a guide book of us coins 2023: A Guide Book of Lincoln Cents Q. David Bowers, 2008
Generations of coin collectors have grown up with the Lincoln cent. Now, as the coin nears its 100th anniversary (and the bicentennial of Abraham Lincoln's birth), Q. David Bowers provides a detailed study of this great American classic. Lincoln cents are among the most fascinating coins in the entire American series, writes Bowers. Believe it or not, they also offer some of the greatest challenges. In this single volume you'll absorb the history of the coin's two classic reverse designs, take an inside look at the minting process, and learn how to grade your collection, including Proofs. Bowers shares tips on becoming a smarter buyer. He even gives a sneak preview of what the U.S. Mint has in store with a 2009 redesign. The book includes a thorough market analysis for each date and mintmark, and a special appendix on error coins. Read and enjoy, as you gain a better appreciation of America's most popular cent. a guide book of us coins 2023: *A Guide Book of the United States Mint* Q. David Bowers, 2016-10-25 The U.S. Mint is the source of the little copper, silver, and gold objects of material culture and value that numismatists collect, study, and catalog. It is the sole manufacturer of the nation's legal-tender coinage, and its products are used every day by millions of Americans nationwide. As a repository its facilities safeguard more than \$300 billion in national assets. It employs nearly 2,000 people, including its own police force. This unique book unearths a treasure trove of numismatic knowledge, including the history of the Philadelphia Mint and every Mint branch, plus private and territorial mints; information on historical and modern minting procedures; a study and price guide of historic medals and other collectibles commemorating the Mint; data on every director of the Mint and superintendents for every branch; and illustrated behind-the-scenes looks at the modern Mint and its facilities.

a guide book of us coins 2023: The Daily Stoic Ryan Holiday, Stephen Hanselman, 2016-10-18 From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.
