12 Monkeys Parents Guide: A Comprehensive Look at the Sci-Fi Thriller's Content

Author: Dr. Emily Carter, PhD in Media Studies and Child Development, specializing in the impact of media on youth.

Keywords: 12 Monkeys parents guide, 12 Monkeys parental controls, 12 Monkeys age rating, 12 Monkeys violence, 12 Monkeys disturbing content, 12 Monkeys mature themes, 12 Monkeys parental review, 12 Monkeys suitability for children, 12 Monkeys TV show guide for parents.

Publisher: Sci-Fi Insights Publishing, a reputable publisher known for its in-depth analyses of science fiction and fantasy media, particularly concerning their suitability for various age groups. They have a strong reputation for providing accurate and well-researched parental guides.

Editor: Marcus Bell, experienced editor with over 15 years of experience in publishing and a particular focus on media criticism and parental guidance materials.

Summary: This comprehensive 12 Monkeys parents guide provides a detailed analysis of the science fiction thriller's content, helping parents decide if the show is appropriate for their children. The guide covers various aspects, including violence, mature themes, language, and frightening elements, providing specific examples and contextualizing them within the show's narrative. It aims to equip parents with the information they need to make informed decisions regarding their children's viewing habits, offering practical suggestions for managing potentially problematic content. The guide also examines the show's complex themes, such as time travel, determinism versus free will, and the consequences of actions, offering insight into their potential impact on young viewers. The ultimate goal is to provide a balanced and thorough 12 Monkeys parents guide, empowering parents to engage in meaningful discussions with their children about the show's sophisticated narrative and challenging concepts.

1. Violence in 12 Monkeys: A Parental Perspective

The Syfy series 12 Monkeys is not for the faint of heart. A significant portion of the 12 Monkeys parents guide must address the show's depiction of violence. While the show isn't gratuitously violent, it features realistic and often brutal depictions of fighting, gun violence, and physical assault. Many scenes involve intense close-quarters combat, showing injuries in detail. These are not sanitized depictions; they're designed to be impactful and reflective of the dystopian world the characters inhabit. This level of violence warrants careful consideration, particularly for younger viewers. A 12 Monkeys parents

guide should emphasize the importance of pre-viewing discussions and post-viewing conversations about the context and implications of the violence portrayed.

2. Mature Themes and Complex Narratives in the 12 Monkeys Parents Guide

Beyond the violence, 12 Monkeys tackles complex and mature themes that require careful consideration within a 12 Monkeys parents guide. The show explores themes of death, loss, trauma, mental illness, societal collapse, and the moral ambiguities of altering the past. Characters grapple with significant personal struggles, including PTSD, grief, and ethical dilemmas. The non-linear narrative structure and frequent time jumps can also be confusing for younger audiences. A 12 Monkeys parents guide must highlight these aspects, encouraging parents to assess their children's maturity level and emotional resilience before allowing them to watch.

3. Language and Sexual Content: Considerations for a 12 Monkeys Parents Guide

While not overly graphic, 12 Monkeys uses strong language, including occasional profanity. This aspect is crucial for a comprehensive 12 Monkeys parents guide, particularly for parents concerned about their children's exposure to such language. The show also includes some suggestive scenes and references to sexual activity, though these are relatively infrequent and not explicitly depicted.

4. Frightening Elements and Psychological Tension: Navigating a 12 Monkeys Parents Guide

A significant element of the show's appeal, and a significant concern in any 12 Monkeys parents guide, is its creation of sustained psychological tension and suspense. The dystopian future depicted is bleak and unsettling, with moments of genuine horror and disturbing imagery. The unpredictable nature of the narrative and the constant threat looming over the characters contribute to the show's overall unsettling atmosphere. This element is especially important for younger viewers who may find the show frightening.

5. The Importance of Pre-Viewing and Post-Viewing Discussions

A 12 Monkeys parents guide isn't just about warning of potentially problematic content; it's about actively engaging with the show's themes alongside your children. Pre-viewing discussions can prepare children for what they might encounter, while post-viewing conversations provide opportunities to process the complex emotions and ideas presented. Open communication is key, allowing parents to guide their children's understanding and help them navigate the show's challenging material.

6. Age Appropriateness and Parental Guidance Suggestions

Considering all the aforementioned aspects, a 12 Monkeys parents guide should strongly suggest parental guidance for viewers under 16. Younger viewers might struggle with the show's violence, mature themes, and frightening elements. Even older teens may benefit from parental guidance and discussion, particularly concerning the show's complex narrative and ethical dilemmas.

7. Comparing 12 Monkeys to Other Sci-Fi Shows

A useful component of a 12 Monkeys parents guide would be a comparative analysis with other similar sci-fi shows. Comparing its content and themes with those of shows rated for different age groups allows parents to better gauge the show's suitability for their children, offering them a broader context for making their decisions.

8. Utilizing Parental Controls and Streaming Service Features

Many streaming platforms offer parental control features, allowing parents to restrict access to content based on age rating or specific keywords. A 12 Monkeys parents guide should emphasize the importance of utilizing these features to manage their children's viewing habits.

9. The Educational Value of 12 Monkeys - A Paradoxical Element

Despite the show's dark content, 12 Monkeys offers potential educational value. It sparks discussions about important social and ethical issues, prompting critical thinking and exploring complex philosophical concepts. This aspect should be considered within a 12 Monkeys parents guide, highlighting the potential for positive engagement if viewed and discussed appropriately.

Conclusion:

This comprehensive 12 Monkeys parents guide provides a detailed and nuanced overview of the show's content, helping parents make informed decisions regarding their children's viewing. By understanding the various aspects of the show – violence, mature themes, language, and frightening elements – parents can engage in meaningful conversations with their children, transforming potential viewing challenges into opportunities for growth and critical discussion. The aim is not to prevent viewing but to ensure a safe and enriching experience.

FAQs:

1. What is the official age rating for 12 Monkeys? The official rating varies by region but generally falls within the TV-MA category, suggesting it's unsuitable for children and young teenagers.
1. Is 12 Monkeys too violent for teenagers? The level of violence might be disturbing for some teenagers; parental discretion is advised, especially for younger teenagers.
1. What are the most disturbing scenes in 12 Monkeys? Some of the most disturbing scenes involve graphic violence, depictions of death, and unsettling imagery related to the dystopian future.
1. Does 12 Monkeys contain sexual content? There are some suggestive scenes and references to sexual activity, but explicit depictions are rare.
1. How can I discuss the complex themes of 12 Monkeys with my child? Start by asking open-ended questions, encouraging your child to express their feelings and interpretations of the show's narrative.
1. What are the benefits of watching 12 Monkeys with parental guidance? Guided viewing can foster critical thinking, promote discussions about complex themes, and strengthen family bonds.
1. Are there parental controls I can use for 12 Monkeys? Most streaming platforms offer parental controls that allow you to restrict access to mature content.
1. How does the non-linear narrative affect the show's suitability for children? The time jumps and complex plot can be confusing and overwhelming for younger audiences.

1. Can watching 12 Monkeys be a positive experience for teenagers? With parental guidance and thoughtful discussion, the show's challenging themes can offer valuable opportunities for growth and learning.

12 monkeys parents guide: Girl Giant and the Monkey King Van Hoang, 2020-12-01 From debut author Van Hoang comes *Girl Giant and the Monkey King*, a tale packed with magic, adventure, and middle-school woes—perfect for fans of Rick Riordan and Roshani Chokshi. Eleven-year-old Thom Ngho is keeping a secret: she's strong. Like suuuuper strong. Freakishly strong. And it's making it impossible for her to fit in at her new middle school. In a desperate bid to get rid of her super strength, Thom makes a deal with the Monkey King, a powerful deity and legendary trickster she accidentally released from his 500-year prison sentence. Thom agrees to help the Monkey King get back his magical staff if he'll take away her strength. Soon Thom is swept up in an ancient and fantastical world in where demons, dragons, and Jade princesses actually exist. But she quickly discovers that magic can't cure everything, and dealing with the trickster god might be more trouble than it's worth. Kirkus Best Book of 2020

12 monkeys parents guide: A Parents' and Teachers' Guide to Bilingualism Colin Baker, 2014-04-03 In this accessible guide to bilingualism in the family and the classroom, Colin Baker delivers a realistic picture of the joys and difficulties of raising bilingual children. 12 monkeys parents guide: Maximize Your Child's Bilingual Ability Adam Beck, 2016-05-06 Adam Beck, founder of the popular blog Bilingual Monkeys and the lively forum The Bilingual Zoo, provides a roadmap to greater success and joy raising bilingual kids in this practical and comprehensive guide for parents and teachers. A longtime practitioner of bilingual development in children, Beck shares the best of his personal experience as an educator and parent, offering a wealth of actionable advice in his engaging and empowering book.--page 4 of cover.

12 monkeys parents guide: Good Nights Maria Goodavage, Jay Gordon, 2007-04-01 Your baby sleeps in your bed, and you love it. Except for those nagging worries about safety. (She's so small, I'm so big!) And what your relatives are saying. (She'll never leave your bed!) And that little foot that always ends up on your face. Worry no more! *Good Nights* puts your concerns about the family bed to rest, with fun and easy-to-use guidance on safety, coping with criticism, and even keeping the spark in your marriage (albeit outside the bedroom). With warmth and humor, Dr. Jay Gordon, a nationally recognized pediatrician who has endorsed the family bed for decades, and Maria Goodavage, a former USA Today staff writer with training in sleep research, give you everything you'll need in order to thrive - and at times, simply survive - with the family bed. *Good Nights* provides a comprehensive look at: - SCIENTIFIC RESEARCH - Science is uncovering a wealth of advantages, including possible protection from SIDS, for babies who share their parents' bed. - SURPRISING BENEFITS - Parents of young babies get much more sleep with the family bed! And little ones who spend time sleeping next to parents end up more independent (you read that right!) and closer to their parents than their cribbed peers. - SAFETY - The authors give simple-to-follow advice on how to make your family bed at least as safe as a crib. - SOUND SLEEP - Yes, it can be had. *Good Nights* lets you know how to overcome the obstacles. - SEX - Ditto. - SAYING GOOD-BYE -

Your child really will leave your bed! Good Nights helps you help your child move on when the time is right. If you're among the record number of parents turning to the family bed, turn to Good Nights. It's a bedside companion you won't want to be without.

12 monkeys parents guide: Battle Bunny Jon Scieszka, Mac Barnett, 2013-10-22 Alex, whose birthday it is, hijacks a story about Birthday Bunny on his special day and turns it into a battle between a supervillain and his enemies in the forest—who, in the original story, are simply planning a surprise party.

12 monkeys parents guide: Parent's Guide to Coping with Autism Sarah Ziegel, 2016-07-31 This is an essential guide for parents and carers coping with children with autism. When Sarah Ziegel's twin boys were diagnosed with autism, aged almost three, she realized that there was very little practical information about what to do. When her next two children were also diagnosed with the condition, she was even more determined to put that lack of information right. This book is the result of Sarah's experiences of dealing with autism in the family. While covering personal aspects such as coping emotionally with a diagnosis, the book also tackles practical matters, such as education and the EHCP process, how to get help and support, and also considers the medical side of autism. Written by a former nurse, and full-time mother and carer, *A Parent's Guide to Coping with Autism* is a highly sensitive and professional guide and is the book you will want to reach for when faced with a diagnosis, or if you simply want to find out more about the condition.

12 monkeys parents guide: The Third Wheel: Diary of a Wimpy Kid (BK7) Jeff Kinney, 2012-11-14 In *The Third Wheel*, love is in the air—but what does that mean for Greg Heffley? A Valentine's Day dance at Greg's middle school has turned his world upside down. As Greg scrambles to find a date, he's worried he'll be left out in the cold on the big night. His best friend, Rowley, doesn't have any prospects either, but that's a small consolation. Then an unexpected twist gives Greg a partner for the dance and leaves Rowley the odd man out. But a lot can happen in one night, and in the end, you never know who's going to be lucky in love. 'Writing *The Third Wheel* has been a lot of fun because there's so much humor to be mined in the world of middle school romance. When the dust settles at the end of the seventh book, the Wimpy universe will be changed in a way that will surprise fans of the series.' says author, Jeff Kinney.

12 monkeys parents guide: Involving Parents Through Children's Literature Anthony D. Fredericks, 1992-09-15 You'll appreciate these tools for parent participation in the learning process. Reproducible activity sheets based on quality children's books are designed as take-home assignments for children. Each sheet includes a book summary, discussion questions, and a list of engaging learning activities for adults and children that increase discussion, reading skills, and comprehension.

12 monkeys parents guide: Eleanor & Park Rainbow Rowell, 2013-02-26 #1 New York Times Best Seller! *Eleanor & Park* reminded me not just what it's like to be young and in love with a girl, but also what it's like to be young and in love with a book.—John Green, *The New York Times Book Review* Bono met his wife in high school, Park says. So did Jerry Lee Lewis, Eleanor answers. I'm not kidding, he says. You should be, she says, we're 16. What about Romeo and Juliet? Shallow, confused, then dead. I love you, Park says. Wherefore art thou, Eleanor answers. I'm not kidding, he says. You should be. Set over the course of one school year in 1986, this is the story of two star-crossed misfits—smart enough to know that first love almost never lasts, but brave and desperate enough to try. When Eleanor meets Park, you'll remember your own first love—and just how hard it pulled you under. A New York Times Best Seller! A 2014 Michael L. Printz Honor Book for Excellence in Young Adult Literature *Eleanor & Park* is the winner of the 2013 Boston Globe Horn Book Award for Best Fiction Book. A Publishers Weekly Best Children's Book of 2013 A New York Times Book Review Notable Children's Book of 2013 A Kirkus Reviews Best Teen Book of 2013 An NPR Best Book of 2013

12 monkeys parents guide: Catching Fire (Hunger Games, Book Two) Suzanne Collins, 2010-06-01 The second book in Suzanne Collins's phenomenal and worldwide bestselling *Hunger Games* trilogy. Against all odds, Katniss Everdeen has won the annual Hunger Games with fellow

district tribute Peeta Mellark. But it was a victory won by defiance of the Capitol and their harsh rules. Katniss and Peeta should be happy. After all, they have just won for themselves and their families a life of safety and plenty. But there are rumors of rebellion among the subjects, and Katniss and Peeta, to their horror, are the faces of that rebellion. The Capitol is angry. The Capitol wants revenge.

12 monkeys parents guide: *Monkey and Me* Emily Gravett, 2014-02-11 Monkey and me, Monkey and me, Monkey and me, We went to see... A little girl and her toy monkey love imitating different animals, everything from jumping like kangaroos to waddling like penguins! Open this book and play along with them. Can you guess what animal they are now?

12 monkeys parents guide: *Dorothy Must Die* Danielle Paige, 2014-04-01 The New York Times bestselling first book in a dark series that reimagines the Oz saga, from debut author Danielle Paige. Start at the beginning and discover your new series to binge! My name is Amy Gumm—and I'm the other girl from Kansas. I've been recruited by the Revolutionary Order of the Wicked. I've been trained to fight. And I have a mission: Remove the Tin Woodman's heart. Steal the Scarecrow's brain. Take the Lion's courage. And—Dorothy must die. I didn't ask for any of this. I didn't ask to be some kind of hero. But when your whole life gets swept up by a tornado—taking you with it—you have no choice but to go along, you know? Sure, I've read the books. I've seen the movies. I know the song about the rainbow and the happy little blue birds. But I never expected Oz to look like this. To be a place where Good Witches can't be trusted, Wicked Witches may just be the good guys, and winged monkeys can be executed for acts of rebellion. There's still a road of yellow brick—but even that's crumbling. What happened? Dorothy. They say she found a way to come back to Oz. They say she seized power and the power went to her head. And now no one is safe.

12 monkeys parents guide: *With Malice* Eileen Cook, 2016-06-09 Wish you weren't here . . . When Jill wakes up in a hospital bed with her leg in a cast, the last six weeks of her life are a complete blank. All she has been told is that she was involved in a fatal accident while on a school trip in Italy and had to be jetted home to receive intensive care. Care that involves a lawyer. And a press team. Because maybe the accident . . . wasn't just an accident. With no memory of what happened or what she did, can Jill prove her innocence? And can she really be sure that she isn't the one to blame?

12 monkeys parents guide: The Couple Next Door Shari Lapena, 2016-08-23 A NEW YORK TIMES BESTSELLER Another thrilling domestic suspense novel from the New York Times bestselling author of *Not a Happy Family* “The twists come as fast [as] you can turn the pages.” —People “I read this novel at one sitting, absolutely riveted by the storyline. The suspense was beautifully rendered and unrelenting!” —Sue Grafton It all started at a dinner party. . . A domestic suspense debut about a young couple and their apparently friendly neighbors—a twisty, rollercoaster ride of lies, betrayal, and the secrets between husbands and wives. . . Anne and Marco Conti seem to have it all—a loving relationship, a wonderful home, and their beautiful baby, Cora. But one night, when they are at a dinner party next door, a terrible crime is committed. Suspicion immediately lands on the parents. But the truth is a much more complicated story. Inside the curtained house, an unsettling account of what actually happened unfolds. Detective Rasbach knows that the panicked couple is hiding something. Both Anne and Marco soon discover that the other is keeping secrets, secrets they've kept for years. What follows is the nerve-racking unraveling of a family—a chilling tale of deception, duplicity, and unfaithfulness that will keep you breathless until the final shocking twist.

12 monkeys parents guide: The Terrible Two Mac Barnett, Jory John, 2015-01-13 Miles Murphy is not happy to be moving to Yawnee Valley, a sleepy town that's famous for one thing and one thing only: cows. In his old school, everyone knew him as the town's best prankster, but Miles quickly discovers that Yawnee Valley already has a prankster, and a great one. If Miles is going to take the title from this mystery kid, he is going to have to raise his game. It's prankster against prankster in an epic war of trickery, until the two finally decide to join forces and pull off the biggest prank ever seen: a prank so huge that it would make the members of the International Order of Disorder proud. In *The Terrible Two*, bestselling authors and friends Mac Barnett and Jory John have created a series that has its roots in classic middle-grade literature yet feels fresh and new at the same time. Advance Praise for *The Terrible Two* "A double helping of fun and mischief!" —Jeff Kinney, author of the *Diary of a Wimpy Kid* Series "The pranks, the brotherhood, the art, the heart! What's not to love about the Terrible Two?" —Sara Pennypacker, author of the *Clementine* series "You don't have to be a cow, like cows, or even know a cow to love the Terrible Two." —Dave Eggers "This book is terrible! Terribly funny, terribly full of pranks, and terribly wonderful." —Jon Scieszka, author of *The Stinky Cheese Man* and the *Frank Einstein* series "The Terrible Two are my kind of kids. And what's more, they're kids' kind of kids." —Annie Barrows, author of the *Ivy & Bean* series "Hilarious." —Dav Pilkey, author of the *Captain Underpants* series

12 monkeys parents guide: The 13-storey Treehouse (full Colour Edition) Andy Griffiths, 2023 Andy and Terry's 13-storey treehouse is the most amazing treehouse in the world! It's got a bowling alley, a see-through swimming pool, a tank full of man-eating sharks, a giant catapult, a secret underground laboratory and a marshmallow machine that follows you around and shoots marshmallows into your mouth whenever you're hungry. And, now, *The 13-Storey Treehouse* is in colour! Well, what are you waiting for? Come on up!

12 monkeys parents guide: Coraline Neil Gaiman, 2008-01-01 A brilliant graphic novel adaptation of Neil Gaiman's critically acclaimed novel for young people. When Coraline moves to a new home, she is fascinated by the fact that the 'house' is really only half a house - it was divided into flats years before. And it soon becomes clear to Coraline that the other flat is not quite as cosy and safe as her own.

12 monkeys parents guide: Children of the Flying City Jason Sheehan, 2022-03-15 "Richly imagined and emotionally resonant, *Children of the Flying City* is a fantasy for young and old alike.

This book gave my heart wings.” -Pierce Brown, #1 New York Times bestselling author of *Red Rising* “Children of the Flying City feels, at once, timeless and wondrously, gloriously new.” -Katie Williams, author of *Tell the Machine Goodnight* Brought to the flying city of Highgate when he was only five years old, orphan Milo Quick has never known another home. Now almost thirteen, Milo survives one daredevil grift at a time, relying only on his wit, speed, and best friends Jules and Dagda. A massive armada has surrounded Highgate’s crumbling armaments. Because behind locked doors—in opulent parlors and pneumatic forests and a master toymaker’s workshop—the once-great flying city protects a powerful secret, hidden away for centuries. A secret that’s about to ignite a war. One small airship, the Halcyon, has slipped through the ominous blockade on a mission to collect Milo—and the rich bounty on his head—before the fighting begins. But the members of the Halcyon’s misfit crew aren’t the only ones chasing Milo Quick. True friendship is worth any risk in this clever, heart-racing adventure from award-winning author and journalist Jason Sheehan. Sheehan weaves together wry narration and multiple points of view to craft a richly imagined tale that is dangerous and surprising, wondrous and joyful.

12 monkeys parents guide: *Wayside School Is Falling Down* Louis Sachar, 2021-08-05

Welcome back to a new year at Wayside School – where things are as strange and eccentric as ever. There are twenty-nine kids in Mrs Jewls's class on the thirtieth floor, and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved by Leslie's pigtails; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn each day at Wayside School into one madcap adventure after another. From top to bottom, Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff. Part of Louis Sachar's much-loved Wayside School series, this is an unmissable, irrepressible story of mixed-up mayhem from the bestselling author of *Holes*.

12 monkeys parents guide: *Behave* Robert M. Sapolsky, 2017-05-02 Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could, looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going--next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests cutting-edge research across a range of

disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, *Behave* is a towering achievement, powerfully humanizing, and downright heroic in its own right.

12 monkeys parents guide: Understanding Abnormal Child Psychology Vicky Phares, 2020-09-09 In *Understanding Abnormal Child Psychology*, students will learn about both normative and abnormal development throughout children's lives. Consistent with previous editions, several themes run throughout the book: Developmental psychopathology: Children's and adolescents' behaviors are on a continuum (from very adaptive to very maladaptive), with only the very severe ends of the spectrum being conceptualized as disorders. Diversity, inclusion, and understanding: Special attention is given to issues of race/ethnicity, gender, family constellation, religious orientation, primary language, socioeconomic status, and physical differences to help students see the commonalities and differences of abnormal child behavior within a cross-cultural and international context. New to the 4th edition Completely revised in both structure and content to reflect the DSM-5 Increase coverage of risk factors related to long-term effects of sexual abuse and bullying. Increased coverage of diversity to include new diversities that have emerged as important, i.e. transgender children New research on suicide and suicide prevention

12 monkeys parents guide: Billboard , 1996-08-31 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

12 monkeys parents guide: The Deep Nick Cutter, 2015-01-13 Afraid of the dark? You should be ... Part horror, part psychological nightmare, *The Deep* by Nick Cutter is a novel fans of Stephen King and Clive Barker won't want to miss. A plague is destroying the world's population. The 'Gets makes people forget. First it's the small things, like where you left your keys ... then the not-so-small things, like how to drive. And finally your body forgets how to live. But now an unknown substance with extraordinary power to heal has been discovered in the depths of the Pacific Ocean. Nicknamed ambrosia, it might just be the miracle cure the world has been praying for. A research lab has been established eight miles below the sea's surface, but all contact with the team has been lost. Dr Luke Nelson's brother is down there and as desperation for a cure outweighs common sense, he agrees to descend through the lightless fathoms ... perhaps to face an evil blacker than anything he could have imagined.

12 monkeys parents guide: Turn-taking in human communicative interaction Judith Holler, Kobin H. Kendrick, Marisa Casillas, 2016-05-09 The core use of language is in face-to-face conversation. This is characterized by rapid turn-taking. This turn-taking poses a number central puzzles for the psychology of language. Consider, for example, that in large corpora the gap between turns is on the order of 100 to 300 ms, but the latencies involved in language production require minimally between 600 ms (for a single word) or 1500 ms (for as simple sentence). This implies that participants in conversation are predicting the ends of the incoming turn and preparing in advance. But how is this done? What aspects of this prediction are done when? What happens when the prediction is wrong? What stops participants coming in too early? If the system is running on prediction, why is there consistently a mode of 100 to 300 ms in response time? The timing puzzle raises further puzzles: it seems that comprehension must run parallel with the preparation for production, but it has been presumed that there are strict cognitive limitations on more than one central process running at a time. How is this bottleneck overcome? Far from being 'easy' as some psychologists have suggested, conversation may be one of the most demanding cognitive tasks in our everyday lives. Further questions naturally arise: how do children learn to master this demanding task, and what is the developmental trajectory in this domain? Research shows that aspects of turn-taking, such as its timing, are remarkably stable across languages and cultures, but the word order of languages varies enormously. How then does prediction of the incoming turn work

when the verb (often the informational nugget in a clause) is at the end? Conversely, how can production work fast enough in languages that have the verb at the beginning, thereby requiring early planning of the whole clause? What happens when one changes modality, as in sign languages – with the loss of channel constraints is turn-taking much freer? And what about face-to-face communication amongst hearing individuals – do gestures, gaze, and other body behaviors facilitate turn-taking? One can also ask the phylogenetic question: how did such a system evolve? There seem to be parallels (analogies) in duetting bird species, and in a variety of monkey species, but there is little evidence of anything like this among the great apes. All this constitutes a neglected set of problems at the heart of the psychology of language and of the language sciences. This Research Topic contributes to advancing our understanding of these problems by summarizing recent work from psycholinguists, developmental psychologists, students of dialog and conversation analysis, linguists, phoneticians, and comparative ethologists.
