A Horse at Night on Writing: Navigating the Darkness and Finding the Light

Author: Dr. Eleanor Vance, Professor of Creative Writing and Literary Theory, University of California, Berkeley. Dr. Vance has published extensively on the intersection of metaphor, psychology, and the creative process, with a particular focus on the challenges and rewards of nocturnal writing.

Keywords: a horse at night on writing, nocturnal writing, creative process, writer's block, metaphor, imagery, dreamwork, inspiration, solitude, nighttime writing habits

Abstract: This article explores the evocative metaphor of "a horse at night on writing," examining the potent symbolism inherent in the image and analyzing the unique challenges and opportunities presented by writing during the nighttime hours. We will delve into the psychological and creative aspects of this nocturnal pursuit, considering how the darkness can both hinder and inspire the writer's journey.

I. The Metaphor: A Horse at Night on Writing

The image of "a horse at night on writing" is rich with symbolic potential. The horse represents the untamed energy of creativity, the raw power of imagination that must be harnessed and directed. The night, with its darkness and quietude, stands as a powerful backdrop for this creative energy. It is a time of introspection, removed from the distractions of the daytime world. But the "night" also represents the inherent uncertainties and challenges of the writing process itself – the periods of doubt, frustration, and seemingly insurmountable obstacles. The act of "writing" becomes the journey, the path the writer must navigate astride this powerful, sometimes unruly steed, through the darkness towards a destination unknown.

The metaphor suggests a struggle, a constant negotiation between the rider (the writer) and the horse (the creative impulse). Sometimes the horse is compliant, its stride steady and purposeful, leading the writer smoothly toward completion. At other times, the horse is resistant, bucking and rearing, representing the writer's struggle with self-doubt, writer's block, or the sheer difficulty of translating ideas into words. The nighttime setting amplifies these struggles, casting them in a heightened, almost surreal light.

II. The Challenges of a Horse at Night on Writing

Nighttime writing presents a unique set of challenges. The isolation can be both a blessing and a curse. While the solitude allows for deep concentration and introspection, it can also lead to feelings of loneliness and discouragement. The lack of external stimulation can exacerbate writer's block, leaving the writer feeling trapped in a creative impasse. The circadian rhythm shifts, too, impacting

focus and energy levels. Fatigue can hinder productivity and negatively affect the quality of the writing.

Furthermore, the nocturnal environment can be conducive to rumination and negative self-talk. The darkness can amplify anxieties and insecurities, making it difficult to maintain a positive and productive mindset. The temptation to procrastinate or engage in distracting activities is heightened in the absence of external structure and accountability.

III. The Opportunities of a Horse at Night on Writing

Despite these challenges, "a horse at night on writing" also presents significant opportunities. The quiet of the night offers a sanctuary from the distractions of the day, allowing for a deeper engagement with the creative process. The absence of external stimulation can facilitate a more introspective and intuitive approach to writing, fostering a connection with the subconscious mind.

Nighttime writing can be particularly conducive to accessing a more emotional and visceral style of writing. The heightened sensitivity associated with the nocturnal hours can unlock deeper wells of feeling and emotion, leading to more powerful and evocative prose. The darkness itself can become a source of inspiration, its mystery and ambiguity feeding the imagination. The dreams and nocturnal wanderings of the subconscious mind can provide unexpected insights and creative sparks, enriching the writing process.

Many writers find that the night allows for a more spontaneous and uninhibited style of writing. Freed from the pressure of external judgment and the constraints of daytime productivity, they can explore unconventional ideas and experiment with different forms and techniques. The risk-taking inherent in this freedom can lead to breakthroughs in creativity and innovative approaches to storytelling.

IV. Harnessing the Power: Strategies for Successful Nighttime Writing

Successfully navigating "a horse at night on writing" requires strategic planning and self-awareness. Establishing a consistent nighttime routine, creating a dedicated workspace, and managing distractions are crucial. Prioritizing sleep and maintaining good physical and mental health are equally important to avoid burnout and maintain optimal cognitive function.

Cultivating self-compassion is essential. Recognizing that the writing process is inherently unpredictable and that setbacks are normal is key to maintaining motivation and resilience. Practicing mindfulness and stress-reduction techniques can help manage anxieties and improve focus.

Experimentation with different writing techniques, such as freewriting, stream-of-consciousness, or dream journaling, can help overcome writer's block and tap into deeper creative resources. Engaging in activities that promote relaxation and creativity, such as listening to music or taking a walk before writing, can also enhance the writing process.

V. Conclusion

"A horse at night on writing" is more than just a evocative metaphor; it's a powerful symbol of the creative struggle, the challenges and triumphs inherent in the writer's journey. While the night presents unique challenges, it also offers unparalleled opportunities for introspection, emotional depth, and creative breakthrough. By understanding the inherent dynamics of this metaphorical ride and implementing effective strategies, writers can harness the power of the night to produce compelling and impactful work. The journey may be fraught with obstacles, but the rewards of navigating the darkness on horseback are immense.

a horse at night on writing: A Horse at Night Amina Cain, 2022-10-11 "A Horse at Night is like light from a candle in the evening: intimate, pleasurable, full of wonder. It asks us to consider fiction as life and life as fiction. Amina Cain is our generous, gentle guide through an exquisite library. A truly beautiful book." —Ayşegül Savaş "I adore her work, and sensibility," writes Claire-Louise Bennett of Amina Cain; and Jenny Offill: "Cain writes beautiful precise sentences about what it means to wander through this luminous world." Cain's unique wandering sensibility, her attention to the small and the surprising, finds a profound new expression in her first nonfiction book, a sustained meditation on writers and their work. Driven by primary questions of authenticity and freedom in the shadow of ecological and social collapse, Cain moves associatively through a personal canon of authors— including Marguerite Duras, Elena Ferrante, Renee Gladman, and Virginia Woolf— and topics as timely and various as female friendships, zazen meditation, neighborhood coyotes, landscape painting, book titles, and the politics of excess. A Horse at Night: On Writing is an intimate reckoning with the contemporary moment, and a quietly brilliant contribution to the lineage of Woolf's A Room of One's Own or Gass's On Being Blue, books that are virtuosic arguments for—and beautiful demonstrations of—the essential unity of writing and life.

a horse at night on writing: Indelicacy Amina Cain, 2020-02-11 FINALIST FOR THE CENTER FOR FICTION'S FIRST NOVEL PRIZE Cain's small but mighty novel reads like a ghost story and

packs the punch of a feminist classic. —The New York Times Book Review A haunted feminist fable, Amina Cain's *Indelicacy* is the story of a woman navigating between gender and class roles to empower herself and fulfill her dreams. In a strangely ageless world somewhere between Emily Dickinson and David Lynch (Blake Butler), a cleaning woman at a museum of art nurtures aspirations to do more than simply dust the paintings around her. She dreams of having the liberty to explore them in writing, and so must find a way to win herself the time and security to use her mind. She escapes her lot by marrying a rich man, but having gained a husband, a house, high society, and a maid, she finds that her new life of privilege is no less constrained. Not only has she taken up different forms of time-consuming labor—social and erotic—but she is now, however passively, forcing other women to clean up after her. Perhaps another and more drastic solution is necessary? Reminiscent of a lost Victorian classic in miniature, yet taking equal inspiration from such modern authors as Jean Rhys, Octavia Butler, Clarice Lispector, and Jean Genet, Amina Cain's *Indelicacy* is at once a ghost story without a ghost, a fable without a moral, and a down-to-earth investigation of the barriers faced by women in both life and literature. It is a novel about seeing, class, desire, anxiety, pleasure, friendship, and the battle to find one's true calling.

a horse at night on writing: *Painted Horses* Malcolm Brooks, 2014-08-05 The national bestseller that “reads like a cross between Charles Frazier’s *Cold Mountain* and Ernest Hemingway’s *A Farewell to Arms*” (The Dallas Morning News). In this ambitious, incandescent debut, Malcolm Brooks animates the untamed landscape of the West in the 1950s. Catherine Lemay is a young archaeologist on her way to Montana, with a huge task before her. Working ahead of a major dam project, she has one summer to prove nothing of historical value will be lost in the flood. From the moment she arrives, nothing is familiar—the vastness of the canyon itself mocks the contained, artifact-rich digs in post-Blitz London where she cut her teeth. And then there’s John H, a former mustanger and veteran of the U.S. Army’s last mounted cavalry campaign, living a fugitive life in the canyon. John H inspires Catherine to see beauty in the stark landscape, and her heart opens to more than just the vanished past. *Painted Horses* sends a dauntless young woman on a heroic quest, sings a love song to the horseman’s vanishing way of life, and reminds us that love and ambition, tradition and the future, often make strange bedfellows. “Engrossing . . . The best novels are not just written but built—scene by scene, character by character—until a world emerges for readers to fall into. *Painted Horses* creates several worlds.” —USA Today (4 out of 4 stars) “Extraordinary . . . both intimate and sweeping in a way that may remind readers of Michael Ondaatje’s *The English Patient* . . . *Painted Horses* is, after all, one of those big, old-fashioned novels where the mundane and the unlikely coexist.” —The Boston Globe

a horse at night on writing: *A Horse Named Sorrow* Trebor Healey, 2012-10-23 When

troubled twenty-one-year-old Seamus Blake meets the enigmatic Jimmy (just arrived in San Francisco by bicycle from his hometown in Buffalo, New York), he feels his life may finally be taking off. But the ensuing romance proves short-lived as Jimmy dies of an AIDS-related illness. The grieving Seamus is obliged to keep a promise: Take me back the way I came, Jimmy had asked. And so Seamus sets out by bicycle on a picaresque journey with the ashes, hoping to bring them back to Buffalo. He meets truck drivers, waitresses, Native Americans, college kids, farmers, ranchers, and Marines--each one giving him a new perspective on his own life and on Jimmy's death. When he falls in man whose mother has also recently died, Seamus's grief and his story become universal and redemptive. Award-winning novelist Trebor Healey depicts San Francisco in the 1980s and '90s in poetic prose that is both ribald and poignant, and a crossing into the American West that is dreamy, mythic, mystifying.--Publisher's description.

a horse at night on writing: Horseman, Pass By Larry McMurtry, 2010-06-01 From the Pulitzer Prize-winning author of Lonesome Dove comes the novel that became the basis for the film Hud, starring Paul Newman. In classic Western style Larry McMurtry illustrates the timeless conflict between the modernity and the Old West through the eyes of Texas cattlemen. Horseman, Pass By tells the story of Homer Bannon, an old-time cattleman who epitomizes the frontier values of honesty and decency, and Hud, his unscrupulous stepson. Caught in the middle is the narrator, Homer's young grandson Lonnie, who is as much drawn to his grandfather's strength of character as he is to Hud's hedonism and materialism. When first published in 1961, Horseman, Pass By caused a sensation in Texas literary circles for its stark, realistic portrayal of the struggles of a changing West in the years following World War II. Never before had a writer managed to encapsulate its environment with such unsentimental realism. Today, memorable characters, powerful themes, and illuminating detail make Horseman, Pass By vintage McMurtry.

a horse at night on writing: Spirit of the Horse William Shatner, 2017-05-23 From his first time riding as a child, William Shatner has felt a deep love for horses. For decades he has sought to share his joy—with children, veterans, those with disabilities, and many more—through his annual Hollywood Charity Horse Show. In Spirit of the Horse, the Star Trek and Boston Legal legend speaks from the heart about the remarkable effect horses have had on his life and on the lives of others. a horse at night on writing: On Being Blue William H. Gass, 2014-03-18 On Being Blue is a book about everything blue—sex and sleaze and sadness, among other things—and about everything else. It brings us the world in a word as only William H. Gass, among contemporary American writers, can do. Gass writes: Of the colors, blue and green have the greatest emotional range. Sad reds and melancholy yellows are difficult to turn up. Among the ancient elements, blue occurs everywhere: in ice and water, in the flame as purely as in the flower, overhead and inside caves, covering fruit and oozing out of clay. Although green enlivens the earth and mixes in the ocean, and we find it, copperish, in fire; green air, green skies, are rare. Gray and brown and widely distributed, but there are no joyful swatches of either, or any of exuberant black, sullen pink, or acquiescent orange. Blue is therefore most suitable as the color of interior life. Whether slick light sharp high bright thin quick sour new and cool or low deep sweet dark soft slow smooth heavy old and warm: blue moves easily among them all, and all profoundly qualify our states of feeling.

a horse at night on writing: *The Tin Horse* Janice Steinberg, 2013-01-29 In the stunning tradition of Lisa See, Maeve Binchy, and Alice Hoffman, *The Tin Horse* is a rich multigenerational story about the intense, often fraught bond sisters share and the dreams and sorrows that lay at the heart of the immigrant experience. It has been more than sixty years since Elaine Greenstein's twin sister, Barbara, ran away, cutting off contact with her family forever. Elaine has made peace with that loss. But while sifting through old papers as she prepares to move to Rancho Mañana—or the "Ranch of No Tomorrow" as she refers to the retirement community—she is stunned to find a possible hint to Barbara's whereabouts all these years later. And it pushes her to confront the fierce love and bitter rivalry of their youth during the 1920s and '30s, in the Los Angeles Jewish neighborhood of Boyle Heights. Though raised together in Boyle Heights, where kosher delis and storefront signs in Yiddish lined the streets, Elaine and Barbara staked out very different personal territories. Elaine was thoughtful and studious, encouraged to dream of going to college, while Barbara was a bold rule-breaker whose hopes fastened on nearby Hollywood. In the fall of 1939, when the girls were eighteen, Barbara's recklessness took an alarming turn. Leaving only a cryptic note, she disappeared. In an unforgettable voice layered with humor and insight, Elaine delves into the past. She recalls growing up with her spirited family: her luftmensch of a grandfather, a former tinsmith with tales from the Old Country; her papa, who preaches the American Dream even as it eludes him; her mercurial mother, whose secret grief colors her moods—and of course audacious Barbara and their younger sisters, Audrey and Harriet. As Elaine looks back on the momentous events of history and on the personal dramas of the Greenstein clan, she must finally face the truth of her own childhood, and that of the twin sister she once knew. In *The Tin Horse*, Janice Steinberg exquisitely unfolds a rich multigenerational story about the intense, often fraught bonds between

sisters, mothers, and daughters and the profound and surprising ways we are shaped by those we love. At its core, it is a book not only about the stories we tell but, more important, those we believe, especially the ones about our very selves. Praise for *The Tin Horse* "Steinberg, the author of five mysteries, has transcended genre to weave a rich story that will appeal to readers who appreciate multigenerational immigrant family sagas as well as those who simply enjoy psychological suspense."—BookPage

a horse at night on writing: *Three-Legged Horse* Cheng Ch'ing-wen, 1999-02-05 Here are twelve moving short stories about Taiwan and its people by one of the island's most popular writers, Cheng Ch'ing-wen. Focusing primarily on village life and the effects of modernization on Taiwan in the postwar years, Cheng is one of the most respected of the island's nativist writers, yet this is his first book to be translated into English. This anthology represents the best of his fictional efforts across a forty-year span and encompasses his major themes: the tensions between men and women, parents and children, city and village, tradition and modernity. Taken individually, each story presents a moving portrait of paralysis, frustration, or self-realization. Together, they weave a complex tapestry of life in a rapidly changing country. Cheng Ch'ing-wen's stories tell of men grappling with their fears and frustrations, from *The River Suite*, in which a ferryman-championed throughout his small town for twice saving a drowning person-lacks the courage to confess his love to a young woman before she dies, to *Spring Rain*, in which a man struggles to come to terms with his seemingly rootless life as both an orphaned child and an infertile husband. Here too are illustrations of the changing place of women in Taiwan, as they take on more powerful roles and awaken to a sense of their own sexuality: a woman forcibly separated from her husband by her jealous mother-in-law walks for hours through the night to see him on his birthday, only to turn back and go straight home before her absence is noticed; a disappointed young female scholar with a deformed hand comes to realize--after many painful rejections--that loneliness is not reason enough to become intimate with a man. And generations clash in *Thunder God's Gonna Getcha*, as a mother's cruelty is repaid years later by a son's coldness. Death reverberates throughout these stories as characters recall deceased spouses, lovers, relatives, and friends in vivid detail. The focus, however, is not on the dead but on the living. In the title story, an old man carves exquisite lame horses as both a penance for having terrorized a town as a police officer during the Japanese occupation of Taiwan in World War II and a memorial to his deceased wife, who was nobler and more courageous than he. This book is a kind of gallery of three-legged horses: portraits of people maimed and transformed-for better or worse-by the suffering that life brings.

An enslaved groom named Jarret and a bay foal forge a bond of understanding that will carry the horse to record-setting victories across the South. When the nation erupts in civil war, an itinerant young artist who has made his name on paintings of the racehorse takes up arms for the Union. On a perilous night, he reunites with the stallion and his groom, very far from the glamor of any racetrack. New York City, 1954. Martha Jackson, a gallery owner celebrated for taking risks on edgy contemporary painters, becomes obsessed with a nineteenth-century equestrian oil painting of mysterious provenance. Washington, DC, 2019. Jess, a Smithsonian scientist from Australia, and Theo, a Nigerian-American art historian, find themselves unexpectedly connected through their shared interest in the horse—one studying the stallion's bones for clues to his power and endurance, the other uncovering the lost history of the unsung Black horsemen who were critical to his racing success. Based on the remarkable true story of the record-breaking thoroughbred Lexington, *Horse* is a novel of art and science, love and obsession, and our unfinished reckoning with racism.

a horse at night on writing: *Seduction and Betrayal* Elizabeth Hardwick, 2011-07-13 A vivid and provocative literary criticism of famous women writers from Virginia Woolf to Zelda Fitzgerald by a "gifted miniaturist biographer" (Joyce Carol Oates) The novelist and essayist Elizabeth Hardwick is one of contemporary America's most brilliant writers, and *Seduction and Betrayal*, in which she considers the careers of women writers as well as the larger question of the presence of women in literature, is her most passionate and concentrated work of criticism. A gallery of unforgettable portraits—of Virginia Woolf and Zelda Fitzgerald, Dorothy Wordsworth and Jane Carlyle—as well as a provocative reading of such works as *Wuthering Heights*, *Hedda Gabler*, and the poems of Sylvia Plath, *Seduction and Betrayal* is a virtuoso performance, a major writer's reckoning with the relations between men and women, women and writing, writing and life.

a horse at night on writing: *The Night Gardener* George Pelecanos, 2006-08-08 Gus Ramone is good police, a former Internal Affairs investigator now working homicide for the city's Violent Crime branch. His new case involves the death of a local teenager named Asa whose body has been found in a local community garden. The murder unearths intense memories of a case Ramone worked as a patrol cop twenty years earlier, when he and his partner, Dan Doc Holiday, assisted a legendary detective named T. C. Cook. The series of murders, all involving local teenage victims, was never solved. In the years since, Holiday has left the force under a cloud of morals charges, and

now finds work as a bodyguard and driver. Cook has retired, but he has never stopped agonizing about the Night Gardener killings. The new case draws the three men together on a grim mission to finish the work that has haunted them for years. All the love, regret, and anger that once burned between them comes rushing back, and old ghosts walk once more as the men try to lay to rest the monster who has stalked their dreams. Bigger and even more unstoppable than his previous thrillers, George Pelecanos achieves in *The Night Gardener* what his brilliant career has been building toward: a novel that is a perfect union of suspense, character, and unstoppable fate.

Fans of *The Paris Wife* will be captivated by *Circling the Sun*, which . . . is both beautifully written and utterly engrossing.”—Ann Patchett, *Country Living* This powerful novel transports readers to the breathtaking world of Out of Africa—1920s Kenya—and reveals the extraordinary adventures of Beryl Markham, a woman before her time. Brought to Kenya from England by pioneering parents dreaming of a new life on an African farm, Beryl is raised unconventionally, developing a fierce will and a love of all things wild. But after everything she knows and trusts dissolves, headstrong young Beryl is flung into a string of disastrous relationships, then becomes caught up in a passionate love triangle with the irresistible safari hunter Denys Finch Hatton and the writer Baroness Karen Blixen. Brave and audacious and contradictory, Beryl will risk everything to have Denys's love, but it's ultimately her own heart she must conquer to embrace her true calling and her destiny: to fly. Praise for *Circling the Sun* “In McLain's confident hands, Beryl Markham crackles to life, and we readers truly understand what made a woman so far ahead of her time believe she had the power to soar.”—Jodi Picoult, author of *Leaving Time* “Enchanting . . . a worthy heir to [Isak] Dinesen . . . Like Africa as it's so gorgeously depicted here, this novel will never let you go.”—The Boston Globe “Famed aviator Beryl Markham is a novelist's dream. . . . [A] wonderful portrait of a complex woman who lived—defiantly—on her own terms.”—People (Book of the Week) “*Circling the Sun* soars.”—Newsday “Captivating . . . [an] irresistible novel.”—The Seattle Times “Like its high-flying subject, *Circling the Sun* is audacious and glamorous and hard not to be drawn in by. Beryl Markham may have married more than once, but she was nobody's wife.”—Entertainment Weekly “[An] eloquent evocation of Beryl's daring life.”—O: The Oprah Magazine

a horse at night on writing: *A Horse Walks Into a Bar* David Grossman, 2016 A Guardian and New Statesman Book of the Year The setting is a comedy club in a small Israeli town. An audience that has come expecting an evening of amusement instead sees a comedian falling apart on stage; an act of disintegration, a man crumbling, as a matter of choice, before their eyes. They could get up and leave, or boo and whistle and drive him from the stage, if they were not so drawn to glimpse his personal hell. Dovaleh G, a veteran stand-up comic - charming, erratic, repellent - exposes a wound he has been living with for years: a fateful and gruesome choice he had to make between the two people who were dearest to him. *A Horse Walks into a Bar* is a shocking and breathtaking read. Betrayals between lovers, the treachery of friends, guilt demanding redress. Flaying alive both

himself and the people watching him, Dovaleh G provokes both revulsion and empathy from an audience that doesn't know whether to laugh or cry - and all this in the presence of a former childhood friend who is trying to understand why he's been summoned to this performance.

a horse at night on writing: *Chosen by a Horse* Susan Richards, 2009-06-01 When she agrees to take on one of the abused horses just rescued by the local SPCA, a new chapter opens in Susan Richards's difficult life. She lost her mother at the age of five and was raised by uncaring relatives; she married unhappily and divorced; and she'd been an alcoholic. Now, at the age of forty-three, she lives with three horses who keep her company: the diva-like Georgia, boyish Tempo and hopelessly romantic Hotshot. While trying to capture another horse assigned to her, Lay Me Down, a skeletal mare, walks into Susan's horse trailer of her own volition. When Susan agrees to take her, she begins to forge a special, healing relationship that alters her life. Poignant and evocative, this is a book for anyone who has ever loved a horse, and for everyone who has ever lost a loved one.

a horse at night on writing: *In The Shadow Of The Banyan* Vaddey Ratner, 2012-09-13 A stunning, powerful debut novel set against the backdrop of the Cambodian War, perfect for fans of Chris Cleave and Chimamanda Ngozi Adichie For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as she endures the deaths of family members, starvation, and brutal forced labour, Raami clings to the only remaining vestige of childhood - the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author's extraordinary gift for language, *In the Shadow of the Banyan* is testament to the transcendent power of narrative and a brilliantly wrought tale of human resilience. 'In the Shadow of the Banyan is one of the most extraordinary and beautiful acts of storytelling I have ever encountered' Chris Cleave, author of *The Other Hand* 'Ratner is a fearless writer, and the novel explores important themes such as power, the relationship between love and guilt, and class. Most remarkably, it depicts the lives of characters forced to live in extreme circumstances, and investigates how that changes them. To read *In the Shadow of the Banyan* is to be left with a profound sense of being witness to a tragedy of history' Guardian 'This is an extraordinary debut ... as beautiful as it is heartbreaking' Mail on Sunday

Masterly...Quade has created a world bristling with compassion and humanity. The characters and the challenges they face are wholly realized and moving; their journeys span a wide spectrum of emotion and it is impossible not to root for [them]. —Alexandra Chang, New York Times Book Review It's Holy Week in the small town of Las Penas, New Mexico, and thirty-three-year-old unemployed Amadeo Padilla has been given the part of Jesus in the Good Friday procession. He is preparing feverishly for this role when his fifteen-year-old daughter Angel shows up pregnant on his doorstep and disrupts his plans for personal redemption. With weeks to go until her due date, tough, ebullient Angel has fled her mother's house, setting her life on a startling new path. Vivid, tender, funny, and beautifully rendered, *The Five Wounds* spans the baby's first year as five generations of the Padilla family converge: Amadeo's mother, Yolanda, reeling from a recent discovery; Angel's mother, Marissa, whom Angel isn't speaking to; and disapproving Tíve, Yolanda's uncle and keeper of the family's history. Each brings expectations that Amadeo, who often solves his problems with a beer in his hand, doesn't think he can live up to. *The Five Wounds* is a miraculous debut novel from a writer whose stories have been hailed as "legitimate masterpieces" (New York Times). Kirstin Valdez Quade conjures characters that will linger long after the final page, bringing to life their struggles to parent children they may not be equipped to save.

a horse at night on writing: *The Curious Incident of the Dog in the Night-Time* Mark Haddon, 2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.
