Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. **a court of mist and fury ebook free:** *Truthwitch* Susan Dennard, 2016-01-05 Two best friends use their magic to save the world from war and corruption in Susan Dennard's New York Times bestselling YA fantasy, *Truthwitch*. On a continent ruled by three empires, some are born with a witchery, a magical skill that sets them apart from others. In the Witchlands, there are almost as many types of magic as there are ways to get in trouble—as two desperate young women know all too well. Safiya is a Truthwitch, able to discern truth from lie. It's a powerful magic that many would kill to have on their side, especially amongst the nobility to which Safi was born. So Safi must keep her gift hidden, lest she be used as a pawn in the struggle between empires. Iseult, a Threadwitch, can see the invisible ties that bind and entangle the lives around her—but she cannot see the bonds that touch her own heart. Her unlikely friendship with Safi has taken her from life as an outcast into one of reckless adventure, where she is a cool, wary balance to Safiya's hotheaded impulsiveness. Safiya and Iseult just want to be free to live their own lives, but war is coming to the Witchlands. With the help of the cunning Prince Merik (a Windwitch and privateer) and the hindrance of a Bloodwitch bent on revenge, the friends must fight emperors, princes, and mercenaries alike who will stop at nothing to get their hands on a Truthwitch.
