZX Spectrum, from the Walkman to the boom-box, from the Bat mobile to Bond's Aston Martin and the TARDIS. From gadgets everyone had to those they desired to own, this is the book on big boys' toys and their value. Whilst firms such as Sony focus on toys of the future, the latest Playstations and X-boxes, the author looks at the forgotten gadgets, the early MP3 players and radio sets and shows how to turn them into ready-money or future collectables. He also reveals what makes a future collectable and discovers which action heroes are better than others when it comes to the collectables world.

90s questions to ask your kid: A More Beautiful Question Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

90s questions to ask your kid: Before We Were Yours Lisa Wingate, 2017-06-06 THE BLOCKBUSTER HIT—Over two million copies sold! A New York Times, USA Today, Wall Street Journal, and Publishers Weekly Bestseller "Poignant, engrossing."—People • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain Memphis, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother

together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life.

90s questions to ask your kid: Grown and Flown Lisa Heffernan, Mary Dell Harrington, 2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

90s questions to ask your kid: All the Light We Cannot See Anthony Doerr, 2014-05-06 *NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (Stranger Things) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

90s questions to ask your kid: Me First Helen Lester, 2013 Pinkerton the pig always manages to be first until he rushes for a sandwich and it turns out not to be the edible kind.

90s questions to ask your kid: The New York Times Guide to the Best Children's Videos Kids First!, 1999-11 The only guide you'll need for choosing the best videos -- and CD-ROMS -- for your family. Ordering information, running times, and suggested retail prices. Evaluations of more than 100 CD-ROMs 500 recommended feature films for the family...and more!

90s questions to ask your kid: What Do You Say? William Stixrud, PhD, Ned Johnson, 2022-08-16 A guide to effectively communicating with teenagers by the bestselling authors of *The Self-Driven Child* If you're a parent, you've had a moment--maybe many of them--when you've thought, How did that conversation go so badly? At some point after the sixth grade, the same kid who asked why non-stop at age four suddenly stops talking to you. And the conversations that you wish you could have--ones fueled by your desire to see your kid not just safe and healthy, but passionately engaged--suddenly feel nearly impossible to execute. The good news is that effective communication can be cultivated, learned, and taught. And as you get better at this, so will your kids. William Stixrud, Ph.D., and Ned Johnson have 60 years combined experience talking to kids one-on-one, and the most common question they get when out speaking to parents and educators is: What do you say? While many adults understand the importance and power of the philosophies behind the books that dominate the parenting bestseller list, parents are often left wondering how to put those concepts into action. In *What Do You Say?*, Johnson and Stixrud show how to engage in respectful and effective dialogue, beginning with defining and demonstrating the basic principles of listening and speaking. Then they show new ways to handle specific, thorny topics of the sort that usually end in parent/kid standoffs: delivering constructive feedback to kids; discussing boundaries around technology; explaining sleep and their brains; the anxiety of current events; and family problem-solving. *What Do You Say?* is a manual and map that will immediately transform parents' ability to navigate complex terrain and train their minds and hearts to communicate ever more successfully.

90s questions to ask your kid: Go Ask Alice Anonymous, 1999-07-13 A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth--and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful--and as timely--today as ever, *Go Ask Alice* remains the definitive book on the horrors of addiction.

90s questions to ask your kid: I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin,

the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta*, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

90s questions to ask your kid: First Ask Why Shelly Wildman, 2018-03-28 It's no secret that parenting is tricky business. With advice flooding in from all sides, strong-willed children pushing against boundaries, and our own human flaws, it's easy to get bogged down in every how-to that we're not doing well. But maybe that isn't the right approach. Maybe the first step is not to ask how but to ask why. Like most parents, when Shelly Wildman had children, she consulted books, sermons, and lectures on how to raise the best children possible. Yet every resource focused on how to get external results: children who behave the way others expected them to. For Shelly and her husband, the turning point happened when they started asking why instead--shifting their focus to internal change. That's when their purpose as parents became clear: parents are called to do their

best to show kids how to know and love Jesus, to love others, and to make a difference in the world. There are no rules here, no inflexible series of steps that lead to perfect parenting. Instead, Shelly encourages parents to think about their unique family and why each child's needs for spiritual growth might look different. She walks you through intentional questioning, focusing on building a firm foundation for lasting discipleship. And in the end, you'll discover that God wants the same outcome you do: a child who knows Christ intimately, loves him deeply, and has a heart to serve him fully.

90s questions to ask your kid: Parenting a Teen Girl Lucie Hemmen, 2012-08-01 It's not easy to be a teen girl, and it's definitely not easy parenting one. Parents everywhere struggle to respond appropriately to challenging behavior, hit-or-miss communication, and fluctuating moods commonly exhibited by teenage girls. More than previous generations, today's teen girls face a daunting range of stressors that put them at risk for a range of serious issues, including self-harming behaviors, substance abuse, eating disorders, anxiety, and depression. Is it any wonder that parents are overwhelmed? Parenting a Teen Girl is a guide for busy parents who want bottom-line information and tips that make sense—and work. It also offers scripts to improve communication, and exercises to navigate stressful interactions with skill and compassion. Whether your teen girl is struggling with academic pressure, social difficulties, physical self-care, or technology overload, this book offers practical advice to help you connect with your teen girl. Parents and teens alike can enjoy a positive connection once common parent-teen pitfalls are replaced with solid understanding and strategies that work. In this book, you will learn how to: Maximize your teen's healthy development Understand what underlies her moods and behavior Implement strategies for positive results Communicate effectively about difficult issues Enjoy and appreciate time with your teen daughter

90s questions to ask your kid: I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

90s questions to ask your kid: Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking

back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

90s questions to ask your kid: The Vital Question Nick Lane, 2016 A game-changing book on the origins of life, called the most important scientific discovery 'since the Copernican revolution' in *The Observer*.

90s questions to ask your kid: The Black Kids Christina Hammonds Reed, 2020-08-04 A New York Times bestseller "Should be required reading in every classroom." —Nic Stone, #1 New York Times bestselling author of *Dear Martin* "A true love letter to Los Angeles." —Brandy Colbert, award-winning author of *Little & Lion* "A brilliantly poetic take on one of the most defining moments in Black American history." —Tiffany D. Jackson, author of *Grown* and *Monday's Not Coming Perfect* for fans of *The Hate U Give*, this unforgettable coming-of-age debut novel explores issues of race, class, and violence through the eyes of a wealthy black teenager whose family gets caught in the vortex of the 1992 Rodney King Riots. Los Angeles, 1992 Ashley Bennett and her friends are living the charmed life. It's the end of senior year and they're spending more time at the beach than in the classroom. They can already feel the sunny days and endless possibilities of summer. Everything changes one afternoon in April, when four LAPD officers are acquitted after beating a black man named Rodney King half to death. Suddenly, Ashley's not just one of the girls. She's one of the black kids. As violent protests engulf LA and the city burns, Ashley tries to continue on as if life were normal. Even as her self-destructive sister gets dangerously involved in the riots. Even as the model black family façade her wealthy and prominent parents have built starts to crumble. Even as her best friends help spread a rumor that could completely derail the future of her classmate and fellow black kid, LaShawn Johnson. With her world splintering around her, Ashley, along with the rest of LA, is left to question who is the us? And who is the them?

90s questions to ask your kid: Good Talk Mira Jacob, 2019-03-26 NATIONAL BESTSELLER • A "beautiful and eye-opening" (Jacqueline Woodson), "hilarious and heart-rending" (Celeste Ng) graphic memoir about American identity, interracial families, and the realities that divide us, from the acclaimed author of *The Sleepwalker's Guide to Dancing*. ONE OF THE TEN BEST BOOKS OF THE YEAR: Chicago Tribune, The New York Public Library, Publishers Weekly • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, Time, BuzzFeed, Esquire, Literary Journal, Kirkus Reviews "How brown is too brown?" "Can Indians be racist?" "What does real love between really different people look like?" Like many six-year-olds, Mira Jacob's half-Jewish, half-Indian son, Z, has questions about everything. At first they are innocuous enough, but as tensions from the 2016 election spread from the media into his own family, they become much, much more complicated. Trying to answer him honestly, Mira has to think back to where she's gotten her own answers: her most formative conversations about race, color, sexuality, and, of course, love. Written with humor and vulnerability, this deeply relatable graphic memoir is a love letter to the art of conversation—and to the hope that hovers in our most difficult questions. LONGLISTED FOR THE PEN/OPEN BOOK AWARD "Jacob's earnest recollections are often heartbreaking, but also infused with levity and humor. What stands out most is the fierce compassion with which she parses the complexities of family and love."—Time "Good Talk uses a masterful mix of pictures and words to speak on life's most uncomfortable conversations."—io9 "Mira Jacob just made me toss everything I thought was possible in a book-as-art-object into the garbage. Her new book changes everything."—Kiese Laymon, New York Times bestselling author of *Heavy*

90s questions to ask your kid: The Bottom Line for Baby Tina Payne Bryson, 2020-09-01 Apply the best science to all your parenting decisions with this essential A-Z guide for your biggest questions and concerns from the New York Times bestselling co-author of *The Whole-Brain Child* and *No-Drama Discipline* Every baby- and toddler-care decision sends parents scrambling to do the

right thing, and often down into the rabbit hole of conflicting advice. Dr. Tina Payne Bryson has sifted through the reliable research (including about all those old wives' tales) and will help you make a manageable molehill out of the mountain of information and answer more than sixty common concerns and dilemmas, including • Breast or bottle? Or breast and bottle? Will that cause nipple confusion? • What's the latest recommendation for introducing solids in light of potential allergies? • Should I sign us up for music and early-language classes? • What's the evidence for and against circumcision? • When is the right time to wean my baby off her pacifier? • How do I get this child to sleep through the night?! Dr. Bryson boils things down with authority, demystifying the issues in three distinct sections: an objective summary of the schools of thought on the topic, including commonly held pros and cons; a clear and concise primer on "What the Science Says"; and a Bottom Line conclusion. When the science doesn't point clearly in one direction, she guides you to assess and apply the information in a way that's consistent with your family's principles and meets your child's unique needs. Full of warmth, expert wisdom, and blessedly bite-sized explanations, *The Bottom Line for Baby* will help you prioritize what you really need to know and do during the first year of precious life.

90s questions to ask your kid: Sex and the Intelligence of the Heart Julie McIntyre, 2012-04-26 Explores how Nature underlies sexuality and intimacy • Examines how to regain intimacy in our relationships in a way that embraces our hidden wild nature and restores the sacred to our lives • Provides sacred sex and intimacy-building practices for partners and exercises to reconnect with the intuitive intelligence of the heart, remove our emotional armor, and cultivate a deeper relationship with the Earth • Shows how by healing our relationship with Nature and our sexuality, we move toward healing the whole planet Nature is having sex all the time--that's one of the reasons we feel so alive when we are immersed in it. Sexuality is essential to the sensation of Nature in your own body, of connecting to the piece of Earth closest to you--your own flesh and bones. Many a couple has been overcome by passion while walking in the woods or on the beach; many a soul has found solace or epiphany in Nature. Living in accordance with Nature depends on you being your true, whole self--a sexual, sensual, erotic, fully alive human being. Exploring the territory of intimacy, sacred sex, and emotional healing as a journey to wholeness, Julie McIntyre examines the sacred relationship between sexuality and the Earth and reveals how to create deep, lasting intimacy with your lover by recapturing the wild, spontaneous, natural sexuality that is your birthright. Detailing the process of moving from your head to the secret garden of your heart, she provides exercises to heal your psyche of old emotional trauma, reconnect with the intuitive intelligence of the heart, and cultivate a deeper relationship with the Earth in order to trust yourself and become vulnerable and open with your lover and thus truly intimate. She shows how there is a direct relationship between our beliefs and values about sex and intimacy and our beliefs and values about the environment and the Earth. She reveals how, by healing our separation from Nature and our sexuality, we can bring the sacred back into our lives, shape our own ecstatic sexual experiences, and move toward healing the whole planet.

90s questions to ask your kid: Others See Us William Sleator, 2015-08-25 After Jared accidentally plunges into a polluted swamp, he gains the ability to read minds . . . and discovers dangerous secrets about his family The first thing Jared does every summer when he and his family arrive at their cottage is hop on his bike and cruise along the back roads. Only this year he's grown too big for the bike. When the brakes suddenly give out at the bottom of the hill where the road makes a sharp turn, Jared plunges into an industrial swamp oozing with toxic waste. After the accident, Jared feels OK--except for a headache. But then he starts hearing strange things: people's private thoughts, which are the total opposite of what they actually say. Next, Jared's journal is stolen. Luckily, he can just read the mind of the person who stole it. He can also use his new power to track down the culprit in a recent series of ATM robberies and neighborhood break-ins. But along with solving mysteries, Jared uncovers shocking family secrets, the identity of someone else who has the same paranormal gift as him, and the truth about the girl he loves.

90s questions to ask your kid: How To Raise A Boy Michael C. Reichert, 2020-07-21 At a

time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men. Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In *How to Raise a Boy*, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys become men. Reichert explains how the paradigms about boys needing to be stoic and man like can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by: Listening and observing, without judgment, so that boys know they're being heard. Helping them develop strong connections with teachers, coaches, and other role models. Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women. Letting them know that they don't have to be a man or suck it up, when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

90s questions to ask your kid: *The Lizard Club* Steve Abbott, 1993 *Gossip! Gossip! Gossip!* The *Lizard Club* "tells all" about the birth of San Francisco's underground club scene. But who's real and who's not? Abbott's novel suggested that in the '90s, we could no longer tell fact from fantasy. William Burroughs, Dennis Cooper, Robert Gluck, and Sarah Schulman praised the late Steve Abbott's first novel, *Holy Terror*. This follow-up Menippean satire is equally engaging.

90s questions to ask your kid: *10 Questions Every Teen Should Ask (and Answer) about Christianity* Rebecca McLaughlin, 2021-03-09 Written by Rebecca McLaughlin, Author of *Confronting Christianity* In a world of increasing ideological diversity, kids are being challenged to think through their own beliefs at an early age. Questions like How can you believe the Bible is true?; Why can't we just agree that love is love?; and Isn't Christianity against diversity? can seem like roadblocks for kids who are following Jesus, as well as for those who might otherwise consider faith in Christ. In this helpful book—written both for Christian kids and for those who think Jesus is just a fairy tale character—Rebecca McLaughlin invites readers ages 12-15 to dig deep into hard questions for themselves and perhaps discover that the things that once looked like roadblocks to faith might actually be signposts.

90s questions to ask your kid: *Expository Apologetics* Voddie Baucham Jr., 2015-10-31 *Apologetics* is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, *Expository Apologetics* sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers "a reason for the hope that is in you."

90s questions to ask your kid: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that

you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

90s questions to ask your kid: Christian Worldview Herman Bavinck, 2019-10-31 For the First Time in English, a Foundational Work of One of the Church’s Most Important Theologians As some point in life, we all wonder: Who am I? What is the world, and what is my place within it? Only Christianity offers answers to these questions in a way that meets our truest needs and satisfies our deepest longings. In this important book, translated into English for the first time, Herman Bavinck provides a framework for understanding why the Christian worldview is the only solution to the discord we feel between ourselves, the world, and God.

90s questions to ask your kid: Pocket Book of Hospital Care for Children World Health Organization, 2013 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

90s questions to ask your kid: My Side of the Mountain Jean Craighead George, 2001-05-21 Should appeal to all rugged individualists who dream of escape to the forest.—The New York Times Book Review Sam Gribley is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. “An extraordinary book . . . It will be read year after year.” —The Horn Book

90s questions to ask your kid: The Birds, the Bees, and the Elephant in the Room Rachel Coler Mulholland, 2024-07-16 Struggling to find the words for the talk? Let this parenting book from TikTok sensation Shug CM be your road map for discussing relationships, safe practices, gender identity, and more with kids of all ages. Known as Shug to her nearly 1 million TikTok followers, Rachel Coler Mulholland has become a favorite voice for parents trying to navigate tricky conversations with their curious and confused children. As a nationally certified counselor with a master’s degree in clinical mental health counseling, she is the ideal person to write this book, which will empower parents and caregivers by helping facilitate essential but scary conversations with their kids, from toddlers to teens. The book covers a broad variety of topics including how babies are made, dating, safe sex practices, the differences between gender and sexual orientation, and how to discuss consent. It is perfect for caregivers struggling to find the words, and it aims to help navigate the sometimes murky waters of discussions around bodies and sex. Written in the frank and funny tone of Rachel’s videos, this book arms readers with applicable skills and accurate knowledge and keeps the next generation of kids safe in an ever-changing world. Perfect for fans of the How to Talk series or Lisa Damour books, *The Birds, the Bees, and the Elephant in the Room* is an essential guide for talking to kids about sex and other sensitive topics. Whether you’re parenting teens, toddlers, or anything in between, this book empowers caregivers by providing age-appropriate sex education and advice on navigating difficult conversations around bodies, consent, puberty, and LGBTQ+ issues.

90s questions to ask your kid: Stupid Things I Won't Do When I Get Old Steven Petrow, 2021-06-29 For fans of David Sedaris and Nora Ephron, a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on award-winning journalist Steven Petrow's wildly popular New York Times essay, *Things I'll Do Differently When I Get Old*. Soon after his 50th birthday, Petrow began assembling a list of "things I won't do when I get old"—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included "You won't have to shout at me that I'm deaf," and "I won't blame the family dog for my incontinence," became the basis of this rousing collection of do's and don'ts, wills and won'ts that is equal parts hilarious, honest, and practical. The fact is, we don't want to age the way previous generations did. "Old people" hoard. They bore relatives—and strangers alike—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way... In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, "I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to 'old.'" Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding. Praise for *Stupid Things I Won't Do When I Get Old*: "Unbelievably witty and relatable, I alternated bursting into laughter and placing my hand over my face in horror thinking, Oh my God, is that me? I often say, at this age we have something young people can never have...wisdom. My dear friend, Steven Petrow, has wisdom to share in this honest, funny, wry guide to keep us young at heart, without desperately hanging onto our youth. I am buying this book for all of my friends!" —Suzanne Somers, New York Times bestselling author of *A New Way to Age* "Stupid Things I Won't Do When I Get Old is an irreverent, funny, honest look at aging and all the things we take for granted as normal parts of aging. They don't need to be. If you struggle with getting older and want to find a fresh perspective on lessons learned about what NOT to do as we age, and what TO do to stay young in heart, spirit, mind and body, read this book." —Mark Hyman, MD, #1 New York Times bestseller author of *The Blood Sugar Solution 10-Day Detox Diet*, and Head of Strategy and Innovation at the Cleveland Clinic Center for Functional Medicine. "Steven Petrow resolved to do things differently than his parents had when he gets old because he wished they'd been able to enjoy life more. His solution? He created a list! In this book, he shares the secrets to living a full life regardless of our age. It's all about the decisions we make every day. My advice in a nutshell: Read this book and keep it handy." —"Dear Abby" (Jeanne Phillips), nationally syndicated advice columnist "It's never too early to imagine what your life will look like as you age. And as I once wrote, 'We are not hostages to our fate.' Petrow's book will help you plan, think, and redefine what it means to get older—and even laugh while doing it." —Andrew Weil, MD, New York Times bestselling author of *Spontaneous Healing* and *Healthy Aging: A Lifelong Guide to Your Well-Being* "Steven Petrow not only has a great attitude about life, he is wise about how to live it. Like me, he says we should embrace our one life 100% and not let a number—our age—get in the way of anything! Steven's book will help you rethink the word "aging" and approach this next chapter with a positive and proactive attitude. Plus, this book is fun!" —Denise Austin, renowned fitness expert, author, and columnist "Steven's writing feels like sitting with a friend—one who is unusually gracious, warm and frank." —Carolyn Hax, author of the nationally syndicated advice column, Carolyn Hax Praise for Steven Petrow: Steven Petrow's *Complete Gay & Lesbian Manners* helps gays and straights navigate the subtleties of the same-sex world. —People Move over, Emily Post! When it comes to etiquette for members of the gay, lesbian, bisexual and transgender community—as well as their straight friends, family members and coworkers—author and journalist Steven Petrow is the authority. —TIME What could've easily become a novelty book has emerged as an exhaustively researched, essential resource thanks to advice columnist and etiquette expert Steven Petrow. —The Advocate From having kids to planning funerals, Steven Petrow's *Complete Gay & Lesbian Manners* has most facets

of gay life covered. Ms. Post would approve. —Entertainment Weekly An indispensable refresher course...on what's proper in modern...life. —Kirkus Reviews

90s questions to ask your kid: Start Your Own Kid Focused Business and More

90s questions to ask your kid: Good Guys and Bad Guys Joe Nocera, 2008-05-29 The

greatest columns and profiles by the bestselling coauthor of *All the Devils Are Here*. What's it like to be a top tobacco executive when your kid asks you about smoking? How did a young liberal arts major become the hottest tech-stock analyst of the '90s, and why did he self-destruct? How did one family's dysfunction change the media landscape? Some people think business journalism is all about balance sheets, income statements, and earnings per share. But if you want to answer the really interesting questions—about heroes and hucksters, visionaries and madmen, and other larger-than-life characters—you need a reporter like Joe Nocera. For more than twenty-five years Nocera has shed new light on the giants of the business world—Warren Buffett, T. Boone Pickens, Bob Nardelli—as well as on the less famous but equally fascinating. He builds stories around their motivations, personalities, and deepest characters. And instead of just pigeonholing them as good guys or bad guys, he explores the gray areas in between.
