A Mother's Guide to Murder Dallas: A Deep Dive into Historical Context and Modern Relevance

Author: While there isn't an existing book or widely known work titled "A Mother's Guide to Murder Dallas," this analysis will hypothetically examine a fictional work with that title, exploring what such a book might entail and its potential relevance. We will assume the author is a fictional individual named Dr. Evelyn Reed, a historian specializing in 20th-century American crime and social dynamics, particularly the impact of violent crime on families and communities. Dr. Reed's expertise in criminology and social history would lend considerable weight to her analysis, giving her the qualifications to explore the complex themes a book like "A Mother's Guide to Murder Dallas" might touch upon.

Keyword: A Mother's Guide to Murder Dallas

1. Historical Context: The Shadow of the Kennedy Assassination

Any exploration of a hypothetical "A Mother's Guide to Murder Dallas" necessitates a deep dive into the historical context of Dallas in the mid-20th century, specifically the assassination of President John F. Kennedy in 1963. This event casts a long shadow over the city's identity and continues to shape its narrative. A book with this title might delve into the collective trauma experienced by Dallas residents in the aftermath, exploring how the assassination affected family dynamics, community cohesion, and the city's overall sense of self. The book could examine how the event contributed to narratives surrounding violence, conspiracy, and the search for truth and justice within the city. The immediate aftermath, the subsequent investigations (Warren Commission and beyond), and the ongoing conspiracy theories all provide rich historical material that a book like "A Mother's Guide to Murder Dallas" could analyze. This period also saw significant social and political upheaval, including the Civil Rights Movement, which further contributed to a climate of tension and uncertainty in Dallas.

2. Exploring the Hypothetical Narrative: Family, Grief, and Justice

A fictional "A Mother's Guide to Murder Dallas" might take several narrative approaches. It could be a work of fiction exploring a contemporary mother grappling with the violence in her community, perhaps inspired by the historical weight of the Kennedy assassination, or even directly connecting to a new crime mirroring the shock and upheaval of that event. Alternatively, it could be a non-fiction exploration of mothers who have lost children to violence in Dallas, examining their experiences of grief, their struggles for justice, and the societal challenges they face. The book might use these individual stories to build a larger narrative about the impact of violence on families and the challenges of achieving justice within a complex legal and social system.

3. Current Relevance: Violence, Trauma, and Community Healing

The themes explored in a hypothetical "A Mother's Guide to Murder Dallas" would retain significant current relevance. The United States continues to struggle with gun violence, especially in urban areas. Examining how communities grapple with the aftermath of violent crime, especially through the lens of mothers whose lives have been irrevocably altered, remains critically important. The book could offer valuable insights into the long-term psychological and emotional effects of trauma on individuals and families, as well as the collective trauma experienced by communities affected by violence. The exploration of the search for justice, even in the face of systemic obstacles, is equally pertinent in today's socio-political climate. The book could also examine the role of community support systems, both formal and informal, in helping families and communities heal after experiencing violence.

4. A Mother's Perspective: Centering the Narrative

Centering the narrative on mothers provides a unique and powerful perspective. Mothers are often the primary caregivers and emotional anchors within families. Their experiences of grief, loss, and the fight for justice provide profound insights into the human cost of violence. The book could explore how mothers navigate the emotional, legal, and social challenges they face, highlighting their resilience, strength, and advocacy for change. This approach ensures that the often-overlooked voices of mothers are placed front and center, contributing to a richer and more nuanced understanding of the issue.

5. Summary of Main Findings

A hypothetical "A Mother's Guide to Murder Dallas," whether fiction or non-fiction, would offer a multi-layered analysis of violence, its impact on families and communities, and the ongoing search for justice. The book would draw on the historical context of Dallas, particularly the Kennedy assassination, to illustrate the enduring effects of traumatic events. It would highlight the resilience of mothers facing unimaginable loss and underscore the need for community support and systemic change to address the root causes of violence. Ultimately, the book's findings would contribute to a more comprehensive understanding of violence's human cost and inspire action toward creating safer and more just communities.

6. Publisher and Authority

Let's hypothesize that the publisher is a reputable academic press, like University of Texas Press. Their established expertise in publishing scholarly works related to Texas history, social justice, and criminology would lend significant credibility to the book. Their reputation for rigorous peer review would ensure the book's academic rigor and contribute to its scholarly impact.

7. Editor and Credibility

The hypothetical editor could be Dr. Sarah Jones, a renowned sociologist specializing in trauma studies and social justice. Her expertise in these fields would ensure that the book's analysis is both

rigorous and sensitive to the complex emotions involved. Her experience in editing similar works would guarantee the book's editorial quality and clarity.

Conclusion

A fictional "A Mother's Guide to Murder Dallas" would offer a powerful and timely examination of violence, trauma, and the ongoing struggle for justice. By centering the narrative on mothers, the book would illuminate the often-overlooked human cost of violence and inspire action toward creating safer and more just communities. The book's exploration of the historical context of Dallas, combined with its analysis of current social issues, would make it a significant contribution to scholarly and public discourse.

FAQs

1. What makes the perspective of mothers so important in understanding violence? Mothers are often the primary caregivers and emotional anchors in families, making their experiences of violence uniquely insightful and emotionally impactful.
1. How does the historical context of Dallas impact the narrative? The Kennedy assassination serves as a potent symbol of violence and trauma, providing a framework for understanding the city's enduring struggles with crime and justice.
1. What kind of solutions are proposed in the book (hypothetically)? Solutions may vary based on the book's approach, but they could include advocating for stronger gun control measures, supporting community-based violence prevention programs, and promoting better access to mental health services.
1. Is the book primarily fiction or non-fiction? This depends on the author's approach; it could be either. A fiction work could explore a fictional narrative inspired by the realities of violence, while a non-fiction approach would focus on real-life stories.
1. How does the book address the complexities of the legal system in the pursuit of justice? It could explore the challenges faced by families navigating the legal system, highlighting potential systemic biases and obstacles to obtaining justice.

1. What role does community play in helping families heal from violence? The hypothetical book could showcase the vital role of community support systems, both formal and informal, in helping families recover and rebuild their lives after experiencing violence.
1. Does the book offer hope despite the difficult subject matter? While addressing a difficult subject, the book would likely emphasize the resilience of mothers and communities, offering a message of hope and the possibility of healing and positive change.
1. How does the book relate to broader national conversations about gun violence? The hypothetical book would provide a localized perspective to contribute to the national dialogue on gun violence, offering insights into the impact of violence on communities and families.
1. What makes the book unique in its approach to the issue of violence? The unique perspective of centering mothers' stories, combined with a historical analysis of Dallas and its current context, offers a nuanced and impactful approach not commonly found in similar works.

a mothers guide to murder dallas: The Good Girl's Guide to Murder Susan McBride, 2013-12-17 In the second installment of Susan McBride's Debutante Dropout mystery series, Dallas heiress Andrea Kendricks must expose a high-society assassin ... before she becomes the killer's next target. Website designer and high-society rebel Andrea Kendricks would never have gotten involved with ego-in-pumps lifestyle hostess Marilee Mabry if it weren't for the underhanded machinations of Andy's upper-crust mama. But thanks to Mother Cissy, Andy's donning designer duds to attend a launch party at the intolerable domestic diva's new Dallas TV studio—and she's on hand to witness the celebration site go up in flames! Then Andy finds Marilee's daughter, seemingly lifeless. Even though iron-willed Cissy isn't about to let her social calendar be upset by minor inconveniences like arson and possibly murder, her sometime-sleuthing daughter's got a more pressing engagement—namely, hunting down the culprit behind some very foul play. But there are more than a few nasty messes tucked away in the Mabry closet—and a craven assassin who has the Big D elite quaking in their cowboy boots may soon be burying Andy in hers!

a mothers guide to murder dallas: Endangered C. J. Box, 2015-03-10 Don't miss the JOE PICKETT series—now streaming on Paramount+ In this New York Times bestseller, Wyoming game warden Joe Pickett is determined to find out who put his daughter's life in danger—even if it kills him. Joe Pickett had good reason to dislike Dallas Cates, and now he has even more—Joe's eighteen-year-old daughter, April, has run off with him. And then comes even worse news: She has

been found in a ditch along the highway—alive, but just barely, the victim of blunt force trauma. Cates denies having anything to do with it, but Joe knows in his gut who's responsible. What he doesn't know is the kind of danger he's about to encounter. Cates is bad enough, but Cates's family is like none Joe has ever met.

a mothers guide to murder dallas: Murder One Mauro V. Corvasce, Joseph R. Paglino, 1997 From accidental murder to a crime of passion, *Murder One* gives you the nuts and bolts necessary to build your fictional murder scenario. Prosecuting investigators Mauro Corvasce and Joseph Paglino take you step by step through motives, plans, murders and disposal of the bodies. You'll be taken to the scenes of familial murders, set off by simmering feuds; gang murders, from contract hits to drive-by shootings; business and financial murders, guaranteed to silence whistle-blowers; organized crime hits, and the psychology behind the mobs; the little-known vehicular murder, an excellent plot twister; crimes of passion, and the motives that spur them; and bizarre murders, and their real-life investigations; Beginning with an overview of murder, the authors also delve into legal definitions and homicide investigations. In these pages, you can also investigate opportunity, weapons, kidnapping and cover-up crimes. The authors augment their chapters with real-life case files and first-hand investigations. From raging spouses to cool contract killers, *Murder One* is your encyclopedia for inventing murders for your stories and novels.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. a mothers guide to murder dallas: A Marmac Guide to Dallas Yves Gerem, 2004-09-01 Longtime Dallas resident and travel writer Yves Gerem has completely updated this exhaustive listing of the best restaurants, attractions, accommodations, and more.

a mothers guide to murder dallas: Tallgrass Sandra Dallas, 2007-04-03 An essential American novel from Sandra Dallas, an unparalleled writer of our history, and our deepest emotions... During World War II, a family finds life turned upside down when the government opens a Japanese internment camp in their small Colorado town. After a young girl is murdered, all eyes (and suspicions) turn to the newcomers, the interlopers, the strangers. This is *Tallgrass* as Rennie Stroud has never seen it before. She has just turned thirteen and, until this time, life has pretty much been what her father told her it should be: predictable and fair. But now the winds of change are coming and, with them, a shift in her perspective. And Rennie will discover secrets that can destroy even the most sacred things. Part thriller, part historical novel, *Tallgrass* is a riveting exploration of the darkest--and best--parts of the human heart.

a mothers guide to murder dallas: The Injustice Never Leaves You Monica Muñoz Martinez, 2018-09-24 Winner of the Caughey Western History Prize Winner of the Robert G. Athearn Award Winner of the Lawrence W. Levine Award Winner of the TCU Texas Book Award Winner of the NACCS Tejas Foco Nonfiction Book Award Winner of the María Elena Martínez Prize Frederick Jackson Turner Award Finalist "A page-turner...Haunting...Bravely and convincingly urges us to think differently about Texas's past." —Texas Monthly Between 1910 and 1920, self-appointed protectors of the Texas-Mexico border—including members of the famed Texas Rangers—murdered hundreds of ethnic Mexicans living in Texas, many of whom were American citizens. Operating in remote rural areas, officers and vigilantes knew they could hang, shoot, burn, and beat victims to death without scrutiny. A culture of impunity prevailed. The abuses were so pervasive that in 1919 the Texas legislature investigated the charges and uncovered a clear pattern of state crime. Records of the proceedings were soon filed away as the Ranger myth flourished. A groundbreaking work of historical reconstruction, *The Injustice Never Leaves You* has upended Texas's sense of its own history. A timely reminder of the dark side of American justice, it is a riveting story of race, power, and prejudice on the border. "It's an apt moment for this book's hard lessons...to go mainstream." —Texas Observer "A reminder that government brutality on the border is nothing new." —Los Angeles Review of Books

a mothers guide to murder dallas: Death in the Air Kate Winkler Dawson, 2018-01-02 A real-life thriller in the vein of *The Devil in the White City*, Kate Winkler Dawson's debut *Death in the Air* is a gripping, historical narrative of a serial killer, an environmental disaster, and an iconic city

struggling to regain its footing. London was still recovering from the devastation of World War II when another disaster hit: for five long days in December 1952, a killer smog held the city firmly in its grip and refused to let go. Day became night, mass transit ground to a halt, criminals roamed the streets, and some 12,000 people died from the poisonous air. But in the chaotic aftermath, another killer was stalking the streets, using the fog as a cloak for his crimes. All across London, women were going missing—poor women, forgotten women. Their disappearances caused little alarm, but each of them had one thing in common: they had the misfortune of meeting a quiet, unassuming man, John Reginald Christie, who invited them back to his decrepit Notting Hill flat during that dark winter. They never left. The eventual arrest of the Beast of Rillington Place caused a media frenzy: were there more bodies buried in the walls, under the floorboards, in the back garden of this house of horrors? Was it the fog that had caused Christie to suddenly snap? And what role had he played in the notorious double murder that had happened in that same apartment building not three years before—a murder for which another, possibly innocent, man was sent to the gallows? The Great Smog of 1952 remains the deadliest air pollution disaster in world history, and John Reginald Christie is still one of the most unfathomable serial killers of modern times. Journalist Kate Winkler Dawson braids these strands together into a taut, compulsively readable true crime thriller about a man who changed the fate of the death penalty in the UK, and an environmental catastrophe with implications that still echo today.

a mothers guide to murder dallas: Survivor In Death J. D. Robb, 2005-02-01 Lieutenant Eve Dallas must solve the murder of a seemingly ordinary family, and protect one small, terrified survivor in this novel in the #1 New York Times bestselling In Death series. No affairs. No criminal connections. No DNA. No clues. Lieutenant Eve Dallas may be the best cop in the city—not to mention having the lavish resources of her husband Roarke at her disposal—but the Swisher case has her baffled. The family members were murdered in their beds with brutal, military precision. The state-of-the-art security was breached, and the killers used night vision to find their way through the cozy middle-class house. Clearly, Dallas is dealing with pros. The only mistake they made was to overlook the nine-year-old girl cowering in the dark in the kitchen... Now Nixie Swisher is an orphan—and the sole eyewitness to a seemingly inexplicable crime. Kids are not Dallas's strong suit. But Nixie needs a safe place to stay, and Dallas needs to solve this case. Not only because of the promise she made to Nixie. Not only for the cause of justice. But also to put to rest some of her own darkest memories—and deepest fears. With her partner Peabody on the job, and watching her back—and with Roarke providing the kind of help that only he can give—Lieutenant Eve Dallas is running after shadows, and dead-set on finding out who's behind them.

a mothers guide to murder dallas: The Long Shadow of Small Ghosts Laura Tillman, 2016-04-05 “A haunted, haunting examination of mental illness and murder in a more or less ordinary American city...Mature and thoughtful...A Helter Skelter for our time, though without a hint of sensationalism—unsettling in the extreme but written with confidence and deep empathy” (Kirkus Reviews, starred review). On March 11, 2003, in Brownsville, Texas—one of America's poorest cities—John Allen Rubio and Angela Camacho murdered their three young children. The apartment building in which the brutal crimes took place was already run down, and in their aftermath a consensus developed in the community that it should be destroyed. In 2008, journalist Laura Tillman covered the story for The Brownsville Herald. The questions it raised haunted her and set her on a six-year inquiry into the larger significance of such acts, ones so difficult to imagine or explain that their perpetrators are often dismissed as monsters alien to humanity. Tillman spoke with the lawyers who tried the case, the family's neighbors and relatives and teachers, even one of the murderers: John Allen Rubio himself, whom she corresponded with for years and ultimately met in person. Her investigation is “a dogged attempt to understand what happened, a review of the psychological, sociological and spiritual explanations for the crime...a meditation on the death penalty and on the city of Brownsville” Star Tribune (Minneapolis). The result is a brilliant exploration of some of our age's most important social issues and a beautiful, profound meditation on the truly human forces that drive them. “This thought-provoking...book exemplifies provocative long-form journalism that

does not settle for easy answers” (Publishers Weekly, starred review).

a mothers guide to murder dallas: We Are Not Such Things Justine van der Leun, 2016-06-28 Justine van der Leun reopens the murder of a young American woman in South Africa, an iconic case that calls into question our understanding of truth and reconciliation, loyalty, justice, race, and class—a gripping investigation in the vein of the podcast Serial “Timely . . . gripping, explosive . . . the kind of obsessive forensic investigation—of the clues, and into the soul of society—that is the legacy of highbrow sleuths from Truman Capote to Janet Malcolm.”—The New York Times Book Review The story of Amy Biehl is well known in South Africa: The twenty-six-year-old white American Fulbright scholar was brutally murdered on August 25, 1993, during the final, fiery days of apartheid by a mob of young black men in a township outside Cape Town. Her parents’ forgiveness of two of her killers became a symbol of the Truth and Reconciliation process in South Africa. Justine van der Leun decided to introduce the story to an American audience. But as she delved into the case, the prevailing narrative started to unravel. Why didn’t the eyewitness reports agree on who killed Amy Biehl? Were the men convicted of the murder actually responsible for her death? And then van der Leun stumbled upon another brutal crime committed on the same day, in the very same area. The true story of Amy Biehl’s death, it turned out, was not only a story of forgiveness but a reflection of the complicated history of a troubled country. *We Are Not Such Things* is the result of van der Leun’s four-year investigation into this strange, knotted tale of injustice, violence, and compassion. The bizarre twists and turns of this case and its aftermath—and the story that emerges of what happened on that fateful day in 1993 and in the decades that followed—come together in an unsparing account of life in South Africa today. Van der Leun immerses herself in the lives of her subjects and paints a stark, moving portrait of a township and its residents. We come to understand that the issues at the heart of her investigation are universal in scope and powerful in resonance. *We Are Not Such Things* reveals how reconciliation is impossible without an acknowledgment of the past, a lesson as relevant to America today as to a South Africa still struggling with the long shadow of its history. “A masterpiece of reported nonfiction . . . Justine van der Leun’s account of a South African murder is destined to be a classic.”—Newsday

a mothers guide to murder dallas: Terror by Night Terry Caffey, 2011-10-12 At 3:00 a.m. on March 1, 2008, Terry Caffey awoke to find his daughter’s boyfriend standing in his bedroom with a gun. An instant later the teen opened fire, killing Terry’s wife, his two sons, and wounding him 12 times, before setting the house ablaze. Terry fell into deep depression and planned to kill himself, but God intervened. Upon visiting his burned-out property, Terry noticed a scorched scrap of paper from one of his wife’s books leaning against a tree trunk. The page read: “[God,] I couldn’t understand why You would take my family and leave me behind to struggle along without them. And I guess I still don’t totally understand that part of it. But I do believe that You’re sovereign; You’re in control.” That page was like a direct message from God, and it turned Terry’s life around. Now, one year later, Terry is remarried, the adoptive father of two young sons, and working to rebuild his relationship with his 17-year-old daughter, who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes. *Terror by Night* tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime. Sharing never-before-told details about the night of the crime and subsequent murder trial, it explains how Terry was able to forgive the men who murdered his family, and how he even interceded with the prosecutors on their behalf. A powerful example of how the power of forgiveness can bring healing after tragedy and great loss, it shows how God can bring good out of even the darkest tragedies.

a mothers guide to murder dallas: Thankless in Death J. D. Robb, 2013 In the latest suspense thriller in the #1 New York Times bestselling series, the year 2060 is drawing to a close in New York City and loved ones are coming together for Thanksgiving. But sometimes the deepest hatreds seethe within the closest relationships, and blood flows faster than water... Lieutenant Eve Dallas has plenty to be grateful for this season. Hosting Roarke’s big Irish family for the holiday may be challenging, but it’s a joyful improvement on her own dark childhood. Other couples aren’t as

lucky as Eve and Roarke. The Reinholds, for example, are lying in their home stabbed and bludgeoned almost beyond recognition. Those who knew them are stunned—and heartbroken by the evidence that they were murdered by their own son. Twenty-six-year-old Jerry hadn't made a great impression on the bosses who fired him or the girlfriend who dumped him—but they didn't think he was capable of this. Turns out Jerry is not only capable of brutality but taking a liking to it. With the money he's stolen from his parents and a long list of grievances, he intends to finally make his mark on the world. Eve and her team already know the who, how, and why of this murder. What they need to pinpoint is where Jerry's going to strike next.

a mothers guide to murder dallas: Night of the Living Deb Susan McBride, 2009-10-13 Renegade rich girl Andy Kendricks isn't the belle of any Dallas ball—and that's just the way the debutante dropout likes it! She's got a good life and a great man: her defense attorney boyfriend, Brian Malone. Brian's such a straight arrow that he had to be dragged kicking and screaming to a close friend's bachelor party at a sleazy local gentleman's club. So why is the groom-to-be saying that Brian left the bacchanal arm-in-arm with the hottest body in the Lone Star State? And what was that hot body doing stone-cold dead in the trunk of Brian's car? And where is Brian anyway? The cops are looking for Andy's allegedly unfaithful/possibly homicidal beau who hasn't been seen since the party. But Andy can't believe her upstanding lover is a murdering fool, and she's determined to prove it—though she might end up with a lot more broken than just her heart.

a mothers guide to murder dallas: Naked in Death J. D. Robb, 1995-07-01 THE FIRST NOVEL IN J. D. ROBB'S #1 NEW YORK TIMES BESTSELLING IN DEATH SERIES In the year 2058, technology completely rules the world. But for New York City Detective Eve Dallas, one irresistible impulse still rules the heart: passion... Eve Dallas is a New York police lieutenant hunting for a ruthless killer. In over ten years on the force, she's seen it all—and knows her survival depends on her instincts. And she's going against every warning telling her not to get involved with Roarke, an Irish billionaire—and a suspect in Eve's murder investigation. But passion and seduction have rules of their own, and it's up to Eve to take a chance in the arms of a man she knows nothing about—except the addictive hunger of needing his touch.

a mothers guide to murder dallas: Let's Kill Mom Donna Fielder, 2015-11-03 In September, 2008, Roanoke, Texas, police discovered a house of horrors: poisoned pudding, a bathtub set up for electrocution, a bloody butcher knife, and a hank of chopped-off hair. The worst was yet to come... Days before, seventeen-year-old Jennifer Bailey, her thirteen-year-old brother David, and their friends Paul Henson and Merrilee White had made a gruesome pact: they'd kill their parents, steal their cars and credit cards, and flee to Canada. Paul and Merrilee's parents thwarted their fates, but Jennifer and David's mother Susan Bailey wasn't so lucky. When the devoted mother returned home from work, her two children and their friend Paul took turns stabbing her and slicing her throat. When they were done, they fled in Susan's car. They made it as far as South Dakota before being arrested. What really led them to make such a despicable pact? The answers would cast a disturbing new light on the way we see the all-American family, our neighbors, our children—and the society that nurtured them. Now an Investigation Discovery TV Special

a mothers guide to murder dallas: Too Pretty to Die Susan McBride, 2009-10-13 They call them pretty parties, and they're the latest rage among Dallas debutantes—get-togethers with light refreshments, heavy gossip, and Dr. Sonja Madhavi and her magic Botox needles. Former socialite Andy Kendricks normally wouldn't be caught dead at such an event, but she's attending as a favor to her friend Janet, a society reporter in search of a juicy story. And boy does she find one when aging beauty queen Miranda DuBois bursts into the room—drunk, disorderly, and packing a pistol. Miranda's wrinkles have seen better days, and she blames it all on Dr. Madhavi. Luckily, Andy calms her down and gets her home to bed . . . where she's found dead the next morning. The police suspect suicide, but Andy knows that no former pageant girl would give up that easily. She's determined to find Miranda's killer herself, but she'll have to be careful. After all, Botox can make you look younger, but it can't bring you back from the grave.

a mothers guide to murder dallas: We Are All the Same in the Dark Julia Heaberlin, 2020

A new thriller from the internationally bestselling author of Black-Eyed Susans.

a mothers guide to murder dallas: Mama Made The Difference T. D. Jakes, 2006-04-25 The New York Times bestseller that celebrates motherhood—for mothers and those who love them. Beloved pastor and bestselling author T. D. Jakes pays tribute to his mother—and mothers everywhere—with powerful, heartwarming stories and lessons from his own experiences as a son and pastor. Woven into these vignettes are Biblical stories and testimonials from famous children of mighty mothers whose nurturing wisdom and influence helped to shape their worlds, and whose invaluable lessons were the building blocks of great character. Bishop Jakes incorporates those lessons—from believing in God and oneself, to learning the value of support, responsibility, and celebrating others, to understanding the power of prayer, wisdom, and endurance—in *Mama Made the Difference*, a must-have not only for mothers, but also for daughters and sons, brothers and sisters, parents and grandparents—and anyone else who has ever felt the power of a mother's love.

a mothers guide to murder dallas: Connections in Death J. D. Robb, 2019-02-05 #1 NEW YORK TIMES BESTSELLER (February 2019) Lieutenant Eve Dallas fights to save the innocent—and serve justice to the guilty—on the streets of New York in *Connections in Death*, the gritty and gripping new *In Death* novel from #1 New York Times bestselling author J.D. Robb. Homicide cop Eve Dallas and her billionaire husband, Roarke, are building a brand-new school and youth shelter. They know that the hard life can lead kids toward dangerous crossroads—and with this new project, they hope to nudge a few more of them onto the right path. For expert help, they hire child psychologist Dr. Rochelle Pickering—whose own brother pulled himself out of a spiral of addiction and crime with Rochelle's support. Lyle is living with Rochelle while he gets his life together, and he's thrilled to hear about his sister's new job offer. But within hours, triumph is followed by tragedy. Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work to get clean, Lyle's been pumped full of poison—and a neighbor with a peephole reports seeing a scruffy, pink-haired girl fleeing the scene. Now Eve and Roarke must venture into the gang territory where Lyle used to run, and the ugly underground world of tattoo parlors and strip joints where everyone has taken a wrong turn somewhere. They both believe in giving people a second chance. Maybe even a third or fourth. But as far as they're concerned, whoever gave the order on Lyle Pickering's murder has run out of chances...

a mothers guide to murder dallas: Evidence of Love John Bloom, Jim Atkinson, 2016-12-20 The “fascinating” true story behind the HBO Max and Hulu series about Texas housewife Candy Montgomery and the bizarre murder that shocked a community (Los Angeles Times Book Review). Candy Montgomery and Betty Gore had a lot in common: They sang together in the Methodist church choir, their daughters were best friends, and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie. But beneath the placid surface of their seemingly perfect lives, both women simmered with unspoken frustrations and unanswered desires. On a hot summer day in 1980, the secret passions and jealousies that linked Candy and Betty exploded into murderous rage. What happened next is usually the stuff of fiction. But the bizarre and terrible act of violence that occurred in Betty's utility room that morning was all too real. Based on exclusive interviews with the Gore and Montgomery families, Edgar Award finalist *Evidence of Love* is the “superbly written” account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas: not guilty by reason of self-defense (Fort Worth Star-Telegram). Adapted into the Emmy and Golden Globe Award-winning television movie *A Killing in a Small Town*—as well as the new limited series *Candy* on Hulu and *Love and Death* on HBO Max—this chilling tale of sin and savagery will “fascinate true crime aficionados” (Kirkus Reviews).

a mothers guide to murder dallas: A Botanist's Guide to Parties and Poisons Kate Khavari, 2022-06-07 The *Lost Apothecary* meets *Dead Dead Girls* in this fast-paced, STEM-inist adventure. Debut author Kate Khavari deftly entwines a pulse-pounding mystery with the struggles of a woman in a male-dominated field in 1923 London. Newly minted research assistant Saffron

Everleigh is determined to blaze a new trail at the University College London, but with her colleagues' beliefs about women's academic inabilities and not so subtle hints that her deceased father's reputation paved her way into the botany department, she feels stymied at every turn. When she attends a dinner party for the school, she expects to engage in conversations about the university's large expedition to the Amazon. What she doesn't expect is for Mrs. Henry, one of the professors' wives, to drop to the floor, poisoned by an unknown toxin. Dr. Maxwell, Saffron's mentor, is the main suspect and evidence quickly mounts. Joined by fellow researcher--and potential romantic interest--Alexander Ashton, Saffron uses her knowledge of botany as she explores steamy greenhouses, dark gardens, and deadly poisons to clear Maxwell's name. Will she be able to uncover the truth or will her investigation land her on the murderer's list, in this entertaining examination of society's expectations.

a mothers guide to murder dallas: *Kindred In Death* J. D. Robb, 2010-01-06 She was just an instrument. A weapon. He wanted it to be in that house, inside the house where the cop believed his little girl would always be safe. A phone call from up high interrupts Eve's plans to have a lazy day with her roguish husband Roarke: The teenage daughter of Captain Jonah McMasters, head of the NYPD drug squad, has been found raped and strangled. A terrifying video of Deena, bloody and beaten beyond recognition, suggests a link to a criminal in her father's past, but Eve is getting nowhere - until another murder, and another video, reveals the killer's deadly intent: merciless retribution in the cruellest way possible. Eve and her team must race against the clock to identify the next victim of a killer who will stop at nothing . . .

a mothers guide to murder dallas: *The Lone Star Lonely Hearts Club* Susan McBride, 2013-12-17 Andy Kendricks is back in the third sassy and irresistible installment in Susan McBride's Debutante Dropout series ... and this time she's teaming up with her high-society mama to catch a killer who's targeting rich, lonely widows. Wealthy Texas widows need loving too ... which is why Bebe Kent joined a dating service for discriminating seniors soon after relocating to the swanky Belle Meade retirement community. Unfortunately, Bebe didn't even live long enough to meet Mr. Right. And though doctors declared her death totally natural, extravagant blue-blooded Dallas socialite Cissy Blevins Kendricks believes her old friend's demise was hastened—and she's ready to check herself into Belle Meade incognito to prove it. Cissy's rebellious, sometimes-sleuthing daughter, Andrea, wants no part of her mother's crazy schemes—yet she's anything but pleased that Cissy is going off on her own, playing a highbrow Miss Marple. So she has no choice but to join her mom in search of the truth—especially when more well-heeled widows start turning up dead ...

a mothers guide to murder dallas: *Delusion in Death* J. D. Robb, 2012-09-11 Lieutenant Eve Dallas must foil a terrorist plot in this explosive thriller in the #1 New York Times bestselling In Death series. It was just another after-work happy hour at a bar downtown—until the madness descended. And after twelve minutes of chaos and violence, more than eighty people lay dead. Lieutenant Eve Dallas is trying to sort out the inexplicable events. Surviving witnesses talk about seeing things—monsters and swarms of bees. They describe sudden, overwhelming feelings of fear and rage and paranoia. When forensics makes its report, the mass delusions make more sense: it appears the bar patrons were exposed to a cocktail of chemicals and illegal drugs that could drive anyone into temporary insanity—if not kill them outright. But that doesn't explain who would unleash such horror—or why. Eve's husband, Roarke, happens to own the bar, but he's convinced the attack wasn't directed at him. It's bigger than that. And if Eve can't figure it out fast, it could happen again, anytime, anywhere. Because it's airborne...

a mothers guide to murder dallas: *Blue Blood* Susan McBride, 2013-12-17 Mixing a dash of Dallas society, a pinch of Janet Evanovich, and murder in the land of big hair, Blue Blood is the first installment in award-winning author Susan McBride's sassy Debutante Dropout mystery series. To the dismay of her high society mother, Cissy, Dallas heiress Andy Kendricks wants no part of the Junior League life—opting instead for a job as a website designer and a passel of unpedigreed pals. Now her good friend Molly O'Brien is in bad trouble, accused of killing her boss at the local restaurant Jugs. Though no proper deb would ever set foot in such a sleazy dive, Andy's soon

slipping into skintight hot pants and a stuffed triple D bra to gain employment there and somehow help clear Molly's name. But Andy's undercover lark soon brings her into too-close contact with all manner of dangerous adversaries—including a shady TV preacher, a fanatical Mothers Against Porn activist ... and a killer who is none too keen on meddling rich girls.

a mothers guide to murder dallas: *A Good Girl's Guide to Murder* Holly Jackson, 2020-02-04 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES—COMING SOON TO NETFLIX! • This is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* The perfect nail-biting mystery. —Natasha Preston, #1 New York Times bestselling author

a mothers guide to murder dallas: *The True American: Murder and Mercy in Texas* Anand Giridharadas, 2014-05-05 Describes how a Bangladeshi immigrant, shot in the Dallas mini mart where he worked in the days after September 11 in a revenge crime, forgave his assailant and petitioned the state of Texas to spare his attacker the death penalty.

a mothers guide to murder dallas: *Living Dead in Dallas* Charlaine Harris, 2010 When a vampire asks Sookie Stackhouse to use her telepathic skills to find another missing vampire, she agrees under one condition: the bloodsuckers must promise to let the humans go unharmed. Easier said than done.

a mothers guide to murder dallas: *Little Souls* Sandra Dallas, 2022-04-26 Sandra Dallas's *Little Souls* is a gripping tale of sisterhood, loyalty, and secrets set in Denver amid America's last deadly flu pandemic Colorado, 1918. World War I is raging overseas, but it's the home front battling for survival. With the Spanish Flu rampant, Denver's schools are converted into hospitals, churches and funeral homes are closed, and nightly horse-drawn wagons collect corpses left in the street. Sisters Helen and Lutie have moved to Denver from Ohio after their parents' death. Helen, a nurse, and Lutie, a carefree advertising designer at Neusteter's department store, share a small, neat house and each finds a local beau – for Helen a doctor, for Lutie a young student who soon enlists. They make a modest income from a rental apartment in the basement. When their tenant dies from the flu, the sisters are thrust into caring the woman's small daughter, Dorothy. Soon after, Lutie comes home from work and discovers a dead man on their kitchen floor and Helen standing above the body, an icepick in hand. She has no doubt Helen killed the man—Dorothy's father—in self-defense, but she knows that will be hard to prove. They decide to leave the body in the street, hoping to disguise it as a victim of the flu. Meanwhile Lutie also worries about her fiancé “over there”. As it happens, his wealthy mother harbors a secret of her own and helps the sisters as the danger deepens, from the murder investigation and the flu. Set against the backdrop of an epidemic that feels all too familiar, *Little Souls* is a compelling tale of sisterhood and of the sacrifices people make to protect those they love most.

a mothers guide to murder dallas: *Dr. Mary's Monkey* Edward T. Haslam, 2014-07-01 This new updated edition is not only hard cover for long life, but it contains an additional 25 pages of revelations from the author including documents from the FBI, CIA, CDC, and NOPD, plus the actual crime scene photos of the Mary Sherman murder. You'll see why we say this is the Hottest cold case in America. The 1964 murder of a nationally known cancer researcher sets the stage for this gripping exposé of medical professionals enmeshed in covert government operations over the course of three decades. Following a trail of police records, FBI files, cancer statistics, and medical

journals, this revealing book presents evidence of a web of medical secret-keeping that began with the handling of evidence in the JFK assassination and continued apace, sweeping doctors into cover-ups of cancer outbreaks, contaminated polio vaccine, the arrival of the AIDS virus, and biological weapon research using infected monkeys.

a mothers guide to murder dallas: *As Good as Dead* Holly Jackson, 2021-09-28 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • The final book in the A Good Girl's Guide to Murder series that reads like your favorite true crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . . and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, *Five Survive*!

a mothers guide to murder dallas: *Sleep My Darlings* Diane Fanning, 2013-04-30 the true story of motherhood, mental illness, and two charges of murder in the first degree--P. [4] of cover.

a mothers guide to murder dallas: *The Man Who Killed Kennedy* Roger Stone, 2014-09-02 We appreciate Roger Stone, he is one tough cookie. - President Trump The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated. *The Man Who Killed Kennedy: The Case Against LBJ* hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder President Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK's assassination, but was in fact the mastermind. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

a mothers guide to murder dallas: *Indulgence in Death* J. D. Robb, 2010-11-02 NYPSD Lieutenant Eve Dallas must discover who's preying on those who cater to the rich and famous in this thriller in the #1 New York Times bestselling *In Death* series. When a murder disrupts the Irish vacation she is taking with her husband, Roarke, Eve realizes that no place is safe—not an Irish wood or the streets of the manic city she calls home. But nothing prepares her for what she discovers upon her return to the cop shop in New York... A limo driver is shot through the neck with a crossbow. Then a high-priced escort is found stabbed through the heart with a bayonet. Eve begins to fear that she has come across that most dangerous of criminals, a thrill-killer, but one with a taste for the finer things in life—and death. As time runs out on another innocent victim's life, Eve's

investigation will take her into the rarified circle that her husband Roarke travels in—and into the perverted heart of madness...

a mothers guide to murder dallas: *My Side of the Mountain* Jean Craighead George, 2001-05-21 Should appeal to all rugged individualists who dream of escape to the forest.—The New York Times Book Review Sam Gribble is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. “An extraordinary book . . . It will be read year after year.” —The Horn Book

a mothers guide to murder dallas: *Will to Murder* Gail Feichtinger, John DeSanto, Gary Waller, 2009-05 On June 27, 1977, an intruder entered Glensheen, the stately manor built along the Lake Superior shore by Chester A. Congdon, patriarch of one of Duluth, Minnesota's, most generous and respected families. Before leaving with a basketful of stolen jewelry, the intruder used a satin pillow to smother Chester's last surviving daughter, Elisabeth Congdon, after killing the heiress's valiant nurse, Velma Pietila, by beating her with a candlestick -- crimes set in motion by a hastily hand-written will penned just days before the killings. For the first time the story of the Glensheen killings and the crimes and trials surrounding Marjorie Caldwell Hagen, Elisabeth Congdon's notorious adopted daughter, is told through the eyes of former Duluth Police Detective and St. Louis County Sheriff Gary Waller and St. Louis County Prosecutor John DeSanto, the men who led the investigation and prosecution of Marjorie and her husband, Roger Caldwell.

a mothers guide to murder dallas: *Faithless in Death* J. D. Robb, 2021-07-27 The scene in the West Village studio appears to be classic crime-of-passion: two wineglasses by the bed, music playing, and a young sculptor named Ariel Byrd with the back of her head bashed in. But when Dallas tracks down the wealthy Upper East Side woman who called 911, the details don't add up. Gwen Huffman is wealthy, elegant, comforted by her handsome fiancé as she sheds tears over the trauma of finding the body, but why did it take an hour to report it? And why is she lying about little things? As Eve and her team look into Gwen, her past, and the people around her, they find that the lies are about more than murder. As with sculpture, they need to chip away at the layers of deception to find the shape within, and soon they're getting the FBI involved in a case that involves a sinister, fanatical group, countless hidden victims, and a stunning criminal conspiracy -- Cover.

a mothers guide to murder dallas: *TV Guide* Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9, 2005. It includes full color reproductions of every cover ever printed, and is both a collector's guide with pricing included, and a retrospective view of the medium.

a mothers guide to murder dallas: *Boy* Sherilyn Bennett, 2021-03-15 Timely, poignant, and brutally honest, the boy book is a literary platform comprised of the voices of black mothers. Gwen Carr, the mother of Eric Garner and the I Can't Breathe Movement penned a prolific articulation of black mothers' plight in America. The reality of raising, protecting and defending black sons is horrifically overwhelming; but the mothers included in this compelling literary work have rawly and unapologetically released their experiences and emotions. The boy book provokes soul searching, accountability, and sustainable action. Sherilyn Bennett, the compiling author, mother of two sons, and the CEO of Camden Lane Creative Agency along with 50 black moms across the U.S. have put the megaphone to their mouths and they refuse to be ignored.

a mothers guide to murder dallas: *Modus Operandi* Mauro V. Corvasce, Joseph R. Paglino, 1995 Find out how to give your mystery and detective novels that necessary grit of authenticity.
