a court of mist and fury ebook: *Wolves And Roses* Christina Bauer, 2017-10-31 A fairy tale retelling with a twist! Seventeen-year-old Bryar Rose has a problem. She's descended from one of the three magical races—shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar's case, that template should be Sleeping Beauty. Should being the key word. Trouble is, Bryar is nowhere near the sleeping beauty life template. Not even close. She doesn't like birds or woodland creatures. She can't sing. And she certainly can't stand Prince Philpot, the so-called "His Highness of Hedge Funds" that her aunties want her to marry. Even worse, Bryar's having recurring dreams of a bad boy hottie and is obsessed with finding papyrus from ancient Egypt. What's up with that? All Bryar wants is to attend a regular high school with normal humans and forget all about shifters, fairies, witches, and the curse that Colonel Mallory the Magnificent placed on her. And she might be able to do just that--if only she can just keep her head down until her eighteenth birthday when the spell that's ruined her life goes buh-bye. But that plan gets turned upside down when Bryar Rose meets Knox, the bad boy who's literally from her dreams. Knox is a powerful werewolf, and his presence in her life changes everything, and not just because he makes her knees turn into Jell-O. If Bryar can't figure out who—or what—she really is, it might cost both her and Knox their lives... as well as jeopardize the very nature of magic itself. Perfect for readers who love young adult books with romance, action, adventure, and one-of-a-kind world building. a court of mist and fury ebook: *Truthwitch* Susan Dennard, 2016-01-05 Two best friends use their magic to save the world from war and corruption in Susan Dennard's New York Times bestselling YA fantasy, *Truthwitch*. On a continent ruled by three empires, some are born with a witchery, a magical skill that sets them apart from others. In the Witchlands, there are almost as many types of magic as there are ways to get in trouble—as two desperate young women know all too well. Safiya is a Truthwitch, able to discern truth from lie. It's a powerful magic that many would kill to have on their side, especially amongst the nobility to which Safi was born. So Safi must keep her gift hidden, lest she be used as a pawn in the struggle between empires. Iseult, a Threadwitch, can see the invisible ties that bind and entangle the lives around her—but she cannot see the bonds that touch her own heart. Her unlikely friendship with Safi has taken her from life as an outcast into one of reckless adventure, where she is a cool, wary balance to Safiya's hotheaded impulsiveness. Safiya and Iseult just want to be free to live their own lives, but war is coming to the Witchlands. With the help of the cunning Prince Merik (a Windwitch and privateer) and the hindrance of a Bloodwitch bent on revenge, the friends must fight emperors, princes, and mercenaries alike who will stop at nothing to get their hands on a Truthwitch. a court of mist and fury ebook: *From Blood and Ash* Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. a court of mist and fury ebook: *Vigilante Feminists and Agents of Destiny* Laura Mattoon D'Amore, 2021-04-07 This interdisciplinary study examines the relationship between violence, empowerment, and the teenage super/heroine in comics and young adult fantasy novels. The author

analyzes stories of teenage super/heroines who have experienced trauma, abduction, assault, and sexual violence that has led to a loss of agency, and then tracks the way that their use of violence empowers them to reclaim agency over their lives and bodies. The author identifies these characters as vigilante feminist teenage super/heroines because they become vigilantes in order to protect other girls and young women from violence and create safer communities. The teenage super/heroines examined in this book are characters who have the ability—through super power, or supernatural and magical ability—to fight back against those who seek to cause them harm. They are a product of and a response to both the pervasive culture of violence against girls and women and a system that fails to protect girls and women from harm. While this book is part of a robust intellectual conversation about the role of girls and women in popular literature and culture and about feminist analyses of comics and YA literature, it is unique in its reading of violence as empowerment and in its careful tracing—and naming—of the teenage vigilante super/heroine, a characterization that is hugely popular and deserves this close reading.
