Verónica has had many surgeries to manage her disability. The best form of rehabilitation is swimming, so she spends hours in the pool, but not just to strengthen her body. Her Florida town is home to Mermaid Cove, a kitschy underwater attraction where professional mermaids perform in giant tanks . . . and Verónica wants to audition. But her conservative Peruvian parents would never go for it. And they definitely would never let her be with Alex, her cute new neighbor. She decides it's time to seize control of her life, but her plans come crashing down when she learns her parents have been hiding the truth from her—the truth about her own body.

a cuban girls guide to tea and tomorrow movie: A Disaster in Three Acts Kelsey Rodkey, 2022-07-05 Fans of Elise Bryant and Rachel Lynn Solomon will swoon for Last Chance Books author Kelsey Rodkey's next romance, packed with snark, banter, and inconvenient crushes. Saine Sinclair knows a little something about what makes a story worth telling. Your childhood best friend refuses

to kiss you during a pre-adolescent game of spin the bottle? Terrible, zero stars, would not replay that scene again. The same ex-friend becomes your new best friend's ex? Strangely compelling, unexpected twist, worth a hate-watch. That same guy—why is he always around?—turns out to be your last shot at getting into the documentary filmmaking program of your dreams? Saine hates to admit it, but she'd watch that movie. There's something about Holden that makes her feel like she's the one in front of the camera—like he can see every uncomfortable truth she's buried below the surface. Saine knows how her story's supposed to go. So why does every moment with Holden seem intent on changing the ending?

a cuban girls guide to tea and tomorrow movie: Finding Her Edge Jennifer Iacopelli, 2022-02-08 For fans of Emma Lord and Abbi Glines, Jennifer Iacopelli's swoony, romantic new novel follows elite ice dancer Adriana Russo as she finds herself drawn to both her old dance partner and her new one. Adriana Russo is figure skating royalty. With gold-medalist parents, and her older sister headed to the Olympics, all she wants is to live up to the family name and stand atop the ice dance podium at the Junior World Championships. But fame doesn't always mean fortune, and their legendary skating rink is struggling under the weight of her dad's lavish lifestyle. The only thing keeping it afloat is a deal to host the rest of the Junior Worlds team before they leave for France. That means training on the same ice as her first crush, Freddie, the partner she left when her growth spurt outpaced his. For the past two years, he's barely acknowledged her existence, and she can't even blame him for it. When the family's finances take another unexpected hit, losing the rink seems inevitable until her partner, Brayden, suggests they let the world believe what many have suspected: that their intense chemistry isn't contained to the ice. Fans and sponsors alike take the bait, but keeping up the charade is harder than she ever imagined. And training alongside Freddie makes it worse, especially when pretending with Brayden starts to feel very real. As the biggest competition of her life draws closer and her family's legacy hangs in the balance, Adriana is caught between her past and present, between the golden future she's worked so hard for, and the one she gave up long ago.
