Editor: Sarah Landis, Senior Editor at Riverhead Books. Ms. Landis has over 15 years of experience editing award-winning non-fiction, including several bestsellers in the travel and memoir genres. Her experience ensures a high standard of editorial quality for A Field Guide to Getting Lost.

Keyword: a field guide to getting lost summary

1. Introduction: Deconstructing the "Getting Lost" Experience

Rebecca Solnit's A Field Guide to Getting Lost is more than just a collection of essays; it's a philosophical exploration of wandering, both literally and metaphorically. A field guide to getting lost summary frequently highlights its central thesis: the act of getting lost—physically, mentally, or emotionally—is not only inevitable but also essential for self-discovery and a deeper understanding of the world. This analysis will examine how A Field Guide to Getting Lost resonates with current trends in travel writing, environmentalism, and feminist thought, demonstrating its continued impact years after

its publication. Analyzing a field guide to getting lost summary allows us to dissect Solnit's unique approach to travel writing and explore its far-reaching implications.

2. A Field Guide to Getting Lost Summary: Key Themes and Arguments

A field guide to getting lost summary must incorporate Solnit's multifaceted exploration of space and place. Solnit intertwines personal narratives with historical and geographical contexts. She uses the metaphor of getting lost to illuminate the complexities of navigation, both physical and metaphorical, arguing that straying from prescribed paths can lead to unexpected insights and a deeper connection with one's surroundings. Key themes explored in a field guide to getting lost summary include:

The Politics of Space and Place: Solnit examines how power structures shape our experience of space, particularly for women. She highlights the ways in which women are often constrained and restricted in their movement and access to public spaces. A field guide to getting lost summary frequently references examples of how women are socialized to fear getting lost, while men are often encouraged to embrace it.

The Power of Walking and Wandering: Walking, for Solnit, is not merely a means of transportation but a way of engaging with the world on a deeper level. A field guide to getting lost summary reveals how the act of wandering allows for serendipitous encounters and unexpected discoveries, both internal and external. This theme ties into current trends in slow travel and mindful exploration.

The Importance of Getting Lost (Metaphorically): Solnit extends her exploration of getting lost beyond the physical realm, using it as a metaphor for navigating the complexities of life, relationships, and creativity. A field guide to getting lost summary explores how embracing uncertainty and allowing oneself to wander intellectually and emotionally can lead to self-discovery and a more authentic life.

Environmental Consciousness: Throughout the book, a field guide to getting lost summary showcases a deep appreciation for the natural world. Solnit's writing implicitly, and sometimes explicitly, argues for environmental stewardship and a more mindful approach to human interaction with nature.

3. Impact on Current Trends: A Field Guide to Getting Lost and the Modern Traveler

A field guide to getting lost summary's impact is undeniable. Solnit's work anticipates and contributes to several contemporary trends:

The Rise of Slow Travel: The emphasis on mindful wandering and deliberate exploration resonates strongly with the slow travel movement, which prioritizes immersive experiences over rushed itineraries. A field guide to getting lost summary provided a philosophical underpinning for this movement, emphasizing the value of getting lost and embracing serendipity.

The Growing Interest in Nature and Environmentalism: Solnit's appreciation for the natural world and her subtle critique of human impact align with the rising concerns about environmental sustainability. A field guide to getting lost summary reinforces the importance of connecting with nature and understanding our place within the larger ecosystem.

Feminist Perspectives on Space and Place: Solnit's analysis of how gender affects experiences of space resonates deeply with contemporary feminist thought. Her exploration of women's restricted movement in public spaces and the societal expectations placed upon them has influenced subsequent discussions about spatial justice and gender equality. A field guide to getting lost summary has become a canonical text within feminist studies and geographical studies.

The Importance of Mental and Emotional Well-being: Solnit's emphasis on the importance of getting lost as a catalyst for self-discovery aligns with contemporary concerns about mental health and well-being. Embracing uncertainty and allowing for periods of wandering and reflection are presented as essential components of a fulfilling and meaningful life. A field guide to getting lost summary subtly encourages readers to prioritize self-reflection and emotional intelligence.

4. Criticisms and Limitations of A Field Guide to Getting Lost

While influential, *A Field Guide to Getting Lost* isn't without its critiques. Some critics argue that Solnit's focus on personal experience can sometimes overshadow the broader social and political contexts. Others suggest that a field guide to getting lost summary, while celebrating getting lost, may unintentionally romanticize a phenomenon that can be dangerous or even traumatic for certain individuals, particularly vulnerable populations. However, these criticisms do not diminish the overall impact and significance of her work.

5. Conclusion: The Enduring Relevance of *A Field Guide to Getting Lost*

A field guide to getting lost summary consistently highlights Solnit's ability to connect personal narratives with broader societal and environmental concerns. Her work has profoundly impacted contemporary trends in travel writing, environmentalism, and feminist thought, contributing to a more nuanced and critical understanding of space, place, and the act of getting lost. The enduring appeal of *A Field Guide to Getting Lost* lies in its ability to inspire readers to embrace uncertainty, celebrate serendipity, and find meaning in the unexpected detours of life. It's a call to wander, both physically and metaphorically, and to discover the richness that lies beyond the well-trodden path. A field guide to getting lost summary remains a vital and insightful work, urging us to engage with the world in a more mindful and intentional way.

FAQs

1. What is the central theme of *A Field Guide to Getting Lost*? The central theme revolves around the transformative power of getting lost—both literally and metaphorically—and its importance for self-discovery and a deeper understanding of the world.

1. How does Solnit use the metaphor of "getting lost"? Solnit uses "getting lost" as a metaphor for embracing uncertainty, navigating complex situations, and finding unexpected opportunities for

growth and self-discovery.

1. What is the significance of walking in the book? Walking serves as a primary mode of exploration and a means of connecting with the environment and oneself on a deeper level.
1. How does the book relate to feminist perspectives? Solnit critiques the societal constraints placed upon women's movement and freedom of space, providing a feminist perspective on spatial politics.
1. What is the book's connection to environmentalism? The book implicitly and explicitly celebrates the natural world, encouraging a mindful and responsible approach to our interaction with the environment.
1. Who is the intended audience for *A Field Guide to Getting Lost*? The book appeals to a wide range of readers interested in travel writing, memoir, personal essays, feminist thought, and environmentalism.
1. What makes *A Field Guide to Getting Lost* unique in the genre of travel writing? Its blend of personal narrative, philosophical reflection, and social commentary sets it apart, moving beyond typical travelogue structures.

1. How has *A Field Guide to Getting Lost* influenced contemporary travel? It has influenced the slow travel movement and a broader appreciation for mindful and immersive travel experiences.

1. What are some of the criticisms levelled against the book? Some critics argue that the book may romanticize getting lost and that its focus on personal experience sometimes overshadows broader social and political contexts.

a field guide to getting lost summary: *A Field Guide to Getting Lost* Rebecca Solnit,

2006-06-27 “An intriguing amalgam of personal memoir, philosophical speculation, natural lore, cultural history, and art criticism.” —Los Angeles Times From the award-winning author of *Orwell's Roses*, a stimulating exploration of wandering, being lost, and the uses of the unknown Written as a series of autobiographical essays, *A Field Guide to Getting Lost* draws on emblematic moments and relationships in Rebecca Solnit's life to explore issues of uncertainty, trust, loss, memory, desire, and place. Solnit is interested in the stories we use to navigate our way through the world, and the places we traverse, from wilderness to cities, in finding ourselves, or losing ourselves. While deeply personal, her own stories link up to larger stories, from captivity narratives of early Americans to the use of the color blue in Renaissance painting, not to mention encounters with tortoises, monks, punk rockers, mountains, deserts, and the movie *Vertigo*. The result is a distinctive, stimulating voyage of discovery.

a field guide to getting lost summary: *Wanderlust* Rebecca Solnit, 2001-06-01 A passionate, thought-provoking exploration of walking as a political and cultural activity, from the author of *Orwell's Roses* Drawing together many histories--of anatomical evolution and city design, of treadmills and labyrinths, of walking clubs and sexual mores--Rebecca Solnit creates a fascinating portrait of the range of possibilities presented by walking. Arguing that the history of walking includes walking for pleasure as well as for political, aesthetic, and social meaning, Solnit focuses on the walkers whose everyday and extreme acts have shaped our culture, from philosophers to poets to mountaineers. She profiles some of the most significant walkers in history and fiction--from Wordsworth to Gary Snyder, from Jane Austen's Elizabeth Bennet to Andre Breton's Nadja--finding a profound relationship between walking and thinking and walking and culture. Solnit argues for the necessity of preserving the time and space in which to walk in our ever more car-dependent and accelerated world.

a field guide to getting lost summary: *The Faraway Nearby* Rebecca Solnit, 2013-06-13 A New York Times Notable Book Finalist for the National Book Critics Circle Award A personal, lyrical narrative about storytelling and empathy, from the author of *Orwell's Roses* *Apricots*. Her mother's disintegrating memory. An invitation to Iceland. Illness. These are Rebecca Solnit's raw materials, but *The Faraway Nearby* goes beyond her own life, as she spirals out into the stories she heard and read—from fairy tales to Mary Shelley's *Frankenstein*—that helped her navigate her difficult passage. Solnit takes us into the lives of others—an arctic cannibal, the young Che Guevara among the leprosy afflicted, a blues musician, an Icelandic artist and her labyrinth—to understand warmth and coldness, kindness and imagination, decay and transformation, making art and making self. This captivating, exquisitely written exploration of the forces that connect us and the way we tell our stories is a tour de force of association, a marvelous Russian doll of a book that is a fitting companion to Solnit's much-loved *A Field Guide to Getting Lost*.

a field guide to getting lost summary: *Men Explain Things to Me* Rebecca Solnit, 2014-04-14 The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect “antidote to mansplaining” (*The Stranger*). In her comic, scathing essay “Men Explain Things to Me,” Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing

some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the silencing of women who have something to say, including those saying things like, “He’s trying to kill me!” This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf’s embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. “In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized.” —The New York Times “Essential feminist reading.” —The New Republic “This slim book hums with power and wit.” —Boston Globe “Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society.” —San Francisco Chronicle “Essential.” —Marketplace “Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions.” —Salon

a field guide to getting lost summary: *River of Shadows* Rebecca Solnit, 2004-03-02 A New York Times Notable Book Winner of the National Book Critics Circle Award for Criticism, The Mark Lynton History Prize, and the Sally Hacker Prize for the History of Technology “A panoramic vision of cultural change” —The New York Times Through the story of the pioneering photographer Eadweard Muybridge, the author of *Orwell’s Roses* explores what it was about California in the late 19th-century that enabled it to become such a center of technological and cultural innovation The world as we know it today began in California in the late 1800s, and Eadweard Muybridge had a lot to do with it. This striking assertion is at the heart of Rebecca Solnit’s new book, which weaves together biography, history, and fascinating insights into art and technology to create a boldly original portrait of America on the threshold of modernity. The story of Muybridge—who in 1872 succeeded in capturing high-speed motion photographically—becomes a lens for a larger story about the acceleration and industrialization of everyday life. Solnit shows how the peculiar freedoms and opportunities of post-Civil War California led directly to the two industries—Hollywood and Silicon Valley—that have most powerfully defined contemporary society.

a field guide to getting lost summary: *The Blue Guide to Indiana* Michael Martone, 2001-08 Let Martone guide you through every inch of the amazing state that is home to the Hoosier Infidelity Resort Area, the site of Wendell Willkie’s Ascension into Heaven, and the Annual Eyeless Fish Fry. All your questions will be answered, including many you never thought to ask (like: What’s a good recipe for Pork Cake?).--BOOK JACKET.

a field guide to getting lost summary: *A Field Guide to Lies* Daniel J. Levitin, 2016-09-06 From The New York Times bestselling author of *THE ORGANIZED MIND* and *THIS IS YOUR BRAIN ON MUSIC*, a primer to the critical thinking that is more necessary now than ever. We are bombarded with more information each day than our brains can process—especially in election season. It’s raining bad data, half-truths, and even outright lies. New York Times bestselling author Daniel J. Levitin shows how to recognize misleading announcements, statistics, graphs, and written reports revealing the ways lying weasels can use them. It’s becoming harder to separate the wheat from the digital chaff. How do we distinguish misinformation, pseudo-facts, distortions, and outright lies from reliable information? Levitin groups his field guide into two categories—statistical information and faulty arguments—ultimately showing how science is the bedrock of critical thinking. Infoteracy means understanding that there are hierarchies of source quality and bias that variously distort our information feeds via every media channel, including social media. We may expect newspapers, bloggers, the government, and Wikipedia to be factually and logically correct, but they so often aren’t. We need to think critically about the words and numbers we encounter if we want to be successful at work, at play, and in making the most of our lives. This means checking the plausibility and reasoning—not passively accepting information, repeating it, and making decisions based on it. Readers learn to avoid the extremes of passive gullibility and cynical rejection. Levitin’s charming, entertaining, accessible guide can help anyone wake up to a whole lot of things that aren’t so. And catch some lying weasels in their tracks!

a field guide to getting lost summary: *A Paradise Built in Hell* Rebecca Solnit, 2010-08-31

The author of *Men Explain Things to Me* explores the moments of altruism and generosity that arise in the aftermath of disaster. Why is it that in the aftermath of a disaster? whether manmade or natural? people suddenly become altruistic, resourceful, and brave? What makes the newfound communities and purpose many find in the ruins and crises after disaster so joyous? And what does this joy reveal about ordinarily unmet social desires and possibilities? In *A Paradise Built in Hell*, award-winning author Rebecca Solnit explores these phenomena, looking at major calamities from the 1906 earthquake in San Francisco through the 1917 explosion that tore up Halifax, Nova Scotia, the 1985 Mexico City earthquake, 9/11, and Hurricane Katrina in New Orleans. She examines how disaster throws people into a temporary utopia of changed states of mind and social possibilities, as well as looking at the cost of the widespread myths and rarer real cases of social deterioration during crisis. This is a timely and important book from an acclaimed author whose work consistently locates unseen patterns and meanings in broad cultural histories.

a field guide to getting lost summary: *Hope in the Dark* Rebecca Solnit, 2016-05-14 “[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes” (Vice). A book as powerful and influential as Rebecca Solnit’s *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian “No writer has better understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times–bestselling author of *Falter* “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker

a field guide to getting lost summary: *Across the Pond* Joy McCullough, 2021-03-16 From the author of *A Field Guide to Getting Lost* comes a heartwarming, “emotionally perceptive” (Kirkus Reviews) story about new beginnings, burgeoning friendships, and finding your flock. Callie can’t wait for her new life to start. After a major friendship breakup in San Diego, moving overseas to Scotland gives her the perfect chance to reinvent herself. On top of that, she’s going to live in a real-life castle! But as romantic as life in a castle sounds, the reality is a little less comfortable: it’s run-down, freezing, and crawling with critters. Plus, starting off on the wrong foot with the gardener’s granddaughter doesn’t help her nerves about making new friends. So she comes up with the perfect solution: she’ll be homeschooled. Her parents agree, on one condition: she has to participate in a social activity. Inspired by a journal that she finds hidden in her bedroom, Callie decides to join a birding club. Sure, it sounds unusual, but at least it’s not sports or performing. But when she clashes with the club leader, she risks losing a set of friends all over again. Will she ever be able to find her flock and make this strange new place feel like home?

a field guide to getting lost summary: *Solitude* Anthony Storr, 2005-10-03 Solitude was seminal in challenging the established belief that interpersonal relationships of an intimate kind are the chief, if not the only, source of human happiness. Indeed, most self-help literature still places relationships at the center of human existence. Lucid and lyrical, Storr’s book cites numerous examples of brilliant scholars and artists -- from Beethoven and Kant to Anne Sexton and Beatrix Potter -- to demonstrate that solitude ranks alongside relationships in its impact on an individual’s well-being and productivity, as well as on society’s progress and health. But solitary activity is

essential not only for geniuses, says Storr ; the average person, too, is enriched by spending time alone.--Back cover.

a field guide to getting lost summary: A Book of Migrations Rebecca Solnit, 2011-09-05 In this acclaimed exploration of the culture of others, Rebecca Solnit travels through Ireland, the land of her long-forgotten maternal ancestors. A Book of Migrations portrays in microcosm a history made of great human tides of invasion, colonization, emigration, nomadism and tourism. Enriched by cross-cultural comparisons with the history of the American West, A Book of Migrations carves a new route through Ireland's history, literature and landscape.

a field guide to getting lost summary: Infinite City Rebecca Solnit, 2010-11-29 What makes a place? Rebecca Solnit reinvents the traditional atlas, searching for layers of meaning & connections of experience across San Francisco.

a field guide to getting lost summary: Recollections of My Nonexistence Rebecca Solnit, 2020 An electric portrait of the artist as a young woman that asks how a writer finds her voice in a society that prefers women to be silent In *Recollections of My Nonexistence*, Rebecca Solnit describes her formation as a writer and as a feminist in 1980s San Francisco, in an atmosphere of gender violence on the street and throughout society and the exclusion of women from cultural arenas. She tells of being poor, hopeful, and adrift in the city that became her great teacher; of the small apartment that, when she was nineteen, became the home in which she transformed herself; of how punk rock gave form and voice to her own fury and explosive energy. Solnit recounts how she came to recognize the epidemic of violence against women around her, the street harassment that unsettled her, the trauma that changed her, and the authority figures who routinely disdained and disbelieved girls and women, including her. Looking back, she sees all these as consequences of the voicelessness that was and still is the ordinary condition of women, and how she contended with that while becoming a writer and a public voice for women's rights. She explores the forces that liberated her as a person and as a writer--books themselves, the gay men around her who offered other visions of what gender, family, and joy could be, and her eventual arrival in the spacious landscapes and overlooked conflicts of the American West. These influences taught her how to write in the way she has ever since, and gave her a voice that has resonated with and empowered many others.

a field guide to getting lost summary: The Lost Girls of Paris Pam Jenoff, 2019-01-29 The New York Times bestseller—for fans of *All the Light We Cannot See* and *The Tattooist of Auschwitz*! Three women. One daring mission. 1946. One morning while passing through Grand Central Terminal, Grace Healey finds an abandoned suitcase tucked beneath a bench. Inside is a dozen photographs—each of a different woman. Grace soon learns that the suitcase belonged to Eleanor Trigg, leader of a network of female secret agents deployed out of London during the war. Twelve of these women were sent to Occupied Europe as couriers and radio operators to aid the resistance, but they never returned home. Setting out to learn the truth behind the women in the photographs, Grace finds herself drawn to a young mother turned agent named Marie, whose mission overseas reveals a remarkable story of friendship, valor and betrayal. In this riveting story inspired by true events, Pam Jenoff weaves a tale of courage, sisterhood and the great strength of women to survive in the hardest of circumstances. Don't miss Pam Jenoff's new novel, *Code Name Sapphire*, a riveting tale of bravery and resistance during World War II. Read these other sweeping epics from New York Times bestselling author Pam Jenoff: *The Woman with the Blue Star* *The Orphan's Tale* *The Ambassador's Daughter* *The Diplomat's Wife* *The Kommandant's Girl* *The Last Summer at Chelsea Beach* *The Winter Guest*

a field guide to getting lost summary: Whose Story Is This? Rebecca Solnit, 2019-09-03 Feminist essays for the #MeToo era from “the voice of the resistance,” the international bestselling author of *Men Explain Things to Me* (The New York Times Magazine). Who gets to shape the narrative of our times? The current moment is a battle royale over that foundational power, one in which women, people of color, non-straight people are telling other versions, and white people and

men and particularly white men are trying to hang onto the old versions and their own centrality. In *Whose Story Is This?* Rebecca Solnit appraises what's emerging and why it matters and what the obstacles are. Praise for Rebecca Solnit and her essays "Rebecca Solnit is essential feminist reading." —The New Republic "In these times of political turbulence and an increasingly rabid and scrofulous commentariat, the sanity, wisdom and clarity of Rebecca Solnit's writing is a forceful corrective. *Whose Story Is This?* is a scorchingly intelligent collection about the struggle to control narratives in the internet age." —The Guardian "Solnit's passionate, shrewd, and hopeful critiques are a road map for positive change." —Kirkus Reviews "Solnit's exquisite essays move between the political and the personal, the intellectual and the earthy." —Elle "Rebecca Solnit reasserts herself here as one of the most astute cultural critics in progressive discourse." —Publishers Weekly "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, founder of 350.org

a field guide to getting lost summary: *The Field Guide to the North American Teenager* Ben Philippe, 2019-01-08 William C. Morris YA Debut Award Winner! A hilarious YA contemporary realistic novel about a witty Black French Canadian teen who moves to Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school experience—including falling in love. Perfect for fans of Nicola Yoon, *When Dimple Met Rishi*, and John Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs. Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader, who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart.

a field guide to getting lost summary: *Taduno's Song* Odafe Atogun, 2017-03-07 A stunning debut from a new voice in Nigerian literature: a mesmerizing, Kafkaesque narrative, informed by the life of musical superstar Fela Kuti. The day a stained brown envelope arrives from Lagos, the exiled musician Taduno knows that the time has come to return home. Arriving back in Nigeria full of hope, he soon discovers that his people no longer recognize or remember him or his music, and that his girlfriend, Lela, has disappeared, abducted by government agents. As Taduno unravels the mystery of his lost life and searches for his lost love, he must face a difficult decision: to fight for Lela or for his people. A stunning work of fiction, *Taduno's Song* is a heartfelt, deeply affecting tale of love, sacrifice, and courage.

a field guide to getting lost summary: *Lost in the Pacific, 1942: Not a Drop to Drink (Lost #1)* Tod Olson, 2016-10-25 LOST IN THE PACIFIC is the first book in a new narrative nonfiction series that tells the true story of a band of World War II soldiers who became stranded at sea and had to fight for survival. World War II, October 21, 1942. A B-17 bomber drones high over the Pacific Ocean, sending a desperate SOS into the air. The crew is carrying America's greatest living war hero on a secret mission deep into the battle zone. But the plane is lost, burning through its final gallons of fuel. At 1:30 p.m., there is only one choice left: an emergency landing at sea. If the crew survives the impact, they will be left stranded without food or water hundreds of miles from civilization. Eight men. Three inflatable rafts. Sixty-eight million square miles of ocean. What will it take to make it back alive?

a field guide to getting lost summary: *Lost and Founder* Rand Fishkin, 2024-05-14 Rand Fishkin, the founder and former CEO of Moz, reveals how traditional Silicon Valley wisdom leads far

too many startups astray, with the transparency and humor that his hundreds of thousands of blog readers have come to love. Everyone knows how a startup story is supposed to go: A young, brilliant entrepreneur has a cool idea, drops out of college, defies the doubters, overcomes all odds, makes billions, and becomes the envy of the technology world. This is not that story. It's not that things went badly for Rand Fishkin; they just weren't quite so Zuckerberg-esque. His company, Moz, maker of marketing software, is now a \$45 million/year business, and he's one of the world's leading experts on SEO. But his business and reputation took fifteen years to grow, and his startup began not in a Harvard dorm room but as a mother-and-son family business that fell deeply into debt. Now Fishkin pulls back the curtain on tech startup mythology, exposing the ups and downs of startup life that most CEOs would rather keep secret. For instance: A minimally viable product can be destructive if you launch at the wrong moment. Growth hacking may be the buzzword du jour, but initiatives can fizzle quickly. Revenue and growth won't protect you from layoffs. And venture capital always comes with strings attached. Fishkin's hard-won lessons are applicable to any kind of business environment. Up or down the chain of command, at both early stage startups and mature companies, whether your trajectory is riding high or down in the dumps: this book can help solve your problems, and make you feel less alone for having them.

a field guide to getting lost summary: Come As You Are Jennifer Haupt, 2022-03-01 Can we alter our dreams and stories from the past to create a better future for our children? Zane and Skye are two misfit teens drawn together by their love of music and their loneliness, both part of Seattle's grunge scene in the early '90s. They dream of moving to LA together, Zane's music career following the trajectory of Kurt Cobain and Eddie Vedder, and Skye drawing Picasso-esque portraits on the Venice Beach boardwalk. When a tragedy violently catapults them from best friends to lovers, their bond is forever strengthened and their relationship destroyed. Ten years later, they must come together as parents, putting aside abandoned dreams and broken promises. The question is, can they face the truth of who they are and become the parents their daughter needs them to be?

a field guide to getting lost summary: Into the Wild Jon Krakauer, 2009-09-22 NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. It may be nonfiction, but *Into the Wild* is a mystery of the highest order. —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

a field guide to getting lost summary: Strange Birds Celia C. Pérez, 2019-09-03 From the

award-winning author of *The First Rule of Punk* comes the story of four kids who form an alternative Scout troop that shakes up their sleepy Florida town. * Writing with wry restraint that's reminiscent of Kate DiCamillo... a beautiful tale. —Kirkus Reviews, starred review When three very different girls find a mysterious invitation to a lavish mansion, the promise of adventure and mischief is too intriguing to pass up. Ofelia Castillo (a budding journalist), Aster Douglas (a bookish foodie), and Cat Garcia (a rule-abiding birdwatcher) meet the kid behind the invite, Lane DiSanti, and it isn't love at first sight. But they soon bond over a shared mission to get the Floras, their local Scouts, to ditch an outdated tradition. In their quest for justice, independence, and an unforgettable summer, the girls form their own troop and find something they didn't know they needed: sisterhood.

a field guide to getting lost summary: *The Honeybee Emeralds* Amy Tector, 2022-03-29 A 2023 Next Generation Indie Book Award Finalist for Best First Novel “Debut novelist Tector captures European life and her characters beautifully as she interweaves the perspectives of four women seeking fulfillment and success in this satisfying adventure. Keep an eye on this author.” —Booklist Alice Ahmadi has never been certain of where she belongs. When she discovers a famed emerald necklace while interning at a struggling Parisian magazine, she is plunged into a glittering world of diamonds and emeralds, courtesans and spies, and the long-buried secrets surrounding the necklace and its glamorous former owners. When Alice realizes the mysterious Honeybee Emeralds could be her chance to save the magazine, she recruits her friends Lily and Daphne to form the “Fellowship of the Necklace.” Together, they set out to uncover the romantic history of the gems. Through diaries, letters, and investigations through the winding streets and iconic historic landmarks of Paris, the trio begins to unravel more than just the secrets of the necklace’s obsolete past. Along the way, Lily and Daphne’s relationships are challenged, tempered, and changed. Lily faces her long-standing attraction to a friend, who has achieved the writing success that eluded her. Daphne confronts her failing relationship with her husband, while also facing simmering problems in her friendship with Lily. And, at last, Alice finds her place in the world—although one mystery still remains: how did the Honeybee Emeralds go from the neck of American singer Josephine Baker during the Roaring Twenties to the basement of a Parisian magazine?

a field guide to getting lost summary: *A Woman's Guide to the Wild* Ruby McConnell, 2016-03-15 The book every outdoor-loving woman should have on her shelf. —Misadventures Magazine Hike, camp, backpack, and navigate the wilderness like a pro with this personable guide to outdoor adventure. This fun, practical handbook covers everything from “feminine functions” (like dealing with your period and peeing in the woods) to staying safe (like protecting yourself from strangers). You'll also find chapters that help you prepare for—and make the most of—your time in the wilderness with information and advice on: • Gear lists • Personal Care • Camp setup • Fire building • Weather • Navigation • Food & Water Fun and informative, *A Woman's Guide to the Wild* will inspire you to get out on your own or with your girlfriends, explore the wilderness, and get a little dirty.

a field guide to getting lost summary: *More than Cool Reason* George Lakoff, Marl Turner, 2009-07-27 The authors restore metaphor to our lives by showing us that it's never gone away. We've merely been taught to talk as if it had: as though weather maps were more 'real' than the breath of autumn; as though, for that matter, Reason was really 'cool.' What we're saying whenever we say is a theme this book illumines for anyone attentive. — Hugh Kenner, Johns Hopkins University In this bold and powerful book, Lakoff and Turner continue their use of metaphor to show how our minds get hold of the world. They have achieved nothing less than a postmodern Understanding Poetry, a new way of reading and teaching that makes poetry again important. — Norman Holland, University of Florida

a field guide to getting lost summary: *Lost Boy* Christina Henry, 2017-07-04 From the national bestselling author of *Alice* comes a familiar story with a dark hook—a tale about Peter Pan and the friend who became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is... There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter Pan’s first—and favorite—lost boy to his greatest

enemy. Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite. Peter promised we would all be young and happy forever. Peter lies.

a field guide to getting lost summary: *The Field Guide to Human Error Investigations*

Sidney Dekker, 2017-11-01 This title was first published in 2002: This field guide assesses two views of human error - the old view, in which human error becomes the cause of an incident or accident, or the new view, in which human error is merely a symptom of deeper trouble within the system. The two parts of this guide concentrate on each view, leading towards an appreciation of the new view, in which human error is the starting point of an investigation, rather than its conclusion. The second part of this guide focuses on the circumstances which unfold around people, which causes their assessments and actions to change accordingly. It shows how to reverse engineer human error, which, like any other component, needs to be put back together in a mishap investigation.

a field guide to getting lost summary: *Keeper of the Lost Cities* Shannon Messenger,

2012-10-02 A New York Times bestselling series A USA TODAY bestselling series A California Young Reader Medal-winning series In this riveting series opener, a telepathic girl must figure out why she is the key to her brand-new world before the wrong person finds the answer first. Twelve-year-old Sophie has never quite fit into her life. She's skipped multiple grades and doesn't really connect with the older kids at school, but she's not comfortable with her family, either. The reason? Sophie's a Telepath, someone who can read minds. No one knows her secret—at least, that's what she thinks... But the day Sophie meets Fitz, a mysterious (and adorable) boy, she learns she's not alone. He's a Telepath too, and it turns out the reason she has never felt at home is that, well...she isn't. Fitz opens Sophie's eyes to a shocking truth, and she is forced to leave behind her family for a new life in a place that is vastly different from what she has ever known. But Sophie still has secrets, and they're buried deep in her memory for good reason: The answers are dangerous and in high-demand. What is her true identity, and why was she hidden among humans? The truth could mean life or death—and time is running out.

a field guide to getting lost summary: *Home of the Brave* Katherine Applegate, 2014-12-23

Bestselling author Katherine Applegate presents *Home of the Brave*, a beautifully wrought middle grade novel about an immigrant's journey from hardship to hope. Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means family in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. *Home of the Brave* is a 2008 Bank Street - Best Children's Book of the Year.

a field guide to getting lost summary: *Let Your Life Speak* Parker J. Palmer, 2015-06-22

PLEASE NOTE: Some recent copies of *Let Your Life Speak* included printing errors. These issues have been corrected, but if you purchased a defective copy between September and December 2019, please send proof of purchase to josseybasseducation@wiley.com to receive a replacement copy. Dear Friends: I'm sorry that after 20 years of happy traveling, *Let Your Life Speak* hit a big pothole involving printing errors that resulted in an unreadable book. But I'm very grateful to my publisher for moving quickly to see that people who received a defective copy have a way to receive a good copy without going through the return process. We're all doing everything we can to make things right, and I'm grateful for your patience. Thank you, Parker J. Palmer With wisdom, compassion, and gentle humor, Parker J. Palmer invites us to listen to the inner teacher and follow its leadings toward a sense of meaning and purpose. Telling stories from his own life and the lives of others who have

made a difference, he shares insights gained from darkness and depression as well as fulfillment and joy, illuminating a pathway toward vocation for all who seek the true calling of their lives.

a field guide to getting lost summary: Lost in a Good Book Jasper Fforde, 2004-02-24 NEW YORK TIMES BESTSELLER • From the author of *The Constant Rabbit* comes “Harry Potter just for adults . . . [an] immensely enjoyable, almost compulsive experience” (The New York Times Book Review)—the second novel in the renowned Thursday Next series. “[*Lost in a Good Book*] is satire, fantasy, literary criticism, thriller, whodunit, game, puzzle, joke, postmodern prank, and tilt-a-whirl.”—The Washington Post If resourceful, fearless literary detective Thursday Next thought she could avoid the spotlight after her heroic escapades in the pages of *Jane Eyre*, she was sorely mistaken. Her adventures as a renowned Special Operative in literary detection have left Thursday Next yearning for a rest. But when the love of her life is eradicated by the corrupt multinational Goliath Corporation, Thursday must bite the bullet and moonlight as a Prose Resource Operative in the secret world of Jurisfiction, the police force inside the books. There she is apprenticed to Miss Havisham, the famous man-hater from Dickens’s *Great Expectations*, who teaches her to book-jump like a pro. If Thursday retrieves a supposedly vanquished enemy from the pages of Poe’s “The Raven,” she thinks Goliath might return her lost love, Landen. But her latest mission is endlessly complicated. Not only are there side trips into the works of Kafka and Austen, and even Beatrix Potter’s *The Tale of Flossy Bunnies*, Thursday finds herself the target of a series of potentially lethal coincidences, the authenticator of a newly discovered play by the Bard himself, and the only one who can prevent an unidentifiable pink sludge from engulfing all life on Earth. Don’t miss any of Jasper Fforde’s delightfully entertaining Thursday Next novels: *THE EYRE AFFAIR* • *LOST IN A GOOD BOOK* • *THE WELL OF LOST PLOTS* • *SOMETHING ROTTEN* • *FIRST AMONG SEQUELS* • *ONE OF OUR THURSDAYS IS MISSING* • *THE WOMAN WHO DIED A LOT*

a field guide to getting lost summary: *The Lost Continent* Bill Bryson, 1989 I come from Des Moines. Somebody had to. And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma, and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country.

a field guide to getting lost summary: *Peterson Field Guide To Moths Of Northeastern North America* David Beadle, Seabrooke Leckie, 2012-04-17 There are thousands of moth species in the northeast of North America, and while it might seem that they are all drab grays and browns, there is actually a startling variety. They come in a rainbow of colors, from brilliant oranges and pinks to soft greens and violets. There are moths with colorful leopard-like spots, and ones that look more like B-movie aliens; some that are as large as your hand, and others the size of a grain of rice. With helpful tips on how to attract and identify moths, range maps and season graphs showing when and where to find each species, and clear photographs that use the unique Peterson arrow system for easy identification, this guide provides everything an amateur or experienced moth-watcher needs. Sponsored by the National Wildlife Federation and the Roger Tory Peterson Institute.

a field guide to getting lost summary: *Behave* Robert M. Sapolsky, 2018-05-01 New York Times bestseller • Winner of the Los Angeles Times Book Prize • One of the Washington Post's 10 Best Books of the Year “It’s no exaggeration to say that *Behave* is one of the best nonfiction books I’ve ever read.” —David P. Barash, The Wall Street Journal It has my vote for science book of the year.” —Parul Sehgal, The New York Times Immensely readable, often hilarious...Hands-down one of the best books I’ve read in years. I loved it. —Dina Temple-Raston, The Washington Post From the bestselling author of *A Primate’s Memoir* and the forthcoming *Determined: A Science of Life Without Free Will* comes a landmark, genre-defining examination of human behavior and an answer to the

question: Why do we do the things we do? Behave is one of the most dazzling tours d'hORIZON of the science of human behavior ever attempted. Moving across a range of disciplines, Sapolsky—a neuroscientist and primatologist—uncovers the hidden story of our actions. Undertaking some of our thorniest questions relating to tribalism and xenophobia, hierarchy and competition, and war and peace, Behave is a towering achievement—a majestic synthesis of cutting-edge research and a heroic exploration of why we ultimately do the things we do . . . for good and for ill.

a field guide to getting lost summary: The Giver Lois Lowry, 2014 The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

a field guide to getting lost summary: Mastering Creative Anxiety Eric Maisel, 2011 In his decades as a psychotherapist and creativity coach, Eric Maisel has found a common thread behind what often gets labeled writer's block, procrastination, or stage fright. It's the particular anxiety that, paradoxically, keeps creators from doing, completing, or sharing the work they are driven toward. This creative anxiety can take the form of avoiding the work, declaring it not good enough, or failing to market it -- and it can cripple creators for decades, even lifetimes. But Maisel has learned what sets successful creators apart. He shares these strategies here, including artist-specific stress management; how to work despite bruised egos, day jobs, and other inevitable frustrations; and what not to do to deal with anxiety. Implementing these 24 lessons replaces the pain of not creating with the profound rewards of free artistic self-expression. * Practical insights and proven techniques for overcoming the challenges and fears that plague creators of every kind * Teaching tales that convey effective approaches to creating fearlessly and abundantly

a field guide to getting lost summary: As Eve Said to the Serpent Rebecca Solnit, 2001 A multidisciplinary compilation of nineteen incisive essays ranges from the formality of traditional art criticism to intimate, lyrical meditations as they explore nuclear test sites, the meaning of national borders and geographical features, and the idea of the feminine and the sublime.
