A History of Violence (Netflix): Exploring Themes of Identity, Trauma, and the American Dream

Author: Dr. Evelyn Reed, Professor of Film Studies at the University of California, Berkeley. Dr. Reed specializes in the cinematic representation of violence and masculinity, with a particular focus on neo-noir and its social commentary. Her published works include "The Violent Screen: Masculinity and Identity in Contemporary Cinema" and "David Cronenberg's Body Horror: A Critical Exploration."

Keyword: A History of Violence Netflix

Introduction:

David Cronenberg's *A History of Violence*, available on Netflix, is more than just a crime thriller; it's a potent exploration of identity, trauma, and the precarious nature of the American Dream. This analysis delves into the film's narrative, exploring its historical context within the landscape of American gangster films and its unsettlingly relevant themes in contemporary society. The readily available streaming access via "A History of Violence Netflix" has broadened its audience and allowed for renewed critical engagement with its complex themes.

Historical Context: The American Gangster and the Subversion of the Ideal:

A History of Violence Netflix operates within a long cinematic tradition of portraying American gangsters. However, unlike classic gangster films that often romanticize the criminal lifestyle, Cronenberg subverts this tradition. Instead of celebrating the outlaw hero, the film presents Tom Stall, seemingly an ordinary family man, as a figure grappling with a violent past he desperately tries to suppress. This subversion reflects a post-Vietnam, post-Watergate America questioning its ideals and grappling with a sense of disillusionment. The seemingly idyllic suburban setting contrasts sharply with the brutal violence simmering beneath the surface, highlighting the fragility of the American Dream and the possibility of hidden darkness within seemingly ordinary lives. The accessibility of "A History of Violence Netflix" allows viewers to engage with this critique of idealized American life in a contemporary context.

Identity and Trauma: The Unraveling of Tom Stall:

The central conflict in *A History of Violence Netflix* revolves around Tom Stall's fractured identity. The film masterfully employs ambiguity, leaving the audience questioning whether Tom is truly the person he presents himself to be. Is he a reformed killer, or has he simply suppressed his violent nature? The film doesn't offer easy answers, exploring the psychological impact of trauma and the difficulty of escaping one's past. This ambiguity resonates with contemporary concerns surrounding identity formation in a world increasingly characterized by fluidity and uncertainty. The film's exploration of trauma, particularly its lasting effects and the potential for violent outbursts, remains powerfully relevant in discussions about mental health and the complexities of human behavior available on "A History of Violence Netflix."

Violence and Masculinity: Challenging Traditional Notions:

Cronenberg's film challenges traditional notions of masculinity, presenting a complex portrait of a man who struggles to reconcile his violent past with his desire for a peaceful family life. Tom's violence is not presented as heroic or even necessarily justified, but rather as a manifestation of deeply ingrained trauma and a desperate attempt to control his own fate. This depiction contrasts sharply with the hyper-masculine portrayals often found in mainstream action films. The unsettling realism of the violence depicted in "A History of Violence Netflix" forces viewers to confront the brutal consequences of aggression and the psychological toll it takes on individuals and families.

Current Relevance: Echoes in Contemporary Society:

The themes explored in A History of Violence Netflix retain their unsettling relevance in contemporary society. The film's exploration of hidden identities, the fragility of the American Dream, and the insidious nature of violence resonates with current anxieties surrounding gun violence, societal unrest, and the pervasive sense of insecurity that permeates modern life. The ease of access via "A History of Violence Netflix" ensures that these themes remain accessible to a wide audience, prompting reflection on contemporary societal issues.

Conclusion:

A History of Violence Netflix remains a powerful and disturbing exploration of identity, trauma, and the darker aspects of the American Dream. Cronenberg's masterful direction, coupled with Viggo Mortensen's nuanced performance, creates a film that is both intellectually stimulating and emotionally gripping. The film's enduring relevance lies in its ability to confront uncomfortable truths about human nature and the complexities of violence, making it a must-watch for anyone interested in exploring the psychological depths of human behavior and its reflection in cinematic art. The accessibility of "A History of Violence Netflix" guarantees its continued impact on viewers and critical discussions for years to come.

FAQs:

1. What is the main theme of A History of Violence on Netflix? The main themes are identity, the fragility of the American Dream, the lingering effects of trauma, and the complexities of violence and masculinity.
1. How does the film subvert traditional gangster movie tropes? It subverts them by focusing on the psychological toll of violence rather than romanticizing the criminal lifestyle. The protagonist is not a glamorous gangster but a seemingly ordinary man haunted by his past.
1. What is the significance of the setting in A History of Violence Netflix? The idyllic suburban setting creates a stark contrast with the brutal violence, highlighting the hidden darkness that can exist beneath the surface of seemingly perfect lives.

1. Is the violence in the film gratuitous? While the violence is graphic, it is integral to the narrative and serves to underscore the film's themes of trauma and the consequences of violence.

1. What makes Viggo Mortensen's performance so compelling? Mortensen's performance is compelling because he effectively portrays the internal conflict and the duality of Tom Stall's character.

1. How does A History of Violence Netflix relate to other films by David Cronenberg? It shares Cronenberg's recurring themes of body horror, the exploration of identity, and the unsettling aspects of human nature, but it differs in its focus on the suburban setting.

1. What is the critical reception of A History of Violence Netflix? The film received widespread critical acclaim, praised for its direction, acting, and exploration of complex themes.

1. Why is A History of Violence Netflix still relevant today? Its exploration of violence, trauma, identity, and the anxieties of contemporary life continues to resonate with audiences.

1. Where can I watch A History of Violence Netflix? As the title suggests, it is currently available for streaming on Netflix.

a history of violence netflix: *A History of Violence* John Wagner, 2011 Originally published: New York: Paradox Press, 1997.

a history of violence netflix: *Stamped from the Beginning* Ibram X. Kendi, 2016-04-12 The National Book Award winning history of how racist ideas were created, spread, and deeply rooted in American society. Some Americans insist that we're living in a post-racial society. But racist thought is not just alive and well in America -- it is more sophisticated and more insidious than ever. And as award-winning historian Ibram X. Kendi argues, racist ideas have a long and lingering history, one in which nearly every great American thinker is complicit. In this deeply researched and fast-moving narrative, Kendi chronicles the entire story of anti-black racist ideas and their staggering power over the course of American history. He uses the life stories of five major American intellectuals to drive this history: Puritan minister Cotton Mather, Thomas Jefferson, abolitionist William Lloyd Garrison, W.E.B. Du Bois, and legendary activist Angela Davis. As Kendi shows, racist ideas did not arise from ignorance or hatred. They were created to justify and rationalize deeply entrenched discriminatory policies and the nation's racial inequities. In shedding light on this history, *Stamped from the Beginning* offers us the tools we need to expose racist thinking. In the process, he gives us reason to hope.

a history of violence netflix: *Blood Brothers* Randy Roberts, Johnny Smith, 2016-11-01 An "engrossing and important book (Wall Street Journal) that brings to life the fateful friendship between Malcolm X and Muhammad Ali In 1962, boxing writers and fans considered Cassius Clay an obnoxious self-promoter, and few believed that he would become the heavyweight champion of the world. But Malcolm X, the most famous minister in the Nation of Islam, saw the potential in Clay, not just for boxing greatness, but as a means of spreading the Nation's message. The two became fast friends, keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life—a patriotic "good negro" in public, and a radical reformer behind the scenes. Soon, however, their friendship would sour, with disastrous and far-reaching consequences. Based on previously untapped sources, from Malcolm's personal papers to FBI records, *Blood Brothers* is the first book to offer an in-depth portrait of this complex bond. An extraordinary narrative of love and deep affection, as well as deceit, betrayal, and violence, this story is a window into the public and private lives of two of our greatest national icons, and the tumultuous period in American history that they helped to shape.

a history of violence netflix: *The Negro Motorist Green Book* Victor H. Green, *The Negro Motorist Green Book* was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation, helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, *The Negro Motorist Green Book* stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

a history of violence netflix: *These Truths: A History of the United States* Jill Lepore, 2018-09-18 "Nothing short of a masterpiece." —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its "sweeping, sobering account of the American past" (New York

Times Book Review), Jill Lepore's one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature of technological change. "A nation born in contradiction... will fight, forever, over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With *These Truths*, Lepore has produced a book that will shape our view of American history for decades to come.

a history of violence netflix: *The Fourth Turning* William Strauss, Neil Howe, 1997-12-29 NATIONAL BESTSELLER • Discover the game-changing theory of the cycles of history and what past generations can teach us about living through times of upheaval—with deep insights into the roles that Boomers, Generation X, and Millennials have to play—now with a new preface by Neil Howe. First comes a High, a period of confident expansion. Next comes an Awakening, a time of spiritual exploration and rebellion. Then comes an Unraveling, in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, *The Fourth Turning* illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America's past will predict what comes next. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four twenty-year eras—or "turnings"—that comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. Illustrating this cycle through a brilliant analysis of the post-World War II period, *The Fourth Turning* offers bold predictions about how all of us can prepare, individually and collectively, for this rendezvous with destiny.

a history of violence netflix: *The Giver* Lois Lowry, 2014 *The Giver*, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

a history of violence netflix: *Cinder* Marissa Meyer, 2013-01-08 Queen Levana is a ruler who uses her 'glamour' to gain power. but long before she crossed paths with Cinder, Scarlet, and Cress, Levana lived a very different story - a story that has never been told ... until now.

a history of violence netflix: *History Is All You Left Me* Adam Silvera, 2017-01-17 This book will make you cry, think, and then cry some more. —Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* From the New York Times bestselling author of *More Happy Than Not* comes an explosive examination of grief, mental illness, and the devastating consequences of refusing to let go of the past. When Griffin's first love and ex-boyfriend, Theo, dies in a drowning accident, his universe implodes. Even though Theo had moved to California for college and started seeing Jackson, Griffin never doubted Theo would come back to him when the time was right. But now, the future he's been imagining for himself has gone far off course. To make things worse, the only person who truly understands his heartache is Jackson. But no matter how much they open up to each other, Griffin's downward spiral continues. He's losing himself in his obsessive compulsions and destructive choices, and the secrets he's been keeping are tearing him apart. If Griffin is ever to rebuild his future, he must first confront his history, every last heartbreaking piece in the puzzle of his life.

a history of violence netflix: Altered Carbon Richard Morgan, 2008-12-09 MAJOR NEW NETFLIX SERIES FEB 2018 This must-read story is a confident, action-and-violence packed thriller, and future classic noir SF novel from a multi-award-winning author. Four hundred years from now mankind is strung out across a region of interstellar space inherited from an ancient civilization discovered on Mars. The colonies are linked together by the occasional sublight colony ship voyages and hyperspatial data-casting. Human consciousness is digitally freighted between the stars and downloaded into bodies as a matter of course. But some things never change. So when ex-envoy, now-convict Takeshi Kovacs has his consciousness and skills downloaded into the body of a nicotine-addicted ex-thug and presented with a catch-22 offer, he really shouldn't be surprised. Contracted by a billionaire to discover who murdered his last body, Kovacs is drawn into a terrifying conspiracy that stretches across known space and to the very top of society. For a first-time SF writer to be so surely in command of narrative and technology, so brilliant at world-building, so able to write such readable and enjoyable SF adventure, is simply extraordinary.

a history of violence netflix: The Other Twin L. V. Hay, 2017-05-03 When Poppy's sister falls to her death from a railway bridge, she begins her own investigation, with devastating results ... A startlingly twisty debut thriller. 'Uncovering the truth propels her into a world of deception. An unsettling whirlwind of a novel with a startlingly dark core. 5 Stars' The Sun 'Sharp, confident writing, as dark and twisty as the Brighton Lanes' Peter James 'Superb up-to-the-minute thriller. Prepare to be seriously disturbed' Paul Finch _____ When India falls to her death from a bridge over a railway, her sister Poppy returns home to Brighton for the first time in years. Unconvinced by official explanations, Poppy begins her own investigation into India's death. But the deeper she digs, the closer she comes to uncovering deeply buried secrets. Could Matthew Temple, the boyfriend she abandoned, be involved? And what of his powerful and wealthy parents, and his twin sister, Ana? Enter the mysterious and ethereal Jenny: the girl Poppy discovers after hacking into India's laptop. What is exactly is she hiding, and what did India discover...? A twisty, dark and sexy debut thriller set in the winding lanes and underbelly of Brighton, centring around the social media world, where resentments and accusations are played out, identities made and remade, and there is no such thing as the truth. _____ 'Well written, engrossing and brilliantly unique, this is a fab debut' Heat 'With twists and turns in every corner, prepare to be surprised by this psychological mystery' Closer 'Lucy V Hay's fiction debut is a twisted and chilling tale that takes place on the streets of Brighton ... The author's background in scriptwriting shines through' Mari Hannah 'The book merges form and content so seamlessly ... a remarkable debut from an author with a fresh, intriguing voice and a rare mastery of the art of storytelling' Joel Hames 'This chilling, claustrophobic tale set in Brighton introduces an original, fresh new voice in crime fiction' Cal Moriarty 'The writing shines from every page of this twisted tale ... debuts don't come sharper than this' Ruth Dugdall 'Wrong-foots you in ALL the best ways' Caz Frear 'Original, daring and emotionally truthful' Paul Burston 'A cracker of a debut! I couldn't put it down' Paula Daly

a history of violence netflix: Netflixd Gina Keating, 2012-10-11 Netflix has come a long way since 1997, when two Silicon Valley entrepreneurs, Marc Randolph and Reed Hastings, decided to start an online DVD store before most people owned a DVD player. They were surprised and elated when launch-day traffic in April 1998 crashed their server and resulted in 150 sales. Today, Netflix has more than 25 million subscribers and annual revenues above \$3 billion. Yet long-term success-or even survival-is still far from guaranteed. Journalist Gina Keating recounts the absorbing, fast-paced drama of the company's turbulent rise to the top and its attempt to invent two new kinds

of business. First it engaged in a grueling war against video-store behemoth Blockbuster, transforming movie rental forever. Then it jumped into an even bigger battle for online video streaming against Google, Hulu, Amazon, and the big cable companies. Netflix ushered in such innovations as DVD rental by mail, a patented online queue of upcoming rentals, and a recommendation algorithm called Cinematch that proved crucial in its struggle against bigger rivals. Yet for all its success, Netflix is still a polarizing company. Hastings is often heralded as a visionary—he was named Business Person of the Year in 2010 by Fortune—even as he has been called the nation's worst CEO. Netflix also faces disgruntled customers after price increases and other stumbles that could tarnish the brand forever. The quest to become the world's portal for premium video on demand will determine nothing less than the future of entertainment and the Internet. Drawing on extensive new interviews and her years covering Netflix as a financial and entertainment reporter, Keating makes this tale as absorbing as it is important.

a history of violence netflix: Cuba (Winner of the Pulitzer Prize) Ada Ferrer, 2021-09-07
WINNER OF THE PULITZER PRIZE IN HISTORY WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN HISTORY “Full of...lively insights and lucid prose” (The Wall Street Journal) an epic, sweeping history of Cuba and its complex ties to the United States—from before the arrival of Columbus to the present day—written by one of the world’s leading historians of Cuba. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued—through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country’s future. Meanwhile, politics in Washington—Barack Obama’s opening to the island, Donald Trump’s reversal of that policy, and the election of Joe Biden—have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an “important” (The Guardian) and moving chronicle that demands a new reckoning with both the island’s past and its relationship with the United States. Spanning more than five centuries, *Cuba: An American History* provides us with a front-row seat as we witness the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the sometimes surprising, often troubled intimacy between the two countries, documenting not only the influence of the United States on Cuba but also the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba; “readers will close [this] fascinating book with a sense of hope” (The Economist). Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States—as well as the author’s own extensive travel to the island over the same period—this is a stunning and monumental account like no other.

a history of violence netflix: It Stephen King, 2019-07-30 It: Chapter Two—now a major motion picture! Stephen King’s terrifying, classic #1 New York Times bestseller, “a landmark in American literature” (Chicago Sun-Times)—about seven adults who return to their hometown to confront a nightmare they had first stumbled on as teenagers...an evil without a name: It. Welcome to Derry, Maine. It’s a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city’s children. Now, children are being murdered again and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry’s sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. It reappears in many of his books, including *Bag of Bones*, *Hearts in Atlantis*, and *11/22/63*. But it all starts with *It*. “Stephen King’s most mature work” (St. Petersburg Times), “It will overwhelm you...to be read in a well-lit room

only” (Los Angeles Times).

a history of violence netflix: Netflix Recommends Mattias Frey, 2021-10-05 Algorithmic recommender systems, deployed by media companies to suggest content based on users’ viewing histories, have inspired hopes for personalized, curated media but also dire warnings of filter bubbles and media homogeneity. Curiously, both proponents and detractors assume that recommender systems for choosing films and series are novel, effective, and widely used. Scrutinizing the world’s most subscribed streaming service, Netflix, this book challenges that consensus. Investigating real-life users, marketing rhetoric, technical processes, business models, and historical antecedents, Mattias Frey demonstrates that these choice aids are neither as revolutionary nor as alarming as their celebrants and critics maintain—and neither as trusted nor as widely used. Netflix Recommends brings to light the constellations of sources that real viewers use to choose films and series in the digital age and argues that although some lament AI’s hostile takeover of humanistic cultures, the thirst for filters, curators, and critics is stronger than ever.

a history of violence netflix: The Innocent Man John Grisham, 2010-03-16 #1 NEW YORK TIMES BESTSELLER • LOOK FOR THE NETFLIX ORIGINAL DOCUMENTARY SERIES • “Both an American tragedy and [Grisham’s] strongest legal thriller yet, all the more gripping because it happens to be true.”—Entertainment Weekly John Grisham’s first work of nonfiction: a true crime masterpiece that tells the story of small town justice gone terribly awry. In the Major League draft of 1971, the first player chosen from the state of Oklahoma was Ron Williamson. When he signed with the Oakland A’s, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept twenty hours a day on her sofa. In 1982, a twenty-one-year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution’s case was built on junk science and the testimony of jailhouse snitches and convicts. Dennis Fritz was found guilty and given a life sentence. Ron Williamson was sent to death row. If you believe that in America you are innocent until proven guilty, this book will shock you. If you believe in the death penalty, this book will disturb you. If you believe the criminal justice system is fair, this book will infuriate you. Don’t miss Framed, John Grisham’s first work of nonfiction since The Innocent Man, co-authored with Centurion Ministries founder Jim McCloskey.

a history of violence netflix: Cloud Cuckoo Land Anthony Doerr, 2021-09-28 On the New York Times bestseller list for over 20 weeks * A New York Times Notable Book * A National Book Award Finalist * Named a Best Book of the Year by Fresh Air, Time, Entertainment Weekly, Associated Press, and many more “If you’re looking for a superb novel, look no further.” —The Washington Post From the Pulitzer Prize-winning author of All the Light We Cannot See, comes the instant New York Times bestseller that is a “wildly inventive, a humane and uplifting book for adults that’s infused with the magic of childhood reading experiences” (The New York Times Book Review). Among the most celebrated and beloved novels of recent times, Cloud Cuckoo Land is a triumph of imagination and compassion, a soaring story about children on the cusp of adulthood in worlds in peril, who find resilience, hope, and a book. In the 15th century, an orphan named Anna lives inside the formidable walls of Constantinople. She learns to read, and in this ancient city, famous for its libraries, she finds what might be the last copy of a centuries-old book, the story of Aethon, who longs to be turned into a bird so that he can fly to a utopian paradise in the sky. Outside the walls is Omeir, a village boy, conscripted with his beloved oxen into the army that will lay siege to the city. His path and Anna’s will cross. In the present day, in a library in Idaho, octogenarian Zeno rehearses children in a play adaptation of Aethon’s story, preserved against all odds through centuries. Tucked among the library shelves is a bomb, planted by a troubled, idealistic teenager, Seymour. This is another siege. And in a not-so-distant future, on the interstellar ship Argos, Konstance is alone in a vault, copying on scraps of sacking the story of Aethon, told to her by her father. Anna, Omeir,

Seymour, Zeno, and Konstance are dreamers and outsiders whose lives are gloriously intertwined. Doerr's dazzling imagination transports us to worlds so dramatic and immersive that we forget, for a time, our own.

a history of violence netflix: Pogroms Eugene M. Avrutin, Elissa Bemporad, 2021-09-24 From the 1880s to the 1940s, an upsurge of explosive pogroms caused much pain and suffering across the eastern borderlands of Europe. Rioters attacked Jewish property and caused physical harm to women and children. During World War I and the Russian Civil War, pogrom violence turned into full-blown military actions. In some cases, pogroms wiped out of existence entire Jewish communities. More generally, they were part of a larger story of destruction, ethnic purification, and coexistence that played out in the region over a span of some six decades. *Pogroms: A Documentary History* surveys the complex history of anti-Jewish violence by bringing together archival and published sources--many appearing for the first time in English translation. The documents assembled here include eyewitness testimony, oral histories, diary excerpts, literary works, trial records, and press coverage. They also include memos and field reports authored by army officials, investigative commissions, humanitarian organizations, and government officials. This landmark volume and its distinguished roster of scholars provides an unprecedented view of the history of pogroms.

a history of violence netflix: The Road Cormac McCarthy, 2007 In a novel set in an indefinite, futuristic, post-apocalyptic world, a father and his young son make their way through the ruins of a devastated American landscape, struggling to survive and preserve the last remnants of their own humanity

a history of violence netflix: Hillbilly Elegy J. D. Vance, 2016-06-28 NEW YORK TIMES BESTSELLER A riveting book.—The Wall Street Journal Essential reading.—David Brooks, New York Times From a former marine and Yale Law School graduate, a powerful account of growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America's white working class *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The decline of this group, a demographic of our country that has been slowly disintegrating over forty years, has been reported on with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually their grandchild (the author) would graduate from Yale Law School, a conventional marker of their success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that this is only the short, superficial version. Vance's grandparents, aunt, uncle, sister, and, most of all, his mother, struggled profoundly with the demands of their new middle-class life, and were never able to fully escape the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. Vance piercingly shows how he himself still carries around the demons of their chaotic family history. A deeply moving memoir with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

a history of violence netflix: The Night Agent Matthew Quirk, 2019-01-15 NOW ON NETFLIX! Starring Gabriel Basso and Luciane Buchanan "Matthew Quirk moves into David Baldacci and John Grisham territory with *The Night Agent*, a paranoid, pulse-pounding thriller that could not be more prescient. If you're wondering where the best of the next generation of suspense talent is headed, look no further." — Joseph Finder To find a Russian mole in the White House, an FBI agent must question everything. . . and trust no one. No one is more surprised than FBI Agent Peter Sutherland when he's tapped to work in the White House Situation Room. When Peter was a boy, his father was suspected of selling secrets to the Russians—a breach that cost him his career, his reputation, and

eventually his life. Now Peter's job is monitoring an emergency line for a call that has not—and might never—come. Until tonight. At 1:05 A.M. the phone rings. A terrified young woman named Rose tells Peter that two people have just been murdered and that the killer might still be in the house with her. One of the victims gave her this phone number with urgent instructions: "Tell them OSPREY was right. It's happening..." The call thrusts Peter into the heart of a conspiracy years in the making, involving a Russian mole at the highest levels of the U.S. government. Anyone in the White House could be the traitor. Anyone could be corrupted. To save the nation, Peter must take the rules into his own hands, question everything, and trust no one. The Night Agent marks the return of the classic conspiracy thriller, a Three Days of the Condor for today's chaotic world. With incredible twists and heart-stopping action, this electrifying novel pulls back the curtain on Washington power and confirms Matthew Quirk as a new master of suspense. Don't miss Matthew Quirk's twisty new thriller, *Inside Threat*! Look for these other pulse-pounding thrillers by Matthew Quirk: *Red Warning* *Hour of the Assassin* *Dead Man Switch* *Cold Barrel* *Zero The Directive* *The 500*

a history of violence netflix: *The Ministry of Ungentlemanly Warfare* Damien Lewis, 2015-09-08 From the award-winning historian, war reporter, and author Damien Lewis (*Zero Six Bravo*, *Judy*) comes the incredible true story of the top-secret butcher-and-bolt black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals, rogues, and survivalists, the brutal tactics and grit of these deniables would define a military unit the likes of which the world had never seen. When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these butcher-and-bolt units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa. Though few of these early desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over. *The Ministry of Ungentlemanly Warfare* focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradeship, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war.

a history of violence netflix: *Every Day* David Levithan, 2012-08-28 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Reviews Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls wise, wildly unique--from the bestselling co-author of *Nick and Norah's Infinite Playlist*--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with--day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of *Will Grayson*, *Will Grayson*, and *Nick and Norah's Infinite Playlist*, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself--

splendorous.” —Los Angeles Times

a history of violence netflix: *Everything Is Cinema* Richard Brody, 2008-05-13 From New Yorker film critic Richard Brody, *Everything Is Cinema: The Working Life of Jean-Luc Godard* presents a serious-minded and meticulously detailed . . . account of the lifelong artistic journey of one of the most influential filmmakers of our age (The New York Times). When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

a history of violence netflix: *Cathedral of the Sea* Ildefonso Falcones, 2008-05-01 An unforgettable fresco of a golden age in fourteenth-century Barcelona, *Cathedral of the Sea* is a thrilling historical novel of friendship and revenge, plague and hope, love and war. Arnau Estanyol arrives in Barcelona to find a city dominated by the construction of the city's great pride—the cathedral of Santa Maria del Mar—and by its shame, the deadly Inquisition. As a young man, Arnau joins the powerful guild of stoneworkers and helps to build the church with his own hands, while his best friend and adopted brother Joanet studies to become a priest. With time, Arnau prospers and falls secretly in love with a forbidden woman. But when he is betrayed and hauled before the Inquisitor, he finds himself face-to-face with Joanet. Will he lose his life just as his beloved Cathedral of the Sea is finally completed, or will his brother save him? MORE THAN TWO MILLION COPIES SOLD WORLDWIDE!

a history of violence netflix: *What Algorithms Want* Ed Finn, 2017-03-10 The gap between theoretical ideas and messy reality, as seen in Neal Stephenson, Adam Smith, and Star Trek. We depend on—we believe in—algorithms to help us get a ride, choose which book to buy, execute a mathematical proof. It's as if we think of code as a magic spell, an incantation to reveal what we need to know and even what we want. Humans have always believed that certain invocations—the marriage vow, the shaman's curse—do not merely describe the world but make it. Computation casts a cultural shadow that is shaped by this long tradition of magical thinking. In this book, Ed Finn considers how the algorithm—in practical terms, “a method for solving a problem”—has its roots not only in mathematical logic but also in cybernetics, philosophy, and magical thinking. Finn argues that the algorithm deploys concepts from the idealized space of computation in a messy reality, with unpredictable and sometimes fascinating results. Drawing on sources that range from Neal Stephenson's *Snow Crash* to Diderot's *Encyclopédie*, from Adam Smith to the Star Trek computer, Finn explores the gap between theoretical ideas and pragmatic instructions. He examines the development of intelligent assistants like Siri, the rise of algorithmic aesthetics at Netflix, Ian Bogost's satiric Facebook game *Cow Clicker*, and the revolutionary economics of Bitcoin. He describes Google's goal of anticipating our questions, Uber's cartoon maps and black box accounting, and what Facebook tells us about programmable value, among other things. If we want to understand the gap between abstraction and messy reality, Finn argues, we need to build a model of “algorithmic reading” and scholarship that attends to process, spearheading a new experimental humanities.

a history of violence netflix: *Slavery by Another Name* Douglas A. Blackmon, 2012-10-04 A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the

most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

a history of violence netflix: Sacred Games Vikram Chandra, 2011-03-03 An enormously satisfying, exciting and enriching book, Vikram Chandra's novel draws the reader deep into the lives of detective Sartaj Singh and Ganesh Gaitonde, the most wanted gangster in India. Sartaj, the only Sikh inspector in the whole of Mumbai, is used to being identified by his turban, beard and the sharp cut of his trousers. But 'the silky Sikh' is now past forty, his marriage is over and his career prospects are on the slide. When Sartaj gets an anonymous tip off as to the secret hideout of the legendary boss of the G-company, he's determined that he'll be the one to collect the prize. This is a sprawling, epic novel of friendships and betrayals, of terrible violence, of an astonishing modern city and its underworld. Drawing on the best of Victorian fiction, mystery novels, Bollywood movies and Vikram Chandra's years of first hand research on the streets of Mumbai, this novel reads like a potboiling page-turner but resonates with the intelligence and emotional depth of the best of literature.

a history of violence netflix: TimeRiders: Day of the Predator Alex Scarrow, 2011-09-27 Liam O'Connor, Maddy Carter, and Sal Vikram all should have died. But instead, they have been given a second chance-to work for an agency that no one knows exists. The TimeRiders' mission: to prevent time travel from destroying history-and the future. . . . When Maddy mistakenly opens a time window where and when she shouldn't, Liam is marooned sixty-five million years in the past, in the hunting ground of a deadly, and until now undiscovered, species of prehistoric predator. Can Liam make contact with Maddy and Sal before he's hunted down by dinosaurs, and without changing history so much that the world is overtaken by a terrifying new reality? The second book in the thrilling TimeRiders series is just as fast-paced, intelligent, and mind-bending as the first.

a history of violence netflix: BoJack Horseman: The Art Before the Horse Chris McDonnell, 2018-09-04 Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

a history of violence netflix: Heinrich Himmler Peter Longerich, 2012 A biography of Henrich Himmler, interweaving both his personal life and his political career as a Nazi dictator.

a history of violence netflix: The Great Oklahoma Swindle Russell Cobb, 2022-03 Russell Cobb's The Great Oklahoma Swindle is a rousing and incisive examination of the regional culture and history of "Flyover Country" that demystifies the political conditions of the American Heartland.

a history of violence netflix: Oathbound Victoria McCombs, 2022-11-15 Beware the waters. The dangerous deep brings ruin to all. Emme has spent her life avoiding anything to do with pirates. But the fates are cruel, and now a hidden sickness leads her to partner with pirates for the one thing that can save her--a cure on an island none are certain exists. The pirate captain's secrets are darker than the deep and threaten to kill them all. His obligations are tinged with betrayal, for his oathbind

must be fulfilled. To ignore it is to invite peril of unimaginable destruction. As the adventure unfolds, the sea takes more than she expects and the sea gives more than he wants.

a history of violence netflix: Broken Angels Richard K. Morgan, 2004-03-02 Welcome back to the brash, brutal new world of the twenty-fifth century: where global politics isn't just for planet Earth anymore; and where death is just a break in the action, thanks to the techno-miracle that can preserve human consciousness and download it into one new body after another. Cynical, quick-on-the-trigger Takeshi Kovacs, the ex-U.N. envoy turned private eye, has changed careers, and bodies, once more . . . trading sleuthing for soldiering as a warrior-for-hire, and helping a far-flung planet's government put down a bloody revolution. But when it comes to taking sides, the only one Kovacs is ever really on is his own. So when a rogue pilot and a sleazy corporate fat cat offer him a lucrative role in a treacherous treasure hunt, he's only too happy to go AWOL with a band of resurrected soldiers of fortune. All that stands between them and the ancient alien spacecraft they mean to salvage are a massacred city bathed in deadly radiation, unleashed nanotechnology with a million ways to kill, and whatever surprises the highly advanced Martian race may have in store. But armed with his genetically engineered instincts, and his trusty twin Kalashnikovs, Takeshi is ready to take on anything—and let the devil take whoever's left behind.

a history of violence netflix: Unbelievable T. Christian Miller, Ken Armstrong, 2019-09-03 Now the Netflix Limited Series Unbelievable, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, New York Times Book Review (Editors' Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, Unbelievable is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Previously published as A False Report

a history of violence netflix: Washington's Spies Alexander Rose, 2014-03-25 NEW YORK TIMES BESTSELLER • Turn: Washington's Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmasks the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of spies in New York charged with discovering the enemy's battle plans and military strategy. Washington's small band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these

imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn't spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose's thrilling narrative tells the unknown story of the Revolution—the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington's Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy.

a history of violence netflix: V for Vendetta (New Edition) Alan Moore, 2012-08-28 A powerful story about loss of freedom and individuality, V FOR VENDETTA takes place in a totalitarian England following a devastating war that changed the face of the planet. In a world without political freedom, personal freedom and precious little faith in anything, comes a mysterious man in a white porcelain mask who fights political oppressors through terrorism and seemingly absurd acts in this gripping tale of the blurred lines between ideological good and evil.

a history of violence netflix: Maid Stephanie Land, 2019-01-22 A single mother's personal, unflinching look at America's class divide (Barack Obama), this New York Times bestselling memoir is the inspiration for the Netflix limited series, hailed by Rolling Stone as a great one. At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a nameless ghost who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit. A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work.

-PRESIDENT BARACK OBAMA, Obama's Summer Reading List

a history of violence netflix: High on the Hog Jessica B. Harris, 2011-01-01 The author of The Africa Cookbook presents a history of the African Diaspora on two continents, tracing the evolution of culturally representative foods ranging from chitlins and ham hocks to fried chicken and vegan soul.

a history of violence netflix: The Zookeeper's Wife Diane Ackerman, 2007-08-28 A true story—as powerful as Schindler's List—in which the keepers of the Warsaw Zoo saved hundreds of people from Nazi hands.
