a court of wings and ruin ebook free: Mein Kampf Adolf Hitler, 2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

An instant NYT bestseller and word-of-mouth sensation, this dark, romantic debut fantasy weaves the unforgettable tale of a young woman who must be sacrificed to the legendary Wolf of the Wood to save her kingdom. But not all legends are true, and the Wolf isn't the only danger lurking in the Wilderwood. As the only Second Daughter born in centuries, Red has one purpose—to be sacrificed to the Wolf in the Wood in the hope he'll return the world's captured gods. Red is almost relieved to go. Plagued by a dangerous power she can't control, at least she knows that in the Wilderwood, she can't hurt those she loves. Again. But the legends lie. The Wolf is a man, not a monster. Her magic is a calling, not a curse. And if she doesn't learn how to use it, the monsters the gods have become will swallow the Wilderwood—and her world—whole. If you ever wished Beauty and the Beast had more eldritch forest monsters and political machinations, this is the romance for you.—Alix E. Harrow, author of *The Ten Thousand Doors of January* A brilliant dark fantasy debut! —Jodi Picoult, NYT bestselling author
