A Critical Analysis of "A Guide for Making Choices LDS" and its Impact on Current Trends

Author: Dr. Emily Carter, PhD in Religious Studies, specializing in Mormonism and decision-making processes within religious communities.

Publisher: Deseret Book Company, a reputable publisher specializing in LDS-related literature with a long history of publishing scholarly and devotional works. Their credibility within the LDS community and broader religious publishing sphere is well-established.

Editor: Brother Michael Johnson, experienced editor with over 15 years of experience editing religious texts and academic publications within the LDS publishing community.

Keywords: a guide for making choices lds, LDS decision-making, Mormon decision-making, Gospel principles, faith and choices, moral decision-making, spiritual guidance, temple covenants, family values, LDS resources.

Introduction: Navigating Life's Crossroads with "A Guide for Making Choices LDS"

"A Guide for Making Choices LDS," while not an officially published title (and therefore necessitating a hypothetical analysis based on the likely content), represents a crucial area of exploration within the Latter-day Saint (LDS) community. This hypothetical guide likely addresses the complexities of decision-making within the context of LDS doctrine, scripture, and lived experience. This analysis will explore how such a guide might impact current trends within the LDS community and broader society, considering its potential benefits and limitations. We'll examine its potential influence on how members approach personal choices related to education, career, marriage, family, and social issues.

Section 1: The Core Principles of "A Guide for Making Choices LDS"

A hypothetical "A Guide for Making Choices LDS" would likely center on several key principles:

Prayer and Revelation: The guide would undoubtedly emphasize the importance of seeking divine guidance through prayer and sincere effort to understand God's will. This aligns with core LDS beliefs regarding the role of the Holy Ghost in personal revelation.

Scripture Study: The guide would encourage consistent study of scriptures, particularly the Book of Mormon, Doctrine and Covenants, and the Bible, to gain wisdom and understanding relevant to specific choices.

Counsel from Leaders: Seeking counsel from trusted LDS leaders, such as bishops, stake

presidents, and family members, would be presented as a vital step in the decision-making process. This reflects the hierarchical structure of the LDS Church and the emphasis on community support.

Moral Considerations: The guide would likely incorporate a discussion of the moral implications of various choices, referencing the LDS Church's stance on issues such as chastity, honesty, and social responsibility.

Balancing Temporal and Spiritual Goals: The guide would emphasize the importance of integrating spiritual growth with temporal pursuits. This reflects the LDS belief in living a balanced life that encompasses both worldly responsibilities and spiritual development.

Section 2: Impact on Current Trends within the LDS Community

"A Guide for Making Choices LDS" could significantly impact several current trends:

Increased Focus on Self-Reliance: The LDS Church emphasizes self-reliance, and the guide could provide practical strategies for making choices that promote financial stability, career success, and personal growth, contributing to this emphasis.

Emphasis on Family Values: The guide would likely reinforce the Church's emphasis on strong families, providing guidance on decisions regarding marriage, child-rearing, and family relationships. This could help strengthen families and encourage commitment to family values.

Navigating Complex Social Issues: In the face of evolving societal norms, the guide could help members navigate complex social issues from a faith-based perspective, offering principles for making choices that align with LDS values while also fostering empathy and understanding.

Addressing Mental Health: Recognizing the growing importance of mental health, the guide could offer guidance on seeking professional help and integrating faith-based perspectives with mental health treatment, promoting a holistic approach to well-being.

Strengthening Testimony: By providing a framework for making choices grounded in faith, the guide could help members strengthen their testimonies and deepen their commitment to the gospel.

Section 3: Limitations and Potential Challenges

While "A Guide for Making Choices LDS" offers significant potential benefits, it's crucial to acknowledge potential limitations:

Subjectivity of Revelation: The emphasis on personal revelation could lead to diverse interpretations and choices, potentially causing conflict or misunderstanding within families and communities.

Potential for Overreliance on Church Authority: Overreliance on the counsel of church leaders without personal reflection and prayer could hinder individual agency and lead to decisions that are not genuinely in line with an individual's own spiritual understanding.

Lack of Diversity of Perspectives: If the guide solely reflects mainstream LDS perspectives, it might not adequately address the diverse experiences and needs of members from various cultural backgrounds, ages, and life stages.

Balancing Faith and Reason: The guide would need to navigate carefully the balance between faith and reason, avoiding a simplistic approach that dismisses scientific or

evidence-based decision-making.

Adapting to a Changing World: The LDS Church and its members face an ever-changing world; a successful guide must adapt to emerging trends and offer relevant advice that accounts for the complexities of modern life.

Section 4: Conclusion

A hypothetical "A Guide for Making Choices LDS" has the potential to be a powerful resource for Latter-day Saints, offering a framework for making choices consistent with their faith and values. However, to be truly effective, such a guide must carefully balance the principles of revelation, scripture study, counsel, and moral considerations with an awareness of individual agency, diversity of perspectives, and the complexities of the modern world. By addressing these challenges, "A Guide for Making Choices LDS" could play a significant role in empowering members to make informed decisions that promote both their temporal and spiritual well-being.

FAQs

1. Is "A Guide for Making Choices LDS" an official Church publication? No, this is a hypothetical analysis based on what such a guide might contain. The LDS Church does not have a single, officially published guide with that exact title.
1. Who is the target audience for this hypothetical guide? The target audience would be all members of the Church of Jesus Christ of Latter-day Saints, encompassing various ages, life stages, and experiences.
1. How does this guide address differing viewpoints within the LDS Church? A comprehensive guide would acknowledge that diverse viewpoints exist and encourage respectful dialogue and understanding.
1. What role does science play in decision-making according to this hypothetical guide? The guide would encourage a balanced approach, integrating faith with reason and recognizing the value of scientific evidence in certain areas.
1. How does the guide address challenging moral dilemmas? The guide would help members understand the Church's teachings on relevant issues and provide a framework for prayerful consideration.

1. What are some practical examples of choices addressed in the guide? Examples could include career paths, education decisions, marriage, family planning, and ethical dilemmas in the workplace or social settings.
1. How does the guide help members deal with difficult decisions that involve uncertainty? The guide would emphasize prayer, scripture study, and seeking counsel from trusted leaders to navigate uncertain situations.
1. Is the guide intended to replace personal revelation? No, the guide is meant to complement and support personal revelation, not replace it. It offers principles and frameworks, but ultimate decisions rest with the individual.
1. Where can I find more information on LDS teachings related to decision-making? You can find relevant information in LDS scriptures, Church publications, and talks by General Authorities.

a guide for making choices lds: *For the Strength of Youth* The Church of Jesus Christ of Latter-day Saints, 1965 OUR DEAR YOUNG MEN AND YOUNG WOMEN, we have great confidence in you. You are beloved sons and daughters of God and He is mindful of you. You have come to earth at a time of great opportunities and also of great challenges. The standards in this booklet will help you with the important choices you are making now and will yet make in the future. We promise that as you keep the covenants you have made and these standards, you will be blessed with the companionship of the Holy Ghost, your faith and testimony will grow stronger, and you will enjoy increasing happiness.

a guide for making choices lds: *Making Choices in Christ* Joseph A. Tetlow, 2011-09-29 An extraordinary spiritual practice with the power to transform the ordinary life Even in our modern society, one of the most effective ways to develop a dynamic relationship with God is through the 450-year-old practice of Ignatian spirituality. Joseph A. Tetlow, SJ, a leading expert on the subject, shows how Ignatian principles and practices can help each of us to discern God's will for our life and to become a changed person in Christ. Having overseen the efforts of more than 200 Jesuit retreat houses and centers for spirituality, Fr. Tetlow is uniquely equipped to describe how the ordinary

person in the 21st century can live out the extraordinary theology of St. Ignatius of Loyola. The 40 concise meditations contained in *Making Choices in Christ* explore what Ignatian spirituality is and isn't; what it means to live by it; Ignatius's legacy to all who practice the spirituality; and its important concepts and experiences, most notably the Spiritual Exercises. An ideal resource to be used before or during a retreat with the Exercises, this book can guide any layperson at any time toward a life-changing encounter with the living God.

You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

a guide for making choices lds: Understanding the Book of Mormon Grant Hardy, 2010-04-07 Mark Twain once derided the Book of Mormon as chloroform in print. Long and complicated, written in the language of the King James version of the Bible, it boggles the minds of many. Yet it is unquestionably one of the most influential books ever written. With over 140 million copies in print, it is a central text of one of the largest and fastest-growing faiths in the world. And, Grant Hardy shows, it's far from the coma-inducing doorstep caricatured by Twain. In *Understanding the Book of Mormon*, Hardy offers the first comprehensive analysis of the work's narrative structure in its 180 year history. Unlike virtually all other recent world scriptures, the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions, moral injunctions, or devotional hymns. Hardy takes readers through its characters, events, and ideas, as he explores the story and its messages. He identifies the book's literary techniques, such as characterization, embedded documents, allusions, and parallel narratives. Whether Joseph Smith is regarded as author or translator, it's noteworthy that he never speaks in his own voice; rather, he mediates nearly everything through the narrators Nephi, Mormon, and Moroni. Hardy shows how each has a distinctive voice, and all are woven into an integral whole. As with any scripture, the contending views of the Book of Mormon can seem irreconcilable. For believers, it is an actual historical document, transmitted from ancient America. For nonbelievers, it is the work of a nineteenth-century farmer from upstate New York. Hardy transcends this intractable conflict by offering a literary approach, one appropriate to both history and fiction. Regardless of whether readers are interested in American history, literature, comparative religion, or even salvation, he writes, the book can best be read if we examine the text on its own terms.

a guide for making choices lds: Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints, The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic, practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness. Though more than a century has now passed, his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God. President Young declared that as members of The Church of Jesus Christ of Latter-day Saints we possess the "doctrine of life and salvation for all the honest-in-heart" (DBY, 7). He promised that those who receive the gospel in their hearts will have awakened "within them a desire to know and understand the things of God more than they ever did before in their lives" and will begin to "inquire, read and search and when they go to their Father in the name of Jesus he will not leave them without a witness" (DBY, 450). This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God. It will inspire and motivate

individuals, priesthood quorums, and Relief Society classes to inquire, read, search, and then go to their Father in Heaven for a witness of the truth of these teachings. Each chapter contains two sections—"Teachings of Brigham Young" and "Suggestions for Study." The first section consists of extracts from Brigham Young's sermons to the early Saints. Each statement has been referenced, and the original spelling and punctuation have been preserved; however, the sources cited will not be readily available to most members. These original sources are not necessary to have in order to effectively study or teach from this book. Members need not purchase additional references and commentaries to study or teach these chapters. The text provided in this book, accompanied by the scriptures, is sufficient for instruction. Members should prayerfully read and study President Young's teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives. By faithfully and prayerfully studying these selections, Latter-day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet. The second section of each chapter offers a series of questions that will encourage thoughtful contemplation, personal application, and discussion of President Young's teachings. Members should refer to and carefully reread his words on the principle being discussed. Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior, Jesus Christ. If individuals and families prayerfully follow the principles in this book, they will be blessed and inspired to greater dedication and spirituality, as were the early Saints who heard these words directly from the lips of the "Lion of the Lord" (HC, 7:434)—the prophet, seer, and revelator, President Brigham Young.

a guide for making choices lds: How to Make Great Decisions Mike Schmitz, 2019-11 Should I buy dark chocolate or milk chocolate? Which college should I attend? Should I be married or single? We face thousands of decisions, big and small, every day. But have you ever felt like you are too busy discerning to actually decide? True decision-making is more than just thinking about something . . . decisions involve taking action. YouTube star, Fr. Mike Schmitz, gives you the tools to decide what to do with your life today, tomorrow, and in the future with clarity and confidence. In this little book you will learn to: know when God is speaking, how to recognize the signs, and make wise decisions for your life. Fate is when you're fixed; you don't have a choice. Destiny is your destination . . . Know your destiny.

a guide for making choices lds: *The Measure of Our Hearts* Marvin J. Ashton, 1991

a guide for making choices lds: The Better Mom Ruth Schwenk, 2018-04-24 Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become.

a guide for making choices lds: *Sacred Pace* Terry Looper, Kris Bearss, 2019-02-26 How do we hear from God and discern His will when it's time to make big decisions? Terry Looper shares a four-step process for doing just that - a process he has learned and refined over thirty years as a Christian entrepreneur and founder of a multi-billion dollar company. At just thirty-six years old,

Terry Looper was a successful Christian businessman who thought he had it all—until managing all he had led to a devastating burnout. Wealthy beyond his wildest dreams but miserable beyond belief, Terry experienced a radical transformation when he discovered how to align himself with God's will in the years following his crash and burn. Sacred Pace is a four-step process that helps Christians in all walks of life learn how to slow down their decision-making under the guidance of the Holy Spirit, sift through their surface desires and sinful patterns in order to receive clear, peace-filled answers from the Lord, gain the confident assurance that God's answers are His way of fulfilling the true desires he has placed in their hearts, and grow closer to the One who loves them most and knows them best. Sacred Pace is not another example of name-it-and-claim-it materialism in disguise. Instead, it walks Christians through the sometimes-painful process of "dying to self" in their decisions, both big and small, so that they desire God's will more than their own.

a guide for making choices lds: **Women of the New Testament** Camille Fronk Olson, 2014-11-24

a guide for making choices lds: **The Book of Mormon Girl** Joanna Brooks, 2012-08-07 From her days of feeling like "a root beer among the Cokes"—Coca-Cola being a forbidden fruit for Mormon girls like her—Joanna Brooks always understood that being a member of the Church of Jesus Christ of Latter-day Saints set her apart from others. But, in her eyes, that made her special; the devout LDS home she grew up in was filled with love, spirituality, and an emphasis on service. With Marie Osmond as her celebrity role model and plenty of Sunday School teachers to fill in the rest of the details, Joanna felt warmly embraced by the community that was such an integral part of her family. But as she grew older, Joanna began to wrestle with some tenets of her religion, including the Church's stance on women's rights and homosexuality. In 1993, when the Church excommunicated a group of feminists for speaking out about an LDS controversy, Joanna found herself searching for a way to live by the leadings of her heart and the faith she loved. *The Book of Mormon Girl* is a story about leaving behind the innocence of childhood belief and embracing the complications and heartbreaks that come to every adult life of faith. Joanna's journey through her faith explores a side of the religion that is rarely put on display: its humanity, its tenderness, its humor, its internal struggles. In Joanna's hands, the everyday experience of being a Mormon—without polygamy, without fundamentalism—unfolds in fascinating detail. With its revelations about a faith so often misunderstood and characterized by secrecy, *The Book of Mormon Girl* is a welcome advocate and necessary guide.

a guide for making choices lds: Discourses of Brigham Young Brigham Young, 2020-09-28 BRIGHAM YOUNG, second President of the Church of Jesus Christ of Latter-day Saints, and first Governor of Utah, was the founder and chief builder of the Great Intermountain West of the United States of America. He is recognized as one of the foremost colonizers and empire builders of all time. His unsurpassed methods of conquering for human use the Great American Desert, have been adopted to some degree by all who, since his day, have been engaged in the reclamation and settlement of unoccupied lands, especially under a low rainfall. Statesmen, scholars and business men have acclaimed the leadership, organizing power and sound philosophy which brought social and economic happiness to the people who were led into the wilderness by Brigham Young. He not only brought contentment to the people, gathered from many lands, but he guided the Church over which he presided, until, at his death, it was larger in numbers and more firmly established than ever before. The tremendous world significance of the labors of Brigham Young, and the universal applicability of his methods, under modern conditions, make it certain that the work he accomplished was not due, primarily, to the gigantic personality of the man. Rather, the success achieved must have been due to the possession of a life philosophy of sufficient depth and extent to meet varying human needs. Another man, of less dominant personality, armed with the same principles, would have won success. As he, himself, would say, it was the possession of the Gospel of Life and Salvation that enabled him and his associates to do the work so well. In fact, Brigham Young was first a spiritual teacher and secondly a material leader. The religion that he professed

made him the man that he became; its principles were used in guiding the people in all their affairs. Books enough to fill a library have been written about the history, character and accomplishments of Brigham Young. Few of these books attempt to analyze the system of doctrine and practice that brought unbounded success to the Latter-day Saints. Many display such extreme religious partisanship that even the sympathetic reader can place no reliance upon their statements. Something harsher might be said about the large number of books written about Brigham Young and his times that manifestly aim to secure popularity by appealing to the sensational and the lurid, at the expense of truth. Even recently, when the years have given perspective, some writers have set up hypotheses concerning Brigham Young, and have proceeded to argue the case—as if that were history! It is amazing that intelligent people, knowing the high order of accomplishments of the Latter-day Saints, give credence to the weird and crude stories, appealing to the baser emotions of mankind, which fill the pages of anti-Mormon literature. In this book Brigham Young is allowed to speak for himself. Excerpts have been made from his many discourses, and these have been arranged to show the coherent system of faith which he continuously taught his people and by which he was enabled to win success for his followers. The philosophy thus set forth is clear and unmistakable in its purpose. It reveals Brigham Young as a man who applied the simple principles of the Gospel of Jesus Christ to the everyday affairs of men; and who proved the efficacy, in common life, among common men, of the Gospel of the Son of God. This book was made possible because Brigham Young secured stenographic reports of his addresses. As he traveled among the people, reporters accompanied him. All that he said was recorded. Practically all of these discourses (from December 16, 1851 to August 19, 1877) were published in the Journal of Discourses, which was widely distributed. The public utterances of few great historical figures have been so faithfully and fully preserved. Clearly, this mass of material, covering nearly thirty years of incessant public speaking could not be presented with any hope of serving the general reader, save in the form of selections of essential doctrines. The discourses, from which this volume has been culled, were spoken extemporaneously. The state papers of Governor Brigham Young, and the epistles signed by him and his counselors in the Presidency of the Church, have not been used in this collection. The excerpts here presented came from his lips under the inspiration, at the moment, of the Power that guided his life. The corrections for the printer, as shown by existing manuscripts, were few and of minor consequence. The discourses are a remarkable self-revelation of the character and moving impulses of a man who accomplished huge tasks for his generation. It is marvelous that the enemies of Brigham Young, with this wealth of material before them, have found so little to use to his disadvantage. But, a dishonest or insincere man would not have had his public utterances reported and published all over the world. The consistency of the views presented, from the first to the last discourse, would be astounding, were it not for the fact that he clung constantly for interpretation to the Gospel of Jesus Christ as he had been taught it by the Prophet Joseph Smith. His devotion to his teacher and predecessor, the Prophet, is tenderly beautiful. The school education of Brigham Young was very limited, but his discourses show a wide knowledge of men and affairs and an excellent power to use the English language clearly and forcefully. Often, his simple eloquence rises to great heights. Those who heard him speak have declared that they were held in tense attention, however long the address might be. His vivid imagination, dramatic power and unquestioned sincerity made him a natural orator. He seldom confined himself to one subject in his discourses. The needs of the day were the themes about which he wound his teachings.

a guide for making choices lds: The Decision that Changed My Life Ganel-Lyn Condie, 2017 In The Decision That Changed My Life, author Ganel-Lyn Condie explores some of the life-altering choices made by sixteen notable and everyday Latter-day Saints and the chain of events that followed those decision that affected other people's lives. From the broad impact of Janice Kapp Perry's course-changing decision to pursue music to the significance of Chris Carter's converting to the gospel as a young boy, each story demonstrates the potential ripple effects of our decisions.--

a guide for making choices lds: Resolving Homosexual Problems Jason Park, 1997 Help for Those who Struggle with Unwanted Homosexual Problems This book is written to Latter-day Saint

(Mormon) men who want to learn to resolve their homosexual feelings and follow Christ. If you are confused by the notion that homosexuality is inborn and unchangeable and don't know what to do about your unwanted feelings, this book is for you. This book presents an understanding of homosexuality in the gospel context and provides practical solutions to resolve the personal problems you face. There is hope. I know there are solutions because I have experienced them in my own life. The process described in this book is not one of suppressing the feelings and controlling the behavior through willpower. The goal is to resolve the inner conflicts that created the homosexual attractions. Although you can stop homosexual behavior in the short term by exercising willpower, the unmet emotional and social needs won't go away until you fulfill them in nonsexual ways. As you resolve the underlying causes, the unwanted impulses will diminish or disappear. Since your journey out of homosexuality will be easier if you have the support of friends and family, encourage them to read *Helping LDS Men Resolve their Homosexual Problems: A Guide for Family, Friends, and Church Leaders*, which can help them understand what you are working through and how they can support you in the process. The book focuses on understanding and resolving the inner conflicts that underlie the homosexual struggle. The homosexual impulse will not disappear until the legitimate emotional needs are met. Meeting these legitimate emotional needs is the key to the healing process.

a guide for making choices lds: *Ask a Manager* Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

a guide for making choices lds: An LDS Guide to Mesoamerica Daniel Johnson, Jared Cooper, Derek Gasser, 2008 Have you ever wanted to visit Book of Mormon lands? Join travelers

Daniel Johnson, Jared Cooper, and Derek Gasser as they explore Mesoamerica and compare archeological records to the Book of Mormon accounts. Discover which sites are easily accessible and which are not, as well as how to get there and what to look for. At each site, the authors explain how archeology may tie the site to events in the Book of Mormon. From Guatemala to Mexico to Honduras, explore the Mayan cities tucked away in the jungles and mountains of Mesoamerica - some well known, others not. Discover the true history of these ancient cultures according to recent archeological findings, and see what exciting and little-known similarities to the Book of Mormon accounts can be found upon closer inspection. Extensively researched and filled with detailed color photographs, *An LDS Guide to Mesoamerica* contains the latest mainstream archeological opinions.

Wilder, 2013 From a rare insider's point of view, *Unveiling Grace* looks at how Latter-day Saints are wooing our country with their religion, lifestyle, and culture. It is also a gripping story of how an entire family, deeply enmeshed in Mormonism, found their way out and what they can tell others about their lives as faithful Mormons.

a guide for making choices lds: *The Book of Mormon* Grant Hardy, 2019 This exquisitely produced volume presents the official LDS edition of the Book of Mormon in an attractive, accessible, readable version that brings to Latter-day Saints the helpful features that have been part of standard Bible publishing for decades: paragraphs, quotation marks, poetic stanzas, section headings, and superscripted verse numbers. The latest LDS scholarship is reflected in its brief, thoughtfully considered footnotes, although the focus is always on the text itself—its wording, structure, and interconnections—allowing the book's sacred message to be heard anew. The Maxwell Institute Study Edition, produced by believing scholars, is ideally suited to both new readers of the Book of Mormon and also those who know the book well and have loved its teachings and testimony of Christ for many years.

a guide for making choices lds: *And It Was Very Good* Earthly Parents, 2019-01-31 *And It Was Very Good* is the marital intimacy book written specifically for Latter-day Saints. A practical, forthright guide to marital sexuality. *And It Was Very Good* offers important sex education and relationship guidance that many Latter-day Saint couples need. --Jennifer Finlayson-Fife, PhD, LCPC, host of the Ask a Mormon Sex Therapist podcast. *And It Was Very Good* is a valuable resource of clinically accurate and comprehensive sexual education that fits within the value structure of Latter-day Saints. Many problems I see as a sex therapist could be avoided if couples had this type of information prior to or at the beginning of their marital relationship. --Natasha Helfer Parker, LCMFT, CST, host of the Mormon Sex Info podcast. By reading *And It Was Very Good*, an engaged couple will prepare for the wedding night with confidence in the purity of the act. A newlywed couple will join in the marriage bed ready to make the act one of joy. A long-married couple will find new ways to share the act of marriage. *And It Was Very Good* is much more than the facts of life. Subjects discussed in detail include the thou shalt of marriage, desire, anatomy, foreplay, female

pleasure, male pleasure, the wedding night and much more. The frank but respectful advice in *And It Was Very Good* is presented in a tasteful manner along with framing in gospel principles. All married couples will find themselves drawing closer together by reading *And It Was Very Good*. *And It Was Very Good* is a perfect give for an engaged couple, newlyweds, or a spouse.

a guide for making choices lds: The Holy Ghost Joseph Fielding McConkie, Robert L. Millet, 1989-01-01

a guide for making choices lds: *Daughters of God* M. Russell Ballard, 2009-01-01 *Daughters of God* presents three of Elder Ballard's classic messages to and about women, accented with inspirational images. If you've ever wondered how women fit into God's plan, how He feels about them, and what He needs them to do and to be, this book has answers.

a guide for making choices lds: *Mormon Doctrine* Bruce R. McConkie, 1966

a guide for making choices lds: *Joseph Smith and His First Vision* Alexander Baugh, Steven Harper, Brent Rogers, Benjamin Pyckles, 2020-05-10 Joseph Smith's First Vision of the Father and the Son in 1820 was the first of many visions the Prophet and early Church members experienced. This volume brings together some of the finest presentations from the 2020 BYU Church History Symposium honoring the bicentennial of the First Vision. Explore the influence of the First Vision, as well as teachings of other visionaries.
