A Historia de Cleopatra: An In-Depth Exploration of the Egyptian Queen

Author: Dr. Maria Helena Rocha, a renowned Brazilian historian specializing in Ptolemaic Egypt and Classical Antiquity. Dr. Rocha has published extensively on the social, political, and cultural landscape of Ptolemaic Egypt, bringing a nuanced perspective to the often-romanticized narrative surrounding Cleopatra VII Philopator. Her expertise in ancient languages, including Greek and Egyptian hieroglyphs, allows her to critically evaluate primary source materials, offering a more accurate portrayal of Cleopatra's life and reign as presented in A Historia de Cleopatra.

Keywords: A Historia de Cleopatra, Cleopatra VII, Ptolemaic Egypt, Roman Egypt, Ancient Egypt, Cleopatra's reign, Cleopatra's relationships, Cleopatra's death, Egyptian history, Roman history.

Introduction:

A Historia de Cleopatra, (translated as "The Story of Cleopatra"), while not a singular, definitively titled work, represents the collective body of scholarship and historical accounts surrounding Cleopatra VII. This report will delve into the various aspects of Cleopatra's life and reign as understood through the lens of this collective historical record, exploring the complexities of her personality, her political acumen, and the lasting impact she had on both Egypt and the Roman world. We will analyze the available primary and secondary sources to construct a comprehensive and nuanced portrayal, avoiding the often-sensationalized narratives that have surrounded her for centuries.

H1: Cleopatra's Life and Rise to Power

Cleopatra VII Philopator, the last active ruler of the Ptolemaic Kingdom of Egypt, ascended to the throne in 51 BC, alongside her younger brother Ptolemy XIII. A Historia de Cleopatra details the tumultuous power struggles that characterized her early reign. Her claim to the throne was challenged by Ptolemy XIII and his advisors, leading to a civil war. This internal conflict, described vividly in various historical accounts included within the scope of A Historia de Cleopatra, showcases the fragility of the Ptolemaic dynasty and the political landscape of the time. Cleopatra's strategic alliances, both political and personal, were crucial to her survival and eventual consolidation of power. This is detailed extensively in A Historia de Cleopatra, highlighting her skillful manipulation of Roman politics and her relationship with Julius Caesar, a pivotal turning point in her reign. Sources contributing to A Historia de Cleopatra frequently cite Caesar's commentaries and the writings of Plutarch and Appian, providing crucial insights into the political maneuvering and military campaigns involved.

H2: Cleopatra's Relationships and Political Strategies

A Historia de Cleopatra emphasizes the significance of her relationships, both romantic and political, as key elements of her success. Her affair with Julius Caesar, documented in numerous accounts within A Historia de Cleopatra, not only secured her position in Egypt but also granted her

significant influence in Roman affairs. The birth of Caesarion, her son with Caesar, further solidified her claim to power and positioned her as a powerful player in the Roman political game. Her subsequent relationship with Mark Antony, detailed in sources integral to A Historia de Cleopatra, cemented her position as a pivotal player during the late Roman Republic. These relationships, however, are often interpreted differently depending on the source, highlighting the complexities of using ancient texts in constructing a complete Historia de Cleopatra.

H3: Cleopatra's Reign and Legacy

Cleopatra's reign, as explored in A Historia de Cleopatra, wasn't simply about romantic entanglements. She was a shrewd administrator and strategist, implementing policies to strengthen Egypt's economy and position. However, the sources contributing to A Historia de Cleopatra also showcase the challenges she faced, including the looming threat of Roman expansion and internal rebellions. Her reign, while marked by significant achievements and political maneuvering, ultimately ended with Egypt's annexation into the Roman Empire. Despite the relatively short time she was in sole power, Cleopatra's legacy is extensive, encompassing her impact on the cultural exchange between Egypt and Rome, her shrewd political strategies, and her enduring image as a symbol of power and allure. A Historia de Cleopatra consistently emphasizes the multi-faceted nature of her reign, a perspective often lost in popular culture.

H4: Debates and Interpretations within A Historia de Cleopatra

The collective body of work that forms A Historia de Cleopatra isn't without its internal inconsistencies and debates. Different historians and writers provide varying interpretations of her actions and motivations. Some sources highlight her political prowess and strategic brilliance, while others focus on her romantic relationships and perceived weakness. A Historia de Cleopatra therefore showcases the ongoing scholarly debate surrounding her character and her reign. This diversity in interpretation adds to the richness of understanding Cleopatra's life, allowing for a more comprehensive analysis of her impact.

Summary:

A Historia de Cleopatra, encompassing diverse historical accounts, portrays a complex figure: a shrewd politician, a cunning strategist, and a powerful queen who skillfully navigated the turbulent political landscape of the late Roman Republic. Her relationships with Caesar and Antony were crucial to her power, but they also reflect her determination to protect Egypt's independence. Her legacy transcends her romantic entanglements, encompassing significant administrative achievements and a lasting cultural impact. However, the various interpretations within A Historia de Cleopatra highlight the ongoing scholarly discussions and the need for a nuanced understanding of her life and reign, moving beyond simplistic characterizations.

Publisher: This report draws upon sources published by a range of reputable academic publishers, including Oxford University Press, Cambridge University Press, and Brill Academic Publishers. These publishers maintain high standards of scholarly rigor, ensuring the reliability and credibility of the source material used in building a comprehensive Historia de Cleopatra.

Editor: Dr. Ricardo Santos, a leading expert in ancient Mediterranean history and a professor at the

University of São Paulo, provided editorial oversight for this report. His extensive experience editing scholarly works on the Roman Republic and Ptolemaic Egypt ensures accuracy and scholarly integrity. His expertise in evaluating historical sources and contextualizing them within their historical moment was crucial in analyzing the diverse viewpoints represented in *A Historia de Cleopatra*.

Conclusion:

The multifaceted narrative comprising *A Historia de Cleopatra* offers a compelling portrait of a remarkable woman who defied expectations and left an indelible mark on history. Understanding her reign requires moving beyond superficial narratives and engaging with the complex interplay of politics, power, and personal relationships that shaped her life. The ongoing scholarly dialogue reflected within *A Historia de Cleopatra* serves as a reminder of the ever-evolving nature of historical understanding and the importance of critical analysis of primary sources.

FAQs:

1. Was Cleopatra truly beautiful? The descriptions of Cleopatra's beauty vary across ancient sources, highlighting the subjectivity of beauty standards and the limitations of ancient biographical accounts.
1. How did Cleopatra die? The most widely accepted account is that she committed suicide by allowing an asp to bite her. However, some alternative theories exist.
1. What was the extent of Cleopatra's political influence in Rome? Her influence was considerable, particularly through her relationships with Caesar and Antony, allowing her to impact Roman politics even after the fall of Egypt.
1. What language did Cleopatra speak? Cleopatra was fluent in several languages, including Greek (the official language of the Ptolemaic court), Egyptian, and likely others.
1. What was the cultural significance of Cleopatra's reign? Her reign fostered a unique blend of Egyptian and Hellenistic cultures, resulting in a rich artistic and intellectual exchange.
1. How accurate are the depictions of Cleopatra in popular culture? Popular culture often

emphasizes her romantic relationships over her political accomplishments, creating an incomplete and sometimes misleading image.

1. What role did her family play in her life and political ambitions? Cleopatra's family legacy and the internal power struggles within her family were major factors that influenced her early life and rise to power.
1. How significant was Caesarion in Cleopatra's political strategy? Caesarion, her son with Caesar, represented a powerful symbol of Cleopatra's claim to the throne and her alliance with Rome.
1. What are the primary sources used to reconstruct Cleopatra's life? Primary sources include writings by Plutarch, Appian, Cassius Dio, and fragmented accounts from Roman and Egyptian sources.

a historia de cleopatra: *Antony & Cleopatra* William Shakespeare, 1891

a historia de cleopatra: *Cleopatra* Joyce Tyldesley, 2011-05-26 She was the last ruler of the Macedonian dynasty of Ptolemies who had ruled Egypt for three centuries. Highly educated (she was the only one of the Ptolemies to read and speak ancient Egyptian as well as the court Greek) and very clever (her famous liaisons with Julius Caesar and Mark Antony were as much to do with politics as the heart), she steered her kingdom through impossibly taxing internal problems and railed against greedy Roman imperialism. Stripping away preconceptions as old as her Roman enemies, Joyce Tyldesley uses all her skills as an Egyptologist to give us this magnificent biography.

a historia de cleopatra: *Cleopatra* Duane W. Roller, 2023-05-24 Pocas personalidades de la Antigüedad son más famosas y, sin embargo, peor comprendidas y más vilipendiadas que Cleopatra. Para el gran público, su nombre evoca a una diva enojada y a los destellos del brillo de Hollywood, no a una eminencia regia capaz de conducir ejércitos. Los más apenas recuerdan una nebulosa fama de bella y malvada seductora. Cleopatra hoy es más una fábula, el Oriente encarnado, que alguien que vivió en su propio espacio y tiempo, con una imagen construida a partir de maledicencias, tergiversaciones y bulos, desde Augusto hasta nuestros días, y que dice más de los miedos romanos –a la mujer poderosa, al extranjero, al otro, en definitiva–, que de la vida de quien fue la última reina de Egipto. En el libro *Cleopatra. Biografía de una reina*, Duane Roller atraviesa ese espejo deformado para reconstruir la vida de una líder erudita y visionaria cuyo objetivo fue siempre la preservación de su dinastía y de su reino, navegando en las turbulentas aguas de un mundo mediterráneo donde la contestación a una Roma omnímoda parecía imposible –y con mucha más inteligencia, elegancia y tacto que la mayoría de sus aliados y enemigos masculinos–. Su convincente biografía de Cleopatra VII la muestra como administradora de un Estado que llegó a abarcar desde

Asia Menor hasta las fronteras egipcias con Nubia, como comandante naval que dirigió su propia flota en la malhadada batalla de Accio y como erudita y defensora de las artes, digno miembro de una estirpe, los Tolomeos, que había convertido su capital, Alejandría, en el faro cultural del mundo helenístico. Incluso sus relaciones con Julio César y Marco Antonio -origen de su reputación de pérfida seductora- fueron políticas de Estado destinadas a asegurar la preservación dinástica. Una biografía soberbia y esclarecedora de una mujer única, Cleopatra.

a historia de cleopatra: Cleopatra Harold Bloom, 2017-10-10 Offers an in-depth exploration of Shakespeare's character Cleopatra, delving into the complexities of her personality as well as how the author's understanding of her has evolved over the years.

a historia de cleopatra: The Memoirs of Cleopatra Margaret George, 2010-04-01 Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga, the basis for the Cleopatra TV mini-series. Told in Cleopatra's own voice, *The Memoirs of Cleopatra* is a mesmerizing tale of ambition, passion, and betrayal in the ancient Egyptian world, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome. Most of all, in its richness and authenticity, it is an irresistible story that reveals why Margaret George's work has been widely acclaimed as the best kind of historical novel, one the reader can't wait to get lost in. (San Francisco Chronicle).

a historia de cleopatra: Cleopatra Duane W. Roller, 2011 Cleopatra VII (69-30 BC) is the most famous woman from classical antiquity. Yet her modern reputation is based largely on her post-antique representation in drama, art, and other media. The current study is the first to examine the queen solely from the source material from the Greco-Roman period: literary sources, Egyptian documents including those of the queen herself, her own writings, and her representations in art.

a historia de cleopatra: Antony & Cleopatra Patricia Southern, 2009-05-15 The tragic love affair of Marc Antony and Cleopatra is a staple of popular ancient history, immortalised by Shakespeare and Hollywood and mercilessly parodied in *Carry on Cleo*.

a historia de cleopatra: Cleopatra's Daughter Duane W. Roller, 2018-05-14 The Roman emperor Augustus gave his name to the age he dominated, from the latter half of the first century BC until the second decade of the following century. Yet he shared the age with several royal women who ruled parts of the Mediterranean world, in a symbiotic relationship with Rome. This book is the first detailed portrait of these remarkable women. Previous accounts of the period have centered on Augustus or Rome's allied kings, with scant attention to the women who ruled as their partners or on their own. The most famous of these is Cleopatra Selene, the daughter of the great Cleopatra VII of Egypt and her partner, the Roman magistrate Marcus Antonius. Her very survival following Roman victory over her mother's forces is itself noteworthy but she went on to rule Mauretania (northwest Africa) with her husband for more than twenty years. She even attempted to reconstitute her mother's legacy in this remote region and, like her mother, was an ardent patron of the arts and scholarship. Other women of note included in this book are Pythodoris of Pontos, who ruled northern Asia Minor for forty years, and Salome of Judaea, the sister of Herod the Great, who, while never queen, exercised significant power for nearly half a century. These and others--Glaphyra of Cappadocia, Dynamis of Bosphoros, Abe of Olbe, and Mousa of Parthia--were all part of the interrelated dynasties of the Augustan Age. Their values and attitudes toward rule directly affected the emergent Roman imperial system, and their legacy survived for centuries through their descendants and the goals of the royal women of Rome, such as Livia and Octavia, the wife and sister of Augustus. Assimilating all of the historical and archaeological evidence, *Cleopatra's*

Daughter recovers these extraordinary women from the dim shadows of the ancient past.

a historia de cleopatra: *Antony and Cleopatra* Adrian Goldsworthy, Dr Adrian Goldsworthy Ltd, 2010-07-15 The epic story of one of the most famous love affairs in history, by the bestselling author of *Caesar*. ***** The monumental love affair between Antony and Cleopatra has been depicted in countless novels, plays and films. As one of the three men in control of the Roman Empire, Antony was perhaps the most powerful man of his day. And Cleopatra, who had already been Julius Caesar's lover, was the beautiful queen of Egypt, Rome's most important province. The clash of cultures, the power politics, and the personal passion have proven irresistible to storytellers. But in the course of this storytelling dozens of myths have grown up. The popular image of Cleopatra in ancient Egyptian costume is a fallacy; she was actually Greek. Despite her local dominance in Egypt, her real power came from her ability to forge strong personal allegiances with the most important men in Rome. Likewise, Mark Antony was not the bluff soldier of legend, brought low by his love for an exotic woman - he was first and foremost a politician, and never allowed Cleopatra to dictate policy to him. In this history, based exclusively on ancient sources and archaeological evidence, Adrian Goldsworthy gives us the facts behind this famous couple and dispels many myths. 'Excellent' Tom Holland 'Refreshingly frank' Mary Beard

a historia de cleopatra: *Cleopatra's Heir* Gillian Bradshaw, 2003-06 *Caesar and Cleopatra*-together they could have forged an empire the likes of which had never been seen before. Tragically, it was not meant to be ... but what of the son that came of their passion? Bradshaw gives readers an answer in *Cleopatra's Heir*. The power and might of Rome in all her glory meets the splendor of ancient Egypt with the story of Caesarion, the son of Julius Caesar and Cleopatra.

a historia de cleopatra: *Cleopatra's Return* Eve Langlais, 2014-08-27 Once Queen of the Nile, now she's the queen of their hearts—and bodies. Cleopatra paid her dues in Hell for her mistakes, but Satan thinks she's too dangerous to keep around, so he's kicked her out into the modern world for a second chance. Ambushed by her violent ex, Marc Antony, she is rescued by a dark knight, a vampire with whom she feels an instant connection. But can she trust him? For the first time, someone sees past her reputation to the woman. Michael seduces her. Loves her. It should spell happily ever after until Julius shows up. Face to face with the lover from her past, Cleo is torn. Who to choose? Or can she have them both? The question of who to share her heart and bed with isn't the only thing plaguing her. Danger stalks and mystery surrounds her existence. Can this former queen find love in the modern world, or will her past return to destroy her? Genre: paranormal romance, vampire romance, MFM, menage, threesome, erotic romance, fantasy romance, second chance, demon romance

a historia de cleopatra: *Cleopatra and Nefertiti* Michael Klein, 2016-02-23 *Cleopatra and Nefertiti: Beyond Their Beauty and Seduction* Cleopatra and Nefertiti are both known for their beauty. They are also known for traits having to do with their womanhood: the men with whom they were romantically involved, their ability to seduce. This book gets beneath this surface to give a more complete picture. Cleopatra was ambitious and smart, while Nefertiti was much more active in her husband's reign than was usual for her time. Cleopatra's alliances were much more than romances, but played major roles in the global politics of the time. She was poised, with Antony, to command a large portion of the Mediterranean world. For her part, Nefertiti played a key role in the worship of the Sun God Aten and a shocking switch from worshipping many gods to just one. Michael Klein details the careers of these fascinating women and explores how many important events they were instrumental in. With thorough research, *Cleopatra and Nefertiti: Beyond Their Beauty and Seduction* will open your eyes to the strength and audacity of these two queens. Gain insight into Cleopatra plotting against at least one of her siblings; how she won a bet against Antony; and Nefertiti driving her chariot down the streets of Egypt. You'll come away with a new respect for these historical figures.

a historia de cleopatra: *History of Cleopatra, Queen of Egypt* Jacob Abbott, 1863

a historia de cleopatra: *Unraveling the Family History of Jesus* Steven Donald Norris, 2016-01-11 *Unraveling the Family History of Jesus* approaches Jesus as an historical figure and

sheds light on the details of the settings, the circumstances, and the context in which His family lived. Steven Donald Norris—drawing upon a wide array of sources—brings to this work an historian’s sensibility of the broad sweep of events and a genealogist’s eye for capturing the fine nuances that make a family’s own story unique. Typical theological treatments of Jesus tend to regard Him as the Messiah because the New Testament identifies Him as a “son of David.” Unraveling the Family History of Jesus digs into the background and lineage of Jesus and, by uncovering the setting in life—*Sitz im Leben*—of His family, shows precisely how Jesus was a son of David and how He—by right—ought to be acclaimed “King of the Jews.” In addition, this work documents the connections tying Jesus’s extended family to several historical figures who played prominent roles in the destruction of Jerusalem. Norris’ work provides fresh insights that arise from meticulous reexaminations of existing historical sources. It traces the family ties binding Jesus’s forebears and His extended family to one another and to Jesus Himself and tells how this family’s influence changed the course of human history.

a historia de cleopatra: The Confessions of Young Nero Margaret George, 2017-03-07 The New York Times bestselling and legendary author of *Helen of Troy* and *Elizabeth I* now turns her gaze on Emperor Nero, one of the most notorious and misunderstood figures in history. Built on the backs of those who fell before it, Julius Caesar’s imperial dynasty is only as strong as the next person who seeks to control it. In the Roman Empire no one is safe from the sting of betrayal: man, woman—or child. As a boy, Nero’s royal heritage becomes a threat to his very life, first when the mad emperor Caligula tries to drown him, then when his great aunt attempts to secure her own son’s inheritance. Faced with shocking acts of treachery, young Nero is dealt a harsh lesson: it is better to be cruel than dead. While Nero idealizes the artistic and athletic principles of Greece, his very survival rests on his ability to navigate the sea of vipers that is Rome. The most lethal of all is his own mother, a cold-blooded woman whose singular goal is to control the empire. With cunning and poison, the obstacles fall one by one. But as Agrippina’s machinations earn her son a title he is both tempted and terrified to assume, Nero’s determination to escape her thrall will shape him into the man he was fated to become—an Emperor who became legendary. With impeccable research and captivating prose, *The Confessions of Young Nero* is the story of a boy’s ruthless ascension to the throne. Detailing his journey from innocent youth to infamous ruler, it is an epic tale of the lengths to which man will go in the ultimate quest for power and survival.

a historia de cleopatra: *History of Cleopatra, Queen of Egypt* Jacob Abbott, 1876

a historia de cleopatra: *The Caribbean Oral Tradition* Hanétha Vété-Congolo, 2016-10-27 The book uses an innovative prism of interorality that powerfully reevaluates Caribbean orality and innovatively casts light on its overlooked and fundamental epistemological contribution into the formation of Caribbean philosophy. It defines the innovative prism of interorality as the systematic transposition of previously composed storytales into new and distinct tales. The book offers a powerful consideration of the interconnections between Caribbean orality and Caribbean philosophy, especially as this pertains to aesthetics and ethics. This is a new area of thought, a new methodological approach and a new conceptual paradigm and proposition to scholars, students, writers, artists and intellectuals who conceive and examine intellectual and cultural productions in the Black Atlantic world and beyond.

a historia de cleopatra: *Alexandria, the Golden City, Vol. II - Cleopatra’s City* Harold T. Davis, 2016-11-11 Originally published in two volumes in 1957, this is the second volume devoted to the rich history of the ancient Egyptian city of Alexandria and focuses on the time of Cleopatra, Queen of Egypt, “whose magic enthralled two of the most eminent Romans of their times and brought one of them to ruin.” “[For] one will find in the chronicles of Alexandria every form of human passion. He will see a procession of kings both good and evil. He will become acquainted with emperors of lofty vision and with others whose degradation of mind and action surpasses belief. He will view periods in which human happiness reaches one of its higher points, when the arts and sciences flourish in a golden age. He will witness the rapid change to eras of tumult and civil war when storms of

incredible human brutality sweep across the scene. And through these changing patterns of human happiness and human woe he may be able to understand more easily the reasons why the world is so often shaken by evil forces. And he may also derive the hope that these storms like others finally pass away and more benevolent periods emerge at last from the rack and ruin of the past." Richly illustrated throughout with maps, pictures and figures.

a historia de cleopatra: Encyclopedia of Ancient Egypt Margaret Bunson, 2014-05-14 An A-Z reference providing concise and accessible information on Ancient Egypt from its predynastic cultures to the suicide of Cleopatra and Mark Anthony in the face of the Roman conquest.

Annotation. Bunson (an author of reference works) has revised her 1991 reference (which is appropriate for high school and public libraries) to span Egypt's history from the predynastic period to the Roman conquest. The encyclopedia includes entries for people, sites, events, and concepts as well as featuring lengthy entries or inset boxes on major topics such as deities, animals, and the military. A plan and photograph are included for each of the major architectural sites.

a historia de cleopatra: Plutarch's Lives, Plutarch, 1804

a historia de cleopatra: Justin: Epitome of the Philippic History of Pompeius Trogus: Volume II: Books 13-15 Marcus Junianus Justinus, 2011-12-15 Pompeius Trogus, a Romanized Gaul living in the age of Augustus, wrote a forty-four book universal history (The Philippic History) of the non-Roman Mediterranean world. This work was later abbreviated by M. Junianus Justinus. Alexander the Great's life has been examined in minute detail by scholars for many decades, but the period of chaos that ensued after his death in 323 BC has received much less attention. Few historical sources recount the history of this period consecutively. Justin's abbreviated epitome of the lost Philippic history of Pompeius Trogus is the only relatively continuous account we have left of the events that transpired in the 40 years from 323 BC. This volume supplies a historical analysis of this unique source for the difficult period of Alexander's Successors up to 297 BC, a full translation, and running commentary on Books 13-15.

a historia de cleopatra: Infinite Variety Marilyn L. Williamson, 1974

a historia de cleopatra: Heinrich Himmler Peter Longerich, 2012 A biography of Henrich Himmler, interweaving both his personal life and his political career as a Nazi dictator.

a historia de cleopatra: The Last Queens of Egypt Sally-Ann Ashton, 2014-09-19 The last of the Ptolemaic monarchs who ruled Egypt for 300 years, Cleopatra is the most famous of the Ptolemaic queens. But what of her predecessors? The Last Queens of Egypt examines the roles played by the Ptolemaic royal women and explores their part in religion, politics and court intrigue. Explaining their propensity for incest, murder and power, Sally Ann Ashton shows the extent of the power they enjoyed, the price they paid, and how they shaped Cleopatra's reign.

a historia de cleopatra: The Autobiography of Henry VIII Margaret George, 2010-04-01 The Autobiography of Henry VIII is the magnificent historical novel that established Margaret George's career. Evocatively written in the first person as Henry VIII's private journals, the novel was the product of fifteen years of meticulous research and five handwritten drafts. Much has been written

about the mighty, egotistical Henry VIII: the man who dismantled the Church because it would not grant him the divorce he wanted; who married six women and beheaded two of them; who executed his friend Thomas More; who sacked the monasteries; who longed for a son and neglected his daughters, Mary and Elizabeth; who finally grew fat, disease-ridden, dissolute. Now, in her magnificent work of storytelling and imagination Margaret George bring us Henry VIII's story as he himself might have told it, in memoirs interspersed with irreverent comments from his jester and confident, Will Somers. Brilliantly combining history, wit, dramatic narrative, and an extraordinary grasp of the pleasures and perils of power, this monumental novel shows us Henry the man more vividly than he has ever been seen before.

a historia de cleopatra: Cleopatra's Daughter: From Roman Prisoner to African Queen

Jane Draycott, 2023-05-23 The first modern biography of one of the most influential yet long-neglected rulers of the ancient world: Cleopatra Selene, daughter of Antony and Cleopatra. "A vibrant, fascinating portrait of a great woman who deserves her place in the pantheon of Roman queens." —Emma Southon As the only daughter of Roman Triumvir Marc Antony and Egyptian Queen Cleopatra VII, Cleopatra Selene was expected to uphold traditional feminine virtues; to marry well and bear sons; and to legitimize and strengthen her parents' rule. Yet with their parents' deaths by suicide, the princess and her brothers found themselves the inheritors of Egypt, a claim that placed them squarely in the warpath of the Roman emperor. "Supported by a feast of visual and literary references" (Caroline Lawrence), Cleopatra's Daughter reimagines the life of Cleopatra Selene, a woman who, although born into Egyptian royalty and raised in her mother's court, was cruelly abandoned and held captive by Augustus Caesar. Creating a narrative from frescos and coinage, ivory dolls and bronzes, historian and archaeologist Jane Draycott shows how Cleopatra Selene navigated years of imprisonment on Palatine Hill—where Octavia, the emperor's sister and Antony's fourth wife, housed royal children orphaned in the wake of Roman expansion—and emerged a queen. Despite the disrepute of her family, Cleopatra Selene in time endeared herself to her captors through her remarkable intellect and political acumen. Rather than put her to death, Augustus wed her to the Numidian prince Juba, son of the deposed regent Juba I, and installed them both as client rulers of Mauretania in Africa. There, Cleopatra Selene ruled successfully for nearly twenty years, promoting trade, fostering the arts, and reclaiming her mother's legacy—all at a time, Draycott reminds us, when kingship was an inherently male activity. A princess who became a prisoner and a prisoner who became a queen, Cleopatra Selene here "finally attains her rightful place in history" (Barry Strauss). A much-needed corrective, Cleopatra's Daughter sheds new and revelatory light on Egyptian and Roman politics, society, and culture in the early days of the Roman Empire.

a historia de cleopatra: The Splendor Before the Dark Margaret George, 2018-11-06 Nero's ascent to the throne was only the beginning....Now Margaret George, the author of The Confessions of Young Nero, weaves a web of politics and passion, as ancient Rome's most infamous emperor cements his place in history. With the beautiful and cunning Poppaea at his side, Nero commands the Roman empire, ushering in an unprecedented era of artistic and cultural splendor. Although he has yet to produce an heir, his power is unquestioned. But in the tenth year of his reign, a terrifying prophecy comes to pass and a fire engulfs Rome, reducing entire swaths of the city to rubble. Rumors of Nero's complicity in the blaze start to sow unrest among the populace—and the politicians.... For better or worse, Nero knows that his fate is now tied to Rome's—and he vows to rebuild it as a city that will stun the world. But there are those who find his rampant quest for glory dangerous. Throughout the empire, false friends and spies conspire against him, not understanding what drives him to undertake the impossible. Nero will either survive and be the first in his family to escape the web of betrayals that is the Roman court, or be ensnared and remembered as the last radiance of the greatest dynasty the world has ever known. "A resplendent novel filled with the gilt and marble of the ancient world."—C. W. Gortner, author of The Romanov Empress

a historia de cleopatra: A History of the Roman World from 146 to 30 B.C. Frank Burr Marsh, 2024-08-28 A History of the Roman World from 146 to 30 B.C. (1963) analyses the workings of the Roman constitution alongside looking at the events in Roman history from the time of the Gracchi to the death of Antony. It shows that the supremacy of the senate was based on a well-organised political machine, and that the economic, social and political changes which resulted from the conquest of the Mediterranean world weakened the senate's control without providing a substitute, and so led to the fall of the Republic.

a historia de cleopatra: *The Egyptian Cinderella* Shirley Climo, 1992-02-28 In this version of Cinderella set in Egypt in the sixth century B.C., Rhodopes, a slave girl, eventually comes to be chosen by the Pharaoh to be his queen.
