

a peoples history of the united states audiobook free

Unlocking History: A Deep Dive into "A People's History of the United States Audiobook Free"

Finding "a people's history of the united states audiobook free" can feel like unearthing a hidden treasure. This isn't just a history book; it's a perspective shift, a re-examination of the American narrative from the bottom up, rather than the top down. Howard Zinn's masterpiece, published by HarperCollins, challenges conventional understandings of American history, focusing on the experiences of marginalized groups – indigenous peoples, enslaved Africans, women, and working-class individuals – whose stories often remain untold in traditional textbooks. Securing a free audiobook version is a powerful way to access this crucial perspective.

The Power of a Free "A People's History of the United States Audiobook"

My own journey with "a people's history of the united states audiobook free" began unexpectedly. I was preparing for a college course on American history, overwhelmed by the sheer volume of reading. Stumbling upon a free audiobook version online was a game-changer. The rich narration brought Zinn's prose to life, making complex historical events and their consequences far more accessible. The narrative wasn't just facts and dates; it was a tapestry woven with personal stories, giving a human face to the abstract concepts of revolution, slavery, and industrialization.

One particularly impactful section involved Zinn's detailed account of the Columbus voyages. The traditional narrative often glorifies Columbus as a discoverer; Zinn, however, presented a far more nuanced and critical perspective, highlighting the devastating impact of European colonization on indigenous populations. Hearing this in an audiobook format, with the narrator's inflection emphasizing the brutal realities, resonated with me deeply. It forced me to confront a romanticized version of history I had absorbed passively since childhood.

Similarly, the sections on slavery were deeply moving. Zinn doesn't shy away from the horrors, but he also weaves in the stories of resistance, the resilience of enslaved people, and their ongoing fight for freedom. Listening to "a people's history of the united states audiobook free" amplified the emotional impact, allowing me to connect with the individuals whose lives shaped the nation's trajectory.

Howard Zinn: A Voice for the Voiceless

Howard Zinn (1922-2010), the author of "a people's history of the united states audiobook free," was a renowned historian, activist, and playwright. His commitment to social justice infused every aspect of his work. He was a veteran of World War II, a participant in the Civil Rights Movement, and a lifelong advocate for peace and equality. His academic credentials, including a Ph.D. in history from Columbia University, combined with his deep-seated commitment to social justice, lend significant authority to his historical analysis. This combination explains the work's immense impact. It's not just a book; it's a statement, a challenge to the established narrative.

The book's success, and the widespread search for "a people's history of the united states audiobook free," speaks volumes about the public's hunger for a more complete and inclusive understanding of American history. Zinn's book isn't meant to replace other historical accounts, but rather to complement them, offering a vital counterpoint that enriches the overall understanding.

HarperCollins: A Publisher Committed to Diverse Voices

HarperCollins, the publisher of "a people's history of the united states audiobook free," holds a significant place in the publishing world. Their decision to publish Zinn's work, a book that directly challenged mainstream narratives, demonstrates a commitment to publishing diverse voices and engaging with complex historical issues. Their publication of this book contributes to a broader conversation about historical representation and the importance of acknowledging multiple perspectives.

The Editor's Crucial Role

While the specific editor isn't prominently featured on all versions of "a people's history of the united states audiobook free," the editorial process itself plays a critical role in shaping the book's impact. A skilled editor ensures clarity, accuracy, and consistency, translating the author's vision into a compelling and accessible narrative. The rigorous fact-checking and editing that likely went into this landmark work are essential to its credibility and its continued relevance.

Case Study: The Impact on Education

The availability of "a people's history of the united states audiobook free" has profoundly impacted education. Many educators use it as supplementary material in their classes, encouraging students to critically examine conventional historical interpretations. This fosters a more nuanced understanding of American history and promotes critical thinking skills. It empowers students to question dominant narratives and develop their own informed perspectives.

Main Themes and Takeaways

"A People's History of the United States," accessible through "a people's history of the united states audiobook free," focuses on several key themes:

The experiences of marginalized groups: The book centers on the lives and struggles of those often excluded from traditional historical narratives.

Power dynamics and inequality: Zinn meticulously examines the ways in which power structures have shaped American society, perpetuating inequality and injustice.

Resistance and rebellion: The book highlights the constant acts of resistance and rebellion by marginalized groups throughout American history.

The ongoing struggle for social justice: Zinn's work underscores the ongoing fight for equality and social justice that continues to this day.

The central takeaway is the need for a more inclusive and accurate understanding of American history, one that acknowledges the contributions and struggles of all its people, not just the powerful elite. This understanding is crucial for building a more just and equitable future.

Conclusion

Accessing "a people's history of the united states audiobook free" is an invaluable opportunity to engage with a landmark work of historical scholarship. It's a powerful tool for self-education, critical thinking, and a deeper understanding of the complexities of American history. Whether you're a student, a teacher, or simply someone curious about the past, Zinn's book—especially in its convenient and accessible audiobook form—offers a compelling and transformative experience.

FAQs

1. Where can I find "a people's history of the united states audiobook free"? Several online platforms offer free audiobooks, though availability varies. Libraries often offer free digital downloads through services like Libby.
2. Is the free audiobook version complete? The completeness of a free version can vary. Some may be abridged or offer only excerpts. Always check before downloading.
3. What is the difference between Zinn's book and other American history books? Zinn's book offers a bottom-up perspective, focusing on the experiences of marginalized groups, which is often missing in more traditional histories.

4. Is the audiobook suitable for high school students? Yes, but with parental guidance, particularly due to mature themes.
5. Are there study guides available for "a people's history of the united states audiobook free"? Yes, numerous study guides and companion materials are available online and in bookstores.
6. Is the narration in the free audiobook high-quality? The quality can vary. Some free versions may have lower production values.
7. What are some other books that offer similar perspectives? Consider works by authors like Ibram X. Kendi, Ta-Nehisi Coates, and Roxane Gay.
8. Can I download the audiobook to my phone? Yes, most platforms offering free audiobooks allow downloads for offline listening.
9. How long is the audiobook version? The length will vary depending on the narration speed and any abridgements. The unabridged version is quite extensive.

a peoples history of the united states audiobook free: A People's History of the Supreme Court Peter Irons, 2006-07-25 A comprehensive history of the people and cases that have changed history, this is the definitive account of the nation's highest court featuring a forward by Howard Zinn Recent changes in the Supreme Court have placed the venerable institution at the forefront of current affairs, making this comprehensive and engaging work as timely as ever. In the tradition of Howard Zinn's classic *A People's History of the United States*, Peter Irons chronicles the decisions that have influenced virtually every aspect of our society, from the debates over judicial power to controversial rulings in the past regarding slavery, racial segregation, and abortion, as well as more current cases about school prayer, the Bush/Gore election results, and enemy combatants. To understand key issues facing the supreme court and the current battle for the court's ideological makeup, there is no better guide than Peter Irons. This revised and updated edition includes a foreword by Howard Zinn. A sophisticated narrative history of the Supreme Court . . . [Irons] breathes abundant life into old documents and reminds readers that today's fiercest arguments about rights are the continuation of the endless American conversation. -Publisher's Weekly (starred review)

a peoples history of the united states audiobook free: *A People's History of the United States* Howard Zinn, 2003-02-04 Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools -- with its emphasis on great men in high places -- to focus on the street, the home, and the workplace. Known for its lively, clear prose as well as its scholarly research, *A People's History* is the only volume to tell America's story from the point of view of -- and in the words of -- America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles -- the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality -- were carried out at the grassroots level, against bloody resistance. Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history. Revised, updated, and featuring a new afterword by the author, this special twentieth anniversary edition continues Zinn's important contribution to a complete and balanced understanding of American history.

a peoples history of the united states audiobook free: *Voices of a People's History of the United States* Howard Zinn, Anthony Arnove, 2011-01-04 Here in their own words are Frederick Douglass, George Jackson, Chief Joseph, Martin Luther King Jr., Plough Jogger, Sacco and Vanzetti, Patti Smith, Bruce Springsteen, Mark Twain, and Malcolm X, to name just a few of the hundreds of voices that appear in *Voices of a People's History of the United States*, edited by Howard Zinn and Anthony Arnove. Paralleling the twenty-four chapters of Zinn's *A People's History of the United States*, *Voices of a People's History* is the long-awaited companion volume to the national bestseller. For *Voices*, Zinn and Arnove have selected testimonies to living history—speeches, letters, poems, songs—left by the people who make history happen but who usually are left out of history

books—women, workers, nonwhites. Zinn has written short introductions to the texts, which range in length from letters or poems of less than a page to entire speeches and essays that run several pages. Voices of a People's History is a symphony of our nation's original voices, rich in ideas and actions, the embodiment of the power of civil disobedience and dissent wherein lies our nation's true spirit of defiance and resilience.

a peoples history of the united states audiobook free: A People's History of American Empire Howard Zinn, Mike Konopacki, Paul Buhle, 2008-04 Adapted from the critically acclaimed chronicle of U.S. history, a study of American expansionism around the world is told from a grassroots perspective and provides an analysis of important events from Wounded Knee to Iraq.

a peoples history of the united states audiobook free: A Young People's History of the United States Howard Zinn, 2011-01-04 A Young People's History of the United States brings to US history the viewpoints of workers, slaves, immigrants, women, Native Americans, and others whose stories, and their impact, are rarely included in books for young people. A Young People's History of the United States is also a companion volume to The People Speak, the film adapted from A People's History of the United States and Voices of a People's History of the United States. Beginning with a look at Christopher Columbus's arrival through the eyes of the Arawak Indians, then leading the reader through the struggles for workers' rights, women's rights, and civil rights during the nineteenth and twentieth centuries, and ending with the current protests against continued American imperialism, Zinn in the volumes of A Young People's History of the United States presents a radical new way of understanding America's history. In so doing, he reminds readers that America's true greatness is shaped by our dissident voices, not our military generals.

a peoples history of the united states audiobook free: A People's History of the World Chris Harman, 2017-05-02 Building on A People's History of the United States, this radical world history captures the broad sweep of human history from the perspective of struggling classes. An "indispensable volume" on class and capitalism throughout the ages—for readers reckoning with the history they were taught and history as it truly was (Howard Zinn) From the earliest human societies to the Holy Roman Empire, from the Middle Ages to the Enlightenment, from the Industrial Revolution to the end of the twentieth century, Chris Harman provides a brilliant and comprehensive history of the human race. Eschewing the standard accounts of "Great Men," of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of "history from below." In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments. While many scholars see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age. A vital corrective to traditional history, A People's History of the World is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress.

a peoples history of the united states audiobook free: What's My Name, Fool? Dave Zirin, 2011-02 In Whats My Name, Fool? sports writer Dave Zirin shows how sports express the worst - and at times the most creative, exciting, and political - features of our society. Zirins sharp and insightful commentary on the personalities, politics, and history of American sports is unlike any sports writing being done today. Zirin explores how NBA brawls highlight tensions beyond the arena, how the bold stances taken by sports unions can chart a path for the entire labor movement, and the unexplored political stirrings of a new generation of athletes who are no longer content to just "play one game at a time." Whats My Name, Fool? draws on original interviews with former heavyweight champ George Foreman, Olympic athlete John Carlos, NBA player and anti-death penalty activist Etan Thomas, antiwar womens college hoopster Toni Smith, Olympic Project for Human Rights leader Lee Evans and many others. It also unearths a history of athletes ranging from Jackie Robinson to Muhammad Ali to Billie Jean King, who charted a new course through their athletic ability and their outspoken views.

a peoples history of the united states audiobook free: Debunking Howard Zinn Mary

Grabar, 2019-08-20 Howard Zinn's *A People's History of the United States* has sold more than 2.5 million copies. It is pushed by Hollywood celebrities, defended by university professors who know better, and assigned in high school and college classrooms to teach students that American history is nothing more than a litany of oppression, slavery, and exploitation. Zinn's history is popular, but it is also massively wrong. Scholar Mary Grabar exposes just how wrong in her stunning new book *Debunking Howard Zinn*, which demolishes Zinn's Marxist talking points that now dominate American education. In *Debunking Howard Zinn*, you'll learn, contra Zinn: How Columbus was not a genocidal maniac, and was, in fact, a defender of Indians Why the American Indians were not feminist-communist sexual revolutionaries ahead of their time How the United States was founded to protect liberty, not white males' ill-gotten wealth Why Americans of the "Greatest Generation" were not the equivalent of Nazi war criminals How the Viet Cong were not well-meaning community leaders advocating for local self-rule Why the Black Panthers were not civil rights leaders Grabar also reveals Zinn's bag of dishonest rhetorical tricks: his slavish reliance on partisan history, explicit rejection of historical balance, and selective quotation of sources to make them say the exact opposite of what their authors intended. If you care about America's past—and our future—you need this book.

a peoples history of the united states audiobook free: An Indigenous Peoples' History of the United States (10th Anniversary Edition) Roxanne Dunbar-Ortiz, 2023-10-03 New York Times Bestseller Now part of the HBO docuseries *Exterminate All the Brutes*, written and directed by Raoul Peck Recipient of the American Book Award The first history of the United States told from the perspective of indigenous peoples Today in the United States, there are more than five hundred federally recognized Indigenous nations comprising nearly three million people, descendants of the fifteen million Native people who once inhabited this land. The centuries-long genocidal program of the US settler-colonial regimen has largely been omitted from history. Now, for the first time, acclaimed historian and activist Roxanne Dunbar-Ortiz offers a history of the United States told from the perspective of Indigenous peoples and reveals how Native Americans, for centuries, actively resisted expansion of the US empire. With growing support for movements such as the campaign to abolish Columbus Day and replace it with Indigenous Peoples' Day and the Dakota Access Pipeline protest led by the Standing Rock Sioux Tribe, *An Indigenous Peoples' History of the United States* is an essential resource providing historical threads that are crucial for understanding the present. In *An Indigenous Peoples' History of the United States*, Dunbar-Ortiz adroitly challenges the founding myth of the United States and shows how policy against the Indigenous peoples was colonialist and designed to seize the territories of the original inhabitants, displacing or eliminating them. And as Dunbar-Ortiz reveals, this policy was praised in popular culture, through writers like James Fenimore Cooper and Walt Whitman, and in the highest offices of government and the military. Shockingly, as the genocidal policy reached its zenith under President Andrew Jackson, its ruthlessness was best articulated by US Army general Thomas S. Jesup, who, in 1836, wrote of the Seminoles: "The country can be rid of them only by exterminating them." Spanning more than four hundred years, this classic bottom-up peoples' history radically reframes US history and explodes the silences that have haunted our national narrative. *An Indigenous Peoples' History of the United States* is a 2015 PEN Oakland-Josephine Miles Award for Excellence in Literature.

a peoples history of the united states audiobook free: Blood Crazy Simon Clark, 2014-10-28 It is a quiet, uneventful Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They're infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders

the world is 'normal' just a childish dream? *Blood Crazy*, first published in 1995, is a gripping, apocalyptic horror from Simon Clark.

a peoples history of the united states audiobook free: *A People's History of the Civil War* David Williams, 2011-05-10 "Does for the Civil War period what Howard Zinn's *A People's History of the United States* did for the study of American history in general." —Library Journal Historian David Williams has written the first account of the American Civil War as viewed through the eyes of ordinary people—foot soldiers, slaves, women, prisoners of war, draft resisters, Native Americans, and others. Richly illustrated with little-known anecdotes and firsthand testimony, this path-breaking narrative moves beyond presidents and generals to tell a new and powerful story about America's most destructive conflict. *A People's History of the Civil War* is a "readable social history" that "sheds fascinating light" on this crucial period. In so doing, it recovers the long-overlooked perspectives and forgotten voices of one of the defining chapters of American history (Publishers Weekly). "Meticulously researched and persuasively argued." —The Atlanta Journal-Constitution

a peoples history of the united states audiobook free: *U.S. History* P. Scott Corbett, Volker Janssen, John M. Lund, Todd Pfannestiel, Sylvie Waskiewicz, Paul Vickery, 2024-09-10 *U.S. History* is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). *U.S. History* covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

a peoples history of the united states audiobook free: *A Patriot's History of the United States* Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

a peoples history of the united states audiobook free: *An Indigenous Peoples' History of the United States for Young People* Roxanne Dunbar-Ortiz, 2019-07-23 2020 American Indian Youth Literature Young Adult Honor Book 2020 Notable Social Studies Trade Books for Young People, selected by National Council for the Social Studies (NCSS) and the Children's Book Council 2019 Best-Of Lists: Best YA Nonfiction of 2019 (Kirkus Reviews) · Best Nonfiction of 2019 (School Library Journal) · Best Books for Teens (New York Public Library) · Best Informational Books for Older Readers (Chicago Public Library) Spanning more than 400 years, this classic bottom-up history examines the legacy of Indigenous peoples' resistance, resilience, and steadfast fight against imperialism. Going beyond the story of America as a country "discovered" by a few brave men in the "New World," Indigenous human rights advocate Roxanne Dunbar-Ortiz reveals the roles that settler colonialism and policies of American Indian genocide played in forming our national identity. The original academic text is fully adapted by renowned curriculum experts Debbie Reese and Jean Mendoza, for middle-grade and young adult readers to include discussion topics, archival images, original maps, recommendations for further reading, and other materials to encourage students, teachers, and general readers to think critically about their own place in history.

a peoples history of the united states audiobook free: *You Can't Be Neutral on a Moving Train* Howard Zinn, 2018-09-18 If you're both overcome and angered by the atrocities of our time, this will inspire a "new generation of activists and ordinary people who search for hope in the darkness" (Keeanga-Yamahtta Taylor). Is change possible? Where will it come from? Can we actually

make a difference? How do we remain hopeful? Howard Zinn—activist, historian, and author of *A People's History of the United States*—was a participant in and chronicler of some of the landmark struggles for racial and economic justice in US history. In his memoir, *You Can't Be Neutral on a Moving Train*, Zinn reflects on more than thirty years of fighting for social change, from his teenage years as a laborer in Brooklyn to teaching at Spelman College, where he emerged in the civil rights movement as a powerful voice for justice. A former bombardier in World War II, he later became an outspoken antiwar activist, spirited protestor, and champion of civil disobedience. Throughout his life, Zinn was unwavering in his belief that "small acts, when multiplied by millions of people, can transform the world." With a foreword from activist and scholar Keeanga-Yamahatta Taylor, this revised edition will inspire a new generation of readers to believe that change is possible.

a peoples history of the united states audiobook free: *A People's History for the Classroom* Bill Bigelow, Howard Zinn, 2008 Presents a collection of lessons and activities for teaching American history for students in middle school and high school.

a peoples history of the united states audiobook free: *The Twentieth Century* Howard Zinn, 2009-10-13 "Professor Zinn writes with an enthusiasm rarely encountered in the leaden prose of academic history....[His] chapter on Vietnam—bringing to life once again the fire-free zones, secret bombings, massacres, and cover-ups—should be required reading."—New York Times Book Review Containing just the Twentieth Century chapters from Howard Zinn's bestselling *A People's History of the United States*, this reissue is brought up-to-date with coverage of events and developments since 2001, analyzing such incidents in modern political history such as the Gulf War, the post-Cold War "peace dividend," and the continuing debate over welfare, the Clinton presidency, and the "war on terrorism." Highlighting not just the usual terms of presidential administrations and congressional activities, this book provides readers with a "bottom-to-top" perspective, giving voice to our nation's minorities and letting the stories of such groups as African Americans, women, Native Americans, and the laborers of all nationalities be told in their own words. Challenging traditional interpretations of U.S. history, *The Twentieth Century* is the book for readers interested in gaining a more realistic and complete picture of our world.

a peoples history of the united states audiobook free: *A Renegade History of the United States* Thaddeus Russell, 2011-07-05 From the Publisher: In this groundbreaking book, noted historian Thaddeus Russell tells a new and surprising story about the origins of American freedom. Rather than crediting the standard textbook icons, Russell demonstrates that it was those on the fringes of society whose subversive lifestyles helped legitimize the taboo and made America the land of the free. In vivid portraits of renegades and their respectable adversaries, Russell shows that the nation's history has been driven by clashes between those interested in preserving social order and those more interested in pursuing their own desires - insiders versus outsiders, good citizens versus bad. The more these accidental revolutionaries existed, resisted, and persevered, the more receptive society became to change. Russell brilliantly and vibrantly argues that it was history's iconoclasts who established many of our most cherished liberties. Russell finds these pioneers of personal freedom in the places that usually go unexamined - saloons and speakeasies, brothels and gambling halls, and even behind the Iron Curtain. He introduces a fascinating array of antiheroes: drunken workers who created the weekend; prostitutes who set the precedent for women's liberation, including Diamond Jessie Hayman, a madam who owned her own land, used her own guns, provided her employees with clothes on the cutting-edge of fashion, and gave food and shelter to the thousands left homeless by the 1906 San Francisco earthquake; there are also the criminals who pioneered racial integration, unassimilated immigrants who gave us birth control, and brazen homosexuals who broke open America's sexual culture. Among Russell's most controversial points is his argument that the enemies of the renegade freedoms we now hold dear are the very heroes of our history books - he not only takes on traditional idols like John Adams, Thomas Jefferson, Andrew Carnegie, John Rockefeller, Thomas Edison, Franklin Roosevelt, and John F. Kennedy, but he also shows that some of the most famous and revered abolitionists, progressive activists, and leaders of the feminist, civil rights, and gay rights movements worked to suppress the vibrant energies of

working-class women, immigrants, African Americans, and the drag queens who founded Gay Liberation. This is not history that can be found in textbooks - it is a highly original and provocative portrayal of the American past as it has never been written before.

a peoples history of the united states audiobook free: History of the United States

Charles A. Beard, 2022-06-03 This is a very detailed account written in textbook style and intended for study. The book begins with data such as population growth for each state and then goes on to present factual details of settlement, growth, politics and so on.

a peoples history of the united states audiobook free: A People's History of Sports in the United States Dave Zirin, 2009 A riotously entertaining chronicle of larger-than-life sporting characters and dramatic contests, this is an alternative political history of the United States as seen through the games its people played. Replete with surprises for seasoned sports, it will also amaze anyone interested in history with the connections Zirin draws between politics and sports. A groundbreaking book, it looks at the history of sports in the US through the lens of politics and culture, and shows how athlete-rebels have used sports for social and political change.

a peoples history of the united states audiobook free: *A Little History of the United States*

James West Davidson, 2015-09-15 How did a land and people of such immense diversity come together under a banner of freedom and equality to form one of the most remarkable nations in the world? Everyone from young adults to grandparents will be fascinated by the answers uncovered in James West Davidson's vividly told *A Little History of the United States*. In 300 fast-moving pages, Davidson guides his readers through 500 years, from the first contact between the two halves of the world to the rise of America as a superpower in an era of atomic perils and diminishing resources. In short, vivid chapters the book brings to life hundreds of individuals whose stories are part of the larger American story. Pilgrim William Bradford stumbles into an Indian deer trap on his first day in America; Harriet Tubman lets loose a pair of chickens to divert attention from escaping slaves; the toddler Andrew Carnegie, later an ambitious industrial magnate, gobbles his oatmeal with a spoon in each hand. Such stories are riveting in themselves, but they also spark larger questions to ponder about freedom, equality, and unity in the context of a nation that is, and always has been, remarkably divided and diverse.

a peoples history of the united states audiobook free: The Untold History of the United States Oliver Stone, Peter Kuznick, 2013-10-15 Companion to the documentary series of the same name.

a peoples history of the united states audiobook free: *A People's History of the United States*

Howard Zinn, 2010-01-26 "It's a wonderful, splendid book—a book that should be read by every American, student or otherwise, who wants to understand his country, its true history, and its hope for the future." —Howard Fast, author of *Spartacus* and *The Immigrants* "[It] should be required reading." —Eric Foner, *New York Times Book Review Library Journal* calls Howard Zinn's iconic *A People's History of the United States* "a brilliant and moving history of the American people from the point of view of those...whose plight has been largely omitted from most histories." Packed with vivid details and telling quotations, Zinn's award-winning classic continues to revolutionize the way American history is taught and remembered. Frequent appearances in popular media such as *The Sopranos*, *The Simpsons*, *Good Will Hunting*, and the History Channel documentary *The People Speak* testify to Zinn's ability to bridge the generation gap with enduring insights into the birth, development, and destiny of the nation.

a peoples history of the united states audiobook free: *A People's History of Computing in the United States*

Joy Lisi Rankin, 2018-10-08 Silicon Valley gets all the credit for digital creativity, but this account of the pre-PC world, when computing meant more than using mature consumer technology, challenges that triumphalism. The invention of the personal computer liberated users from corporate mainframes and brought computing into homes. But throughout the 1960s and 1970s a diverse group of teachers and students working together on academic computing

systems conducted many of the activities we now recognize as personal and social computing. Their networks were centered in New Hampshire, Minnesota, and Illinois, but they connected far-flung users. Joy Rankin draws on detailed records to explore how users exchanged messages, programmed music and poems, fostered communities, and developed computer games like *The Oregon Trail*. These unsung pioneers helped shape our digital world, just as much as the inventors, garage hobbyists, and eccentric billionaires of Palo Alto. By imagining computing as an interactive commons, the early denizens of the digital realm seeded today's debate about whether the internet should be a public utility and laid the groundwork for the concept of net neutrality. Rankin offers a radical precedent for a more democratic digital culture, and new models for the next generation of activists, educators, coders, and makers.

a peoples history of the united states audiobook free: *Lies My Teacher Told Me* James W. Loewen, 2008 Criticizes the way history is presented in current textbooks, and suggests a more accurate approach to teaching American history.

a peoples history of the united states audiobook free: *A People's Future of the United States* Charlie Jane Anders, Lesley Nneka Arimah, Charles Yu, 2019-02-05 A glittering landscape of twenty-five speculative stories that challenge oppression and envision new futures for America—from N. K. Jemisin, Charles Yu, Jamie Ford, G. Willow Wilson, Charlie Jane Anders, Hugh Howey, and more. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In these tumultuous times, in our deeply divided country, many people are angry, frightened, and hurting. Knowing that imagining a brighter tomorrow has always been an act of resistance, editors Victor LaValle and John Joseph Adams invited an extraordinarily talented group of writers to share stories that explore new forms of freedom, love, and justice. They asked for narratives that would challenge oppressive American myths, release us from the chokehold of our history, and give us new futures to believe in. They also asked that the stories be badass. The result is this spectacular collection of twenty-five tales that blend the dark and the light, the dystopian and the utopian. These tales are vivid with struggle and hardship—whether it's the othered and the terrorized, or dragonriders and covert commandos—but these characters don't flee, they fight. Thrilling, inspiring, and a sheer joy to read, *A People's Future of the United States* is a gift for anyone who believes in our power to dream a just world. Featuring stories by Violet Allen • Charlie Jane Anders • Lesley Nneka Arimah • Ashok K. Banker • Tobias S. Buckell • Tananarive Due • Omar El Akkad • Jamie Ford • Maria Dahvana Headley • Hugh Howey • Lizz Huerta • Justina Ireland • N. K. Jemisin • Alice Sola Kim • Seanan McGuire • Sam J. Miller • Daniel José Older • Malka Older • Gabby Rivera • A. Merc Rustad • Kai Cheng Thom • Catherynne M. Valente • Daniel H. Wilson • G. Willow Wilson • Charles Yu

a peoples history of the united states audiobook free: *A People's History of the Russian Revolution* Neil Faulkner, 2017 The Russian Revolution may be the most misunderstood and misrepresented event in modern history, its history told in a mix of legends and anecdotes. In *A People's History of the Russian Revolution*, Neil Faulkner sets out to debunk the myths and pry fact from fiction, putting at the heart of the story the Russian people who are the true heroes of this tumultuous tale. In this fast-paced introduction, Faulkner tells the powerful narrative of how millions of people came together in a mass movement, organized democratic assemblies, mobilized for militant action, and overturned a vast regime of landlords, profiteers, and warmongers. Faulkner rejects caricatures of Lenin and the Bolsheviks as authoritarian conspirators or the progenitors of Stalinist dictatorship, and forcefully argues that the Russian Revolution was an explosion of democracy and creativity--and that it was crushed by bloody counter-revolution and replaced with a form of bureaucratic state-capitalism. Grounded by powerful first-hand testimony, this history marks the centenary of the Revolution by restoring the democratic essence of the revolution, offering a perfect primer for the modern reader.

a peoples history of the united states audiobook free: *The Other Civil War* Howard Zinn, 2011-03-15 *The Other Civil War* offers historian and activist Howard Zinn's view of the social and civil background of the American Civil War—a view that is rarely provided in standard historical

texts. Drawn from his New York Times bestseller *A People's History of the United States*, this set of essays recounts the history of American labor, free and not free, in the years leading up to and during the Civil War. He offers an alternative yet necessary account of that terrible nation-defining epoch.

a peoples history of the united states audiobook free: By the People James W. Fraser, 2018

a peoples history of the united states audiobook free: Palestine, Israel and the U.S. Empire Richard Becker, 2009 A sharp analysis of the struggle for Palestine--from the division of the Middle East by Western powers and the Zionist settler movement, to the founding of Israel and its role as a watchdog for US interests, to present day conflicts and the prospects for a just resolution. The narrative is firmly rooted in the politics of Palestinian liberation. Here is a necessary contribution to the heroic efforts of the Palestinian people to achieve justice in the face of seemingly insurmountable odds. This book contains a complete index and a timeline of developments in the history of Palestine.

a peoples history of the united states audiobook free: A People's History of the United States Howard Zinn, Kathy Emery, Ellen Reeves, 2003 This brilliant and moving history of the American people (Library Journal) presents more than 500 years of American social and cultural history, going well beyond the wars and presidencies contained in traditional texts to tell the stories of working men and women. Abridged for use in the classroom.

a peoples history of the united states audiobook free: From the Folks Who Brought You the Weekend Priscilla Murolo, A.B. Chitty, 2018-08-28 Newly updated: "An enjoyable introduction to American working-class history." —The American Prospect Praised for its "impressive even-handedness", *From the Folks Who Brought You the Weekend* has set the standard for viewing American history through the prism of working people (Publishers Weekly, starred review). From indentured servants and slaves in seventeenth-century Chesapeake to high-tech workers in contemporary Silicon Valley, the book "[puts] a human face on the people, places, events, and social conditions that have shaped the evolution of organized labor", enlivened by illustrations from the celebrated comics journalist Joe Sacco (Library Journal). Now, the authors have added a wealth of fresh analysis of labor's role in American life, with new material on sex workers, disability issues, labor's relation to the global justice movement and the immigrants' rights movement, the 2005 split in the AFL-CIO and the movement civil wars that followed, and the crucial emergence of worker centers and their relationships to unions. With two entirely new chapters—one on global developments such as offshoring and a second on the 2016 election and unions' relationships to Trump—this is an "extraordinarily fine addition to U.S. history [that] could become an evergreen . . . comparable to Howard Zinn's award-winning *A People's History of the United States*" (Publishers Weekly). "A marvelously informed, carefully crafted, far-ranging history of working people." —Noam Chomsky

a peoples history of the united states audiobook free: An African American and Latinx History of the United States Paul Ortiz, 2018-01-30 An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years, *An African American and Latinx History of the United States* is a revolutionary, politically charged narrative history, arguing that the "Global South" was crucial to the development of America as we know it. Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like "manifest destiny" and "Jacksonian democracy," and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1, 2006, known as International Workers' Day, when migrant laborers—Chicana/os, Afrocubanos, and immigrants from every continent on earth—united in resistance on the first "Day Without Immigrants." As African American civil rights activists fought Jim Crow laws and Mexican labor

organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean. In stark contrast to the resurgence of “America First” rhetoric, Black and Latinx intellectuals and organizers today have historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the radically different ways that people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner of the PEN Oakland/Josephine Miles Literary Award

a peoples history of the united states audiobook free: Worn Sofi Thanhauser, 2022-01-25 A NEW YORKER BEST BOOK OF THE YEAR • A sweeping and captivatingly told history of clothing and the stuff it is made of—an unparalleled deep-dive into how everyday garments have transformed our lives, our societies, and our planet. “We learn that, if we were a bit more curious about our clothes, they would offer us rich, interesting and often surprising insights into human history...a deep and sustained inquiry into the origins of what we wear, and what we have worn for the past 500 years. —The Washington Post In this panoramic social history, Sofi Thanhauser brilliantly tells five stories—Linen, Cotton, Silk, Synthetics, Wool—about the clothes we wear and where they come from, illuminating our world in unexpected ways. She takes us from the opulent court of Louis XIV to the labor camps in modern-day Chinese-occupied Xinjiang. We see how textiles were once dyed with lichen, shells, bark, saffron, and beetles, displaying distinctive regional weaves and knits, and how the modern Western garment industry has refashioned our attire into the homogenous and disposable uniforms popularized by fast-fashion brands. Thanhauser makes clear how the clothing industry has become one of the planet’s worst polluters and how it relies on chronically underpaid and exploited laborers. But she also shows us how micro-communities, textile companies, and clothing makers in every corner of the world are rediscovering ancestral and ethical methods for making what we wear. Drawn from years of intensive research and reporting from around the world, and brimming with fascinating stories, Worn reveals to us that our clothing comes not just from the countries listed on the tags or ready-made from our factories. It comes, as well, from deep in our histories.

a peoples history of the united states audiobook free: The Chinese in America Iris Chang, 2004-03-30 A quintessentially American story chronicling Chinese American achievement in the face of institutionalized racism by the New York Times bestselling author of *The Rape of Nanking* In an epic story that spans 150 years and continues to the present day, Iris Chang tells of a people’s search for a better life—the determination of the Chinese to forge an identity and a destiny in a strange land and, often against great obstacles, to find success. She chronicles the many accomplishments in America of Chinese immigrants and their descendents: building the infrastructure of their adopted country, fighting racist and exclusionary laws and anti-Asian violence, contributing to major scientific and technological advances, expanding the literary canon, and influencing the way we think about racial and ethnic groups. Interweaving political, social, economic, and cultural history, as well as the stories of individuals, Chang offers a bracing view not only of what it means to be Chinese American, but also of what it is to be American.

a peoples history of the united states audiobook free: How to Win Friends and Influence People, 2024-02-17 You can go after the job you want...and get it! You can take the job you have...and improve it! You can take any situation you’re in...and make it work for you! Learn the six ways to make people like you, the twelve ways to win people to your way of thinking, and the nine ways to change people without arousing resentment.

a peoples history of the united states audiobook free: *A People's History of Heaven*

Mathangi Subramanian, 2019-03-19 The language [takes] on a musicality that is in sharp contrast to the bleak setting . . . refreshing . . . a strong debut. —New York Times Book Review “Subramanian writes with empathy and exuberance, offering a much-needed glimpse into a world that too many of us don't even know exists. This is a book to give your little sister, your mother, your best friend, yourself, so together you can celebrate the strength of women and girls, the tenacity it takes to survive in a world that would rather have you disappear.”—Nylon In the tight-knit community known as Heaven, a ramshackle slum hidden between luxury high-rises in Bangalore, India, five girls on the cusp of womanhood forge an unbreakable bond. Muslim, Christian, and Hindu; queer and straight; they are full of life, and they love and accept one another unconditionally. Whatever they have, they share. Marginalized women, they are determined to transcend their surroundings. When the local government threatens to demolish their tin shacks in order to build a shopping mall, the girls and their mothers refuse to be erased. Together they wage war on the bulldozers sent to bury their homes, and, ultimately, on the city that wishes that families like them would remain hidden forever. Elegant, poetic, and vibrant, *A People's History of Heaven* takes a clear-eyed look at adversity and geography--and dazzles in its depiction of these women's fierceness and determination not just to survive, but to triumph.

a peoples history of the united states audiobook free: *Part of Our Lives* Wayne A.

Wiegand, 2015 Challenges conventional thinking and top-down definitions, instead drawing on the library user's perspective to argue that the public library's most important function is providing commonplace reading materials and public space. Challenges a professional ethos about public libraries and their responsibilities to fight censorship and defend intellectual freedom. Demonstrates that the American public library has been (with some notable exceptions) a place that welcomed newcomers, accepted diversity, and constructed community since the end of the 19th century. Shows how stories that cultural authorities have traditionally disparaged- i.e. books that are not serious- have often been transformative for public library users.

a peoples history of the united states audiobook free: *A People's History of Baseball*

Mitchell Nathanson, 2012-03-30 Baseball is much more than the national pastime. It has become an emblem of America itself. From its initial popularity in the mid-nineteenth century, the game has reflected national values and beliefs and promoted what it means to be an American. Stories abound that illustrate baseball's significance in eradicating racial barriers, bringing neighborhoods together, building civic pride, and creating on the field of play an instructive civics lesson for immigrants on the national character. In *A People's History of Baseball*, Mitchell Nathanson probes the less well-known but no less meaningful other side of baseball: episodes not involving equality, patriotism, heroism, and virtuous capitalism, but power--how it is obtained, and how it perpetuates itself. Through the growth and development of baseball Nathanson shows that, if only we choose to look for it, we can see the petty power struggles as well as the large and consequential ones that have likewise defined our nation. By offering a fresh perspective on the firmly embedded tales of baseball as America, a new and unexpected story emerges of both the game and what it represents. Exploring the founding of the National League, Nathanson focuses on the newer Americans who sought club ownership to promote their own social status in the increasingly closed caste of nineteenth-century America. His perspective on the rise and public rebuke of the Players Association shows that these baseball events reflect both the collective spirit of working and middle-class America in the mid-twentieth century as well as the countervailing forces that sought to beat back this emerging movement that threatened the status quo. And his take on baseball's racial integration that began with Branch Rickey's "Great Experiment" reveals the debilitating effects of the harsh double standard that resulted, requiring a black player to have unimpeachable character merely to take the field in a Major League game, a standard no white player was required to meet. Told with passion and occasional outrage, *A People's History of Baseball* challenges the perspective of the well-known, deeply entrenched, hyper-patriotic stories of baseball and offers an incisive alternative history of America's much-loved national pastime.
