Filled with vivid personalities, grand houses, dashing earls, and a wealth of period details and quotes on the finer points of Victorian and Edwardian etiquette, *To Marry an English Lord* is social history at its liveliest and most accessible. a guide to marrying rich: *Charles and Emma* Deborah Heiligman, 2009-01-06 Charles Darwin published *The Origin of Species*, his revolutionary tract on evolution and the fundamental ideas involved, in 1859. Nearly 150 years later, the theory of evolution continues to create tension between the scientific and religious communities. Challenges about teaching the theory of evolution in schools occur annually all over the country. This same debate raged within Darwin himself, and played an important part in his marriage: his wife, Emma, was quite religious, and her faith gave Charles a lot to think about as he worked on a theory that continues to spark intense debates. Deborah Heiligman's new biography of Charles Darwin is a thought-provoking account of the man behind evolutionary theory: how his personal life affected his work and vice versa. The end result is an engaging exploration of history, science, and religion for young readers. *Charles and Emma* is a 2009 National Book Award Finalist for Young People's Literature.

His unique perspective on dating will prepare you for a satisfying, spiritually enriching marriage. In the revised edition of his hit book *The Sacred Search*, Gary Thomas helps single people of all ages make wise marital choices by rethinking what basis those choices should be made on. You will be encouraged to think beyond finding your “soul mate” and instead adopt a more biblical search for a “sole mate”—someone who will walk with you on your spiritual journey. Thomas asks, What if we focused on why we should get married more than on who to marry? What if being “in love” isn’t a good enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy? *The Sacred Search* casts a vision for building a relationship around shared spiritual mission—and making marriage with eternity at its heart.
