

a history of world societies volume 1

A Deep Dive into "A History of World Societies, Volume 1": Context, Relevance, and Impact

Keyword: a history of world societies volume 1

"A History of World Societies, Volume 1" is not a single authored work, but rather a textbook frequently used in introductory world history courses. Therefore, attributing authorship to a single individual is impossible. Instead, we can analyze the collective scholarship behind its creation and the publishers' role in shaping its content and dissemination. This analysis will explore the historical context of its creation, its ongoing relevance in a rapidly changing world, and its overall contribution to the understanding of global history.

Historical Context of "A History of World Societies, Volume 1"

The creation of textbooks like "A History of World Societies, Volume 1" reflects broader trends in historical scholarship and education. These textbooks are usually products of collaborative efforts, involving multiple historians specializing in different regions and periods. This collaborative approach is crucial for providing a comprehensive overview of world history, mitigating the risk of Eurocentric or other regionally biased perspectives that once dominated historical narratives. The rise of world history as a distinct field of study, emphasizing interconnectedness and global exchange, significantly influenced the development of such comprehensive texts.

The specific edition of "A History of World Societies, Volume 1" you are referring to will likely impact the exact historical context. Different editions reflect the evolution of historical scholarship, incorporating new research, perspectives, and interpretations. Newer editions tend to prioritize inclusivity, addressing previously marginalized voices and perspectives, and integrating interdisciplinary approaches. The historical context of its publication therefore shapes its content and methodology, reflecting the prevailing academic debates and methodologies of its time.

Current Relevance of "A History of World Societies, Volume 1"

Despite the constant evolution of historical understanding, introductory texts like "A History of World Societies, Volume 1" maintain relevance for several reasons. They provide a foundational framework for understanding the complexities of human history. The book likely covers essential themes such as:

The development of early civilizations: Examining the rise of agriculture, the formation of states, and the development of writing systems in different regions.

Major empires and their impact: Analyzing the rise and fall of significant empires, their political, economic, and cultural influences.

The spread of religions and belief systems: Tracing the development and global diffusion of major religions and ideologies.

Technological innovations and their consequences: Exploring the impact of technological advancements on societies and environments.

The interconnectedness of societies: Highlighting the exchange of ideas, goods, and people across different regions.

These themes remain fundamental to understanding contemporary global issues, including globalization, conflict, migration, and environmental challenges. By providing a broad historical context, "A History of World Societies, Volume 1" helps students develop critical thinking skills, contextualize current events, and appreciate the diversity of human experience.

Summary of Main Findings and Conclusions

A detailed summary requires specifying the edition of "A History of World Societies, Volume 1" being reviewed. However, based on the general structure of such textbooks, we can surmise the following conclusions:

Human history is a complex and interconnected narrative: The book likely emphasizes the global interconnectedness of different societies throughout history, rejecting simplistic narratives of isolated development.

Multiple perspectives are necessary for a comprehensive understanding: The text probably aims for a balanced presentation, incorporating diverse perspectives and challenging established interpretations.

The past shapes the present: The book likely demonstrates how historical events and processes have shaped the contemporary world.

Historical analysis requires critical thinking: The text probably encourages students to develop critical thinking skills and engage in evidence-based reasoning.

Publisher and Editorial Authority

The publisher of "A History of World Societies, Volume 1" significantly impacts the book's authority and reach. Major academic publishers, such as Longman, Pearson, or Bedford/St. Martin's, often employ rigorous peer-review processes and engage experienced editors with expertise in world history. These publishers have a vested interest in producing high-quality, accurate textbooks that meet the standards of the academic community. The editor's qualifications, typically including a PhD in history and extensive experience in textbook publishing, ensure the book's scholarly integrity.

Conclusion

"A History of World Societies, Volume 1" serves as an invaluable resource for understanding the complexities of human history. Although the specific content varies depending on the edition and authors, the overarching goal remains consistent: to provide a comprehensive and accessible introduction to world history. Its ongoing relevance stems from its ability to equip students with a foundational understanding of global processes, fostering critical thinking and a nuanced appreciation of diverse cultures and experiences. The text's value is further enhanced by the rigor of the publishers and editors involved in its creation.

FAQs

1. What makes "A History of World Societies, Volume 1" different from other world history textbooks? The specific differences depend on the particular edition and its authors. However, key differentiators might include a unique approach to periodization, a focus on specific themes, or the incorporation of new scholarship and perspectives.
1. Is "A History of World Societies, Volume 1" suitable for self-study? Yes, it can be used for self-study, but supplementary materials and online resources may enhance understanding.
1. What are the strengths and weaknesses of "A History of World Societies, Volume 1"? Strengths might include comprehensive coverage, accessible writing style, and the inclusion of diverse perspectives. Weaknesses might include potential oversimplification of complex issues or uneven treatment of different regions.
1. How does "A History of World Societies, Volume 1" address biases in historical narratives? Modern editions actively strive to counter biases by incorporating diverse voices, challenging Eurocentric perspectives, and offering multiple interpretations of historical events.
1. What primary sources does "A History of World Societies, Volume 1" utilize? The specific primary sources used vary by edition. However, textbooks often incorporate excerpts from letters, diaries, official documents, and other primary sources to illustrate historical events and perspectives.
1. How does "A History of World Societies, Volume 1" connect the past to the present? The text demonstrates the continuity and change across different eras, highlighting how historical events and processes have shaped contemporary issues.
1. What pedagogical features does "A History of World Societies, Volume 1" include? Features such as maps, timelines, images, discussion questions, and chapter summaries enhance learning and engagement.

1. Is there an accompanying online resource for "A History of World Societies, Volume 1"? Many editions offer online resources like interactive maps, timelines, and supplementary readings. Check the publisher's website for details.

1. Where can I find reviews of "A History of World Societies, Volume 1"? You can find reviews on websites like Amazon, Goodreads, and academic journals focusing on history education.

a history of world societies volume 1: World History Eugene Berger, Brian Parkinson, Larry Israel, Charlotte Miller, Andrew Reeves, Nadejda Williams, 2014 Annotation World History: Cultures, States, and Societies to 1500 offers a comprehensive introduction to the history of humankind from prehistory to 1500. Authored by six USG faculty members with advance degrees in History, this textbook offers up-to-date original scholarship. It covers such cultures, states, and

societies as Ancient Mesopotamia, Ancient Israel, Dynastic Egypt, India's Classical Age, the Dynasties of China, Archaic Greece, the Roman Empire, Islam, Medieval Africa, the Americas, and the Khanates of Central Asia. It includes 350 high-quality images and maps, chronologies, and learning questions to help guide student learning. Its digital nature allows students to follow links to applicable sources and videos, expanding their educational experience beyond the textbook. It provides a new and free alternative to traditional textbooks, making World History an invaluable resource in our modern age of technology and advancement.

a history of world societies volume 1: U.S. History P. Scott Corbett, Volker Janssen, John M. Lund, Todd Pfannestiel, Sylvie Waskiewicz, Paul Vickery, 2024-09-10 U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

a history of world societies volume 1: A History of World Societies, Concise Edition, Volume 1 Merry E. Wiesner-Hanks, Patricia Buckley Ebrey, Roger B. Beck, Jerry Davila, Clare Haru Crowston, John P. McKay, 2020-09-28 A History of World Societies provides a concise overview of world history by sharing the cultural stories of global people -- all through a regional lens.

a history of world societies volume 1: A History of World Agriculture Marcel Mazoyer, Laurence Roudart, 2006-06-01 Only once we understand the long history of human efforts to draw sustenance from the land can we grasp the nature of the crisis that faces humankind today, as hundreds of millions of people are faced with famine or flight from the land. From Neolithic times through the earliest civilizations of the ancient Near East, in savannahs, river valleys and the terraces created by the Incas in the Andean mountains, an increasing range of agricultural techniques have developed in response to very different conditions. These developments are recounted in this book, with detailed attention to the ways in which plants, animals, soil, climate, and society have interacted. Mazoyer and Roudart's A History of World Agriculture is a path-breaking and panoramic work, beginning with the emergence of agriculture after thousands of years in which human societies had depended on hunting and gathering, showing how agricultural techniques developed in the different regions of the world, and how this extraordinary wealth of knowledge, tradition and natural variety is endangered today by global capitalism, as it forces the unequal agrarian heritages of the world to conform to the norms of profit. During the twentieth century, mechanization, motorization and specialization have brought to a halt the pattern of cultural and environmental responses that characterized the global history of agriculture until then. Today a small number of corporations have the capacity to impose the farming methods on the planet that they find most profitable. Mazoyer and Roudart propose an alternative global strategy that can safeguard the economies of the poor countries, reinvigorate the global economy, and create a livable future for mankind.

a history of world societies volume 1: History of World Societies 8e V1 + Bedford Glossary for World History John P. McKay, Bennett D. Hill, John Buckler, Patricia Buckley Ebrey, 2009-06-09

a history of world societies volume 1: History of International Relations Erik Ringmar, 2019-08-02 Existing textbooks on international relations treat history in a cursory fashion and

perpetuate a Euro-centric perspective. This textbook pioneers a new approach by historicizing the material traditionally taught in International Relations courses, and by explicitly focusing on non-European cases, debates and issues. The volume is divided into three parts. The first part focuses on the international systems that traditionally existed in Europe, East Asia, pre-Columbian Central and South America, Africa and Polynesia. The second part discusses the ways in which these international systems were brought into contact with each other through the agency of Mongols in Central Asia, Arabs in the Mediterranean and the Indian Ocean, Indic and Sinic societies in South East Asia, and the Europeans through their travels and colonial expansion. The concluding section concerns contemporary issues: the processes of decolonization, neo-colonialism and globalization – and their consequences on contemporary society. History of International Relations provides a unique textbook for undergraduate and graduate students of international relations, and anybody interested in international relations theory, history, and contemporary politics.

a history of world societies volume 1: Sources of World Societies, Volume 2 Merry E. Wiesner-Hanks, Patricia Buckley Ebrey, Roger B. Beck, Jerry Davila, Clare Haru Crowston, John P. McKay, 2020-08-26 Sources of World Societies is an expertly crafted collection of historical sources with a variety of global, cultural perspectives from around the world.

a history of world societies volume 1: A Companion to Gender History Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 A Companion to Gender History surveys the history of women around the world, studies their interaction with men in gendered societies, and looks at the role of gender in shaping human behavior over thousands of years. An extensive survey of the history of women around the world, their interaction with men, and the role of gender in shaping human behavior over thousands of years. Discusses family history, the history of the body and sexuality, and cultural history alongside women's history and gender history. Considers the importance of class, region, ethnicity, race and religion to the formation of gendered societies. Contains both thematic essays and chronological-geographic essays. Gives due weight to pre-history and the pre-modern era as well as to the modern era. Written by scholars from across the English-speaking world and scholars for whom English is not their first language.

a history of world societies volume 1: Crimes Unspoken Miriam Gebhardt, 2016-12-20 The soldiers who occupied Germany after the Second World War were not only liberators: they also brought with them a new threat, as women throughout the country became victims of sexual violence. In this disturbing and carefully researched book, the historian Miriam Gebhardt reveals for the first time the scale of this human tragedy, which continued long after the hostilities had ended. Discussion in recent years of the rape of German women committed at the end of the war has focused almost exclusively on the crimes committed by Soviet soldiers, but Gebhardt shows that this picture is misleading. Crimes were committed as much by the Western Allies – American, French and British – as by the members of the Red Army. Nor was the suffering limited to the immediate aftermath of the war. Gebhardt powerfully recounts how raped women continued to be the victims of doctors, who arbitrarily granted or refused abortions, welfare workers, who put pregnant women in homes, and wider society, which even today prefers to ignore these crimes. Crimes Unspoken is the first historical account to expose the true extent of sexual violence in Germany at the end of the war, offering valuable new insight into a key period of 20th century history.

a history of world societies volume 1: Geography and Ethnography Kurt A. Raaflaub, Richard J. A. Talbert, 2009-12-17 This fascinating volume brings together leading specialists, who have analyzed the thoughts and records documenting the worldviews of a wide range of pre-modern societies. Presents evidence from across the ages; from antiquity through to the Age of Discovery. Provides cross-cultural comparison of ancient societies around the globe, from the Chinese to the Incas and Aztecs, from the Greeks and Romans to the peoples of ancient India. Explores newly discovered medieval Islamic materials.

a history of world societies volume 1: What is Gender History? Sonya O. Rose, 2013-04-22 This book provides a short and accessible introduction to the field of gender history, one that has vastly expanded in scope and substance since the mid 1970s. Paying close attention to both classic

texts in the field and the latest literature, the author examines the origins and development of the field and elucidates current debates and controversies. She highlights the significance of race, class and ethnicity for how gender affects society, culture and politics as well as delving into histories of masculinity. The author discusses in a clear and straightforward manner the various methods and approaches used by gender historians. Consideration is given to how the study of gender illuminates the histories of revolution, war and nationalism, industrialization and labor relations, politics and citizenship, colonialism and imperialism using as examples research dealing with the histories of a number of areas across the globe. Written by one of the leading scholars in this vibrant field, *What is Gender History?* will be the ideal introduction for students of all levels.

a history of world societies volume 1: A History of World Societies John P. McKay, Bennett D. Hill, John Buckler, Patricia Buckley Ebrey, Roger B. Beck, 2009-10-01

'Manuals' for new parents illustrating many models of babyhood, shaped by different values and cultures.

a history of world societies volume 1: The World Simon Sebag Montefiore, 2023-05-16 NEW YORK TIMES BESTSELLER • A magisterial world history unlike any other that tells the story of humanity through the one thing we all have in common: families • From the author of *The Romanovs* "Succession meets Game of Thrones." —The Spectator • "The author brings his cast of dynastic titans, rogues and psychopaths to life...An epic that both entertains and informs." —The Economist, Best Books of the Year Around 950,000 years ago, a family of five walked along the beach and left behind the oldest family footprints ever discovered. For award-winning historian Simon Sebag Montefiore, these poignant, familiar fossils serve as an inspiration for a new kind of world history, one that is genuinely global, spans all eras and all continents, and focuses on the family ties that connect every one of us. In this epic, ever-surprising book, Montefiore chronicles the world's great dynasties across human history through palace intrigues, love affairs, and family lives, linking grand themes of war, migration, plague, religion, and technology to the people at the heart of the human drama. It features a cast of extraordinary diversity: in addition to rulers and conquerors, there are priests, charlatans, artists, scientists, tycoons, gangsters, lovers, husbands, wives, and children. There is Hongwu, the beggar who founded the Ming dynasty; Ewuare, the Leopard-King of Benin; Henry Christophe, King of Haiti; Kamehameha, the conqueror of Hawaii; Zenobia, the Arab empress who defied Rome; Lady Murasaki, the first female novelist; Sayyida al-Hurra, the Moroccan pirate-queen. Here too are moderns such as Indira Gandhi, Margaret Thatcher, Barack Obama, Vladimir Putin, and Volodymyr Zelensky. Here are the Caesars, Medicis and Incas, Ottomans and Mughals, Bonapartes, Habsburgs and Zulus, Rothschilds, Rockefellers and Krupps, Churchills, Kennedys, Castros, Nehrus, Pahlavis and Kenyattas, Saudis, Kims and Assads. These powerful families represent the breadth of human endeavor, with bloody succession battles, treacherous conspiracies, and shocking megalomania alongside flourishing culture, moving romances, and enlightened benevolence. A dazzling achievement as spellbinding as fiction, *The World* captures the whole human story in a single, masterful narrative.

a history of world societies volume 1: The Atlantic World and Virginia, 1550-1624 Peter C. Mancall, 2018-01-15 In response to the global turn in scholarship on colonial and early modern history, the eighteen essays in this volume provide a fresh and much-needed perspective on the wider context of the encounter between the inhabitants of precolonial Virginia and the English. This collection offers an interdisciplinary consideration of developments in Native America, Europe, Africa, the Caribbean, and the Chesapeake, highlighting the mosaic of regions and influences that formed the context and impetus for the English settlement at Jamestown in 1607. The volume reflects an understanding of Jamestown not as the birthplace of democracy in America but as the creation of a European outpost in a neighborhood that included Africans, Native Americans, and other Europeans. With contributions from both prominent and rising scholars, this volume offers far-ranging and compelling studies of peoples, texts, places, and conditions that influenced the making of New World societies. As Jamestown marks its four-hundredth anniversary, this collection

provides provocative material for teaching and launching new research. Contributors: Philip P. Boucher, University of Alabama, Huntsville Peter Cook, Nipissing University J. H. Elliott, University of Oxford Andrew Fitzmaurice, University of Sydney Joseph Hall, Bates College Linda Heywood, Boston University James Horn, Colonial Williamsburg Foundation E. a history of world societies volume 1: The Cambridge World History of Slavery: Volume 3, AD 1420-AD 1804 David Eltis, Stanley L. Engerman, Keith R. Bradley, Paul Cartledge, Seymour Drescher, 2011-07-25 The various manifestations of coerced labour between the opening up of the Atlantic world and the formal creation of Haiti.

a history of world societies volume 1: Beyond Slavery Frederick Cooper, Thomas Cleveland Holt, Rebecca J. Scott, 2014-06-30 In this collaborative work, three leading historians explore one of the most significant areas of inquiry in modern historiography--the transition from slavery to freedom and what this transition meant for former slaves, former slaveowners, and the societies in which they lived. Their contributions take us beyond the familiar portrait of emancipation as the end of an evil system to consider the questions and the struggles that emerged in freedom's wake. Thomas Holt focuses on emancipation in Jamaica and the contested meaning of citizenship in defining and redefining the concept of freedom; Rebecca Scott investigates the complex struggles and cross-racial alliances that evolved in southern Louisiana and Cuba after the end of slavery; and Frederick Cooper examines the intersection of emancipation and imperialism in French West Africa. In their introduction, the authors address issues of citizenship, labor, and race, in the post-emancipation period and they point the way toward a fuller understanding of the meanings of freedom.

a history of world societies volume 1: A History of the World from the 20th to the 21st Century John Ashley Soames Grenville, 2005 Provides a comprehensive survey of the key events and personalities of this period.

a history of world societies volume 1: A History of World Societies, Volume 1 Merry E. Wiesner-Hanks, Patricia Buckley Ebrey, Roger B. Beck, Jerry Davila, Clare Haru Crowston, John P. McKay, 2020-09-16

a history of world societies volume 1: The Cambridge World History Jerry H. Bentley, Sanjay Subrahmanyam, Merry E. Wiesner-Hanks, 2015-04-09 The era from 1400 to 1800 saw intense biological, commercial, and cultural exchanges, and the creation of global connections on an unprecedented scale. Divided into two books, Volume 6 of the Cambridge World History series considers these critical transformations. The first book examines the material and political foundations of the era, including global considerations of the environment, disease, technology, and cities, along with regional studies of empires in the eastern and western hemispheres, crossroads areas such as the Indian Ocean, Central Asia, and the Caribbean, and sites of competition and conflict, including Southeast Asia, Africa, and the Mediterranean. The second book focuses on patterns of change, examining the expansion of Christianity and Islam, migrations, warfare, and other topics on a global scale, and offering insightful detailed analyses of the Columbian exchange, slavery, silver, trade, entrepreneurs, Asian religions, legal encounters, plantation economies, early industrialism, and the writing of history.

a history of world societies volume 1: *Work's Intimacy* Melissa Gregg, 2013-04-23 This book provides a long-overdue account of online technology and its impact on the work and lifestyles of professional employees. It moves between the offices and homes of workers in the new knowledge economy to provide intimate insight into the personal, family, and wider social tensions emerging in today's rapidly changing work environment. Drawing on her extensive research, Gregg shows that

new media technologies encourage and exacerbate an older tendency among salaried professionals to put work at the heart of daily concerns, often at the expense of other sources of intimacy and fulfillment. New media technologies from mobile phones to laptops and tablet computers, have been marketed as devices that give us the freedom to work where we want, when we want, but little attention has been paid to the consequences of this shift, which has seen work move out of the office and into cafés, trains, living rooms, dining rooms, and bedrooms. This professional presence bleed leads to work concerns impinging on the personal lives of employees in new and unforeseen ways. This groundbreaking book explores how aspiring and established professionals each try to cope with the unprecedented intimacy of technologically-mediated work, and how its seductions seem poised to triumph over the few remaining relationships that may stand in its way.

a history of world societies volume 1: A History of World Societies, Value Edition, Volume 1 Merry E. Wiesner-Hanks, Patricia Buckley Ebrey, Roger B. Beck, Jerry Davila, Clare Haru Crowston, John P. McKay, 2020-09-24 A History of World Societies provides a concise overview of world history by sharing the cultural stories of global people -- all through a regional lens.

a history of world societies volume 1: How the World Works Paul Cockshott, 2020-01-21 A sweeping history of the full range of human labor Few authors are able to write cogently in both the scientific and the economic spheres. Even fewer possess the intellectual scope needed to address science and economics at a macro as well as a micro level. But Paul Cockshott, using the dual lenses of Marxist economics and technological advance, has managed to pull off a stunningly acute critical perspective of human history, from pre-agricultural societies to the present. In How the World Works, Cockshott connects scientific, economic, and societal strands to produce a sweeping and detailed work of historical analysis. This book will astound readers of all backgrounds and ages; it will also will engage scholars of history, science, and economics for years to come.

a history of world societies volume 1: Understanding World Societies, Volume 1 John P. McKay, Patricia Buckley Ebrey, Roger B. Beck, Clare Haru Crowston, Merry E. Wiesner-Hanks, 2012-08-03 Based on the highly successful A History of World Societies, Understanding World Societies: A Brief History combines innovative pedagogy with a manageable regional and comparative approach to capture students' interest in the everyday life of the past. Abridged by 25%, the narrative is paired with distinctive pedagogy, designed to help students focus on significant developments as they read and review. An innovative end-of-chapter study guide helps students master key facts and move towards synthesis.

a history of world societies volume 1: The Decline of the West Oswald Spengler, Arthur Helps, Charles Francis Atkinson, 1991 Spengler's work describes how we have entered into a centuries-long world-historical phase comparable to late antiquity, and his controversial ideas spark debate over the meaning of historiography.

a history of world societies volume 1: The Pillars of the Earth Ken Follett, 2010-06-29 #1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece.

a history of world societies volume 1: The Massacre in History Mark Levene, Penny Roberts, 1999 Six papers from a March 1995 conference in Warwick, England, and seven additional

commissioned essays span from the 11th century to the early 1990s and from western Europe to China. The historian authors explore such issues as what a massacre is, when and why it happens, cultural and political frameworks, how human societies respond, social and economic repercussions, and whether they are catalysts for change. They suggest that the massacre is often central to the course of human development and societal change. Annotation copyrighted by Book News, Inc., Portland, OR

a history of world societies volume 1: What Is Global History? Sebastian Conrad, 2017-08-29 The first comprehensive overview of the innovative new discipline of global history Until very recently, historians have looked at the past with the tools of the nineteenth century. But globalization has fundamentally altered our ways of knowing, and it is no longer possible to study nations in isolation or to understand world history as emanating from the West. This book reveals why the discipline of global history has emerged as the most dynamic and innovative field in history—one that takes the connectedness of the world as its point of departure, and that poses a fundamental challenge to the premises and methods of history as we know it. What Is Global History? provides a comprehensive overview of this exciting new approach to history. The book addresses some of the biggest questions the discipline will face in the twenty-first century: How does global history differ from other interpretations of world history? How do we write a global history that is not Eurocentric yet does not fall into the trap of creating new centrism? How can historians compare different societies and establish compatibility across space? What are the politics of global history? This in-depth and accessible book also explores the limits of the new paradigm and even its dangers, the question of whom global history should be written for, and much more. Written by a leading expert in the field, What Is Global History? shows how, by understanding the world's past as an integrated whole, historians can remap the terrain of their discipline for our globalized present.
