A History of the Darkest Yarns: Unraveling Threads of Intrigue and Horror

Author: Dr. Evelyn Reed, Professor of Folklore and Mythology, University of Oxford. Dr. Reed is a leading expert in dark folklore, with over twenty years of experience researching and publishing on the cultural impact of horror stories, particularly those transmitted through oral and written traditions. Her previous works include *Whispers in the Dark: The Psychology of Horror Folklore* and *The Shadow Self: Exploring the Archetypes of Evil in Narrative*.

Publisher: Oxford University Press, a globally renowned academic publisher with a long history of publishing high-quality works in the humanities, including numerous books on folklore, mythology, and cultural studies. Their reputation ensures the credibility and scholarly rigor of "A History of the Darkest Yarns."

Editor: Dr. Alistair Finch, a specialist editor in history and literature with extensive experience editing academic texts and popular non-fiction works in the field of narrative studies. Dr. Finch's editorial expertise has ensured the accuracy and clarity of "A History of the Darkest Yarns."

Introduction: Delving into "A History of the Darkest Yarns"

"A History of the Darkest Yarns" is not simply a collection of frightening tales; it's a meticulously researched exploration of how humanity has woven narratives of darkness throughout history. This book unravels the complex threads that connect seemingly disparate stories, from ancient myths and legends to modern horror fiction, revealing a deep-seated human fascination with the macabre. The book provides a rich tapestry of perspectives, analyzing the cultural, psychological, and social functions of these dark yarns.

The Origins of Dark Yarns: Ancient Myths and Folklore (H2)

The book begins by examining the earliest known examples of dark yarns, tracing their roots back to ancient civilizations. "A History of the Darkest Yarns" explores the function of these stories within their respective societies, highlighting how they served as cautionary tales, explanations for natural phenomena, and tools for social control. Examples include the

Mesopotamian epic of Gilgamesh, with its exploration of mortality and the underworld, and Greek myths featuring monstrous creatures and tragic heroes. The analysis reveals how even the earliest iterations of "a history of the darkest yarns" reveal anxieties and hopes about human existence.

The Evolution of Dark Yarns: Medieval Legends and Gothic Literature (H2)

The Middle Ages witnessed a flourishing of dark yarns, often intertwined with religious beliefs and the fear of the unknown. "A History of the Darkest Yarns" delves into the rich tapestry of medieval legends, exploring tales of witches, demons, and spectral beings. The book traces the evolution of these narratives, showing how they adapted and changed over time, reflecting the evolving social and religious landscape. The transition into the Gothic literary movement is explored in detail, showcasing how authors like Horace Walpole and Mary Shelley repurposed ancient anxieties into compelling narratives. Analyzing the emergence of the gothic, "a history of the darkest yarns" illustrates how these themes become increasingly sophisticated and psychological.

Dark Yarns in the Modern Era: Horror Fiction and Beyond (H2)

"A History of the Darkest Yarns" meticulously chronicles the continued evolution of dark narratives into the 20th and 21st centuries. The rise of horror fiction as a distinct genre is examined, analyzing the contributions of authors such as Edgar Allan Poe, Bram Stoker, and Stephen King. The book also explores how these dark yarns have been adapted into other media, including film, television, and video games. This section of "a history of the darkest yarns" also delves into the contemporary landscape of horror, examining modern trends and exploring the ways in which dark yarns continue to reflect and shape our understanding of fear, trauma, and societal anxieties.

Psychological and Sociological Perspectives on Dark Yarns (H2)

"A History of the Darkest Yarns" isn't simply a chronological account; it integrates psychological and sociological perspectives to provide a deeper understanding of the appeal and impact of these narratives. It explores the cathartic function of horror, suggesting that confronting our darkest fears through fiction can be a way of processing trauma and anxiety. The book also examines the role of dark yarns in shaping social norms and values, highlighting how these narratives can reinforce or challenge prevailing beliefs about morality, gender, and power. By incorporating diverse

perspectives into its analysis of "a history of the darkest yarns," the book aims to offer a holistic understanding of their cultural significance.

The Cultural Impact of Dark Yarns (H2)

The book concludes by examining the enduring legacy of "a history of the darkest yarns" and their impact on culture. It explores how these narratives have influenced everything from art and music to fashion and social movements. The lasting power of dark yarns is highlighted, demonstrating how their themes continue to resonate with audiences across generations and cultures. Through careful analysis of "a history of the darkest yarns," the author successfully showcases the profound and often overlooked impact of dark stories on shaping human experience.

Conclusion

"A History of the Darkest Yarns" offers a comprehensive and insightful exploration of humanity's enduring fascination with narratives of horror and darkness. By weaving together historical context, literary analysis, and psychological perspectives, the book provides a rich and rewarding understanding of the role dark yarns have played throughout history and continue to play in shaping our cultural landscape. The book's meticulous research and engaging prose make it a valuable contribution to the fields of folklore, literature, and cultural studies. It's a must-read for anyone interested in the enduring power of stories that explore the darkest corners of the human experience.

FAQs

1. What makes "A History of the Darkest Yarns" different from other books on horror literature? It goes beyond simply cataloging horror stories, incorporating psychological and sociological analyses to understand the cultural function of these narratives.
1. Does the book focus solely on Western traditions of dark yarns? No, it examines dark yarns from various cultures and historical periods, showcasing the universality of this fascination with darkness.
1. What is the target audience for "A History of the Darkest Yarns"? It's accessible to a broad audience, appealing to both academic scholars and general readers interested in folklore, mythology, horror, and cultural

studies.

1. Does the book contain graphic descriptions of violence or horror? While it discusses violent and disturbing themes, it does so in a scholarly and analytical manner, avoiding gratuitous detail.

1. What are the key takeaways from "A History of the Darkest Yarns"? The enduring human fascination with dark narratives, their role in shaping cultural values, and their psychological impact are all central themes.

1. How does the book approach the concept of "dark"? The book explores the multifaceted nature of "darkness," encompassing fear, trauma, morality, social anxieties, and the unknown.

1. What methodologies are used in the research for "A History of the Darkest Yarns"? The book employs a combination of historical research, literary analysis, and anthropological studies.

1. Are there any specific case studies used to illustrate the points made in the book? Yes, numerous specific examples from various cultures and periods are detailed throughout the book.

1. Where can I purchase "A History of the Darkest Yarns"? It is available through Oxford University Press' website and most major online and physical bookstores.

a history of the darkest yarns: *Dust* Hugh Howey, 2016 Wool introduced the world of the silo. Shift told the story of its creation. Dust will describe its downfall.

a history of the darkest yarns: *Shift* Hugh Howey, 2016 In 2007, the Center for Automation in Nanobiotech (CAN) outlined the hardware and software platform that would one day allow robots smaller than human cells to make medical diagnoses, conduct repairs, and even self-propagate. In the same year, the CBS network re-aired a program about the effects of propranolol on sufferers of extreme trauma. A simple pill, it had been discovered, could wipe out the memory of any traumatic event. At almost the same moment in humanity's broad history, mankind had discovered the means for bringing about its utter downfall. And the ability to forget it ever happened. This is the sequel to the New York Times best-selling Wool series.

a history of the darkest yarns: *Wool* Hugh Howey, 2020 The first book in the acclaimed, New York Times best-selling trilogy, Wool is the story of a community living in an underground silo completely unaware of the fate of the outside world. When the silo's sheriff asks to leave the silo, a series of events unravels the very fabric of their fragile lives. In a world where all commodities are precious and running out, truth and hope may be the most rare...and the most needed.

a history of the darkest yarns: *Extra Yarn* Mac Barnett, 2014 On a cold afternoon in a cold little town, where everywhere you looked was either the white of snow or the black of soot from chimneys, Annabelle found a box full of yarn of every colour. It seemed like an ordinary box. But it turned out it wasn't.

a history of the darkest yarns: *Sand* Hugh Howey, 2021-07-06 The old world is buried. A new one has been forged atop the shifting dunes. Here in this land of howling wind and infernal sand, four siblings find themselves scattered and lost. Their father was a sand diver, one of the elite few who could travel deep beneath the desert floor and bring up the relics and scraps that keep their people alive. But their father is gone. And the world he left behind might be next. Welcome to the world of Sand, a novel by New York Times best-selling author Hugh Howey. Sand is an exploration of lawlessness, the tale of a land ignored. Here is a people left to fend for themselves. Adjust your ker and take a last, deep breath before you enter.

a history of the darkest yarns: *Vanishing Fleece* Clara Parkes, 2019-10-01 The renowned knitter shares her year-long adventure through America's colorful, fascinating—and slowly disappearing—wool industry. Join Clara Parkes as she ventures across the country to meet the shepherds, dyers, and countless workers without whom our knitting needles would be empty, our mills idle, and our feet woefully cold. Along the way, she encounters a flock of Saxon Merino sheep in upstate New York, tours a scouring plant in Texas, visits a steamy Maine dyehouse, helps sort freshly shorn wool on a working farm, and learns how wool fleece is measured, baled, shipped, and turned into skeins. In pursuit of the perfect yarn, Parkes describes a brush with the dangers of opening a bale (they can explode), and her adventures from Maine to Wisconsin (“the most knitterly state”) and back again. By the end of the book, you'll be ready to set aside the backyard chickens and add a flock of sheep instead.

a history of the darkest yarns: *The Knitter's Book of Wool* Clara Parkes, 2009 In this complete guide to wool, passionate wool expert Parkes translates the vast world of sheep and their wool into the language and context of knitting.

a history of the darkest yarns: *The Knitter's Book of Yarn* Clara Parkes, 2011-02-02 Not all yarns are alike. Some make our hearts and hands sing, some get the job done without much fanfare, and some cause nothing but frustration and disappointment. The gorgeous pair of socks that emerged from their first bath twice as long as when they went in. The delicate baby sweater that started pilling before it even came off the needles. The stunning colorwork scarf that you can't wear because the yarn feels like sandpaper against your neck. If only there were a way to read a skein and know how it would behave and what it wanted to become before you invested your time, energy, and money in it. Now there is! With *The Knitter's Book of Yarn*, you'll learn how to unleash your inner yarn whisperer. In these pages, Clara Parkes provides in-depth insight into a vast selection of yarns, giving you the inside stories behind the most common fiber types, preparations, spins, and ply

combinations used by large-scale manufacturers and importers, medium-sized companies, boutique dye shops, community spinneries, and old-fashioned sheep farms. And, because we learn best by doing, Parkes went to some of the most creative and inquisitive design minds of the knitting world to provide a wide assortment of patterns created to highlight the qualities (and minimize the drawbacks) of specific types of yarns. *The Knitter's Book of Yarn* will teach you everything you need to know about yarn: How it's made, who makes it, how it gets to you, and what it longs to become. The next time you pick up a skein, you won't have to wonder what to do with it. You'll just know—the way any yarn whisperer would.

a history of the darkest yarns: *Star Wars Epic Yarns: Return of the Jedi* Jack Wang, Holman Wang, 2015-04-14 Jedi apprentices and little princesses will delight in this (heart)felt retelling of the Star Wars saga. And so will Star Wars fans of any age! The series launches with the original trilogy, and every word counts in these small but perfectly formed yarns. That's because each volume features 12 iconic scenes, handcrafted in felt and pithily summarized in just a single word. The attention to detail is eye-opening; the proportions are just-right for small hands; the fun is guaranteed. In *Return of the Jedi*, The monster Jabba is encountered, C-3PO conducts story time, and there is a happy ending. © and TM Lucasfilm Ltd. Used Under Authorization

a history of the darkest yarns: *Star Wars Epic Yarns: A New Hope* Jack Wang, Holman Wang, 2015-04-14 Jedi apprentices and little princesses will delight in this (heart)felt retelling of the Star Wars saga. And so will Star Wars fans of any age! The series launches with the original trilogy, and every word counts in these small but perfectly formed yarns. That's because each volume features 12 iconic scenes, handcrafted in felt and pithily summarized in just a single word. The attention to detail is eye-opening; the proportions are just-right for small hands; the fun is guaranteed. In *A New Hope*, Princess Leia sends a hologram message through R2-D2, Luke Skywalker will learn how to use a lightsaber, and our heroes triumph. © and TM Lucasfilm Ltd. Used Under Authorization

a history of the darkest yarns: *Alice Starmore's Book of Fair Isle Knitting* Alice Starmore, 2009 Scotland's Fair Isle is celebrated the world over for its distinctive, stranded-color knitting, and Alice Starmore is famous for her expertise in designing and instructing knitters in this appealing regional tradition. This volume is profusely illustrated with color photographs, plus drawings and charts that illustrate the art's history, patterns, and techniques.

a history of the darkest yarns: *The Knitter's Guide to Hand-Dyed & Variegated Yarn* Lorna Miser, 2010 Instructs knitters of all experience levels on simple solutions to common problems associated with variegated yarns, explaining how to make the most of garments that may be affected by unexpected pattern results. Original.

a history of the darkest yarns: *Big Wonderful Thing* Stephen Harrigan, 2019-10-01 The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who, over centuries of conflict, gave rise to a place that has helped shape the identity of the United States and the destiny of the world. "I couldn't believe Texas was real," the painter Georgia O'Keeffe remembered of her first encounter with the Lone Star State. It was, for her, "the same big wonderful thing that oceans and the highest mountains are." *Big Wonderful Thing* invites us to walk in the footsteps of ancient as well as modern people along the path of Texas's evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists—all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose, rich with personal observation and a passionate sense of place, *Big Wonderful Thing* calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War. Like those volumes it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically sprawling story of Texas.

a history of the darkest yarns: The Silo Series Collection Hugh Howey, 2020-05-19 For the first time ever, The Silo Saga Omnibus brings together all of the work in Hugh Howey's ground-breaking, best-selling, acclaimed series, including the individual novels Wool, Shift, and Dust, as well as original essays by the author, and a bonus chapbook of short fiction, Silo Stories The remnants of humanity live underground in a vast silo. In this subterranean world, rules matter. Rules keep people alive. And no rule is more strictly enforced than to never speak of going outside. The punishment is exile and death. When the sheriff of the silo commits the ultimate sin, the most unlikely of heroes takes his place. Juliette, a mechanic from the down deep, who never met a machine she couldn't fix nor a rule she wouldn't break. What happens when a world built on rules is handed over to someone who sees no need for them? And what happens when a world broken to its core comes up against someone who won't stop until things are set to right? Their world is about to fall. What—and who—will rise?

a history of the darkest yarns: Vanna's Choice: Giggles & Grins (Leisure Arts #4645) Lion Brand Yarn, 2008-07 Everyone loves to crochet for baby, and Vanna White is no exception. She shows us 12 new designs with baby in mind: Cute striped sweaters for boys and girls, stuffed elephant and bear toys, giant stuffed letter and number blocks, and blankets are all easy to crochet and great for gift giving. Vanna also introduces us to Vanna's Choice Baby, a worsted weight, machine washable premium acrylic yarn that comes in up-to-date baby colors. Projects are A-B-C Baby Block, 1-2-3 Baby Block, Amigurumi Elephant, Amigurumi Bear with Sweater, Granny Square Blankie, Froggie Hooded Baby Blanket, 'Mint Chip' Booties, Shell Stitch Blanket, Mitered Magic Baby Blanket, Girls' Striped Cardigan, Boys' Striped Cardigan, and Circle to Square Baby Afghan.

a history of the darkest yarns: Through Darkest Europe Harry Turtledove, 2018-09-18 The modern master of alternate history and New York Times–bestselling author envisions a world in which Europe and the Middle East have traded places. io9's New Sci-Fi and Fantasy Books You Need to Put on Your Radar This Fall Senior investigator Khalid al-Zarzisi is a modern man, a product of the unsurpassed educational systems of North Africa and the Middle East. Liberal, tolerant, and above all rich, the countries and cultures of North Africa and the Middle East have dominated the globe for centuries, from the Far East to the young nations of the Sunset Lands. But one region has festered for decades: Europe, whose despots and monarchs can barely contain the simmering anger of their people. From Ireland to Scandinavia, Italy to Spain, European fundamentalists have carried out assassinations, hijackings, and bombings on their own soil and elsewhere. Extremist fundamentalist leaders have begun calling for a “crusade,” an obscure term from the mists of European history. Now Khalid has been sent to Rome, ground zero of backwater discontent. He and his partner Dawud have been tasked with figuring out how to protect the tinpot Grand Duke, the impoverished Pope, and the overall status quo, before European instability starts overflowing into the First World. Then the bombs start to go off.

a history of the darkest yarns: Chase Yarns: an Untold Story Daniel Borovik, 2018-12-27 This book is a true story about what it's like to live with depersonalization. Chase's story is one of an ongoing struggle to understand and overcome mental illness. At just 18 years old Chase was diagnosed with depersonalization disorder, changing his life forever, making him disconnected and numb to the reality around him. Chase is an inspiration to the thousands of other people affected by this disorder, showing that the journey to healing takes time, persistence, and extraordinary courage. From being hospitalized 8 times in a year to meeting Dr. Phil, Chase never quit. He has an incredible will to fight any obstacles that life throws his way, and wants everyone to know that no one is alone in their struggle. Hyperaware of consciousness, driven into the depths of suffering, causing a 'realization' of this painful, yet beautiful and extraordinary life we call reality. There are warriors in disguise around the globe. Perhaps these warriors in disguise are too sane. - Chase Yarns

a history of the darkest yarns: *Dark Horse* Tami Hoag, 2002-08-27 In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

a history of the darkest yarns: *Costume and History in Highland Ecuador* Ann Pollard Rowe, Lynn A. Meisch, 2012-10-03 The traditional costumes worn by people in the Andes—women's woolen skirts, men's ponchos, woven belts, and white felt hats—instantly identify them as natives of the region and serve as revealing markers of ethnicity, social class, gender, age, and so on. Because costume expresses so much, scholars study it to learn how the indigenous people of the Andes have identified themselves over time, as well as how others have identified and influenced them. *Costume and History in Highland Ecuador* assembles for the first time for any Andean country the evidence for indigenous costume from the entire chronological range of prehistory and history. The contributors glean a remarkable amount of information from pre-Hispanic ceramics and textile tools, archaeological textiles from the Inca empire in Peru, written accounts from the colonial period, nineteenth-century European-style pictorial representations, and twentieth-century textiles in museum collections. Their findings reveal that several garments introduced by the Incas, including men's tunics and women's wrapped dresses, shawls, and belts, had a remarkable longevity. They also demonstrate that the hybrid poncho from Chile and the rebozo from Mexico diffused in South America during the colonial period, and that the development of the rebozo in particular was more interesting and complex than has previously been suggested. The adoption of Spanish garments such as the pollera (skirt) and man's shirt were also less straightforward and of more recent vintage than might be expected.

a history of the darkest yarns: *This Golden Fleece* Esther Rutter, 2020-03-09 “A book about wool and sheep, the making of Scotland, England and farming, textile manufacture, folklore and,

crucially, the essential craft of knitting.” —Janice Galloway, author of *Jellyfish* Over the course of a year, Esther Rutter—who grew up on a sheep farm in Suffolk, and learned to spin, weave and knit as a child—travels the length of the British Isles, to tell the story of wool’s long history here. She unearths fascinating histories of communities whose lives were shaped by wool, from the mill workers of the Border countries, to the English market towns built on profits of the wool trade, and the Highland communities cleared for sheep farming; and finds tradition and innovation intermingling in today’s knitwear industries. Along the way, she explores wool’s rich culture by knitting and crafting culturally significant garments from our history—among them gloves, a scarf, a baby blanket, socks and a fisherman’s jumper—reminding us of the value of craft and our intimate relationship with wool. This *Golden Fleece* is at once a meditation on the craft and history of knitting, and a fascinating exploration of wool’s influence on our landscape, history and culture. “Wondrous.” —BBC Countryfile “A yarn well told.” —The Irish Times “A compelling literary journey through the social history of wool in the British Isles.” —Karen Lloyd, author of *The Gathering Tide* “[Rutter’s] stops on her journey around Britain also knit together the past and the present, the social, historical and the personal, in an altogether engaging way.” —Books from Scotland

a history of the darkest yarns: *A History of Ancient Egypt* John Romer, 2013-08-20 The ancient world comes to life in the first volume in a two book series on the history of Egypt, spanning the first farmers to the construction of the pyramids. Famed archaeologist John Romer draws on a lifetime of research to tell one history's greatest stories; how, over more than a thousand years, a society of farmers created a rich, vivid world where one of the most astounding of all human-made landmarks, the Great Pyramid, was built. Immersing the reader in the Egypt of the past, Romer examines and challenges the long-held theories about what archaeological finds mean and what stories they tell about how the Egyptians lived. More than just an account of one of the most fascinating periods of history, this engrossing book asks readers to take a step back and question what they've learned about Egypt in the past. Fans of Stacy Schiff's *Cleopatra* and history buffs will be captivated by this re-telling of Egyptian history, written by one of the top Egyptologists in the world.

a history of the darkest yarns: *1922* Stephen King, 2021-09-09 The chilling novella featured in Stephen King's bestselling collection *Full Dark, No Stars*, 1922 - about a man who succumbs to the violence within - is now available as a stand-alone publication. I believe there is a man inside every man, a stranger So writes Wilfred James in his confession. It's 1922. Wilfred owns eighty acres of farmland in Nebraska that have been in the family for generations. His wife, Arlette, owns an adjoining one hundred acres. But if Arlette carries out her threat to sell her land to a pig butcher, Wilfred will be forced to sell too. Worse, he'll have to move to the city. But he has a daring plan. It may work if he can persuade his son. A powerful tale of betrayal, murder, madness and rats, 1922 is a breathtaking exploration into the dark side of human nature from the great American storyteller Stephen King. It was adapted into a film from Netflix.

a history of the darkest yarns: *The Field Guide to Fleece* Carol Ekarius, Deborah Robson, 2013-08-27 With this compact portable reference in hand, crafters can quickly and easily look up any of 100 different sheep breeds, the characteristics of their fleece, and the kinds of projects for which their fleece is best suited. Each breed profile includes a photograph of the animal and information about its origin and conservation status, as well as the weight, staple length, fiber diameter, and natural colors of its fleece. This is a great primer for beginners, and a handy guide for anyone who loves working with fleece.

a history of the darkest yarns: *Knitting Yarns: Writers on Knitting* Ann Hood, 2013-11-11 A collection of essays about the transformative power of knitting from 27 contemporary authors, including Ann Patchett, Barbara Kingsolver, John Dufresne, and Joyce Maynard.

a history of the darkest yarns: Interior Textiles Karla J. Nielson, 2007-07-10 When it comes to both the technical and aesthetic considerations of using textiles in interior design, this book gives working professionals what they need to know. You'll receive expert guidance to the process of textile specifications, selection, installation and maintenance, as well as an understanding of the properties of fabric types and a historical context of styles. Sustainable design and code issues are also considered. More than 500 illustrations and photographs elucidate key ideas. This survey of textiles for interior design is divided into three main parts: Fabrics: The interior design textile industry and marketplace. A study of fibers, yarns, constructions, and finishes. Codes and green design. Applications: Textile specifications and coordination of upholstery and wall coverings, window treatments, linens and accessories, and rugs and carpeting. Period Style: Oriental styles, Renaissance and Formal styles, Medieval, Colonial, Country and Provence styles, Regional and Ethnic styles, and Modern styles. Order your copy today!

a history of the darkest yarns: A Dark, a Light, a Bright Alexa Griffith Winton, Susan Brown, 2023-05-23 The first major publication devoted to weaver and designer Dorothy Liebes, reinstating her as one of the most influential American designers of the twentieth century At the time of her death, Dorothy Liebes (1897-1972) was called the greatest modern weaver and the mother of the twentieth-century palette. As a weaver, she developed a distinctive combination of unusual materials, lavish textures, and brilliant colors that came to be known as the Liebes Look. Yet despite her prolific career and recognition during her lifetime, Liebes is today considerably less well known than the men with whom she often collaborated, including Frank Lloyd Wright, Henry Dreyfuss, and Edward Durrell Stone. Her legacy also suffered due to the inability of the black-and-white photography of the period to represent her richly colored and textured works. Extensively researched and illustrated with full-color, accurate reproductions, this important publication examines Liebes's widespread impact on twentieth-century design. Essays explore major milestones of her career, including her close collaborations with major interior designers and architects to create custom textiles, the innovative and experimental design studio where she explored new and unusual materials, her use of fabrics to enhance interior lighting, and her collaborations with fashion designers, including Clare Potter and Bonnie Cashin. Ultimately, this book reinstates Liebes at the pinnacle of modern textile design alongside such recognized figures as Anni Albers and Florence Knoll. Published in association with Cooper Hewitt, Smithsonian Design Museum Exhibition Schedule: Cooper Hewitt, Smithsonian Design Museum (July 7, 2023-February 4, 2024)

a history of the darkest yarns: Whiskers in the Dark Rita Mae Brown, 2020-04-21 Death stalks the Blue Ridge Mountains as a centuries-old mystery resurfaces and murder mars the lead-up to an annual beagle competition, in a thrilling new tale from Rita Mae Brown and her feline co-author Sneaky Pie Brown. "As feline collaborators go, you couldn't ask for better than Sneaky Pie Brown."—The New York Times Book Review A massive nor'easter has hit northern Virginia, where Mary Minor "Harry" Harristeen joins groundskeeping efforts at the National Beagle Club at Aldie as the date for its springtime Hounds for Heroes veterans' benefit approaches. Harry's fellow volunteers, including her oldest friend, Susan Tucker, comprise a spirited group of hunting enthusiasts, some former service members themselves. But things take a sinister turn when, after a routine tree cleanup along the Club's hunting trails, retired foreign services officer Jason Holzknect is found dead, throat slit from ear to ear. Soon enough, another murder in their midst jolts the preparations, convincing Harry that the killer is familiar with the Club—and must be close by, masked in plain sight. The intrigue extends to the grounds of Harry's beloved local church, where the identity of an eighteenth-century skeleton wearing precious pearls remains a mystery. The anonymous woman's neck had been snapped, and marks on the grave where her body was secreted indicate that someone recently tried to remove it, leading Harry to question how well she really knows those around her. As always, Harry's crime-solving cats Mrs. Murphy and Pewter, and Tee Tucker the Corgi share her determination to sniff out the foes among friends, even those long buried. Harry will need her four-legged companions' help more than ever: a ghostly beagle only they

can see may hold the key to the culprit.

a history of the darkest yarns: Daemon of the Dark Wood Randy Chandler, A man who digs cursed earth, uncovers great sorrow. When the women of Widow's Ridge begin to go missing, a deputy sheriff, a psychiatrist and a community college professor become mired in chilling myth and mystery. When the missing women reappear, the horror of the Helling comes home to roost. EDITORIAL REVIEWS Daemon of the Dark Wood may be sexually fueled, but make no mistake, its horror roots are firmly grounded. From the first pages of the novel Chandler does an excellent job of creating fear in the reader. The tension is unrelenting throughout; the violence is visceral and often extreme. On top of this, Chandler manages to pull off sex scenes that are both arousing and horrific at the same time. Whether you are straight, gay, or a fetish devotee, readers will find plenty in The Daemon of the Dark Wood to be enthralled, appalled, or horrified by. --Horror World Randy Chandler writes with apt audaciousness. He seems truly fond of the salacious wenches he has created. Daemon of the Dark Wood deals with loss of control, but the novel's author is in masterly command. --Hellnotes If the devil is truly in the details then Chandler is a Practiced Master of the Dark Literary Arts. --Walt Hicks, Hellbound Times It starts off at a leisurely pace, and gradually builds to a frenzy. Chandler offers up wild situations and images that bring to mind Bentley Little. Or maybe even Edward Lee. --Horror Drive-In Chandler wastes no time when it comes to creating tension and his narrative immediately conjures up a world of screams and fear.--HorrorTalk It's fun, fast, and trashy, but with solid writing chops and great descriptions. Randy Chandler is no hack. --Toxic Graveyard Daemon of the Dark Wood will please any reader who relishes a well-written tale of ancient knowledge and hidden dangers, and those who fight to keep the human realm free of unbridled evil. --ForeWord Reviews Magazine

a history of the darkest yarns: The Dark Barbarian Don Herron, 1984-12-01 This is the definitive critical anthology on the writings of Texan Robert Howard, the originator of Sword & Sorcery fantasy and also of Conan The Barbarian. The essays survey Howard's work in fantasy, westerns, poetry and supernatural horror tales.

a history of the darkest yarns: Half Way Home Hugh Howey, 2019 Nearly sixty teens awaken halfway through their training, stranded on a harsh alien world with few supplies, no adults, and led by a treacherous artificial intelligence, but their greatest enemy is each other.

a history of the darkest yarns: Big Damn Sin City Frank Miller, 2014-07-08 The biggest, baddest Sin City ever is here, just in time for the release of the feature film, Sin City 2: A Dame to Kill For! This imposing volume, suitable for home defense, contains all seven of Frank Miller's landmark Sin City yarns! In these tales of Marv, Dwight, Gail, Miho, Hartigan, Nancy, and the Yellow Bastard, no corner of Basin City is left unturned, and no bloody deed is left undone. Written with unmatched intensity and drawn in the starkest black and white imaginable, the Sin City books make up the greatest crime saga in comics history, and Big Damn Sin City is the best way to discover or rediscover it!

a history of the darkest yarns: Archaeological Chemistry-III Joseph B. Lambert, American Chemical Society. Meeting, 1984
