SOON TO BE A SERIES FROM APPLE TV! A New York Times Bestseller The revered New York Times bestselling author returns with a novel set in 1960s Baltimore that combines modern psychological insights with elements of classic noir, about a middle-aged housewife turned aspiring reporter who pursues the murder of a forgotten young woman. In 1966, Baltimore is a city of secrets that everyone seems to know—everyone, that is, except Madeline “Maddie” Schwartz. Last year, she was a happy, even pampered housewife. This year, she’s bolted from her marriage of almost twenty years, determined to make good on her youthful ambitions to live a passionate, meaningful life. Maddie wants to matter, to leave her mark on a swiftly changing world. Drawing on her own secrets, she helps Baltimore police find a murdered girl—assistance that leads to a job at the city’s afternoon newspaper, the Star. Working at the newspaper offers Maddie the opportunity to make her name, and she has found just the story to do it: Cleo Sherwood, a missing woman whose body was discovered in the fountain of a city park lake. If Cleo were white, every reporter in Baltimore would be clamoring to tell her story. Instead, her mysterious death receives only cursory mention in the daily newspapers, and no one cares when Maddie starts poking around in a young Black woman’s life—except for Cleo’s ghost, who is determined to keep her secrets and her dignity. Cleo scolds the ambitious Maddie: You’re interested in my death, not my life. They’re not the same thing. Maddie’s investigation brings her into contact with people that used to be on the periphery of her life—a jewelry store clerk, a waitress, a rising star on the Baltimore Orioles, a patrol cop, a hardened female reporter, a lonely man in a movie theater. But for all her ambition and drive, Maddie often fails to see the people right in front of her. Her inability to look beyond her own needs will lead to tragedy and turmoil for all sorts of people—including Ferdie, the man who shares her bed, a police officer who is risking far more than Maddie can understand.

THE HOMO SAPIENS AGENDA* Bitingly funny and shockingly relevant, *The Exact Opposite of Okay* is a bold, brave, and necessary read for fans of Louise O'Neill and Jennifer Mathieu. Eighteen-year-old Izzy O'Neill knows exactly who she is—a loyal friend, an aspiring comedian, and a person who believes that milk shakes and Reese's peanut butter cups are major food groups. But after she's caught in a compromising position with the son of a politician, it seems like everyone around her is eager to give her a new label: slut. Izzy is certain that the whole thing will blow over and she can get back to worrying about how she doesn't reciprocate her best friend Danny's feelings for her and wondering how she is ever going to find a way out of their small town. Only it doesn't. And while she's used to laughing her way out of any situation, as she finds herself first the center of high school gossip and then in the middle of a national scandal, it's hard even for her to find humor in the situation. Izzy may be determined not to let anyone else define who she is, but that proves easier said than done when it seems like everyone has something to say about her.

This terrifying book reads like a horror movie. No, wait. It has the suspense and shocks and screams of TEN horror movies in one. Great nasty fun! —R.L. Stine, author of *Goosebumps* and *Fear Street* Alice Lawrence is the sole witness in her sister's murder trial. And in the year since Claire's death, Alice's life has completely fallen apart. Her parents have gotten divorced, she's moved into an apartment that smells like bologna, and she is being forced to face her sister's killer and a courtroom full of people who doubt what she saw in the corn maze a year prior. Claire was an all-American girl, beautiful and bubbly, and a theater star. On the first day of the murder trial, as Alice prepares to give her testimony, she is knocked out by a Sidney Prescott look-alike in the courthouse bathroom. When she wakes up, it is Halloween night a year earlier, the same day Claire was murdered. Alice has until midnight to save her sister and find the real killer before he claims another victim.

a good girls guide to murder show cast: *The Hunting Party* Lucy Foley, 2019-02-12 THE NEW YORK TIMES BESTSELLER "My favorite kind of whodunit, kept me guessing all the way through, and reminiscent of Agatha Christie at her best -- with an extra dose of acid." -- Alex Michaelides, author of the #1 New York Times bestseller *The Silent Patient* Everyone's invited...everyone's a suspect... During the languid days of the Christmas break, a group of thirtysomething friends from Oxford meet to welcome in the New Year together, a tradition they began as students ten years ago. For this vacation, they've chosen an idyllic and isolated estate in the Scottish Highlands—the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery, champagne in front of a crackling fire, and reminiscences about the past. But after a decade, the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve, the cord holding them together snaps, just as a historic blizzard seals the lodge off from the outside world. Two days later, on New Year's Day, one of them is dead. . . and another of them did it. Keep your friends close, the old adage says. But how close is too close? DON'T BE LEFT OUT.

JOIN THE PARTY NOW.
