a bronx tale parents guide: Another Brooklyn Jacqueline Woodson, 2016-08-09 A Finalist for the 2016 National Book Award New York Times Bestseller A SeattleTimes pick for Summer Reading Roundup 2017 The acclaimed New York Times bestselling and National Book Award-winning author of Brown Girl Dreaming delivers her first adult novel in twenty years. Running into a long-ago friend sets memory from the 1970s in motion for August, transporting her to a time and a place where friendship was everything—until it wasn't. For August and her girls, sharing confidences as they ambled through neighborhood streets, Brooklyn was a place where they believed that they were beautiful, talented, brilliant—a part of a future that belonged to them. But beneath the hopeful veneer, there was another Brooklyn, a dangerous place where grown men reached for innocent girls in dark hallways, where ghosts haunted the night, where mothers disappeared. A world where madness was just a sunset away and fathers found hope in religion. Like Louise Meriwether's Daddy Was a Number Runner and Dorothy Allison's Bastard Out of Carolina, Jacqueline Woodson's Another Brooklyn heartbreakingly illuminates the formative time when childhood gives way to adulthood—the promise and peril of growing up—and exquisitely renders a powerful, indelible, and fleeting friendship that united four young lives.

a bronx tale parents guide: American Baby Gabrielle Glaser, 2021-01-26 A New York Times Notable Book The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other. "[T]his book about the past might foreshadow a coming shift in the future... 'I don't think any legislators in those states who are anti-abortion are actually thinking, 'Oh, great, these single women are gonna raise more children.' No, their hope is that those children will be placed for adoption. But is that the reality? I doubt it.'"[says Glaser]" -Mother Jones During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, where social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. The adoption business was founded on secrecy and lies. American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever.

Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific assessments, and shamed millions of women into surrendering their children. The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files. Gabrielle Glaser dramatically illustrates in Margaret and David's tale—one they share with millions of Americans—a story of loss, love, and the search for identity.

a bronx tale parents guide: The Other Wes Moore Wes Moore, 2011-01-11 NEW YORK TIMES BESTSELLER • From the governor of Maryland, the “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for

several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world.

a bronx tale parents guide: *Brooklyn Story* Suzanne Corso, 2010-12-28 Perfectly evoking the sights and sounds of the summer of 1978 in Brooklyn, Suzanne Corso makes an acclaimed fiction debut with this powerful coming-of-age tale, told from an adult perspective, of family, best friends, first loves, and big dreams waiting to come true. Samantha Bonti is fifteen years old, half Jewish and half Italian, and hesitantly edging toward pure Brooklyn. She lives in Bensonhurst with her mother, Joan, a woman poisoned with cynicism and shackled by addictions; and with her Grandma Ruth, Samantha's loudest and most opinionated source of encouragement. As flawed as they are, they are family. And this is home—a tight-knit community of ancestors and traditions, of controlling mobsters, compliant wives, and charismatic young guys willing to engage in anything illegal to get a shot at playing with the big boys. Yet Samantha has something that even her most simpatico girlfriend, Janice Caputo, doesn't share—a desire to become a writer and to escape their insular, overcrowded little world and the destiny that is assumed for all of them. Then comes Tony Kroon. He's a gorgeous mobster wannabe, a Bensonhurst Adonis whose seductive charms Samantha finds irresistible—even when she knows she's too smart to fall this deep . . . but Samantha soon finds herself swallowed up by dangerous circumstances that threaten to jeopardize more than her dreams. Grandma Ruth's advice: Samantha had better write herself out of this story and into a new one, fast.

For sixteen-year-old Dan Crawford, the New Hampshire College Prep program is the chance of a lifetime. Except that when Dan arrives, he finds that the usual summer housing has been closed, forcing students to stay in the crumbling Brookline Dorm.
