Keywords: 12 questions every couple should ask, relationship questions, premarital counseling, relationship advice, couple's therapy, communication, conflict resolution, intimacy, values, goals, finances, family planning, long-term relationship, successful marriage.

Introduction:

The journey of a relationship, whether it's a budding romance or a long-standing commitment, requires constant navigation and understanding. While love is the cornerstone, lasting happiness necessitates open communication, shared values, and a willingness to confront challenges head-on. This article delves into the crucial importance of asking the right questions, presenting 12 questions every couple should ask to lay the groundwork for a thriving, fulfilling partnership. These aren't simple yes-or-no inquiries; they are springboards for deeper conversations that expose vulnerabilities, reveal compatibilities, and illuminate potential areas of growth. By engaging with these questions thoughtfully and honestly, couples can build a stronger foundation for their future together.

12 Questions Every Couple Should Ask: A Deep Dive

The following 12 questions every couple should ask are designed to cover various aspects of a relationship, from fundamental values to long-term aspirations:

1. What are your core values, and how do they align with mine?

This foundational question explores the beliefs and principles that guide each partner's life. Discrepancies in values can lead to significant conflict down the line, so understanding and acknowledging these differences—or aligning values—is crucial. The conversation should extend beyond superficial agreement to encompass deeper beliefs about family, work, spirituality, and personal ethics.

1. What are your financial goals and habits?

Money matters are a frequent source of conflict in relationships. Openly discussing financial goals, spending habits, debt, and saving strategies is essential. This isn't about judging; it's about understanding how each partner approaches finances and finding common ground for shared financial responsibility. Consider discussing future financial plans, such as buying a home or investing.

1. How do you handle conflict and disagreements?

Healthy conflict resolution is a vital skill for any lasting relationship. Exploring how each partner handles disagreements—whether through avoidance, aggression, or constructive dialogue—provides insights into communication styles and conflict resolution approaches. The ideal is to find strategies that promote mutual understanding and compromise, avoiding destructive patterns.

1. What are your expectations for household chores and responsibilities?

Dividing household chores and responsibilities fairly can prevent resentment and maintain a sense of equity in the relationship. This conversation should cover everything from cooking and cleaning to yard work and bill payments. Openly discussing expectations and finding a balance that works for both partners is key.

1. What are your long-term life goals, both personal and professional?

Sharing aspirations for the future is critical for long-term compatibility. This encompasses career goals, educational pursuits, travel desires, and family planning. Understanding each other's ambitions and how they might intertwine or diverge is essential for making informed decisions together.

1. What is your vision for our future together?

This question encourages partners to envision their shared future, including where they see themselves living, the kind of family they want to build (if any), and their shared goals for the coming years. Differences in visions can reveal incompatibility, while shared visions reinforce a sense of unity and purpose.

1. How do you define intimacy and what are your needs in this area?

Intimacy encompasses emotional, physical, and intellectual connection. Openly discussing intimacy needs and preferences is crucial for building a fulfilling and satisfying relationship. This conversation requires vulnerability and honesty but fosters a deeper understanding and mutual respect.

1. How do you handle stress and challenges?

Life inevitably throws curveballs. Understanding how each partner copes with stress and adversity is vital. This conversation should explore coping mechanisms, support systems, and the ability to navigate difficult times together.

1. What are your thoughts on family and how much involvement do you desire?

Family dynamics can significantly impact a relationship. Discussing expectations about family involvement, holiday celebrations, and the role of extended family members is vital for setting healthy boundaries and avoiding conflict.

1. What are your thoughts on children and family planning?

If children are a consideration, this requires a comprehensive discussion of desires, timing, and the responsibilities associated with parenthood. Openly addressing differing views on family planning can prevent future misunderstandings and heartache.

1. What are your expectations for communication in our relationship?

Effective communication is the bedrock of any successful relationship. This question encourages partners to define their preferred communication styles, including frequency, methods, and expectations for honesty and transparency.

1. How will we make significant decisions together?

Establishing a decision-making process is crucial for navigating major life choices, from purchasing a home to handling financial emergencies. This conversation should define how disagreements will be resolved and ensure both partners feel heard and respected.

Challenges and Opportunities Presented by these 12 Questions Every Couple Should Ask:

Addressing these 12 questions every couple should ask presents both challenges and opportunities. The challenges include vulnerability, confronting potential incompatibilities, and facing difficult conversations. However, the opportunities are immense. Open and honest dialogue builds trust, strengthens communication, fosters intimacy, and lays a solid foundation for a fulfilling and lasting partnership. These conversations can also highlight areas where professional guidance, such as premarital counseling, may be beneficial.

Summary:

This article emphasizes the critical role of asking the right questions in building a strong and lasting relationship. The 12 questions every couple should ask, discussed in detail, cover essential aspects of a relationship, including values, finances, conflict resolution, intimacy, and long-term goals. By engaging in these conversations, couples can identify areas of

compatibility and incompatibility, foster deeper understanding, and strengthen their bond. The article highlights both the challenges and opportunities inherent in these conversations, emphasizing the importance of open communication and a willingness to address potential conflicts proactively.

Conclusion:

Asking the right questions is not just about gathering information; it's about building a shared understanding and fostering a strong foundation for a successful relationship. The 12 questions every couple should ask, outlined in this article, serve as a starting point for ongoing dialogue, self-reflection, and mutual growth. By embracing vulnerability and engaging in open communication, couples can cultivate a relationship characterized by trust, intimacy, and lasting happiness. Remember, the journey of a relationship is continuous; these questions should be revisited throughout the relationship to ensure ongoing alignment and growth.

FAQs:

1. Are these questions only for couples considering marriage? No, these questions are beneficial for all couples, regardless of their relationship stage. They can be used to assess compatibility, address existing issues, and foster deeper connection.
1. What if we disagree on some of these answers? Disagreements are opportunities for growth. Honest discussion about differences can lead to compromise, finding common ground, or realizing potential incompatibilities.
1. Is it necessary to discuss all 12 questions at once? No, these questions can be addressed gradually over time. The most important aspect is to foster open communication and create a safe space for honest dialogue.
1. What if one partner is reluctant to answer these questions? This reluctance may indicate underlying issues that need to be addressed. Creating a safe and supportive environment where both partners feel comfortable sharing is crucial.

1. Can these questions help prevent relationship problems? Yes, open communication and proactively addressing potential issues can significantly reduce relationship conflicts.
1. Should we involve a therapist in these discussions? If a couple finds it difficult to discuss these questions openly, a therapist can provide a neutral space and guidance.
1. How often should we revisit these questions? Revisiting these questions periodically, perhaps annually or as significant life changes occur, can help maintain alignment and prevent future misunderstandings.
1. What if one partner feels pressured to answer certain questions? Pressure undermines the process. Ensure both partners feel comfortable sharing at their own pace and avoid forcing answers.
1. Are there alternative questions I can ask? These 12 questions are a starting point. You can adapt or add questions based on your specific relationship dynamics and concerns.

12 questions every couple should ask: *12 Questions to Ask Before You Marry* Clayton King, Sharie King, 2011-08-01 Today, marriages have a 50 percent chance of lasting. Longing to improve those odds, pastor Clayton King, author of the popular *Dying to Live*, and his wife, Sharie, reveal a revolutionary biblical perspective—at the heart of a godly union is a heart of service. Love is more about understanding one's spouse than being understood. Offering wisdom from God's Word and beneficial advice from their decade of marriage, the Kings present 12 relationship-building questions for couples to ask before they wed. They guide and encourage couples to discuss their: religious backgrounds past relationships desires for family and future financial habits and goals vocational aspirations These questions reveal expectations and concerns and help each person understand the

needs and hopes of their loved one. A great resource for churches, counselors, dating couples, and young men and women who dream of a forever marriage.

12 questions every couple should ask: *The Five Love Languages* Gary Chapman, 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

12 questions every couple should ask: *The Meaning of Marriage* Timothy Keller, 2011-11-24 In previous books respected New York pastor and bestselling author Timothy Keller has looked at such diverse and topical subjects as the existence of God, our need to do justice, the meaning of Jesus' life, and the human temptation to make idols - all through the twin lenses of a biblical framework and an engagement with contemporary culture. In this new book, co-authored with his wife, Kathy, he turns his attention to that most complex of matters: our need for love, and its expression in marriage. Beginning with the biblical narrative, and its pictures of marriage that span the original ideal to the broken to the redemptive, he looks at themes of friendship and commitment; the completion of men and women in each other; singleness, sex and divorce; and ministry and discipleship within the context of marriage. This is a profound and engaging work that will challenge and inspire people in all stages of life - single, newlywed and married.

12 questions every couple should ask: *Beyond Order* Jordan B. Peterson, 2021-03-02 The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

12 questions every couple should ask: *Fierce Marriage* Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love

fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

12 questions every couple should ask: 101 Questions to Ask Before You Get Engaged H. Norman Wright, 2004-06-01 The Perfect Remedy for Cold Feet! More than half of all couples who become engaged this year will never make it to the altar. Why? Leading experts believe it's because couples fail to really get to know their potential mate before getting engaged. Relationship expert and noted couples counselor Norm Wright steers potential brides and grooms through a series of soul-searching questions to discern if they've really met the One. Couples will be much more confident about whether or not to pursue marriage after completing these in-depth and personal questions. Norm also addresses the delicate subject of calling off the wedding if readers discover that a potential mate isn't actually meant to be a life partner.

12 questions every couple should ask: Snoop Sam Gosling, 2018-10-25 Does what's in your bathroom or on your desk reveal what's on your mind? What's the best way to find out what your partner is really like? For ten years, ingenious academic Sam Gosling has been studying how people project (and protect) their inner selves. Full of cutting-edge research, Snoop will sharpen your perception of others, as well as of yourself. Amazingly, and perhaps alarmingly, Gosling proves that what we own and how we act can inadvertently reveal more about our personalities than even our most intimate conversations.

12 questions every couple should ask: Eight Dates John Schwartz Gottman, Julie Schwartz Gottman, Rachel Abrams, Doug Abrams, 2019-07-04 What really makes a relationship work? How can we stay interested in our partner for ever? How can we be happier in our marriage? Doctors John and Julie Gottman have spent over three decades studying the habits of 3000 couples. Within 10 minutes of meeting a couple, they can predict who will stay happily together or who will split up, with 94% accuracy. Based on their findings on the ingredients to a happy, lasting love life, they have now created an easy series of eight dates, spanning: - commitment & trust - conflict resolution - intimacy & sex - fun & adventure - work & money - family values - growth & spirituality - goals & aspirations Eight Dates draws on rigorous scientific and psychological research about how we fall in love using case studies of real-life couples whose relationships have improved after committing time to each other and following the dates. Full of innovative exercises and conversation starters to explore ways to deepen each aspect of the relationship, Eight Dates is an essential resource that makes a relationship fulfilling. 'Can a marriage really be understood? Yes it can. Gottman shows us how' Malcolm Gladwell, author of Blink

12 questions every couple should ask: Things I Wish I'd Known Before We Got Married Gary Chapman, 2010-09-01 OVER 500,000 COPIES SOLD! "Most people spend far more time in preparation for their vocation than they do in preparation for marriage." With more than 45 years of experience counseling couples, Gary has found that most marriages suffer due to a lack of preparation and a failure to learn to work together as intimate teammates. So he put together this practical little book, packed with wisdom and tips that will help many develop the loving, supportive, and mutually beneficial marriage they envision, such as: What the adequate foundation for a successful marriage truly is What to expect about the roles and influence of extended family How to solve disagreements without arguing How to talk through issues like money, sex, chores, and more Why couples must learn how to apologize and forgive Ideal for newly married couples and those considering marriage, the material lends itself to heart-felt, revealing, and critical conversations for relational success. Read this book and you'll be prepared for—not surprised by—the challenges of marriage. - Bonus features include: Book suggestions and an interactive websites to enhance the couples' experience "Talking it Over" questions and suggestions to jumpstart conversations over

each chapter Appendix on healthy dating relationships and an accompanying learning exercise

12 questions every couple should ask: Ready to Wed Greg Smalley, Erin Smalley, 2015-04-16 Are You Planning a Wedding or Preparing for a Marriage? Like most engaged couples, you're researching venues, trying on dresses and picking out tuxedos or suits, tasting sample dishes, dreaming of honeymoon destinations, and doing everything to ensure your wedding day is the event of a lifetime. But as more seasoned couples will tell you, there's more to a marriage than a wedding. A lot more. How do you build a marriage that you've dreamed of? Dr. Greg Smalley, vice president of marriage at Focus on the Family, and his wife, Erin, along with 14 marriage experts, serve as your marriage guides as you prepare for life beyond the wedding day. From how to handle those everyday conflicts to how to better connect on a spiritual level, they'll show you how to get ready for a lifetime of commitment. When the flowers have faded and the last morsel of cake has been eaten, you'll stand with your new spouse, ready to face life together. Equip yourself for a marriage that lasts by learning: How to leave your parents (while still honoring them) and cleave to your spouse Why spiritual intimacy is key to a lasting relationship Why the language of love is communication (and how to build it) How to manage conflict in a healthy, God-honoring way Why sexual intimacy in your marriage will be the gift that keeps on giving Invest in a marriage that will last for decades. Are you ready?

12 questions every couple should ask: 1001 Questions to Ask Before You Get Married Monica Mendez Leahy, 2004-04-27 The relationship expert from the Ladies' Home Journal, the Wall Street Journal, and Lifetime Television shows how to prevent marriage problems before they start There's nothing wrong with starter jobs and starter homes, but starter marriages? Relationship expert Monica Mendez Leahy is on a mission to help readers make their marriage last. Her 1,001 Questions to Ask Before You Get Married offers a reality check for couples on the marriage path, helping them realize how much they have yet to discover about their partner's nature, thought processes, lifestyle, and marital expectations. Engaged couples learn to discuss issues deeper than chicken or fish and to broach subjects that are often ignored before the nuptials yet essential for the foundation of an intimate, long-lasting relationship. Posed in a variety of fun formats, including multiple choice, fill-in-the-blank, and hypotheticals, these questions include topics such as: Does your partner feel that you're too attached to your parents? Is there such a thing as innocent flirting? Is it OK to cheat on your taxes? And more

12 questions every couple should ask: A More Beautiful Question Warren Berger, 2014-03-04 To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from "How can I adapt my career in a time of constant change?" to "How can I step back from the daily rush and figure out what really makes me happy?" By showing how to approach questioning with an open, curious mind and a willingness to work through a series of "Why," "What if," and "How" queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

12 questions every couple should ask: Power Questions Andrew Sobel, Jerold Panas, 2012-02-07 An arsenal of powerful questions that will transform every conversation Skillfully redefine problems. Make an immediate connection with anyone. Rapidly determine if a client is ready to buy. Access the deepest dreams of others. Power Questions sets out a series of strategic

questions that will help you win new business and dramatically deepen your professional and personal relationships. The book showcases thirty-five riveting, real conversations with CEOs, billionaires, clients, colleagues, and friends. Each story illustrates the extraordinary power and impact of a thought-provoking, incisive power question. To help readers navigate a variety of professional challenges, over 200 additional, thought-provoking questions are also summarized at the end of the book. In *Power Questions* you'll discover: The question that stopped an angry executive in his tracks The sales question CEOs expect you to ask versus the questions they want you to ask The question that will radically refocus any meeting The penetrating question that can transform a friend or colleague's life A simple question that helped restore a marriage When you use power questions, you magnify your professional and personal influence, create intimate connections with others, and drive to the true heart of the issue every time.

12 questions every couple should ask: How to Fall in Love with Anyone Mandy Len Catron, 2017-06-27 "A beautifully written and well-researched cultural criticism as well as an honest memoir" (Los Angeles Review of Books) from the author of the popular New York Times essay, "To Fall in Love with Anyone, Do This," explores the romantic myths we create and explains how they limit our ability to achieve and sustain intimacy. What really makes love last? Does love ever work the way we say it does in movies and books and Facebook posts? Or does obsessing over those love stories hurt our real-life relationships? When her parents divorced after a twenty-eight year marriage and her own ten-year relationship ended, those were the questions that Mandy Len Catron wanted to answer. In a series of candid, vulnerable, and wise essays that takes a closer look at what it means to love someone, be loved, and how we present our love to the world, "Catron melds science and emotion beautifully into a thoughtful and thought-provoking meditation" (Bookpage). She delves back to 1944, when her grandparents met in a coal mining town in Appalachia, to her own dating life as a professor in Vancouver. She uses biologists' research into dopamine triggers to ask whether the need to love is an innate human drive. She uses literary theory to show why we prefer certain kinds of love stories. She urges us to question the unwritten scripts we follow in relationships and looks into where those scripts come from. And she tells the story of how she decided to test an experiment that she'd read about—where the goal was to create intimacy between strangers using a list of thirty-six questions—and ended up in the surreal situation of having millions of people following her brand-new relationship. "Perfect fodder for the romantic and the cynic in all of us" (Booklist), *How to Fall in Love with Anyone* flips the script on love. "Clear-eyed and full of heart, it is mandatory reading for anyone coping with—or curious about—the challenges of contemporary courtship" (The Toronto Star).

12 questions every couple should ask: Before You Save the Date Paul A. Friesen, 2010-04

12 questions every couple should ask: 201 Relationship Questions Barrie Davenport, 2015-09-03 Building a trusting, close bond requires communication, mutual respect and a bit of compromise. By understanding each other's needs and desires, you create a safe, loving couple bubble to protect your bond and make it stronger. 12 questions every couple should ask: Why Men Marry Some Women and Not Others John T. Molloy, 2008-12-14 A groundbreaking book--based on years of the same thorough research that made the *Dress For Success* books national bestsellers--about how women can statistically improve their chances of getting married.

12 questions every couple should ask: 101 Questions to Ask Before You Get Remarried H. Norman Wright, 2012-10-01 Respected Christian counselor H. Norman Wright draws from his extensive experience to help couples establish strong, loving marriages. Whether divorced or

widowed, people who marry again face unique challenges. Through 101 questions, Norm helps readers know their own views and understand where they agree and disagree with their future mates on finances, roles, sexuality, children, responsibilities, and previous relationship issues. Couples will work together to: make sure they're ready for a new marriage discover the essentials for successful remarriages clearly communicate personal and family needs establish realistic expectations for their new marriage handle common problems in remarriage: previous partners, in-laws (past and present), merged families, money, sexual issues Offering plenty of room for written responses, this essential premarriage guide helps couples work through problem areas before they become issues. They will also discover areas of strength and agreement that will help them establish a solid foundation for success. Ideal for couples, study groups, ministers, and counselors.

12 questions every couple should ask: Loving Bravely Alexandra H. Solomon, 2017-02-02 As seen on The TODAY Show! "A godsend to anyone searching for, but struggling to find, true love in their lives." —Kristin Neff, PhD, author of *Self-Compassion* Empowering and compassionate, and its lessons are universal. —Publishers Weekly Real love starts with you. In order to attract a life partner and build a healthy intimate relationship, you must first become a good partner to yourself. This book offers twenty invaluable lessons that will help you explore and commit to your own emotional and psychological well-being so you can be ready, resilient, and confident in love. Many of us enter into romantic relationships full of expectation and hope, only to be sorely disappointed by the realization that the partner we've selected is a flawed human being with their own neuroses, history, and desires. Most relationships end because one or both people haven't done the internal work necessary to develop self-awareness and take responsibility for their own experiences. We've all heard "You can't love anyone unless you love yourself," but amid life's distractions and the myth of perfect, romantic love, how exactly do you do that? In *Loving Bravely*, psychologist, professor and relationship expert Alexandra H. Solomon introduces the idea of relational self-awareness, encouraging you to explore your personal history to gain an understanding of your own relational patterns, as well as your strengths and weaknesses in relationships. By doing so, you'll learn what relationships actually require, beyond the fairytale notions of romance. And by maintaining a steady but gentle focus on yourself, you'll build the best possible foundation for making a loving connection. By understanding your past relationship experiences, cultivating a strong sense of self-awareness, and determining what it is you really want in a romantic partner—you'll be ready to find the healthy, lasting love your heart desires.

12 questions every couple should ask: Intellectual Foreplay Eve Eschner Hogan, 2011-01-01 This solutions-oriented guide offers problem solving and behavior changing strategies for people working on their most intimate relationships. The book provides readers with: enhanced knowledge of their own and their partners' beliefs, values, habits, desires, goals, likes, and dislikes; ideas for opening communication and deepening a relationship; skills for making healthy decisions about lifestyles and boundaries; an in-depth understanding of the role of self-esteem in relationships; increased ability to let go of the past and embrace the present; and the knowledge that it is important not only to choose the right partner, but also to be the right partner. What distinguishes *Intellectual Foreplay* from similar titles is that it includes guidelines on what to do with the answers it gives. This makes it useful in both creating and sustaining a relationship.

12 questions every couple should ask: Magnetic Partners Stephen Betchen, 2010-05-18 Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them

developed growing up—which he calls a master conflict. The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. *Partners*

12 questions every couple should ask: *Questions for Couples* Marcus Kusi, Ashley Kusi, 2017-04-26 Do you find it difficult coming up with thought-provoking conversation starters or topics to discuss with your partner? Do you want to discover insightful questions that can lead to having deeper, exciting, and more meaningful conversations as a couple? Don't have much to talk about except the day-to-day life activities? If you answered yes to any of these questions, you're not alone. We all want to have better, more substantial, and engaging conversations everyday with our significant other. However, knowing where to start or the right questions to ask can be a challenge when things become routine. That's why we wrote *Questions for Couples*. We have used these open-ended questions to get to know each other more deeply, have better conversations, and improve our relationship. We believe these questions will do the same for your relationship too. In *Questions for Couples*, you will discover:

1. 469 Thought-provoking conversation starters for connecting, building trust, and rekindling intimacy in your relationship.
2. Fun, engaging, and open-ended questions that will lead to some of the best conversations you have had in a while with your partner, bring you closer, and really get you learning about each other.

12 questions every couple should ask: *Not Yet Married* Marshall Segal, 2017-06-20 Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you the one, but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

12 questions every couple should ask: *The Sacred Search* Gary Thomas, 2021-04-01 Bestselling author Gary Thomas transforms the way you look at romantic relationships. His unique perspective on dating will prepare you for a satisfying, spiritually enriching marriage. In the revised edition of his hit book *The Sacred Search*, Gary Thomas helps single people of all ages make wise marital choices by rethinking what basis those choices should be made on. You will be encouraged to think beyond finding your "soul mate" and instead adopt a more biblical search for a "sole mate"—someone who will walk with you on your spiritual journey. Thomas asks, What if we focused on why we should get married more than on who to marry? What if being "in love" isn't a good enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy? *The Sacred Search* casts a vision for building a relationship around shared spiritual mission—and making marriage with eternity at its heart.

12 questions every couple should ask: *Girl Defined* Kristen Clark, Bethany Baird, 2016-05-10 In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide

12 questions every couple should ask: *Preparing for Marriage* David Robbins, Meg Robbins, 2023-09-12 Get Ready for the Marriage You've Always Dreamed Of Start planning now for life together after the cake is cut and the guests head home. That is when the real adventure begins--the adventure of creating an intimate, lasting, and biblical marriage! This third edition of the FamilyLife classic has been restructured and refreshed for today's couples. Centered around essential conversations about finances, sex, family, faith, and more, *Preparing for Marriage* is a fun, romantic study that will help you target areas for growth in your relationship. You can work through the book as a couple, with a pastor or premarital counselor, or with a small group. Don't just prepare for your wedding . . . prepare for your marriage!

12 questions every couple should ask: *Tiny Love Stories* Daniel Jones, Miya Lee, 2020-12-08 "Charming. . . A moving testament to the diversity and depths of love." —Publishers

Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

12 questions every couple should ask: Same-sex Marriage Debate Justin Healey, 2013 Same-sex marriages are currently not permitted under Australian federal law. Although same-sex couples in a de facto relationship have had most of the legal rights of married couples since July 2009, there is however no national registered partnership or civil union scheme.

12 questions every couple should ask: *Who's Picking Me Up from the Airport?* Cindy Johnson, 2015-02-03 What lifts a single girl's spirit most—aside from finding a man, of course—is meeting other girls in her same boat. *Who's Picking Me Up From the Airport?* opens with Cindy Johnson's story and she will quickly become your newfound single companion. Her refreshing and comical commentary on adult Christian dating provides readers the much needed opportunity to laugh and celebrate single life for what it is: joyful and complicated. Beneath the candor and self-deprecation, *Who's Picking Me Up From the Airport?* is built on the question, "Does Jesus actually care about dating and singleness? And if so, how does he enter into it?" Have you ever found yourself wary of voicing your concerns for fear of appearing desperate or lacking in faith. Cindy's choice to put it all out there creates a powerful and much needed safe place for vulnerability and honesty around singleness. This book addresses head on the difficult reality experienced by singles in the Church. Cindy will push you to seek Jesus first, even when you don't get the things you want. Each chapter begins with a short letter written by single Christian women to other women from all walks of life. You will be reminded that you are not alone. In authentic pages filled with humor and truth, you will find in *Who's Picking Me Up from the Airport?* what you need most—a friend.

12 questions every couple should ask: Presentation Zen Garr Reynolds, 2009-04-15 FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making slide presentations in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

12 questions every couple should ask: *Before You Tie the Knot* Salma Elkadi Abugideiri, Mohamed Hag Magid, Salma Elkadi Abugideiri Lpc, 2014-08-07 Marriage is a natural developmental stage for most adults but the process of getting married and achieving a successful, long-lasting marriage can be fraught with challenges for Muslims in North America. The authors present a unique approach that reflects 40 years of combined experience in counseling couples. Mohamed Hag Magid is a prominent imam at one of the largest mosques in the US, and Salma Elkadi Abugideiri is a licensed mental health professional. The two provide an Islamic framework for the entire marriage process and present marriage as a partnership while underscoring the ingredients for successfully finding a spouse, as well as for establishing and maintaining a healthy marriage. This book is invaluable for anyone seeking marriage, as well as for parents who are involved in their children's marriage process. Those getting re-married after a divorce or death of a spouse will also find this book extremely useful. The authors raise thought-provoking questions to help readers increase self-awareness, clarify what is desired in a spouse and in a marriage, and help them get to know a

potential spouse. Topics addressed in detail include finding a spouse, the role of family and in-laws, the marriage contract and wedding, intimacy, spirituality and finances. Special issues addressed include mental health, domestic violence and threats to a marriage. This marriage guide is surprisingly comprehensive and practical. It provides a tool kit with concrete skills that can be used throughout a marriage to ensure a healthy relationship that is grounded in the Islamic values of love and mercy-qualities that are necessary to achieve the ultimate purpose of marriage: mutual tranquility. This book promises to be a valuable resource that couples will turn to for many years both as a refresher and as a reference.

12 questions every couple should ask: Forecasting: principles and practice Rob J Hyndman, George Athanasopoulos, 2018-05-08 Forecasting is required in many situations. Stocking an inventory may require forecasts of demand months in advance. Telecommunication routing requires traffic forecasts a few minutes ahead. Whatever the circumstances or time horizons involved, forecasting is an important aid in effective and efficient planning. This textbook provides a comprehensive introduction to forecasting methods and presents enough information about each method for readers to use them sensibly.

12 questions every couple should ask: *The Midnight Library* Matt Haig, 2021-01-27 Good morning America book club--Jacket.

12 questions every couple should ask: *I Had a Black Dog* Matthew Johnstone, 2012-03-01 'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

12 questions every couple should ask: I Know This Much Is True Wally Lamb, 1998-06-03 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your hands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest and being your

brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful monkey; and the seemingly weak and sweet yet noble Thomas, his mother's gentle bunny. From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the *sostegno del famiglia*, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, *The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings*. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, *I Know This Much Is True* is an extraordinary reading experience that will leave no reader untouched.

12 questions every couple should ask: *The Couple's Quiz Book* Alicia Muñoz, 2020-06-09 Energize your relationship with this quiz book for couples Curiosity is a great way to create and sustain intimacy in relationships. Create a deeper connection with your partner and grow your relationship with this standout among relationship books for couples.

12 questions every couple should ask: Financial Peace Dave Ramsey, 2002-01-01 Dave Ramsey explains those scriptural guidelines for handling money.

12 questions every couple should ask: The Meaning of Marriage: A Couple's Devotional Timothy Keller, Kathy Keller, 2019-11-05 From New York Times bestselling authors Timothy Keller and Kathy Keller comes a gorgeously packaged daily devotional that takes us on year-long journey into discovering the meaning of marriage Marriage is the most profound human relationship there is. Coming to know and love your spouse is one of the most rewarding and wondrous things we can experience in life. But it is also one of the most difficult and painful. In this 365-day devotional, Timothy Keller and his wife of forty-three years, Kathy Keller, share powerful instructions on how to have a successful marriage. The Kellers draw from and expand upon lessons they first introduced in their book The Meaning of Marriage, offering stories, daily scriptures, and prayer prompts that will inspire anyone who wants to know God and love more deeply in this life.

12 questions every couple should ask: The Subtle Art of Not Giving a F*ck Mark Manson, 2016-09-13 #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be positive all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. F**k positivity, Mark Manson says. Let's be honest, shit is f**ked and we have to live with it. In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault. Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.
