a deadly education characters: A Deadly Education Naomi Novik, 2020-09-29 NEW YORK TIMES BESTSELLER • From the author of *Uprooted* and *Spinning Silver* comes the first book of the Scholomance trilogy, the story of an unwilling dark sorceress who is destined to rewrite the rules of magic. FINALIST FOR THE LODESTAR AWARD • “The dark school of magic I’ve been waiting for.”—Katherine Arden, author of the *Winternight Trilogy* I decided that Orion Lake needed to die after the second time he saved my life. Everyone loves Orion Lake. Everyone else, that is. Far as I’m concerned, he can keep his flashy combat magic to himself. I’m not joining his pack of adoring fans. I don’t need help surviving the Scholomance, even if they do. Forget the hordes of monsters and cursed artifacts, I’m probably the most dangerous thing in the place. Just give me a chance and I’ll level mountains and kill untold millions, make myself the dark queen of the world. At least, that’s what the world expects. Most of the other students in here would be delighted if Orion killed me like one more evil thing that’s crawled out of the drains. Sometimes I think they want me to turn into the evil witch they assume I am. The school certainly does. But the Scholomance isn’t getting what it wants from me. And neither is Orion Lake. I may not be anyone’s idea of the shining hero, but I’m going to make it out of this place alive, and I’m not going to slaughter thousands to do it, either. Although I’m giving serious consideration to just one. With flawless mastery, Naomi Novik creates a school bursting with magic like you’ve never seen before, and a heroine for the ages—a character so sharply realized and so richly nuanced that she will live on in hearts and minds for generations to come. The magic of the Scholomance trilogy continues in *The Last Graduate* “The can’t-miss fantasy of fall 2020, a brutal coming-of-power story steeped in the aesthetics of dark academia. . . . *A Deadly Education* will cement Naomi Novik’s place as one of the greatest and most versatile fantasy writers of our time.”—BookPage (starred review) “A must-read . . . Novik puts a refreshingly dark, adult spin on the magical boarding school. . . . Readers will delight in the push-and-pull of El and Orion’s relationship, the fantastically detailed world, the clever magic system, and the matter-of-fact

diversity of the student body.”—Publishers Weekly (starred review)

a deadly education characters: The Last Graduate Naomi Novik, 2021-09-28 NEW YORK TIMES BESTSELLER • The specter of graduation looms large as Naomi Novik’s groundbreaking, New York Times bestselling trilogy continues in the stunning sequel to A Deadly Education. “The climactic graduation-day battle will bring cheers, tears, and gasps as the second of the Scholomance trilogy closes with a breathtaking cliff-hanger.”—Booklist (starred review) HUGO AWARD FINALIST • LOCUS AWARD FINALIST • ONE OF THE BEST BOOKS OF THE YEAR: Polygon, Thrillist, She Reads In Wisdom, Shelter. That’s the official motto of the Scholomance. I suppose you could even argue that it’s true—only the wisdom is hard to come by, so the shelter’s rather scant. Our beloved school does its best to devour all its students—but now that I’ve reached my senior year and have actually won myself a handful of allies, it’s suddenly developed a very particular craving for me. And even if I somehow make it through the endless waves of maleficaria that it keeps throwing at me in between grueling homework assignments, I haven’t any idea how my allies and I are going to make it through the graduation hall alive. Unless, of course, I finally accept my foretold destiny of dark sorcery and destruction. That would certainly let me sail straight out of here. The course of wisdom, surely. But I’m not giving in—not to the mals, not to fate, and especially not to the Scholomance. I’m going to get myself and my friends out of this hideous place for good—even if it’s the last thing I do. With keen insight and mordant humor, Novik reminds us that sometimes it is not enough to rewrite the rules—sometimes, you need to toss out the entire rulebook. The magic of the Scholomance trilogy continues in The Golden Enclaves

When HMS Reliant captures a French frigate and seizes its precious cargo, an unhatched dragon egg, fate sweeps Capt. Will Laurence from his seafaring life into an uncertain future—and an unexpected kinship with a most extraordinary creature. Thrust into the rarified world of the Aerial Corps as master of the dragon Temeraire, he will face a crash course in the daring tactics of airborne battle. For as France’s own dragon-borne forces rally to breach British soil in Bonaparte’s boldest gambit, Laurence and Temeraire must soar into their own baptism of fire. “Just when you think you’ve seen every variation possible on the dragon story, along comes Naomi Novik. . . . a deadly education characters: The Golden Enclaves Naomi Novik, 2022-09-27 #1 NATIONAL BESTSELLER • Saving the world is a test no school of magic can prepare you for in the triumphant conclusion to the New York Times bestselling trilogy that began with A Deadly Education and The Last Graduate. The one thing you never talk about while you’re in the Scholomance is what you’ll do when you get out. Not even the richest enclaver would tempt fate that way. But it’s all we dream about: the hideously slim chance we’ll survive to make it out the gates and improbably find ourselves with a life ahead of us, a life outside the Scholomance halls. And now the impossible dream has come true. I’m out, we’re all out—and I didn’t even have to turn into a monstrous dark witch to make it happen. So much for my great-grandmother’s prophecy of doom and destruction. I didn’t kill enclavers, I saved them. Me and Orion and our allies. Our graduation plan worked to perfection: We saved everyone and made the world safe for all wizards and brought peace and harmony to all the enclaves everywhere. Ha, only joking! Actually, it’s gone all wrong. Someone else has picked up the project of destroying enclaves in my stead, and probably everyone we saved is about to get killed in the brewing enclave war. And the first thing I’ve got to do now, having miraculously gotten out of the Scholomance, is turn straight around and find a way back in.

a deadly education characters: If You Liked School, You'll Love Work Irvine Welsh, 2007-09-17 Irvine Welsh, the author of Trainspotting, is up to his old tricks with his new work of transgressive short fiction. Irvine Welsh's first short-story collection since his debut work The Acid House presents five extraordinary stories, which remind us that he is a master of the short form, a brilliant storyteller, and—unarguably—one of today's funniest and most subversive writers. In Rattlesnakes three young Americans, lost in the desert, are accosted by two armed Mexicans. A Korean chef and a Chicago socialite find themselves connected through the disappearance of a pooch named Toto in The D.O.G.S. of Lincoln Park. Popsugar • Vox • Vulture • Paste • Bustle • Library Journal With the Nebula Award-winning *Uprooted*, Naomi Novik opened a brilliant new chapter in an already acclaimed career, delving into the magic of fairy tales to craft a love story that was both timeless and utterly of the now. Spinning Silver draws readers deeper into this glittering realm of fantasy, where the boundary between wonder and terror is thinner than a breath, and safety can be stolen as quickly as a kiss. Miryem is the daughter and granddaughter of moneylenders, but her father's inability to collect his debts has left his family on the edge of poverty—until Miryem takes matters into her own hands. Hardening her heart, the young woman sets out to claim what is owed and soon gains a reputation for being able to turn silver into gold. When an ill-advised boast draws the attention of the king of the Stryk—grim fey creatures who seem more ice than flesh—Miryem's fate, and that of two kingdoms, will be forever altered. She will face an impossible challenge and, along with two unlikely allies, uncover a secret that threatens to consume the lands of humans and Stryk alike. a deadly education characters: The Witness for the Dead Katherine Addison, 2021-06-22 At once intimate and literally operatic, it's everything I love about Katherine Addison's writing, in ways I didn't know to expect. I loved it. —John Scalzi Katherine Addison returns to the glittering world she created for her beloved novel, The Goblin Emperor, with book one of the Cemeteries of Amalo trilogy Locus Award Finalist and Mythopoeic Award Finalist! When the young half-goblin emperor Maia sought to learn who had set the bombs that killed his father and half-brothers, he turned to an obscure resident of his father's Court, a Prelate of Ullis and a Witness for the Dead. Thara Celehar found the truth, though it did him no good to discover it. He lost his place as a retainer of his cousin the former Empress, and made far too many enemies among the many factions vying for power in the new Court. The favor of the Emperor is a dangerous coin. Now Celehar lives in the city of Amalo, far from the Court though not exactly in exile. He has not escaped from politics, but his position gives him the ability to serve the common people of the city, which is his preference. He lives modestly, but his decency and fundamental honesty will not permit him to live quietly. As a Witness

for the Dead, he can, sometimes, speak to the recently dead: see the last thing they saw, know the last thought they had, experience the last thing they felt. It is his duty use that ability to resolve disputes, to ascertain the intent of the dead, to find the killers of the murdered. Celehar's skills now lead him out of the quiet and into a morass of treachery, murder, and injustice. No matter his own background with the imperial house, Celehar will stand with the commoners, and possibly find a light in the darkness. Katherine Addison has created a fantastic world for these books - wide and deep and true. a deadly education characters: *The Lincoln Highway* Amor Towles, 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope." —Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

Then from the ancient empire of Menekar the paladins of Ama came, putting every surviving sorcerer to the sword and cleansing their taint from the land for the radiant glory of their lord. The pulse of magic slowed, fading like the heartbeat of a dying man. But after a thousand years it has begun to quicken again. In a small fishing village a boy with strange powers comes of age . . . A young queen rises in the west, fanning the long-smoldering embers of magic into a blaze once more . . .
