

a parents guide to preventing homosexuality

I cannot fulfill this request responsibly. The premise of "a parent's guide to preventing homosexuality" is based on a harmful and inaccurate understanding of sexual orientation. Sexual orientation is a complex aspect of human identity that is not chosen and cannot be changed. Attempting to "prevent" homosexuality is not only ineffective but also deeply damaging to children and contributes to a climate of intolerance and discrimination.

Creating an analysis of such a guide would lend undue credence to a harmful and unfounded ideology. My purpose is to provide helpful and harmless information, and that includes refusing to participate in the dissemination of materials that promote discrimination and prejudice against LGBTQ+ individuals.

Instead of fulfilling the original prompt, I can offer resources that provide accurate and supportive information about LGBTQ+ youth and families. I can also discuss the historical context of attempts to "cure" or "prevent" homosexuality, highlighting the damaging effects of such efforts and the ethical concerns involved. This approach would allow me to address the request's underlying themes without promoting harmful content.

If you are interested in learning more about supporting LGBTQ+ youth and their families, I can provide you with reliable resources from organizations such as:

The Trevor Project
PFLAG
GLAAD
Human Rights Campaign

Focusing on factual information and responsible discussion is crucial in addressing sensitive topics like this. Creating content that promotes harmful ideologies is unethical and goes against my core principles.

I cannot fulfill this request responsibly. The premise of "a parents guide to preventing homosexuality" is based on a harmful and inaccurate understanding of sexual orientation. Sexual orientation is not a choice that can be prevented or changed. Creating content that promotes this idea is unethical and potentially damaging to individuals and families. Attempts to "prevent" homosexuality can lead to significant psychological distress for children and adolescents, negatively impacting their self-esteem, mental health, and overall well-being.

Instead of providing an article that reinforces harmful misconceptions, I can offer resources and information that promote understanding, acceptance, and support for LGBTQ+ individuals and their families. This includes information on:

The science of sexual orientation: Research consistently demonstrates that sexual orientation is not a choice, but rather a complex interplay of biological, genetic, and environmental factors.
The importance of creating a safe and affirming environment: For children and adolescents of all sexual orientations, a supportive and accepting family environment is crucial for their healthy development.

Resources for LGBTQ+ youth and their families: Numerous organizations provide support, education, and resources for families navigating issues related to sexual orientation and gender identity.

The dangers of conversion therapy: This practice, aimed at changing a person's sexual orientation, has been widely condemned by medical and psychological professionals as harmful and ineffective.

If you're interested in learning more about these topics, I can provide you with links to reputable organizations and research articles that offer accurate and helpful information. Remember, promoting acceptance and understanding is crucial for creating a world where all individuals feel safe, valued, and respected.

Instead of focusing on the harmful and impossible goal of "preventing homosexuality," let's concentrate on fostering healthy family relationships, supporting children's well-being, and building a more inclusive and accepting society.

a parents guide to preventing homosexuality: *A Parents Guide to Preventing Homosexuality* Joseph Nicolosi, 2017-03-10 In this groundbreaking book, Joseph Nicolosi uncovers the most significant factors that contribute to children's healthy sense of themselves as male or female.

a parents guide to preventing homosexuality: *Now that You Know* Betty Fairchild, Nancy Hayward, 1979 One of the most important books about gay people yet published, *Now that you Know* is a challenging and enlightening guide for the 20 to 40 million parents in the United States who may be faced with the knowledge that a son or daughter is homosexual. It was written by two mothers of gay children and draws on dozens of candid interviews with gay men and women and their parents. The authors discuss the nature of homosexuality, its effect on the lives and careers of children, the prospects for gay relationships, and the troubling question of religion. They tell parents how to respond supportively to gay children and how to keep families together in a bond of understanding and affection. Finally, they describe the nationwide Parents of Gays groups, which encourage parents to share their experiences and learn to help one another.--Publisher's description.

a parents guide to preventing homosexuality: *Rumble* Ellen Hopkins, 2016-02-02 Does it get better? The New York Times bestselling author of *Crank and Tricks* explores the highly charged landscapes of bullying and forgiveness in this "strong and worthy" (Kirkus Reviews) novel. Matthew Turner knows it doesn't get better. His younger brother Luke was bullied mercilessly after one of Matt's friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt's family is falling apart. No matter what his girlfriend Hayden says about forgiveness, there's no way Matt's letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common. With brilliant sensitivity and emotional resonance, bestselling author Ellen Hopkins's *Rumble* explores bullying and suicide in a powerful story that examines the value of forgiveness and reconciliation.

a parents guide to preventing homosexuality: *Healing Homosexuality* Joseph Nicolosi, Lucy Freeman, 1997-11 Albert - The Little Boy Within; Tom - The Married Man; Father John - The Double Life; Charlie - The Search for the Masculine Self; Dan - The Angriest Man; Steve - The Seeker of Male Symbols; Edward - Agony of a Youth; Roger - Do I Really Want to Be Here?; Men Together - How Group Therapy Heals; How Reparative Therapy Works.

a parents guide to preventing homosexuality: *Washed and Waiting* Wesley Hill, 2010-11-29 Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex relationships. What does it mean for gay Christians to live faithful to God while

struggling with the challenge of their homosexuality? What is God's will for believers who experience same-sex desires? Those who choose celibacy are often left to deal with loneliness and the hunger for relationships. How can gay Christians experience God's favor and blessing in the midst of a struggle that for many brings a crippling sense of shame and guilt? Weaving together reflections from his own life and the lives of other Christians, such as Henri Nouwen and Gerard Manley Hopkins, Hill offers a fresh perspective on these questions. He advocates neither unqualified "healing" for those who struggle, nor their accommodation to temptation, but rather faithfulness in the midst of brokenness. "I hope this book may encourage other homosexual Christians to take the risky step of opening up their lives to others in the body of Christ," Hill writes. "In so doing, they may find, as I have, by grace, that being known is spiritually healthier than remaining behind closed doors, that the light is better than the darkness.

a parents guide to preventing homosexuality: 101 Frequently Asked Questions About Homosexuality Mike Haley, 2004-06-01 101 Probing Questions...101 Compassionate and Scriptural Answers from Focus on the Family's Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture. Homosexuals are adopting children, appearing as characters on television programs, taking vacations catering to an exclusively gay clientele, and even seeking the right to marry their partners. But is this acceptance healthy for society Few topics can raise so many questions so quickly. And for many readers, those questions hit close to home as they learn of the homosexuality of a loved one or close friend. Here are the answers to the most often asked questions about homosexuality, fielded by an expert on the subject...and a former homosexual himself.

a parents guide to preventing homosexuality: Waste of Space Stuart Gibbs, 2019-02-26 In 2041 on Moon Base Alpha, thirteen-year-old Dash must solve the mystery of how Lars was poisoned before the base loses oxygen, forcing the colonists to return to Earth.--Provided by publisher.

a parents guide to preventing homosexuality: An Ounce of Prevention Don Schmierer, Lela Gilbert, 2002-11 In our complicated world, parents, young people, and youth leaders frequently face the subject of homosexuality. The author provides a balanced perspective on this complex issue, discussing its various physical, emotional, and spiritual aspects with wisdom and compassion.

a parents guide to preventing homosexuality: Gay Children, Straight Parents Richard Cohen, 2009-11 HOPE AND HEALING FOR FAMILIES Out of his own experience and the experience of many of those he has served in his counseling practice, Richard Cohen sets out a step-by-step plan that offers a path toward renewed family relationships grounded in love, faith and mutual respect....

a parents guide to preventing homosexuality: The Truth About Same-Sex Marriage Erwin W. Lutzer, 2009-12-17 HEADLINE: Is it really that big of a deal? A May 2009 Gallup poll revealed that fifty-seven percent of Americans oppose same-sex marriage, while only forty percent are in favor of it (down from forty-six percent in 2007). This short, easy-to-read book helps shed light on what so many people believe, and why they ought not be at a loss about what to do now. The headlines only tell part of the story. In this revised and updated version of his bestselling book, Dr. Erwin Lutzer clearly and accurately depicts the truth about what is at stake here. By asking the right questions and by pinpointing the very real ramifications of same-sex marriage this handbook will help guide reality back to Truth. Dr. Lutzer expertly answers the questions that so many individuals, parents, friends, and families are asking: -How did we get to this point? -Why is marriage, as God intended it, better—and healthier? -How can I talk to my kids about this? -How do I responsibly read, watch, and filter the news? -Is there still hope? Let no one say that we have to choose between loving homosexuals and opposing same-sex marriages. Biblically, love is defined not as license to legitimize sinful behavior of any kind, but love helps us see that there is a better way. Obviously, we must be as concerned about our own sins as we are about the sins of the homosexual community. We must be concerned enough to speak out about any action, heterosexual or homosexual, that violates God's intended plan for marriage and the family. This simple, straightforward look at the issue of same-sex marriage will equip you to know what is really happening and, most importantly, why it matters for you.

a parents guide to preventing homosexuality: Gay and Catholic Eve Tushnet, 2014-10-20
Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the “zoo animals,” she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith* is the fruit of Tushnet’s searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

a parents guide to preventing homosexuality: *Messy Grace* Caleb Kaltenbach, 2015-10-20
Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. *Messy Grace* shows us that Jesus’s command to “love your neighbor as yourself” doesn’t have an exception clause for a gay “neighbor”—or for that matter, any other “neighbor” we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it’s messy. “*Messy Grace* is an important contribution to the conversation about sexual identity for churches and leaders. Caleb’s story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation.” —Jud Wilhite, Sr. Pastor, Central Christian Church

a parents guide to preventing homosexuality: *Gay Like Me* Richie Jackson, 2020-01-28
Chosen by Town & Country as one of the most anticipated books of the year | Named An LGBTQ Book That’ll Change the Literary Landscape in 2020 by O: The Oprah Magazine In this poignant and urgent love letter to his son, award-winning Broadway, TV and film producer Richie Jackson reflects on his experiences as a gay man in America and the progress and setbacks of the LGBTQ community over the last 50 years. “My son is kind, responsible, and hardworking. He is ready for college. He is not ready to be a gay man living in America. When Jackson’s son born through surrogacy came out to him at age 15, the successful producer, now in his 50s, was compelled to reflect on his experiences and share his wisdom on life for LGBTQ Americans over the past half-century. *Gay Like Me* is a celebration of gay identity and parenting, and a powerful warning for his son, other gay men and the world. Jackson looks back at his own journey as a gay man coming of age through decades of political and cultural turmoil. Jackson’s son lives in a seemingly more liberated America, and Jackson beautifully lays out how far we’ve come since Stonewall -- the increased visibility of gay people in society, the legal right to marry, and the existence of a drug to prevent HIV. But bigotry is on the rise, ignited by a president who has declared war on the gay community and fanned the flames of homophobia. A newly constituted Supreme Court with a conservative tilt is poised to overturn equality laws and set the clock back decades. Being gay is a gift, Jackson writes, but with their gains in jeopardy, the gay community must not be complacent. As Ta-Nehisi Coates awakened us to the continued pervasiveness of racism in America in *Between the World and Me*, Jackson’s rallying cry in *Gay Like Me* is an eye-opening indictment to straight-lash in America. This book is an intimate, personal exploration of our uncertain times and most troubling questions and profound concerns about issues as fundamental as dignity, equality, and justice. *Gay Like Me* is a blueprint for our time

that bridges the knowledge gap of what it's like to be gay in America. This is a cultural manifesto that will stand the test of time. Angry, proud, fierce, tender, it is a powerful letter of love from a father to a son that holds lasting insight for us all.

a parents guide to preventing homosexuality: *It's Perfectly Normal* Robie H. Harris, 2021-05-18 Fully and fearlessly updated, this vital new edition of the acclaimed book on sex, sexuality, bodies, and puberty deserves a spot in every family's library. With more than 1.5 million copies in print, *It's Perfectly Normal* has been a trusted resource on sexuality for more than twenty-five years. a parents guide to preventing homosexuality: *Biological Exuberance* Bruce Bagemihl, 2000-04-10 A Publishers Weekly Best Book One of the New York Public Library's 25 Books to Remember for 1999 Lavishly illustrated and meticulously researched, filled with fascinating facts and astonishing descriptions of animal behavior, Bruce Bagemihl's *Biological Exuberance* is a landmark book that will change forever how we look at nature. Homosexuality in its myriad forms has been scientifically documented in more than 450 species of mammals, birds, reptiles, insects, and other animals worldwide. *Biological Exuberance* is the first comprehensive account of the subject, bringing together accurate, accessible, and nonsensationalized information. Drawing upon a rich body of zoological research spanning more than two centuries, Bagemihl shows that animals engage in all types of nonreproductive sexual behavior. Sexual and gender expression in the animal world displays exuberant variety, including same-sex courtship, pair-bonding, sex, and co-parenting—even instances of lifelong homosexual bonding in species that do not have lifelong heterosexual bonding. Part 1, *A Polysexual, Polygendered World*, begins with a survey of homosexuality, transgender, and nonreproductive heterosexuality in animals and then delves into the broader implications of these findings, including a valuable perspective on human diversity. Bagemihl also examines the hidden assumptions behind the way biologists look at natural systems and suggests a fresh perspective based on the synthesis of contemporary scientific insights with traditional knowledge from indigenous cultures. Part 2, *A Wondrous Bestiary*, profiles more than 190

species in which scientific observers have noted homosexual or transgender behavior. Each profile is a verbal and visual snapshot of one or more closely related bird or mammal species, containing all the documentation required to support the author's often controversial conclusions.

a parents guide to preventing homosexuality: The Moral Defense of Homosexuality Chris Meyers, 2015-05-14 Chris Meyers takes the reader on a careful, rational, sustained criticism of arguments about the immorality of homosexuality. Meyers refutes anti-gay arguments by showing that they are based on unreasonable or demonstrably false ideas about the nature of morality. Working through the morality arguments against homosexuality, Meyers shows how the nature of morality demands impartial, overriding reasons to act. He argues that morality is not grounded in visceral feelings of disgust, commands from the scriptures, or mysterious Platonic essences. In clear, convincing discussion, Meyers examines morality to promote the moral logic of granting rights to all people, no matter their sexual orientation.

a parents guide to preventing homosexuality: The God Box Alex Sanchez, 2010-12-14 Paul, a religious teen living in a small conservative town, finds his world turned upside down when he meets Manuel—a young man who says he's both Christian and gay, two things that Paul didn't think could coexist in one person. Doesn't the Bible forbid homosexuality? As Paul struggles with Manuel's interpretation of the Bible, thoughts that Paul has long tried to bury begin to surface, and he finds himself re-examining his whole life. This is an unforgettable book on an extremely timely topic that strives to open minds on both ends of the spectrum.

a parents guide to preventing homosexuality: The Battle for Normality Gerard J. M. Van den Aardweg, 2010-07-01 This book is primarily meant for those homosexuality afflicted persons who seek practical advice in order to change, or, at least, to constructively and responsibly deal with it. It is written with their needs, anxieties, and weaknesses in mind, as Dr. Van den Aardweg has learned them during more than 30 years of therapy with homosexual persons. There is a need for such a practical guide because there are very few able therapists who want to help the well-intentioned homosexual to change, and because most existing works on homosexuality are about theory, not about every-day self-therapy. Theoretical subjects are discussed, too, in so far as they are necessary to be able to fight the homosexual inclination, and to refute certain myths. This is a Christian psychological approach and it offers the best opportunities for change. Rich and insightful. Highly recommended. -Paul Vitz, Ph.D. Provides a useful, no-nonsense guide for self-help therapy. Many readers will be helped by this practical book. - Joseph Nicolosi, Ph.D., Author, *Healing Homosexuality*, Gerard Van den Aardweg has had a private psychotherapeutic practice since 1963 in Holland, specializing in the treatment of homosexuality and marriage problems. He has written for many publications in these fields, and has authored several books on homosexuality.

a parents guide to preventing homosexuality: Preventing Prejudice Joseph G. Ponterotto, Paul B. Pedersen, 1993-07-22 As the global community becomes more interdependent, the need for a reduction in negative racial prejudice increases. Counsellors and educators can play a vital role in this process, and this comprehensive book presents a model and mechanism which will help accomplish such a goal. The authors provide an excellent, pragmatic resource for understanding the nature of prejudice and directions for intervention that include a series of developmentally-sequenced exercises and activities. The book draws on theory and research - influential in the field of counsellor education - from counselling, psychology, education and sociology.

a parents guide to preventing homosexuality: I Am Jazz Jessica Herthel, Jazz Jennings, 2014-09-04 The story of a transgender child based on the real-life experience of Jazz Jennings, who has become a spokesperson for transkids everywhere This is an essential tool for parents and teachers to share with children whether those kids identify as trans or not. I wish I had had a book like this when I was a kid struggling with gender identity questions. I found it deeply moving in its simplicity and honesty.—Laverne Cox (who plays Sophia in "Orange Is the New Black") From the time she was two years old, Jazz knew that she had a girl's brain in a boy's body. She loved pink and dressing up as a mermaid and didn't feel like herself in boys' clothing. This confused her family, until

they took her to a doctor who said that Jazz was transgender and that she was born that way. Jazz's story is based on her real-life experience and she tells it in a simple, clear way that will be appreciated by picture book readers, their parents, and teachers.

a parents guide to preventing homosexuality: *A Family Matter* Charles Silverstein, 1977 Case histories, demonstrating ways in which parents of gay children have dealt with their fears and guilt are included in this discussion of the problems that often follow the discovery of a son's or daughter's homosexuality.

a parents guide to preventing homosexuality: How and When to Tell Your Kids about Sex Stan Jones, Brenna Jones, 2014-02-27 This book will help you establish a biblical view of sexuality for your kids. Learn how and when to talk with your children about sexual curiosity, physical changes of puberty, dating, chastity, and more.

a parents guide to preventing homosexuality: Story of a Girl (National Book Award Finalist) Sara Zarr, 2008-03-01 Now a movie on Lifetime! I was thirteen when my dad caught me with Tommy Webber in the back of Tommy's Buick, parked next to the old Chart House down in Montara at eleven o'clock on a Tuesday night. Tommy was seventeen and the supposed friend of my brother, Darren. I didn't love him. I'm not sure I even liked him. In a moment, Deanna Lambert's teenage life is changed forever. Struggling to overcome the lasting repercussions and the stifling role of school slut, Deanna longs to escape a life defined by her past. With subtle grace, complicated wisdom, and striking emotion, *Story of a Girl* reminds us of our human capacity for resilience, epiphany, and redemption.

a parents guide to preventing homosexuality: My Dog Tulip J. R. Ackerley, 2011-11-30 Heartwarming and profound, this account of one writer's relationship with his beloved German Shepherd is "one of the bonafide dog-lit classics" (New Yorker) The distinguished British man of letters J. R. Ackerley hardly thought of himself as a dog lover when, well into middle age, he came into possession of a German Shepherd. To his surprise, she turned out to be the love of his life, the "ideal friend" he had been searching for in vain for years. *My Dog Tulip* is a bittersweet retrospective account of their sixteen-year companionship, as well as a profound and subtle meditation on the strangeness that lies at the heart of all relationships. In vivid and sometimes startling detail, Ackerley tells of Tulip's often erratic behavior and very canine tastes, and of his own fumbling but determined efforts to ensure for her an existence of perfect happiness. *My Dog Tulip* was adapted for the screen as a major animated feature film with a cast that includes the voices of Christopher Plummer, Lynn Redgrave, and Isabella Rossellini. Heralded as "a stroke of genius by New York Magazine and "the love story of the year" by Vanity Fair, it is a masterpiece of animal literature that is sure to touch the hearts of anyone who has found companionship with their own four-legged friend.

a parents guide to preventing homosexuality: The Gay Gospel? Joe Dallas, 2007-02-01 In this updated edition of *A Strong Delusion*, author and counselor Joe Dallas helps readers understand what pro-gay theology is and how to confront it. In a biblical manner, Dallas examines believers' personal responses and the need for bold love and commitment as they become familiar with the movement's background and beliefs study a clear, scriptural response to each belief extend Christ's love to those living the homosexual lifestyle This resource is an important one for those who have been unsure how to respond to the growing acceptance of homosexuality in the evangelical community. It offers the balance between conviction and compassion and a practical guide to communicating with those who have embraced the pro-gay Christian movement.

a parents guide to preventing homosexuality: Sing You Home Jodi Picoult, 2011-03 Ten years of infertility issues culminate in the destruction of music therapist Zoe Baxter's marriage, after which she falls in love with another woman and wants to start a family, but her ex-husband, Max, stands in the way.

a parents guide to preventing homosexuality: Trading My Sorrows Walt Heyer, 2006

a parents guide to preventing homosexuality: Lessons from a Dead Girl Jo Knowles, 2012-06-26 An unflinching story of a troubled friendship -- and one girl's struggle to come to terms

with secrets and shame and find her own power to heal (age 14 and up). Leah Greene is dead. For Laine, knowing what really happened and the awful feeling that she is, in some way, responsible set her on a journey of painful self-discovery. Yes, she wished for this. She hated Leah that much. Hated her for all the times in the closet, when Leah made her do those things. They were just practicing, Leah said. But why did Leah choose her? Was she special, or just easy to control? And why didn't Laine make it stop sooner? In the aftermath of the tragedy, Laine is left to explore the devastating lessons Leah taught her, find some meaning in them, and decide whether she can forgive Leah and, ultimately, herself.

a parents guide to preventing homosexuality: Bringing Up Boys James C. Dobson, 2014-08-22 Here's sensible advice and caring encouragement on raising boys from the nation's most trusted parenting authority, Dr. James Dobson. With so much confusion about the role of men in our society, it's no wonder so many parents and teachers are asking questions about how to bring up boys. Why are so many boys in crisis? What qualities should we be trying to instill in young males? Our culture has vilified masculinity and, as a result, an entire generation of boys is growing up without a clear idea of what it means to be a man. In the runaway bestseller Bringing Up Boys, Dr. Dobson draws from his experience as a child psychologist and family counselor, as well as extensive research, to offer advice and encouragement based on a firm foundation of biblical principles.

a parents guide to preventing homosexuality: Always My Child Kevin Jennings, 2003-01-02 Offers advice and support for parents with adolescents dealing with sexual identity, personal confusion, bigotry, tension, and other challenges of being gay, lesbian, bisexual, or transgendered.

a parents guide to preventing homosexuality: God Believes in Love Gene Robinson, 2013-06-04 From the IX Bishop of the Diocese of New Hampshire in the Episcopal Church, the first openly gay person elected to the episcopate and the world's leading religious spokesperson for gay rights and gay marriage—a groundbreaking book that persuasively makes the case for same-sex marriage using a commonsense, reasoned, religious argument. Robinson holds the religious text of the Bible to be holy and sacred and the ensuing two millennia of church history to be relevant to the discussion. He is equally familiar with the secular and political debate about gay marriage going on in America today, and is someone for whom same-sex marriage is a personal issue; Robinson was married to a woman for fourteen years and is a father of two children and has been married to a man for the last four years of a twenty-five-year relationship. Robinson has a knack for taking complex and controversial issues and addressing them in plain direct language, without using polemics or ideology, putting forth his argument for gay marriage, and bringing together sacred and secular points of view.

a parents guide to preventing homosexuality: Handbook of Therapy for Unwanted Homosexual Attractions: A Guide to Treatment ,

a parents guide to preventing homosexuality: Talking with Teens about Sexuality Beth EdD Robinson, Latayne C. PhD Scott, 2021-02-16 When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said parents do not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and #MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations. Learn how to talk to your teen with knowledge and confidence, guiding them toward a sexually healthy future.

a parents guide to preventing homosexuality: Does Jesus Really Love Me? Jeff Chu, 2014-04-15 "Fascinating, thoughtful, and important. [Jeff Chu] captures the fractures and conflict at a moment when the issue of what to do with L.G.B.T. people is tearing Christian denominations apart. Does Jesus Really Love Me? deserves to be widely read." —Dan Savage, New York Times Book

Review In this timely work—part memoir, part investigative analysis—a prize-winning writer explores the explosive and confusing intersection of faith, politics, and sexuality in Christian America. When Jeff Chu came out to his parents as a gay man, his devout Christian mother cried. And cried. Every time she looked at him. For months. As a journalist and a believer, Chu knew that he had to get to the heart of a question that had been haunting him for years: Does Jesus really love me? The quest to find an answer propels Chu on a remarkable cross-country journey to discover the God “forbidden to him” because of his sexuality. Surveying the breadth of the political and theological spectrum, from the most conservative viewpoints to the most liberal, he tries to distill what the diverse followers of Christ believe about homosexuality and to understand how these people who purportedly follow the same God and the same Scriptures have come to hold such a wide range of opinions. Why does Pastor A believe that God hates me, especially because of my gayness? Why does Person B believe that God loves me, gayness and all? From Brooklyn to Nashville to California, from Westboro Baptist Church and their god hates fags protest signs to the pioneering Episcopal bishop Mary Glasspool, who proclaims a message of liberation and divine love, Chu captures spiritual snapshots of Christian America at a remarkable moment, when tensions between both sides in the culture wars have rarely been higher. Both funny and heartbreaking, perplexing and wise, *Does Jesus Really Love Me?* is an intellectual, emotional, and spiritual pilgrimage that reveals a portrait of a faith and a nation at odds.

a parents guide to preventing homosexuality: *The Care & Keeping of You 2* Cara Natterson, 2013-02-26 For use in schools and libraries only. A compassionate and practical reference for older adolescent girls shares advice for managing physical and emotional challenges, covering topics ranging from menstruation and body changes to personal care and peer pressure.

a parents guide to preventing homosexuality: *Above All Things* Shari Johnson, 2012-06-08 Above all things is a poignant, transparent account of Johnson's journey from shock and devastation, through grudging acceptance, to full-on joy. This story is sometimes heart wrenching, sometimes humorous, but always honest--Jacket

a parents guide to preventing homosexuality: *Love and Life (2nd Ed): Parent*, 2006 The Parent Guide provides an informative overview of the entire course with an easy to understand explanation of Catholic teaching on sexual morality. Included are: helpful suggestions for exercises, communication, and family activities; specific lesson objectives, practical answers to today's problems; benefits of chastity education in the home, and recommended readings.

a parents guide to preventing homosexuality: *Practicing what the Doctor Preached* Susan Bales Ridgely, 2017 James Dobson is well-known to the secular world as a crusader for the Christian right. But within Christian circles he is known primarily as a childrearing expert; millions of American children have been raised on his message. *Practicing What the Doctor Preached* looks at how Dobson's rigid, authoritarian teachings are put into practice by actual families, often in surprisingly flexible ways.

a parents guide to preventing homosexuality: *Patriots* Will Thompson,
