I. The Allure of "A Day at the Beach Story Writing"

The seemingly simple premise of "a day at the beach story writing" holds immense potential for compelling narratives. The beach, a universal symbol of relaxation, escape, and introspection, offers a rich tapestry of sensory details and evocative imagery. But a successful "a day at the beach story writing" requires more than just sunny skies and sparkling water; it demands a deep understanding of narrative structure, character development, and the power of setting to create a truly memorable story. This guide explores the multifaceted aspects of crafting a captivating "a day at the beach story writing," offering insights and techniques to elevate your beach-themed narrative from mundane to masterful.

II. Setting the Scene: More Than Just Sand and Sea in "A Day at the Beach Story Writing"

The beach itself is a character in your story. A successful "a day at the beach story writing" goes beyond simply stating "it was a sunny day at the beach." Consider the specifics:

Time of day: Is it the vibrant energy of midday, the tranquil beauty of dawn, or the mystical ambiance of twilight?

Type of beach: Is it a bustling public beach, a secluded cove, or a rocky shoreline? The beach's character profoundly impacts the mood and atmosphere of your story.

Weather: Is it a perfect summer day, or is there a brewing storm adding tension and drama to your "a day at the beach story writing"?

Sensory details: Engage all five senses. Describe the smell of salt air, the feel of warm sand between toes, the sound of crashing waves, the taste of salty spray, and the dazzling colours of the sunset. These details are crucial in immersive "a day at the beach story writing."

III. Character Development: Finding Depth in "A Day at the Beach Story Writing"

Your characters are the heart of your story. Even in a seemingly simple "a day at the beach story writing," they must be believable and relatable. Consider:

Internal conflicts: What internal struggles do your characters face? The beach setting can amplify existing tensions or trigger new ones, adding layers of complexity to your "a day at the beach story writing".

External conflicts: How do your characters interact with the environment and each other? A chance encounter, a lost item, or a sudden storm can introduce conflict and drive the plot forward in your "a day at the beach story writing".

Character arcs: How do your characters change or grow throughout the day? A seemingly ordinary "a day at the beach story writing" can become transformative if you show character growth and development.

IV. Plot and Narrative Structure in "A Day at the Beach Story Writing"

While a simple "a day at the beach story writing" might focus on a single day, it still requires a well-defined structure. Consider these elements:

Inciting incident: What event sets the story in motion? A lost child, a forgotten wallet, or a chance meeting can provide the catalyst for your narrative.

Rising action: What challenges do your characters face throughout the day? These escalating challenges create suspense and keep readers engaged.

Climax: What is the turning point of the story? This is the moment of greatest tension or revelation in your "a day at the beach story writing".

Falling action: How do the characters react to the climax? This section resolves some of the conflicts established earlier.

Resolution: What is the final outcome of the day? The resolution should leave a lasting impression on the reader.

V. Point of View and Narrative Voice in "A Day at the Beach Story Writing"

The perspective from which you tell your story significantly impacts its effectiveness. Consider:

First-person: This allows for intimate access to a character's thoughts and feelings, creating a strong connection with the reader in your "a day at the beach story writing".

Third-person limited: This offers a balance between intimacy and objectivity, allowing you to focus on a single character's experience while still offering some broader context.

Third-person omniscient: This provides a wider view, allowing access to the thoughts and feelings of multiple characters. This perspective can be beneficial in portraying a complex dynamic among several individuals on the beach.

The narrative voice should complement the chosen perspective and enhance the overall tone and style of your "a day at the beach story writing".

VI. Using Symbolism and Metaphor in "A Day at the Beach Story Writing"

The beach offers rich symbolic potential. The ocean can represent the vastness of life, the waves symbolizing challenges and changes. Sand can represent time passing, and shells can symbolize memories and the past. Effectively using symbolism and metaphor adds depth and meaning to your "a day at the beach story writing," moving beyond the literal to explore deeper themes.

VII. Show, Don't Tell: Mastering Descriptive Writing in "A Day at the Beach Story Writing"

Instead of simply stating that the sun was setting, describe the fiery hues painting the sky, the long shadows stretching across the sand, and the gentle cooling of the air. Strong descriptive writing immerses the reader in the scene and elevates your "a day at the beach story writing" from ordinary to extraordinary.

VIII. Revising and Editing Your "A Day at the Beach Story Writing"

Once you've completed your first draft, take the time to revise and edit. Pay attention to:

Clarity and conciseness: Ensure your writing is clear, concise, and easy to

follow.

Pacing: Ensure the pace of your story matches the mood and events.

Consistency: Maintain consistency in your characterization, setting, and narrative voice.

Proofreading: Correct any grammatical errors or typos.

Conclusion

Crafting a compelling "a day at the beach story writing" is an exercise in combining vivid descriptions, well-developed characters, and a strong narrative structure. By carefully considering the setting, characters, plot, and narrative voice, you can transform a simple day at the beach into a memorable and moving story. Remember to show, don't tell, utilize symbolism effectively, and revise diligently to create a truly impactful narrative.

a day at the beach story writing: *The Beach* Alex Garland, 2005-07-05 The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to the Beach. The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

a day at the beach story writing: Summer on the Bluffs Sunny Hostin, 2021-05-04 New York Times Bestseller! The View cohost and New York Times bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive Black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of Black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billie to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.

a day at the beach story writing: Any Day with You Mae Respicio, 2021-06-08 A warm, tender story perfect for fans of Front Desk about a creative girl who hopes that by winning a filmmaking contest, she'll convince her great-grandfather to stay by her side. Kaia and her family live near the beach in California, where the fun of moviemaking is all around them. Kaia loves playing with makeup and creating special effects, turning her friends into merfolk and other magical creatures. This summer, Kaia and her friends are part of a creative arts camp, where they're working on a short movie to enter in a contest. The movie is inspired by the Filipino folktales that her beloved Tatang, her great-grandfather, tells. Tatang lives with her family and is like the sparkle of her special-effects makeup. When Tatang decides that it is time to return to his homeland in the Philippines, Kaia will do anything to convince him not to go.

a day at the beach story writing: *Hello Ocean* Pam Muñoz Ryan, 2001-02-01 Dive into this playful poem about the draw of the shore and the effect the ocean has on all five senses. Relive a day at the beach with this lovely book of memories. You can almost feel the salt spray on your face and smell the musky scent of ocean in the cool morning air. Remember how the sand squishes between your toes as the tide rushes to shore and taste the tang of the ocean on your lips. Spirited language evokes a sense of closeness and nostalgia for an old friend. The inspiration of the ocean will make learning the five senses as easy as a day at the beach. Crisp, realistic illustrations fill the pages with the rush of surf and the warmth of sun-baked sand. The sights and smells and sensations of the sea become vividly clear in these beautifully rendered paintings.

a day at the beach story writing: *Writing the Australian Beach* Elizabeth Ellison, Donna Lee Brien, 2020-03-02 *Writing the Australian Beach* is the first book in fifteen years to explore creative and cultural representations of this iconic landscape, and how writers and scholars have attempted to understand and depict it. Although the content chiefly focuses on Australia, the beach as both a location and idea resonates deeply with readers around the world. This edited collection includes three sections. *Forms of Beach Writing* examines the history of beach writing in Australia and in a number of forms: screenwriting, social media writing, and food writing. In turn, *Multiplicities of Australian Beach Writing* examines how forms of writing—poetry, travel writing, horror film, and memoir—engage with some specific beaches in Australia. And, finally, *Reading the Beach as a Text* considers how the beach itself functions in cultural narratives: how we walk the beach; the revealing story of beach soccer; and the design and use of ocean baths. Given its scope, the collection offers a unique resource for scholars of Australian culture and creative writing, and for all those interested in Australian beaches.

One of NPR’s Best Books of the Year. Readers of Elena Ferrante’s *The Lost Daughter* may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll’s perspective. Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . . “Everyone should read anything with Ferrante’s name on it.” —The Boston Globe

a day at the beach story writing: Beach Music Pat Conroy, 2011-08-03 An American expatriate in Rome unearths his family legacy in this sweeping novel by the acclaimed author of *The Prince of Tides* and *The Great Santini* A Southerner living abroad, Jack McCall is scarred by tragedy and betrayal. His desperate desire to find peace after his wife’s suicide draws him into a painful, intimate search for the one haunting secret in his family’s past that can heal his anguished heart.

Spanning three generations and two continents, from the contemporary ruins of the American South to the ancient ruins of Rome, from the unutterable horrors of the Holocaust to the lingering trauma of Vietnam, Beach Music sings with life's pain and glory. It is a novel of lyric intensity and searing truth, another masterpiece among Pat Conroy's legendary and beloved novels. Praise for Beach Music "Astonishing . . . stunning . . . The range of passions and subjects that bring life to every page is almost endless."—The Washington Post Book World "Magnificent . . . clearly Conroy's best."—San Francisco Chronicle "Blockbuster writing at its best."—Los Angeles Times Book Review "Pat Conroy's writing contains a virtue now rare in most contemporary fiction: passion."—The Denver Post "A powerful, heartfelt tale."—Houston Chronicle

a day at the beach story writing: The Boy on the Beach Tima Kurdi, 2018-04-17 An intimate and poignant memoir about the family of Alan Kurdi—the young Syrian boy who became the global emblem for the desperate plight of millions of Syrian refugees—and of the many extraordinary journeys the Kurdis have taken, spanning countries and continents. Alan Kurdi's body washed up on the shore of the Mediterranean Sea on September 2, 2015, and overnight, the political became personal, as the world awoke to the reality of the Syrian refugee crisis. Tima Kurdi first saw the shocking photo of her nephew in her home in Vancouver, Canada. But Tima did not need a photo to understand the truth—she and her family had already been living it. In *The Boy on the Beach*, Tima recounts her idyllic childhood in Syria, where she grew up with her brother Abdullah and other siblings in a tight-knit family. A strong-willed, independent woman, Tima studied to be a hairdresser and had dreams of seeing the world. At twenty-two, she emigrated to Canada, but much of her family remained in Damascus. Life as a single mother and immigrant in a new country wasn't always easy, and Tima recounts with heart-wrenching honesty the anguish of being torn between a new home and the world she'd left behind. As Tima struggled to adapt to life in a new land, war overtook her homeland. Caught in the crosshairs of civil war, her family risked everything and fled their homes. Tima worked tirelessly to help them find safety, but their journey was far from easy. Although thwarted by politics, hounded by violence, and separated by vast distances, the Kurdis encountered setbacks at every turn, they never gave up hope. And when tragedy struck, Tima suddenly found herself thrust onto the world stage as an advocate for refugees everywhere, a role for which she had never prepared but that allowed her to give voice to those who didn't have an opportunity to speak for themselves. From the jasmine-scented neighbourhoods of Damascus before the war to the streets of Aleppo during it, to the refugee camps of Europe and the leafy suburbs of Vancouver, *The Boy on the Beach* is one family's story of love, loss, and the persistent search for safe harbour in a devastating time of war.

a day at the beach story writing: Swallowed by the Cold Jensen Beach, 2016-05-17 The intricate, interlocking stories of Jensen Beach's extraordinarily poised story collection are set in a Swedish village on the Baltic Sea as well as in Stockholm over the course of two eventful years. In *Swallowed by the Cold*, people are besieged and haunted by disasters both personal and national: a fatal cycling accident, a drowned mother, a fire on a ferry, a mysterious arson, the assassination of the Swedish foreign minister, and, decades earlier, the Soviet bombing of Stockholm. In these stories, a drunken, lonely woman is convinced that her new neighbor is the daughter of her dead lover; a one-armed tennis player and a motherless girl reckon with death amid a rainstorm; and happening upon a car crash, a young woman is unaccountably drawn to the victim, even as he slides into a coma and her marriage falls into jeopardy. Again and again, Beach's protagonists find themselves unable to express their innermost feelings to those they are closest to, but at the same time they are drawn to confide in strangers. In its confidence and subtle precision, Beach's prose evokes their reticence but is supple enough to reveal deeper passions and intense longing. Shot through with loss and the regret of missed opportunities, *Swallowed by the Cold* is a searching and crystalline book by a startlingly talented young writer.

a day at the beach story writing: The Storm Whale Benji Davies, 2013-08-15 The stunning bestseller by Benji Davies, winner of the inaugural Oscar's First Book Prize. Noi and his father live in a house by the sea, his father works hard as a fisherman and Noi often has only their six cats for company. So when, one day, he finds a baby whale washed up on the beach after a storm, Noi is excited and takes it home to care for it. He tries to keep his new friend a secret, but there's only so long you can keep a whale in the bath without your dad finding out. Noi is eventually persuaded that the whale has to go back to the sea where it belongs. For Noi, even though he can't keep it, the arrival of the whale changes his life for the better - the perfect gift from one friend to another. a day at the beach story writing: **The Beach Club** Elin Hilderbrand, 2010-04-01 In *The Beach Club*, the juicy first novel by talented newcomer Elin Hilderbrand, a series of personal dramas are played out during one summer at a Nantucket Beach Club. It's about the love of summer, summer love, and the special feelings we all have for that special summer place--in this case, a hotel and an island. Mack Petersen, manager of the hotel, has been working at The Beach Club for 12 summers. Only this summer is different. His boss, the owner of the hotel, Bill Elliot, shows up in the spring with a new set of demands. His girlfriend Maribel is pressing Mack to get married and Vance, the African-American bellman, who has hated Mack since the day Mack stole his job 12 years ago, threatens him in a deadly scene. Mack knows something's got to give. Love O'Donnell, the new front desk person straight from the slopes of Aspen, is desperately searching for a stranger to father her child. The bellman, Jem Crandall, who posed as Mr. November in his college calendar, is on his way to LA to break into agenting, until he falls in love with Maribel. Emotions are at a peak when a hurricane threatens to wash away The Beach Club and all it stands for. An engrossing, sexy novel that will sweep you away to the beach any time of the year.

a day at the beach story writing: *Froggy Learns to Swim* Jonathan London, 1997-06-01

Zzzziinnnggg splash! Everyone's favorite frog learns to swim! Frogs are supposed to be great swimmers. Not me! says Froggy, who's afraid of the water. But with a little encouragement, some practice, and the help of a silly song or two, Froggy becomes an expert frog-kicker! "Froggy's childlike dialogue and the sound words--'zook! Zik!'; 'flop flop . . . splash!' make this a wonderful read aloud." —School Library Journal An IRA/CBC Children's Choice A Junior Library Guild Selection

a day at the beach story writing: The Water Is Wide Pat Conroy, 2002-03-26 A "miraculous" (Newsweek) human drama, based on a true story, from the renowned author of *The Prince of Tides* and *The Great Santini* The island is nearly deserted, haunting, beautiful. Across a slip of ocean lies South Carolina. But for the handful of families on Yamacraw Island, America is a world away. For years the people here lived proudly from the sea, but now its waters are not safe. Waste from industry threatens their very existence unless, somehow, they can learn a new way. But they will learn nothing without someone to teach them, and their school has no teacher—until one man gives a year of his life to the island and its people. Praise for *The Water Is Wide* "Miraculous . . . an experience of joy."—Newsweek "A powerfully moving book . . . You will laugh, you will weep, you will be proud and you will rail . . . and you will learn to love the man."—Charleston News and Courier "A hell of a good story."—The New York Times "Few novelists write as well, and none as beautifully."—Lexington Herald-Leader "[Pat] Conroy cuts through his experiences with a sharp edge of irony. . . . He brings emotion, writing talent and anger to his story."—Baltimore Sun

a day at the beach story writing: All the Light We Cannot See Anthony Doerr, 2014-05-06
NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (Stranger Things) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

a day at the beach story writing: Annie Lumsden, the Girl from the Sea David Almond, 2021-05-18 A solitary girl with a kinship for the sea makes a wondrous discovery in a tale of identity and belonging from master storyteller David Almond. Annie Lumsden has hair that drifts like seaweed, eyes that shine like rock pools, and thoughts that dart and dance like minnows. She lives with her artist mother by the sea, where she feels utterly at home, and has long felt apart from the other girls at school. Words and numbers on the page don't make sense to her, and strange maladies have been springing up that the doctors can't explain. Annie's mother says that all things can be turned into tales, and often she tells her daughter stories about the rocks she paints like faces, or the smoke that wafts from chimneys, or who Annie's dad is. But one day Annie asks her mother for a different tale, something with better truth in it—and on that same day a stranger in town, drawn to the sight of a girl who seems akin to the sea, helps Annie understand how special she is. Featuring Beatrice Alemagna's expressive illustrations, this enchanting coming-of-age tale by the award-winning David Almond borrows from lore and flirts at the edges of mystery.

a day at the beach story writing: A Day at the Beach Geoffrey Wolff, 2013-03-06 With these interwoven autobiographical essays, Geoffrey Wolff, author of the acclaimed *The Duke of Deception*, recounts the moral (and immoral) education of a writer, friend, husband, and father, as he offers his spirited, elegant, and deeply felt observations on an extraordinary life: from wildly dysfunctional childhood Christmases to a concupiscent career teaching literature in Istanbul; from a victory over the chaos of drink to a life-affirming surrender to the majesty of the Matterhorn; and from a foundering friendship to the transcending love of family. He shares with us, then, the wisdom of an alert man learning through the unsettling collisions of time, place, and local custom, and through the force of hardship and hazard, to bring his many disparate selves together -- with astonishing high-stakes candor and dazzling literary agility.

a day at the beach story writing: Writing Your Story's Theme K. M. Weiland, 2020-10-12
Theme Is What Your Story Is Really About Theme-the mysterious cousin of plot and character. Too

often viewed as abstract rather than actionable, theme is frequently misunderstood and left to chance. Some writers even insist theme should not be purposefully implemented. This is unfortunate, because in many ways theme is story. Theme is the heart, the meaning, the point. Nothing that important should be overlooked. Powerful themes are never incidental. They emerge from the conjunction of strong plots and resonant character arcs. This means you can learn to plan and implement theme. In doing so, you will deepen your ability to write not only stories that entertain, but also stories that stay with readers long after the end. Writing Your Story's Theme will teach you: How to create theme from plot and character. Why every supporting character and subplot should enhance the theme. How to prevent theme from seeming preachy or on the nose. What to consider in identifying the best theme for any given story. And much more! Conscious mastery of theme will elevate every story you write and allow you to craft fiction of depth and meaning. Take Control of Your Story Via a Powerful Implementation of Theme

a day at the beach story writing: *The Witch of Blackbird Pond* Elizabeth George Speare, 1958 Sixteen-year-old Kit Tyler is marked by suspicion and disapproval from the moment she arrives on the unfamiliar shores of colonial Connecticut in 1687. Alone and desperate, she has been forced to leave her beloved home on the island of Barbados and join a family she has never met. Torn between her quest for belonging and her desire to be true to herself, Kit struggles to survive in a hostile place. Just when it seems she must give up, she finds a kindred spirit. But Kit's friendship with Hannah Tupper, believed by the colonists to be a witch, proves more taboo than she could have imagined and ultimately forces Kit to choose between her heart and her duty. Elizabeth George Speare won the 1959 Newbery Medal for this portrayal of a heroine whom readers will admire for her unwavering sense of truth as well as her infinite capacity to love.

a day at the beach story writing: *The Beach Reads Book Club (The Kathryn Freeman Romcom Collection, Book 5)* Kathryn Freeman, 2021-06-30 Welcome to the Beach Reads Book Club. Where love is just a page away... 'I would run through fire to be part of this kind of bookclub, with books that make us smile and cry and laugh. Never have I seen my view of rom com and beach reads better expressed than in this wonderful book' Genevieve, reader review

a day at the beach story writing: *The Dragon with the Blazing Bottom* Beach, 2021-09-02 The first in a fabulously funny and hugely commercial series about a dragon who has lost his flame - but may just find fire elsewhere . . . Perfect for fans of The Dinosaur That Pooped series. Sir Wayne's dragon has lost his flame. Are his teeth TOO clean? Is his tongue TOO pink? Perhaps his diet is to blame. Not to worry - Sir Wayne has a meal plan of EPIC proportions, including a big lump of lava, one burning bush, some sparklers and fireworks - the ones that go 'WHOOOOSH'. Oh, and one VERY mouldy old piece of cheese - almost as green as the snot from a sneeze . . . What could possibly go wrong?! A hilarious and dynamic character-driven picture book, with a truly explosive

ending! From the hugely exciting new picture book talent, Beach.
